Adult Education Class

Enthusiasm continues as the members work hard on subjects of their choice. One group will complete the study of The Gospel According to Saint Luke at the next session. Recently another student who lacked previous opportunity was thrilled almost to tears over reading and writing his name for the first time.

On February 3 the members of the Adult Class were given a great surprise during their assembly period, when Mrs. Susie Potter served them delicious refreshments in honor of Mrs. Dorcas Geary, who was out of town at the time of the Christmas party.

Here "N" There

The children of the center are busy making valentines and other decorations as they get ready for their party on the 14th. The girls are also making potholders, placemats, and embroidered aprons in the order mentioned. They make the potholders as the first step, and no one can work on an apron until her place mat is also completed. There is much pride in achievement as the apron stage is reached.

Are you a member of the Center ? All members must be registered. Be sure that you check your standing immediately so that you may be able to continue enjoying the facilities of the center.

Members of the center are requested to arrive at the building between 6:00 P.M. and 8:00 P.M. on Thursday and Friday evenings. Members who come after 8:00 P.M. will miss the activities for that evening. **DON'T FORGET TO ARRIVE BEFORE 8 O'CLOCK !**
