SMITH'S GROVE, 1915

## LIFE, LIGHT AND LIBERTY TICKET

To the City of Smith's Grove the election of a Board of Trustees is of paramount importance, because these men will control the fiscal affairs of the city for the ensuing term.

In order to bring up dissension, certain interests have brought out a ticket for Board of Trustees which they have termed the

### *Life, Light and Liberty Ticket.*

There is nothing we can say against the men that are on this ticket, for they are all good, honest and moral citizens and would make good officials if elected; but these men do not want to serve, and more than one of them has said he would not serve if elected; and that they were for the old Board.

The men's names on this ticket were put on there without their knowledge or consent.

This ticket was brought out by a man who pays no taxes to the city of Smith's Grove, and whose property is listed in his wife's name. He has had numerous fires in the past several years.

On this Life, Light and Liberty Ticket, as might be expected from a man of this kind, has been selected to run for City Marshal a man named A. B. Thompson. It is well that Thompson thinks he has a chance to remain in Warren County, because if he goes to Hart County he will face a blackmailing charge, and he dare not go back to Christian County, where he once lived, because the indignant citizens of that county gave him twenty-four hours to leave the county or stand the consequences for living with a negro paramour.

The ladies of the Methodist Church will serve fresh oysters all Election Day.

WANTED.—An editor and a newspaper. Apply to the citizens of Smith's Grove.

### PEACE, PROSPERITY AND PROGRESS TICKET

Opposing the Ticket brought out by the man who does not own any property in his own name, and who pays no taxes, we present the names of the present Board of Trustees, which has done so much for the upbuilding of our beautiful and progressive city. They have kept the taxes down, while at the same time installing water and light and fire protection service. They are:

Dr. J. D. Renick, Farmer and Merchant.

E. Beler, Real Estate, Insurance, and R. E. Agent.

J. R. Garmon, Farmer, Engineer, Machinist and Butcher.

J. M. Hazelip, Everything for the Home except the Baby.

P. D. Henderson, Citizen.

Coupled with this ticket in the running for City Marshal is H. D. Stone, who has been the best City Marshal the town ever had. He is a terror to evil

doers, and he does not wait to find where the pay is coming from before going in pursuit of a fugitive from justice. It is due to Marshal Stone that we have the present good order. He is the terror of lawbreakers for miles around, and he is not afraid to go anywhere, because there is no charge against him. He has likewise installed a pair of Blood Hounds, and that fact of itself has made crooks give our city a wide berth. Is there any reason to turn down Mr. Stone for a man who won't dare take a prisoner to a neighboring county because of fear of arrest? Harry Stone is not afraid to go anywhere that duty calls him.

### CITIZENS OF SMITH'S GROVE

The old Board represents the best interests of the town. They are backed by the substantial, tax-paying and debt-paying voters of the town. They have done more for the town than any set of men within the same length of time. They are giving their services without compensation for the upbuilding of our beautiful and progressive little city.

Every voter who has the best interests of Smith's Grove at heart will vote for the ticket headed by Dr. J. D. Renick, under the title of Peace, Prosperity and Progress, and under the device of *Greyhound*.
