BUSINESS MEETING

BENEDICTION

ADJOURNMENT

FROM ABWA KITCHENS

Many thanks to Phyllis McKinney for allowing us to have our December dinner and meeting in her lovely new home! The menu was "Casseroles and Desserts" and we have some great cooks in our chapter. Below are some of the delicious recipes we sampled at Phyllis' house.

Fruit Salad - Diane Hunton

- 1 can fruit cocktail
- 1 can pineapple chunks or tidbits
- 1 pkg or box frozen strawberries (partly thawed)
- 2 boxes instant vanilla pudding
- 2 bananas, sliced

Drain canned fruit. Mix first 4 ingredients until dry pudding forms a gel. Add bananas and stir. Serve and enjoy!

Green Pea Casserole - Mimi Banton

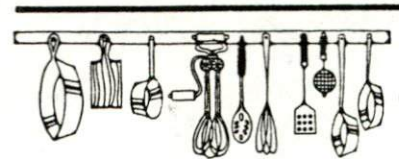

- 1 pkg frozen peas
- diced pimentos, to taste
- ½ green pepper, chopped
- ½ small onion, chopped
- 2-3 hard boiled eggs

Mix all ingredients together with Miracle Whip.

Nacho Dip - Dianna Young

- 1 sm can Ro-tel, drained and mashed
- 1 lb browned sausage, drained
- 1 3 lb box Velveeta, melted

Mix together and serve with nacho chips.

Flaming Cherry Angel Cake - Mary Hines

- Angel Food Cake
- 8 oz cream cheese
- 8 oz cool whip
- pecans, chopped
- cherry pie filling
- lemon extract
- 9 sugar cubes

Mix cream cheese and cool whip. Stir in pecans. Spread in bottom of large glass serving bowl. Pour cherry pie filling on top and spread out. Soak sugar cubes in lemon extract about 20 minutes. Put sugar cubes in center of filling and ignite with a kitchen match. Extinguish flame. Spoon out and serve over sliced angel food cake.

Your left-handed bulletin chairman has taken the liberty of including some fun facts compiled from LEFTHANDER MAGAZINE.....

The Greek word for left, "ariste-ra," also means "the best." It is the root word for the English "aristocratic." (1979)

The handedness of a child is not determined until the child is between the ages of three and six years old.

According to the 1981 statistics compiled by baseball's major leagues, 30 percent of the pitchers are lefties. A statistic that might surprise you is that 48 percent of the first basemen are also lefthanded.

A sharp right turn followed by another sharp right will halt the advances of a charging elephant because all elephants are leftfooted . . . a right turn will make them lose their balance and fall to the ground. (1982)

Michaelangelo's famous statue of David portrays him as holding the sling in his left hand because in ancient Israel, lefthanded marksmen were deemed stronger and more accurate than righthanders. (The tribe of Benjamin routed its enemies by picking 700 lefthanded slingers who could hit a hair without missing.) (1982)
