FROM THE PRESIDENT

I hope everyone had very happy holidays and that you are all keeping all of your New Year's Resolutions.

We collected a tremendous amount of food, toys, and clothing for our Christmas basket family which Sarah Weafer and Mary Hines delivered. This was a rewarding experience for our chapter in keeping with the Christmas spirit.

Our program tonight will be presented by the Executive Board and is primarily designed for new members; however, I think everyone will find the information very beneficial.

We need to be thinking about prospective members to invite to the Spring Enrollment Event as we must enroll at least three more new members this year to earn the Standard of Achievement Award and seven members to earn the Banner Award.

Plans are moving right along for our spring activities. Dates to remember are:

- Woman of the Year Information Forms (on yourself) due-January 24
- Woman of the Year Nominations to Roberta- due February 10
- Woman of the Year Election - February Meeting
- Business Associate Night Reservations-due January 24
- Business Associate of the Year - Nominations due January 24

SCHOLARSHIP PROGRAM

ABWA offers financial assistance to women seeking educational advancement. Since the Association's inception, chapters have sponsored scholarships for women needing additional education in order to attain higher positions in business. Last year, ABWA chapters awarded more than \$2,000,000 in scholarships.

Since 1953, on the national level, the Stephen Bufton Memorial Educational Fund has provided financial aid to women whose goals are college or university degrees.

SBMEF is a non-profit fund, administered by the Association's National Board of Directors who serve as trustees and the selection board for the Fund. SBMEF is supported by tax deductible contributions from chapters, members, individuals and companies. Last year, \$300,000 was awarded to recipients of grants and loans.

MICROWAVE OATMEAL BARS

- ½ cup shortening, melted in plastic cup
- 1 egg
- ½ cup honey, measured in oiled plastic cup
- ½ tsp. salt
- 1 tsp. vanilla
- 1½ cups oatmeal
- ½ cup whole wheat flour
- 1 cup wheat germ
- ½ cup raisins
- ¼ cup sesame seeds
- ½ cup coconut

Melt shortening in microwave in plastic measuring cup. Pour into baking dish. Measure honey in the now oily cup so it won't cling. Add honey & egg to dish and mix with fork. Add dry ingredients, stir, flatten, and bake about seven minutes, turning once. Will seem sticky at first when done.

SANTA'S ELVES

by Sarah Weafer

Christmas boxes were delivered on Tuesday, December 20, despite attempts by the weather to foil our efforts. We had originally intended to deliver the boxes on Sunday, however due to the HUGE amount of food, clothing and toys, it took much longer to prepare than anticipated.

We were ready to roll by Monday morning, but as we started to the truck with the first boxful, it became apparent that quickly falling snow and icy roads would detain us at least one more day.

WHAT DISASTER OF NATURE WOULD FOIL OUR NEXT ATTEMPT ? ...YOU GUESSED IT -
RAIN.....SLUSH.....MUD.....WIND.....BRRRRRRR.....

At this point, Mary Hines and I were ready to take the reindeer by the horns and A W A Y we went!

At last, we met with success. Each child was thrilled to find a box with clothes and toys just for them. The parents were most appreciative of the food and the clothing.

MANY, MANY, MANY THANKS to everyone who donated items for the family. I don't think Santa himself could have done a better job of helping this family have a happier Christmas. I feel it was a very successful project and a rewarding experience for us all.
