## Faculty Bibliography

Associate Professor, Department of History

I earned a Bachelor's of Science in Business Management / International Finance, with a minor in Accounting and Economics from the Marriott School of Business at BYU. After a decade in the corporate world, I returned to school and earned my M.A. (1999) and Ph.D. (2003) in Ancient History from the University of Pennsylvania in Philadelphia, PA, from the interdisciplinary Graduate Group in Ancient History. While there I studied Greek and Roman history and historiography from the original sources in Greek and Latin, as well as the material culture of the Greeks and Romans (archaeology and urban topography; commemorative art and epigraphy; economy and numismatics).
