JUNE 1974

June 11, 1974

FROM THE DESK OF

Brenda Williams

WE are now in the tenth Month of our ABWA year and many of our goals for this year have been accomplished, however, there are still several to be completed before our year ends September 25, 1974.

Our many thanks to Linda Perdue for the excellent job in presenting our Scholarship Program at our May dinner meeting. Linda has worked very hard serving as our Educational Projects Chairman for this year and I very much appreciate her efforts. Thanks, Linda, for a job well done!

June, 1974 marks another mile stone in the history of the Kentucky Colonel Chapter as it is our Ten Anniversary. June 3, 1964 the Kentucky Colonel Chapter was installed as a chapter in the National Association by Jean Fulkerson. Patricia Glassco is serving as our Anniversary Chairman this year so please make a special effort to attend our meeting (this will not be a dinner meeting) at the Red Carpet Inn, June 25, at 7:00 p.m. Pat has a very special program outlined for us.

Plans for our Boss Night event are well underway under the direction of Mary Frances Brown, our 1974 Boss Night Chairman. For those of you who are new members, this is the time during the year we set aside to honor our bosses. It is one of the highlights of our ABWA year and I do hope that each of you will make a special effort to see that your Boss does attend.

If you should have any questions concerning Boss Night, Anniversary, or anything in regards to our chapter procedures, please contact me at 842-1603 (office) or 843-9605 (home).

was CHARTERED

TUESDAY, JUNE 25, 1974 7:00 RED CARPET INN

Everyone Celebrating
Our 10th Year!!!

Dinner will not be served the CHAPTER will provide BIRTHDAY REFRESHMENTS.

We will not have a guest speaker our Anniversary Celebration will take the place of this.

ANNIVERSARY Chairman Pat Glasscock will be in charge of the evening's celebration.

A N N I V E R S A R Y

This is indeed a milestone in our history as we mark the 10th Year of the KENTUCKY COLONEL CHAPTER in ABWA's 25th Year. The Anniversary Observance will take the place of a guest speaker for the June Dinner Meeting. We will not have dinner as usual, but the Chapter will provide refreshment for the evening.

It is fitting that we pay tribute to past and present officers, as well as recount our achievements over the 10 years. Many of our past officers and members-at-large will be present.

Anniversary is the time we honor those who have maintained perfect attendance from June to June each year. We will recognize 10 members with PERFECT ATTENDANCE, appropriate is it not.

This will be an evening to "Count Our Blessings" and renew friendships as we look forward to "MEETING TOMORROW'S CHALLENGE."

Pat Glasscock

NO DEPOSIT NO RETURN

There's an old Korean proverb, "nothing comes from nothing." This is true for all facets of life, business, schools and even ABWA. Here's what a few ABWA members have to say about their experiences in the Association:

"Membership enriches life, especially with deep friendships. I urge each member to actively participate in working for our goals, knowing that, in so doing, they will be blessed."

"For the first time, at Boss Night, my employer saw me out of the daily office routine, and was he impressed!"

"Not only do we benefit from our association with other business women, but we also have a deep-down satisfaction -- knowing we can help others attain their goals in life."

"I like being with women who share a common purpose. I could increase my knowledge through adult education classes, get companionship in a neighborhood sewing circle, but ABWA offers all this in one organization, and the members are 'my kind of people.'"

THE FOLLOWING ARE RESUMES of the WORKSHOPS
CENTRAL REGIONAL MEETING:

SO... WHAT'S DIFFERENT ABOUT US? When some people think of a woman's group, they envision either a club of gossipy females or a gathering of radical feminists. We're different and here-in lies our value! ABWA members are from all walks of life and all professions. They have joined to share a common goal: to help one another through education. Also, they've taken advantage of the "generation gap" by combining the experience of maturity with the freshness of youth! This melange of professions, ages, and interests is what makes ABWA different - and we're proud of it!

BEHIND CLOSED DOORS. Many opportunities have been opened to women in the past few years, but there are still many business doors that are closed. The key to these doors is education, and the power behind the key is ABWA members. By awarding scholarships, we can guide the recipients in selecting vital roles in tomorrow's business world. Also, members must keep abreast of changes in their own fields lest they find themselves on the wrong side of the closed door!

NO DEPOSIT - NO RETURN! By actively participating in chapter functions, members can strengthen their individual abilities while realizing satisfaction in achieving their goals. Also, by accepting new responsibilities within their chapters, such as committee membership, chairmanship, or a chapter office, members have the opportunity to learn, grow and develop skills which can be helpful both personally and professionally. As one member said, "For the first time, at Boss Night, my employer saw me out of the daily office routine, and was he impressed!"
