CONVENTION REPORT NOTES

"PREZ SEZ"

We have again reached the time to begin a new year in our chapter, a time to reflect on past accomplishments and to plan ahead for new ideals and endeavors for the year ahead.

The standing committee chairmen have been appointed and they are all busy working on their activities so that all plans for the coming year will be successfully completed prior to the end of the year. We thank all of you for the cooperation we received when contacting you for various committee assignments.

Our dinner meeting speaker will be Mr. B. J. Booth, Jr., of Fire Control. With October being fire prevention month, we have a very appropriate speaker for this meeting. The vocational speaker will be Brenda Keith.

Our elected vice president, Mary Frances Brown, will be installed at the dinner meeting. A new member, Dixie Goad, will be initiated also.

Activities this past month included the Financial Forum '74 and the National Convention. All of you who attended the Forum had a very enjoyable evening, and my thanks and appreciation to Jean Fulkerson, Estelle Holloway, and their committee members for the hard work that made this event a success. The delegate to the convention, Jean Fulkerson, will report on the happenings of the convention at the dinner meeting.

The Executive Board will meet every second Thursday each month, and at any time, if you have any suggestions or problems to discuss with the board, please contact us and we will be glad to have you meet with us. We want the chapter to progress as a complete group and anything we can do to insure this is our wish.

Happy birthday to all having a birthday this month.

Some of the special event chairmen have been appointed and we are still working on this phase of chapter organization. A completed list of these committee chairmen will be included in a later issue of the bulletin.
