News From The National Scene

The President of the Southern Gospel Music Association, Bill Traylor, has announced plans for the Gem Awards to be given on April 2, 1984, at the Georgia Railroad Depot in Atlanta, Georgia. The emcee will be Wendy Bagwell.

The Spirituals

The Spirituals have been traveling and singing for the Lord seven years, and he has richly blessed our efforts. We would like to take this opportunity to introduce three new members.

Playing piano and singing tenor, Teresa Fields; playing bass guitar, and singing on several songs, Ronda Lile; singing lead, Marla Hurt.

The Lord is really working with this group, and blessing in many ways. We ask the prayers of the Christian people that the Lord may keep us busy, going and doing the things he wants done.

If your church or organization would like to have the spirituals in your community, write or call Jack L. Hurt, P.O. Box 184, Edmonton, KY, 42129. Phone (502) 428-3023.

Letter From The Cavelanders

The Cavelanders are all related in one sense or another. Either as a distant cousin, uncle-in-law, or something, and have been extremely close as a gospel group.

Many years before we even thought of forming a gospel group, our families have enjoyed fine music and good gospel singing.

I'm asked many times "How did we get started in gospel music?" Tom Ferren, Elmer Dean Short and I had talked about it for some time before ever making a decision. We got Brother Billy Compton to sing with us for a time or two, but the Lord had another job for Brother Billy. Of course, that was preaching the gospel. If we had to lose him, I can't think of a better person to lose him to.

About this time, the Hart County Gospel Music Association was organized. Someone had asked Tommy to join, he in turn asked me and we both have been members ever since. This seemed to whet our appetite for singing more than ever.

Then Wilma Spradlin asked Tommy if he would be interested in getting a group together. Well Tommy Ferren, Wilma Spradlin, Elmer Short and myself (Elroy), started out trying to sing. You know, after that first practice, we had so much fun that we knew we were going to like it.

Then came the next big problem. "What were we going to call ourselves?" We had been called many things, by a lot of different people, but none was suitable to be called in church. So being from the cave country, we came up with the name "Cavelanders." Some people used to even call us the Cave Men. Well, what's

Seated left to right: Elroy Larimore, Faye Ralston; standing, left to right - Tommy Ferren and Elmer Short.

in a name anyway?

After a year or so of singing, Wilma decided it was time to quit the Cavelanders and finish up her family. That is when Neilia came along.

Mary Lou Compton started singing and playing the piano before Wilma left, so the Cavelanders never had to stop singing. Mary Lou stayed with the group for a year or so before she decided it was time to quit. Similar to Wilma, but not wanting children, Mary Lou had planned on getting married. When she left, we started looking for another girl to sing alto and play the piano.

Well, we have a little short person with us now, known as the Militant

Midget. She has been with us for several years now and has been known to turn down a date, just to sing with these three old men! Of course, her real name is Faye Ralston and we all love her very much. Faye has done a tremendous job singing and playing the piano for the Cavelanders the past few years.

Elmer Dean Short, our lead singer, has a unique voice and continues to do an excellent job for the group. We all call him "Dad Short," I think it is because of his long hair.

Tom Ferren sings second tenor and likes to pick out the majority of our songs. I think it's mainly because he wants to make sure he won't have to strain his voice. He stands between Dean and I, and says that's enough strain on anybody.

That leaves all the singing parts but bass. They all picked out the parts they wanted and left the bass for me. They told me to try to sing, that straining my voice definitely couldn't hurt it.

Singing gospel music has meant a great deal to me. I feel we, as Christians and gospel singers, have a tremendous responsibility to be the best witness possible for our Lord. Singing with the Cavelanders has been an experience that I shall cherish always and never forget its many blessings. The Lord has truly blessed our group and we hope to continue praising his name through our songs.

We are now in the process of preparing for a new album. Please remember us in your prayers and may God Bless You All.

From The Servants

Hello to readers of GRO from the Servants of Campbellsville, Kentucky. This winter has been exciting and busy for The Servants. We've seen a bunch of snow in Illinois and a bunch of sand in Florida this winter and we've enjoyed all of it tremendously. Actually, Florida is a pretty nice place to be in December or February and we were there one weekend in each of those months.

We've also covered a great deal of territory in our own Bluegrass State this winter. In places like Glasgow, Elizabethtown, Mt. Sterling, Winchester, Owensboro, Henderson, Liberty, Brandenburg and other towns as well. This winter has been one of the busiest winter seasons The Servants have had in a long time and we really appreciate the churches that have been able to use our group in their services throughout the winter.

Looking back on some of the highlights of the past few months, we remember having alternator trouble in central Illinois and spending all one Sunday afternoon in a run-down diesel repair shop, getting a rebuilt alternator installed. When we got back home we discovered that the only thing wrong with the old alternator was a loose wire! We also drove several miles out of our way on the Florida trip in February (thanks to Benny). So if you see our bus coming your way, you might want to flag us down to see if we know where we are going. Also we had the privilege of singing with the "Antioch Church House Choir" in Antioch Church House in Knob Lick, Kentucky.

These past winter months have been great but The Servants are looking forward to the future. More new and exciting things are happening for us all the time and we give God all the honor and glory for it all. In the next few months, we'll have the opportunity to spread God's Good News in North Carolina, Virginia, West Virginia, Indiana, and throughout Kentucky. (See the bookings section for details.)

As this article draws to a close, we want to leave this thought with you. Some years ago, oil was discovered on property owned by an old Indian. Overnight, the poverty stricken man became a millionaire. The first thing he did after he acquired all his wealth was buy a long, black, brand new Cadillac. Everyday he would ride into town and as he rode, he would turn around looking in all directions speaking to everyone he could see. Amazingly, he never ran into anyone or anything. For you see, in front of that beautiful car walked two horses pulling the car along the road. The old man never learned to drive his car. Inside the car were a hundred horses, yet the Indian used two horses outside the car to make it go. Many people make the mistake of looking outside themselves for "horsepower" when actually a tremendous amount of power comes from within. As Christians, let's all strive to use the omnipotent Holy Spirit that resides inside our bodies and souls to reach lost people and to draw all men closer to Christ. **ONLY YOU CAN USE YOUR ABILITY. IT'S A TREMENDOUS RESPONSIBILITY.**

The Cathedrals will be singing at the Allen Co. Scottsville High School Auditorium on April 26, 1984, at 7:30 p.m. Tickets will be \$3.00 in advance and \$3.50 at the door. Sponsored by the Allen Co. Singing Convention. For tickets, write:

TAKE A **LOOK** AT CRUSADE

Call today! 618-662-4461 We're better than ever!

We intend to make this 25th ANNIVERSARY YEAR the best ever! We need your help.
If you sing and make appearances, then you **MUST RECORD!**

THINK OF WHAT YOU ARE LOSING, BY NOT HAVING ALBUMS AND TAPES FOR YOUR FRIENDS: *The average group sells 9 albums and tapes per appearance, for a total of 36 per month. 36 x \$8 = \$288 x 12 months = \$3456 (over \$3000 in LOST sales per year). That sort of makes the interest costs look pretty small, doesn't it? We have some family groups that sell \$10,000 and more per year. RECORDINGS ARE A MAJOR PART of a ministry and should NOT BE OVER-LOOKED.*

We will tailor a package plan just for YOU! Order what YOU want, not what someone else is pushing.

YOU CAN'T SELL 'EM, IF YOU DON'T HAVE 'EM!

You can reorder as few as 100 cassettes. Don't run out! Remember, reorders are less and you have more mark-up.

NO MONEY YOU SAY? CRUSADE HAS PROVIDED THAT, TOO. *Hundreds of customers coast to coast have taken advantage of our monthly pay plan and over a million dollars have been used since we began the service. If you are honest, then you can also use this wonderful plan. If you don't like paying interest, you can sell enough in the first few months to pay off the bank contract. That way you save interest costs.*

ANNIVERSARY SPECIAL DISCOUNTS. Every reasonable offer of business will be considered.

DON'T EXPERIMENT WITH UNKNOWN AND SEMI-PRO COMPANIES. *No matter how cheap per hour price may be, you can be assured that they know what their time is worth! It has never been heard of them refunding money when the record turned out common and ordinary in sound.*

If you record at CRUSADE, you are spoiled for life! We give you 'quality,' from the time you step into our building all the way to the finished product!

INVEST YOUR MONEY WISELY. *Record with CRUSADE ... we have proven for 25 years that we know what we are doing. WE UNDERSTAND THE CHRISTIAN ARTIST, we are NOT guessing. Avoid being a recording casualty.. come to Crusade!*

CALL DAY OR NIGHT: (618) 662-4461. If you don't reach someone, try again!
