This is to ask that you  
will kindly consent and aid Mr Wm Sublett in  
procuring license for his marriage with me  
We had started to business not because there was  
any serious objection to Mr Sublett by my people  
but because I had been informed that you  
as my Guardian would not or could not consent  
by so doing it will save us that expense  
as it is our determination to marry
