MINUTES
COUNCIL OF ACADEMIC DEANS
July 1, 1974

The Council of Academic Deans met in the Regents Room on Monday, July 1, 1974, at 1:30 p.m. Present were Deans Cravens, Sandefur, Gray, Jenkins, Stroube, Chelf, Hardin, Hourigan, Sutton, Corts and Davis. Mr. Oakes represented Dean Mounce. Visitors at the meeting were Drs. Puentes, Hatcher, Stroube, Brown, Wilson, Petersen and Six.

Dr. Puentes, Western's Coordinator of Latin American Projects, made introductory comments about progress being made in the program. Drs. Brown, Stroube, Wilson, Petersen and Six discussed highlights of their work in several Latin American countries. The general overall impression was that the work to date had been most productive. Dr. Cravens asked Dr. Puentes to chair a committee composed of Drs. Stroube, Petersen, Gray and Sandefur for the purpose of developing written guidelines concerning Western's involvement in Latin American projects.

Drs. Cravens and Sutton commented on a draft of a job description of the registrar's position which Dr. Sutton and several others had developed. The deans discussed the description and the importance of the position at some length. Dr. Cravens asked that any specific recommendations for the position be made orally to either him or Dr. Sutton.

Dr. Sandefur distributed an alternate proposed tenure procedure for the deans' consideration. Both the alternate procedure and the original recommendation for a University Faculty Personnel Advisory Panel were discussed.

The meeting adjourned at 3:45 p.m.
