Mr. Horace Johnson
Public Safety

Dear Mr. Johnson:

Recently SGA passed a resolution that the members of the Student Government feel is an important issue deserving University attention. Attached you will find a copy of Resolution 97-11-F. As always, safety is a very important concern of the students this issue deserves immediate attention. We hope that you review this carefully and respond as soon as possible.

As the Student Government Secretary, it is my job to direct the resolutions to the person who could resolve the issue most effectively. I have sent a copy of this letter to the respective people listed at the bottom of this page. If you know of anyone else who might be able to assist us, please advise so that I may direct the issue at hand. Please respond to this within the next 2 weeks as it is important to us, the students, that this is implemented as soon as possible.

The members of the Student Government association appreciate your attention to this issue concerning all students.

Sincerely,

Jamie Fite
SGA Secretary, 1997-1998
