The 1967-68 year began when the Chapter moved into its new home at 1410 College. Although the house was not in very good condition at the time, no brother could complain after waiting for years and years for a fraternity house. All of the Brothers pitched in and, working together, made the house liveable. During the football season, the Fraternity took time to decorate the House for Homecoming. Their efforts were rewarded when it was announced at the game that ATO had won first place in the fraternity house decoration division. Also at Homecoming, the Zeta Omega Chapter won a cannon from the Hurray Taus. The cannon will be an annual traveling trophy which will go to the winner of the Murray-Western game.

The fall semester rush acquired two pledges for the Fraternity; however, the spring semester rush ended with sixteen pledges. The pledge classes backed the Chapter in the reaping of additional honors. At the Boy's Club Carnival, the Chapter acquired the first-place trophy, and then proceeded to claim second place in the IFC Blood Drive. Zeta Omega has recently received several honors during Greek Week.

On May 1, the Little Sisters of the Maltese Cross were reorganized with eighteen new girls being bonded into sisterhood to the aid of the Chapter.

This year has proved to be a great year for Zeta Omega, and with the near completion of the renovation of the House and the new addition has paved the way for an even better year next year.
