COUNCIL OF ACADEMIC DEANS

Thursday, August 31, 1972

The Council of Academic Deans met on Thursday, August 31, at 8:00 a.m. in Dr. Cravens' office. Present were Deans Cravens, Page, Russell, Sutton, Hourigan, Sandefur, Jenkins, Wassom, Hatcher, Mounce, and Davis. Mr. Donald Armstrong and Mr. Charles Anderson were visitors at the meeting.

Mr. Armstrong and Mr. Anderson discussed the possibility of taping ten to twelve five-minute films which would highlight academic programs at Western. These films would be shown during the half-time segments of the Channel 13 WBKO-TV replays of the home basketball games. The tapes would also be used for other purposes. The deans stated that they would be happy to work with Mr. Armstrong and Mr. Anderson on developing these programs. It was generally felt that prospective students, their parents, and taxpayers in general would be the prime audience reached.

Dr. Cravens explained to the deans that academic programs already approved by Western's Board of Regents do not have to be submitted to the new Council on Public Higher Education.

Dr. Cravens then commented on the Cherry Hall Renovation Project. Departments will move out of Cherry Hall during the spring semester of the 1972-73 academic year. Departments in several colleges will need to work out alternate classroom schedules to accommodate the changes which could occur during the second semester. Dr. Chelf is working with the college deans on these scheduling arrangements.

The meeting adjourned at 9:15 a.m.
