MINUTES

Council of Academic Deans' Meeting
December 20, 1977

The meeting was called to order at 9:30 a.m. in the Regents Conference Room of the Wetherby Administration Building with the following members present: Davis, Chelf, Mounce, Hardin, Martin, Hourigan, Stroube, Russell, Sandefur, Gray, Cravens and Corts.

The minutes of the December 15 meeting were approved as distributed.

In the first item of business, Dr. Mounce moved and Dr. Russell seconded the motion that the deans approve on a permanent basis the class period schedule which has been in existence during the 1977 Fall Semester. The motion carried.

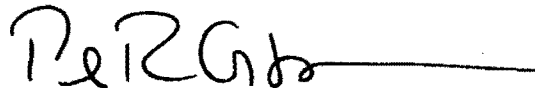

Dr. Mounce commented on the draft report from the subcommittee dealing with the role of the Council of Academic Deans. Dr. Mounce indicated that the draft statement represented an attempt to identify what current practice is and not necessarily what the role of the Council of Academic Deans ought to be.

Next, Dr. Elmer Gray elaborated on the written report of the subcommittee dealing with the role of the academic dean. Following discussion by various deans on these reports, Dr. Davis requested that each dean carefully review the draft documents and provide any specific written comments or suggestions to each subcommittee chairman as appropriate. It was agreed that these draft statements would be placed on a future deans agenda at the beginning of the next semester.

It was agreed that the next Council of Academic Deans meeting would be held sometime during registration with the time to be fixed by Dr. Davis.

The meeting adjourned at 10:45 a.m.

Respectfully submitted,

Paul R. Corts
