The second quarterly meeting of the Board of Regents of the Western Kentucky State Normal School was held in the Administration Building, at 2 o'clock P. M., June 1, 1915, at which were present Vice President W. J. Gooch in the Chair and Regents Cole, Potter, and Haswell.

The minutes of the previous meeting were read and upon motion approved.

The Chairman announced that one of the principle^{al} items of business to be considered was that of filling the vacancy as President of the Institution caused by the resignation of Dr. H. H. Cherry.

The Secretary laid before the Board a communication from Dr. A. J. Kinnaman and a Special Committee of the faculty representing the teachers of the school, requesting the appointment of Dr. Cherry to the position he had formerly filled, which communication was upon motion received and ordered placed of record upon the minutes. ^{al}erewith follows ~~follow~~ copy:

Bowling Green, Ky., May 19, 1915.

To the Honorable Board of Regents,
State Normal School, Western District,
C/o Mr. H. K. Cole, Secretary,
Louisville, Ky.

Gentlemen:

Recalling the fact that you reluctantly accepted the resignation of Dr. H. H. Cherry when he entered the race for Governor of Kentucky and knowing that you appreciate his ability as an educator and leader of the State's educational forces, and knowing too that you recognize his rare executive fitness for the head of an institution like this; we venture to suggest the early reappointment of Dr. Cherry as President of the Western Kentucky State Normal School.

We trust this suggestion will not be taken as an effort on our part to dictate to the Board or in any way to influence its members against their inclination. We feel that you are with us in our desire to have him resume his work here sometime in the future, and it seems to us that it would be to the best interest of the institution for him to begin at a very early date, if the Board can prevail upon him to do so. You may be assured that in this step you will have the approval and backing of every teacher and student in and out of the institution.

Most respectfully yours,

	(A. J. Kinnaman, Chairman
	(J. R. Alexander,
	(A. M. Stickles.
	(R. P. Green,
