COUNCIL OF ACADEMIC DEANS

June 10, 1974

Minutes

The Council of Academic Deans met at 1:30 p. m. on Monday, June 10, 1974, in Room 120 of Diddle Arena. Those present were Deans Cravens, Sutton, Hardin, Gray, Russell, Mounce, Corts, Jenkins, Sandefur, and Davis. Dr. John Scarborough was a visitor at the meeting.

The main item for discussion was summer registration. Each dean reported trends in his college. The overall consensus seemed to be that graduate enrollment was up but that undergraduate enrollment was down compared to last summer. The deans discussed the minimum enrollments which would be necessary for classes to be taught. In order for a faculty member to receive a full stipend for teaching a class he will need to have a minimum of 15 students in a 100 - 200-level, 10 students in a 300 or 400-level, and 6 students in a graduate class. Dr. Scarborough asked each of the college deans to contact him no later than 4 p. m. on June 11 concerning classes that need to be offered in spite of enrollment not meeting the minimum requirements.

Dr. Sutton gave a progress report on the number of new freshman students who had been admitted.

The meeting adjourned at 2:10 p. m.
