BIOGRAPHICAL NOTE

The collector of these papers, John Alexander Porter (1863-1928), was born in Butler County, Kentucky, to Francis A. (1827-1877) and Mary Ann (Alexander) Porter (1835-1894). In 1888, he moved to Paris, Texas, and worked in the gas, streetcar, and light businesses for several years. Porter served as a teacher and elder in the Presbyterian Church in the different locations in which he lived and had an interest in various religious organizations.

In 1913 he moved to St. Louis, Missouri, where he was employed as an electrical engineer for various public utilities in the Mississippi Valley; was vice president of the St. Louis Public Utilities Corporation; and was a member of the St. Louis firm of Kelso-Wurdack Utilities.

Porter retired in 1926 and moved to Colorado Springs, Colorado, to live with his sisters, Carrie and Frances Porter. He did extensive work in preparing a Porter family genealogical manuscript, but Porter died before the publication of his work was done.

COLLECTION NOTE

This collection contains mostly typescript genealogical material compiled for the purpose of publishing a book about the Porter family. Other family genealogies include Beard, Carson, Chapman, Hail, Helm, Moody, and Sloss, with many associated families mentioned. There is a typescript historical sketch of the Porter family written in 1872 by John M. Porter of Bowling Green, Kentucky, as well as a typed copy of his Civil War experiences.

The correspondence dating from 1906 to 1957 is of a genealogical nature. Other items include deeds dating from 1799 to 1857 and that pertain chiefly to the Porter family's activities in the Kentucky counties of Butler and Logan.
