### Bonifay, Fla. Singing

The biggest all night singing in the world will be held July 2, 1983 in Bonifay, Florida, at the Memorial Stadium from sundown to sun up.

The groups include Gold City Quartet, Rex Nelson Singers, Kingsmen, Jerry Goff and The Goffs, Dixie Echoes, Hinsons, Teddy Huffman, Hemphills, Easter Brothers, Florida Boys and many more.

### Food for Thought

Psalms 118:8

It is better to trust in the Lord than to put confidence in man.

Psalms 119:2

Blessed are they that keep his testimonies, and that seek him with the whole heart.

If you cannot plant a garden,  
sow a seed;  
If you cannot feed all the hungry,  
Fill one need.  
The seed you sow may someday  
bloom and spread,  
And your loaf supply a  
multitude with bread.

# What's Happening

The Top song for the past several months has been **Step Into the Water** by the Cathedrals of Stow, Ohio. It was also No.1 for the month of June. It was written by Kirk Talley. The No. 2 song was **Two Winning Hands** by The Hinson's.

Gordon Jenson has recorded on the Day Spring Label for Word, Inc. This new album has just been released.

The Hemphills of Nashville, Tenn. have a new bass player, even though he is not new in the Gospel Music field. He is James Freeze and he was with the Goodmans for several years.

Elmer Cole, who wrote **Ten Thousand Years**, is writing again and has signed a contract with Priority Music.

Several groups have recorded new albums- The Cumberland Boys, The New Gaither Vocal Band, The Payne Family, The Masters V and Candy Hemphill. Watch for these at your favorite record store.

Ernie Phillips of The Kingsmen has a new solo album out entitled "Just Ernie."

We visited Opryland recently and had a chance to see and hear the Cumberland Boys, Opryland's own quartet. They did a fine job singing and they also have a new album out.

Marvin Norcross (deceased) has been inducted into Gospel Music Hall of Fame. Marvin contributed much to gospel music.

Wendy Bagwell has a new album called **Three German Police Dogs** and an **O' Yellow Cat**. Watch for this album at your local record shop.

Ed Hill of The Singing Americans is doing well at this writing and will be singing real soon. Ed was injured in their bus, truck accident.

### Floating and Firm

As a financier, you might say old Noah was vastly underrated. After all, he floated his stock while everyone else was being liquidated.

# From The President

Have you ever wondered what keeps gospel singers going year after year, month after month. Sometimes it is night after night, for weeks at a time.

What is it that would make a person drive thousands of miles, lose sleep, miss meals, sometimes not getting enough money to cover expenses. Why all of this just to sing and play music?

You see, I believe gospel music is not just music. It is **music with a message**. Those people who truly love gospel music are committed to share this message wherever it might take them. (Jesus came to save sinners).

If this is beginning to sound like no fun at all, well, I'm not forgetting about all those good times. State Singings, National Quartet Conventions, all day meetings, good preaching and singing with dinner on the ground or in the basement, whatever the case may be.

It is a time for sharing, loving and renewing friendships. All those bad times seem to fade away when we get together with God's people.

Sinners being saved, Christians rejoicing is a part of being Gospel

Singers.

Bill Gaither wrote a song sometime back called **The Family of God**.

All of us who have been redeemed by the precious blood of Jesus Christ have one Heavenly Father.

As singers, as Christians, we are truly a part of the family, the family of God.

Jesus said that we are to love God with all our heart, soul, mind and strength, and to love our neighbors as ourself.

It is this love for God and his creation that make gospel singers a different breed.

We thank God for the church, preachers and promoters who see the value of gospel music.

Thank you fans and supporters. We'll be coming your way most any time now.

Let us keep working and praying until his return.

Yours in His Service,  
Haskell

# News From Far Out

This month I want to inform you about another microphone that is one of my favorite mics to use. I know you folks think I have about a dozen or more favorite mics and you are close to right. But, I like to use the right mic to do the proper job.

The microphone we will discuss this month is the CROWN PZM (Pressure Zone Mic). The PZM is my first choice for use on church podiums and choir pickup. The application we will discuss here for use in gospel groups is micing the piano.

The PZM is unlike any other microphone on the market and works on a new principle of sound detection. The active element in a PZM is a pressure calibrated electric capsule that is mounted on a 5" X 6" boundary plate. All sound that comes into the hemispheric pattern of the boundary plate is picked up by the minute capsule that is mounted on the plate. The pickup ability of the PZM is astounding and the quality is unbeatable.

For best results on a grand piano the PZM should be taped to the underside of the lid near the center of the lid. The lid should be placed on the short stick. On an upright piano the PZM should be taped to the inside of the lid with the lid closed.

Do not think about using the PZM like you do another microphone, the principle is not the same. Use the PZM according to the instructions included with it and not only will you be surprised, you will be more than pleased.

Until Next Month

This is one singing that you will not want to miss, so please make plans now to come and worship with us.

All of the members of the Southern Harmony Quartet are in excess of 60 years of age. One of the gentlemen in this group is 73 years young and has been singing for nearly FIFTY YEARS!

Please come and be with us and meet all three of these fine groups. They are all nice country folks, who enjoy singing for the Lord!

The Durrett Family are well known in Green County and have sung at our church a countless number of times. The Spirituals have been with us, and sung, a couple of times previously. But, this will be the FIRST TIME EVER AT OUR CHURCH FOR THE SOUTHERN HARMONY QUARTET.

They have only been in the Green County/Greensburg area one time. This will be their SECOND time ever in this area.

Old Salem Church is located about 5 miles northwest of Donansburg, at the end of Highway 1464, in the Caven Bend, in Green County.

Our church is on Central Daylight Savings Time---the same time that the Greensburg/Munfordville areas are on.

Our church will also be dedicating our remodeling work that we had completed a few years ago. So, on Sunday, July 31, we will be having our dedication services AND our annual homecoming.

All of the members and the acting pastor, Brother Chester Van Dyke, of Campbellsville, warmly invite everyone to attend.

Faithfully yours,  
WINFRED L. NOE

## Food for Thought

Wherefore, seeing We also are compassed about with so great a cloud of witnesses, let us lay aside every weight, and the sin which doth so easily beset us, and let us run with patience the race that is set before us, Looking unto Jesus, the author and finisher of our Faith.
