

FACULTY SENATE RESOLUTION: TO THE ACADEMIC AFFAIRS  
COMMITTEE REPORT ON RESEARCH AND SCHOLARLY ACTIVITY

WHEREAS revised, graduate faculty membership requires demonstrated research or scholarly activity for qualification, and

WHEREAS the Southern Association report (July 29, 1984, items 13 & 14) and AAUP (September 20, 1984, Senate Newsletter) recommend load reductions for graduate faculty and research, and

WHEREAS it is easier to legislate requirements without financial responsibility,

BE IT RESOLVED that the academic year assignment for graduate faculty meeting the new membership requirements be 21 hours.
