**BILL 94-8-F**  
**Student Telephone Directory**  
**November 8, 1994**

**PURPOSE:** To insert into the student telephone book a directory of Student Government Association's members of Congress. Included in this directory will be the Congress member's name, position on Congress, phone number, and address.

**WHEREAS:** This will ensure that each student on this campus has the opportunity to contact his/her representative at any time, and

**WHEREAS:** This will decrease the load on executive council members and give the congress members more opportunity for communication with students, and

**WHEREAS:** The student telephone directory is used frequently among students and faculty, and the directory of Congress members will help accomplish our goal of more student feedback, and

**WHEREAS:** This will help to accomplish our goal of hearing the students' voices.

**THEREFORE:** Be it resolved that we the members of the Student Government Association do hereby recommend that an insert be placed in the student telephone directory listing each representative's and executive council member's position, name, address, and telephone number.
