Senior Class History

Twelve years ago the present Senior Class, with smiling expectant faces, presented themselves to the first grades of various schools to explore the mysteries of "Reading, Riting and Rithmetic."

Of the thirty-five or forty first graders who started here in '39, only seven, Joyce Robertson, Helen Taylor, Viviane Hampton, Ralph Gatewood, William Davidson, Betty Downing and Willa Joiner have remained to the end. The others have either joined these in the grades or in high school.

After going through the usual trials and tribulations of elementary student-quarrels, pranks, and punishments, appearing in concerts, scrubbed clean and shining in new colorful dresses and pants, we, at last, entered Junior High School with Mrs. Moore and Mrs. Moses as our home room teachers.

We started our high school year with an enrollment of seventy-two eager freshmen, full of zeal and pep with bright ideas which our principal, Mr. E. T. Buford, immediately curbed and directed into the right channels. As a result, we were able to do big things this year, such as sponsoring trips, parties, and programs.

We presented to our "Miss State Street" contest a large sum of money, with Thelma Jo Waller and Helen L. Taylor representing the class. Oh, what a lovely class we turned out to be in that happy year with only three more to go!

We entered our Sophomore year with fewer students. This year we enjoyed to the fullest. Those numerous expressions such as foreign language which were informative, as well as enjoyable - "Je vous aime" were spoken most. We gave programs and attended basketball and football games. We participated in all types of programs. The girls played basketball and we were runner up in the intramural tournament. During that year under Mrs. Nichols, we read and traveled through many books which we enjoyed to the highest.

Entering school in the Junior class, we missed several old faces. It was not long before we got down to business. Oh those days with geometry, geometry, geometry! We gave a most successful Junior and Senior Prom under the sponsorship of Mr. Moxley. The decorations were novel and beautiful; the music was furnished by Dinny P. Smith and his Band. Oh, what lovely dresses were in evidence.

In September, as Seniors, we entered school with a new dignity fitting our classification. This year we were under Mr. Nichols, whose favorite words are "I want my stuff." Our number was greatly increased by several veterans whose schooling was interrupted by the war. This year our biggest job is to edit the school annual entitled the "MUSTANG".

State Street High will suffer a great loss in its varsity fine basketball team next year in the person of Wilbur Martin, Ralph Gatewood, Herbert Oldham, William Link, and Houston Balance. The three departing cheerleaders are Greta Del Becket, Thelma Jo Waller and Carolyn Janet Graham. All the girls sing in the chorus. Lucille Bailey, Carrie Mahone and Betty Downing are the best customers at the candy stand.

We will always be grateful to our parents and teachers for making it possible for us to arrive at this junction of our educational career.

Some Facts About The Junior Class

There were only thirty pupils enrolled in the Junior Class at the beginning of the year. One of these, however, is out because of a broken leg. This accident happened at the first football game away this season. Although the class is small they deserve the title, "Jolly Juniors". They are the joy-makers of State Street.

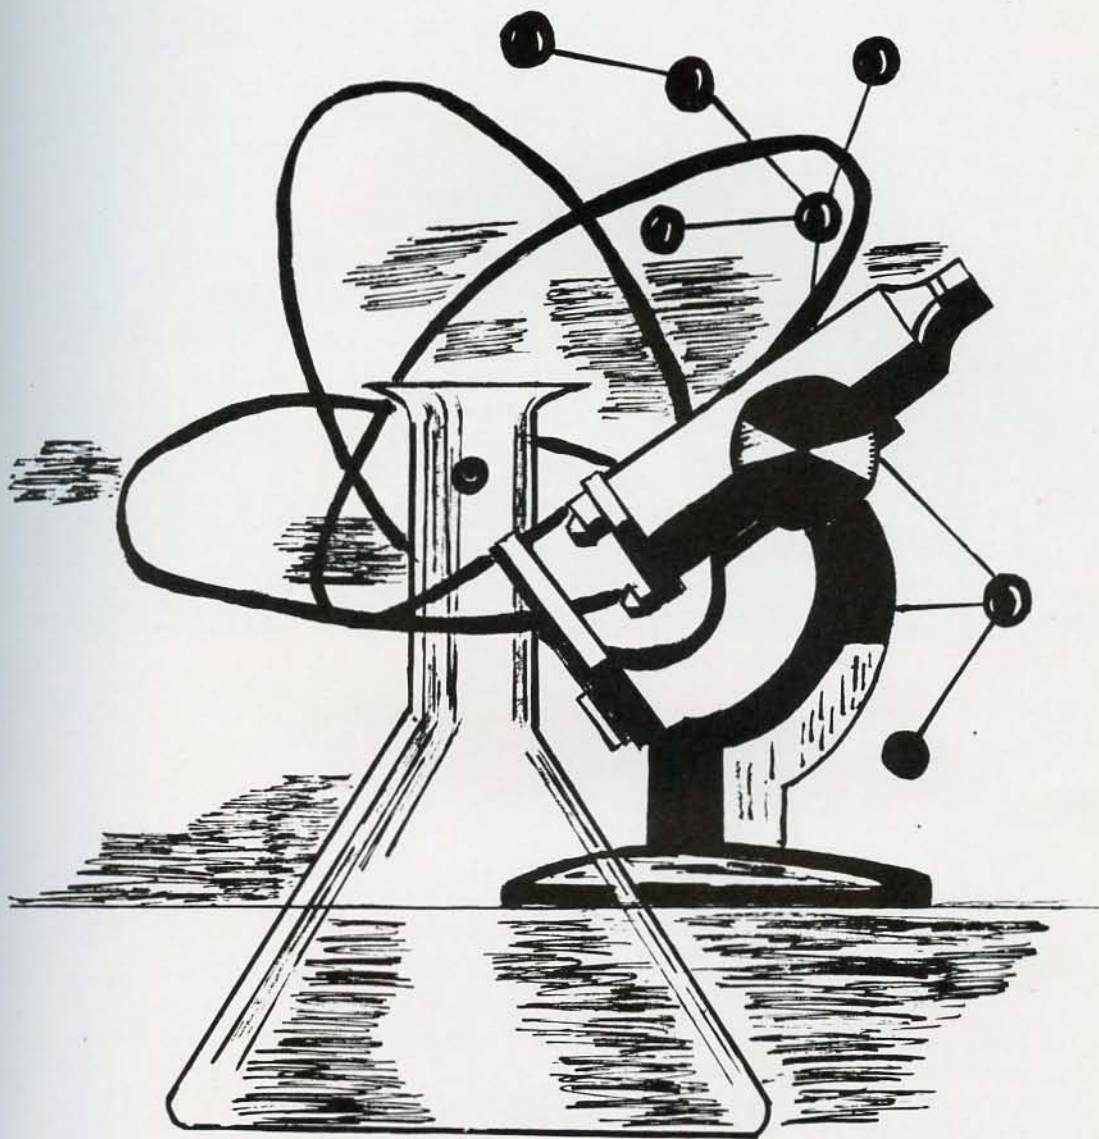

The class and homeroom teacher, Mr. F. O. Moxley, have sponsored several activities for the benefit of the school during these months of this term. Two of the more important of these were the "Green and Gold Hop" and the "Little Miss State Street Contest."

The hop was held in the gymnasium after the Pearl High, Nashville, Tennessee, and State Street football game on October 14. At this social Louise Fishback was named Miss Green and Gold 1950-51. On the same night the class had Pearl High's band to play at the game.

The Little Miss State Street contest was a great success toward the annual Miss State Street contest for the juniors. The classes that participated in this effort were the first through sixth grades. On Wednesday night, November 15, little Miss Mary Alice Moxley of the fourth grade was crowned Little Miss State Street of 1950-51.

Louise Fishback, James Holland, Bernice Padgette, Gentry Larue, and French Robinson have an average of "A" while Nancy Cole, Mary Shipley, Mattie Starks, and Lawrence Taylor have a "B" average.

The Junior class also won the "Miss State Street Contest". Their representative, Nancy Cole, who was named "Miss State Street of 1950-51" is to be given a trip to the Sectional Tournament.

Tenth Grade

The tenth grade has two divisions. Mrs. A. F. Nichols is the homeroom teacher of division I and Mrs. A. M. Becket, homeroom teacher of division II.

There are 29 students in division I and 29 students in division II, making a total of 58 students in the tenth grade.

We have two students in our class who have made an "A" average; Helen Jones and Joe Padgett. Those who had "A-" averages were Katie Lathan, Chodetha Fishback, Sylvia Ferguson and William Smith; Betty Frierson and Annie Martin had a "B" average.

Division I had a "Variety Show" in the Gymnasium and a "Weiner Roast" at the home of Mary L. Butts for the "Miss State Street Contest". Catherine Ray and Betty Frierson took part in the crowning "Miss Home-Coming" who was Miss Shirley Binom.

Division II organized a club at the beginning of school. George Massey President; Katie Lathan, Vice-President; Chodetha Fishback, Secretary; Helen Jones, Assistant Secretary; Mrs. Becket, Treasurer. Each member is to pay 10 cents for dues each month.

We had a contest in which all the girls in the Sophomore class were seeking to be "Miss Sophomore of 1950-51". Katie Lathan was the lucky one. She received a corsage in the school colors and a check for \$4.50.

We have five boys on the football team and three on the basketball team of which we are all proud.

Ninth Grade

This has been a rather active and pleasurable year for the ninth grade. Our total enrollment of 72 is the highest in the history of the school. Division I shows 25 city students enrolled and 12 county students. Division II shows a yearly enrollment of 15 pupils from nearby vicinities and 20 from the city. In division II only 2 have been present every day.

Two boys made the varsity football team, and four boys qualified for the junior varsity basketball team. One of our girls is a cheerleader, and we are especially proud to tell you that the Junior Cheerleaders group is made up entirely of eight ninth graders.

We have appeared on two greatly applauded programs. In October we presented a colorful floor show. In February, we presented a pageant playlet, "The Two Races." on Negro History Week. We just can't overlook the four students who have a scholarship rating of ninety or above.

We all look forward to a busy and exciting year as "SOPHOMORES".

The highlight game of the season was the hard fought State Tournament game with Dunbar of Lexington in which the Mustangs were defeated 41-38 but made a name for themselves with fine play and sportsmanship. Wilbert Martin brought honor to his team and school by making the All State first team.

The Mustangs also had four men on the all regional team. Ralph Gatewood, Herbert Oldham made the first team and Wilbert Martin and Robert Hayes made the second team.
