## From The President

HASKELL McCUBBINS

We want to thank each one of you the subscribers, the gospel singers, friends, pastors' or whoever has helped support gospel music.

This year has been a wonderful year and we thank the Lord for all of you and for his many blessings.

It has been a very good year for revivals also. We have been experiencing a renewing Spirit throughout this area and other areas. Many souls have been saved this year and folks have been attending services better than usual. Seems like the people have been hungry and thirsty for the Word of God and for His Spirit.

We look forward to 1983 with great anticipation and we also would like to see each of you.

May God bless you this coming year and may you be ready when He comes.

## What's Happening

John Noski, drummer, and Gary Jones, pianist, have left the Gold City Quartet to join Granite City Recording Co. in Mt. Airy, N.C.

Dixie Melody Boys steel player Ron Welles will be married soon.

At this writing Jake Hess of the Masters V seems to be doing real well. Jake had been suffering some dizziness and pain. Good health to you Jake Hess.

The National Quartet Convention was very successful with good crowds attending and some very fine talent to go along with it. Next year's convention will be held October 3 through October 8 at Municipal Auditorium.

Dottie Rambo's mother passed away recently. Her name was Mrs. Elizabeth Luttrell.

You can never speak to the wrong person about Christ.

# Recipes

## BUCKEYES

- 1 lb. butter
- 2 lbs peanut butter
- 3 boxes of confectionary sugar

Mix and roll into balls the size of buckeyes. Melt 24 oz size package of chocolate bits. Also melt 3 slices of parafin (do this in double boiler). (Mix these two together). Use a toothpick and dip the balls two - thirds of the way into the chocolate and parafin mixture. Let cool. This looks like the real Buckeye of the state of Ohio.

## CHURCH WINDOWS

- 1 stick oleo
- 1 small package chocolate chips
- 1 pkg. colored small marshmallows
- 1 cup nuts
- 1 pkg. coconut (melt)

Mix chocolate and butter, add marshmallows. Take 2 pieces of oiled paper and sprinkle with coconut, then drop this mixture on the paper, and roll into logs. This will make 4 logs. Refrigerate overnight then slice.

## RAINBOW SLICES

- 2 oz semi-sweet chocolate
- 30 colored mini marshmallows
- 2/3 cup chopped walnuts
- 1 egg
- 3/4 cup confectioner's sugar
- 1/2 cup coconut

Melt chocolate over hot water. Beat egg and mix with powdered sugar and melted chocolate. Add marshmallows and nuts. Shape mixture into a roll and roll in coconut. Chill for a few hours, then slice and serve.

## ORANGE SLICE CANDY CAKE

- 3 1/2 cups self rising flour
- 1 lb. orange slice candy (chopped in small pieces)
- 1 pkg. dates
- 2 cups chopped walnuts
- 1 (4 oz) can flake coconut
- 1 cup shortening
- 2 cups sugar
- 4 eggs
- 1/2 cup buttermilk

Cream sugar and shortening. Add eggs and buttermilk. Add flour mix well. Fold in dates, nuts and candy. Pour into large tube pan and bake 1 hour and 45 minutes at 300 degrees. When done remove form oven and pour this over cake in pan. 1 cup orange juice and 1 cup sugar. Refrigerate overnight before removing from pan.

# Great News About Triflex System

This month as promised, we inspect the Peavey TRIFLEX SYSTEM. Three of the most consistent and frustrating problems encountered by gospel groups are (1) Lack of space for placing the speaker enclosures (2) Lack of space for transporting the speaker enclosures and, (3) Lack of funds to be able to afford a speaker system that will produce the sound you desire. The new Peavey TRIFLEX System addresses these problems in a very unique and effective manner.

The Peavey TRIFLEX is a three-way system featuring one low frequency

enclosure to reproduce the frequencies below 250HZ (low and mid bass) and two satellite cabinets for the frequencies above 250HZ (mids and highs).

The low frequency enclosure is a special "slot radiator" design featuring two heavy duty 12" transducers in a dual cone configuration for maximum low frequency output.

The two satellite enclosures are only 14" high x 9½" wide and 6¼" deep. Each enclosure has one 8" heavy duty mid range cone transducer and one 4" horn super tweeter for the high frequency section.

The slot radiator design of the low frequency enclosure allows you to nest the satellite speakers in the slot for easy, one piece transportation.

I have heard the TRIFLEX System on many occasions and I must admit I am both pleased and surprised. Not only is the system small and portable, the sound is clean, clear, and natural. Don't let the size of the system mis-lead you. When you need to crank up the volume and pour out the coal the TRIFLEX System delivers.

Until Next Month  
Dennis Billingsley

## What About The New Year?

Have you set any goals? What about your New Year's Resolutions? Are you depressed from all the bills from Christmas? Most of us are. What about our Spiritual welfare. One of the resolutions I want to make is to be more kind, understanding, grow closer to the Lord and to friends, get slimmer but yet still be able to eat.

One thing we must keep in mind is that we must have dreams and goals for the future without them we will perish. Read our Bible more and be able to grow as a Christian and set a good example for others. See you next year.

Yours in His Service,  
Annette McCubbins

## The Barry Clardy Singers

Greenville - The Barry Clardy Singers spent December 19-21 in Asheville, N.C. recording their latest album, "By Calvary." Mr. Jim Hamill of the Kingsmen was the producer.

The Clardys have been singing now for almost twelve years. The present group has been together for two years. The lead singer is Charleston Farber; tenor is Mike Hill; alto and pianist Paulette Clardy; bass, Andy Roberts and bass guitar, Joe Boggess. Barry Clardy is manager and is featured lead on a few songs.

The group extends their thanks to "Big Jim" for his efforts in putting the album

together. He and the Kingmen have been an inspiration to the group for many years.

The album will be out sometime in January. Call or write Barry if you wish to book the Clardys at your church or to order an album (cassettes and 8-tracks also available). See ad on Page 5

Barry and Paulette's children, Bryan age 16 and Amy, age 14, have recently organized their own group, The Canaanland Singers. Joe Boggess is the lead; Jerry Butcher, tenor; Amy, alto; Bryan, bass; Mike Hill, pianist and Charleston Farber, bass guitar. They travel with the Clardys and are doing a marvelous job.
