Dear Members:

I hope 1987-88 will be the best year ever in ABWA. I ask for your help in making it just that.

I hope that we can grow in membership this year. As a small group it is hard sometimes to accomplish a lot. But if we all work together I know we can do quite a lot.

I would hope that each of you would be excited about your membership in ABWA and look forward to great things happening this year. I ask each of you for your help.

"MISCELLANEOUS"

-- Whoever

There are lots of ways to keep from going broke
--most of them unpleasant.

Things are always better somewhere else until
you get there.

There is nothing like a dish towel for wiping
a contented look off a husband's face.

Problems are only opportunities in work clothes.

TV is an appliance which changes children from
irresistible forces to immovable objects.

One way to live a long life is to give up all
the things that make you want to live a long
life.

Billboard at a compact car dealership: It
Makes Your House Look Bigger.

The best salaries always seem to go to those
doing work they like to do.

People become what you encourage them to be,
not what you nag them to be.

Misery comes from assigning too much importance
to the things you don't have.

When a man has put a limit on what he will do,
he has put a limit on what he can do.

Every day the world turns over on somebody who
had just been sitting on top of it.

INVOCATION

Lord, in the quiet of this evening hour,
We come to Thee for wisdom and for power;
To view Thy world through only love-filled
 eyes,
To grow in understanding; to be wise
And sure to see Thy guiding light; and thus
To know each other as Thou knowest us.

AMEN

BENEDICTION

O Guiding Spirit, Guardian of our days,
Be with us as we go our separate ways,
Help us to feel those thoughts that lift
 and bless;
To know a closer bond of friendliness;
To see Thy beauty always--every day,
Translated into living--this we pray.

AMEN
