MINUTES

COUNCIL OF ACADEMIC DEANS

February 2, 1976

The Council of Academic Deans met in the Office of Academic Affairs at 10 a. m. Present were Deans Cravens, Sandefur, Pankratz, Hourigan, Russell, Chelf, Jenkins, Gray, Corts, Mounce, Hardin and Davis.

Dr. Cravens commented on his ideas concerning time breaks between classes. After considerable discussion it was decided that the matter would be brought up again at the next meeting.

Dr. Pankratz made a presentation concerning the development in the College of Education of a Faculty and Administrative Evaluation program. The deans commended Dr. Pankratz and others in the college who have been working on this activity. Dr. Davis then presented a Faculty Evaluation format which was slightly revised from the previous meeting. The deans approved this revised format for use during the present semester.

Dr. Davis gave a progress report on the work of the Faculty Participation Committee.

Dr. Hourigan commented on the recent WKU AAUP newsletter concerning faculty salaries and other benefits. Dr. Cravens commented on the need to consider the conversion of department heads to nine-month professorial salaries. He stated that he and Dr. Davis would study this matter and bring this back to the deans at a forthcoming meeting.

Dr. Davis requested that a suggested statement on the completion of the doctoral degree be placed in letters of appointments for those individuals for whom it would be appropriate. The deans approved the suggestion.

Dr. Corts distributed the schedule for publication of the undergraduate catalog.

The meeting adjourned at noon.
