Memories shared by Merry Herbert

Hometown: Cincinnati, Ohio

Why I chose WKU: WKU scholarship

My major: Music

My class: 1973

Gemini Bands: Fall 1969-1972

Instruments: Drums

Tours: While I was in Gemini we did not do any large touring. I remember a concert in Ohio, some in Kentucky, and one tv show in Nashville.

Friends: : I don't have any contacts now. Suzanne Banister and "Doc" Kerry Stone were ones I was closest to. I played in a band outside Gemini where I played with "Doc".

Benefits: Good experience for "stage band" arrangements "reading charts".
