MINUTES
COUNCIL OF ACADEMIC DEANS

October 15, 1973

The Council of Academic Deans met on Monday, October 15, 1973, at 12:30 p.m. in Dr. Hourigan's conference room. Those present were Deans Cravens, Hardin, Russell, Mounce, Brenner, Sutton, Chelf, Jenkins, Gray, Corts and Davis. Dr. Chamberlin represented Dr. Hourigan at the meeting.

Dr. Tom Corts, Coordinator of the KET Consortium, was a visitor at the meeting and discussed various aspects of Kentucky Educational Television. He stated that he believed KET might appeal especially to non-traditional students.

Mr. Glenn Jackson, Administrative Vice President of the Associated Students, was a guest at the meeting. He discussed with the deans ways of getting better contact between faculty members and students. A suggestion was made that the academic departments have meeting areas where faculty and students could get together for informal discussion. Several deans indicated that they would implement this idea within the next few weeks. Mr. Jackson and the deans also discussed the possibility of the various academic departments having members from different departments available on specified days during each semester in the Downing Center, where they could discuss job opportunities with students whose areas of interest were not clearly defined.

The meeting adjourned at 2:15 p.m.
