HOUSE IMPROVEMENTS

The new two-story addition to the house is now completed. It contains our new housemother's apartment, officers' quarters, and bedrooms for the older brothers. Nearing completion is a basement which will be used as a party and game room. Our color television set will soon occupy a newly painted and carpeted T.V. room located at the back of the house.

The original house has been remodeled. In the front room a large combination trophy and bookcase has been built which houses the four trophies won during our first year. Our complete stainless steel kitchen has been opened and we are now serving two meals a day. The upstairs hallway has been recarpeted, painted, and new drapes have been hung.

In addition to our new housemother, Mrs. Helen Marie Baxley, who is originally from Cleveland, Ohio, we have a cook and an assistant cook. The back lot has been leveled for additional parking. Our front yard has a noticeable landmark in that we now have a cannon which we won from the Murray Taus at the '67 Murray State--Western football game.

HOMECOMING--1968

Homecoming this year will be Saturday, Oct. 26, with Western facing Eastern Kentucky University at 1:30 in our new L.T. Smith Stadium which seats 20,000 spectators. This year's homecoming theme will be "Topper Power-Old and New". We Taus won the homecoming decorations, Fraternity Division, last year and plan to capture it again this Fall.

The house will be open for Homecoming between 11:00 A. M. and 12:30 P.M. and after the game. All alumni are cordially invited to attend. Refreshments will be served prior to the game.

There will be a semi-formal dance Homecoming night. If you are interested in attending, please drop us a note or stop by the house. Enclosed is a self-addressed, stamped envelope in order that you may easily notify us of your plans to participate in our '68 Homecoming festivities.

FALL RUSH

An excellent Fall rush program is now in progress with Phil Howard as Rush Chairman. Three parties and two smokers are on the agenda. A pre-rush pig roast was held last week with Dr. Roy Cooksey, Baron '49 providing the entertainment. The final party will be a dinner at the House followed by a dance at the Cutliff Building.

If you have any suggestions for a prospective pledge, we would appreciate a note. Please write to:

A NOTE FROM
THE ALUMNI CHAIRMAN

Dear Brothers,

At the first of this year, I was appointed to the post of Alumni Chairman. I served as Assistant Alumni Chairman last year under Rex A. Dugan.

My name is Freddie Dale Brown, and I am a senior Biology major with a Chemistry minor. I am from Bever Dam, Ky.

It is my hope this year to see and hear from more of our alumni from both near and far. If you are passing through town, please feel free to stop in and visit with us. We will be most happy to see you.

Fraternally yours,

Freddie D. Brown
