Council of Academic Deans Meeting
October 17, 1977

The Council of Academic Deans met at 8:15 a.m. on October 17, 1977 in the Office of the Vice President for Academic Affairs with the following members present: Davis, Sandefur, Gray, Russell, Johnson, Mounce, Oppitz, Hardin, Corts, Stroube, and Cravens. Dr. Glenn Crumb was a guest at the meeting.

The minutes of the October 4 meeting were approved as distributed.

Dr. Davis invited Dr. Crumb to comment on the Research and Development Conference to be held at Western October 21 and 22. Dr. Crumb distributed an advance copy of the program and reviewed the various sessions with the deans. Dr. Crumb expressed his appreciation to all of the deans for their willingness to assist in the various parts of the conference and for their general support.

Dr. Sandefur reported on activities of the Council on Higher Education related to a study on teacher education. Dr. Sandefur distributed information to the deans which indicated the outline of the study being undertaken by the council staff and elaborated on his feelings and impressions concerning the study.

Dr. Davis reported that President Downing had sent the proposed revision in the Academic Council charter to the Board of Regents for consideration at their October meeting. Dr. Davis requested that the deans consider meeting at an alternative time next week and it was agreed to meet on Monday, October 24, at 8:15 a.m.

The meeting adjourned at 9:00 a.m. so that the deans could meet with President Downing and members of the Administrative Council in the Regents Conference Room.

Respectfully submitted,
