MINUTES

COUNCIL OF ACADEMIC DEANS

November 13, 1972

The Council of Academic Deans met at 1:30 p.m. on Monday, November 13, 1972, in Dr. Cravens' office. Present were Deans Cravens, Jenkins, Sutton, Hourigan, Mounce, Sandefur, Hatcher, Brenner, Russell, Hardin, Chelf, and Davis. Dr. Shadowen, Dr. Nave, Mr. Tomes, and Dr. Corts were visitors at the meeting.

Dr. Shadowen discussed the proposed Administrative Evaluation instruments which he and the other members of the Faculty Affairs Committee had been requested to compile by the Council of Academic Deans. The Deans received the report with appreciation to Dr. Shadowen and his committee. The evaluation will be administered as soon as possible.

Mr. Tomes commented on a draft statement concerning Maternity Leave. Following discussion Dr. Cravens asked Mr. Tomes and Dr. Davis to revise the statement and bring it back to the next deans' meeting. Mr. Tomes also discussed Western's fringe benefits program.

Dr. Nave commented on a list of suggested courses for C. E. U. curriculum. Dr. Cravens stated that a number of these courses might be offered in the fall semester of 1973-74.

The deans recommended that the first classes in the 1973 Summer School start at 8:00 a.m. instead of 7:30 a.m. Classes carrying three-semester hours credit will meet on MTThF.

Dr. Davis presented a report by the Faculty Evaluation Committee. The report was accepted by the deans, who made several minor modifications in its format.

Dr. Russell distributed to the deans for their information a resolution passed at the annual KAS (Kentucky Academy of Sciences) meeting held in Morehead on November 4, 1972. The KAS "... urges the Governor, in making future appointments to the Council on Public Higher Education to achieve a better balance in the representation of all academic fields."

The meeting adjourned at 3:30 p.m.
