January 12, 1924. The Board of Regents of the Western Kentucky State Normal School and Teachers College met in Parlor B of the Seelbach Hotel on Saturday morning, January 12, 1924, at 9 o'clock, in pursuance to notice sent to all members. Those present were Pres. Cherry, Regents Outhbertson, Rhodes, Haswell, and Mrs. Gilmour. Dr. Gamble and Mr. Chas. Nahm, the Dean of the Faculty and Treasurer, respectively, were present by request. A quorum being present, the Board began forthwith the transaction of the business that was to come before it for consideration.

Mr. Outhbertson moved that the Board of Regents of the Western Kentucky State Normal School and Teachers College, acting through its President, present to the Budget Commission the fact that the institution must have more funds for current expenses, and to request for the institution one and one-fourth cents on a millage basis, or an added appropriation of \$128,000, thus making the amount for current expenses aggregate approximately \$258,000. The motion was seconded by Mrs. Gilmour and unanimously carried.

Another motion was made by Regent Outhbertson to the effect that the Board, through President Cherry, go before the Budget Commission and ask for a special appropriation for the purpose of putting up new buildings on College Heights. The motion, seconded by Mrs. Gilmour, was unanimously passed.

Mr. Chas. Nahm, the Treasurer of the institution being present by request, asked that such monies belonging to the said institution as may be in the hands of the past treasurer, Mr. J. Whit Potter, be turned over to the Western Normal. A motion made by Regent Outhbertson to this effect and seconded by Mrs. Gilmour was passed unanimously.

Regent Outhbertson stated that the Treasurer who preceded Mr. Nahm has merely kept a stub record of all monies passing through his hands and that in view of the type of work and painstaking interest taken by Mr. Nahm in his books and the fact that he must have some stenographic help, etc., he thought Mr. Nahm should be allowed \$150.00 a year, beginning on February 1st, for his services. This request was put in the form of a motion by Mrs. Gilmour and seconded by Supt. Rhoads, and unanimously passed.

The matter in connection with the erection and construction of the New Model Rural School was mentioned and was approved and accepted by the Regents.

Regent Outhbertson asked that the right be given to President Cherry and himself to select a group of real estate people for the purpose of placing a valuation on the Frisbie Hall property.
