## Schujahn Descendants

Our line of Schujahns immigrated to America in the 1800's from Prussia. Some fought in the Civil War, others in WWI, as well as WWII. We find shoemakers, farmers, dairymen, cheese makers, pilots, and even poultry farmers in this line of the family. Most anglicized their name for legal usage in America. There is some fascinating history, more of which can be found digging up your roots online.
