Administrative History: *The Elevator*, the first student newspaper, appeared in November 1909 as a monthly and ran through 1916. It has been digitized and is now available online at:

https://digitalcommons.wku.edu/dlsc_ua_newspaper.

The *College Heights Herald* was created in 1924 and published every other Thursday under the leadership of Frances Richards. It was meant to be self-sustaining through subscriptions and sales of ads. By 1926 the cost of the paper was added to the students' incidental fee. In later years, the paper changed to a biweekly format during the school year and a monthly in the summer.

The following issues have been digitized and are available in [TopScholar](#).

Vista was the first yearbook produced by Western Kentucky University students. Only one issue was published in 1915. It is available online at: https://digitalcommons.wku.edu/dlsc_ua_records/459/

In 1924 the students began publishing *The Talisman* which continued through 1994. The Talisman made a return to campus in 2003 as the university approached its centennial. Selected Talisman have been scanned and are available online at: https://digitalcommons.wku.edu/dlsc_ua_yearbooks/

Xposure was a short lived, experimental yearbook published in parts between 1994-1996.
