Resolution 89-6-S
 To Extend Men's Intramural Basketball
 and Volleyball Competition to weekends
 Introduced 2/21/89

PURPOSE:

To extend Men's Intramural Basketball and Volleyball competition to weekends.

STATUS:

WHEREAS,

This year interest in intramural competition in men's basketball and volleyball far exceeded the facilities available Monday through Friday; there were seventy-one teams and over five hundred and fifty players in men's basketball and over thirty teams in men's volleyball, and

WHEREAS,

Due to this extraordinary interest, competition was limited to a single elimination tournament in each sport, and

WHEREAS,

Weekend play would allow all teams, regardless skill level to play a scheduled season, and

WHEREAS,

If scheduling in Diddle Arena next year is similar to this year, forty hours of court time would be available for volleyball and one hundred hours for basketball on the weekends, and

WHEREAS,

Weekend intramural play is consistent with Western's goal to encourage students to participate in campus activities on the weekends and

WHEREAS,

Weekend play would significantly increase the quality of Western's intramural program, and

THEREFORE,

Be it resolved that we the members of the Associated Student Government of Western Kentucky University recommend that the University extend Men's intramural basketball and volleyball competition to weekends.
