Administrative History: The Applied Research & Technology Program was established 1997 with ten centers. The centers are staffed with graduate and undergraduate students who are supervised by faculty. They provide services for business, industry, and government locally, nationwide, and internationally. Centers include:

Agricultural Research & Education Complex
Applied Physics Institute
Architectural & Manufacturing Science Institute
Bioinformatics & Information Science Center
Biotechnology Center
Center for Biodiversity Studies
Center for Cave & Karst Studies
Center for Water Resource Studies
Electrical Engineering Services Center
Hoffman Environmental Research Institute
Institute for Astrophysics & Space Science
Institute for Combustion Science & Environmental Technology
Kentucky Climate Center
Materials Characterization Center

Description: Records created by and about centers associated with the Dean's office in the Ogden College of Science & Engineering.

Dates: 1997-present

Extent: 6 folders

Subject Analytics:

Applied Research & Technology Program (WKU)
Educational facilities
Laboratories
Ogden College of Science & Engineering (WKU)

Science
Scientists
Student works
Students

Western Kentucky University

Digital Commons:

Architectural Engineering
Engineering

Manufacturing
Physics

Accession Information: These records transferred to the WKU Archives from Ogden College of Science & Engineering in accordance with the records retention schedule.

Access Restrictions: none

Allied Materials:

Preferred Citation: UA66/1/5 Ogden College of Science & Engineering Dean's Office Centers, WKU Archives, Bowling Green, Kentucky, USA.

Processing Information: Records processed and collection inventory created 2019, revised 2021.
