NUMBER III

Worthy Master

August 1968

Dear Brother or Little Sister,

Tomorrow Gerry Edds and I leave for Congress in Arizona. We are going to meet Carl Pukate in Oklahoma. I hope to take some good pictures for our trip. I am looking forward to the trip and then seeing all of you back at 1410 College Street.

I have been down at school a couple of times in the last couple of weeks. The addition is beginning to look really nice, but there is a lot of work for us to do to get ready for rush and home-coming. I am going back to school two weeks early with Frog & Shag. I sincerely hope that as many of you that can will come back early to do some work on the house. It needs all of us as the number 1 team. We have got a house-mother, a cook, and an assistant cook.

This summer has seen the marriage of the three brother to three little sisters, (Wayne Cooke & Alice Ann; Harl Foreman & Patti; Rex Dugan & Sharon). Congratulation.

A reminder about money, especially to the ones who owe back dues. Also due when we come back is \$25.00 summer fee; \$140.00 rent; \$20.00 breakage deposit; and 1st month dues.

Mr. Perkins has donated two air-conditioners for the house, but they only help in the rooms they are in. It has been suggested that if we donate the \$20.00 breakage deposit then we can air-condition the whole house. Think about it.

Phil Howard has got a good rush program lined out. He has three parties and two to three smokers planned. Let's all get behind Phil and give him our support.

I need someone to take charge of home-coming decorations and November nonsense. Think about this and come back with some good ideas.

Since only eight junior actives have sent me their grades, I am afraid initiation will be postponed. Please send me your grades (good or bad), junior actives.

While in Memphis for an interview with U.T. Medical School. I went by the Memphis State ATO House. They fixed me up and showed me a real good time. I hope that if we have brothers visit us from other chapters, we treat them as nice as I was treated.

The stadium really looks great. Our first home game is September 21 with Butler. It will be fabulous when the brothers of ATO and their sharp dates stake out their section in the stadium to cheer the Toppers to the OVC championship.

A reminder for everyone to come back as early as possible to have a good time plus do some serious work. If we do this, then nothing can stop us. Also Little Sisters, we are expecting a lot out of you, but we plan on proving worthy to you all.

Fraternally,

David Speer
