## Billingsley Moved To Ind.

To my many friends at Gospel Reaching Out:

On October 27, 1982 Billingsley Music, Inc. ceased operations. I enjoyed seven years as president of BMI and during that time span I have had the opportunity to know, love, respect and work with most of the groups in this area. The past year and a half has been very difficult for me physically, mentally, emotionally and financially. However, Spiritually I feel blessed because I know just as you do that the Lord never places a burden on his children too great to carry. It is not intended for us to question why things are the way they are, but to carry on because there is work to be done.

At a time when most feel that I should be sad at the closing of my business, I find

that I can not be sad. Instead, I feel relieved, excited and ready to meet the challenge. Billingsley Music was but a mere stepping stone and a training ground that has formed the corner stone for the work in Gospel music that I feel led to do. I firmly believe that when the maximum potential of BMI was reached it was allowed to become stagnant so that it would be necessary for me to move to a bigger and better operation in order for me to more successfully serve the needs of those in Gospel music.

With love and respect for all, I am,  
Dennis Billingsley

## News From Far-Out

Welcome to the first of a series of articles that I am going to do for Gospel Reaching Out. This is an idea that we had discussed doing quite some time ago, but I was not in a position to put it together. Now that I am at Far-Out Music in Jeffersonville, Indiana and have their engineering staff to back me up I think we can put together some interesting articles.

The purpose of the forth coming articles will be to (1) Make you aware of new products that become available, (2) Inform you about products that are already available, (3) Discuss and define different terms that apply to sound reinforcement, (4) Give you an opportunity to write in questions concerning sound problems that you may be having and hopefully we can supply the answer.

In short, I hope for these articles to be informative, educational, helpful and fun. Next month we will take a look at the amazing Peavey TRIFLEX Speaker System.

Until then if you have any questions or comments, please let me know. Send them to Dennis Billingsley, C/O Far-Out Music 2008 Coopers Lane, Jeffersonville, Indiana, 47130.
