THE GRADUATE SCHOOL AT WKU

www.wku.edu/graduate
graduate.school@wku.edu
1906 College Heights Blvd. #11010
Wetherby Administration Bldg. 207
Bowling Green, KY 42101-1010
(270) 745-2446

The Graduate School at WKU provides advanced students the opportunity to study, conduct research, and contribute to their academic field.

The Graduate Catalog in its entirety represents University Policy (Policy 1.0003 (https://www.wku.edu/policies/docs/263.pdf)) which must be followed and met before a credential is awarded. The Dean of the Graduate School is charged with the administration of Graduate School policies and certifies that candidates have fulfilled their requirements for advanced degrees and certificates. The Graduate Dean is advised by the Graduate Council (http://www.wku.edu/graduatecouncil), a standing committee of the Faculty Senate (http://www.wku.edu/senate). The University reserves the right to make changes as necessary in course offerings, curricula, academic policies, rules and regulations. The student is responsible for knowing and fulfilling all degree and certificate related requirements. Appeals of Graduate Policy are considered by the Dean of the Graduate School.

WKU is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC).

This catalog was prepared in the Graduate School at Western Kentucky University and paid for from state funds (KRS 57.375). All statements in this publication are announcements of present policy only and are subject to change at any time without prior notice. They are not to be regarded as offers to contract.

Upon request, this publication is available in alternate format for persons with disabilities. Please contact: Matt Davis, Coordinator, Student Accessibility Resource Center, Dero Downing Student Union, Room 1074, (270) 745-5004. Western Kentucky University is an equal opportunity institution of higher education and upon request provides reasonable accommodation to individuals with disabilities. www.wku.edu/eoo.
The University

Welcome to Western Kentucky University (http://www.wku.edu) (WKU), home of the Hilltoppers! Our hilltop campus is a place of beauty and friendliness. It embraces a proud heritage and a bold, ambitious future. WKU is located in Bowling Green, Kentucky, a city with a population of more than 60,000 approximately 110 miles south of Louisville and 65 miles north of Nashville. As a distinctive landmark on a hill overlooking the city, the WKU campus commands an impressive view of the Barren River Valley and is acclaimed as one of the most beautiful campuses in the nation. In addition to main campus (http://www.wku.edu/tour), WKU has locations at South Campus, the Center for Research and Development, the Medical Center at Bowling Green, and the University Farm. Outside of Bowling Green, there are Regional Campuses in Glasgow, Owensboro, and Elizabethtown-Fort Knox.

The Graduate School (http://www.wku.edu/graduate) at WKU offers graduate education in 92 degree and certificate programs. The University confers the Master of Accountancy, Master of Arts, Master of Arts in Education, Master of Arts in Teaching, Master of Business Administration, Master of Fine Arts, Master of Health Administration, Master of Music, Master of Public Administration, Master of Public Health, Master of Science, Master of Science in Nursing, Master of Social Work, Specialist in Education, Doctor of Education, Doctor of Nursing Practice, Doctor of Physical Therapy, and Doctor of Psychology. WKU also offers non-degree Rank I and II and certification-only teacher education programs. The Undergraduate Catalog (http://catalog.wku.edu/undergraduate) provides information regarding baccalaureate degrees, associates degrees, and undergraduate certificates, as well as undergraduate policies, procedures, and student services.

History of WKU

On March 21, 1906 the Kentucky General Assembly approved legislation to establish two teacher training institutions, or "normal schools," in the state. A locating commission chose Bowling Green to be the site of one, and the Western Kentucky State Normal School was created. The new state-supported school took over the building and student body of the privately owned Southern Normal School. The owner of the Southern Normal School, Henry Hardin Cherry, had been actively involved in the campaign to establish teacher training schools and became the institution's first president. Classes began on January 22, 1907.

On February 4, 1911 the school moved to its present site on "the Hill," approximately 125 feet above downtown Bowling Green and formerly the site of the Pleasant J. Potter College. Over the next decade, the curriculum focused on teacher training and certification. In 1922, the state renamed the institution Western Kentucky State Normal School and Teachers College and authorized it to grant four-year degrees. The first such degrees were awarded in 1924. The campus expanded in 1927, when it merged with Ogden College, a private young men's school located on the east side of the Hill. The name was shortened to Western Kentucky State Teachers College in 1930, and the following year the first graduate degree was offered.

In the 1950s and 1960s, both the curriculum and campus underwent major reorganization and expansion. In 1963 the institution merged with the Bowling Green College of Commerce. Along with the graduate school, the Bowling Green College of Commerce became a separate college within the academic structure. In 1965, the Board of Regents approved the formation of three more colleges: the Potter College of Liberal Arts, the College of Education, and the Ogden College of Science and Technology. On June 16, 1966, Western Kentucky State College became Western Kentucky University.

More colleges and reorganization followed throughout the years as WKU continued to expand. The College of Health and Human Services was established in 2002, and the Division of Extended Learning and Outreach launched in 2003. In 2008, the WKU Board of Regents approved the creation and development of a fully-independent Honors College at WKU. In 2011 the first doctoral degrees were awarded through the College of Education and Behavioral Sciences. In 2011 and 2013 two new professional practice doctoral degrees, the Doctor of Nursing Practice and the Doctor of Physical Therapy, were established, and in 2015 the Doctor of Psychology was added.

WKU's academic colleges are:

- College of Education and Behavioral Sciences
- College of Health and Human Services
- Gordon Ford College of Business
- Ogden College of Science and Engineering
- Potter College of Arts and Letters

In addition, The Dixie and Peter Mahurin Honors College offers high-achieving undergraduate students the environment of a small, highly selective college within the framework of the larger university.

Mission

Western Kentucky University (WKU) prepares students of all backgrounds to be productive, engaged, and socially responsible citizen-leaders of a global society. The University provides research, service, and lifelong learning opportunities for its students, faculty, and other constituents. WKU enriches the quality of life for those within its reach.

Statement of Purpose

As a leading American university with international reach, WKU is engaged in internationally acclaimed, student-and-learning-centered academic programs. The WKU experience occurs on several unique campus environments and through an overarching spirit which attracts an intellectually exciting and diverse family of the nation’s best students. WKU provides students of all backgrounds with rigorous academic programs in education, the liberal arts and sciences, the health sciences, and business, with emphasis at the baccalaureate and masters levels, complemented by relevant associate and doctoral level programs. The University places a premium on student learning; it is committed to ensuring value in a holistic learning experience through high standards for student achievement and conduct, a strong faculty, technological innovation, personalized attention, broad access, and public accountability for actions and outcomes. Out-of-the-classroom and study abroad experiences enhance learning, promote diversity, and contribute to the success of students.

The University encourages engaged research and public service in support of economic development, quality of life, and improvement of education at all levels. WKU faculty contribute to the identification and solution of key social, economic, scientific, health, and environmental problems. An inspiring and talented faculty promotes a high level of creative activity and diverse scholarship and an entrepreneurial attitude designed to expand knowledge, improve instruction, increase learning, and provide applied solutions toward high-quality service to the state and nation. The University directly supports its constituents in its designated
service areas of Kentucky with professional and technical expertise, cultural enrichment, and educational assistance.

Maintaining a campus of distinctive history and character, WKU sustains a student population of increasing quality. It fulfills its responsibility for access through its main and regional campuses, and through extensive distance learning opportunities. WKU recognizes that its mission continues to evolve in response to regional, national, and global changes, and the need for lifelong learning.

Core Values
Shared purposes and beliefs drive the decisions and actions of any organization or institution. The core values that undergird the foundations of WKU are reflected in the University’s vision, mission, and purpose statements, and in the goals of the strategic plan.

The rich heritage that is WKU’s has been built upon a foundation of shared values that have withstood the test of time and the challenges of many changes. These values are deeply embedded in the words of WKU’s first President, Dr. Henry Hardin Cherry, as he set forth a vision for this University:

• to be a live school and to impart to its students a burning zeal to do and be something;
• to be progressive, to use modern methods and equipment, but reject all worthless educational fads;
• to let the reputation of the school be sustained by real merit;
• to "ring the rising bell in the human soul" by inspiring all students who come in touch with the work of the institution.

This vision is further reflected in Dr. Cherry’s often-quoted reminder that "It's what's above the rim that counts" and in the two University ideals expressed in the University seal: "Life More Life" and the University motto: "The Spirit Makes the Master."

Building upon these long lasting values, the following core values represent a reaffirmation of the shared purposes and beliefs upon which this strategic plan is built:

• Emphasis on cooperation, teamwork, and mutual respect for individual differences in scholarship, diversity, and culture.
• Expectation for all conduct to be characterized by integrity, honesty, and commitment to high moral and ethical values and principles.
• Commitment to assuring quality of programs, competence of graduates, and opportunities for lifelong learning.
• A view of scholarly endeavors that includes teaching, research, and creative activities as mutually supportive.
• Encouragement of meaningful and active partnerships among students, faculty, staff, and constituents to strengthen the learning environment.
• Nurturing of innovative and creative activities of faculty, staff, and students that advance University mission and goals.
• Dedication to the importance of achieving excellence in all programs and for adding value to the degrees and credentials of our students.
• Commitment to providing a collegiate experience that prepares students to be informed, engaged, and dedicated citizens.
• Commitment to contributing to improved quality of life and economic well-being of Kentuckians, especially those in our primary service area, as well as other constituents and stakeholders.
• Commitment to developing empowered, informed, and responsible learners who recognize both the personal and shared responsibility to actively participate in university life by upholding the principles of the University Creed.

Leadership & Governance
President of the University
Dr. Timothy C. Caboni

Board of Regents
Mr. Gillard B. Johnson III, Chair, Nicholasville KY
Mr. Frederick A. Higdon, Vice Chair, Lebanon KY

Mr. Joe B. Natcher, Jr.
Ms. Wanda J. Scott
Graduate Faculty

WKU Graduate Faculty (p. 256) engage in creative activity and diverse scholarship including basic and applied research that expands knowledge, improves instruction, increases learning, and provides service to the state and the nation. Academic Affairs (http://www.wku.edu/faculty) maintains a comprehensive list of WKU faculty, including distinguished professors.

All courses offered for graduate credit at WKU must be taught by graduate faculty. Membership in the graduate faculty may be acquired through two methods. First, membership may be granted through the hiring process. The department head or program director/coordinator should recommend graduate faculty status at the time of hire. The College Dean will review the recommendation, approve, and forward the recommendation to the Graduate Dean for approval. Second, membership may be granted to current faculty members via a recommendation by the faculty member's department head or program director/coordinator. The College Dean must review the recommendation, (dis)approve, and forward to the Graduate Dean for approval.

Nominations and recommendations are based upon the general criteria of evidence of scholarly attainment, active participation in research, scholarly activities and/or professional accomplishments which are recognized or commended by professional organizations in the candidate's field and professional standing. Graduate faculty should also express a willingness to direct the study of graduate students. College deans, department heads, or program director/coordinator should evaluate faculty for graduate faculty status as part of the annual review procedure in accordance with the general criteria listed above.

(Approved by Graduate Council 12/10/15)

Accreditations

Western Kentucky University is accredited by the Southern Association of Colleges and Schools Commission on Colleges to award associate, baccalaureate, masters, specialist, and doctorate degrees. Contact the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097 or call (404) 679-4500 for questions about the accreditation of Western Kentucky University.

**University Notices**

**Family Educational Rights and Privacy Act (FERPA)**

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records, including:

1. The right to inspect and review the student’s education records within 45 days of the day the University receives a request for access. Students should submit to the registrar, dean, head of the academic department, or other appropriate official, a written request that identifies the record(s) they wish to inspect. The University official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the University official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

2. The right to request the amendment of the student’s education records that the student believes are inaccurate or misleading. Students may ask the University to amend a record that they believe is inaccurate or misleading. They should write the University official responsible for the record, clearly identify the part of the record they want amended, and specify why it is inaccurate or misleading. If the University decides not to amend the record as requested by the student, the University will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for an amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3. The right to consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent, including disclosure without the student’s consent is permissible to school officials with legitimate educational interests. A school official is a person employed by the University in an administrative, supervisory, academic, research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the University has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Regents; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by Western Kentucky University to comply with the requirements of FERPA. The name and address of the office that administers FERPA is:

   **Family Policy Compliance Office**
   U.S. Department of Education
   600 Independence Avenue, SW
   Washington, DC 20202-4605

Release of student record information is generally not done at WKU without the expressed, written consent of the student; however, FERPA allows several exceptions described below:

1. FERPA allows the institution to routinely release information defined as "directory information." The following student information is included in the definition: the student’s name, address, e-mail address, telephone listing, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, enrollment status (including full-time, part-time, not enrolled, withdrawn and date of withdrawal), degree and awards received and the most recent previous education agency or institution attended by the student. When a student wants any part of the directory information to remain confidential, an official request form must be completed in the Office of the Registrar within the first five days of each school term.

2. Upon request, WKU may disclose education records without the student’s consent to officials of another school in which a student seeks to enroll, or where the student is already enrolled as long as the disclosure is for purposes related to the student’s enrollment or transfer.

3. Effective January 3, 2012, the U.S. Department of Education’s FERPA regulations expanded the circumstances under which the student’s education records and personally identifiable information (PII) contained in such records (including Social Security Number, grades, or other private information) may be accessed without the student’s consent.

   a. First, the U.S. Comptroller General, the U.S. Attorney General, the U.S. Secretary of Education, or state and local education authorities ("Federal and State Authorities") may access student’s records and PII without the student’s consent to any third party designated by a Federal or State Authority to evaluate a federal- or state-supported education program. The evaluation may relate to any program that is “principally engaged in the provision of education,” such as early childhood education and job training, as well as any program that is administered by an education agency or institution.

   b. Second, Federal and State Authorities may access the student’s education records and PII without the student’s consent to researchers performing certain types of studies, in certain cases even when the university objects to or does not request such research. Federal and State Authorities must obtain certain use-restriction and data security promises from the entities that allow several exceptions described below:
they authorize to receive the student’s PII, but the Authorities need not maintain direct control over such entities.

c. In addition, in connection with Statewide Longitudinal Data Systems, State Authorities may collect, compile, permanently retain, and share without the student’s consent PII from the student's education records, and they may track the student's participation in education and other programs by linking such PII to other personal information about the student that they obtain from other Federal or State data sources, including workforce development, unemployment insurance, child welfare, juvenile justice, military service, and migrant student records systems.

Questions pertaining to the Family Educational Rights and Privacy Act may be directed to:

Louisville, KY 40202
(800) 669-4000 or TTY (800) 669-6820

Student Complaint Procedure

The student complaint procedure for resolving a complaint concerning a faculty member is outlined below in four steps.

Step 1 (Faculty Member)

The first step is for the student to discuss the complaint with the faculty member involved. If the faculty member is no longer employed by the University, the student should go directly to the department head that will contact and represent the former faculty member. If the complaint involves a grade, the student must take the complaint to the faculty member within the first two weeks of the first regular semester (fall; spring) following the assignment of the grade. It is hoped that the complaint may be satisfactorily dealt with at this level.

Step 2 (Department Level)

If the student and the faculty member are unable to resolve the complaint, the student may take the complaint to the faculty member’s department head. Written notification of the complaint must be given to the department head within two weeks after meeting with faculty member (Step 1). It is the responsibility of the department head to arrange for a conference where the student, faculty member, and the department head will be present for discussion. Neither the faculty member nor the student will be allowed representation at the conference. The department head shall hear both sides of the complaint and shall attempt to mediate a settlement. The department head shall keep a written record of the proceedings, including the recommended solution. The department head's recommended solution is to be considered by both the faculty member and the student as a recommendation and not as a decision that is binding.

Step 3 (College Level)

Should the student be unable to receive the satisfaction desired at the departmental level, the complaint may be taken to the college level. Written notification of the complaint must be submitted to the college
dean or his/her designated representative within two weeks after the conference with the department head (see Step 2). Upon receipt of the notification, the college dean or his/her representative shall provide the student a copy of the procedural guidelines to be followed by the College Complaint Committee. The procedural guidelines shall provide for a conference with both the student and the faculty member present for joint discussion of the complaint with the Committee.

The College Complaint Committee will be responsible for scheduling the conference within two weeks following the submission of a written complaint to the chairman of the College Complaint Committee including as much detail as the student cares to include. The written complaint should clearly state what is considered to be unreasonable and/or unfair practices or procedures. Neither the faculty member nor the student will be allowed representation at the conference. The College Complaint Committee shall hear both sides of the complaint and render a decision. The decision shall be sent in writing to the Provost/Vice President for Academic Affairs with a copy being sent as a matter of record to the student, faculty member, faculty member’s department head, and the faculty member’s college dean. The Office of the Provost/Vice President for Academic Affairs shall be responsible for enforcing the decision of the College Committee. The Office of the Vice President for Academic Affairs shall not enforce the decision until two weeks after the decision is made by the College Committee. The purpose of the two week delay is to provide either the student or the faculty member an opportunity to submit a formal written notice of appeal to the University Complaint Committee.

Step 4 (University Level)

Should the student or faculty member desire to appeal the decision of the College Complaint Committee, a formal written notice of appeal may be submitted to the University Complaint Committee chair, with a copy to the Provost/Vice President for Academic Affairs within two weeks of the decision of the College Complaint Committee. The chair of the University Complaint Committee will provide the student and faculty member involved with a copy of the University Complaint Committee’s procedural guidelines. The University Complaint Committee will secure copies of the written proceedings from the department head and the College Complaint Committee. The University Complaint Committee will schedule a conference where the faculty member and the student jointly discuss the issue. Neither the faculty member nor the student will be allowed representation at the conference. The Committee’s decision will be sent to the Vice President for Academic Affairs, with a copy being sent as a matter of record to the student, faculty member, faculty member’s department head, and the faculty member’s college dean. The Office of the Provost/Vice President for Academic Affairs will see that decisions of the University Complaint Committee are carried out. The University Complaint Committee’s decision is final.

Important Complaint Exceptions:
- Student Disability regarding denial of accommodations, report to Student ADA Compliance Officer and follow WKU policy #6.1010
- Discrimination and Harassment concerns, see below reporting process and follow WKU policy #0.2040
- Discrimination is always reported to the Office of Equal Opportunity Employment (EEO)
- Student-to-student harassment is reported to Office of Student Conduct
- Student-to-faculty/employee harassment is reported to the Office of Equal Opportunity Employment (EEO)

Student Right-to-Know Act Annual Disclosure Statement

In compliance with the federal Student Right-to-Know and Campus Security Act of 1990, the University’s graduation rate is to be made available, upon request, to potential and currently enrolled students. The Act requires public disclosure beginning July 1, 1993, of this information by institutions of higher education receiving federal financial assistance.

Western Kentucky University’s graduation rate was calculated using definitions established by the U. S. Department of Education. This rate is based upon the number of beginning freshmen who entered Western Kentucky University as full-time degree-seeking students during the 2012 fall semester and who completed an associate degree or a baccalaureate degree within six years (through August, 2018). For this cohort of beginning students, the graduation rate is 45.34%.
# Academic Calendar

The University provides a year round instructional program consisting of fall and spring semesters and a summer term. WKU also offers a winter term, three 5-week sessions in spring, summer and fall terms, and bi-term courses during the fall and spring semesters. The academic year at WKU is divided into two semesters consisting of sixteen weeks, a thirteen-week summer term, and a three-week winter term. The opening and closing dates are listed below. Specific information about winter and summer terms is available through the Division of Extended Learning and Outreach (http://www.wku.edu/delo) (DELO).

Admission to Graduate School

www.wku.edu/graduate
graduate.school@wku.edu
1906 College Heights Blvd. #11010
Wetherby Administration Building 207
Bowling Green, KY 42101-1010
(270) 745-2446 Phone | (270) 745-6950 Fax

Students seeking a graduate degree, graduate certificate, or enrollment as a non-degree student must apply for admission by completing the online graduate application (http://www.wku.edu/apply) and paying a non-refundable application fee. Graduate program application requirements and deadlines vary by program. Admission to or completion of a graduate certificate does not guarantee admission to a graduate degree program. Admission to the Graduate School is based on a recommendation from the graduate program. Final admission decisions are made by the Graduate School. Application to the Graduate School is required before program admission can be considered.

Admission Requirements

1. Baccalaureate degree or higher, or equivalent international degree, from a regionally accredited institution of higher education.
2. Minimum cumulative grade point average (GPA) of 2.75 or greater on baccalaureate degree or equivalent international degree or minimum GPA of 3.0 on a degree higher than a baccalaureate or equivalent international degree.
3. Evidence of English proficiency (international students only)

Admission Policies

Change of Program

If a student does not meet all university and program admission requirements, and if the academic program’s review of the student’s record indicates the likelihood of success, the student may be granted conditional admission by the Dean of the Graduate School upon the recommendation of the program.

Conditional Admission

If a student does not meet all university and program admission requirements, and if the academic program’s review of the student’s record indicates the likelihood of success, the student may be granted conditional admission by the Dean of the Graduate School upon the recommendation of the program.

The conditions of admission will be specified in the admission notification. All conditions of admission must be fulfilled upon the completion of twelve hours of coursework. Programs are responsible for monitoring the progress of students admitted conditionally and will notify the Graduate School when conditions have been met. Students who do not meet conditions of admission upon earning twelve hours will be dismissed.

(Approved by Graduate Council 11/10/16)

Alternate Admission

Applicants who do not meet admission requirements may request alternate admission whereby background and experience are considered by the academic program and Graduate School. Academic departments may have more specific guidelines on alternate admission requirements.

(Approved by Graduate Council 11/13/14)

Application Process

1. Complete the online graduate application (http://www.wku.edu/apply).
2. Submit transcripts reflecting all undergraduate and/or post-baccalaureate study. An official course-by-course transcript in English from educational institutions where any degree(s) were earned (both domestic or international) is required. Official transcripts will not be accepted from the student and must be sent directly from the issuing institution. Unofficial transcripts from institutions where credit (but no degree) was earned are acceptable and may be supplied by the student. WKU transcripts are on file and no submission is necessary.
3. Submit required admission documents as defined by the individual academic program.
4. Submit an official degree certificate from each college or university from which a degree was received with English translation.
5. Non-native English speakers must submit evidence of English proficiency by one of the following:
   a. official Test of English as a Foreign Language (TOEFL) minimum score of 79 (internet-based) or 550 (paper-based) taken within the past two years; or
   b. official International English Language Testing System (IELTS) minimum score of 6.5 taken within the past two years; or
   c. successful completion of the English Language Services Program at Level 112.
   d. successful completion of English as a Second Language International (ESL)
   e. evidence of English proficiency is not required for graduates of an accredited United States undergraduate or graduate institution or other institutions approved by the Graduate Dean.

NOTE: Graduate admission is independent of the immigration process. For further information regarding immigration please contact the International Student Office (https://www.wku.edu/international).
Concurrent Enrollment
Students who wish to enroll in two or more programs concurrently must apply for admission to each program individually. Doctoral students may not pursue more than one degree program at a time.

Readmission
A graduate application is active for one year. Students who do not enroll for three consecutive terms at any time after the initial admission term will be required to reapply.

Visiting Students
Students who wish to enroll at WKU as a visiting student must be enrolled in a degree program at another institution. They must complete the admission process at WKU. Applicants must submit an official final copy of their undergraduate transcript or a letter from the university registrar of the degree-granting institution verifying good standing status to the Graduate School at WKU prior to enrollment.
enrollment

graduate records

www.wku.edu/graduate (graduate.records@wku.edu)
graduate.records@wku.edu
Wetherby Administration Building 207
(270) 745-2446

Graduate Records provides student services including: matriculation document processing; academic standing audits; thesis and dissertation review and publication; administration of Joint Undergraduate Master's Programs (JUMP); graduate catalog publication; and final degree audits. Graduate Records works closely with individual academic advisors, program coordinators, the University Registrar, Graduate Council, and other university personnel to advocate for and support graduate students.

Minimum Credit

Master's Degree

The minimum semester credit requirement for master's degrees is thirty (30) credits. Individual programs may require more credits. Only those courses listed on a graduate Program of Study are applicable toward meeting graduate degree credit requirements. Six (6) to fifteen (15) thesis credits may be applied to meet the 30 credit minimum required for the degree. However, additional thesis hours may be taken to complete the thesis and will appear on the student's transcript.

Specialist in Education Degree

The minimum semester credit requirement for the Specialist in Education degree is thirty (30) credits beyond the master's degree or sixty (60) credits for programs that do not require a master's degree for admission. Individual programs may require more credits. Only those courses listed on a graduate Program of Study are applicable toward meeting the Specialist in Education degree credit requirement. Six (6) to fifteen (15) thesis credits may be applied to meet the 30 credit minimum required for the degree. However, additional thesis hours may be taken to complete the thesis and will appear on the student's transcript.

Doctoral Degree

The minimum semester credit requirement for the doctoral degree is sixty (60) credits post-baccalaureate or thirty (30) credits post-master's in a related field. Individual programs may require more credits. Only those courses listed on a graduate Program of Study are applicable toward meeting graduate degree credit requirements. Twelve (12) to thirty (30) dissertation credits may be applied to the 60 credit minimum required for the post-baccalaureate to doctoral degree. Six (6) to fifteen (15) dissertation credits may be applied to the 30 credit minimum required for the post-masters to doctoral degree. Additional dissertation hours may be taken to complete the dissertation and will appear on the student’s transcript.

(Approved by Graduate Council 8/15/13)

Academic Standing

Graduate students must maintain a 3.0 grade point average (GPA) for all courses taken at WKU and those graduate courses transferred to WKU to fulfill graduate program requirements. Students must maintain a minimum grade point average of 3.0 in the academic program and a cumulative (overall) GPA to earn a degree or certificate. If a student's overall GPA falls below 3.0, the student will be placed on academic probation. Students placed on academic probation are not eligible for graduate assistantship appointments.

The student will have one additional full-time semester or the equivalent (9 semester hours) to remove the academic probation by raising their cumulative GPA to a 3.0 or higher. If the GPA remains below a 3.0 after completing 9 hours of coursework on probation, the student will be academically dismissed from Graduate School. Individual academic programs may also apply more restrictive criteria regarding probation and dismissal. Students may be dismissed by the program for failing to make satisfactory progress toward a degree or certificate. Students will be dismissed from the program for having failed twice the comprehensive examination for the graduate degree. Dismissal from an academic program will result in dismissal from the Graduate School.

An academically dismissed student who wishes to be readmitted to his/her program must submit an Appeal of Graduate Policy, and, in consultation with their advisor, an Academic Plan detailing how the required 3.0 GPA will be obtained. The Appeal of Graduate Policy must be submitted to the Graduate School the semester following dismissal and provide evidence of the support of the graduate faculty in the academic program. Each case will be reviewed by the Dean of the Graduate School for consideration of readmission. An academically dismissed student who wishes to be readmitted to Graduate School as a non-degree seeking student or apply to another program must complete a new admission application and an Academic Plan. Readmitted students will remain on probation and must successfully complete the requirements of his/her Academic Plan to attain a 3.0 cumulative GPA in the specified time frame. Readmitted students who do not attain the requisite 3.0 GPA will be dismissed with no possibility of readmission until a period of three years has elapsed.

Students may also be dismissed from programs for reasons other than failure to maintain a satisfactory grade point average. Expectations regarding student conduct are described in the Western Kentucky University Student Handbook and apply to students in all programs. Additional program-specific policies regarding student conduct and dismissal from a program for non-academic reasons may also apply. Students should contact their advisors for more information regarding expectations for appropriate student conduct.

(Approved by Graduate Council 5/9/13)

Undergraduate Enrollment

Joint Undergraduate-Master’s Degree Programs (JUMP)

JUMP programs (http://catalog.wku.edu/graduate/programsoffered/ #filter=filter_47) provide academically outstanding students the opportunity to complete both an undergraduate and graduate degree in approximately five years. Qualified students who have been admitted to a JUMP program may complete a maximum of 18 graduate hours as an undergraduate student and count a maximum of 12 hours on both the undergraduate and graduate transcript as prescribed by the program. Students must apply to Graduate School upon or before earning more than 18 graduate hours or upon earning their Bachelor's degree. Each JUMP program has individualized admission criteria.

Undergraduate Student Enrollment in Graduate Courses

Undergraduate students at Western Kentucky University may request to enroll in graduate courses by submitting an "Undergraduate Taking Graduate Courses" form to the Graduate School. Conditions for approval include:

- having earned at least 75 undergraduate credit hours;
- and, having a minimum cumulative GPA of 3.0.

Undergraduate students may accumulate a maximum of 12 graduate credits. In addition, undergraduate students are restricted to a maximum
of 15 hours enrollment per term, including graduate and undergraduate credits. All graduate coursework will be on the graduate transcript. To move the coursework to the undergraduate transcript students should contact the Office of the Registrar. (Approved by Graduate Council 12/10/15)

Program of Study

All graduate degree seeking students must submit a planned program of study to the Graduate School. The program of study serves as a contract between the student and the University and defines the minimum requirements for the degree or certificate. The program of study is developed jointly by the graduate advisor and the student. Final approval rests with the Graduate School.

Students in graduate education programs which lead to teacher certification must have their programs of study approved by the WKU Educator Certification Officer prior to submission to the Graduate School.

A maximum of 12 hours of graduate course work may be duplicated on one additional graduate degree. (Approved by Graduate Council 3/17/16)

Certificate seeking students do not need to submit a program of study form and will follow the curriculum as published in the Graduate Catalog at the time of admission.

Academic Advising

Upon admission to a graduate program, each student is assigned a major advisor from the Graduate Faculty in the respective department. Students pursuing a thesis, specialist project or dissertation will select a Graduate Faculty member to chair his or her research project at which time the student’s primary advisor will be updated to reflect the committee chair. Although student advising at Western Kentucky University is specifically designed to assist students as they progress through degree programs, it is the responsibility of all students to know all policies and procedures pertaining to graduate study. Students may request an advisor change (http://www.wku.edu/graduate/students/advisor_change_request.php) via the Graduate School website.

Admission to Candidacy

Admission to Candidacy is required for Doctor of Education and Doctor of Psychology students which includes passing a qualifying exam or equivalent assessment. Admission to Candidacy is administered by the respective programs and successful completion is reported to the Graduate School.

Experiential Learning Credit

WKU does not provide graduate credit for experiential learning, credit by exam, or professional certificates unless programs (degree and non-degree) specifically seek approval through the Graduate Council and have ensured that such credit is consistent with the WKU mission, that the learning outcomes are at the graduate level, and that the credit is comparable to other WKU graduate courses. (Approved by Graduate Council 2/14/13)

Repeating Courses

A graduate student is permitted to repeat any course in which a “C” or below was earned. An individual course may only be repeated one time. Courses that are repeatable for credit on different topics may be repeated one time per topic for equivalent credit. Only the second grade will be counted in computing the grade point average. The course and grade received for each attempt will continue to appear on the student’s transcript. (Approved by Graduate Council 3/20/14)

Research Requirement

All graduate programs must ensure student engagement in research and/or appropriate professional practice and training experience. This requirement is defined by the individual academic programs and may include such experiences as completion of a research tool course, successful completion a foreign language examination, publication of a thesis, professional practice experience, etc.

Time Limitation for Degree Completion

All requirements for master's and specialist degrees and graduate certificates must be completed within six years of initial enrollment in the program. All requirements for doctoral degrees must be completed within ten years of initial enrollment in the doctoral program.

Courses applied toward a master's or specialist degree or graduate certificate program must be completed within six years of degree completion. Courses applied toward a doctorate degree must be completed within ten years of degree completion.

Transfer Credit

WKU accepts transfer credit(s) earned at regionally accredited institutions of higher education. Students transferring credit from an international institution must submit an official transcript evaluation of credit from an international credential evaluation service recognized by the National Association of Credential Evaluation Services (NACES) before equivalencies are determined. All transfer coursework must be documented on an official transcript with a grade of "B" or better. Transfer credits must be applied toward a graduate program awarded by WKU, are subject to approval by the appropriate academic department, and must comply with all other university policies.

Plus and minus grades are recorded as the letter grade only. In cooperative or joint programs with other universities, credits earned in the program at these institutions are not considered transfer credits. At least one-half of credits applied toward degree or certificate requirements must be earned at Western Kentucky University.

Regeneration

All graduate programs must ensure student engagement in research and/or appropriate professional practice and training experience. This requirement is defined by the individual academic programs and may include such experiences as completion of a research tool course, successful completion a foreign language examination, publication of a thesis, professional practice experience, etc.

Time Limitation for Degree Completion

All requirements for master's and specialist degrees and graduate certificates must be completed within six years of initial enrollment in the program. All requirements for doctoral degrees must be completed within ten years of initial enrollment in the doctoral program.

Courses applied toward a master's or specialist degree or graduate certificate program must be completed within six years of degree completion. Courses applied toward a doctorate degree must be completed within ten years of degree completion.

Transfer Credit

WKU accepts transfer credit(s) earned at regionally accredited institutions of higher education. Students transferring credit from an international institution must submit an official transcript evaluation of credit from an international credential evaluation service recognized by the National Association of Credential Evaluation Services (NACES) before equivalencies are determined. All transfer coursework must be documented on an official transcript with a grade of "B" or better. Transfer credits must be applied toward a graduate program awarded by WKU, are subject to approval by the appropriate academic department, and must comply with all other university policies.

Plus and minus grades are recorded as the letter grade only. In cooperative or joint programs with other universities, credits earned in the program at these institutions are not considered transfer credits. At least one-half of credits applied toward degree or certificate requirements must be earned at Western Kentucky University.

Regeneration

All graduate programs must ensure student engagement in research and/or appropriate professional practice and training experience. This requirement is defined by the individual academic programs and may include such experiences as completion of a research tool course, successful completion a foreign language examination, publication of a thesis, professional practice experience, etc.

Time Limitation for Degree Completion

All requirements for master's and specialist degrees and graduate certificates must be completed within six years of initial enrollment in the program. All requirements for doctoral degrees must be completed within ten years of initial enrollment in the doctoral program.

Courses applied toward a master's or specialist degree or graduate certificate program must be completed within six years of degree completion. Courses applied toward a doctorate degree must be completed within ten years of degree completion.
identification number to register, drop/add courses, access class schedules, and view course grades. Registration policies and procedures are published in the Registration Guide (https://www.wku.edu/registrar) each term.

Transcripts
Transcripts will be released at the written request of the student and in conformity with university policy and existing state and federal statutes pertaining to the release of student academic records. The official academic record is the property of the University. Consequently, the University reserves the right to withhold the release of a transcript of that record if the student has an obligation to the University. Transcript Request (https://www.wku.edu/registrar/transcript_request.php) is online through the Office of the Registrar.

Course Load
The course load for a full-time graduate student is 9-15 hours with 9 being the minimum and 15 the maximum. Graduate Assistants may deviate from the defined course load as described in the Financial Assistance (p. 21) section of this catalog.

As per United States federal requirements pertaining to students with F1 or J1 visa status, international students are restricted to no more than the equivalent of one on-line/distance education class or 3 credits per semester may count towards the full-time course of study requirement, if an online or distance education course does not require the student’s physical attendance for classes, examination or other purposes integral to completion of the class. If the student’s course of study is in a language study program, no on-line or distance education classes may be counted toward the full course of study requirement.

Course Numbering

| 700 and above | Doctoral courses |
| 400G-499G, 500-699 | Graduate courses |
| 000-499 | Undergraduate courses |

Grading and the Quality Point System
Graduate students must maintain a 3.0 cumulative GPA in all courses taken as a graduate student (including all transfer courses and undergraduate level courses). Students who fail to meet the 3.0 GPA requirements for the graduate program GPA (courses on approved Program of Study) and overall cumulative GPA will not be awarded a degree or certificate. Grades lower than a "C" may not be used in meeting degree or non-degree requirements.

The letters A, B, C, D, F, FN, P and X are used by the University to indicate the student’s academic proficiency. These letters have the following significance:

<table>
<thead>
<tr>
<th>Grade</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>Excellent, four quality points per semester hour</td>
</tr>
<tr>
<td>B</td>
<td>Good, three quality points per semester hour</td>
</tr>
<tr>
<td>C</td>
<td>Average, two quality points per semester hour</td>
</tr>
<tr>
<td>D</td>
<td>Below Average, unsatisfactory, one quality point per semester hour</td>
</tr>
<tr>
<td>F</td>
<td>Failure, no semester hours earned and no quality points</td>
</tr>
<tr>
<td>FN</td>
<td>Failure due to non-attendance (no semester hours earned and no quality points)</td>
</tr>
<tr>
<td>P</td>
<td>Pass, credits awarded towards a degree, but no quality points are assigned. The &quot;P&quot; designated is restricted to specific courses approved for its use.</td>
</tr>
<tr>
<td>X</td>
<td>Incomplete. A grade of &quot;X&quot; (incomplete) is given only when a relatively small amount of work is not completed because of illness or other reason satisfactory to the instructor. A grade of &quot;X&quot; received by a graduate student, with the exception of thesis courses or similar projects, will automatically become an &quot;F&quot; unless removed within twelve (12) weeks of the next full term (summer term excluded). An incomplete must be removed within this twelve-week period regardless of whether the student is registered for additional work in the next term. A student should work with the instructor who assigned the incomplete on an independent basis to complete the necessary assignments. A grade of incomplete is not used under any circumstances as a substitute for &quot;F&quot; or &quot;W&quot;.</td>
</tr>
<tr>
<td>AU</td>
<td>Auditor of a course (See below for additional information)</td>
</tr>
<tr>
<td>W</td>
<td>Officially Withdraw.</td>
</tr>
<tr>
<td>NR</td>
<td>No report. Grades for an entire class were not received by the Office of the Registrar in time for processing. The designation &quot;NR&quot; is not to be used as a grade for individual students.</td>
</tr>
<tr>
<td>ER</td>
<td>Error in reporting. This designation is used by the Office of the Registrar when a grade is not reported for an individual student.</td>
</tr>
<tr>
<td>NG</td>
<td>No grade. A grade is not appropriate to the course. The &quot;NG&quot; designation is restricted to specific courses approved for its use.</td>
</tr>
<tr>
<td>IP</td>
<td>In Progress. Restricted to specific courses designed to span more than one term. Unless approved otherwise, an IP designation unresolved at the end of 3 years after its assignment will be converted to an &quot;F&quot;.</td>
</tr>
</tbody>
</table>

The designations of AU, W, NR, ER, and NG are not included in the determination of grade point average and are used in the following cases:
Equivalent Courses
Equivalent courses have different subject area prefixes but the same curriculum, learning outcomes, course number, title, abbreviated title, credit hours, prerequisites and/or corequisites, grade type (e.g., A – F, Pass / Fail) and catalog course listings.

Prerequisite(s)
A prerequisite represents prior specific or general academic knowledge, background, or student classification required in order to enroll in a specific course.

Corequisite(s)
A corequisite is a requirement which must be fulfilled concurrently with another course, unless successfully completed as a prerequisite.

Recording and Changing Grades
Grades are recorded by the faculty at the end of each term. No grade may be changed except on a written statement from the instructor certifying that an error has been made, or in the case of an incomplete, that the work was completed within the time limit. All conditions must be removed before the student will be recommended for any certificate or degree.

Schedule Changes
After classes begin, registration for a full-time course load and / or changes in schedules may be made only within the first six class days of a semester or the first three days of a bi-term. Courses that do not meet at least twice during the first six class days may be added through, but not past, the day of the second class meeting. During a semester, a student may withdraw from a course with a grade of "W" or "F" under the following conditions. It is recommended that faculty members inform students of this "W" period deadline.

- A student is permitted to withdraw from any course with a grade of "W" through the midpoint of the semester;
- After the midpoint of the semester, any student dropping a course receives an automatic "F". However, when there are extenuating circumstances, and at the discretion of the faculty member and the department head, the student may be permitted to withdraw with a "W" instead of an "F".

During a bi-term a student may drop a course with a grade of "W" or "F" under the following conditions:
- A student is permitted to withdraw from any course with a grade of "W" through the midpoint of the bi-term;
- After the midpoint of the bi-term, any student dropping a course receives an automatic "F". However, when there are extenuating circumstances, and at the discretion of the faculty member and the department head, the student may be permitted to withdraw with a "W" instead of an "F".

Students should refer to the Registration Guide each term for specific dates that affect schedule changes. The institution reserves the privilege at all times of canceling any course for which the enrollment is not sufficient to justify its continuation and to make any other adjustments in the schedule that seem necessary.

Auditing of Courses
An auditor is a student who enrolls and participates in a course without expecting to receive academic credit. The same registration procedure is followed and the same fees are charged as for courses taken for credit. An audited course is not applicable to any degree or certificate program. Regular class attendance is expected of an auditor. Other course requirements, which may be obtained in writing from the instructor, will vary depending on the nature of the course. Students interested in auditing a course should secure permission from the instructor and discuss course requirements prior to enrolling. Failure to meet course requirements may result in the auditor being withdrawn from the course at the request of the instructor. A successful audit will be recorded on the transcript with the designation of AU. Any change from audit to credit must be done by the last day to add a class. Changes from credit to audit must be done by the last day to drop a class with a grade of "W". Refunds for withdrawals from audited courses will be prorated on the same basis as refunds for withdrawals from courses taken for credit.

Withdrawal from the University
For various reasons it is occasionally necessary for a student to withdraw from the University. Prior to the 70% point of the semester, students may use TopNet to withdraw. After the 70% point of the semester of the semester, the student should report to the Office of the Registrar to initiate withdrawal procedures. Students leaving the institution without an official withdrawal will receive failing grades in all courses in which they are enrolled and endanger their future status in the institution. Students withdrawing after the 70% point of the semester, a bi-term, 5-week session, or comparable period during a summer session must consult with their instructors as to the withdrawal grade. The official date of the withdrawal is the date the withdrawal is processed on TopNet or the written notice is received in the Office of the Registrar. Students wishing to return to WKU at a later date must submit an application for readmission prior to the deadline for submitting applications. Refer to the Registration Guide on the Office of the Registrar’s website for deadlines.

In special circumstances, as described below, a complete withdrawal from the University after the 70% point of a term will be considered. Request forms are available on the Office of the Registrar website at www.wku.edu/registrar/withdrawal.php.

Administrative Withdrawal
A request for an administrative withdrawal is initiated by the University because of a disciplinary situation or when, in the professional judgment of a health care provider, psychologist and/or university administrator, there is reason to believe a student is a substantial threat to him/herself or interferes with the welfare of other members of the University, the education process, or the orderly operation of the University. The Vice President for Student Affairs or the Associate Vice President for Academic Affairs, or their respective designees, will notify the student of the involuntary withdrawal, and the University Registrar will be directed to withdraw the student from all classes in which the student is currently enrolled and cancel registration that has occurred for any future terms. The Office of the Registrar will notify the student’s instructors of the withdrawal, and "W" grades will be recorded for the term in progress. A student who is administratively withdrawn will have a registration hold placed by the Vice President for Student Affairs or the Associate Vice President for Academic Affairs to prevent the student from being readmitted or re-enrolled unless cleared by the appropriate administrator or the respective designee. A student may file a written appeal of an involuntary withdrawal through the office that administered the withdrawal. Tuition refund appeals for administrative withdrawals are
handled in a separate procedure, and instructions may be obtained from
the Bursar's Office.

Medical Withdrawal
A student may request and be considered for a medical withdrawal
from all courses in a term when extraordinary circumstances, such
as a serious physical or mental illness or injury, prevent the student
from continuing his or her classes after the mid-point of a term, and
incompletes or other arrangements with the instructors are not feasible
or possible. A medical withdrawal must be substantiated with appropriate
documentation from the attending health care provider. Once the
rationale for a medical withdrawal has been validated by the Office
of the Registrar, the student's instructors will be sent notification of
the withdrawal, and "W" grades will be recorded for each course. A
student who requests a medical withdrawal, or an individual requesting a
withdrawal on behalf of the student who is physically or mentally unable
to request the withdrawal, should contact the Office of the Registrar to
obtain medical withdrawal procedures. Tuition refund appeals for medical
withdrawals are handled in a separate procedure, and instructions may be
obtained from the Bursar's Office.

Military Withdrawal
Students who are members of any branch of the United States Armed
Services, including the National Guard, who are called to active duty while
enrolled at WKU are entitled to the following options:

1. Students may work with each individual instructor to determine if an
   incomplete grade is appropriate, or
2. If an incomplete grade is not a viable option, the student will be
   permitted to withdraw either from individual courses or from the
   entire schedule of classes. A full refund of tuition and fees will be
   issued for those courses from which the student has withdrawn.

Students who are called to active duty while enrolled should contact
the Office of the Registrar to initiate the withdrawal process. An official copy
of the military orders must be presented to invoke this special withdrawal
and refund process.

Retroactive Withdrawal
A student who leaves the University for extenuating circumstances
without an official withdrawal during the term of departure may apply
for a retroactive withdrawal. The student must present supporting
documentation that demonstrates serious and compelling reasons
justifying the withdrawal and extenuating circumstances justifying its
retroactive nature; poor academic performance that is not attributed
to non-academic extenuating circumstances is not a consideration for
retroactive withdrawal. A student may appeal for a retroactive withdrawal
within two calendar years following the end of the term for which
withdrawal is requested. A student need not be enrolled at WKU at the
time the application for retroactive withdrawal is submitted.

An appellate board will review the request for a retroactive withdrawal.
The board will consider the following factors, including, but not limited to:

1. Documentation of extenuating circumstances.
2. Written letter of support from an academic administrator, faculty
   member, advisor or other university professional who is familiar with
   the student's situation.

If a retroactive withdrawal is approved, the Office of the Registrar will
notify the student's instructors and department heads of the request
for a retroactive withdrawal, and they will be given 14 calendar days to
raise objections if the student's classroom performance was such that a
withdrawal (W) would not be appropriate. If objections are raised by the
instructor or department head, the Office of the Registrar will be informed
of the objection, and the student will not receive a "W" in the class. A
tuition refund is not granted for a retroactive withdrawal.

Thesis, Specialist Project, or Dissertation
Students pursuing a thesis option in a master's or specialist degree
program must complete at least 6 hours of credit in 599-Thesis Research
Writing or 699-Specialist Project, respectively. Students pursuing a
doctoral degree requiring a dissertation must earn a minimum of 9 hours
of credit in 799-Dissertation Research. All thesis, specialist project,
and dissertation hours will use a pass/fail grading system. Thesis &
Dissertation Guidelines (http://www.wku.edu/graduate/students/thesis)
are published by the Graduate School.

All thesis, specialist project, and dissertation hours will be graded pass/
fail. During the time that the thesis, specialist project, or dissertation is
in progress but not yet completed, the director should submit a grade
of IP (In Progress). Upon successful completion of all requirements the
director should request that the grades of IP be changed to grades of P
(Pass). If the thesis project is deemed to be of unacceptable quality by
the thesis director, then the grades of IP should be changed to grades of
F (Fail).

(Approved by Graduate Council 11/8/12)

Research Committee
Students pursuing graduate programs requiring a thesis, specialist
project or dissertation are mentored by a research committee of three
to four members including a chair. A member of WKU's graduate faculty
must serve as the chair. An individual who is not a member of WKU's
graduate faculty may serve on a committee. Students may assist in the
formation of the committee, but final approval of the composition of the
thesis, specialist project, or dissertation committee lies with the Dean of
the Graduate School. Once the committee is identified, then a completed
Committee and Topic Selection form must be submitted for approval to the
Dean of the Graduate School.

Maintaining Matriculation
If the thesis, specialist, or dissertation project is not completed during
the initial period of registration for this credit, the student must maintain
matriculation by enrolling in a minimum of (1) credit hour of a 600
(thesis), 700 (project), or 800 (dissertation) course until the thesis or
project is submitted and approved by the Graduate School. Further,
students must be enrolled in a minimum of one (1) credit hour of
maintaining matriculation during the term in which the defense is held.
Enrollment in matriculation courses does not result in a grade or credit
toward any degree or non-degree program.

Defense
A defense covering the thesis, specialist project, or dissertation must
be completed if required by the degree program. The defense usually
consists of a public presentation and an oral examination of the
candidate's research and academic preparation. The defense is arranged
by the committee chair and the student, and is given before the final draft
is completed. Each member of the committee should be given a minimum
of two (2) weeks notification before the defense to read and review the
research. Following the approval of defense by the student's committee,
the thesis, specialist project, or dissertation is submitted to the Graduate
School for final approval and publication. Submission Deadlines (https://www.wku.edu/graduate/students/thesis) are posted annually.

**Outcome**
Students will pass the defense if no more than one member casts a dissenting vote. If a student does not pass this culminating assessment, the committee may grant a student permission to attempt a second defense which will be administered under conditions stipulated by the committee. A student who has failed the defense may be re-examined once more by the committee. Failure to pass the second defense may result in dismissal from the program. Students who are dismissed from the program due to a failed defense are ineligible to reapply for the same graduate degree program at any time in the future.

**Comprehensive Examination/Capstone**
All graduate degree programs require satisfactory completion of either a written or oral examination or an approved capstone course. The comprehensive exam and thesis/specialist project/dissertation defense may be combined in those degree programs that require a defense. Examinations for professional licensure or certification cannot be used for, or in place of, the comprehensive examination/capstone. Students must meet the following guidelines before they are permitted to attempt the comprehensive examination:

- File an approved program of study with the Graduate School;
- Complete at least one half of the course work hours in an approved program;
- Have no more than 9 hours remaining in the approved program;
- Complete additional requirements as specified in writing by faculty in the program department.

For thesis/specialist project/dissertation students, the oral examination committee will be the approved research committee. For non-thesis students, the major advisor, in consultation with the student, appoints the oral examination committee consisting of at least two graduate faculty members. If the student's program includes a concentration, or a significant amount of course work in an area outside the major program, one of the committee members must represent that area. It is the student's responsibility to ensure that all committee members are available when scheduling an examination.

The comprehensive exam is graded pass/fail determined by a majority committee vote. The research committee chair is responsible for submitting the results of the comprehensive examination/capstone to the Graduate School. For non-thesis students, the primary advisor is responsible for submission.

**Minimum Registration**
A student must be registered for a minimum of one (1) credit during the term in which the comprehensive exam/capstone is completed.

**Outcome**
A student who has failed the comprehensive examination may be re-examined once more by the committee. Failure to pass the second comprehensive examination may result in dismissal from the program. Students who are dismissed from the program due to a failed comprehensive examination are ineligible to reapply for the same graduate degree program at any time in the future.

---

**Degree and Certificate Completion Checklist**
All degree and certificate requirements must be completed by the student by the last day of the term. The Graduate School begins auditing degrees and certificates for completion the week following the final day of the term. The degree audit confirms that the student has:

1. applied for graduation;
2. completed all coursework (earning a "C" or higher/no incomplete grades) on the approved Program of Study within the time limit;
3. completed a comprehensive exam/capstone (degrees only);
4. submitted a thesis, specialist project, or dissertation approved by the Graduate School (if required);
5. earned a minimum cumulative and program GPA of 3.0; and,
6. met all financial requirements.

Degree audits are completed within four to six weeks after the term concludes. Upon recommendation of the audit, the University Registrar confers the degree and/or certificate in May, August, or December. Students may check their transcript for completion on TopNet (https://acsapps.wku.edu/pls/prod/twbkwbis.P_WKULogin?ret_code=5) (Student Services/Student Records/Unofficial Academic Transcript). Degrees and certificates will be mailed within 3-6 weeks after the conclusion of the term. The Graduate School does not confirm degree or certificate completion prior to award; however, enrollment verification (http://www.wku.edu/registrar/enrollment_verification.php) may be requested.

1 Graduate tuition and fees are assessed per credit hour based upon the course (i.e. on-campus or distance learning). There is no full-time graduate rate except for Professional MBA students.

Included within the above rates are a $218 Student Athletic Fee, $62 Student Centers Fee, $70 Dero Downing Student Union renovation fee, and $30 Parking Structure Fee, Creason. The fees are prorated to part-time graduate students on a per hour basis. These fees do not apply to the Distance Learning rates, Kentucky P-12 Educator, or Professional MBA.

The Distance Learning Course rate is for all part-time students, regardless of residency, enrolling in on-line, web-based courses. Students enrolled exclusively in distance learning courses will be assessed the distance learning per hour rate regardless of the number of hours enrolled. There is no full-time distance learning rate.

Residency

The determination of residency for admission and tuition assessment is governed by state regulation 13 KAR 2:045 (http://lrc.ky.gov/kar/013/002/045.htm). As required by this regulation, WKU also has an approved Residency Policy (http://www.wku.edu/policies/docs/254.pdf).

Graduate students who are residents of Macon, Robertson, and Sumner counties in Tennessee are eligible to pay in-state tuition by virtue of a reciprocity agreement. Additionally, Kentucky, along with 14 other southern states, participates in the Academic Common Market (http://home.sreb.org/acm/choosestate.aspx) -- an interstate agreement for sharing non-duplicate academic programs. A resident of an Academic Common Market state who has gained admission into a qualifying program can enroll and pay Kentucky resident tuition upon certification by their state's Academic Common Market coordinator.

Program Fees and Expenses

It is the responsibility of the student to consult with the appropriate department/school about potential expenses required for program completion. Examples of expenses for various programs include, but are not limited to criminal background checks and drug testing, liability insurance, certifications, training seminars, transportation, specialized equipment rental, licensure exam fees, and so forth.

Doctoral Program Fees

In addition to the program tuition rates, students must pay the following doctoral fees:

- Doctor of Nursing Practice (MSN-DNP Concentration), $221 per credit hour
- Doctor of Physical Therapy, $300 per semester
- Doctor of Psychology, $202 per credit hour

Course Fees

Occasionally an additional fee is charged for a specific course. Refer to the Course Fees Chart (http://www.wku.edu/bursar).
Schedule Change Fee  
A $50 schedule change fee will be assessed per course for student-initiated schedule changes. Effective dates for the fee are printed in each term’s Registration Guide (http://www.wku.edu/registrar).

Late Registration Fee  
Students who delay their registration until the first day of class or thereafter will be assessed an additional $50 late registration fee.

Application for Graduation Fee  
Candidates for graduate degrees and certificates must complete the Application for Graduation available through TopNet and pay the appropriate fee the semester prior to program completion. The fee covers the cost of cap and gown, diploma, and other necessary expenses. Applications not received by the Registrar’s Office by the due date will result in the omission of the student’s name from the commencement booklet. Degrees are conferred in December, May, and August. Commencement ceremonies are held in May and December. August graduates may participate in either the preceding May or following December commencement ceremony.

Transcript Fee  
A $10.00 fee is charged for an official transcript. Official transcripts may be ordered through the Office of the Registrar (http://www.wku.edu/registrar).

Payment  
WKU Office of Billings & Receivables
Potter Hall, Room 208  
Monday - Friday, 8:00 a.m. – 4:00 p.m. (Summer hours may vary)

All tuition, housing fees, course or laboratory fees, meal charges, and other assessments, fees and charges are due and payable in accordance with the statements rendered by the appropriate university office.

- Cash, check or money order is accepted.
- Payments must be made in U.S. dollars drawn on a U.S. bank.
- Checks should be made payable to Western Kentucky University (postdated checks cannot be accepted).
- Credit card payments cannot be accepted via phone, on the electronic billing statement, or in the office. Please refer to the Credit Cards and Electronic Payments options below.

Tuition, housing fees, meal plans and other student charges must be paid on the date a student registers or on other dates as specified by the Office of Billings and Receivables. Payment of fees will not be deferred, unless the student participates in one of the approved payment plans as described in the “Payment Plans” section below.

The University expects the students to be financially responsible and not be delinquent in financial obligations to the University or to any department or division of the University. If a student registers and decides not to attend, the student must withdraw from all classes prior to the first day of classes on TopNet or by notifying the Office of the Registrar in writing to ensure that the student will not owe tuition and late payment fees and receive “F” grades. The student is responsible for his or her own enrollment status.

A student who fails to meet a financial obligation by the due date of the notice from the appropriate university official will be subject to regulations promulgated by the University. If the student does not settle the obligation by the date designated on the notice, the appropriate business office shall notify the Registrar. After the Registrar has been notified that a student is delinquent, the Registrar shall not allow the student to register or to obtain an official transcript or diploma until the Registrar has been notified that the obligation has been settled.

The University expects all students to register for classes and pay tuition prior to the first day of class. A late payment charge of $100 may be assessed for failure to pay by the designated due date. Failure to receive a bill does not relieve the student of the obligation to pay tuition and fees by the due date. The University does not mail printed billing statements. All billing is electronic with students receiving notifications through their university-assigned email addresses. As an added service, students can also select a billing email address via TopNet so they can have their account statements sent to an additional email address.

In the event that any tuition, fees and/or expenses are not paid when due, and the University undertakes collection of any unpaid portion, the student shall also be assessed and be responsible for any collection costs and/or fees associated with the collection of the debt including but not limited to: collection agency fees, which may be based on a percentage at a maximum of 33.3% of the debt, reasonable attorney’s fees, court costs and all other charges allowed by law. Delinquent accounts receivable are placed with a collection agency and/or the Kentucky Department of Revenue and collection fees will be added, increasing the amount owed. Accounts will also be reported to the National Credit Bureaus.

Checks  
Mail the bottom portion of your invoice with your check or money order. Please make sure your student identification number is written on the check or money order. Always allow at least seven to ten business days when paying by mail. Please do not mail cash. All checks should be made payable to Western Kentucky University. Always return the bottom portion of the invoice. The University uses a bank-processing center in Charlotte, North Carolina for faster processing. Mail check payments to:

Western Kentucky University  
P.O. Box 890784  
Charlotte, NC 28289-0784

Payments being sent by overnight/express (such as Fed-Ex, etc.) should be sent directly to:

Billings and Receivables Office  
Western Kentucky University  
1906 College Heights Blvd #11022  
Bowling Green, KY 42101-1022

Credit Cards  
Because of high service and processing costs, the Billings and Receivables Office at WKU does not accept credit cards as a method to pay student account charges such as tuition, fees, room and board. We believe the savings realized by the University can be better utilized for academic endeavors. Credit cards will continue to be accepted at campus locations other than the Billings and Receivables Office.

We have contracted with Nelnet Campus Commerce, formerly known as Tuition Management Systems (TMS), to allow students to pay their bill with a Visa, Mastercard, Discover or American Express credit card for a convenience fee of approximately 2.75 percent of the amount of the payment.
To make a credit card payment with a convenience fee online, visit wku.afford.com (http://wku.afford.com). Scroll down to "Make a One-Time Payment", choose Western Kentucky University, and then click on "Make a One-Time Payment." Note: You will be prompted to enter your WKU Student ID number. You can make a credit card payment with a convenience fee via telephone by contacting TMS at 800-722-4867. (Note: At the menu, please press 1.)

Electronic Payments
Make an electronic payment from your checking or savings account without a convenience fee. Visit wku.afford.com (http://wku.afford.com), scroll down to "Make a One-time Payment", choose Western Kentucky University, and then click on "Make a One-Time Payment". You will be prompted to enter your WKU Student ID number. You can make an e-check payment via telephone by contacting Nelnet Campus Commerce/TMS at 800-722-4867. (At the menu, press 1 to make a one-time payment.)

International Payments (Flywire)
Western Kentucky University has partnered with Flywire to offer an innovative and streamlined way to make a payment from your home country. Founded by a former international student, Flywire's mission is to save money for international students and their families that would otherwise be lost on bank fees and unfavorable foreign exchange rates.

With Flywire, international students receive the following benefits:

- excellent foreign exchange rates, allowing payments to be made in a student's home currency (generally)
- payment tracking through the transfer process via a student dashboard
- email confirmation when payment is received by the school
- fast and secure payments
- assurance that the exact payment amount sent is the same amount received by the University (no hidden bank fees)
- options may include bank transfer, debit/credit card in your home currency, electronic payment, or other local options.

Flywire Customer Support Information:
Phone: 617-207-7076
US Toll-Free: 1-800-346-9252
Email: support@flywire.com
Web: https://www.Flywire.com/help

No matter your time zone, Flywire will have a dedicated multilingual customer support team available to you via live chat, email and phone to answer any of your questions.

Depository
Your payment may be placed in the depository located outside of the second floor entrance of Potter Hall. Always include the bottom portion of your invoice statement with your check or money order when using the depository. It is important that your student identification number is written on the check or money order. Please allow two to three business days for depository payments to post to your account. Please do not place cash in the depository.

Payment Plans
Western Kentucky University offers manageable interest-free monthly payment plans through our partnership with Nelnet Campus Commerce, formerly known as Tuition Management Systems (TMS). Students and their parents have the option of choosing a semester payment plan for the current semester in which the student is enrolled. Payment plans are not available for the winter or summer terms.

For the Fall 2019 semester, we will offer the following interest-free payment plans:

1. 5-pay - Payments due June 1, July 1, August 1, September 1, and October 1
2. 4-pay - Payments due July 1, August 1, September 1 and October 1
3. 3-pay - Payments due August 1, September 1 and October 1
4. 2-pay - Payments due September 1 and October 1

For the Spring 2020 semester, we will offer the following interest-free payment plans:

1. 5-pay - Payments due November 1, December 1, January 1, February 1 and March 1
2. 4-pay - Payments due December 1, January 1, February 1 and March 1
3. 3-pay - Payments due January 1, February 1 and March 1
4. 2-pay - Payments due February 1 and March 1

Enrollment Fees for the Payment Plans: A non-refundable application fee of $45 is required for each semester payment plan enrollment. This fee must be included with the completed enrollment form. The payment plan enrollment includes personal account service, automated account information 24 hours a day, and access to your account through wku.afford.com (http://wku.afford.com). Visit wku.afford.com (http://wku.afford.com) or call 800-722-4867 for more information on payment options, free education payment counseling and the many ways they can help you afford education. If you need additional assistance or wish to contact the University about these matters, please contact the WKU Billings and Receivables Office at (270) 745-6381.

Tuition and Fee Refund Policy
Tuition refunds or reductions in outstanding fee liabilities for students who officially withdraw through the Registrar's Office or TopNet, or who change their status from full-time to part-time or further reduce their part-time status through drop/add will be made according to the posted Refund Policy (http://www.wku.edu/bursar/refund_policy.php) and schedules. The refund percentage is applied to the number of credit hours dropped, not the dollar amount of the tuition and fees assessed. The refund policy is subject to change based upon federal regulations or by Western Kentucky University without prior notice.

Refunds via BankMobile Disbursements - The "ONLY" Way to Select How You Will Receive University Refunds
Western Kentucky University has partnered with BankMobile Disbursements to deliver financial aid refunds and other credit balances to students. All refunds are disbursed through BankMobile Disbursements. Upon registration, students will be mailed a unique personal code in a bright green envelope. Students will use the unique personal code to select their refund preference.

Refunds are delivered to students by the option that they choose when selecting their refund preference by logging in at my.wku.edu and clicking on BankMobile under Campus Information:

1. Electronic deposit to an existing bank account of your choice.
2. Electronic deposit to BankMobile Vibe, an optional account.

The University will not issue refund checks, so students must choose an option for receiving any refunds due to them. The funds are sent from the
University to BankMobile Disbursements who then disburses the refunds according to the choice a student has made during the selection process. For questions about the refund selection process please contact the Refund Office (refunds@wku.edu), (270) 745-5551.

**Graduate Assistantships**

www.wku.edu/graduate/aid
graduate.school@wku.edu
The Graduate School
Wetherby Administration Building 207
(270) 745-2446

Programs of graduate study are designed to transform students into knowledgeable practitioners and/or professional scholars. Graduate assistantships do not constitute a contract of employment. Assistantships are awarded given to our most outstanding students. The assistantship provides necessary support for graduate students to complete their degree program. Research, teaching, and related activities conducted by graduate assistants are a required and essential part of their degree program. Assistantships are designed to enhance the educational experience of graduate students and increase their competitiveness for doctoral programs and/or careers.

The graduate assistant is first and foremost a graduate student. As a student, the graduate assistant must be a student in good academic standing and be making significant progress toward completion of their graduate degree. The student as a graduate assistant is directed and mentored by a faculty member.

Graduate Assistantship appointments available are:

1. **Graduate Research Assistantship (GRA)** – A Graduate Research Assistant conducts research/scholarly activities under the guidance and direction of a faculty member. The Graduate Research Assistant develops and applies conceptual and theoretical ideas, practices, or methods to their discipline-based scholarship.

2. **Graduate Teaching Assistantship (GTA)** – A Graduate Teaching Assistant provides direct support for the teaching mission of the unit. Graduate Teaching Assistants may serve as discussion leaders, graders, leaders of laboratory sections, and may assist in capacities such as preparation of assignments, and other administrative duties necessary for course instruction. (See Academic Affairs Policy 1.3070)

3. **Graduate General Assistantship (GGA)** – A General Graduate Assistant engages in scholarly activity in a capacity related to their degree program, but not defined as research or teaching.

4. **Graduate Assistant Instructor (GAI)** – A Graduate Assistant Instructor supports the teaching mission of the unit in a more advanced capacity than a teaching assistant by serving as instructor of record for a lower division course or courses (numbered 100-299). (See Academic Affairs Policy 1.1130)

**Requirements for Appointment**

Students wishing to apply for an assistantship should contact their academic department. The following general requirements must be met for consideration as a graduate assistant:

1. Graduate Assistants must carry a minimum of six credits during each semester they receive an assistantship unless they are in the final semester of their degree program.

2. Graduate Assistants must be enrolled in a graduate degree program. Non-degree graduate students and graduate students in a certification or certificate program only are not eligible for assistantships or tuition remission.

3. Graduate Assistants must dedicate a minimum of 10 hours per week and a maximum of 20 hours per week during Fall and Spring semesters.

4. The combined load of teaching responsibilities and graduate course enrollment may not exceed 15 hours per semester. Teaching responsibilities may not exceed 6 hours.

5. During the summer term, graduate assistants must be enrolled in at least 1 hour of graduate credit during any summer session.

6. Graduate Assistants are eligible for tuition remission.

7. Graduate Assistant Instructors (GAI) must complete the Graduate Assistant Teaching Institute (GATI) offered through the Center for Innovative Teaching and Learning (CITL), or a similar departmentally-administered program approved by the CITL.

8. Graduate Assistant Instructors (GAI) must receive regular in-service training, which may be completed by participation in seminars offered by the Center for Innovative Teaching and Learning (CITL) or with departmentally-based mentoring to assist the student in the teaching process.

9. Students must complete a Graduate Assistantship Agreement form with approval from the faculty member directing the assistantship, the hiring department head, and the academic department head (if different than the hiring department) granting the assistantship.

To receive maximum consideration, and prevent delay of stipend payment and posting of tuition scholarship, the agreement form should be received in the Graduate School by deadline dates posted on the Graduate School website.

**Continuation**

Graduate assistants may be appointed for one academic year or for one semester with the possibility of renewal. Continuation of the assistantship is contingent upon the following:

1. Satisfactory progress toward the degree

2. Maintaining a 3.0 or better cumulative GPA

3. Completing graduate courses at the rate expected for a full-time student

4. Fulfillment of duties as determined in the assistantship appointment

5. An approved new agreement from the department.

The progress of the graduate assistant will be evaluated at the end of each semester to determine his/her eligibility to continue in the position for the term of appointment. Academic department heads and college deans reserve the right to recommend termination of a graduate assistantship appointment if the student is not fulfilling the terms of appointment. The Dean of Graduate School will make the final decision on continuation and termination.

**Remuneration**

Graduate assistantship stipends are funded from the instructional budget of the University or from grants/contracts. Stipends are considered taxable income. The half-time (20 hours per week) assistantship generates a full stipend and the quarter-time assistantship generates a half stipend. Checks are issued monthly with students normally receiving checks four each semester. Receipt of the initial check is dependent upon when the student signs necessary tax forms in the appropriate college dean’s office. A graduate assistant identification card (ID) card will be
issued which entitles the graduate assistant to a 20% discount on most purchases at the University Bookstore, excluding books.

**Tuition Remission**
Graduate assistants are responsible for their in-state tuition for on campus courses and the Distance Learning Course tuition fees for any online course; however, the out-of-state and international portion of the tuition for non-resident and international students is paid by the University during the period of appointment. In many cases the resident portion of the graduate assistant’s tuition is also paid.

**Rights & Responsibilities of Graduate Assistants**
Graduate assistants are expected to observe the guiding principles of the University as described in the Faculty Handbook section on ‘Academic Information’, in the WKU Student Handbook, and by the Graduate School. In addition, the following statements of rights and responsibilities apply to graduate assistants:

1. Graduate Assistants are responsible for meeting academic requirements in their respective degree programs.
2. Students are responsible for meeting the assistantship responsibilities as outlined in the Graduate Assistantship Agreement.
3. Graduate assistants must attend orientations conducted by the Graduate School, the academic college, or the department, and must participate in departmental training activities.
4. If problems or conflicts arise in the performance of duties or pursuit of the degree, the graduate assistant should discuss the situation with his/her graduate advisor. If the problem is not resolved at that level, then the problem should be taken through the following levels until a resolution is reached: the department head, the appropriate college dean, and finally to the Dean of the Graduate School.
5. The graduate assistant assumes responsibility to notify the supervisor if the term of appointment cannot be completed. A letter of resignation must be submitted to the department head, the departmental graduate advisor, the college dean, and the Dean of the Graduate School no later than two weeks before his/her leaving the position unless emergency conditions exist. Resignation will forfeit all remaining stipend payments.
6. If an assistant is terminated before the final date of the assistantship, the graduate assistant will be notified by letter from the Dean of the Graduate School no later than two weeks prior to termination.
7. The graduate assistant is invited to submit to the department head suggestions concerning the assistantship experience during the evaluation procedure at the end of each semester.
8. All graduate assistants are expected to demonstrate personal honesty and professional integrity.

**Other Graduate Student Funding**

**Research and Travel Grants**
Graduate students are invited to submit proposals to the Graduate School to support their research or travel to present their scholarship at professional/discipline-based meetings. Funds are made available on a competitive basis.

**Alumni Grant Program**
An alumni grant scholarship is available to any qualified nonresident student whose parent, stepparent, or grandparent holds an associate, baccalaureate, master’s, doctoral, or specialist degree or has completed a certificate program from Western Kentucky University. Residents of Kentucky are not eligible for the Alumni Grant.

**Distinguished Minority Fellows Award**
WKU is committed to assisting individuals from underrepresented minority groups in obtaining their higher education goals. The Distinguished Minority Fellows Award is designed to help minority students attain graduate degrees by providing tuition support and a stipend through a graduate assistantship. Applications are accepted once annually in the spring for admission in the following fall semester.

**Senior Citizen Scholarship**
Kentucky residents who are 65 years of age or older, on or before the day the semester begins, are granted Senior Citizen Scholarships for any college class in which they enroll for credit or to audit in accordance with KRS 164.284. A senior citizen (65 years or older) who holds a bachelor’s degree may be admitted to the Graduate School as a non-degree student or may pursue admission to a specific degree program.

**Veterans Administration Benefits**
Some of the programs offered by Western Kentucky University have been approved by the Kentucky Approving Agency for Veterans Education for persons eligible to receive VA educational benefits. Several categories of educational benefits are available including the Montgomery GI Bill, both Chapter 30 (active duty) and Chapter 1606 (reserve/national guard), Chapter 35 (Dependents Educational Assistance Program), Chapter 32 (Veterans’ Educational Assistance Program) and Chapter 31 (Vocational Rehabilitation). Contact the Veteran’s Coordinator at (270) 745-3732 for assistance.
College of Education and Behavioral Sciences

Dr. Corinne M. Murphy, Dean
2038 Gary A. Ransdell Hall
(270) 745-4662
cibs@lists.wku.edu
www.wku.edu/cebs

Mission

The College of Education and Behavioral Sciences is composed of the School of Teacher Education; the Educational Leadership Doctoral Program; and the Departments of Counseling and Student Affairs; Educational Administration, Leadership, and Research; Military Science and Leadership; and Psychology. In addition, the College provides services to the community through the Center for Gifted Studies; the World Council for Gifted and Talented Children; Training and Technical Assistance Services; the Center for Environmental Education and Sustainability; the Center for Excellence in Teaching and Learning - Models in Innovation; the Center for Literacy; the Center for Innovation in Math, Science, Engineering, and Technology Educational Excellence; the Renshaw Early Childhood Center; the Kelly Autism Program, housed in the Suzanne Vitale Clinical Education Complex, and the Talley Family Counseling Center, located in Gary Ransdell Hall. The College also houses the Center for the Study of Lifespan Development.

Graduate programs are offered in educational leadership, school counseling, mental health counseling, marriage and family therapy, student affairs, educational administration, elementary education, business and marketing education, gifted studies, middle grades education, secondary education, science and mathematics education, environmental education, interdisciplinary early childhood education, special education, library media education, literacy education, adult education, general psychology, clinical psychology, and school psychology. The College's programs are designed to prepare graduates for roles as teachers and school leaders, as well as for roles in business, clinical agencies, government, and industry.

Master's, education specialist, and doctoral degree programs are described in this catalog, while information about baccalaureate programs are described in the undergraduate catalog. Those interested in any of these programs should contact the head of the appropriate department or the College of Education and Behavioral Sciences Dean's Office. In addition, information about each department and program may be found on the College's website: www.wku.edu/cebs. (http://www.wku.edu/cebs)

Admission to Professional Education

Admission to professional education requires that the student:

1. File an application for admission to professional education.
2. File a statement indicating no convictions or pending charges on a felony or a sexual misconduct misdemeanor.
3. Submit documentation of a completed physical exam, TB test or assessment, and criminal background check, all dated within one year prior to admission to teacher education.
4. Submit an appropriate photograph for the teacher admission file.
6. Complete teacher admission standardized testing requirement for demonstration of basic skills by satisfying the indicated cut-off score(s) for one of the following:
   a. As of September 1, 2014 the required test is the PRAXIS Core Academic Skills for Educators (CASE) with minimums of 156 in Reading, 162 in Writing, 150 in Math.
   b. Prior to Sept. 1, 2014 the Pre-Professional Skills Test (PPST) with minimums of 174 in Mathematics, 176 in Reading, and 174 in Writing
   c. The Graduate Record Exam (GRE) with a minimum 150 Verbal, 143 Quantitative, and an Analytical Writing score of at least 4.0

Required of graduate students seeking initial certification (in addition to the requirements for all students):

1. Document a minimum overall GPA of at least 2.75 (counting all course work completed at the time of admission to teacher education), or a minimum GPA of at least 3.0 in the last 30 hours including all undergraduate and graduate coursework.
2. Submit a copy of an approved Program of Study for a program leading to initial certification.

Admission Requirements for Graduate Programs Leading to Initial Certification

In order to be admitted to professional education and be recommended for initial certification after program completion, graduate students must be admitted to a program and possess an overall undergraduate GPA of 2.75 or higher, or a cumulative GPA of at least 3.0 in the last 30 hours (graduate and undergraduate coursework). Specific programs may impose higher minimum GPA requirements as well as other requirements for program admission, and candidates for degrees must maintain a minimum 3.0 GPA overall and in the graduate major in order to receive a degree. Contact program advisor for program-specific requirements.

This policy applies to some or all students in the following programs:
MAT: Interdisciplinary Early Childhood Education, Birth to Primary, Initial Certification; M S: Library Media Education; MAT: Special Education Initial Certification-Learning and Behavior Disorders; EdS: School Psychology; and MAT: Middle Grades/Secondary Education - Alternate Route to Teacher Certification.

Alternate Admission

Applicants seeking admission to any degree program, other than the Ed.D., without the qualifying GAP score may apply under one of the following alternatives:

Alternative 1
1. Submit a professional portfolio,
2. Submit professional letters of recommendation,
3. Successfully complete three years of classroom teaching,
4. Submit to an interview, and
5. Meet all other university, college, and department requirements.

Alternative 2
1. Possess a master's degree from an accredited institution,
2. Have a GPA of 3.2 or higher on all graduate work,
3. Have NTE scores (Communication Skills 646 and General Knowledge 643) or 50th percentile or higher on the Miller's Analogy Test,
4. Have three years of successful teaching experience,
5. Submit directly to the department the following:
   a. Department application
   b. Written personal statement
   c. Three professional recommendations, and
5. Meet all other university, college, and department requirements.

Alternative 3
1. Possess a master’s degree from an accredited institution,
2. Have a GPA of 3.4 on all master’s degree course work,
3. Have acceptable GRE scores,
4. Have three years of successful teaching experience, and
5. Participate in an interview by the Educational Administration, Leadership, & Research Admission Committee. Interviews may be held prior to each regular enrollment period and will focus on determining the candidate’s written and oral communication skills as well as potential for success as an educational leader. Questions related to the interview should be directed to the Educational Administration, Leadership, and Research office, (270) 745-4890, and
6. Meet all other university, college, and departmental requirements.

Alternate Route to Teacher/Principal/ Superintendent Certification

The College of Education and Behavioral Sciences offers approved Alternate Route to Teacher Certification programs in the following areas:

1. Biology Education (Grades 8-12)
2. Business and Marketing Education (Grades 5-12)
3. Chemistry Education (Grades 8-12)
4. Chinese Education (Grades P-12)
5. Earth and Space Science Education (Grades 8-12)
6. English/Allied Language Arts Education (Grades 8-12)
7. French Education (Grades P-12)
8. German Education (Grades P-12)
9. Mathematics Education (Grades 8-12)
10. Middle Grades Education (with certification in two of the following content areas: Language Arts, Social Studies, Science, Mathematics; or with single subject certification in Science or Mathematics) (Grades 5-9)
11. Music Education (Integrated, Instrumental, Vocal) (Grades P-12)
12. Physics Education (Grades 8-12)
13. Social Studies Education (Grades 8-12)
14. Spanish Education (Grades P-12)
15. Special Education, Learning, and Behavior Disorders (Grades P-12)

Further information about the Alternate Route to Teacher Certification (ARTC) programs may be found at www.wku.edu/educatorservices/artc/index.php or by contacting the Office of Professional Educator Services at (270) 745-4897. Applicants to ARTC programs must meet all standard program admission requirements as well as additional requirements; further details are provided in the departmental sections for Middle Grades Education, Secondary Education, and Special Education. Those admitted to ARTC programs may be eligible for a recommendation for a one-year temporary provisional teaching certificate, renewable for two additional one-year terms.

At the time of admission to an ARTC program, students will be expected to sign a document to signify their understanding of and agreement to abide by the following expectations:

1. The student must maintain a minimum GPA of 3.0. If the semester GPA drops below 3.0, the student may be dropped from the program or, with evidence of extenuating circumstances and at the discretion of the program faculty, the student may be allowed to remain on a probationary status. If the student's GPA falls below 3.0 for a second time, the student will be dropped from the program.
2. The student must be continuously enrolled (Fall, Spring, and Summer terms), completing a minimum of 3 hours per term unless prior approval of the program advisor is obtained. Regardless of hours completed in any given semester, the student must complete all degree requirements within three years from the date of the notice of eligibility to be issued the initial temporary provisional certificate.
3. In addition to satisfactory academic achievement, the student must demonstrate acceptable professional behavior in all school settings.

The college also offers approved Alternate Route to Principal Certification and Alternate Route to Superintendent Certification programs. Further information about these programs may be found in the departmental section for the Department of Educational Administration, Leadership, and Research.

Field Experience Policy

WKU teacher preparation programs are designed to meet the University's standards for baccalaureate degrees, master's degrees, specialist degrees, and certification-only programs, as well as the Kentucky standards for the designated teaching certificate. All professional education programs require completion of a variety of diverse and focused field experiences in appropriate off-campus Primary-Grade 12 school settings as well as student teaching or equivalent experience. The number of required hours of field experiences varies by program; however, a minimum of 200 hours of approved off-campus field experience is required in professional education courses prior to the student teaching experience or equivalent. The candidate is responsible for documenting completed hours, date, and setting. In addition, all programs require one 16-week or two 8-week full-time student teaching placements for a minimum of 70 days in an instructional setting, or approved equivalent. Every effort is made to provide teacher candidates with field experiences in diverse settings (based on socioeconomic status, race/ethnicity, language, and exceptionalities of students) in order to ensure that they are prepared to help all students learn. Prior to visiting any school, a student must have on file in the Office of Professional Educator Services a current TB risk assessment, a current physical exam, and a current criminal background check. Students are responsible for the expenses incurred in complying with this requirement.

Recommendation for Initial Teacher Certification

To be recommended for initial certification at the baccalaureate level (including post-baccalaureate certification-only programs), an applicant must document:

1. Completion of approved program in each desired certification area(s);
2. Passing score(s) on the PRAXIS II exam(s) or other assessments required for each desired teaching area(s) (see www.ets.org/praxis/ky (http://www.ets.org/praxis/ky) for the most current list of required assessments);
3. Achievement of at least a 2.75 GPA overall, in each certifiable major(s) and minor(s), and in professional education courses (graduate students are required to maintain a 3.0 GPA or above in all graduate coursework);
4. Attainment of at least a "C" in all professional education courses, including EDU 489 and student teaching.

### Comprehensive Examination/Culminating Assessment/Capstone Experience

All CEBS master's programs require completion of a culminating assessment, such as a thesis and thesis defense; an action research project and presentation; a teacher work sample; or a comprehensive exam. General information regarding the policy for eligibility and administration of comprehensive exams may be found at www.wku.edu/cebs/programs/graduate. Eligibility requirements include successful completion of EDFN 500 or other research foundations course prior to the student's final semester.

### Policy on Expiration of Graduate Courses and Programs Leading to Professional Education Certification

The following policy applies only to graduate certification-only programs, endorsement programs, Planned Fifth-Year (Rank II) programs, and Planned Sixth Year (Rank I) programs:

Course work for programs leading to certification in professional education must be aligned with current standards. Some older courses are not aligned with current standards, and thus it may not be appropriate to count them in a student’s program. Generally speaking, courses used to satisfy program requirements in programs leading to professional education certification should be no more than 10 years old at the time that the certification program is written. Decisions about whether older courses may be used will be made on a case-by-case basis by the department head of the student’s major. Students may be required to demonstrate proficiency related to current course content if they wish to satisfy program requirements using courses taken more than 10 years prior to when the student’s program of studies is written. All requirements for graduate certification-only, endorsement, Planned Fifth-Year, and Planned Sixth-Year programs must be completed within 10 years from the date when the program was written. Students may request an extension, which must be approved by the Dean of the College of Education and Behavioral Sciences on recommendation of the department head.

If the Commonwealth of Kentucky makes changes in certification requirements, students seeking certification may be required to modify their programs of study to meet the new requirements.

### Non-Degree Programs

Students who wish to pursue a Planned Fifth-Year/Rank II or Planned Sixth-Year/Rank I program must submit an application to the Graduate School. Upon completion of the non-degree program, individuals must contact the certification officer in the College of Education and Behavioral Sciences. The certification officer will then certify to Kentucky’s Education Professional Standards Board that rank requirements have been met. Enrollment in a Planned Sixth-Year/Rank I program may not provide eligibility for a federal student loan, and completion of a Planned Fifth/Sixth-Year non-degree program may not be accepted in states other than Kentucky in determining pay status. Additional information about teacher certification may be found at www.wku.teacherservices/teacher_cert/index.php.

Candidates for the Planned Fifth-Year/Rank II, Planned Sixth-Year/Rank I, Advanced Certification, or Endorsement should furnish the WKU Office of Professional Educator Services the following documents:

1. A completed Application for Kentucky Teacher Certification or Change in Salary Rank (CA-1),
2. Official transcripts of all graduate and undergraduate course work,
3. Verification by the superintendent or personnel director of full-time classroom teaching experience at the appropriate grade level(s), and
4. Passing PRAXIS II Specialty Area test scores for each area of certification and the Principles of Learning and Teaching test score for appropriate grade range (if applicable).

### Planned Fifth-Year/Rank II Programs

The School of Teacher Education provides Planned Fifth-Year/Rank II programs in Elementary Education for Teacher Leaders, Middle Grades Education for Teacher Leaders, and Secondary Education for Teacher Leaders for students who do not meet the admission requirements of a degree program or who want greater flexibility with regard to time allowed for completion, transfer limitations, and selection of courses than is permitted in degree programs.

Admission to a Planned Fifth-Year/Rank II program requires completion of a baccalaureate degree and documentation of certification or eligibility for certification consistent with the desired Planned Fifth-Year/Rank II program. According to state regulations, an applicant may be admitted to a program in a professional education specialty for which the applicant's certification was issued, in an academic subject for which the applicant's certification was issued, or in professional education with emphasis in an academic subject for which certification was issued.

Although the Planned Fifth-Year/Rank II program does not result in the master’s degree, it does result in Rank II salary classification in Kentucky, renews the teaching certificate, and permits entry into some Planned Sixth-Year/Rank I programs.

### General Guidelines

(See specific program requirements described in the listings for the School of Teacher Education.)

1. A minimum of 32 semester hours of graduate courses must be completed, with a minimum GPA of 2.5;
2. In order to be recommended for certification and/or rank change after completing a non-degree certification-only program, students must complete at least one-half of the minimum program hours in residence at Western Kentucky University. Exceptions may be permitted in the case of programs for which contractual arrangements have been made with other institutions for the delivery of course work. With the approval of the advisor and the certification officer, the remaining hours may be taken at other institutions, provided that the grades earned are "B" or higher and other transfer regulations are met;
3. A minimum of 12 hours must be in professional education courses, and a minimum of 9 hours must be in cognate areas;
4. Course work taken by correspondence is not accepted; and
5. With prior advisor approval, a maximum of 12 hours of professional development credit may be applied to the program requirement.
Planned Sixth-Year/Rank I Programs

The School of Teacher Education offers Planned Sixth-Year/Rank I programs in Elementary Education, Middle Grades Education, Secondary Education, Library Media Education, and Interdisciplinary Early Childhood Education. The Department of Counseling and Student Affairs offers a Planned Sixth-Year/Rank I program in Guidance, and the Department of Educational Administration, Leadership, and Research offers Planned Sixth-Year/Rank I programs in Principalship, Pupil Personnel Administration, and Supervisor of Instruction. A Planned Sixth-Year/Rank I program in School Administration to prepare special education directors is available in the School of Teacher Education. Admission to a Planned Sixth-Year/Rank I program requires completion of an approved Rank II program, either a master's degree or a planned fifth-year program. Some programs have additional requirements; see specific program sections for further information.

Planned Sixth-Year/Rank I programs lead to the Rank I salary status for certified teachers in Kentucky.

General Guidelines

(See specific program requirements described in the listings for the School of Teacher Education, Department of Counseling and Student Affairs, and Department of Educational Administration and Research.)

1. A minimum of either (a) 30 semester hours of approved graduate level credit in addition to the requirements for the Rank II salary classification, or (b) 60 unduplicated semester hours of approved graduate level credit, including a master's degree, must be completed;
2. All course work must be planned in consultation with the advisor and must be related to the professional needs of the student;
3. A minimum of 15 semester hours must be completed in courses numbered 500 or higher;
4. A "B" average must be maintained, and no course grade lower than a "C" may be counted;
5. In order to be recommended for certification and/or rank change after completing a non-degree certification-only program, students must complete at least one-half of the minimum program hours in residence at Western Kentucky University. Exceptions may be permitted in the case of programs for which contractual arrangements have been made with other institutions for the delivery of course work. With the approval of the advisor and the certification officer, the remaining hours may be taken at other institutions, provided that the grades earned are "B" or higher and other transfer regulations are met.

Endorsement & Certification-Only Programs Residency Requirement

In order to be recommended for certification and/or rank change after completing a non-degree program, students must complete at least one-half of the minimum program hours in residence at Western Kentucky University. Exceptions may be permitted in the case of programs for which contractual arrangements have been made with other institutions for the delivery of course work. With the approval of the advisor and the certification officer, the remaining hours may be taken at other

Course work associated with degree programs at Western Kentucky University may be used to meet teacher certification requirements established by the Commonwealth of Kentucky; however, the Commonwealth may institute changes in certification requirements. When the Commonwealth initiates such changes, students seeking teacher certification may be required to modify their programs of study to meet the new certification requirements.

Addictions Education, Certificate (0492)
Program Coordinator
Andrea K. Jenkins, andrea.jenkins@wku.edu, (270) 745-4786

This 15-hour interdisciplinary certificate program in addictions education prepares students to provide counseling or education services and/or support services to individuals abusing or experiencing addiction. Individuals who complete the program will be knowledgeable about the various components of addictions and will have skills related to their professional field such as prevention strategies, assessment procedures, intervention skills, treatment, and recovery support.

Career Services, Certificate (0468)
Program Coordinator
Aaron W. Hughey, aaron.hughey@wku.edu, (270) 745-4849

The Certificate in Career Services (CCS) is designed to helping professionals with the advanced knowledge and skills needed to better serve students and clients within the context of a volatile and ever changing employment landscape. Graduates of this certificate program will be better prepared to assist students to be more engaged in the educational experience through appropriate academic major and career choice, which may lead to higher retention of current students and successful transition to the workforce. Moreover, the CCS program complements the master’s degree programs in a wide variety of helping professions. The 15 hour certificate program includes 9 hours of required core courses and 6 hours of electives. The program requires an internship in career counseling. The program may be completed as a stand-alone program, or students admitted to related master’s degree programs may incorporate 12 hours of the certificate program into their program of study (if appropriate). Admission to the CCS program is based on completion of a baccalaureate degree and adequate preparation in this or a related area of study. This certificate program welcomes applicants
from all graduate programs at Western Kentucky University and elsewhere. However, students seeking admission to a University graduate degree program must apply to and meet admissions requirements of the program. Please note that admission to, or completion of, the CCS program will not guarantee admission to any graduate degree program.

**Program Admission**

In addition to Graduate School admission requirements, applicants are required to submit a statement describing their interest in the CCS and their employment goals.

Please refer to the admission section (p. 13) of this catalog for Graduate School admission requirements.

**Certification Only, Counseling (159)**

**Program Coordinator**

Cynthia P. Mason, cynthia.mason@wku.edu, (270) 745-4953

The Certification Only, Counseling program is specific to the concentration selected (concentration codes shown in parentheses below).

**Extension from Elementary or Secondary Guidance to P-12, Certification-Only (KGCS)**

Students may pursue this certification as a certification-only program or as part of the Planned Sixth-Year/Rank I in Guidance.

**Standard Guidance, Provisional to P-12, Certification-Only (KGCP)**

Students may pursue the certifications listed below as certification-only programs or as part of the Planned Sixth-Year/Rank I in Guidance. Those seeking the Planned Sixth-Year/Rank I in Guidance should note that it requires other course work in addition to the courses described.

The Provisional to P-12 Standard Guidance program is designed for individuals with a master’s degree in school counseling who have provisional P-12 Guidance Certification. P-12 Guidance Certification is a prerequisite for Standard Guidance Certification. Individuals certified at the elementary (Grades K-8) or secondary (Grades 5-12) levels must first complete the 6 hours required to obtain P-12 Certification.

Standard Guidance Certification requires both completion of required course work and completion of one year of employment as a school counselor for those certified as teachers or two years of employment for those not previously certified as teachers. Many individuals complete the course work prior to completing the experience requirements.

**Concentration(s)**

- Extension from Elementary or Secondary Guidance to P-12, Certification-Only (KGCS)
- Standard Guidance, Provisional to P-12, Certification-Only (KGCP)

**Program Admission**

Admission to the Certification Only, Counseling program is specific to the concentration selected (concentration codes shown in parentheses below).

**Extension from Elementary or Secondary Guidance to P-12, Certification-Only (KGCS)**

Continuing certification for Elementary or Secondary Guidance is no longer available. Counselors with K-8 or 5-12 certification must first complete requirements to extend their certification to P-12, and then they may seek Standard Guidance certification. To be admitted to pursue extension of the certification to P-12, applicants must document completion of a graduate degree in school counseling and certification as a School Counselor.

**Standard Guidance, Provisional to P-12, Certification-Only (KGCP)**

Documentation of a master’s degree in school counseling and current guidance certification in Kentucky.

Please refer to the admission section (p. 13) of this catalog for Graduate School admission requirements.

**Program Requirements (6 hours)**

Program requirements for the Certification Only, Counseling program are specific to the concentration selected (concentration codes shown in parentheses below).

**Standard Guidance, Provisional to P-12, Certification-Only (KGCP)**

Specific requirements for P-12 and Standard Guidance depend on the applicant’s master’s degree program and current certification. State regulations require individuals who possess guidance certification at the
elementary (K-8) or secondary (5-12) level to complete requirements for P-12 Certification prior to obtaining Standard Guidance Certification.

This certificate program will play a leading role in Kentucky’s economic and social development by preparing CCR graduates to prepare P-12 students to join a high quality educated workforce in an area of local, regional, and national need. Additionally, it will meet the needs of area schools by providing specific training to the personnel being hired or asked to work with students in the areas of college and career readiness. It will also serve to help build and maintain networks between districts and industry in Bowling Green.

### Counseling, Master of Arts in Education (043)

#### Program Coordinator
Andrea K. Jenkins, andrea.jenkins@wku.edu, (270) 745-4786

The MAE in Counseling has two concentrations and meets the educational requirements for licensure as a Licensed Professional Clinical Counselor in the Commonwealth of Kentucky and in states with reciprocal licensure agreements. The Council for the Accreditation of Counseling and Related Educational Programs (CACREP) accredits both the Clinical Mental Health Counseling and the Marriage, Couple, and Family Counseling concentrations in the Counseling master’s degree program.

#### Concentration(s)
- Clinical Mental Health Counseling (CMHC)
- Marriage, Couple and Family Counseling (CMCF)

#### Joint Undergraduate Master's Program (JUMP)
This degree offers a Joint Undergraduate Master’s Program (JUMP) which provides academically outstanding students the opportunity to complete both an undergraduate and graduate degree in approximately five years. Contact the graduate program coordinator for additional information.

#### Program Faculty
- Lacretia Dye
- Andrea Jenkins
- Jill Sauerheber
- Fred Stickle
- Cheryl Wolf
Program Admission

Application Deadline is October 1 for spring admission, and March 1 for fall admission. Review of completed applications begins October 6th and March 6th for spring and fall, respectively. Reviews employ a holistic approach to evaluate applicants’ potential to be successful as students and, upon graduation, counseling or student affairs professionals. This approach involves the submission of materials that allows department faculty members to develop a more complete picture of applicants in terms of academic aptitude for graduate-level study, potential success in forming effective counseling relationships, respect for cultural differences, and relevance of career goals to their prospective programs of interest. Faculty rate applicants’ application materials and rank the applications according to these categories. Highly ranked applicants are invited to interview with faculty and current students in an individual or group setting.

After completion of the interview, admissions decisions are made based on application ratings and interview evaluations collectively. The application process is competitive with a limited number of openings.

STEP ONE: COMPLETE THE ADMISSIONS APPLICATION PROCESS

Completed applications include various application materials that must be completed by the application deadlines. Application portfolios should reflect thought, attention to detail, and appropriate effort. You are applying to a competitive graduate program; it is important that your portfolio represents you in a positive yet realistic manner. Please allow yourself at least a few weeks to complete the entire process.

All of the following materials should be submitted directly through the Graduate School application:

1. Graduate School Application Form - (https://www.wku.edu/graduate) requirements include a non-refundable application fee and official transcripts
2. Statement of Interest (http://wku.edu/csa)
3. A background check
4. Resume

In addition to the Graduate School application process, students entering the Student Affairs program may be asked to submit a Case Study Writing Sample. Once the completed application is received, separate instructions will be sent for completing this process.

STEP TWO: SELECTED APPLICANTS INVITED TO PARTICIPATE IN INTERVIEW

Based on the review of the application portfolio, highly ranked applicants will receive notification of their eligibility for an individual or group interview. Applicants who completed Step 1 with moderate rankings may be placed on a waiting list depending on the number of students admitted each term. Eligible applicants will be scheduled for interviews on campus with faculty, current students, alumni and/or experienced professionals.

Participation in the interview process does not guarantee admission but is a prerequisite for admission. Interviewees who are unable to travel to campus interviews may arrange an online interview with the Program Coordinator. Based on the interview assessment, faculty will make offers for admission for the most highly rated candidates.

Applicants with moderate or lower rankings from the interviewers may receive letters indicating they will be placed on a waiting list or are not eligible for admission based upon the review. If you are on a waiting list, the average time to be notified of your eligibility may be up to 6 weeks. Program Coordinators will oversee the application process.

Please refer to the admission section (p. 13) of this catalog for Graduate School admission requirements.

Total Hours: 60

1 To enroll in practicum the student must have completed the appropriate practice preparation sequence and obtain department approval.
2 Internship must be taken over a period of two semesters.

All students must pass a final comprehensive examination. Comprehensive examinations are given in the fall, spring, and summer semesters. Students must meet the criteria established by the College of Education and Behavioral Sciences in order to be eligible to take the comprehensive examination. The comprehensive exam policy and application may be found at www.edu/csa/sc/comp_exam (http://www.wku.edu/csa/sc/comp_exam.php).

International Student Services, Certificate (0415)

Program Coordinator
The Certificate in International Student Services (CISS) program offers preparation to provide international student services as a component of campus internationalization. Students will gain theoretical and applied knowledge regarding student services (international and domestic), expanded cross-cultural awareness and global consciousness, as well as enhanced intercultural communication skills. Recognizing the unique contribution of international students to the learning environment, students who complete the certificate program will be prepared to provide services and programs to meet the needs of international students.

The 15-hour certificate program includes 9 hours of required courses and 6 hours of restricted electives. The program requires a study abroad course and/or an internship abroad depending on student’s international experience (as determined by the advisor upon initial admission to the program). The CISS may be completed as a stand-alone program, or students admitted into the MAE in Student Affairs may incorporate up to 12 hours of the certificate program into their program of study.

Program Admission

Admission to the CISS program is based on completion of a bachelor’s degree and adequate preparation in the area of study. This certificate program welcomes applicants from all graduate programs at Western Kentucky University and elsewhere.

Students seeking admission to a University graduate degree program must apply to and meet admissions requirements of the program.

Please refer to the admission section (p. 13) of this catalog for Graduate School admission requirements.

Student Affairs in Higher Education, Master of Arts in Education (145)

Program Coordinator

The Master of Arts in Education program in Student Affairs in Higher Education is designed to prepare students to obtain entry and mid-level student affairs professional positions. Through a theory-based and applications-oriented program, students gain skills and competencies necessary to succeed in a variety of student affairs and post-secondary settings. Program content covers three broad areas: theoretical foundations, professional practice, and administrative effectiveness. Students are provided opportunities to focus on specific student affairs functions that are consistent with their interests.

Program Faculty

Monica Burke
Aaron Hughey

Program Admission

Application Deadline is October 1 for spring admission; and March 1 for fall admission. Review of completed applications begins October 2nd and March 2nd for spring and fall, respectively. Reviews employ a holistic approach to evaluate applicants’ potential to be successful as students and, upon graduation, counseling or student affairs professionals. This approach involves the submission of materials that allows department faculty members to develop a more complete picture of applicants in terms of academic aptitude for graduate-level study, potential success in forming effective counseling relationships, respect for cultural differences, and relevance of career goals to their prospective programs of interest. Faculty rate applicants’ application materials and rank the applications according to these categories. Highly ranked applicants are invited to interview with faculty and current students in an individual or group setting.

After completion of the interview, admissions decisions are made based on application ratings and interview evaluations collectively. The application process is competitive with a limited number of openings.

STEP ONE: COMPLETE THE ADMISSIONS APPLICATION PROCESS

Completed applications include various application materials that must be completed by the application deadlines. Application portfolios should reflect thought, attention to detail, and appropriate effort. You are applying to a competitive graduate program; it is important that your portfolio represents you in a positive yet realistic manner. Please allow yourself at least a few weeks to complete the entire process.

All of the following materials should be submitted directly through the Graduate School application:

1. Graduate School Application Form - (https://www.wku.edu/graduate) requirements include a non-refundable application fee and official transcripts
2. Statement of Interest (http://wku.edu/csa)
3. A background check
4. Resume

In addition to the Graduate School application process, students entering the Student Affairs program may be asked to submit a Case Study Writing Sample. Once the completed application is received, separate instructions will be sent for completing this process.

STEP TWO: SELECTED APPLICANTS INVITED TO PARTICIPATE IN INTERVIEW
Based on the review of the application portfolio, highly ranked applicants will receive notification of their eligibility for an individual or group interview. Applicants who completed Step 1 with moderate rankings may be placed on a waiting list depending on the number of students admitted each term. Eligible applicants will be scheduled for interviews on campus with faculty, current students, alumni and/or experienced professionals. Participation in the interview process does not guarantee admission but is a prerequisite for admission. Interviewees who are unable to travel to campus interviews may arrange an online interview with the Program Coordinator. Based on the interview assessment, faculty will make offers for admission for the most highly rated candidates.

Applicants with moderate or lower rankings from the interviewers may receive letters indicating they will be placed on a waiting list or are not eligible for admission based upon the review. If you are on a waiting list, the average time to be notified of your eligibility may be up to 6 weeks. Program Coordinators will oversee the application process.

Please refer to the admission section (p. 13) of this catalog for Graduate School admission requirements.

### Department of Educational Administration, Leadership, and Research

Marguerita DeSander, Department Head
Gary A. Ransdell Hall 3086
(270) 745-4890
eair@wku.edu

The Department of Educational Administration, Leadership, and Research offers programs designed to prepare school personnel for effective leadership in P-12 schools. The curricula meets professional certification standards in school administration. The department also provides educational foundations courses that give graduate students a greater understanding of their roles and the function of educational institutions in society.

Course work associated with degree programs at Western Kentucky University may be used to meet certification requirements established by the Commonwealth of Kentucky; however, the Commonwealth may institute changes in certification requirements at any time. When the Commonwealth initiates such changes, students seeking certification may be required to modify their courses/experiences to meet the new certification requirements.

Students wishing to pursue one of the non-degree programs must make application to the Graduate School. Upon completion of the program, individuals must contact the Office of Professional Educator Services in the College of Education and Behavioral Sciences. That official then certifies to the Kentucky Education Professional Standards Board that rank requirements have been met.

### Programs

**Adult Education, Certificate (0450)**  

**Program Coordinator**  
Wren A. Mills, wren.mills@wku.edu, (270) 745-3169

The Adult Education certificate program provides a basic understanding of the theories, techniques, and concepts used in the adult education setting and facilitating change within adults. The certificate provides graduates with a basic understanding of the field of adult education and the ability to facilitate change, through adult learning, in a variety of settings. Individuals from a variety of workplace and educational settings will find benefits to pursuing the AEC.

**Program Admission**  
Please refer to the admission section (p. 13) of this catalog for Graduate School admission requirements.

**Adult Education, Master of Arts in Education (047)**  

**Program Coordinator**  
Wren A. Mills, wren.mills@wku.edu, (270) 745-3169

The Master of Arts in Education in Adult Education prepares students for professional adult education practice at the graduate level to teach adults in a variety of settings. These settings include community education, adult basic education, adult literacy, corporate training, human resource development, organizational development, workplace training, patient education, technical and community colleges, and other adult learning centers. Students in this program will be able to identify needed change within individuals, organizations, and community/society and be given the tools to create that change and its impact. Topics in the program will include adult learning, methods for teaching adults, program planning, change theory, change agency, improvement science, among others. This program is based on a cohort model with rolling admissions throughout the year.

**Program Admission**  
Admission requires an earned degree from an accredited institution with a (minimum undergraduate GPA of 3.0 or a Master's degree with a GPA of 3.2) and one of the following:

- Portfolio submission (portfolio content requirements (http://www.wku.edu/aded/general_admission.php)); OR,
- Minimum GRE (August 2011 or later) scores: verbal, 139; quantitative, 139; analytical writing, 3.5.

Applicants who do not meet admission requirements may be considered for alternate admission under the College of Education and Behavioral Science's Alternate Admission policy. Applications are accepted only certain times of the year. Contact the program coordinator for details.

Please refer to the admission section (p. 13) of this catalog for Graduate School admission requirements.

**Program Requirements (30 hours)**  
The degree consists of a required core of 18 semester hours in adult education including a 3-hour research foundations course, 6 hours of electives, and 6 hours of capstone experience coursework. The student and his or her advisor choose electives relevant to the student's area of interest. The remaining six hours will be attained through completion of a thesis or the following two additional courses are required, ADED 590 and ADED 597. Students completing the additional non-thesis courses will be required to make a presentation of their findings of their applied research project. All students taking the non-thesis option are required to take a comprehensive exam. All students are expected to take EDFN 500 within the first twelve hours of their program.

The alternate certification program as follows:

1. A local district superintendent must nominate a candidate for the Alternate Route to Principal Certification program at WKU. The letter of nomination must specifically state that the superintendent is recommending the candidate to the school council and will be employed for the coming academic year if selected by the school council.

2. Once the letter of nomination and a letter of application from the candidate are received, WKU will admit the candidate to the Alternate Route to Principal Certification program providing the candidate is accepted by the Graduate School.

3. WKU will provide the candidate with a letter stating that the candidate has been admitted to the Alternate Route to Principal Certification program making the candidate eligible to interview and accept a principal position. It should be noted that these candidates have the same eligibility status as any other candidate who has completed a regular certification program and already has the certification endorsement.

4. WKU will also notify the Office of Professional Educator Services that the candidate has been admitted to the Alternate Route to Principal Certification program.

5. If the candidate is offered the position, the superintendent must provide verification of employment to WKU and the candidate. WKU will assign the candidate an advisor, who will prepare the student's program. The candidate will submit the verification of employment and a TC-TP to the Office of Professional Educator Services. That office will sign and verify the enrollment of the candidate in the Alternate Route to Principal Certification program and return the TC-TP to the candidate. The candidate will then forward the TC-TP with the verification of employment as a principal (or assistant principal) and the appropriate fee payment.

6. EPSB will issue the candidate a two-year, Temporary Provisional Certificate for All Grades Principal. The candidate will have two-years to complete all requirements for the principal certification, after which the candidate receives a regular Provisional Certification.

Certification Only, Education Leadership (131)

Program Coordinator
Winifred L. Cohron, winnie.cohron@wku.edu, (270) 745-6143

The Certification Only, Education Leadership program is specific to the concentration selected (concentration codes shown in parentheses below).

Director of Pupil Personnel Services, Endorsement (KDP1 and KDP2)

The Director of Pupil Personnel (DPP) is one of the two legally mandated positions for a school district. The DPP usually deals with such issues as student attendance, student conduct codes, school calendars, and student services.

Completion of a planned Fifth/Sixth-Year program may not be counted by states other than Kentucky in determining pay status. The Director of Pupil Personnel Services position is unique to Kentucky, and Kentucky's manifestation is not found in other places. Other states seek a counseling or social work type background for student services, not a Director of Pupil Personnel Services with attendance duties as in Kentucky.

School Principal, Endorsement (KP1 and KP2)

The Principal Preparation Program is a certification program involving a minimum of 30 hours of studies beyond the master's degree.

WKU also offers an EPSB approved Alternate Route to Principal Certification program as follows:

1. A letter from the employing district signed by the superintendent and/or board chairman must be sent to WKU indicating the desire to employ the named candidate as an assistant superintendent or superintendent and requesting the named candidate to be admitted to the Alternative Route to Superintendent Certification program.
2. The candidate must submit an application for admission that includes all requested information pertaining to education and experience.

3. The department admissions committee will review the request and application and determine if the candidate is eligible for admission, and what, if any, additional requirements must be met.

4. If admitted, the candidate is eligible to be interviewed for a position as superintendent or assistant superintendent.

5. If employed, the candidate is eligible for a two-year, Temporary Provisional Certificate endorsement for Superintendent. The candidate must submit a CA-1 to get endorsement.

6. The candidate has two years to complete all remaining program requirements. Upon completion, the candidate is eligible for a standard certificate endorsement.

Supervisor of Instruction, Endorsement (ILV1 and ILV2)

Applicants seeking certification for Supervisor of Instruction should be aware that reciprocity may not be offered by all states.

Concentration(s)
- Director of Pupil Personnel I (KDP1)
- Director of Pupil Personnel II (KDP2)
- Principal Level I (KP1)
- Principal Level II (KP2)
- Superintendent (KST)
- Supervisor of Instruction Level I (ILV1)
- Supervisor of Instruction Level II (ILV2)

Program Admission
Admission to the Certification Only, Education Leadership program is specific to the concentration selected (concentration codes shown in parentheses below).

Director of Pupil Personnel Services, Endorsement (KDP1 and KDP2)
- Completion of at least three years full-time appropriate teaching experience
- Master’s degree from an accredited institution
- 3.2 GPA or above for all graduate course work

School Principal, Endorsement (KP1 and KP2)
- Three years of documented teaching experience in a public school or a nonpublic school that meets the state performance standards as established in KRS 156.160;
- A GPA of 3.0 or higher on all graduate work;
- Complete a program admission packet requiring:
  - Letters of reference
  - Professional portfolio
  - Deficiency course assessments
  - School district agreement of support;
- Be recommended based on an interview with district practitioners and department faculty.

Superintendent, Endorsement (KST)
- Completed Level I and II preparation requirements for administrative endorsement as principal or supervisor;
- A 3.2 GPA or above on all graduate work; and
- Submits recommendations.

Supervisor of Instruction, Endorsement (ILV1 and ILV2)
- Completion of at least three years full-time appropriate teaching experience
- Master’s degree from an accredited institution
- A 3.2 GPA or above for all graduate course work

Program Requirements (12-45 hours)
Program requirements for the Certification Only, Education Leadership program are specific to the concentration selected (concentration codes shown in parentheses below).

Students admitted to the principal certification Principal Level II certification program may apply to receive graduate credit for successful completion of the National Board Certified Teacher process as Level II electives. Those approved will receive up to six (6) hours of credit for EDU 695. To be eligible to receive credit, students must document that they:

- have been admitted to the principal Level II;
- hold current National Board Certification status.

The student must submit an application form to the chair of the Department of Educational Administration, Leadership, and Research who will consider whether to approve the application and then determine the number of EDU 695 hours to credit to the student’s program. The hours may not be substituted for required (core) courses in the program. Once a recommendation for the awarding of hours for NBCT completion is approved by the department chair, the student must arrange for the American Council on Education (ACE) to send an official transcript documenting the student’s NBCT status to WKU's Graduate School so that the credit may be entered on the student’s transcript. No charge will be assessed by WKU.

### Educational Leadership, Doctor of Education (0010)

#### Program Coordinator

Lester A. Archer, lester.archer@wku.edu, (270) 745-7088

The Ed.D. in Educational Leadership (edd@wku.edu) provides knowledge and skills for its graduates to become effective change agents within educational and education-related environments. The program is designed to prepare scholarly practitioners whose program content and experiences emphasize application to the real world.

The primary purpose of the program is to develop the ability of education and education-related organizational practitioners to obtain and synthesize knowledge for the solution of institutional problems and practices. The program provides value-added opportunities for candidates to develop breadth and depth in understanding leadership, policy, and applied research methodologies. In addition, program experiences contribute to the development of future leaders who will creatively generate new knowledge, critically conserve valuable and useful ideas, and responsibly transform those understandings through writing, teaching and application. The dissertation for all areas of emphasis is expected to contribute knowledge and understanding of a critical issue drawn from the candidate’s field of practice and be applicable for improving educational organizations.

The Ed.D. in Educational Leadership:
Program Design

Because the EDD program was designed for students who are employed full time, students are considered "normal" enrolled if they take at least 6 credit hours per semester in the fall, spring, and summer semesters (equaling 18 hours per year). Students continually enrolling three semesters per year should be able to complete all coursework excluding dissertation hours within three calendar years.

Please refer to the admission section (p. 13) of this catalog for Graduate School admission requirements.

Program Admission

Intended candidates for the degree are individuals who have completed at least a master's degree (or other appropriate graduate degree), have demonstrated leadership capacity within their organizational settings, and/or are committed to enhancing their abilities to learn and to enhance the educational missions of their organizations and communities. Each student's academic background and professional experiences will be assessed at the time of admission.

Program admission is based on a holistic evaluation of the candidate's application file, which must include:

1. Transcripts of all undergraduate and graduate course work;
2. Documentation of a master's degree (or other graduate degree) from an institution accredited by a nationally recognized accreditation organization;
3. Completed application;
4. Current (within 1 year of application deadline) resume or vita;
5. An in-depth personal statement including qualifications, rationale, and goals related to pursuing the WKU Ed.D. program;
6. Three current (within 1 year of application deadline) letters of recommendation from persons in a position to evaluate the applicant's potential for success in a doctoral program; and
7. Submission of GRE scores. Those students who cannot provide scores or have never taken the GRE may be considered for admission through an alternative process. Contact the program director for more information.
8. Submission of a writing sample (requested during the admission review process) if applicants cannot provide GRE scores, took the GRE without the Analytical Writing portion, or if Analytic Writing score falls below preferred minimum.

International students who apply must submit the following additional documents for admission consideration:

1. Evidence of ability to communicate in English (as evidenced by a minimum of 570 on the paper based TOEFL; a minimum of 88 on the iBT TOEFL; a minimum of 7.0 on the IELTS; or a degree from an institution with English as the language of instruction.)

Please refer to the admission section (p. 13) of this catalog for Graduate School admission requirements.

Program Requirements (60 hours)

The program consists of 60 hours of graduate coursework. The program includes the following core coursework:

<table>

Total Hours 60

1. Taken during the first semester after admission to the program.
2. Students choosing to complete a qualitative dissertation must have EDFN 603 or course equivalent on their Program of Study. Other research course options allow for in-depth statistical preparation aligned with students' dissertation methodology.
3. Students are encouraged to take EDLD 797 to prepare for their dissertation experience.

Program Completion

To complete the program, students must propose, complete, and successfully defend a dissertation.
Measurement, Evaluation, and Research, Post-Master's Certificate (0488)

Program Coordinator
Kimberlee K. Everson, kimberlee.everson@wku.edu, (270) 745-2115

This certificate is designed for graduate students who need training in the areas of research methods, measurement, statistics, and program evaluation to engage in educational and social science research.

Program Admission
Applicants must hold a Master's Degree from an accredited college or university with a minimum GPA of 3.5 from graduate work at the Master's Degree level. Required prerequisite courses with grades of "B" or higher include:

- EDFN 500 or EDLD 712; and
- EDFN 501 or equivalent.

Please refer to the admission section (p. 13) of this catalog for Graduate School admission requirements.

Electives
Select 9 hours from the following: ²

- EDFN 603 Qualitative Research in Education
- EDFN 703 Field Methods for Qualitative Research
- EDFN 744 Seminar in Advanced Research Methods ³
- EDAD 734 School Accountability and Teacher Evaluation

Total Hours 18

¹ Students who have completed EDFN 601 may substitute it for EDFN 740.
² Students will work with their advisors to select elective courses.
³ EDFN 744 may be taken more than once for elective credit.

Organizational Leadership, Certificate (1723)

Program Coordinator
John P. Baker, john.baker1@wku.edu, (270) 745-5149

The Organizational Leadership Certificate program provides an interdisciplinary academic graduate program through which students can enhance their understanding of leadership theory and practice while applying it directly toward their academic or professional area of interest. The academic requirements offer students a common basic curriculum of leadership theory at the graduate level and practical application of that theory to a specialized area of interest to the student. Additionally, the program allows the student to choose two courses from a broad interdisciplinary selection of courses for a total of 12 credit hours. Substitutions for these courses may be made with consent of the advisor. Students applying to the Graduate School at WKU can elect to pursue the graduate certificate in Organizational Leadership either by itself or in conjunction with a graduate program in a selected specific discipline.

Program Admission
Please refer to the admission section (p. 13) of this catalog for Graduate School admission requirements.

Total Hours 12

Organizational Leadership, Master of Arts (0467)

Program Coordinator
John P. Baker, john.baker1@wku.edu, (270) 745-5149

The Masters of Arts in Organizational Leadership is designed to meet needs of diverse students for professional training that is broadly based upon knowledge and research from business, economics, communication, organizational functioning, leadership principles, psychology, and political science. The program emphasizes application: students have the opportunity to develop and refine administrative knowledge and leadership skills applicable to a variety of modern organizations within both the public and private sector. (Electives outside pre-approved curriculum may be utilized within the degree program with prior approval of the faculty).

Joint Undergraduate Master's Program (JUMP)

This degree offers a Joint Undergraduate Master's Program (JUMP) which provides academically outstanding students the opportunity to complete both an undergraduate and graduate degree in approximately five years. Contact the graduate program coordinator for additional information.

Program Admission
Students seeking admission to the MA in Organizational Leadership must have:

- an earned baccalaureate degree from a regionally accredited university or college;
- minimum undergraduate GPA of 2.75.

Students who have a baccalaureate degree from a regionally accredited university or college with an overall GPA of 2.5 to 2.74 may apply for conditional admission. The conditional admission occurs through a holistic evaluation of the candidate’s body of academic and professional experiences. Candidates who apply for conditional admission must:
• submit a resume and any other credentials that verify their professional experience;
• achieve a 3.0 GPA in the first six credits of graduate courses.

Please refer to the admission section (p. 13) of this catalog for Graduate School admission requirements.

Total Hours 30

1 With the approval of the instructor and based on prior academic experience, career aspirations, and/or matriculation concerns, students may select other electives.

School Administration, Rank I (121)

Program Coordinator

Winifred L. Cohron, winnie.cohron@wku.edu, (270) 745-6143

The School Administration, Rank I program is specific to the concentration selected (concentration codes shown in parentheses below).

Director of Pupil Personnel Services (KDP1 and KDP2)

The Director of Pupil Personnel (DPP) is one of the two legally mandated positions for a school district. The DPP usually deals with such issues as student attendance, student conduct codes, school calendars, and student services.

School Principal (KP1)

The Principal Preparation Program is a certification program involving a minimum of 30 hours of studies beyond the master's degree. Completion of the Rank I program leads to eligibility for initial principal certification (Level I, KP1).

WKU also offers an EPSB approved Alternate Route to Principal Certification program as follows:

1. A local district superintendent must nominate a candidate for the Alternate Route to Principal Certification program at WKU. The letter of nomination must specifically state that the superintendent is recommending the candidate to the school council and will be employed for the coming academic year if selected by the school council.

2. Once the letter of nomination and a letter of application from the candidate are received, WKU will admit the candidate to the Alternate Route to Principal Certification program providing the candidate is accepted by the Graduate School.

3. WKU will provide the candidate with a letter stating that the candidate has been admitted to the Alternate Route to Principal Certification program making the candidate eligible to interview and accept a principal position. It should be noted that these candidates have the same eligibility status as any other candidate who has completed a regular certification program and already has the certification endorsement.

4. WKU will also notify the Office of Professional Educator Services that the candidate has been admitted to the Alternate Route to Principal Certification program.

5. If the candidate is offered the position, the superintendent must provide verification of employment to WKU and the candidate. WKU will assign the candidate an advisor, who will prepare the student's program. The candidate will submit the verification of employment and a TC-TP to the Office of Professional Educator Services. That office will sign and verify the enrollment of the candidate in the Alternate Route to Principal Certification program and return the TC-TP to the candidate. The candidate will then forward the TC-TP with the verification of employment as a principal (or assistant principal) and the appropriate fee payment.

6. EPSB will issue the candidate a two-year, Temporary Provisional Certificate for All Grades Principal. The candidate will have two-years to complete all requirements for the principal certification, after which the candidate receives a regular Provisional Certification.

Supervisor of Instruction (ILV1)

Applicants seeking certification for Supervisor of Instruction should be aware that reciprocity may not be offered by all states.
Concentration(s)
- Director of Pupil Personnel I (KDP1)
- Director of Pupil Personnel II (KDP2)
- Principal Level I (KP1)
- Superintendent (KST)
- Supervisor of Instruction Level I (ILV1)

Program Admission
Admission to the School Administration, Rank I program is specific to the concentration selected (concentration codes shown in parentheses below).

Director of Pupil Personnel Services (KDP1 and KDP2)
- Completion of at least three years full-time appropriate teaching experience
- Master’s degree from an accredited institution
- 3.2 GPA or above for all graduate course work

School Principal (KP1)
- A master’s degree or Planned 5th Year Program
- Three years of documented teaching experience in a public school or a nonpublic school that meets the state performance standards as established in KRS 156.160
- A GPA of 3.0 or higher on all graduate work
- Complete a program admission packet requiring:
  - Letters of reference
  - Professional portfolio
  - Deficiency course assessments
  - School district agreement of support;
- Be recommended based on an interview with district practitioners and department faculty

Supervisor of Instruction (ILV1)
- Completion of at least three years full-time appropriate teaching experience
- Master’s degree from an accredited institution
- 3.2 GPA or above for all graduate course work

Please refer to the admission section (p. 13) of this catalog for Graduate School admission requirements.

Total Hours 30

Completion of a planned Fifth/Sixth-Year program may not be counted by states other than Kentucky in determining pay status. The Director of Pupil Personnel Services position is unique to Kentucky, and Kentucky’s manifestation is not found in other places. Other states seek a counseling or social work type background for student services, not a Director of Pupil Personnel Services with attendance duties as in Kentucky.

Filing a TC-1 requesting Rank I requires completion of a minimum of 60 semester hours of graduate credit including the master’s degree. Within these total hours the student must complete the required professional courses as outlined in a planned program designed to provide the student with appropriate administrative competencies and courses required for certification.

School Principal (KP1)
A minimum of 30 semester hours is required; at least 15 hours must be WKU credit. Students must have previously completed a master’s degree program, which would qualify for Rank II salary classification.

Applied Psychology, Doctor of Psychology (0476)

Program Coordinator
Frederick G. Greive, rick.grieve@wku.edu, (270) 745-4417

The Doctor of Psychology in Applied Psychology provides knowledge and skills for its graduates to become effective change agents within community, therapeutic, educational, and education-related environments. The program is designed to prepare scholarly practitioners whose program content and experiences emphasize application to the real world.

The Psy.D. in Applied Psychology prepares students to:
- Function as competent practitioner/scholars, skilled in developing, implementing, and evaluating evidence-based practices, particularly for rural and other under-served populations, in their chosen area of concentration;
- Provide ethical, competent, and professional supervision of psychological practice in their communities of practice; and
- Contribute to the practice and scholarship of psychology, consistent with the practitioner/scholar model, with the capacity to review scholarly literature, effectively integrate it with practice considerations, and evaluate outcomes.

Concentration(s)
- Clinical Psychology (BA/BS to PsyD)
- Clinical Psychology (MA to PsyD)
- School Psychology

Program Admission

Clinical Psychology (BA/BS to PsyD) Concentration

Program admission is based on a comprehensive evaluation of a candidate’s application file and an interview. Applicants must submit:

1. Minimum GRE scores of 142 Verbal, 142 Quantitative, and 4.0 Analytic Writing
2. Undergraduate transcript of an earned undergraduate degree with a minimum of 18 hours of psychology coursework including statistics or research methods (3 hrs), abnormal (preferred) or personality psychology (3 hrs) with a minimum cumulative grade point average (GPA) of 2.75 and 3.00 in psychology coursework
3. Three letters of recommendation from professionals attesting to the applicant’s potential for success in the program
4. Personal statement describing professional interests, expectations for the degree, and career goals
5. Resume or curriculum vita
6. Psychology Department application
7. Criminal background check

**Clinical Psychology (MA to PsyD) Concentration**

Program admission is based on a comprehensive evaluation of a candidate’s application file and an interview. Applicants must submit:

1. Minimum GRE scores of 142 Verbal, 142 Quantitative, and 4.0 Analytic Writing
2. Graduate transcript of an earned master's degree or higher in clinical psychology or a related field with a minimum graduate grade point average (GPA) of 3.50
3. Three letters of recommendation from professionals attesting to the applicant’s potential for success in the program
4. Personal statement describing professional interests, expectations for the degree, and career goals
5. Resume or curriculum vita
6. Psychology Department application form
7. Criminal background check

**School Psychology Concentration**

Program admission is based on a comprehensive evaluation of a candidate’s application file and an interview. Applicants must submit:

1. Minimum GRE scores of 142 Verbal, 142 Quantitative, and 4.0 Analytic Writing
2. Graduate transcript of an earned specialist’s degree in school psychology or a related field with a minimum graduate grade point average (GPA) of 3.50
3. Three letters of recommendation from professionals attesting to the applicant’s potential for success in the program
4. Personal statement describing professional interests, expectations for the degree, and career goals
5. Resume or curriculum vita.
6. Psychology Department application
7. Criminal background check

1. In lieu of the GRE scores, applicants may submit a portfolio that includes evidence of at least five years’ successful practice in the field and evidence of managerial/supervision experience or superlative practice.

Based on review of the application file, interviews will be held with viable candidates to assess compatibility with program goals and objectives. Additionally, student transcripts will be evaluated and deficient coursework may be required. Deficiencies will be denoted on the program of study.

Please refer to the admission section (p. 13) of this catalog for Graduate School admission requirements.

---

## Specialization

Select a specialization option

### Therapies and Interventions with Children

- CNS 569 Play Therapy
- CNS 611 Advanced Play Therapy
- CNS 612 Expressive Arts Techniques in Counseling
- or CNS 613 Sandtray Techniques in Counseling

### Autism Spectrum Disorders

- PSY 766 Assessment of Autism Spectrum Disorder
- SPED 610 Characteristics of Autism Spectrum Disorders
- SPED 618 Social Skills Instruction & Behavioral Programming for Students with Autism Spectrum Disorders

### Educational Leadership

Select three of the following

- EDAD 585 Fundamentals of School Administration
- EDAD 620 Seminar in Administration of Special Education
- EDAD 630 Special Education Law and Finance
- EDAD 640 Introduction to School Leadership
- EDAD 659 Strategic Planning in Education
- EDAD 677 Legal Issues for Professional Educators
- EDAD 684 Instructional Leadership

**Psychology, Master of Arts (092)**

**Program Coordinator**

Sally L. Kuhlenschmidt, sally.kuhlenschmidt@wku.edu, (270) 745-2114

This program prepares students to pursue careers in clinical psychology and/or to enter a doctoral program. M.A. graduates are eligible in Kentucky for licensure as Psychological Associates.

**Concentrations**

- Clinical (MACL)

**Program Admission**

Program admission is based on a comprehensive evaluation of a candidate's application file and an interview. Applicants must submit:

1. Minimum GRE scores of 142 Verbal, 142 Quantitative, and 4.0 Analytic Writing
2. Undergraduate transcript of an earned undergraduate degree with a minimum of 18 hours of psychology coursework including statistics or research methods (3 hrs), abnormal (preferred) or personality psychology (3 hrs) with a minimum cumulative grade point average (GPA) of 2.75 and 3.00 in psychology coursework
3. Three letters of recommendation from professionals attesting to the applicant's potential for success in the program
4. Personal statement describing professional interests, expectations for the degree, and career goals
5. Resume or curriculum vita
6. Psychology Department application
7. Criminal background check
Please refer to the admission section (p. 13) of this catalog for Graduate School admission requirements.

Program Requirements (48 hours)
The clinical psychology program prepares students to be successful performing both research and therapy. The degree offers a broad foundation for the professional who will render a wide variety of psychological services at the MA level and/or prepare students to pursue further education at the doctoral level. Clinical psychology graduates have the credentials necessary to pursue licensure in the state of Kentucky. Practicum and internship (9 hours) are required. There is a thesis and a non-thesis option. A criminal background check will be required of successful applicants during the first semester of graduate study at the applicant’s expense. Grades lower than B may not be used to satisfy requirements for courses in the clinical training sequence (PSY 560, PSY 640, PSY 641, and PSY 660), or practicum and internship (PSY 562, PSY 592, and PSY 662). Practicum/internship sites may have additional requirements before allowing students to complete placements; these might include, but are not limited to, vaccinations, additional background checks, and health screenings.

School Psychology, Specialist in Education (147)

Program Coordinator
Carl L. Myers, carl.myers@wku.edu, (270) 745-4410

School psychologists are members of teams that strive to enhance students’ ability to learn in public school systems. The program uses knowledge and skills from the fields of psychology and education to provide specialized preparation to engage in a variety of roles related to special education services, data collection and analysis, consultation, crisis preparedness and response, mental health services, and academic and behavioral interventions. The program emphasizes the application of knowledge through supervised experiences in the psychology department’s clinic and through practicum and internship placements in the public schools. After the required coursework, a 1200-hour (minimum) internship must be completed.

Program Admission
Applicants should have at least 12 semester hours of coursework in Psychology; a minimum score of 142 or equivalent on both the Verbal and Quantitative scales on the Graduate Record Examination General Test; a minimum GRE writing score of 3.5; and a minimum undergraduate GPA of 3.0. Applicants should send three letters of recommendation, a psychology department application form and the graduate application form to the Graduate School. Beyond these stated minimum requirements, selection is competitive. A criminal background check, TB test, and physical exam will be required of successful applicants during the first semester of graduate study at the applicant’s expense.

1 All admitted students must separately qualify for admission to professional education, including meeting the standardized test score requirements found on the CEBS Teacher Admissions web page. Students whose GRE scores do not meet the professional education minimums may qualify for admission by submitting qualifying scores on the CASE. For more information, contact the school psychology program coordinator.

Please refer to the admission section (p. 13) of this catalog for Graduate School admission requirements.

Advanced Behavior Management, Certificate (1736)
Environmental Education P-12, Endorsement (KEV)

Based on the National Standards of the North American Association for Environmental Education, this graduate endorsement program provides students with a knowledge of the fundamental characteristics and goals of the field of environmental education, knowledge of environmental processes and systems, and knowledge and skills of appropriate instructional strategies and assessment techniques associated with the delivery of high quality environmental education programs. This graduate endorsement program will enhance the abilities of teachers in integrating environmental education into their teaching, as well as into the curriculum of their school and school district. It is comprised of 12 graduate hours that can be incorporated into Rank I and Rank II programs. It involves two required courses and a variety of electives.

Instructional Computer Technology P-12, Endorsement (KCT)

The Instructional Computer Technology Endorsement P-12 for teachers will be included in the Master of Science in Libraries, Informatics, and Technology in Education program. This endorsement may also be completed as an emphasis in another master's degree in Education; as an emphasis in a planned fifth-year (Rank II) or planned sixth-year (Rank I) program; or as a certification-only program.

Learning and Behavioral Disorders, Certification-Only (KLBD)

This certification program is designed to give special education professionals both a deep and practical knowledge of the content and pedagogy to teach students with Learning and Behavior Disorders (LBD) in P-12 settings. Candidates are expected to become competent in theory, research, and application of best teaching practices related to exceptional students with mild to moderate disabilities and exhibit appropriate teacher dispositions and behaviors as indicated by the College of Education and Behavioral Sciences Teacher Disposition Rating Form.

Moderate and Severe Disabilities, Certification-Only (KMS)

This certification program is designed to give special education professionals both a deep and practical knowledge of the content and pedagogy to teach students with Moderate and Severe Disabilities (MSD) in P-12 settings. Within the MSD certification program in Special Education, candidates are expected to become competent in theory, research, and application of best teaching practices related to exceptional students with Moderate and Severe Disabilities and exhibit appropriate teacher dispositions and behaviors as indicated by the College of Education and Behavioral Sciences Teacher Disposition Rating Form.
Teaching English as a Second Language (TESL), Endorsement (KE36)

Persons who have certification to teach in the elementary, middle, or secondary grades can add on to that certification an endorsement in teaching English as a Second Language by completing the coursework and the ESL Praxis test with a minimum score of 157. An overall GPA of 3.0 and grade of "B" or better must be earned in the required core classes.

Teacher Leader, Endorsement (KTLE)

The Teacher Leader Endorsement is designed to develop Teacher Leaders who can positively impact student learning in their classrooms and schools. This endorsement is comprised of 16 hours of coursework that can count toward a master's degree, Rank II or Rank I certification, or other graduate program.

Concentration(s)
- Director of Special Education Level I (KDS1)
- Director of Special Education Level II (KDS2)
- Elementary Math Specialist P-5 (KEM)
- Environmental Education (KEV)
- Gifted Education Endorsement (KE37)
- Interdisciplinary Early Childhood Education (KIE)
- Kentucky Computer Technology (KCT)
- Learning and Behavior Disorders (KLBD)
- Moderate to Severe Disabilities (KMS)
- Teacher Leader Endorsement (KTLE)
- Teaching English as a Second Language Endorsement (KE36)

Program Admission

Admission to the Certification Only, Teacher Education program is specific to the concentration selected (concentration codes shown in parentheses below).

Director of Special Education, Endorsement (KDS1 and KDS2)

1. Submit an application to the Graduate School, including a copy of current, valid teaching certificate for exceptional children or school psychologist.
2. Submit documentation of earned master's degree from an accredited institution.
3. Submit a current vita/resume and letter of application indicating goals, and a statement verifying that he/she has completed at least 3 years of full-time appropriate teaching experience with exceptional children or as a school psychologist.
4. Submit documentation of three years full-time appropriate teaching experience with exceptional children or as a school psychologist.
5. Submit documentation of a 3.2 GPA or above on all graduate work.

Elementary Mathematics Specialist P-5, Endorsement (KEM)

Applicants for the endorsement for Elementary Mathematics Specialist must have or be eligible for a teaching certificate for Elementary Education, Grades P-5. Applicants who wish to count the endorsement hours toward a master's degree or other graduate program must meet the eligibility requirements of that program.

Environmental Education P-12, Endorsement (KEV)

Applicants for the Environmental Education endorsement must have or be eligible for a teaching certificate at the elementary level (IECE Birth to Primary or Elementary P-5), middle grades level (Grades 5-9), or second level (Grades 8-12, Grades 5-12, or Grades P-12). Students certified or eligible for certification in Special Education P-12 are also eligible for admission to the Environmental Education endorsement.

Gifted and Talented Education P-12, Endorsement (KE37)

Applicants for the Gifted and Talented Education endorsement must have or be eligible for a teaching certificate at the elementary level (IECE Birth to Primary or Elementary P-5), middle grades level (Grades 5-9), or secondary level (Grades 8-12, Grades 5-12, or Grades P-12). Students certified or eligible for certification in Special Education P-12 are also eligible for admission to the Gifted and Talented Education endorsement.

Instructional Computer Technology P-12, Endorsement (KCT)

Applicants for the Instructional Computer Technology endorsement must hold a teaching certificate in any area of teaching.

Learning and Behavioral Disorders, Certification-Only (KLBD)

Applicants for the LBD Certification Program must hold a current Master's degree with three years teaching and a current teaching certificate. Applicants who wish to count the certification hours toward an additional master's degree or other graduate program must meet the eligibility requirements of that program. Note that students who do not meet the prerequisites of the core required courses will be required to complete the prerequisites of the core required courses as deficiencies.

Kentucky applicants whose certificates have expired may be admitted, but they may enroll in no more than six hours before they apply to the Education Professional Standards Board (EPSB) for reissue of a Kentucky certificate. After the completion of six hours, a student admitted with an expired certificate must submit a copy of the re-issued certificate before being allowed to register for any additional courses. Applicants from out-of-state with expired certificates must complete the requirements for their respective states to renew their certificates and submit a copy of a current certificate.

Moderate and Severe Disabilities, Certification-Only (KMS)

Applicants for the MSD Certification Program must hold a current Exceptional Education: Learning and Behavior Disabilities (LBD) teaching certificate with three years teaching in the field OR a Masters in LBD or related field and a current teaching certificate. Applicants who wish to count the certification hours toward a master's degree or other graduate program must meet the eligibility requirements of that program.

Kentucky applicants whose certificates have expired may be admitted, but they may enroll in no more than six hours before they apply to the EPSB for reissue of a Kentucky certificate. After the completion of six hours, a student admitted with an expired certificate must submit a copy of the reissued certificate before being allowed to register for any additional courses. Applicants from out-of-state with expired certificates must complete the requirements for their respective states to renew their certificates and submit a copy of a current certificate.
Teaching English as a Second Language (TESL), Endorsement (KE36)

Applicants for the Teaching English as a Second Language endorsement must have or be eligible for a teaching certificate at the elementary level (IECE Birth to Primary or Elementary P-5), middle grades level (Grades 5-9), or secondary level (Grades 8-12, Grades 5-12, or Grades P-12). Students certified or eligible for certification in Special Education P-12 are also eligible for admission to the Teaching English as a Second Language endorsement.

Teacher Leader, Endorsement (KTLE)

If counting the endorsement hours toward a master's degree or other graduate program, the applicant must meet the eligibility requirements of that program.

Please refer to the admission section (p. 13) of this catalog for Graduate School admission requirements.

Program Requirements (12-33 hours)

Requirements for the Certification Only, Teacher Education program are specific to the concentration selected (concentration codes shown in parentheses below).

Students must be admitted to the program and have a program of study on file with teacher certification to be eligible for a recommendation of certification.

Elementary Mathematics Specialist P-5, Endorsement (KEM)

Students may include the endorsement course work within the Specialization component of the MAE and Planned 5th year programs in Elementary Education-Teacher Leader. In addition, students in the Planned 6th-year/Rank I program in Elementary Education may also elect to incorporate this endorsement within their programs. The endorsement can be incorporated in the Ed.S. in Elementary Education as well. This graduate endorsement program requires 15 hours that may be incorporated into the Elementary Education MAE program or other graduate programs for elementary teachers.

1 All students must complete TCHL 545 and TCHL 555 or pass proficiency evaluations for these courses.

While enrolled in TCHL 500, students will use several documents, including KTIP assessments or in-kind examples, dispositions self-surveys, referrals from school personnel, and their respective School Improvement Plan, to develop with endorsement advisors an individualized program of study related to Kentucky Teacher Standards, Framework for Teaching Components, and professional goals. Students are expected to enroll in TCHL 500 at the beginning of the endorsement and in TCHL 560 toward the end. Students should consult with their advisors regarding the optimal sequence of course work to meet their professional goals. Students must successfully complete TCHL 560 (course grade of “C” or higher) and present research results in an approved venue. Students must achieve a minimum 3.0 GPA overall and in endorsement course work.

**Director of Special Education, Rank I (0426)**

Program Coordinator
Elizabeth G. Kirby, gail.kirby@wku.edu, (270) 745-5414
This 30 hour program leads to eligibility for administrative certification as a Level I Director of Special Education and a Rank I.

Concentration(s)
- Director of Special Education Level I (KDS1)
- Director of Special Education Level II (KDS2)

Program Admission
1. Submit an application to the Graduate School, including a copy of current, valid teaching certificate for exceptional children or school psychologist.
2. Submit documentation of a master's degree from an accredited institution.
3. Submit current vita/resume and letter of application indicating goals, and a statement verifying that he/she has completed at least 3 years of full-time appropriate teaching experience with exceptional children or as a school psychologist.
4. Submit documentation of three years full-time appropriate teaching experience with exceptional children or as a school psychologist.
5. Submit documentation of a 3.2 GPA or above on all graduate course work.

Please refer to the admission section (p. 13) of this catalog for Graduate School admission requirements.

Level II
- EDAD 598 Field-Based Experience in Educational Administration | 3
- EDAD 686 Principles of Supervision                              | 3

Total Hours 30-36

Students may not use a course used as a prerequisite. Other equivalent course may be approved by advisor.

Filing a CA-1 requesting Rank I requires completion of a minimum of 60 semester hours of graduate credit including the master’s degree. Within these total hours the student must complete the required professional courses as outlined in a planned program designed to provide the student with appropriate administrative competencies and courses required for certification. Students must be admitted to the program and have a program of study on file with teacher certification to be eligible for a recommendation of certification.

Elementary Education for Teacher Leaders, Master of Arts in Education (0433)

Program Coordinator
Janet L. Tassell, janet.tassell@wku.edu, (270) 745-5306

This program is designed to develop Teacher Leaders who can positively impact student learning in their classrooms and schools. Courses and experiences include Professional Learning Communities in which students interact with other graduate students from various content areas and grade levels to discuss and work on real world challenges and promising practices they encounter in schools.

The program is divided into two instructional components. The first component, Professional Education, provides advanced level pedagogy, leadership, and content related to Kentucky Teacher Standards and applicable to all P-12 teachers working in a wide gamut of developmental levels and content areas. The second component, Specialization, directs the candidate into an individual program in content, pedagogy, and/or areas of professional growth concurrent with the goals of each candidate.

Concentration(s)
- Elementary Math Specialist P-5 (KEM)
- Environmental Education (KEV)
- Gifted Education Endorsement (KE37)
- Kentucky Computer Technology (KCT)
- Teaching English as a Second Language Endorsement (KE36)
Program Admission
Criteria vary, depending on the student's undergraduate institution and GPA:

- Applicants who are alumni of WKU teacher preparation programs must submit a current, valid teaching certificate or Statement of Eligibility\(^1\) for Elementary (Grades P-5).
- Applicants with undergraduate degrees from all other accredited universities will be admitted without a qualifying GRE score if they have a minimum 2.75 GPA for all previous coursework (undergraduate and graduate) and a valid teaching certificate for elementary education. A copy of the certificate or statement of eligibility must be submitted with the application.
- Applicants with undergraduate degrees from all other higher education accredited universities with a GPA lower than 2.75 (undergraduate and graduate) must achieve a GAP score \([\text{GRE-V + GRE-Q} + (\text{GRE x 100})]\) of 550 or higher. The 550 score must include a GRE Verbal Reasoning score of 139 or higher, a GRE Quantitative Reasoning score of 139 or higher, and a GRE Analytical Writing score of 3.5 or higher. For GRE scores prior to August 1, 2011, a GAP score \((\text{GRE x undergraduate GPA})\) of 2200 or higher and a GRE Analytical Writing score of 3.5 or higher is required. In addition, applicants must have a valid teaching certificate for elementary education. A copy of the teaching certificate or statement of eligibility must be submitted with the application.
- Applicants to the MAE program in Elementary Education must hold or be eligible to hold a teaching certificate at the elementary level OR have a valid elementary program on file with the Office of Professional Educator Services. (Note: Conversion program must be completed prior to or simultaneously with the MAE.)

\(^1\) Applicants whose certificates have expired may be admitted, but they may enroll for only six hours before they must apply to the EPSB for re-issued certificates. After completion of six hours, a student admitted with an expired certificate must submit a copy of the re-issued certificate before being allowed to register for any additional courses.

Please refer to the admission section (p. 13) of this catalog for Graduate School admission requirements.

Program Requirements (31-37 hours)
During the first course in the program, TCHL 500, students will complete an assessment process that will be used in determining which TCHL core courses they must take. Students are expected to enroll in TCHL 500 at the beginning of their program and in TCHL 560 toward the end, and in general, students should complete the professional education core (the TCHL courses except TCHL 560) as early as possible. Students should consult with their advisors regarding the optimal sequence of course work to meet their professional goals. An Action Research Project for Teacher Leaders focusing on a classroom, school, or district issue is the capstone for the completion of the program.

Mid-Point Assessment Requirements
To ensure master's candidates are proficient on Advanced Level Teacher Standards, it is recommended that a majority of the Critical Performances associated with the above TCHL courses be completed prior to the Specialization Component. Students must achieve an average of 3.0 on all Critical Performances and an average score of 3 on dispositions even though a candidate's program of studies does not include the courses. Additional course work may be required based on the assessment results.

</tr>
</tbody>
</table>

\(^1\) While enrolled in TCHL 500, master's candidates will use several documents, including their KTIP assessments or in-kind examples, dispositions self-surveys, referrals from school personnel, and their respective School Improvement Plan, to develop with their respective program advisors individualized programs of study of 30-31 hours related to Kentucky Teacher Standards and professional goals. Each student's program of study will include some or all of the TCHL courses, plus additional education-related or content courses.

\(^2\) All students must complete these courses or pass proficiency evaluations for these courses.

\(^3\) Advisor-approved courses selected from discipline in which student is certified or related courses relevant to the student's professional needs and goals. In place of the content electives, students may substitute course work for endorsements (e.g., English as a Second Language, Gifted and Talented Education, Environmental Education, and Instructional Computer Technology or other approved endorsements) or for meeting prerequisites for Instructional Leader programs.

Program Completion Requirements
- Successfully complete TCHL 560 (Course grade of C or higher).
- Give acceptable presentation of action research in an approved venue.
- Achieve a minimum 3.0 GPA overall and in program course work.

Elementary Education, Rank I (084)

Program Coordinator
Janet L. Tassell, janet.tassell@wku.edu, (270) 745-5306

This non-degree program leads to eligibility for Rank I.

Concentration(s)

  - Elementary education course (3 hrs)
  - Content-specific course (3 hrs)
- Additional Electives (10-17 hrs) | 3

**Total Hours**

33-39

1. While enrolled in TCHL 500, students will use several documents, including their KTIP assessments or in-kind examples, dispositions self-surveys, referrals from school personnel, and their respective School Improvement Plan, to develop with their respective program advisors individualized programs of study of 32 hours related to Kentucky Teacher Standards and professional goals. Each student’s program of study will include some or all of the TCHL courses, plus additional education-related or content courses.
All students must complete these courses or pass proficiency evaluations for these courses.

Advisor approved courses selected from discipline in which student is certified or related courses relevant to the student’s professional needs and goals (e.g. TCHL 520). In place of the content electives, students may substitute course work for endorsements (e.g. English as a Second Language, Gifted and Talented Education, Environmental Education, and Instructional Computer Technology or other approved endorsements) or for meeting prerequisites for Instructional Leader programs.

Program Completion Requirements
- Successfully complete TCHL 560 (Course grade of C or higher).
- Present research results in an approved venue.
- Achieve a minimum 3.0 GPA overall and in program course work.

Elementary Math Specialization P-5, Certificate (0485)

Program Coordinator
Janet L. Tassell, janet.tassell@wku.edu, (270) 745-5306

The Elementary Math Specialization P-5 Certificate is designed to give education professionals a breadth of elementary mathematics content and mathematics pedagogy knowledge. It will also further develop collaborative skills needed to enhance mathematical knowledge for teaching in P-5 team teaching or co-teaching settings.

Students may include the certificate course work within the Specialization component of the Masters of Arts in Education (MAE), Planned 5th year, Planned 6th year/Rank I and EdS programs in Elementary Education/Teacher Leader.

This graduate certificate program requires 15 hours that may be earned for the certificate only (stand-alone) or up to 12 hours may be incorporated into a degree program. This certificate may also be appropriate for:

- Out-of-state licensed, elementary teachers: Some states do not recognize the Elementary Math Specialist Endorsement as a licensing addition. Therefore, the “certificate” would be the route to show completion on their transcript.
- Middle or secondary licensed mathematics teachers or special education licensed teachers. For an Elementary Math Specialist Endorsement, EPSB requires teachers to hold an elementary license. Applicants in Elementary Education should check with their licensing entity to determine eligibility for the EMS Endorsement vs. EMS certificate to see which is available and which is the best fit.

Please refer to the admission section (p. 13) of this catalog for Graduate School admission requirements.

Gifted Education and Talent Development, Master of Arts in Education (0482)

Program Coordinator
Julia L. Roberts, julia.roberts@wku.edu, (270) 745-6480

The MAE in Gifted Education and Talent Development offers two concentrations, Advanced Certification for Teacher Leaders and Advanced Research Focus.

The Advanced Certification for Teacher Leaders concentration of the MAE in Gifted Education and Talent Development is designed to develop advanced certification for teachers who can positively impact student learning in their classrooms and schools with all children and young people, including those who are gifted and talented. Courses and experiences include professional learning communities in which students interact with other graduate students from various content areas and grade levels to discuss and work on real-world challenges and promising practices they encounter in schools. Candidates who complete the MAE will be eligible for a recommendation for Rank II and both the Gifted and Talented Education (KE37) and Teacher Leader (KTLE) endorsements. Individuals holding a Rank II will be eligible for a Rank I with both the Gifted and Talented Education (KE37) and Teacher Leader (KTLE) endorsements.

Educators pursuing the advanced certification for teacher leader concentration may be completing the graduate program to continue in a teaching position or to become a curriculum coordinator. Counselors, principals, librarians, and other specialized teachers will enhance their knowledge and skills in a concentration that leads to Rank II or a Rank I...
if candidates already hold a Rank II certification and the gifted education endorsement.

The MAE in Gifted Education and Talent Development with the Advanced Research Focus concentration may be used to achieve Rank I. An additional three-hour practicum and a passing score on Praxis II in Gifted Education are required for those seeking the endorsement in gifted education. The Advanced Research focus will prepare students for a variety of careers in higher education, government, policy work, or other organizations and could lead to a Rank I or specialist degree. The research concentration is planned for those pursuing different pathways:

- educators pursuing a rank change
- educators pursuing a rank change and the endorsement in gifted education (additional three-hour practicum and passing score on the Praxis II in gifted education required)
- individuals who are pursuing an advanced degree in gifted education - not certified personnel and that would include, but not be limited to, international students, psychologists, and those planning to earn a Ph.D. or Ed.D.

The MAE in Gifted Education and Talent Development is offered primarily online. Exceptions include the practicum and requests for face-to-face instruction for cohort groups.

### Concentration(s)
- Advanced Certification for Teacher Leaders (PCTL)
- Advanced Research Focus (PCRF)

### Program Admission

Criteria vary, depending on the student’s undergraduate institution and GPA as well as the concentration the student is pursuing.

#### Advanced Certification for Teacher Leaders Concentration

A copy of the applicant’s teaching certificate or statement of eligibility must be submitted with the application for admission to the Advanced Certification for Teacher Leaders concentration.

#### WKU Graduate Admission

Applicants who are alumni of WKU teacher preparation programs must submit a current, valid teaching certificate or Statement of Eligibility for IECE Birth to Primary; Elementary Education, P-5; Middle Grades Education, 5-9; Secondary Education, 8-12, 5-12, or P-12; or Special Education, P-12.

Applicants who are alumni of WKU teacher preparation programs must submit a current, valid teaching certificate or Statement of Eligibility for IECE Birth to Primary; Elementary Education, P-5; Middle Grades Education, 5-9; Secondary Education, 8-12, 5-12, or P-12; or Special Education, P-12.

Applicants with undergraduate degrees from all other higher education accredited universities must have a 2.75 GPA for all previous undergraduate coursework and a 3.0 GPA for previous graduate coursework or qualifying GAP scores (as defined below by year taken), and must have or be eligible for a teaching certificate for IECE Birth to Primary; Elementary Education, P-5; Middle Grades Education, 5-9; Secondary Education, 8-12, 5-12, or P-12; or Special Education, P-12.

Kentucky applicants whose certificates have expired may be admitted, but they may enroll for only six hours before which they must apply to the Kentucky Education Professional Standards Board for a re-issued certificate. Additional three-hour practicum and a passing score on Praxis II in gifted education required for those seeking the endorsement in gifted education. The Advanced Research focus will prepare students for a variety of careers in higher education, government, policy work, or other organizations and could lead to a Rank I or specialist degree. The research concentration is planned for those pursuing different pathways:

- educators pursuing a rank change
- educators pursuing a rank change and the endorsement in gifted education (additional three-hour practicum and passing score on the Praxis II in gifted education required)
- individuals who are pursuing an advanced degree in gifted education - not certified personnel and that would include, but not be limited to, international students, psychologists, and those planning to earn a Ph.D. or Ed.D.

The MAE in Gifted Education and Talent Development is offered primarily online. Exceptions include the practicum and requests for face-to-face instruction for cohort groups.

### Concentration(s)
- Advanced Certification for Teacher Leaders (PCTL)
- Advanced Research Focus (PCRF)

### Program Admission

Criteria vary, depending on the student’s undergraduate institution and GPA as well as the concentration the student is pursuing.

#### Advanced Certification for Teacher Leaders Concentration

A copy of the applicant’s teaching certificate or statement of eligibility must be submitted with the application for admission to the Advanced Certification for Teacher Leaders concentration.

#### WKU Graduate Admission

Applicants who are alumni of WKU teacher preparation programs must submit a current, valid teaching certificate or Statement of Eligibility for IECE Birth to Primary; Elementary Education, P-5; Middle Grades Education, 5-9; Secondary Education, 8-12, 5-12, or P-12; or Special Education, P-12.

Applicants with undergraduate degrees from all other higher education accredited universities must have a 2.75 GPA for all previous undergraduate coursework and a 3.0 GPA for previous graduate coursework or qualifying GAP scores (as defined below by year taken), and must have or be eligible for a teaching certificate for IECE Birth to Primary; Elementary Education, P-5; Middle Grades Education, 5-9; Secondary Education, 8-12, 5-12, or P-12; or Special Education, P-12.

Kentucky applicants whose certificates have expired may be admitted, but they may enroll for only six hours before which they must apply to the Kentucky Education Professional Standards Board for a re-issued certificate. After completion of six hours, a student admitted with an expired certificate must submit a copy of the reissued certificate before being allowed to register for any additional courses. Applicants from out-of-state with expired certificates must complete the requirements for their respective states to renew their certificates and submit a copy of the reissued certificate.

### Advanced Research Focus Concentration

Applicants must meet the following:

- Submit application to the Graduate School and meet all Graduate School requirements
- Have earned a Master’s degree from an accredited institution if pursuing a Rank I with this degree concentration
- Have a 3.0 on all graduate coursework
- Submit copies of all transcripts

Please refer to the admission section (p. 13) of this catalog for Graduate School admission requirements.

### Program Requirements (30-37 hours)

#### Advanced Certification for Teacher Leaders Concentration

The program for the MAE in Gifted Education and Talent Development, Advanced Certification for Teacher Leaders concentration has four instructional components. The first component, professional education, provides advanced level pedagogy, leadership, and content related to Kentucky Teacher Standards and applicable to all P-12 teachers working in the wide gamut of developmental and content areas. The second component, specialization, directs the candidates into gifted education as the selected area of specialization. The third component is the practicum, and electives make up the fourth component. Students may be required to complete additional elective hours to achieve the program minimum of 30 hours.

#### Code | Title | Hours
--- | --- | ---
TCHL 500 | Foundations of Teacher Leadership | 3
TCHL 545 | Classroom Instruction Strategies | 3
TCHL 555 | School and Classroom Assessment | 3
TCHL 559 | Capstone Project Design for Teacher Leadership | 1
TCHL 560 | Capstone Project for Teacher Leadership | 3

#### Mid-Point Assessment Requirements

To ensure that all master's candidates are proficient on Advanced Level Kentucky Teacher Standards, all Critical Performances associated with the above TCHL courses must be completed by candidates for the Advanced Certification for Teacher Leaders concentration, even if a candidate's program of studies does not include the courses. All candidates will upload all Critical Performances and have achieved an average score of 3.0 on all performances and an average score of 3 on dispositions. Additional coursework may be required based on the assessment results.

Electives

Select 0-6 hours with advisor approval 3 0-6

Total Hours 30-37

While enrolled in TCHL 500, students will use several documents, including their KTIP assessments or in-kind examples, dispositions self-surveys, referrals from school personnel, and their respective School Improvement Plan, to develop with their respective program advisors individualized programs of study of 30-37 hours related to Kentucky Teacher Standards and professional goals. Each student’s program of study will include some of the TCHL courses, plus courses in gifted and talented education.

TCHL 545 and TCHL 555 are required for all students or the student must pass proficiency evaluations for these courses.

Students who test out of TCHL 545 or TCHL 555 must replace those courses with elective courses on their program of study. With advisor approval, students may select appropriate elective courses from:

• the discipline in which the student is certified;
• academic disciplines related to the P-12 common core standards;
• CEBS content courses in exceptional education, interdisciplinary early childhood education, library media education, literacy, or psychology; or
• courses identified as prerequisites for instructional leader programs.

Candidates who choose not to take the proficiency evaluations or those who take the evaluations and do not demonstrate proficiency have the option of taking an additional 6 hours of elective coursework to add to their content or professional education knowledge.

Advanced Certification for Teacher Leaders Concentration Program Completion Requirements

• Successfully complete TCHL 560 (course grade of ”B” or higher)
• Give acceptable presentation of action research in an approved venue
• Complete the gifted education practicum demonstrating the knowledge and skills to teach children with gifts and talents.

Informational Note: P-12 Gifted Endorsement requires passing score on the Praxis II in gifted education.

Advanced Research Focus Concentration

The program for the Advanced Research Focus concentration requires the core gifted education courses (15 hours) and the specialization (15 hours) in advanced gifted education, research methods, and thesis. Students may complete additional elective hours in a discipline in which student is certified or related courses relevant to the student’s professional needs and goals.

Advanced Research Focus Concentration Program Completion Requirements

Candidates must successfully defend a thesis and have at least a 3.0 GPA overall and in program coursework.

Gifted Education and Talent Development, Specialist in Education (0490)

Program Coordinator
Julia L. Roberts, julia.roberts@wku.edu, (270) 745-6480

The Specialist Degree in Gifted Education and Talent Development prepares leaders to understand and implement strategies, procedures, and policies that allow children and youth with gifts and talents to achieve their potentials and to provide in-depth learning experiences to develop expertise in gifted education and talent development.

Program Admission

Applicants must have a master’s degree from an accredited institution of higher education or an equivalent international institution of higher education. The applicant must have a 3.0 grade-point-average in the master’s program.

Please refer to the admission section (p. 13) of this catalog for Graduate School admission requirements.

Total Hours 30-33

1 Advisor-approved courses selected from disciplines in which student is certified or related courses relevant to the student’s professional needs and goals.
If the graduate student has already completed the twelve hours required for the Gifted Endorsement (GTE 536, GTE 537, PSY 432G, and GTE 540) and the courses have already been counted on a prior degree, he/she must substitute other hours with advisor approval.

**Instructional Design, Certificate (0418)**

**Program Coordinator**
Xiaoxia Huang, xiaoxia.huang@wku.edu, (270) 745-4322

The Certificate in Instructional Design provides preparation in the principles and strategies of instructional design to enhance the competence of practitioners in designing effective and efficient instruction and training for students and employees in schools, government agencies, and private businesses.

The curriculum for the Certificate in Instructional Design includes 6 hours of required courses and 6 hours of restricted electives, for a total of 12 hours.

The curriculum for all Instructional Design courses is modularized (except ID 560 and ID 570). A student must demonstrate proficiency in each module. All courses will be offered for 3 hours credit (except for Special Topics and Practicum).

**Program Admission**
Please refer to the admission section (p. 13) of this catalog for Graduate School admission requirements.

**Instructional Design, Master of Science (0428)**

**Program Coordinator**
Xiaoxia Huang, xiaoxia.huang@wku.edu, (270) 745-4322

Instructional design is the systematic analysis of learning and performance needs, and the development of effective strategies, processes, systems, and products to address those needs. The purpose of instructional design is to improve learning and performance for people of all ages in a variety of settings, including educational environments, work places, community settings, schools, and homes. Professionals in the field of instructional design apply systematic instructional design methodologies and a variety of instructional strategies to accomplish established goals.

The Master of Science in Instructional Design prepares practitioners to assume leadership roles in public or private organizations. Program graduates are equipped to design and develop instructional elements such as instructional videos, online instructional activities, user manuals for instructors, instruction manuals for commercial products, professional development curricula for teachers, multimedia instructional units, training packs for trainers, instructional materials for vocational/technical courses, lesson and unit plans for classroom use, and educational curricula.

Program graduates will possess the following competencies:

- Ability to analyze a variety of instructional performance issues in business, government, education, and home settings
- Ability to design and develop instructional solutions, including appropriate combinations of traditional/-instructor-led strategies, constructivist techniques, technology systems, and performance support systems
- Ability to ethically and effectively manage instructional design projects, including project management/tracking and scheduling, budgeting, and client consultation skills
- Ability to design appropriate assessment plans for instructional solutions
- Ability to evaluate the efficiency and effectiveness of instructional solutions

Students who graduate with a master's degree in instructional design are equipped for employment as instructional designers and trainers in businesses, corporations, school and university settings, government agencies, and military services. Instructional design graduates may also be employed as managers of technology-based systems and designers of technology products in settings that include corporations, universities, community colleges, medical centers, libraries, and school districts.

The curriculum for all Instructional Design courses is modularized (except for ID 560 and ID 570). A student must demonstrate proficiency in each
module. All courses will be offered for 3 hours credit (except for Special Topics and Practicum).

Program Admission

Applicants to the MS in ID program must qualify for admission through one of the following three admission options.

1. Admission based on previously completed master’s degree requires the following: Admission may be recommended for applicants who hold a master's degree or higher from a regionally accredited institution and who earn an overall graduate GPA of 3.0 or higher.

2. Admission based on scores for the GRE or GMAT requires one of the following:
   a. Admission with GRE, minimum scores:
      i. Prior to August 2011: verbal, 380; quantitative, 540; analytical writing, 3.5.
      ii. After August 2011: verbal, 145; quantitative, 145; analytical writing, 3.5.
   b. Admission with GMAT, minimum scores:
      i. verbal, 21; quantitative, 32; integrated reasoning, 3; analytical writing, 3.5.

3. Admission with a baccalaureate degree but without GRE or GMAT scores requires all of the following:
   a. Applicants who hold a bachelor’s degree from a regionally accredited college or university may apply for admission without a GRE or GMAT score if they achieved an overall undergraduate GPA of 3.0 or at least a 3.2 GPA on their last 60 hours of appropriate undergraduate credit for the degree.
   b. The following materials must be submitted as part of an admission portfolio with the application form for admission to Graduate School and the MS in Instructional Design degree program:
      i. A letter of application that provides a rationale for admission without a GRE or GMAT score.
      ii. A statement explaining the applicant's career goal(s) and purpose(s) for pursuing the master's program in Instructional Design.
      iii. A current vita.
      iv. At least two letters of recommendation:
         1. One letter of reference from a college/university instructor that details the applicant's potential for successful completion of the Master of Science program in instructional design.
         2. One letter of reference from an employer or supervisor that addresses the applicant's dispositions that predict success as a member of an instructional design or training team.
      v. At least a 3-page paper that indicates the applicant's analytical writing ability.

The admission decision by program faculty under this alternative will be based on a review of the full set of admission documents. Applicants should strive to provide evidence of potential for completion of the degree and success in the field of instructional design.

In making a decision to recommend admission, the faculty may consider factors such as the nature of the previous degree, the quality of coursework, the age of the previous graduate degree, standardized test scores, and other factors as deemed appropriate.

Program Requirements (30 hours)

The program includes one 3-hour research course, 15 hours of required courses, and 12 hours of advisor-approved professional emphasis courses for a program total of 30 hours.

With advisor approval students may take up to 6 hours of adult education, educational technology, or other appropriate courses.

Total Hours: 30

1. Or advisor approved equivalent. Students may transfer in a previous graduate research course with a grade of B or higher that meets the Graduate School Currency of Courses policy. If the course is over six years old, students may take a Research Competency Exam to satisfy this requirement and replace the 3 hours with an elective.

2. The capstone course requires the development and application of an authentic and professional quality product for their approved workplace setting. A professional portfolio is compiled and submitted in the capstone course in multimedia format (CD, DVD, or web based) focused on projects and activities from across the program.

3. The student and ID faculty advisor will collaborate to select courses in the best interest of the student's career goals. Students must take 6-12 hours of Instructional Design courses from the professional emphasis list above. If the 12 hours are completed in Instructional Design courses, no more than 6 hours between ID 575 and ID 590 courses may be taken. However, if a student elects to take hours of advisor-approved adult education courses, educational technology courses, or transfer courses, then neither ID 575 nor ID 590 may be completed as part of the professional emphasis and the student must complete two other ID professional emphasis courses listed above.
Program Coordinator
Elizabeth G. Kirby, gail.kirby@wku.edu, (270) 745-5414

The program is designed to prepare early childhood educators to work with children with and without disabilities, ages birth through kindergarten and their families. IECE program graduates are qualified to work with children from birth to entry into the primary program. This includes teaching children in kindergarten or other programs for five-year-olds if those programs are operated separately from the primary program. Graduates are prepared for positions in public schools, First Steps, Head Start programs, child care centers, and other public and private agencies serving young children and families.

The MAT program in IECE, Birth to Primary, Initial Certification is for individuals who are not certified in any area of education or whose certification is not in IECE. The performance-based program of study requires 34 semester hours of course work and various field experiences. The culminating experience of the program is an internship. Upon completion of the program and achieving a passing score on the required PRAXIS II exam, students are eligible to be recommended for the Statement of Eligibility to teach children age’s birth through kindergarten.

Program Admission
To be considered for admission, applicants must be:

- Document completion of a bachelor’s degree from an accredited institution.
- Have completed SPED 330 or SPED 516 or an equivalent introductory special education course prior to entering the MAT program or complete SPED 516 as a program deficiency.
- Present a letter of application including a professional goals statement.
- Provide three letters of reference. At least one reference letter must be from a university faculty member who can speak to the applicant’s ability to be successful in a graduate program.
- Document a cumulative overall grade point average (GPA) of 2.75 or above (counting all course work, undergraduate or graduate) OR a GPA of 3.0 in the last 30 hours of course work (counting all course work, undergraduate and graduate).
- Submit documentation to satisfy partial criteria for admission to professional education including: references; physical including TB test; signed code of ethics; criminal background check; and passing standardized test scores.
- Applicants must also have had SPED 330 or SPED 516 or an equivalent course prior to entering the master’s program or complete one of them as a program deficiency.

Application Deadline Notes
For priority consideration applicants should submit application materials to the Graduate School by the following dates:

- Summer Admission: March 1;
- Fall Admission: May 1;
- Spring Admission: November 1

Applicants submitting materials after the above deadline dates cannot be guaranteed that applications will be reviewed in time for admission for the upcoming term nor that course space will be available.

Please refer to the admission section (p. 13) of this catalog for Graduate School admission requirements.

Interdisciplinary Early Childhood Education, Birth to Primary, for Teacher Leaders, Master of Arts in Education (0461)

Program Coordinator
Elizabeth G. Kirby, gail.kirby@wku.edu, (270) 745-5414

The program is designed to prepare early childhood educators to provide leadership in working with children with and without disabilities, age’s birth through kindergarten and their families. Courses and experiences include Professional Learning Communities in which students interact with other graduate students from various content areas and grade levels to discuss and work on real world challenges and promising practices they encounter in schools and other settings with early childhood programs. IECE program graduates are qualified to work with children from birth to entry into the primary program. This includes teaching children in kindergarten or other programs for five-year-olds if those programs are operated separately from the primary program. Graduates are prepared for positions in public schools, First Steps, Head Start programs, child care centers, and other public and private agencies serving young children and families. In addition, graduates may serve in leadership roles, such as preschool consultant, professional development provider, child evaluation specialist, etc.
Program Admission
To be considered for admission, applicants must be:

- WKU Graduate: Applicants who are alumni of WKU teacher preparation programs must hold or be eligible for a teaching certificate for Interdisciplinary Early Childhood Education. Applicants must submit a copy of the teaching certificate or Statement of Eligibility* with the application.
- Graduate of a Kentucky Higher Education Institution Other Than WKU: Applicants who completed their initial certification program at another Kentucky institution must have earned at least a 2.75 GPA* for all previous coursework (undergraduate and graduate) and must hold or be eligible for a teaching certificate for Interdisciplinary Early Childhood Education. Applicants must submit a copy of the teaching certificate or Statement of Eligibility** with the application.
- Graduate of an Out-of-State Institution of Higher Education: Applicants who completed their initial certification program at an out of state institution must have earned at least a 2.75* GPA for all previous coursework (undergraduate and graduate) and must hold or be eligible for a teaching certificate for Interdisciplinary Early Childhood Education. Applicants must submit a copy of the teaching certificate or Statement of Eligibility** with the application.

Applicants with undergraduate degrees from all other accredited universities with a GPA lower than 2.75 (undergraduate and graduate) must achieve a GAP score \(((\text{GRE-V} + \text{GRE-Q}) \times \text{GPA})\) of 561 or higher. The 561 score must include a GRE Verbal Reasoning score of 143 or higher, a GRE Quantitative Reasoning score of 143 or higher, and a GRE Analytical Writing score of 3.5 or higher. For GRE scores prior to August 1, 2011, a GAP score (GRE score multiplied by the undergraduate GPA) of 2200 or higher and a GRE Analytical Writing score of 3.5 or higher is required. In addition, applicants must have a valid teaching certificate for interdisciplinary early childhood education. A copy of the teaching certificate must be submitted with the application.

Please refer to the admission section (p. 13) of this catalog for Graduate School admission requirements.

Program Requirements (36 hours)
This degree program is designed for individuals who have prior teaching certification in IECE. The 36-hour program of study consists of 15 semester hours of professional education coursework, 12 semester hours of required specialization courses, and 9 semester hours of specialization electives approved by the advisor.

1. While enrolled in TCHL 500, students will use several documents, including their KTIP assessments or in-kind examples, dispositions self-surveys, referrals from school personnel, and their respective School Improvement Plan, to develop with their respective program advisors individualized programs of study of 36 hours related to Kentucky IECE Teacher Standards and professional goals.

2. Or advisor approved elective

Interdisciplinary Early Childhood Education, Rank I (156)

Program Coordinator
Elizabeth G. Kirby, gail.kirby@wku.edu, (270) 745-5414

This non-degree program is designed to prepare educators to work with children both with and without special needs, age’s birth through kindergarten and their families. Graduates are eligible to apply for certification in interdisciplinary early childhood education (IECE), birth to primary (B to P). This certification qualifies individuals to work with children from birth to entry into the primary program. This includes teaching children in kindergarten or other programs for five-year-olds if those programs are operated separately from the primary program. Graduates are prepared for positions in public schools, First Steps, Head Start programs, child care centers, and other public and private agencies serving young children and families.

Concentration(s)
- Interdisciplinary Early Childhood Education (KIE)

Program Admission
In addition to meeting Graduate School and College of Education and Behavioral Sciences admissions requirements, applicants must complete the IECE application process through the School of Teacher Education. This application process includes documentation of early childhood related professional experiences and training, a professional written goals statement, and three letters of reference. Applicants must be officially admitted to the IECE program before beginning the program sequence. Students must also have had SPED 330 or SPED 516 or equivalent prior to entering the Rank I program or complete one of them as a program deficiency.

Please refer to the admission section (p. 13) of this catalog for Graduate School admission requirements.

Program Requirements (33 hours)
The performance-based program of study requires 33 hours of course work and 240 clock hours of field experiences. Approximately one-half of the field experience hours are completed as a part of ongoing course work. The culminating experience of the program is a summer internship.
Libraries, Informatics, and Technology in Education, Master of Science (0497)

Program Coordinator
Margaret G. Maxwell, marge.maxwell@wku.edu, (270) 745-2435

The Master of Science with an emphasis in libraries, informatics, and technology in education. Students seeking additional teacher certification will earn the School Librarian certification and the Instructional Computer Technology Endorsement. The Master of Science degree is a 30-hour program. A 27-hour core of courses and one restricted elective are required. This degree may be used for the Kentucky Rank II or Rank I salary levels.

Program Admission

Students who seek advanced teacher certification must hold teaching certification.

Students may complete this program without seeking teacher certification if they intend to seek employment in a setting other than public education (where teacher certification is required). This program does not provide initial teacher certification.

Admission requirements:

• Submission of graduate application to the Graduate School
• Submission of official transcripts of all college work

• Submission of copy of teaching certificate if you are seeking advanced certification in School Librarian and Instructional Computer Technology Endorsement
• A letter of application which should include information about the applicant’s academic and career background, professional goals and interests, and other information relevant to the applicant’s potential for success in the program. If you are not seeking teacher certification, please indicate this in your letter.
• A current resume or vitae
• Two letters of recommendation from professional colleagues or college/university faculty members who can provide information about the applicant’s potential for success in the MS in LME program
• Minimum 3-page original writing sample that demonstrates the applicant’s analytical writing ability.

The admission decision by program faculty is based on a review of the full set of admission documents. Applicants should strive to provide evidence of potential for completion of the degree and success in the field of libraries, informatics, and technology in education.

Please refer to the admission section (p. 13) of this catalog for Graduate School admission requirements.

Program Requirements (30 hours)

The Master of Science in Libraries, Informatics, and Technology in Education requires a minimum of 30 hours.

Libraries, Informatics, and Technology in Education, Master of Science (0497)
Certification Examination
While a certification examination is not a requirement to earn the Master of Science in LME, Kentucky does require a passing score on the PRAXIS II Subject Assessments-Library Media Specialist for certification as a school media librarian. Students outside of Kentucky are responsible for determining the requirements for certification in their states.

Literacy Education, Master of Arts in Education (044)

Program Coordinator
Nancy F. Hulan, nancy.hulan@wku.edu, (270) 745-4324

The Master of Arts in Education - Literacy Education is tailored to improve literacy instruction at all grade levels and is open to teachers in regular classrooms, special education classrooms, special reading classes, basic adult education classes, and community college reading instructors. Thesis and non-thesis options are available to students. Students in the non-thesis option complete a comprehensive literacy project.

Concentration(s)
• Reading P-12 (KRE)

Program Admission
Admission to the Literacy Education program requires:

1. GRE scores (converted with undergraduate GPA to a GAP score) or Alternate Portfolio:
   a. Scores August 2011 and after: minimum GAP score of 578 or higher [GAP = (GRE-V + GRE-Q) + (Undergraduate GPA x 100)], with a minimum verbal and quantitative score of 139 each.
   Applicants must also achieve an Analytical Writing score of 3.5 or higher. While this is not a requirement for the WKU Graduate School entry, it is used in the application process of this program.
   b. Applicants with a GAP score lower than required for admission and with at least a 3.5 Analytical Writing score may contact a member of the literacy faculty for information on documentation required under the alternate admissions policy of the program area.
   c. Applicants with teaching degrees from an accredited university and a 3.5 undergraduate GPA or higher have the option to submit an alternate portfolio in lieu of GRE scores. Alternate Portfolios must include the following and will be submitted to Literacy Program representative and reviewed by Literacy graduate faculty:
      i. An introductory letter explaining your interest in and intention to pursue the MAE in Literacy Education (if there are questionable areas in your transcript or work samples, explain them here)
      ii. At least two letters of recommendation from professors, cooperating teachers with whom you have worked, or others who can accurately share information about your teaching, course work, or character
      iii. Two or three work samples demonstrating your experience in education, which can include any of the following:
         1. Your Key Assessment from LTCY 420 and LTCY 421 or an equivalent undergraduate literacy course
         2. Copies of lesson plans (specific to reading/writing/language arts) with post-teaching assessment pieces and reflections

2. Submit a current teaching certificate or Statement of Eligibility valid for classroom teaching for IECE, Birth to Primary; Elementary Education, P-5; Middle Grades Education, 5-9; Secondary Education, 8-12, 5-12, or P-12; or Special Education, P-12 when applying to the MAE: Literacy Education program.

Please refer to the admission section (p. 13) of this catalog for Graduate School admission requirements.

Thesis:

- LTCY 599 Thesis Research and Writing

Non-Thesis Option:
Differentiating Literacy Instruction

Fundamentals of Reading and Related Language Job-Embedded Literacy Methods

Please refer to the admission section (p. 13) of this catalog for Graduate School admission requirements.

**Program Coordinator**
Pamela J. Petty, pamela.petty@wku.edu, (270) 745-5414

The Literacy in Post-Secondary Settings Certificate provides graduate students with essential skills and instructional strategies to provide support for literacy learners and aligns with the Senate Bill 1 (2009) mandate for P-20 alignment of the Kentucky Core Academic Standards for English/Language Arts. This 18 credit-hour certificate is appropriate for, but not limited to, instructors at community colleges, technical schools, and adult education institutions. Courses within the Literacy in Post-Secondary Settings Certificate are not appropriate for certified teachers and do not count toward the MAE-Literacy Education degree program.

**Program Admission**

Persons applying to the Literacy in Post-Secondary Settings Certificate must be admitted to the Graduate School, and submit an application, two letters of recommendation, and statement of professional goals. For applicants from non-English speaking countries a minimum TOEFL paper score of 550, or a score of 79 on the internet based test, is required.

Please refer to the admission section (p. 13) of this catalog for Graduate School admission requirements.

The MAT in Middle Grades Education for Initial Certification leads to initial certification in Middle Grades Education (grades 5-9) for qualified individuals with bachelor’s degrees and content majors (or equivalent for those who qualify for temporary provisional certification in approved areas). Course work and experiences in the program provide students who have a deep knowledge of their respective disciplines, but no background in professional education, with the pedagogical knowledge and skills to become highly qualified educators in their fields. Upon completion of the program, graduates will be professional educators who possess the dispositions and skills to apply state-of-the-art, evidence-based, best teaching practices to increase student achievement.

There are three concentrations in this program:

1. Alternate Route to Certification Concentration for English/Language Arts, Social Studies, Mathematics, and Science (EARC)
2. Standard Concentration for English/Language Arts, Social Studies, Mathematics, and Science (ESTN)
3. Residency Concentration for Science and Mathematics (ERSM) (e.g. GSkyTeach)

Note that Concentrations 1 and 2 appear identical; however, the differences between these concentrations are characterized by students with and without a temporary provisional teaching certificate and those who must meet the equivalent of the state required student teaching requirements along with the specific content area in which students are seeking certification.

Students in all three concentrations are expected to become competent in theory, research, and application of best teaching practices in their respective fields and to exhibit appropriate teacher disposition behaviors as indicated by the College of Education and Behavioral Sciences Disposition Rating Form. All professional education courses in the program require satisfactory completion of critical performance indicators (CPIs); these must be submitted as directed before the final course grade is recorded. Each course's CPIs become a part of the student's portfolio that is reviewed periodically throughout the program.

Students who seek admission to the Alternate Route to Teacher Certification must meet additional requirements in order to qualify for temporary provisional certification, and they must complete all requirements for certification within three years of the time of employment by a school district. A recommendation for professional certification will be contingent upon successful completion of the Kentucky Teacher Internship Program (KTIP) and submission of qualifying scores on all required examinations for the desired area of certification. Additional information about the Alternate Route to Teacher Certification concentrations may be found on the website for the Office of Professional Educator Services.

Upon successful completion of the MAT in Middle Grades Education for Initial Certification and satisfaction of all other certification requirements, student who do not participate in the Alternate Route to Certification concentrations but participate in the Standard Concentration will qualify for a Statement of Eligibility for Certification. The Internship course for these students must be a full semester or equivalent in length. Students in the residency (e.g. GSkyTeach) concentration must meet all expectations associated with that residency program.
Concentration(s)
- Alternate Route to Certification (EARC)
- Standard (ESTN)
- Residency for Science and Math (ERSM)

Program Admission
Applicants must meet one of the following, depending upon the chosen concentration.

Standard Concentration and the Alternate Route to Certification Concentration
- Document completion of a baccalaureate degree with a major, or equivalent, in an approved certification area and from an accredited institution.
- Be recommended for admission following a transcript review by an MAT advisor associated with the certification area sought. (If deficiencies are cited the applicant may be required to take additional undergraduate courses.)
- Submit a letter of application including professional goals
- Document a cumulative overall grade point average (GPA) of 2.75 or above (counting all course work, undergraduate and graduate) OR a GPA of 3.0 in the last 30 hours of course work (counting all course work, undergraduate and graduate).
- Submit a passing score on the appropriate PRAXIS II test in major area.
- Submit state minimum passing scores for GRE or CASE for admission to the professional education unit.
- Submit a successful criminal background check.
- Submit the following documentation prior to acceptance to Graduate School: 3 references, physical (including TB test), and a signed code of ethics.

Residency Concentration for Science and Mathematics Educators
- A baccalaureate degree with a major in physics, chemistry, or mathematics with a 2.5 GPA in the major area of concentration.
- A minimum undergraduate GPA of 2.75.
- Satisfaction of state minimum requirements for GRE or PPST qualifying scores for admission to the professional education unit.
- A successful criminal background check.
- A passing score on the PRAXIS II test in the major area. (This score must be submitted within the first semester of enrollment in the teacher residency program.)
- Documentation to demonstrate that applicant meets all expectations for employment with the partnership school districts.

Please refer to the admission section (p. 13) of this catalog for Graduate School admission requirements.

Middle Grades Education for Teacher Leaders, Master of Arts in Education (0434)

Program Coordinator
John A. Moore, john.moore@wku.edu, (270) 745-5415

This program is designed to develop Teacher Leaders who can positively impact student learning in their classrooms and schools. Courses and experiences include Professional Learning Communities in which
students interact with other graduate students from various content areas and grade levels to discuss and work on real world challenges and promising practices they encounter in schools.

The program is divided into two instructional components. The first component, Professional Education, provides advanced level pedagogy, leadership, and content related to Kentucky Teacher Standards and applicable to all P-12 teachers working in the wide gamut of developmental levels and content areas. The second component, Specialization, directs the candidate into an individual program in content, pedagogy, and/or areas of professional growth concurrent with the goals of each candidate.

Concentration(s)

- Environmental Education (KEV)
- Gifted Education Endorsement (KE37)
- Kentucky Computer Technology (KCT)
- Teaching English as a Second Language Endorsement (KE36)

Program Admission

Criteria vary, depending on the student’s undergraduate institution and GPA:

- Applicants who are alumni of WKU teacher preparation programs must submit a current, valid teaching certificate or Statement of Eligibility for Middle Grades (Grades 5-9).
- Applicants with undergraduate degrees from all other accredited universities will be admitted without a qualifying GRE score if they have a minimum 2.75 GPA for all previous coursework (undergraduate and graduate) and a valid teaching certificate for middle grades education. A copy of the certificate must be submitted with the application.
- Applicants with undergraduate degrees from all other accredited universities with a GPA lower than 2.75 (undergraduate and graduate) must achieve a GAP score [(GRE-V + GRE-Q) + (GPA x 100)] of 550 or higher. The 550 score must include a GRE Verbal Reasoning score of 139 or higher, a GRE Quantitative Reasoning score of 139 or higher, and a GRE Analytical Writing score of 3.5 or higher. For GRE scores prior to August 1, 2011, a GAP score (GRE x undergraduate GPA) of 2200 or higher and a GRE Analytical Writing score of 3.5 or higher is required. In addition, applicants must have a valid teaching certificate. A copy of the teaching certificate or statement of eligibility must be submitted with the application.
- Applicants to the MAE program in Middle Grades must hold or be eligible to hold a teaching certificate at the middle grades level or have a valid middle grades program on file with the Office of Professional Educator Services. (Note: Conversion program must be completed prior to or simultaneously with the MAE.)
- Applicants whose certificates have expired may be admitted, but they may enroll for only six hours before they must apply to the EPSB for re-issued certificates. After completion of six hours, a student admitted with an expired certificate must submit a copy of the re-issued certificate before being allowed to register for any additional courses.

Please refer to the admission section (p. 13) of this catalog for Graduate School admission requirements.

Program Requirements (30-37 hours)

During the first course in the program, TCHL 500, students will complete an assessment process that will be used in determining which TCHL core courses they must take. Students are expected to enroll in TCHL 500 at the beginning of their program and in TCHL 560 toward the end, and in general, students should complete the professional education core (the TCHL courses except TCHL 560) as early as possible. Students should consult with their advisors regarding the optimal sequence of course work to meet their professional goals. An Action Research Project for Teacher Leaders, focusing on a classroom, school, or district issue, is the capstone for the completion of the program.

Mid-Point Assessment Requirements

To ensure master’s candidates are proficient on Advanced Level Teacher Standards, it is recommended that a majority of the Critical Performances associated with the above TCHL courses be completed prior to the Specialization Component. Students must achieve an average of 3.0 on all Critical Performances and an average score of 3 on dispositions even though a candidate’s program of studies does not include the courses. Additional course work may be required based on the assessment results.

1 While enrolled in TCHL 500, students will use several documents, their KTIP assessments or in-kind examples, dispositions self-surveys, referrals from school personnel, and their respective School Improvement Plan, to develop with their respective program advisors individualized programs of study of 32 hours related to Kentucky Teacher Standards and professional goals. Each student’s program of study will include some or all of the TCHL courses, plus additional education-related or content courses.

2 All students must complete these courses or pass proficiency evaluations for these courses.

3 With advisor approval, students may select appropriate elective courses from: the discipline in which the student is certified; academic disciplines related to P-12 common core standards; CEBS content courses in exceptional education, interdisciplinary early childhood education, library media education, literacy, or psychology; approved endorsements (e.g., English as a Second Language, Gifted and Talented Education, Environmental Education, Instructional Computer Technology); and courses identified as prerequisites for Instructional Leader programs.
Completion Requirements
- Successfully complete TCHL 560 (Course grade of C or higher).
- Give acceptable presentation of action research in an approved venue.
- Achieve a minimum 3.0 GPA overall and in program course work.

Middle Grades Education, Rank I (158)
Program Coordinator
John A. Moore, john.moore@wku.edu, (270) 745-5415
This non-degree program leads to eligibility for Rank I.

Concentration(s)
- Environmental Education (KEV)
- Gifted Education Endorsement (KE37)
- Kentucky Computer Technology (KCT)
- Middle Grades English (K30)
- Middle Grades Math (K71)
- Middle Grades Science (K50)
- Middle Grades Social Studies (K20)
- Teaching English as a Second Language Endorsement (KE36)

Program Admission
Please refer to the admission section (p. 13) of this catalog for Graduate School admission requirements.

Program Requirements (30 hours)
This program requires 30 semester hours in addition to the requirements for a Planned Fifth-Year program, or 60 semester hours including a master's degree.

Electives
- Advisor-approved professional courses: 6 hours
- Advisor-approved specialization courses: 12 hours
- Total Hours: 30

1. Students should enroll in EDU 601 within the first 7 hours of course work in the Non-Degree Planned Rank I or Specialist Degree.
2. An approved elective may be substituted if an introductory Exceptional Education course is on the student’s transcript.
3. Students should enroll in EDU 698 after completing at least 24 hours of course work in the Non-Degree Planned Rank I or Specialist Degree.

Secondary Education for Initial Certification, Master of Arts in Teaching (0495)
Program Coordinator
Martha M. Day, martha.day@wku.edu, (000) 000-0000
The MAT in Secondary Education for Initial Certification leads to initial certification in Secondary Education (grades P-12; 5-12; 8-12, depending on certification area) for qualified individuals with bachelor’s degrees and content majors (or equivalent for those who qualify for temporary provisional certification in approved areas). Course work and experiences in the program provide students who have a deep knowledge of their respective disciplines, but no background in professional education, with the pedagogical knowledge and skills to become highly qualified educators in their fields. Upon completion of the program, graduates will be professional educators who possess the dispositions and skills to apply state-of-the-art, evidence-based, best teaching practices to increase student achievement.

There are three concentrations in this program:
1. Alternate Route to Certification Concentration for Art, Biology, Chemistry, Chinese, Business and Marketing Education, Chinese, Earth and Space Science, English/Language Arts, French, German, Mathematics, Music, Physics, Social Studies, and Spanish.
3. Residency Concentration for Science and Mathematics (Secondary 8-12)(e.g. GSKyTeach)

Note that Concentrations 1 and 2 appear identical; however, the differences between these concentrations are characterized by students with and without a temporary provisional teaching certificate and those who must meet the equivalent of the state required student teaching requirements along with the specific content area in which students are seeking certification.

Students in all three concentrations are expected to become competent in theory, research, and application of best teaching practices in their respective fields and to exhibit appropriate teacher disposition behaviors as indicated by the College of Education and Behavioral Sciences Disposition Rating Form. All professional education courses in the program require satisfactory completion of critical performance indicators (CPIs); these must be submitted as directed before the final course grade is recorded. Each course’s CPIs become a part of the student’s portfolio that is reviewed periodically throughout the program.

Students who seek admission to the Alternate Route to Teacher Certification must meet additional requirements in order to qualify for temporary provisional certification, and they must complete all requirements for certification within three years of the time of employment by a school district. A recommendation for professional certification will be contingent upon successful completion of the Kentucky Teacher Intern-ship Program (KTIP) and submission of qualifying scores on all required examinations for the desired area of certification. Additional information about the Alternate Route to Teacher
Certification concentrations may be found on the website for the Office of Professional Educator Services.

Upon successful completion of the MAT in Secondary Education for Initial Certification and satisfaction of all other certification requirements, student who do not participate in the Alternate Route to Certification concentrations but participate in the Standard Concentration will qualify for a Statement of Eligibility for Certification. The Internship course for these students must be a full semester or equivalent in length. Students in the residency (e.g. GSKyTeach) concentration must meet all expectations associated with that residency program.

**Concentration(s)**

- Alternate Route to Certification (EARC)
- Standard (ESTN)
- Residency for Science and Math (ERSM)

**Program Admission**

Applicants must meet one of the following, depending upon the chosen concentration.

**Admission Requirements for the Standard Concentration and the Alternate Route to Certification Concentration**

- Document completion of a baccalaureate degree with a major, or equivalent, in an approved certification area and from an accredited institution.
- Be recommended for admission following a transcript review by a MAT advisor associated with the certification area sought. (If deficiencies are cited the applicant may be required to take additional undergraduate courses.)
- Submit a letter of application including professional goals
- Document a cumulative overall grade point average (GPA) of 2.75 or above (counting all course work, undergraduate and graduate) OR a GPA of 3.0 in the last 30 hours of course work (counting all course work, undergraduate and graduate).
- Submit a passing score on the appropriate PRAXIS II test in major area.
- Submit state minimum passing scores for GRE or CASE for admission to the professional education unit.
- Submit a successful criminal background check.
- Submit the following documentation prior to acceptance to Graduate School: 3 references, physical (including TB test), and a signed code of ethics.

**Admission Requirements for the Residency Concentration for Science and Mathematics Educators**

- A baccalaureate degree with a major in physics, chemistry, or mathematics with a 2.5 GPA in the major area of concentration.
- A minimum undergraduate GPA of 2.75.
- Satisfaction of state minimum requirements for GRE or CASE qualifying scores for admission to the professional education unit.
- A successful criminal background check.
- A passing score on the PRAXIS II test in the major area. (This score must be submitted within the first semester of enrollment in the teacher residency program.)
- Documentation to demonstrate that applicant meets all expectations for employment with the partnership school districts.

Please refer to the admission section (p. 13) of this catalog for Graduate School admission requirements.

**Program Requirements (30-36 Hours)**

**Alternate Route to Certification Concentration (36 hours) and Standard Concentration (36 hours)**

(Alternate Route to Certification Concentration is for Art, Biology, Chemistry, Business and Marketing Education, Earth and Space Science, English/Language Arts, Family and Consumer Sciences, French, German, Mathematics, Music, Physics, Social Studies, and Spanish)

(Standard Concentration is for Art, Biology, Business and Marketing Education, Chemistry, Chinese, Earth and Space Science, English/Language Arts, French, German, Mathematics, Music, Physical Education, Physics, Social Studies, and Spanish)

Secondary Education for Teacher Leaders, Master of Arts in Education (0435)

Program Coordinator
Rebecca R. Stobaugh, rebecca.stobaugh@wku.edu, (000) 000-0000

This program is designed to develop Teacher Leaders who can positively impact student learning in their classrooms and schools. Courses and experiences include Professional Learning Communities in which students interact with other graduate students from various content areas and grade levels to discuss and work on real world challenges and promising practices they encounter in schools.

The program is divided into two instructional components. The first component, Professional Education, provides advanced level pedagogy, leadership, and content related to Kentucky Teacher Standards and applicable to all P-12 teachers working in the wide gamut of developmental levels and content areas. The second component, Specialization, directs the candidate into an individual program in content, pedagogy, and/or areas of professional growth concurrent with the goals of each candidate.

Concentration(s)
- Environmental Education (KEV)
- Gifted Education Endorsement (KE37)
- Kentucky Computer Technology (KCT)
- Teaching English as a Second Language Endorsement (KE36)

Program Admission
Criteria vary, depending on the student’s undergraduate institution and GPA:

- Applicants who are alumni of WKU teacher preparation programs must submit a current, valid teaching certificate or Statement of Eligibility\(^1\) for Secondary (Grades 8-12, 5-12, or P-12).
- Applicants with undergraduate degrees from all other accredited universities will be admitted without a qualifying GRE score if they have a minimum 2.75 GPA for all previous coursework (undergraduate and graduate) and a valid teaching certificate for secondary education. A copy of the certificate must be submitted with the application.
- Applicants with undergraduate degrees from all other accredited universities with a GPA lower than 2.75 (undergraduate and graduate) must achieve a GAP score \([(\text{GRE-V} + \text{GRE-Q} + (\text{GPA} \times 100))]/550\) or higher. The 550 score must include a GRE Verbal Reasoning score of 139 or higher, a GRE Quantitative Reasoning score of 139 or higher, and a GRE Analytical Writing score of 3.5 or higher. For GRE scores prior to August 1, 2011, a GAP score (GRE x undergraduate GPA) of 2200 or higher and a GRE Analytical Writing score of 3.5 or higher is required. In addition, applicants must have a valid teaching certificate. A copy of the teaching certificate or statement of eligibility must be submitted with the application.
- Applicants with undergraduate degrees from all other accredited universities with a GPA lower than 2.75 (undergraduate and graduate) must achieve a GAP score \([(\text{GRE-V} + \text{GRE-Q} + (\text{GPA} \times 100))]/550\) or higher. The 550 score must include a GRE Verbal Reasoning score of 139 or higher, a GRE Quantitative Reasoning score of 139 or higher, and a GRE Analytical Writing score of 3.5 or higher. For GRE scores prior to August 1, 2011, a GAP score (GRE x undergraduate GPA) of 2200 or higher and a GRE Analytical Writing score of 3.5 or higher is required. In addition, applicants must have a valid teaching certificate. A copy of the teaching certificate or statement of eligibility must be submitted with the application.
- Applicants to the MAE program in Secondary Education must hold or be eligible to hold a teaching certificate at the secondary level OR have a valid secondary program on file with the Office of Professional Educator Services. (Note: Conversion program must be completed prior to or simultaneously with the MAE.)

1. Applicants whose certificates have expired may be admitted, but they may enroll for only six hours before they must apply to the EPSB for re-issued certificates. After completion of six hours, a student admitted with an expired certificate must submit a copy of the re-issued certificate before being allowed to register for any additional courses.

Program Requirements (30-37 hours)
During the first course in the program, TCHL 500, students will complete an assessment process that will be used in determining which TCHL core courses they must take. An Action Research Project for Teacher Leaders focusing on a classroom, school, or district issue is the capstone for the completion of the program.

Students must complete either a major or a minor in secondary education, and they typically complete a major or a minor in their respective certification disciplines. The following majors are permitted: art, biology, chemistry, history, music, and secondary education. This program permits minors in the following areas: agriculture, art, biology, business and marketing education, chemistry, earth and space science, English, family and consumer science, French, German, health, history, technology education, mathematics, physical education, physics, secondary education, and Spanish. The program may also be planned to include a certification endorsement for gifted education, English as a second language, environmental education, instructional computer technology, or other approved endorsements.

Students are expected to enroll in TCHL 500 at the beginning of their program and in TCHL 560 toward the end, and in general, students should complete the professional education core (the TCHL courses except TCHL 560) as early as possible. Students should consult with their advisors regarding the optimal sequence of course work to meet their professional goals.

Mid-Point Assessment
To ensure master’s candidates are proficient on Advanced Level Teacher Standards, it is recommended that a majority of the Critical Performances associated with the above TCHL courses be completed prior to the Specialization Component. Students must achieve an average of 3.0 on all Critical Performances and an average score of 3 on dispositions even though a candidate’s program of studies does not include the courses. Additional course work may be required based on the assessment results.

<td>15-21</td>
</tr>
</tbody>
</table>
Electives (9-15 hrs)  

Total Hours 30-37

1 While enrolled in TCHL 500, master’s candidates will use several documents, including their KTIP assessments or in-kind examples, dispositions self-surveys, referrals from school personnel, and their respective School Improvement Plan, to develop with their respective program advisors individualized programs of study of 30-31 hours related to Kentucky Teacher Standards and professional goals. Each student’s program of study will include some or all of the TCHL courses, plus additional education-related or content courses.

2 All students must complete these courses or pass proficiency evaluations for these courses. Students who successfully complete the proficiency examinations for TCHL 545 and TCHL 555 may substitute another education course with advisor approval.

3 With advisor approval, students may select appropriate elective courses from: the discipline in which the student is certified; academic disciplines related to P-12 common core standards; CEBS content courses in exceptional education, interdisciplinary early childhood education, library media education, literacy, or psychology; approved endorsements (e.g., English as a Second Language, Gifted and Talented Education, Environmental Education, Instructional Computer Technology); and courses identified as prerequisites for Instructional Leader programs.

Completion Requirements

- Successfully complete TCHL 560 (Course grade of C or higher).
- Give acceptable presentation of action research in an approved venue.
- Achieve a minimum 3.0 GPA overall and in program course work.

Secondary Education, Rank I (124)

Program Coordinator
Rebecca R. Stobaugh, rebecca.stobaugh@wku.edu, (000) 000-0000

This non-degree program leads to eligibility for Rank I.

Concentration(s)

- Give acceptable presentation of action research in an approved venue.
- Achieve a minimum 2.5 GPA in course work.

Special Education for Initial Certification, Learning and Behavior Disorders, Master of Arts in Teaching (0456)

Program Coordinator
The Special Education Initial Certification in Learning and Behavior Disorders program, which will lead to a Master of Arts in Teaching, is for individuals who are seeking initial certification in LBD and may or may not be currently employed as a teacher of students with Learning and Behavior disorders. This option is for those individuals with no prior teacher certification in any area. This 36-hour program consists of coursework in induction to the profession of special education, the diagnosis and assessment of learning and behavioral disabilities, prescriptive teaching, managing behavioral disorders and positive behavior supports, research in special education, and special education law. If a student is currently employed or has verification of employment from a school district, the student may be eligible for a Temporary Provisional Teaching Certificate (CA-TP). If the student does not secure employment as the teacher of record in an LBD setting during the program, the student will be required to complete the equivalent of the state required student teaching experience in an unpaid position in an accredited Public School within WKU’s service area. Graduates completing the equivalent of a student teaching experience will be eligible for a Statement of Eligibility for certification as a teacher of students with LBD.

Students must submit passing scores on the Praxis II and be fully admitted to the professional education unit (teacher admissions) PRIOR to enrolling in SPED 590. Students must meet all state requirements for student teaching and initial certification. SPED 590 should be taken as the final course of the program. All courses in the program carry critical performance indicators (CPIs) that must be completed before the final course grade will be recorded. Each course's CPI becomes a part of the portfolio that is reviewed at the end of each semester for progress through the program.

Note: To be eligible to be recommended for teacher certification, students must document that they have received passing score(s) on the required Praxis II examination(s).

### Program Admission

To be considered for admission, applicants must:

- Document completion of a bachelor’s degree with a major, or equivalent, in an approved subject area and from an accredited institution.
- Present a letter of application (including professional goals). Document a cumulative overall grade point average (GPA) of 2.75 or above (counting all course work, undergraduate or graduate) OR a GPA of 3.0 in the last 30 hours of course work (counting all course work, undergraduate and graduate).
- Submit the state required passing score on the Core Academic Skills for Educators (CASE).
- Submit documentation to satisfy partial criteria for admission to professional education, including references, physical including TB test, signed commitment to uphold the code of ethics, and criminal background check.
- Students who have not had an introductory-level special education course within the past ten years must complete SPED 516 The Exceptional Child Perspectives and Issues, as a deficiency prior to enrollment in any of the MAT courses for Special Education.

### Application Deadline Notes

Along with all Graduate School studies admission deadlines (see current graduate catalog), for priority consideration for admission to the Special Education Initial Certification: Learning and Behavior Disorders MAT program, students should submit application materials to the Graduate School by the following dates:

- Summer Admission: March 1
- Fall Admission: May 1
- Spring Admission: November 1

Students submitting materials after the above deadline dates cannot be guaranteed that applications will be reviewed in time for admission for the upcoming term nor that course space will be available.

Please refer to the admission section (p. 13) of this catalog for Graduate School admission requirements.

**Total Hours**: 36

1. Students currently teaching in a classroom serving students with Learning and Behavior Disorders may use their current teaching position to meet this requirement with advisor approval. Students not currently teaching must complete an internship experience that is equivalent to state requirements for student teaching in a classroom serving students with Learning and Behavior Disorders.

### Special Education for Teacher Leaders, Learning and Behavior Disorders, Master of Arts in Education (0457)

**Program Coordinator**

Janet L. Applin, janet.applin@wku.edu, (000) 000-0000

This program is designed to develop Teacher Leaders who can positively impact student learning in their classrooms and schools while serving students with Learning and Behavior Disorders. The MAE in Special Education: Learning and Behavior Disorders for Teacher Leaders is for those seeking advanced preparation or additional teacher certification. Advanced preparation programs include Professional Learning.
Communities in which students interact with other graduate student from various content areas and grade levels to discuss and work on real world challenges and promising practices they encounter in schools.

Students are expected to become competent in theory, research, and application of best teaching practices related to exceptional students with Learning and Behavior Disorders and exhibit appropriate teacher disposition behaviors as indicated by the College of Education and Behavioral Sciences Teacher Disposition Rating Form. All courses in the program carry critical performance indicators (CPIs) that must be completed before the final course grade will be recorded. Each course’s CPI becomes a part of the portfolio that is reviewed at the end of each semester for progress through the program. Note: To be eligible to be recommended for certification as a teacher for Exceptional Children (Grades P-12), Learning and Behavior Disorders, students must document that they have received passing score(s) on the required Praxis II examination(s).

Program Admission
The Exceptional Education program area offers courses and experiences for the advanced preparation of teachers holding Learning and Behavioral Disorders certification or another certifiable area.

1. Applicants who are alumni of WKU teacher preparation programs must have or be eligible for a teaching certificate in LBD or another certifiable area, and must submit a copy of the certificate or statement of eligibility with their applications.

2. Applicants who completed their initial certification program at another Kentucky institution with at least a 2.75 GPA for all previous coursework (undergraduate and graduate) must have or be eligible for a teaching certificate in LBD or another certifiable area, and must submit a copy of the certificate or statement of eligibility with their applications.

3. Applicants who completed their initial certification program at an accredited out-of-state institution with at least a 2.75 GPA for all previous coursework (undergraduate and graduate) must have or be eligible for a teaching certificate in any certifiable area, and must submit a copy of the certificate or statement of eligibility with their applications.

1 Kentucky applicants whose certificates have expired may be admitted, but they may enroll for only six hours before they must apply to the EPSB for reissued certificates. After completion of six hours, a student admitted with an expired certificate must submit a copy of the re-issued certificate before being allowed to register for any additional courses. Applicants from out-of-state with expired certificates must complete the requirements for their respective states to renew their certificates and submit a copy of the reissued certificate.

2 Applicants with undergraduate degrees from all other accredited universities with a GPA lower than 2.75 (undergraduate and graduate) must achieve a GAP score of 550 or higher. The 550 score must include a GRE Verbal Reasoning score of 139 or higher, a GRE Quantitative score of 139 or higher, and a GRE Analytical Writing score of 3.5 or higher. In addition, applicants must have a valid teaching certificate in any area. A copy of the teaching certificate must be submitted with the application.

GAP Score = GRE-V+GRE-Q plus undergraduate GPA multiplied by 100.

Application Deadline Notes
Along with all Graduate School admission deadlines (see current graduate catalog), for priority consideration for admission to the Special Education for Teacher Leaders: Learning and Behavior Disorders program students should submit application materials to the Graduate School by the following dates:

- Summer Admission: March 1
- Fall Admission: May 1
- Spring Admission: November 1

Students submitting materials after the above deadline dates cannot be guaranteed that applications will be reviewed in time for admission for the upcoming term nor that course space will be available.

Please refer to the admission section (p. 13) of this catalog for Graduate School admission requirements.

2. Kentucky applicants whose certificates have expired may be admitted, but they may enroll for only six hours before they must apply to the EPSB for reissued certificates. After completion of six hours, a student with an expired certificate must submit a copy of the re-issued certificate before being allowed to register for any additional courses. Applicants from out-of-state with expired certificates must complete the requirements for their respective states to renew their certificates and submit a copy of the reissued certificate.

3. Applicants with undergraduate degrees from all other accredited universities with a GPA lower than 2.75 (undergraduate and graduate) must achieve a GAP score of 550 or higher. The 550 score must include a GRE Verbal Reasoning score of 139 or higher, a GRE Quantitative score of 139 or higher, and a GRE Analytical Writing score of 3.5 or higher. In addition, applicants must have a valid teaching certificate in any area. A copy of the teaching certificate must be submitted with the application.

GAP Score = GRE-V+GRE-Q plus undergraduate GPA multiplied by 100.

4. Applicants with undergraduate degrees from all other accredited universities with a GPA lower than 2.75 (undergraduate and graduate) must achieve a GAP score of 550 or higher. The 550 score must include a GRE Verbal Reasoning score of 139 or higher, a GRE Quantitative score of 139 or higher, and a GRE Analytical Writing score of 3.5 or higher. In addition, applicants must have a valid teaching certificate in any area. A copy of the teaching certificate must be submitted with the application.

GAP Score = GRE-V+GRE-Q plus undergraduate GPA multiplied by 100.
Program Completion Requirements

- Students must successfully complete TCHL 560 (course grade of C or higher) and present research results in an approved venue.
- Students must achieve a minimum 3.0 cumulative GPA overall and in program course work.

Special Education for Teacher Leaders, Moderate and Severe Disabilities, Master of Arts in Education (0438)

Program Coordinator
Janet L. Applin, janet.applin@wku.edu, (000) 000-0000

The Exceptional Education program area offers courses and experiences for the advanced preparation of Exceptional Education teachers in Moderate and Severe Disabilities and for those seeking additional certification in Moderate and Severe Disabilities who already hold LBD certification.

Program Admission

The Exceptional Education program area offers courses and experiences for the advanced preparation of Exceptional Education teachers in Moderate and Severe Disabilities and for those seeking additional certification in Moderate and Severe Disabilities who already hold LBD certification. A teaching certificate in Exceptional Education MSD or Exceptional Education LDB must be submitted or statement of eligibility with their applications.

Admission criteria vary depending on the student’s undergraduate institution and GPA:

1. Applicants who are alumni of WKU teacher preparation programs must have or be eligible for a teaching certificate and must submit a copy of the certificate or statement of eligibility with their applications.
2. Applicants who completed their initial certification program at another Kentucky institution with at least a 2.75 GPA for all previous coursework (undergraduate and graduate) must have or be eligible for a teaching certificate and must submit a copy of the certificate or statement of eligibility with their applications.
3. Applicants who completed their initial certification program at an accredited out-of-state institution with at least a 2.75 GPA for all previous coursework (undergraduate and graduate) must have or be eligible for a teaching certificate and must submit a copy of the certificate or statement of eligibility with their applications.

Field based requirement.

Total Hours 31-43

1. TCHL 545 and TCHL 555 are required for all students or the student must pass proficiency evaluations for these courses. TCHL 500, TCHL 530, TCHL 559, and TCHL 560 are required for all students, and there are no proficiency evaluations that may be substituted for these courses.
2. Teacher candidates who enter the program without having completed an introductory exceptional education course must complete SPED 516 which will add an additional 3 hours to the required total program hours.
3. Students must submit a passing score on the Praxis II prior to enrollment in SPED 595 and should take SPED 595 as their final course in their program. Students currently teaching may use their current teaching position to meet this requirement if they are teaching in the subject area and grade level for which they are seeking certification. Students not currently teaching in a setting serving students with Learning and Behavior Disorders must complete an internship experience that consists of field experience hours in an approved setting serving students with disabilities consistent with the subject area and grade level for which they are seeking certification.

Kentucky applicants whose certificates have expired may be admitted, but they may enroll for only six hours before they must apply to the EPSB for reissued certificates. After completion of six hours, a student admitted with an expired certificate must submit a copy of the re-issued certificate before being allowed to register for any additional courses. Applicants from out-of-state with expired certificates must complete the requirements for their respective states to renew their certificates and submit a copy of the reissued certificate.
Applicants with undergraduate degrees from all other accredited universities with a GPA lower than 2.75 (undergraduate and graduate) must achieve a GAP score of 550 or higher. The 550 score must include a GRE Verbal Reasoning score of 139 or higher, a GRE Quantitative score of 139 or higher, and a GRE Analytical Writing score of 3.5 or higher. For GRE scores prior to August 1, 2011, a GAP score of 2200 or higher and a GRE Analytical Writing score of 3.5 or higher is required. In addition, applicants must have a valid teaching certificate in any area. A copy of the teaching certificate. GAP score = (GRE-V + GRE-Q) + (Undergraduate GPA x 100)

Please refer to the admission section (p. 13) of this catalog for Graduate School admission requirements.

Program Requirements (31-37 hours)

The first component, Professional Education, provides advanced level pedagogy, leadership, and content related to Kentucky Teacher Standards and applicable to all P-12 teachers working in the wide gamut of developmental levels and content areas. The second component, Specialization, directs the candidate into an individual program in content, pedagogy, and/or areas of professional growth consistent with the goals of each candidate and related to serving students with Moderate and Severe Disabilities. An Action Research Project for Teacher Leaders focusing on a classroom, school, or district issue is the capstone for the completion of the program.

Mid-Point Assessment Requirements

To ensure that all students are proficient on Advanced Level Kentucky Teacher Standards, all Critical Performances associated with the above TCHL courses must be completed, even in a candidate’s program of studies does not include the courses. Except for TCHL 560, which should be taken toward the end of their program, candidates may only complete 6 hours in their Specialization Component before they have taken all TCHL courses and/or uploaded all Critical Performances and have achieve an average score of 3.0 on all performances and an average score of 3 on dispositions. Additional course work may be required based on the assessment results.

Total Hours: 31-37

TCHL 500 is a required course and is a prerequisite to all other courses. While enrolled in TCHL 500, students will use several documents, including their KTIP assessments or in-kind examples, dispositions self-surveys, referrals from school personnel, and their respective School Improvement Plan, to develop with their respective program advisors individualized programs of study of 30-37 hours related to Kentucky Teacher Standards and professional goals. Each student’s program of study will include some or all of the TCHL courses, plus additional education-related or content courses.

All students must complete TCHL 545 and TCHL 555 or pass proficiency evaluations for these courses. TCHL 500, TCHL 530, TCHL 559 and TCHL 560 are required for all students, and there are no proficiency evaluations that may be substituted for these courses.

Students must submit a passing score on the Praxis II prior to enrollment in SPED 595 and should take SPED 595 as their final course in their program. Students currently teaching may use their current teaching position to meet this requirement if they are teaching in the subject area and grade level for which they are seeking certification. Students not currently teaching in a setting serving students with Moderate and Severe Disabilities must complete an internship experience that consists of field experience hours in an approved setting serving students with disabilities consistent with the subject area and grade level for which they are seeking certification.

Completion Requirements

- Students must successfully complete TCHL 560 (course grade of C or higher) and present research results in an approved venue.
- Students must achieve a minimum 3.0 cumulative GPA overall and in program coursework.
College of Health and Human Services

Dr. Tania Basta, Dean
Academic Complex 208
(270) 745-2425
chhs@wku.edu
www.wku.edu/chhs

Vision

To be recognized nationally as a college that offers exemplary programs in Health and Human Services.

Mission

The College provides diverse educational opportunities leading to excellence in Health and Human Services for a global community.

Established by the Board of Regents in August 2002, the College of Health and Human Services (CHHS) brings together the health and human services programs under one administration unit. One of our strengths is the breadth and depth of the diverse disciplines within the College. The College consists of seven academic units that represent an array of disciplines, and offers degrees at the associate, baccalaureate, masters, and doctoral degree levels. Academic units include: Applied Human Sciences; Communication Sciences and Disorders; Nursing and Allied Health; Kinesiology, Recreation, and Sport; Physical Therapy; Public Health; and Social Work. The College oversees the South Central Kentucky Area Health Education Center, the Center for Environmental and Workplace Health, the Center for Applied Science in Health and Aging, and the WKU Cardiopulmonary Resuscitation Center. The College is also one of the participating institutions for the doctoral program in Rehabilitation Sciences offered through the University of Kentucky. The focus of CHHS is to provide the highest possible quality of education to prepare our students to become leaders in careers related to health and human services. Faculty are highly qualified in their respective disciplines and utilize innovative teaching strategies along with state of the art instructional technology, including IVS, web-enhanced and web-based instruction.

The disciplines in the college have their roots in outreach to the community. Disciplines in CHHS prepare students for their professions by engaging them in activities within the community that apply the theories and concepts discussed in the classroom for a more comprehensive understanding of the issues, while providing a valuable service to the communities in which we reside. To fulfill degree requirements for most programs, students are required to complete clinical experiences, field work, or internships through one of the many affiliation agreements at a myriad of health and human services facilities, agencies and organizations. Two nationally recognized mobile health and wellness units provide opportunities for students to apply skills learned in the classroom in the provision of prevention services to residents in our region.

Due to the nature of these experiences, students are required to meet various departmental or school academic requirements and federal and/or state mandates. Departments and schools may require the successful completion of specific courses or maintaining a certain GPA in order to be placed in clinical or internship experiences. Some students may be required to undergo criminal background checks and drug testing and to provide proof of health insurance, liability insurance, and/or immunization records prior to participating in any required experiences at selected on or off-campus facilities/agencies. Additionally, there may be certifications, training seminars, or other requirements specified by the facility/agency or program that a student must meet in order to be eligible for field or practical experiences at a facility. It is the responsibility of the student to ensure that all institutional and/or facility requirements are met as a condition of participating in the on or off-campus experiences; students may be responsible in part or in full for any costs incurred to meet such requirements. Students are also responsible for transportation to and from off-campus experiences. In some CHHS programs, the students are responsible for rental fees for clinical instruments and supplies, purchasing uniforms, equipment, and possible course and program fees above the regular tuition. At the completion of the program, students may also be responsible for fees related to national, regional, and/or state licensing exams.

CHHS is dedicated to improving the quality of life in the community through education, service, collaboration, leadership, and scholarship. This is accomplished in the various centers and programs in the college that provide for a vibrant and relevant university experience.

South Central Kentucky Area Health Education Center (AHEC)

www.wku.edu/scahec/
Catherine Malin, Director
Academic Complex 405
(270) 745-3325

Connecting Students to Careers - Professionals to Communities - Communities to Better Health

The mission of the Kentucky AHEC is to promote healthy communities through innovative educational partnerships. This is accomplished by providing the following:

- educational support services to health professions, students, and health care providers;
- community health education; and
- programs that encourage health professions as a career choice.

The South Central AHEC is affiliated with the University of Louisville, School of Medicine in cooperation with WKU’s College of Health and Human Services. AHEC programs of particular interest to WKU students include the following:

- Opportunities to enhance their cross-cultural communication skills with two unique populations - an Old Order Mennonite community and a large Hispanic community;
- Interprofessional Test Prep - is a 12-week preparation program for students planning to take the Medical College Admission Test (MCAT), Dental Admission Test (DAT), Optometry Admission Test (OAT) or the Pharmacy College Admission Test (PCAT). This program is offered every spring for WKU students;
- Mock Interviews and personal statement reviews are offered to any student applying for admission to a professional school in which an interview is required, such as, schools of medicine, dentistry, physical therapy, pharmacy, etc.;
- Student internships are available through the South Central AHEC;
• Bridging the Gap Medical Interpreter Training Program is a 40 hour curriculum offered several times a year and prepares students to provide medical interpreting services.

• WKU-AHEC Student Rural Health Association (SRHA) is a student organization that provides students the opportunity to develop leadership skills, team building skills, research interests, and interdisciplinary project students. Since rural health encompasses many areas this student organization is open to all students, both clinical and non-clinical, who have an interest in rural health.

• AHEC Scholars is a two year, advanced-learning program which prepares health profession students to be leaders in their field. Throughout the program, students collaborate across health disciplines and geographic regions as they prepare to practice in the ever-evolving healthcare field. This is a national program conducted by all AHECs and funded by the Health Resources Services Administration.

CHHS Center for Environmental and Workplace Health (CEWH)
www.wku.edu/cewh
Dr. Ritchie Taylor (ritchie.taylor@wku.edu), Director
(270) 745-8975

The mission of CEWH is to address environmental, occupational, and workplace health and safety issues through innovative education, research, partnerships, and service.

Objectives of the Center:
Promote research, creativity and scholarly activity by faculty and students.
Prepare students for lifelong learning and success.
Enhance the diversity and international profile of faculty, staff, and student populations.
Expand WKU’s economic impact on the region through student, faculty, and staff engagement.

The CEWH serves to address environmental, occupational, and workplace safety and health research in the region. This Center engages faculty, staff, and students through innovative research that enhances education, partnerships, and service offered by the College of Health and Human Services. The Center brings together disciplines throughout the College and WKU to improve the health of the community and workers by understanding the risks and conditions associated with environmental and occupational diseases and injuries, to explore methods for reducing risks and for preventing or minimizing exposure to hazardous conditions in the environment and workplace, and to translate significant scientific findings into prevention practices, products, and innovations that will effectively reduce environmental and work-related hazards, illnesses, and injuries.

CHHS Center for Applied Science in Health and Aging (CASHA)
Dr. Jason Crandall (jason.crandall@wku.edu), Director
(270) 745-2077

The CASHA was created in CHHS to engage in rigorous research to promote health, vitality, and human potential in the aging community through innovative education, research, partnerships, and service. CASHA will collaborate with community organizations and university partners to identify and address needs in the aging community. Findings will inform research, policy, practice, and program development. CASHA will integrate disciplinary perspectives in physical activity, health, human development, and cognitive psychology to optimize human potential. In addition, the Center seeks to develop the knowledge, skills, and dispositions of emerging scholars and practitioners by providing experiential and developmental learning opportunities for undergraduate and graduate students.

WKU Cardiopulmonary Resuscitation (CPR) Training Center
www.wku.edu/chhs/cpr
Angie Drexler (angie.drexler@wku.edu), Coordinator
(270) 745-3762

The mission of the WKU CPR training center is dedicated to upholding the standard of the American Heart Association in accountability for instructors as well as excellent classroom training for the campus and the community. Classes are available to all faculty and staff, as well as anyone in the public. The types of classes available include Healthcare Provider, Heartsaver First Aid and CPR, Heartsaver Pediatric First Aid and CPR, and instructor courses for all disciplines.

WKU Center for Child Welfare Education and Research (CCWEAR)
Dr. Austin Griffiths (austin.griffiths@wku.edu), Director
(270) 745-2676

The Center for Child Welfare Education and Research was established in CHHS as an applied research center designed to utilize multidisciplinary partnerships and collaborations to positively impact Kentucky’s children and families through research, grants, and education. The Center will build on partnerships with statewide constituents to provide best practices in child welfare education. CCWEAR will engage in child welfare research and grant activities that promote and support effective practice interventions with Kentucky’s children and families.

Child and Family Studies, Master of Science (0489)
Program Coordinator
Adam R. West, adam.west@wku.edu, (270) 745-5138

This program is designed to provide advanced study in the growth and development of the individual and family. The program builds competence in human development, integration of theory into practice, program development, and research—preparing graduates to critically evaluate and synthesize issues related to children, youth, and families. Fieldwork is incorporated in the curriculum.

Program Admission
1. An overall GPA of at least 2.75 (on a 4.0 scale) for all hours earned past the first 60-semester or 90-quarter hours of the baccalaureate degree.
2. A 2-3 page letter of professional intent describing professional interests and career goals.
The letter of professional intent should be a measure of an applicant’s writing style and writing ability and is expected to be well organized, free of typing and grammatical errors, and clearly written. It should have an introduction, clearly stated purpose, and contents that demonstrate the best impression of the applicant’s writing. The letter of professional intent should articulate and demonstrate your specific qualifications for the program of study. We are interested in an applicant’s reasoning for their intended course of study; therefore, each of the following points must be addressed:
   • Why do you want to pursue this degree?
   • What are your career goals once you complete the program?
   • Describe an impactful situation or experience you have had working with children, youth, and/or families.
   • Describe the most important characteristics and qualities needed by professionals in working with children, youth, and/or families and where you stand relative to developing them.
3. Three letters of reference from previous instructors, colleagues, or supervisors indicating the applicant’s ability to succeed in graduate classes.

   • Describe an impactful situation or experience you have had working with children, youth, and/or families.
   • Describe the most important characteristics and qualities needed by professionals in working with children, youth, and/or families and where you stand relative to developing them.
3. Three letters of reference from previous instructors, colleagues, or supervisors indicating the applicant’s ability to succeed in graduate classes.
Dietetic Practice, Certificate (0451)

Program Coordinator
Jane H. Simmons, jane.simmons@wku.edu, (270) 745-5224

This graduate certificate program provides the knowledge and practice requirements established by the Accreditation Council for Education in Nutrition and Dietetics to be eligible to take the Registered Dietitian (R.D.) examination. Only students accepted into the WKU Dietetic Internship will be eligible for admittance to the Graduate Certificate in Dietetic Practice.

Program Admission
Acceptance into the Dietetic Internship is competitive and is managed through a national matching process. The Dietetic Internship Program/Graduate Certificate requires the completion of 12 graduate credit hours and a minimum of 1200 hours of supervised practice in a variety of practice settings, including hospitals, long-term care/skilled nursing facilities, community nutrition programs, and other health/community organizations.

Applicants must meet the following requirements for entrance into the Dietetic Internship/Graduate Certificate:

- Completed a Baccalaureate degree.
- Earned an overall GPA of 3.0 on a 4.0 scale.
- Scored a minimum on the Graduate Record Examination of 142 on Quantitative and 144 on Verbal. All scores must be within 5 years of the time of application.
- Completed a Didactic Program in Dietetics (DPD) prior to the start date of the internship.
- Submitted a signed Declaration of Intent to Complete Degree or Verification Statement. Once accepted into the program, all interns must submit signed Verification Statements prior to the start date.
- Submitted online application through the national centralized application system. More information regarding the application process is available at www.wku.edu/ahs/dieteticinternship/index.php.
- Submitted an application for admission to WKU Graduate School with appropriate fee (after being accepted into the Dietetic Internship).

Please refer to the admission section (p. 13) of this catalog for Graduate School admission requirements.

communicationdisorders@wku.edu

Accreditation
The Master of Science in Speech-Language Pathology at Western Kentucky University is accredited by:
The Council on Academic Accreditation in Audiology and Speech-Language Pathology of the American Speech-Language-Hearing Association (http://caa.asha.org) 2200 Research Boulevard, #310 Rockville, MD 20850 800-498-2071 or 301-296-5700 accreditation@asha.org

Programs
- Speech-Language Pathology, Master of Science (0466) (p. 81)

Faculty
Professor
Jean Neils-Strunjas, PhD (Communication Sciences), Case Western Reserve University, 1984

Associate Professor
Lauren E. Bland, PhD (Communication Disorders), University of Cincinnati Main Campus, 1995
Barbara R. Brindle, PhD (Education, Speech Pathology and Audiology), University of Virginia, 1994
Richard A. Dressler, PhD (Audiology Speech Pathology), University of Memphis, 2001
Jo L. Shackelford, EdD (Educational Leadership, Postsecondary Leadership), Western Kentucky University, 2012

Assistant Professor
Ashley C. Fox, PhD (Educational Leadership and Organizational Development), University of Louisville, 2010
Kimberly J. Green, EdD (Educational Leadership, Postsecondary Leadership), Western Kentucky University, 2015
Brian K. Weiler, MS (Hearing and Speech Sciences), Vanderbilt University, 2007

Clinical Assistant Professor
Brittney R. Vickous, MS, Western Kentucky University, 2011

Clinical Associate Professor
Jeffrey A. Barefoot, AUD (Audiology), A T Still University of Health Science, 2013
Courtney A. Hatcher, PhD (Rehabilitation Sciences), University of Kentucky, 2017
Leisa S. Hutchison, MSED (Special Education, Speech and Communication Disorders), University of Kentucky, 1986
Speech-Language Pathology, Master of Science (0466)

Program Coordinator
Lauren E. Bland, lauren.bland@wku.edu, (270) 745-8860

This program is designed to prepare professional speech-language pathologists to meet the needs of the communicatively handicapped in hospitals, clinics, nursing facilities, and schools. It is also designed to meet the academic and clinical requirements of the American Speech Language and Hearing Association, leading to national certification and state licensure. The Speech-Language Pathology program is accredited by the Council of Academic Accreditation in Audiology and Speech Language Pathology.

Program Admission
Applicants to the master’s degree program in Speech-Language Pathology must meet the following minimum requirements:

• GRE Verbal score of 143
• GRE Writing score of 3.5
• Baccalaureate degree from a regionally accredited institution in the profession, OR outside of the profession and the following courses:
  a. Normal Speech & Language Development
  b. Science of Speech & Hearing
  c. Phonetics
  d. Language Disorders
  e. Articulation Disorders
  f. Speech Anatomy & Physiology
  g. Audiology
  h. Diagnostic or Assessment Procedures

The degree and/or prerequisite course(s) in communication sciences and disorders must be completed, in progress, or on the applicant’s undergraduate plan of study when applying to the program.

• Cumulative GPA of 3.0 for the last degree earned or the degree in progress
• Clinical observation through a university program (25 hours of clinical observation supervised by a certified speech-language pathologist or audiologist) is preferred but not required
• The following prerequisite courses in basic sciences must be completed, in progress, or on the applicant’s undergraduate plan of study when applying to the program:
  a. Biological Science (science of living things such as biology, human anatomy)
  b. Physics or Chemistry
  c. Social Science (psychology, sociology, anthropology)
  d. Statistics

All prerequisite or basic science courses must be completed before beginning the graduate program.

• Essential Functions: Students must enter the program with a minimum level of ability in specific areas termed essential functions. Students must be able to meet minimum essential skills with or without reasonable accommodation during their internship or externship experience.

Applicants must also submit along with an application to the Graduate School:

1. Written essay - The essay must be no more than 1 page typewritten, using a 12-point Times Roman font, and double-spaced. The applicant’s name and the date on which the essay was written should be noted at the top. Visit www.wku.edu/communicationdisorders for designated topic when applying.
2. 3 references listed with the reference’s name, relationship to the applicant, address, phone number, and email address. Letters of recommendation should NOT be sent.
3. Official GRE score report. Exam must be completed within the past 5 years.
4. Official transcripts from all colleges attended.
5. Departmental Application must be completed and submitted to the Department of Communication Sciences and Disorders
6. Finalists may be contacted to provide a short video presentation and/or interview to assess interpersonal communication.

Applications to the Speech-Language Pathology graduate program will be ranked based on scores in the following areas:

• Verbal score of the GRE
• Writing score of the GRE
• Cumulative GPA
• Written essay
• Interpersonal communication

Accreditation standards require that the clinical education component of the curriculum provide students with access to a client/patient base that is sufficient to achieve stated mission and goals and includes a variety of clinical settings, client/patient populations, and age groups. Therefore, this department reserves the right to limit enrollment in geographical areas where there are known issues in obtaining sufficient and appropriate clinical sites for students. Check www.wku.edu/communicationdisorders for further information before applying to the program.

Any academic deficiencies required to meet certification requirements of the American Speech-Language-Hearing Association must be completed.

Please refer to the admission section (p. 13) of this catalog for Graduate School admission requirements.

Program Requirements (60 hours)
Sixty semester hours are required for both the thesis and non-thesis option. The research tool requirement (3 hours) may be met by successful completion of SLP 500 Research Methodology in Communication Disorders (or equivalent). Additionally, the student must complete at least 400 clock hours of clinical experience by graduation.

Summative evaluations are required by WKU Graduate School and our accreditng agency. Graduate Students in Speech-Language Pathology can fulfill the summative evaluation requirement by successful completion of one of the following: 1) passing a comprehensive examination; or, 2) passing a master’s thesis defense. Students must
pass the comprehensive examination or pass their thesis defense in the final semester of enrollment prior to graduation according to the deadline set by the graduate school.

In order to protect client populations, students will be required to undergo criminal background checks and provide proof of a recent physical examination, professional liability insurance, and negative TB test prior to beginning any clinical experiences, and these must be updated annually. Some clinical externship placements may require students to undergo drug testing and submit proof of health insurance, CPR training, and other immunizations prior to beginning off-campus experiences. Additionally, there may be certifications, training seminars, or other requirements specified by an institution that a student must meet in order to be eligible for training at an educational or health care institution. It is the responsibility of the student to ensure that all University and/or institutional requirements are met as a condition of participating in clinical experiences. It is the responsibility of the student to ensure that all institutional and/or facility requirements are met as a condition of participating in the on and off-campus experiences; students may be responsible in part or in full for any costs incurred to meet such requirements. Students are also responsible for transportation to and from off-campus experiences.

Physical Therapy, Doctor of Physical Therapy (0013)

Program Coordinator
Kurt R. Neelly, kurt.neelly@wku.edu, (270) 745-4062

The DPT Program is designed to prepare students to plan and administer treatment to help patients regain diminished physical function lost secondary to injury or disease, to promote soft tissue healing, and to relieve pain. Determining the degree of impairment allows physical therapists to help patients return to full function by using various physical agents to decrease pain and by using therapeutic exercises to increase strength, endurance, and coordination.

The purpose of the DPT Program is to provide students pursuing a career in physical therapy the opportunity to acquire the knowledge and skills required for the safe practice of physical therapy. Students are prepared as generalists, but also have some opportunity to investigate specialized aspects of physical therapy through numerous clinical exposures. The program of study consists of 118 credit hours of graduate course work and consists of intense academic and clinical work spread over 3 years. These hours are divided between classroom, clinical, and research activities.

The DPT Program is an entry-level professional degree program designed to provide individuals with baccalaureate degrees and the appropriate prerequisite courses the knowledge and skills to develop clinical and research expertise in the field of physical therapy. Upon receiving the DPT degree, students will be eligible to sit for the licensure examination in physical therapy.

The Mission of the WKU Doctor of Physical Therapy program is to serve the healthcare and preventative needs of the Commonwealth of Kentucky, including rural and under-served areas, by developing culturally
competent, caring, autonomous physical therapists who will engage in evidence based practice, critical thinking, professional behavior, life-long learning, and community/professional service.

In addition to formal lecture and laboratory courses, students are required to successfully complete clinical experiences usually conducted at external agencies/facilities. Due to the nature of these experiences and to stipulations established by agencies/facilities, specific requirements for students may exist to be eligible to participate in the clinical experiences. These requirements may include, but are not limited to, undergoing criminal background checks, drug testing, and TB skin tests; providing proof of health insurance, professional liability insurance, and/or immunization records or blood titers verifying proof of immunizations. These items may need to be updated annually. Additionally, there may be certifications, training seminars, or other requirements specified by the facility/agency that a student must meet in order to be eligible for clinical experiences at a facility. It is the responsibility of the student to ensure that all institutional and/or facility requirements are met as a condition of participating in any on or off-campus experiences; students may be responsible in part or in full for any costs incurred to meet such requirements. Student questions regarding the agreements with external agencies may be directed to the Director of Clinical Education of the DPT Program. Students are also responsible for transportation to and from off-campus experiences.

Program Admission

Admission to the program is competitive and limited to 32 students per class. Complete applications that are received by the application due dates will be reviewed by the Admissions Committee to determine which applicants will be offered an interview. Following the completion of all interviews, the Admissions Committee will determine which applicants will be offered entry into the program. Due to the competitiveness for entry into the program and the limited spaces available, applicants that meet the minimum requirements are not ensured admission into the program.

The following are requirements for admission into the Doctor of Physical Therapy (DPT) Program:

1. Baccalaureate Degree: Prospective candidates are required to earn a baccalaureate degree from an accredited college or university prior to matriculation.
2. Prerequisite Courses: Prospective candidates must complete the following prerequisite courses:
   - Human Anatomy (1 semester with lab) OR Human Anatomy & Physiology I (1 semester with lab).
   - Biology (2 semesters with labs)
   - General Chemistry (2 semesters with labs)
   - General Physics (2 semesters with labs)
   - Psychology (1 semester)
   - Statistics (1 semester)
   - No grade lower than a C (i.e. C-, D, F) is acceptable in the above prerequisite courses.
3. Grade Point Average (GPA): A minimum undergraduate GPA of 3.0 on a 4.0 scale, for both cumulative and prerequisite courses.
4. Graduate Record Exam (GRE):
   - There is no minimum GRE score
   - A composite score of 300 or higher on the verbal and quantitative sections of the GRE is recommended.
5. Doctor of Physical Therapy Program application materials:
   a. Prospective students are required to apply online using the Physical Therapist Centralized Application Service (PTCAS)
      i. submit official transcripts from all college, university, and professional coursework for PTCAS verification
      ii. submit official GRE scores to PTCAS using code 0557
      iii. two letters of recommendation
         1. the first letter of recommendation is required from a licensed physical therapist
         2. the second letter of recommendation is required from a current or previous professor, an advisor, or a current or previous employer/supervisor
      iv. refer to the PTCAS WKU program profile website for further information regarding completing your application
   b. Applicants are required to complete the WKU Graduate School application
      i. submit official transcripts from all college, university, and professional coursework to the WKU Graduate School
      ii. submit official GRE scores to the WKU Graduate School via ETS using code 0557
      iii. refer to the WKU Graduate School website for clarification regarding the application process
6. Technical Standards: Students are required to enter the program with a minimum level of ability in specific areas termed "technical standards." For successful admission into the program, students are required to meet the minimum technical standards with or without reasonable accommodation as part of the Core Performance Standards as stated in the DPT Program Student Manual and Program Policies and Procedures. Your application to the WKU DPT program signifies you have reviewed and understand the Technical Standards provided on the WKU DPT program website. In addition, upon admission you will be required to sign documentation that you understand the implications and content in each section, as well as signify whether you will or will not require reasonable accommodations.

7. An interview may be required.

Please refer to the admission section (http://catalog.wku.edu/graduate/admission/application) of this catalog for Graduate School admission requirements.

**Environmental and Occupational Health Science, Master of Science (0473)**

**Program Coordinator**
Ritchie D. Taylor, ritchie.taylor@wku.edu, (270) 745-8975

The graduate program in Environmental and Occupational Health Science is designed to provide graduate education for careers focused on the protection of human health and prevention of health hazards in occupational and natural environments. A key component of the program is to understand how exposure to environmental and occupational hazards occurs, and discovering ways to reduce and control the risk of exposure. This interdisciplinary field focuses on environmental hazards to human health, assessment of exposures, mechanisms of environmental response, control of risks associated with environmental hazards, and improving occupational health. Program requirements will...
provide students a foundation of advanced studies that will increase their skills and knowledge for protecting human health and the environment. This program is designed for working professionals and students desiring opportunities with industry, consulting firms, government agencies, and other environmental and occupational health science professions.

The Master of Science in Environmental and Occupational Health Science is accredited by the National Environmental Health Science and Protection Accreditation Council (EHAC).

**Joint Undergraduate Master's Program (JUMP)**

This degree offers a Joint Undergraduate Master’s Program (JUMP) which provides academically outstanding students the opportunity to complete both an undergraduate and graduate degree in approximately five years. Contact the graduate program coordinator for additional information.

**Program Admission**

In addition to Graduate School admission requirements, admission requires the equivalent of an undergraduate major in environmental health science including supporting courses in science and mathematics. Exceptions may be made for students with undergraduate degrees in other disciplines; however, additional courses may be required.

Admission may be granted to applicants that fulfill one of the following conditions: 1) GAP score of 550 and minimums of 139 for the GRE Verbal Score and 139 for the GRE Quantitative Score; 2) a cumulative GPA from a U.S. accredited university of at least a 3.2 on a 4.0 scale; or, 3) a cumulative GPA of greater than 3.0 on a 4.0 scale in the Environmental Health and Safety graduate certificate program.

International students must attain a minimum of 550 on the written TOEFL, a minimum of 213 on the computerized TOEFL, a minimum of 79 on the Internet TOEFL, or a minimum of 6.5 on the IELTS.

Please refer to the admission section (p. 13) of this catalog for Graduate School admission requirements.

**Environmental Health and Safety, Certificate (0427)**

**Program Coordinator**

Ritchie D. Taylor, ritchie.taylor@wku.edu, (270) 745-8975

The certificate program in Environmental Health and Safety is designed to provide advanced professional training for careers focused on the protection of human and ecosystem health from hazards in the built and natural environments. Designed for working professionals and students
desiring opportunities with industry, consulting firms, government agencies, and other environmental health science professions, online courses will provide students with diverse in-place learning opportunities.

**Program Admission**

Students applying to the program must have a baccalaureate degree in a related field or a baccalaureate degree and related experience in environmental health science, and approval by the program director.

Please refer to the admission section (p. 13) of this catalog for Graduate School admission requirements.

**Medical Health Administration, Master of Health Administration (153)**

**Program Coordinator**

Gregory E. Ellis-Griffith, gregory.ellis-griffith@wku.edu, (270) 745-3076

The Master of Health Administration (MHA) degree program prepares graduates for administrative and managerial positions in different types of health care facilities and agencies including: acute care, long-term care, group medical practices, managed care organizations, public health agencies, clinics, and health related organizations such as pharmaceutical firms, medical equipment firms, and consulting firms. There are two options MHA options for candidates who meet the admission requirements: the traditional or residential MHA program and the online Executive MHA program. Both programs consist of 42 semester hours but with different admission requirements as shown below.

**Joint Undergraduate Master's Program (JUMP)**

This degree offers a Joint Undergraduate Master’s Program (JUMP) which provides academically outstanding students the opportunity to complete both an undergraduate and graduate degree in approximately five years. Contact the graduate program coordinator for additional information.

**Program Admission**

Students from various undergraduate backgrounds, who meet the university graduate admissions requirements, including a 2200 GAP score (the product of GRE and overall undergraduate GPA) or the equivalent required for general admission to Graduate School, may be admitted to the program. Applicants must score at least 450 on each of the two GRE sections (verbal + quantitative) in order to be considered for admission unless conditional admission is given, and must score a 3.5 or better on the Analytical Writing section. International students must also submit a letter of intent regarding the MHA Program degree and attain the minimum acceptable TOEFL or IELTS Academic Version test scores as stipulated by the Graduate School. For the Executive Master of Health Care Administration Program option, health care executives, physicians and other health care professionals with at least five years of work experience who otherwise meet university admission criteria in the application for the MHA program are not required to take the GRE. Evidence of outstanding performance in health services would be required and interviews shall be conducted on a case-by-case basis in the admission decision for health care professionals with less than five years of work experience.

Public Health, Master of Public Health (152)

Program Coordinator
Marilyn M. Gardner, marilyn.gardner@wku.edu, (270) 745-5864

The Master of Public Health (MPH) is a professional practice degree that prepares students for a wide range of health professions. The 42 credit-hour program, accredited by the Council on Education for Public Health (CEPH), is offered on WKU’s campus and in a fully online format. Beyond the required core courses, MPH students work in partnership with their advisor to select electives and tailor a program that meets their professional and academic goals related to public health. The MPH program is competency-based and focuses on applied and integrative learning. Students are required to successfully complete and defend a capstone project, which could include a thesis, prior to graduation.

Joint Undergraduate Master’s Program (JUMP)
This degree offers a Joint Undergraduate Master’s Program (JUMP) which provides academically outstanding students the opportunity to complete both an undergraduate and graduate degree in approximately five years. Contact the graduate program coordinator for additional information.

In addition to the criteria set forth by the graduate school, applicants must meet one the following criteria to be fully admitted into the MPH program:

• GRE minimums of 145 verbal, 148 quantitative, and 3.0 analytical writing score; OR
• cumulative undergraduate GPA of at least 3.2 on 4.0 scale from a regionally-accredited US institution of higher education; OR
• current enrollment in a regionally-accredited US medical school or doctoral program; OR
• graduation from a regionally-accredited US medical school, master’s, or doctoral program; OR
• cumulative undergraduate GPA of at least 3.0 on 4.0 scale from a regionally-accredited US institution of higher education and a minimum of three years of professional public health experience.

Applicants who do not meet any of these criteria may be admitted conditionally into the MPH program.

All Applicants must submit the following:
2. Resume or Curriculum Vitae
3. Contact information for at least two professional references

Please refer to the admission section (p. 13) of this catalog for Graduate School admission requirements.

Programs
- Social Work, Master of Social Work (157) (p. 88)

Faculty
Professor
Amy C. Cappiccie, PhD (Social Work), University of Louisville, 2006

Assistant Professor
Austin G. Griffiths, PhD, University of Kentucky, 2017
Whitney R. Harper, PhD (Human Devl and Family Studies), Michigan State University, 2015
April L. Murphy, PhD (Social Work), University of Louisville, 2012

Instructor I
Allison Gibson, MSSW (Social Work), University of Louisville, 2005
Kelley M. McIntyre, MSW (Social Work), Western Kentucky University, 2003
Erin T. Warfel, MSW (Social Work), Bryn Mawr College, 2001

Social Work, Master of Social Work (157)

Program Coordinator
Saundra H. Starks, saundra.starks@wku.edu, (270) 745-2692

The Master of Social Work (MSW) program at Western Kentucky University (WKU) prepares students for professional social work practice at the graduate level to meet the needs of increasingly diverse rural populations. It is particularly dedicated to addressing the work-force needs of agencies that serve families and communities. Moreover, the MSW curriculum emphasizes social work practice at the advanced level in rural communities.

There are two program options for students meeting the admission requirements outlined below. The Traditional Option requires 60 semester hours for students with a baccalaureate degree in any field and may be taken full or part-time. The Advanced Standing Option requires 33 semester hours for students who have earned a bachelor of social work (BSW) degree from an accredited social work program and who have fulfilled the additional admission requirements outlined below. The Advanced Standing Option may be taken full or part-time as well. All program options require students to complete SWRK 661 as a capstone course prior to graduation. This course integrates the entire curriculum in a comprehensive practice experience. Students are required to pass a comprehensive examination, the Practice Readiness Exam, prior to graduation.

Program Admission
Admission Requirements for the 60 hour Traditional Program

1. A 3.75 or greater GPA based on the last 60 hours of undergraduate and/or graduate semester credit hours prior to admission. Students with a lower GPA must take the Graduate Record Exam (GRE) and
achieve minimum scores of 139 on each of the sections (verbal and quantitative) and apply for Alternate Admissions (See Alternate Admissions and Admissions Appeal Process). All GRE scores must have been taken within 5 years of the application date.

2. A Western Kentucky University Master of Social Work program application, personal statement, and writing sample.

3. Three completed WKU Master of Social Work program reference forms.

4. Demonstrated competence in the use of basic statistical methods through completion, with a minimum grade of "C", of an undergraduate or graduate course covering the portion of the research process involving the quantitative manipulation and analysis of data. This course should cover descriptive and inferential statistics. The student must submit documentation that this prerequisite has been met prior to program admission. Any course presented to fulfill the statistical competence requirement must have been completed within seven years prior to admission into the MSW program.

5. Liberal arts background - at least 30 hours in liberal arts coursework (social sciences, humanities, natural sciences, communications, mathematics, etc.), including at least one course in sociology, psychology, OR anthropology AND at least one course in American government, political science, OR economics. All courses counted towards the liberal arts requirement must have been completed with a final grade of "C" or higher. Applicants may be enrolled in liberal arts prerequisite courses while their MSW applications are being evaluated, but all of these courses must have been successfully completed before admission to the program. Offers of admission will be contingent upon the successful completion of all required courses.

6. Students at or above a 2.75 GPA on the last 60 hours of undergraduate and/or graduate semester credit hours (prior to admission) applying for the 60 hour Traditional Program who otherwise meet admission criteria in the application for the MSW program are not required to take the GRE for admission.

7. An interview may be required.

Alternate Admissions for the 60 hour Traditional Program

An applicant who believes that her/his individual circumstances warrant consideration for a waiver of the minimum admissions requirement of an undergraduate GPA of 2.75 and 800 on the GRE must petition the MSW Program Director. Students must meet all other traditional program admission requirements. The request should be attached to the MSW application in the form of a statement entitled "Petition for Exceptional Consideration." The petition should include a statement indicating how failing to meet the minimum admission requirement of a 2.75 GPA and 800 GRE score does not adequately represent the applicant’s capabilities. The applicant should briefly discuss her/his demonstrated capacity for successful achievement of an arduous MSW program. For example, an applicant might provide evidence of:

1. Superior grades during the final semester(s) of work prior to graduation indicating a trend toward improved performance;
2. Competence through achievement in another graduate program; and/or
3. Outstanding work experience in human services (volunteer or paid).

The applicant should also discuss how she/he plans to address potential obstacles to successful completion of the program. Finally, the applicant should attest to the accuracy of all information provided in the petition, date and sign the document. The petition must be submitted with the application.

Admission Requirements for the Advanced Standing Option

1. Completion of a bachelor of social work (BSW) degree at a Council on Social Work Education (CSWE) accredited institution within the previous seven years with at least a 3.0 GPA based on the last 60 hours of undergraduate and/or graduate credit hours. Alternate Admissions is not an option for the Advanced Standing Program.

2. Satisfactory completion of a minimum of 400 hours of educationally based field instruction in direct practice with individuals, families, groups, and communities under appropriate social work supervision. A copy of the student’s final field evaluation must be submitted.

3. Completion of courses from the following subject areas within an accredited social work program at the upper-division (junior and senior) level with a grade of "C" or better in each course: Human Behavior and the Social Environment - one course; Social Welfare Policy and Services - one course; Social Work Practice - two courses to include study of intervention methods with individuals, families, small groups and communities; Social Work Research - one course in research methodology.

4. The GRE is not considered for admission to the Advanced Standing Program.

5. A Western Kentucky University Master of Social Work program application, personal statement, and writing sample.

7. Demonstrated competence in the use of basic statistical methods through completion, with a minimum grade of "C", of an undergraduate or graduate course covering the portion of the research process involving the quantitative manipulation and analysis of data. This course should cover descriptive and inferential statistics. The student must submit documentation that this prerequisite has been met prior to program admission. Any course presented to fulfill the statistical competence requirement must have been completed within seven years prior to admission into the MSW program.

8. Liberal arts background - at least 30 hours in liberal arts coursework (social sciences, humanities, natural sciences, communications, mathematics, etc.), including at least one course in sociology, psychology, OR anthropology AND at least one course in American government, political science, OR economics. All courses counted towards the liberal arts requirement must have been completed with a final grade of "C" or higher. Applicants may be enrolled in liberal arts prerequisite courses while their MSW applications are being evaluated, but all of these courses must have been successfully completed before admission to the program. Offers of admission will be contingent upon the successful completion of all required courses.

9. An interview may be required.

Please refer to the admission section (p. 13) of this catalog for Graduate School admission requirements.

Kinesiology, Master of Science (0454)

Program Coordinator
Mark A. Schafer, mark.schafer@wku.edu, (270) 745-5857

The M.S. in Kinesiology, Exercise Physiology concentration prepares students to pursue various health/wellness, fitness, rehabilitation, performance-based and research careers. Students looking to further develop their knowledge and skills in the field of kinesiology/exercise physiology in preparation for a professional career will do so through relevant coursework, laboratory experiences, practical experiences, and a field experience and/or research project tailored to their personal interests and goals. Students interested in pursuing a doctoral program will also have the opportunity to engage in faculty-led and self-directed research, in addition to relevant coursework, which will foster the development of advanced methodological and laboratory skills necessary for doctoral level study. The Exercise Physiology concentration does not lead to rank change for Kentucky teachers.

The M.S. in Kinesiology, Physical Education Teacher Leader concentration focuses on teaching and meeting the Kentucky teacher requirements for advanced teaching standards. The concentration requires 10-16 credit hours of Professional Education Core, including 3 credit hours of Action Research; and 15 credit hours of Physical Education Specialization courses. The Teacher Leader concentration is designed to develop Teacher Leaders who can positively impact student learning in their classrooms and schools. Courses and experiences include Professional Learning Communities in which students interact with other graduate students from various content areas to discuss and work on real world challenges and promising practices they encounter in schools.

Concentration(s)
- Exercise Physiology (KIEP)
- Physical Education Teacher Leader (KIPE)

Joint Undergraduate Master’s Program (JUMP)

This degree offers a Joint Undergraduate Master’s Program (JUMP) which provides academically outstanding students the opportunity to complete both an undergraduate and graduate degree in approximately five years. Contact the graduate program coordinator for additional information.

Program Admission

Exercise Physiology

1. Current resume
2. Statement of Professional Intent providing a sample of the applicant’s writing style and ability. Please refer to the program website (https://www.wku.edu/exs/kinesiology.php) for additional information regarding the Statement of Intent.

Students with an undergraduate GPA lower than 3.0 are required to submit 2 letters of recommendation from professors in their major and/or their academic advisor.

Teacher Leader Concentration

Criteria vary, depending on the student’s undergraduate institution and GPA. No GRE requirement for admission.

1. WKU Graduate: Automatic admission with a current teaching certificate in Physical Education or a statement of eligibility.
2. Graduate of a Kentucky Higher Education Institute other than WKU: A 2.75 GPA or higher or a GAP score of 550. A current teaching certificate in Physical Education or a statement of eligibility.
3. Graduate of an Out-of-State Institution of Higher Education: A 2.75 GPA or higher or a GAP score of 550. A current teaching certificate in Physical Education or a statement of eligibility.

Kentucky applicants whose certificates have expired may be admitted, but they may enroll for only six hours before they must apply to the Kentucky Education Professional Standards Board for reissued certificates. After completion of six hours, a student admitted with an expired certificate must submit a copy of the reissued certificate before being allowed to register for any additional course.

\[
\text{GAP} = (\text{GRE-V} + \text{GRE-Q}) + (\text{undergraduate GPA} \times 100)
\]

Please refer to the admission section (p. 13) of this catalog for Graduate School admission requirements.

Total Hours 33

Physical Education Teacher Leader Concentration (31 hours)

The program is divided into two instructional components. The first component, Professional Education, provides advanced level pedagogy, leadership, and content related to Kentucky Teacher Standards and applicable to all P-12 teachers working in various grade levels, content, and community areas. The second component is the specialization that allows the candidate to expand content, pedagogy, and/ or leadership skills. The Physical Education Teacher Leader concentration consists of KIN 503, KIN 505, KIN 508, KIN 520, and RSA 534. This specialization allows for professional growth concurrent with the goals of the candidate. An Action Research Project for Teacher Leaders focusing on a classroom, school, or district issue is the capstone for the completion of the degree.

During the first course in the program, TCHL 500, students will complete an assessment process that will be used in determining which TCHL core courses they must take in the professional education core. All students must complete TCHL 500, TCHL 530, TCHL 545, TCHL 555, TCHL 559, and TCHL 560 or pass proficiency evaluations for TCHL 545 and TCHL 555.

To ensure that all master’s candidates are proficient on Advanced Level Kentucky Teacher Standards, all Critical Performances associated with the above TCHL courses must be completed, even if a candidate’s program of study does not include the courses. Candidates may only complete 6 hours in Level 2 before they have uploaded all Critical Performances and have achieved an average score of 3.0 on all performances and an average score of 3 on dispositions. Additional course work during Level 2 may be required based on the assessment results.

Recreation and Sport Administration, Master of Science (095)

Program Coordinator
This program is designed to prepare professional Recreation and Sport Administration practitioners for a wide range of occupations. The program offers six concentrations: General, Athletic Administration and Coaching, Facility and Event Management, Sport Media and Branding, Athletic Training; and, Intercollegiate Athletic Administration.

The General concentration provides opportunity for study in a specialized area of recreation and sport as students select three elective courses in their area of interest. The Interscholastic Athletic Administration and Coaching concentration provides an opportunity for persons interested in Athletic Administration to gain knowledge, research and experience in this dynamic area. The Facility and Event Management concentration allows for professional development in the rapidly growing discipline of facility and event management. The Sport Media and Branding concentration is designed for students interested in sport media relations, sport branding, digital media production and distribution, and sport sponsorships. The Athletic Training concentration provides the certified and certification-eligible athletic training student an opportunity to further develop knowledge and skills related to this vibrant field. The program is appropriate for athletic trainers in all employment settings. The Intercollegiate Athletic Administration concentration is designed for individuals looking to enter the field or professionalize their experience in intercollegiate athletics.

Concentration(s)
- General (RECG)
- Athletic Administration and Coaching (REIA)
- Athletic Training (REAT)
- Facility and Event Management (REFM)
- Intercollegiate Athletic Administration (REAA)
- Sport Media and Branding (RESN)

Program Admission
Applicants to the Recreation and Sport Administration graduate program must submit the following:

- A bachelor’s degree from an accredited college or university
- An official transcript from the college or university granting the baccalaureate degree
- A cumulative baccalaureate grade point average (GPA) of at least 2.5 on a 4.0 scale OR
  - A GPA of at least 2.75 on a 4.0 scale in the last 60 hours completed OR
  - A GPA of at least 3.0 in the major content area on a 4.0 scale
- A Statement of Professional Intent which adheres to the following guidelines. Statement should provide a sample of the applicant’s writing style and ability. It should be 2-3 double-spaced pages in length and is expected to be well organized, clearly written, and error free. It should include an introduction, responses to the three questions listed below, and a conclusion:
  - Why do you want to pursue this degree?
  - What related qualifications and/or experiences do you bring to the program?
  - What are your career goals after completing the program?
- National Athletic Training Association (NATA) Certified Athletic Trainer (ATC) or certification-eligible for the Athletic Training concentration only

Conditional Admission Requirements
The KRS Graduate Committee may conditionally admit individuals not meeting the above criteria with the additional submission of the following for review:

- A resume including career objective, professional experience, and relevant coursework completed

If accepted conditionally, students must complete the following to be moved from conditional admission to full admission status:

- Must maintain at least a 3.0 overall GPA in the first 12 credit hours
- Must not receive a grade below B in the first 12 credit hours

Students meeting these requirements in the first 12 hours will be fully admitted. Students who do not meet these requirements in the first 12 hours will be dismissed from the program.

Please refer to the admission section (p. 13) of this catalog for Graduate School admission requirements.

Institute for Rural Health (IRH)

www.wku.edu/irh
Academic Complex 201
(270) 745-6948

The purpose of the WKU College of Health and Human Services’ Institute for Rural Health is to identify rural health and human service needs and facilitate collaborative arrangements engaging WKU students and faculty with community agencies in addressing these needs. The Institute works closely with the departments and schools within the College of Health and Human Services. Resources include the WKU College of Health and Human Services’ Mobile Health and Wellness Unit and the Mobile Dental Health Unit. The Institute plays a major role in assisting CHHS in maintaining the focus of student engagement and community service, while promoting collaborative research.

The mission of the IRH is to steward a high quality of life for rural populations and underserved areas: by engaging students and faculty in service learning and research; by providing clinical services; and by serving as a global resource for improving health in rural communities. Staff and students within the College of Health and Human Services provide the services which include oral exams, dental cleanings, dental sealants, fluoride varnishes, preventive health screenings, immunizations, and health education/promotion. The target area to provide these services is the ten-county Barren River District Development area.
**Programs**
- Family Nurse Practitioner, Post-MSN Certificate (0449) (p. 95)
- Nursing Practice, Doctor of Nursing Practice (0011) (p. 96)
- Nursing, Master of Science in Nursing (149) (p. 97)
- Psychiatric Mental Health Nurse Practitioner, Post-MSN Certificate (0479) (p. 99)

**Faculty**

**Professor**
Cathy H. Abell, PhD (Educational Leadership Organizational Development), University of Louisville, 2009
Mary P. Bennett, DNS (Doctoral Nursing, Medical Nursing), Rush University, 1997
Maria E. Main, DNP (Nursing Practice), University of Kentucky, 2010
Dawn G. Wright, PhD (Nursing Science), Vanderbilt University, 2008

**Associate Professor**
Tonya M. Bragg-Underwood, DNP (Nursing Practice, MSN to DNP), Western Kentucky University, 2014
Mary L. Branstetter, DNP (Nursing Practice, Post Master Science in Nursing), University of Kentucky, 2011
Sonya L. House, EdD (Education Leadership), Western Kentucky University, 2013

**Assistant Professor**
Maire M. Blankenship, DNP, Western Kentucky University, 2014
Marian R. Smith, DNP (Advanced Practice), University of Southern Indiana, 2012
Melissa K. Travelsted, DNP (Nursing Practice), Western Kentucky University, 2014

**Instructor I**
William S. Cole, MSN (Nursing, Nursing Educator), Western Kentucky University, 2010
Mark W. Flener, MSN (Nursing, Nursing Educator), Gonzaga University, 2016
Leanna Miller, DNP (Nursing Practice), Western Kentucky University, 2016
Rhonda B. Quenzer, MSN (Nursing, Nursing Educator), Western Kentucky University, 2014
Kelly A. Watson, MSN (Nursing), Western Kentucky University, 2016

**Instructor II**
Vickie L. Shoumake, MSN (Nursing, Nurse Educator), Western Kentucky University, 2011

**Family Nurse Practitioner, Post-MSN Certificate (0449)**

**Program Coordinator**
Maria E. Main, eve.main@wku.edu, (270) 745-3489

This certificate is for students who have completed a master’s degree or higher in nursing and desire to pursue a non-degree course of study that leads to eligibility to take a national Family Nurse Practitioner certification examination.

**Program Admission**

Admission to the Post MSN Certificate is competitive and limited to available space, clinical sites, and clinical preceptors. Following initial review, if applicant meets minimum admission standards, consideration is given to the applicant's professional work experience, statement of professional and personal goals, and professional references. An interview may be requested following a review of admission materials but does not assure acceptance into the program.

**Minimum Admission Standards**
1. Earned MSN, DNP or higher degree in nursing from nationally accredited nursing program
2. Hold unencumbered or have applied for RN licensure in Kentucky or compact state
3. Submission of official transcripts that document a cumulative MSN GPA of at least 3.0 on 4.0 scale
4. One year of full-time clinical experience as a registered nurse in a setting supporting primary care practice such as acute care, long term care, home health, etc.

**Additional Required Application Materials**
1. A written goal statement (500-700 words in length, 12 pt. font, in Microsoft Word or RTF) describing your personal and professional career goals; your academic strengths and weaknesses; planned location of clinical practicum experiences and potential clinical preceptors; and role change anticipated following completion of certification
2. Three professional references (on form provided) to include current nurse manager or nurse administrator and nurse faculty if a recent (<3 yrs.) MSN graduate.
3. Professional resume

All program admission materials must be received prior to the due date noted on the program web page. An interview may be offered following a review of admission materials. Completion of an interview and acceptance by the Graduate School does not assure acceptance into the certificate program. Incomplete applications will not be considered for admission. Applicants must reapply to be considered for the next admission cycle by updating the Graduate School application, and submitting all required program materials.

Please refer to the admission section (p. 13) of this catalog for Graduate School admission requirements.

**Program Requirements (17 hours)**

Students may transfer up to 12 hours of the courses listed below.

Nursing Practice, Doctor of Nursing Practice (0011)

Program Coordinator
Maria E. Main, eve.main@wku.edu, (270) 745-3489

The WKU Doctorate of Nursing Practice (DNP) program is a practice focused degree preparing advanced practice nurses to assume leadership roles in healthcare. The curriculum, based on a scientific foundation for advanced practice, is designed to emphasize evidence-based practice, leadership, health policy development, and organizational analysis and change. The Post-MSN and the BSN to DNP options are available. The BSN to DNP option offers two concentrations: Family Nurse Practitioner (FNP) and Nurse Executive. Both options complete a practice immersion experience and culminating DNP Project. BSN to DNP FNP concentration students are eligible to sit for national certification as a FNP.

Concentration(s)
- BSN to DNP, Family Nurse Practitioner (DNPF)
- BSN to DNP, Nurse Executive (DNPE)
- MSN to DNP (DNPN)

Program Admission

1. BSN or MSN from a CCNE (Commission on Collegiate Nursing Education) or Accreditation Commission for Education in Nursing (ACEN, formerly NLNAC/National League for Nursing Accrediting Commission) accredited nursing program
2. GPA - 3.25 cumulative in BSN or MSN
3. Undergraduate degree from an international university outside the U.S. or English is second language submit appropriate TOFEL scores (policy established by the Graduate School)
4. Three professional references
5. Written goal statement
6. Resume highlighting past education, relevant clinical experience, scholarly endeavors and professional service (BSN to DNP students must document one year of full time experience as a registered nurse prior to enrolling in a clinical course)
7. Professional license
   a. MSN - current and unencumbered RN and APN license (if applicable) in the state residence in which clinical experiences will be completed.
   b. BSN - current and unencumbered RN license in Kentucky or compact state

The following requirements only apply to the MSN to DNP option:

1. Completed verification of post-baccalaureate practice hours form. (Applicants who cannot demonstrate a minimum of 500 clinical clock hours in graduate program will be expected to complete clinical course work beyond the proposed curriculum.)
2. Graduate level statistics course within past 5 years

Following review of the admission materials by the Graduate Committee, applicants may be invited to interview with graduate faculty. Admissions are competitive. Documentation that an applicant meets the minimum admission requirements does not ensure admission to the program. It is expected that applicants have moderate technology skills and access to a personal computer and high speed DSL or broadband internet service.

The WKU DNP program is a practice focused degree preparing advanced practice nurses to assume leadership roles in healthcare. The curriculum is based upon a strong scientific foundation for practice and is designed to emphasize evidence-based practice, leadership, health policy development, organizational analysis, and change.

Two options are available in the DNP program: MSN to DNP and BSN to DNP. The BSN to DNP has two concentrations: Family Nurse Practitioner (FNP) and Nurse Executive (NE). BSN to DNP FNP concentration students are eligible to sit for national certification as a FNP.

All students complete a practice immersion experience and culminating DNP Project with a patient population or in a healthcare system that demonstrates application of advanced clinical and evidence-based practice. It will serve as a foundation for future scholarly practice.

Please refer to the admission section (p. 13) of this catalog for Graduate School admission requirements.

Program Requirements (36-76 hours)

BSN to DNP, Family Nurse Practitioner Concentration

(76 hours)

The BSN to DNP is a 76 hour credit program with both full and part time options.

Nursing, Master of Science in Nursing (149)

Program Coordinator
Rhonda B. Quenzer, rhonda.quenzer@wku.edu, (270) 745-3974

The purpose of the MSN program is to develop expertise in advanced nursing skills that demands increased accountability, proficiency, and leadership. The MSN-Psychiatric Mental Health Nurse Practitioner (MSNS) builds on the baccalaureate of science in nursing for those who wish to be certified as Psychiatric Mental Health Nurse Practitioners. The MSN-Masters Entry Professional Nursing (MEPN) allows the student with a previous baccalaureate degree in a field other than nursing to obtain the MSN and become eligible for licensure as an RN.

Concentration(s)
- Psychiatric Mental Health Nurse Practitioner (MSNS)
- Master Entry Professional Nursing (MEPN)

Joint Undergraduate Master’s Program (JUMP)
This degree offers a Joint Undergraduate Master’s Program (JUMP) which provides academically outstanding students the opportunity to complete both an undergraduate and graduate degree in approximately five years. Contact the graduate program coordinator for additional information.

Program Admission
MSN, Psychiatric Mental Health Nurse Practitioner Concentration
Admission to the MSN program is competitive and limited to available space. Following initial review, if applicant meets minimum admission standards, consideration is given to the applicant’s professional work experience, statement of professional and personal goals, and professional references. An interview will be requested following a review of admission materials but does not assure acceptance into the program.

Minimum admission requirements:
1. Earned BSN degree from nationally accredited nursing program
2. Hold unencumbered RN licensure at the time of application, and must be licensed in the state where clinical experiences will be completed
3. Cumulative GPA of at least 3.0 on 4.0 scale
4. Applicants with a cumulative GPA between 2.75-2.99 in the BSN degree, will be considered for admission provided they have at least a 3.0 GPA in the last 60 hours of the BSN degree; and have a satisfactory review of additional required admission materials (goal statement, resume, references); plus a positive interview. Admission if approved will be on a probationary status requiring that the student earn a minimum grade of B in each course in the first 12 hours of the program.
5. Psychiatric NP applicants must document at least one year of RN experience in a psychiatric mental health nursing before the start of clinical course in the program.

Additional Required Application Materials:

1. A written goal statement (500-700 words in length, 12 pt. font, in Microsoft Word or RTF) describing your personal and professional career goals; your academic strengths and weaknesses; life modifications you will make to help you be successful in the program; and, your understanding of online or independent learning.
2. Three professional references (on form provided) to include nurse manager or nurse administrator and nursing faculty if a recent (<3 yrs.) BSN graduate.
3. Professional resume
4. All program admission materials must be received prior to the due date noted on the program web page. An interview may be offered following a review of admission materials. Completion of an interview and acceptance by the Graduate School does not assure acceptance into the MSN program. Incomplete applications will not be considered for admission. Applicants must reapply to be considered for the next admission cycle by updating the Graduate School application and submitting all required program materials.

*The Graduate Faculty may schedule a personal interview after all required forms have been received.

MSN, Psychiatric Mental Health Nurse Practitioner Progression Requirements
1. MSN students must adhere to progression requirements found in the WKU Graduate Catalog.
2. Additionally MSN students must earn a 3.0 (B) in each specialty course before progressing to the next course according to the recommended curriculum sequence.
3. Document at least one (1) year of experience working with people with psychiatric-mental health conditions.

MSN, Masters Entry Professional Nursing Concentration
Admission to the MSN-MEPN Concentration is competitive and limited to available space. Following initial review, if applicant meets minimum admission standards, consideration is given to the applicant's professional work experience, statement of professional and personal goals, and professional references. An interview will be requested following a review of admission materials but does not assure acceptance into the program.

Minimum admission requirements:
1. Earned Bachelors from a regionally accredited institution in any discipline other than nursing and is NOT a licensed Registered Nurse.
2. Cumulative GPA of at least 3.0 on 4.0 scale
3. Human Anatomy & Physiology (minimum of 6 credit hours with grade(s) of B or above).
4. Human Nutrition (3 credit hours with a grade of B or above).
5. HESI pre-entrance exam completion with a score of 80 or above.
6. To be considered for admission to the MEPN Program, English as a second language (ESL) applicants must achieve minimum scores on the TOEFL internet-based test (TOEFL iBT) of: Minimum Cumulative Score of: 86 combined AND Minimum Individual Scores of: 26 in Speaking 20 in Writing 20 in Reading 20 in Listening.
7. Admission to the JUMP MSN-MEPN.

Additional Required Application Materials:
1. A written goal statement (500-700 words in length, 12 pt. font, in Microsoft Word or RTF) describing your personal and professional career goals; your academic strengths and weaknesses; life modifications you will make to help you be successful in the program; and, your understanding of online or independent learning.
2. Three professional references (on form provided).
3. Professional resume
4. All program admission materials must be received prior to the due date noted on the program web page. An interview may be offered following a review of admission materials. Completion of an interview and acceptance by the Graduate School does not assure acceptance into the MSN program. Incomplete applications will not be considered for admission. Applicants must reapply to be considered for the next admission cycle by updating the Graduate School application and submitting all required program materials.

*The Graduate Faculty may schedule a personal interview after all required forms have been received.

Please refer to the admission section (p. 13) of this catalog for Graduate School admission requirements.

Program Requirements (30-43 hours)
Psychiatric Mental Health Nurse Practitioner Concentration (43 hours)
The Psychiatric Mental Health Nurse Practitioner is prepared at the graduate level to diagnose, prescribe and treat psychiatric illnesses and mental health conditions across the lifespan. This concentration prepares the graduate to sit for certification as a Psychiatric Mental Health Nurse Practitioner (across the lifespan). See special admission criteria on the program admission section.

**Master Entry Professional Nursing (30 hours)**

The Master Entry Professional Nursing is a two-year concentration that prepares students with a bachelor’s degree in any area outside of nursing to become entry-level professional nurses. MEPN students earn a Master of Science in Nursing degree. Graduates are eligible to take the National Council Licensure Examination (NCLEX-RN) for registered nursing licensure.

**Psychiatric Mental Health Nurse Practitioner, Post-MSN Certificate (0479)**

**Program Coordinator**
Rhonda B. Quenzer, rhonda.quenzer@wku.edu, (270) 745-3974

The Psychiatric Mental Health Nurse Practitioner (PMHNP) certificate is for Advance Practice Registered Nurses (APRNs) who have completed a master’s degree or higher in nursing and desire to pursue a non-degree course of study that leads to eligibility to take a national Psychiatric Mental Health Nurse Practitioner (PMHNP) certification examination.

**Program Admission**

1. MSN, DNP or higher degree in nursing from a nationally accredited nursing program
2. GPA of 3.0 on 4.0 scale.
3. Submit a copy of your professional license, current and unencumbered APRN and RN license in Kentucky or compact state.

4. If applicant has an undergraduate degree from an international university outside of the U.S. or if English is the applicant’s second language, submit appropriate TOFEL scores (policy established by the Graduate School)
5. Submit a WKU application for admission with appropriate fee
6. Provide official transcripts of all undergraduate and higher education coursework.
7. Provide three (3) professional references. If graduated from a BSN program within three (3) years of application, one (1) reference must be from a faculty of your program
8. Submit a typed, 1-2 page goal statement
9. Submit a resume highlighting past education, relevant clinical experience, scholarly endeavors and professional service
   a. Document one (1) year of full time RN and/or APRN clinical experience
   b. Document at least one (1) year of experience working with people with psychiatric mental health conditions
10. Successfully complete an interview with graduate faculty (scheduled upon completion of above).

Please refer to the admission section (p. 13) of this catalog for Graduate School admission requirements.

Gordon Ford College of Business
Dr. Christopher Shook, Dean
Grise Hall 445
(270) 745-6311
gfcb@wku.edu
www.wku.edu/business

History
The long, rich history of the Gordon Ford College of Business is traced back to 1874. Its forerunner, Bowling Green Business University (BU), was a prestigious private four-year business college. In June 1963, the Western Kentucky State Normal School (later Western Kentucky University) assumed the business programs of the BU and named it the Bowling Green College of Commerce in 1964. To honor the generosity of Gordon B. Ford, the college was renamed the Gordon Ford College of Business in December of 1998, becoming the second named business school in Kentucky. The Association to Advance Collegiate Schools of Business, AACSB, accredits all business programs offered by the College. WKU is one of only three universities in the Commonwealth of Kentucky to have "dual accreditation" meaning that both its business and accounting programs are AACSB accredited.

Mission
The Mission of the Gordon Ford College of Business is to be a leader in providing high quality, applied undergraduate business education and select graduate programs that meet the needs of the business community. In fulfilling the College and University missions, and with a balanced emphasis on teaching, research, and service, the highly-qualified faculty of the Gordon Ford College strives for effective teaching and active student learning. The faculty demonstrates competency through continuous intellectual activity in discipline-based, applied or instructional research. The currency and relevancy of research and pedagogical activity are supported by active faculty participation with professional associations and projects and other initiatives with business, industry, and government organizations.

Center for Applied Data Analytics
https://www.wku.edu/information-systems/cada.php
Kirk Atkinson, Director
(270) 745-5408

The mission of the Gordon Ford College of Business Center for Applied Analytics is to advance the science and practice of business analytics by bringing together professional and community-based constituents, faculty, and students; to promote economic development, collaborative research, outreach, and education in the areas of applied analytics. We achieve our mission using our primary goals.

Outreach
• Enhance the economic impact to the geographic area served by Western Kentucky University by analyzing customer, production, operational, and market data to improve decision making and enhance the quality of their company’s products and services.
• Assist clients in synthesizing, aggregating, and analyzing data.

Education
• Train students and business professionals to leverage appropriate technologies and best practices used in data analytics.
• Provide our students with real-world experience and internships which promote potential job opportunities.

Collaborative Research
• Serves as a central facility to bring together expertise from a wide variety of disciplines.
• Perform applied interdisciplinary research that aids all aspects of our overall goals.

Center for Applied Economics
wkuapliedeconomics.org/ (http://www.wkuapliedeconomics.org)
Sebastian Leguizaman, Director
(270) 745-3970

The WKU CAE is an outreach of the WKU Department of Economics and Gordon Ford College of Business. It serves as an economic information access point for Bowling Green and South Central Kentucky, provides a bridge between technical research in economics and the local community on relevant topics, provides fee-based studies, and engages graduate students in applied analysis.

Center for Entrepreneurship and Innovation (CEI)
www.wku.edu/cei/
entrepreneurship@wku.edu (entrepreneurship@wku.edu)
Whitney Peake, Director
Grise Hall 234
(270) 745-4142

The mission of the Center for Entrepreneurship & Innovation is to increase and develop entrepreneurial students through engaged learning, by enhancing connections across campus, and in strengthening community relationships. Making Connections to and for Entrepreneurial Students!

Center for Financial Success
www.wku.edu/cfs/
financialsuccess@wku.edu
Andrew Head, Director
Grise Hall 324
(270) 745-3425

The mission of the WKU Center for Financial Success is to be the primary and coordinating resource in aiding the university and regional community in becoming financially informed and independent by utilizing a combination of faculty expertise, peer-to-peer counseling and applied financial planning education.
We would love to help you create a plan and ensure that you are on track to reaching your financial goals. Topics that we cover include, but are not limited to:
• Budgeting/Spending Plans
• Debt Management
• Student Loans
• Credit
Welcome to the WKU Center for Professional Selling. Our Sales Program is one of 20 Fully Certified Sales Programs in the United States as a member of the University Sales Center Alliance, and we are one of eight programs in the country offering an academic major and minor in sales. The WKU Center for Professional Selling is the only certified program in the Commonwealth of Kentucky and the surrounding geographic area. This Center was formed in July 2007 with two specific goals:

1. Education Focus: Enhance the perception of the sales profession while preparing students for a career in sales. Development of appropriate curriculum to include a both a major and minor in Sales.
2. Business Focus: Strengthen the relationship between WKU and Corporations. Develop partnerships with corporations to provide real-world classroom activities in addition to internship or full-time employment opportunities.

Since 2007, our growth has been outstanding! We have grown more than 300% in the last decade are among the fastest growing programs on campus. Currently, we have nearly 300 students who are either majoring or minoring in sales. Within that minor, more than 20 different majors are represented, ranging from finance to public relations and agriculture to psychology.

Center for the Study of Capitalism

www.wku.edu/capitalism
Brian Strow (brian.strow@wku.edu), Director
(270) 745-7082

The purpose of the WKU BB&T Center for the Study of Capitalism is to create a comprehensive program of study on the moral foundations of capitalism. It provides resources and learning opportunities to students and the public regarding capitalism’s role in society.

Accountancy, Master of Accountancy (0445)

Program Coordinator
Steve C. Wells, steve.wells@wk.edu, (270) 745-3194

The Master of Accountancy is an advanced program of study designed to provide students with an expanded understanding of accounting and business by building on the foundation gained in an undergraduate accounting program. The program provides a graduate-level curriculum to accommodate the growing body of knowledge in accounting and equips accounting students with additional skills and competencies. Graduates are prepared to research various databases related to accounting topics, exercise judgment in making accounting-related decisions, and effectively communicate the results of the research and analysis. Teaching methods vary with a mix of lectures, case studies, special projects, and research activities. In addition to completing the 30 hours of coursework, each student is encouraged to participate in a professional certification review program.

Joint Undergraduate Master's Program (JUMP)

This degree offers a Joint Undergraduate Master's Program (JUMP) which provides academically outstanding students the opportunity to complete both an undergraduate and graduate degree in approximately five years. Contact the graduate program coordinator for additional information.

Program Admission

In order to be considered eligible for admission to the Master of Accountancy (MAcc), an applicant should satisfy the following requirements:

- An application to Graduate School.
- Official transcript(s) of all college work attempted indicating the applicant has received an undergraduate degree in accounting from an accredited college or university with a minimum undergraduate GPA of 3.25 (4.0 scale) for the terms in which the student completed the last sixty (60) hours of undergraduate coursework.
- Official Graduate Management Admissions Test (GMAT) score report with a minimum score of 500.
- A grade of a "C" or better in all undergraduate accounting courses.
- International students must provide evidence of their ability to communicate in English in both oral and written form. (For written skills, a minimum of 550 on the paper based TOEFL or a minimum of 79 on the iBT TOEFL).
- International students must submit transcript evaluations on a course level basis prepared by WES or similar organization. (The Kentucky State Board of Accountancy requires course credits to be certified by the Foreign Academics Credentialing Service or another credentialing agency that is a member of the National Association of Credential Evaluation Services, Inc.).
- An applicant with an undergraduate degree in an area other than accounting who meets the other criteria may be considered for the program upon the completion of additional undergraduate and/or graduate foundation coursework.

*These minimum requirements establish eligibility for admission, but do not guarantee acceptance into the program.

Please refer to the admission section (p. 13) of this catalog for Graduate School admission requirements.

Program Requirements (30 hours)

The program curriculum consists of thirty (30) semester hours of graduate courses with fifteen (15) semester hours of required accounting courses.

Electives

Select 15 hours 1
Total Hours 30
Students admitted to the MAcc program may select graduate courses offered in the Gordon Ford College of Business upon approval by the department chair. Tier I or business foundation courses and BA 515 will not be considered as satisfying any part of the 30-hour requirement. Six (6) hours of the elective graduate courses may be from outside the Gordon Ford College of Business with prior approval of the department chair. Individual programs of study must be approved by the department chair. The selection of elective courses should be directly related to the student's career goals and/or desired skills/competencies.

A student admitted to the MAcc program must maintain a 3.0 GPA (4.0 scale). The department chair, with the consent/approval of the faculty appeals committee, may grant permission for any student who fails to maintain a 3.0 GPA due to extenuating circumstances to continue for one semester on a probationary basis. Any student granted probationary status must attain a cumulative 3.0 GPA by the end of the following semester to remain in the program.

A student who receives a "C" or lower in two required accounting courses will be subject to dismissal from the program. The department chair, with the consent/approval of the faculty appeals committee, may grant a waiver in cases of extenuating circumstances.

**Applied Economics, Master of Arts (0410)**

**Program Coordinator**

David M. Zimmer, david.zimmer@wku.edu, (270) 745-2880

The Master of Arts in Applied Economics offers two concentrations: general and mathematical methods. The general concentration emphasizes the training of students with backgrounds in economics and other arts and sciences for careers that require strong quantitative skills, technical tools, and communication abilities that can be applied to a broad range of subjects. The mathematical methods concentration is designed for students with a strong background in mathematics to gain applied knowledge in economics.

Students in either concentration may also enroll in approved courses from related master programs including but not limited to the Master in Business Administration, the Master in Public Administration, and the Master in Health Administration to enhance their range of knowledge and experience. In addition to course work, the program utilizes practicum, an end-of-program applied project, and non-credit workshops to build specific technical skills and to enhance employability of graduates.

**Concentration(s)**

- General (ECGE)
- Mathematical Methods (ECMM)

**Joint Undergraduate Master's Program (JUMP)**

This degree offers a Joint Undergraduate Master's Program (JUMP) which provides academically outstanding students the opportunity to complete both an undergraduate and graduate degree in approximately five years. Contact the graduate program coordinator for additional information.

**Program Admission**

**General Concentration**

1. Graduate School admission application which includes submission of official undergraduate degree transcripts.1
2. Three letters of recommendation from individuals familiar with the student's academic performance.
3. Minimum undergraduate GPA of 2.75 (4.0 scale).
4. Official GRE score taken within the last five years. Minimum GRE quantitative score of 147 on a 170 point scale. Alternate graduate admission test scores such as the GMAT or LSAT will be considered on a case by case basis.

1 All applicants must have completed an introductory microeconomics course (ECON 202 or equivalent), an introductory macroeconomics course (ECON 203 or equivalent), and an introductory statistics course (ECON 206 or equivalent). Students who have not completed an intermediate level course (300 level or higher) in microeconomics, macroeconomics, or statistics are advised to complete online preparatory work in the area of deficiency prior admission.

**Mathematical Methods Concentration**

1. Graduate School admission application which includes submission of official undergraduate degree transcripts with a major in Economics, Mathematics, Math-Econ or other related majors.2
2. Three letters of recommendation from individuals familiar with the student's academic performance.
3. Minimum undergraduate GPA of 2.75 (4.0 scale).
4. Official GRE score taken within the last five years. Minimum GRE quantitative score of 147 on a 170 point scale. Alternate graduate admission test scores such as the GMAT or LSAT will be considered on a case by case basis. GRE requirement is waived for students
who have earned an undergraduate degree from WKU and have a minimum GPA of 3.3 in their major.

2 All applicants must have completed a calculus sequence through multivariable calculus, discrete mathematics, principles of micro- and macroeconomics, and one semester of junior or senior level probability theory.

Please refer to the admission section (p. 13) of this catalog for Graduate School admission requirements.

### Economic Data Analytics, Certificate (0491)

**Program Coordinator**

David M. Zimmer, david.zimmer@wku.edu, (270) 745-2880

This graduate certificate will help prepare professionals for jobs in both public and private sector. Students will demonstrate advanced knowledge in quantitative economics disciplines including applied economic statistics, econometrics and time series forecasting, as well as data management skills.

### Program Admission

Admission to the certificate does not require or include admission to the MA in Applied Economics program. Applicants are required to have completed an introductory statistics course prior to enrolling in the certificate program.

Please refer to the admission section (p. 13) of this catalog for Graduate School admission requirements.

- Business Sustainability, Certificate (0474) (p. 107)

Business Administration, Master of Business Administration (057)

Program Coordinator
Paula W. Potter, paula.potter@wku.edu, (270) 745-6581

The Master of Business Administration (MBA) provides a professional graduate education that prepares graduates for successful business careers and organizational leadership. Students receive a solid education across all of the business disciplines by taking core courses in accounting, economics, finance, information systems, management, and marketing (21 credit hours). Students also broaden and or deepen their education by taking 9 credit hours in approved electives.

The MBA is offered using three distinct methods of delivery. These “options” are: Full-time, Online, and Professional MBA. Students must

Western Kentucky University -- 2019-20 Graduate Catalog
specify to which option they are applying on their graduate application form.

- The Full-time option is designed for the students who can attend afternoon and evening classes, desire face-to-face interaction, and are not employed full-time. The Full-time MBA is an accelerated, 12-month program which starts each fall.
- The Online MBA is designed for students who may be employed and prefer the flexibility of studying anywhere, anytime and want to proceed at their own pace. The Online option offers courses all online. Some tests are proctored at a site convenient to you. Online students can start any semester and can choose to graduate in as quickly as 12 months or take up to 5 years.
- The Professional MBA (PMBA) is an “executive-style” MBA. The PMBA offers the flexibility of a part-time program, face-to-face interaction, and meets on alternating Saturdays. The PMBA is restricted to students who have at least five years of professional or mid- to upper-level management experience.

**Joint Undergraduate Master’s Program (JUMP)**

This degree offers a Joint Undergraduate Master’s Program (JUMP) which provides academically outstanding students the opportunity to complete both an undergraduate and graduate degree in approximately five years. Contact the graduate program coordinator for additional information.

**Program Admission**

Applicant materials are reviewed during the normal admission cycles. Students accepted into the MBA program will receive written notification and additional orientation materials. Students not admitted will be notified in writing and may be encouraged to reapply during the next regular admissions cycle.

The admission process for the MBA program at Western Kentucky University involves the following steps and requirements:

1. Completion of Graduate School admission application, a current resume with two references listed, submission of an official undergraduate degree transcript from each university attended, and an official copy of a GMAT score taken within the last five years.
2. Applicants seeking admission must meet the following criteria: minimum undergraduate overall grade point average of 2.75 on a 4.0 scale, a minimum overall GMAT score of 500, and a written GMAT score of 3.5. Applicants not meeting these standards may be considered on a case-by-case basis if applicant has a GAP score of 1100 or more [GAP = GMAT total scaled score + (Undergraduate GPA x 200)].
3. Professional admission standards may use substantial professional work experience (five years minimum of professional or mid to upper level management experience) to overcome deficiencies in other admission criteria.
4. The GMAT requirement will be waived for students who:
   a. already possess a doctoral degree (MD, JD, DO, DDS, PharmD, PhD, EdD, etc.) or those who have completed and passed all sections of the CPA exam;
   OR
   b. have earned a bachelor’s degree with a 3.5 cumulative GPA or higher in a business program in the Gordon Ford College of Business at WKU or other AACSB accredited program.
5. Applicants who have limited prior academic background in basic business are required to demonstrate proficiency in six major areas by successfully completing one of the following:
   a. one or more preparatory courses as specified by the MBA Director;
   b. BA 502;
   c. one or more core area proficiency exams (fees required).

These minimum requirements establish eligibility for admission, but do not guarantee acceptance.

Please refer to the admission section (p. 13) of this catalog for Graduate School admission requirements.

**Electives**

Select 6 hours

Total Hours 30

1. Can be replaced with an approved 3 hour elective.
2. Students may choose 6 semester hours of electives from the various functional areas of business. Electives may also be taken outside the Gordon Ford College of Business with approval of the MBA Director.

**Business Core Competencies, Certificate (0487)**

**Program Coordinator**

Paula W. Potter, paula.potter@wku.edu, (270) 745-6581

This certificate will provide students a general knowledge in all of the core business disciplines and more specific graduate knowledge in the areas of accounting, finance and two of the following areas: economics, information systems, organizational behavior, or marketing.

**Program Admission**

Please refer to the admission section (p. 13) of this catalog for Graduate School admission requirements.

**Business Sustainability, Certificate (0474)**

**Program Coordinator**
Paula W. Potter, paula.potter@wku.edu, (270) 745-6581

This certificate provides preparation for business professionals and others seeking a background in sustainability issues as related to business. Business organizations must comply with an increasing set of regulations as well as voluntary standards relating to environmental sustainability. Businesses are engaged in creating and following a set of best practices and maintaining metrics important to environmental sustainability. Wise use of resources, attention to the value chain, and careful planning of operations is required of businesses interested in maximizing profits and remaining viable over time. The global, national, and local interest in sustainability creates many opportunities for business innovation and entrepreneurship.

Total Hours 12

\(^1\) Students may substitute up to 3 hours from the Global Pathways to Sustainability certificate offered in the Diversity & Community Studies Department upon prior approval of the MBA office.
Ogden College of Science and Engineering

The mission of Ogden College of Science and Engineering is to empower individuals to become leaders through academic achievement, global connections, and engagement in research, education and service.

Vision
Ogden College of Science and Engineering is a community of creative and critical thinkers achieving local to global impact.

Ogden College of Science and Engineering encompasses both applied and basic sciences. Students have an opportunity to choose advanced study and research in a broad range of subjects, including agriculture, biology, biochemistry, chemistry, computer science, construction management, engineering, geosciences, architectural science, advanced manufacturing, materials, mathematics, meteorology, physics, homeland security sciences, and psychology. We are recognized by the high quality and success of our students and graduates. Students receive personal attention to professional development through engagement with faculty in projects that expand on classroom instruction. Ogden College is home to the Applied Research and Technology Program (ARTP), a multidisciplinary program consisting of 8 scientific and service-oriented Centers and Institutes designed to prepare students for the knowledge-based 21st Century global economy. These Centers meet the research and technical needs of the community, state and nation while providing unique opportunities for students to transition from academia to the workplace or graduate programs through participation in supervised, hands-on applied research and technological projects. Students grow intellectually and professionally through participation in these activities. Each center operates within a cooperative and interdisciplinary framework to apply state-of-the-art science toward finding cost effective solutions to environmental and health issues and to the technological problems of government and industry. The ARTP serves as a catalyst for economic development in the region and beyond.

Agriculture, Master of Science (052)
The Master's Degree is a general degree in agriculture and can be thesis or non-thesis depending on student goals. The degree is general by design which allows for maximum flexibility for each student.

Program Admission
In addition to Graduate School admissions requirements, the Department of Agriculture requires:

1. Bachelor's degree in agriculture or related field
2. GPA of 2.75 or greater (on 4.0 scale)
3. GRE general scores for quantitative, verbal, and analytical writing
4. Three letters of reference
5. Resume or curriculum vitae
6. Cover letter (i.e. statement of purpose) in which the applicant specifies the program to which they are applying (thesis or non-thesis), academic interests, relevant experiences, and a graduate faculty member in the WKU Department of Agriculture that has agreed to serve as the graduate advisor.

Exceptions to an agriculture degree may be made for non-agriculture undergraduate degree holders. However, additional coursework may be required, which will be determined by the department graduate committee and/or the student's thesis committee.

Although no formal minimum GRE scores are required, admission into the program is competitive and GRE scores will be considered during the selection process.

Program and faculty information may be found at www.wku.edu/agriculture. Students should contact the agriculture graduate program coordinator for guidance in the research advisor selection process. The graduate program coordinator will review the student research interests and suggest possible research advisors.

Applications should be received by March 15th for priority consideration.

Please refer to the admission section (p. 13) of this catalog for Graduate School admission requirements.

**Biology, Master of Science (056)**

**Program Coordinator**

Carl W. Dick, carl.dick@wku.edu, (270) 745-2043

The Master of Science in Biology provides many opportunities in teaching, research, and public service and provides excellent preparation for many other areas of basic and applied sciences. The program offers students the option of a traditional thesis and a non-thesis option that incorporates distance-learning. The non-thesis option is designed primarily for career-oriented students who are located off campus.

**Joint Undergraduate Master's Program (JUMP)**

This degree offers a Joint Undergraduate Master's Program (JUMP) which provides academically outstanding students the opportunity to complete both an undergraduate and graduate degree in approximately five years. Contact the graduate program coordinator for additional information.

**Program Admission**

In addition to Graduate School requirements, the Department of Biology requires the following:

- Bachelor's degree in biology or equivalent including supporting courses in science and mathematics
- Undergraduate GPA ≥ 3.0 (on a 4.0 scale)
- GRE general score (quantitative + verbal) ≥ 300 if taken on or after August 1, 2011 or ≥ 1050 if taken prior to August 1, 2011, and analytical writing score of ≥ 3.5. If the GRE has not been taken previously, exam scores from the MCAT (≥ 24) or DAT (≥ 16) may be substituted.
- A biology graduate faculty member must be willing to serve as advisor before a student is admitted to the program.
- Three letters of reference
- Statement of purpose, in which the applicant must specify the program to which they are applying, indicate their academic and career interests, and summarize relevant experiences.

Exceptions to possessing a Biology degree may be made for students with undergraduate degrees in biology-related areas. Examples include, but are not limited to the following: agriculture, bioinformatics, biotechnology, botany, ecology, evolution, horticulture, microbiology, natural resource management, zoology. However, additional courses may be required and will be determined by the student's graduate advisory committee (or graduate advisor for online program students).

Please refer to the admission section (p. 13) of this catalog for Graduate School admission requirements.

Program Coordinator  
Eric D. Conte, eric.conte@wku.edu, (270) 745-6019  

The graduate program in chemistry provides a unique learning and research environment and many opportunities for students to develop as independent researchers. Fifteen graduate faculty members provide personal and professional mentoring in an intrinsically collegial, yet challenging graduate experience. Available resources efficiently support the learning needs and academic ambitions of students with varied backgrounds and interests. The program is designed to offer students comprehensive training in analytical chemistry, biochemistry, coal chemistry, inorganic chemistry, materials chemistry, organic chemistry, and physical chemistry.

Concentration(s)  
• General Thesis (CTGN)  
• Biochemistry Thesis (CTBC)  
• Research Intensive Thesis (CRIT)  

Joint Undergraduate Master’s Program (JUMP)  
This degree offers a Joint Undergraduate Master’s Program (JUMP) which provides academically outstanding students the opportunity to complete both an undergraduate and graduate degree in approximately five years. Contact the graduate program coordinator for additional information.

Program Admission  
In addition to Graduate School admission requirements, the Department of Chemistry requires:

1. Bachelor’s degree in chemistry or equivalent including supporting courses in mathematics
2. GPA in chemistry courses of 3.0 or greater (on 4.0 scale)  
3. GRE general scores (Q+V) and Analytical Writing.

1 Exceptions to possessing a chemistry degree may be made for students with undergraduate degrees in chemistry-related areas (e.g. chemical engineering, pharmacy, pharmaceutical science, forensic chemistry). However, additional courses may be required and will be determined by the graduate program coordinator and/or the student’s thesis committee.  
2 Scores from MCAT, PCAT, or DAT may be substituted for equivalent GRE scores.  
3 Although there are no formal minimum GRE scores, admission is competitive. The average GRE scores of recently admitted students are approximately 145 (V) and 150 (Q). Applications should be received by March 15th for priority consideration.

Please refer to the admission section (p. 13) of this catalog for Graduate School admission requirements.

1 Requirements are to be satisfied according to the current departmental policy.

2 Requirements are to be satisfied by preparing a thesis on the project chosen by the student and approved by the members of the student’s graduate committee. Theses are to be prepared in accordance with the specifications established by the Graduate School. A thesis grade will be given after the final thesis has been approved by the student’s graduate committee and the department head.

Research Intensive Thesis Concentration

Candidates are required to complete 30 semester hours of graduate work, including 12 hours of coursework and 18 hours of research-related graduate work. Candidates must apply to the Department Graduate Committee in order to be considered for this concentration. As part of the concentration application, they must select a research advisor and meet with the committee to demonstrate they understand the requirements for this concentration. The Committee must consider factors such as previous research experience of the student, publication record of the student, and the research advisor’s publication record when determining if the student can pursue this concentration. The student and advisor must submit a progress report to the Committee by the end of the second semester. If the committee determines there is insufficient progress towards research and publication, the student will be moved to the normal thesis concentration. A student in the Research Intensive Thesis concentration may also opt to pursue the Thesis option at the end of the first or second semester after consulting with their research advisor.

A student moving to another concentration within the first or second semester should be able to complete the requirements within the average two year period. A student who wishes to move to another concentration in the second year of graduate study must get permission from the Graduate Committee and will probably require an additional semester of coursework to complete the degree.

Total Hours 30

1. Requirements are to be satisfied according to the current departmental policy.
2. Requirements are to be satisfied by preparing a thesis on the project chosen by the student and approved by the members of the student's graduate committee. Theses are to be prepared in accordance with the specifications established by the Graduate School. A thesis grade will be given after the final thesis has been approved by the student's graduate committee and the Department head. Students in the Research Intensive Thesis concentration may opt to use their published papers as chapters in their thesis.
3. Requirements include preparing a research proposal which must be presented to and approved by the student's research committee and one member of the Department Graduate Committee. The final version of this proposal will be submitted to the CHEM 588 instructor of record and the Chemistry Graduate Program Coordinator.
4. Requirements are to be satisfied by conducting a research project under the direction of the student's research advisor. This course provides faculty-mentored research experiences and emphasizes skill based training for students. Bridging the gap between academic study and professional development, this course will help students to develop and enhance problem solving and communication skills. This course emphasizes mastery of advanced technical skills, independent of thesis research.
5. Requirements include preparing and submitting two manuscripts based on their research to peer-reviewed journals under the guidance of the thesis committee. At least one paper must be accepted to receive credit and graduate.

Department of Geography and Geology

Fred Siewers, Department Chair
Environmental Science & Technology 304
(270) 745-4555

Geoscience, Master of Science (072)

Program Coordinator

Jason Polk, jason.polk@wku.edu, (270) 745-5015

The graduate program in Geoscience provides advanced professional training for careers as hydrologists, environmental resource managers, city and regional planners, engineering geologists, geophysical and geochemical geologists, meteorologists and climatologists, earth science teachers, Geographic Information Systems (GIS) specialists, consultants in business and industry, and professional educators. The program also provides a scientific foundation for graduate students who plan to continue advanced studies leading to the Ph.D.

Joint Undergraduate Master's Program (JUMP)

This degree offers a Joint Undergraduate Master's Program (JUMP) which provides academically outstanding students the opportunity to complete both an undergraduate and graduate degree in approximately five years. Contact the graduate program coordinator for additional information.

Program Admission

- GRE score, with a minimum 3.5 score on the GRE Analytical Writing component
- 3.0 overall undergraduate GPA
- Minimum of 18 hours of science courses at the undergraduate level, preferably in the geosciences
- One-page statement of research goals
- Written evidence of an agreement from a graduate faculty member in the Department of Geography and Geology willing to supervise the proposed research project
• Passing grade (C or higher) in appropriate undergraduate coursework to support the thesis research program. For example, students pursuing a thesis project in GIS-related topics are required to have passed an introductory GIS course and a Spatial Data Analysis course at the undergraduate level. Students should take preparatory courses in the summer semester before joining the Geoscience program if they have not previously taken these courses. If taken as a graduate student, a grade of "B" or better is required. Students should consult with their proposed thesis advisor on appropriate preparation coursework before full admission is granted.

Please refer to the admission section (p. 13) of this catalog for Graduate School admission requirements.

1 A maximum of six hours of advisor approved electives that are consistent with the student's research focus may be selected from other departments.

2 No more than 9 hours of 400G courses may be selected.

Department of Mathematics

Bruce Kessler, Department Head
College High Hall 4124
(270) 745-3651
math@wku.edu

The Department of Mathematics offers the M.S. degree and the M.A. degree. Both degrees have the thesis and non-thesis options, and both require 30 hours of graduate-level courses.

The M.S. has two options available. The M.S. (general option) provides knowledge in such traditional areas as analysis, algebra, topology, and applied mathematics, and is recommended for students who wish to obtain a Ph. D. degree, to teach in a community college, or to seek employment in industry with an emphasis on conceptual foundations. The M.S. (computational option) is designed for students seeking employment in industry with an emphasis on computational mathematics and/or computer science in addition to knowledge in traditional areas.

The M.A. degree is designed for students interested in careers in secondary education and will help students become more knowledgeable about the mathematics they will teach in high school and make connections and extensions of that knowledge to college and higher mathematics.

A more detailed description of the mathematics graduate programs can be found at www.wku.edu/math/grad_ms.php for the M.S. program and at www.wku.edu/math/grad_ma.php for the M.A. program.

Mathematics, Master of Arts (049)

Program Coordinator
Kanita K. Ducloux, kanita.ducloux@wku.edu, (270) 745-8791

This online program is intended for students who are secondary teachers who already hold teacher certification and are seeking rank change through earning a Master’s degree. In addition, completion of this degree
program would qualify the classroom teacher to teach WKU-offered dual credit mathematics courses at the high school level and to teach at a community college or technical school. This degree does not provide initial teacher certification or prepare a student for doctoral studies in mathematics.

**Program Admission**
To be admitted to the M.A. program, students must meet the following criteria:

1. Satisfy one of the following conditions:
   - a. have a GAP score of at least 600 \([\text{GAP}=(\text{GRE-V} + \text{GRE-Q}) + \text{(Undergraduate GPA} \times 100)]\)
   - b. have a GRE general score of at least 300, or
   - c. if students have graduate from WKU with a degree in mathematics, a GPA of at least 3.3 in their undergraduate major.

2. A bachelor's degree in mathematics, OR the completion of the following undergraduate courses, with at most one deficiency:
   - a. calculus sequence through multivariable calculus
   - b. linear algebra
   - c. discrete mathematics
   - d. probability or calculus-based statistics
   - e. abstract algebra
   - f. geometry

Applicants must also have or be eligible for a teaching certificate \(^1\) for Secondary Mathematics (grades 8-12). A copy of the certificate or statement of eligibility must be submitted with the application.

\(^1\) Kentucky teachers whose certificates have expired may be admitted, but they may enroll for no more than six hours before they must apply to the Kentucky Education Professional Standards Board for re-issued certificates. After completion of six hours, a student admitted with an expired certificate must submit a copy of the re-issued certificate before being allowed to register for any additional courses. Applicants from out-of-state with expired certificates must complete the requirements for their respective states to renew their certificates and submit a copy of the re-issued certificate.

Please refer to the admission section (p. 13) of this catalog for Graduate School admission requirements.

**Program Requirements (31-34 hours)**
This program is designed to develop Teacher Leaders who can positively impact student learning in their classrooms and schools. Courses and experiences include Professional Learning Communities in which students interact with other graduate students from various content areas and grade levels to discuss and work on real world challenges and promising practices they encounter in schools. An Action Research Project for Teacher Leaders focusing on a classroom, school, or district issue is the capstone for the completion of the Secondary Education portion of the degree.

A maximum of 9 hours at the 400G level may be included in the entire program. Comprehensive exams in mathematics are required. A student who chooses to do a thesis is required to complete 6 hours of MATH 599 and to give an oral defense of the thesis.

**Code** | **Title** | **Hours**
---|---|---
**Required Courses**
MATH 501 | Introduction to Probability and Statistics I | 3
MATH 503 | Introduction to Analysis | 3
MATH 511 | Algebra from an Advanced Perspective | 3
MATH 512 | Geometry from an Advanced Perspective | 3
**Electives**
Select 6 hours of the following: 6
MATH 405G | Numerical Analysis I | 3
MATH 406G | Numerical Analysis II | 3
MATH 409G | History of Mathematics | 3
MATH 415G | Algebra and Number Theory | 3
MATH 417G | Algebraic Systems | 3
MATH 421G | Problem Solving for Secondary Teachers | 3
MATH 423G | Geometry II | 3
MATH 431G | Intermediate Analysis I | 3
MATH 435G | Partial Differential Equations | 3
MATH 439G | Topology I | 3
MATH 450G | Complex Variables | 3
MATH 470G | Introduction to Operations Research | 3
MATH 500 | Readings in Mathematics | 3
MATH 504 | Application of Technology to Problems in Mathematics | 3
MATH 510 | Intermediate Statistics | 3

MATH 535 | Advanced Applied Mathematics- I | 3
MATH 536 | Advanced Applied Mathematics- II | 3
MATH 539 | Topology II | 3
MATH 540 | Stochastic Processes | 3
MATH 541 | Graph Theory | 3
MATH 542 | Advanced Topics in Discrete Mathematics | 3
MATH 550 | Complex Analysis | 3
MATH 570 | Topics in Operations Research | 3
MATH 590 | Special Topics in Mathematics | 3
MATH 599 | Thesis/Research | 3
STAT 549 | Statistical Methods I | 3
**Required Courses**
TCHL 500 | Foundations of Teacher Leadership \(^1\) | 3
TCHL 530 | Curriculum Development | 3
TCHL 545 | Classroom Instruction Strategies \(^2\) | 3
TCHL 555 | School and Classroom Assessment \(^2\) | 3
TCHL 559 | Capstone Project Design for Teacher Leadership | 1
TCHL 560 | Capstone Project for Teacher Leadership | 3
**Mid-Point Assessment**
Students are expected to enroll in TCHL 500 at the beginning of their program and in TCHL 560 toward the end. Students should consult with their advisors regarding the optimal sequence of course work to meet their professional goals. Students must achieve an average of 3.0 on all Critical Performances and an average score of 3 on dispositions even though a candidate’s program of studies does not include the courses. Additional course work may be required based on the assessment results.

Concentration(s)
- General (MAGN)
- Computational Mathematics (MACM)
- Mathematical Economics (MAME)

Joint Undergraduate Master’s Program (JUMP)
This degree offers a Joint Undergraduate Master’s Program (JUMP) which provides academically outstanding students the opportunity to complete both an undergraduate and graduate degree in approximately five years. Contact the graduate program coordinator for additional information.

Program Admission
General Concentration
1. One of the following:
   a. A minimum GAP score of 600 \([\text{GAP} = (\text{GRE-V} + \text{GRE-Q}) \times \text{Undergraduate GPA}]\) or a minimum GAP score of 3000 for students who took the GRE prior to August 2011 \([\text{GAP} = (\text{GRE-V} + \text{GRE-Q}) \times \text{Undergraduate GPA}]\) *Students who took the GRE prior to 2002 should contact the graduate advisor of the program;*
   b. A GRE score of at least 300;
   c. For students that graduate from WKU with a mathematics major, a GPA of at least 3.3 in their mathematics major.

2. Completion of the following undergraduate courses:
   a. a calculus sequence through multivariable calculus;
   b. linear algebra;
   c. discrete mathematics;
   d. an applied mathematics course (e.g. differential equations, probability, calculus-based statistics, numerical analysis);
   e. abstract algebra.

3. A cumulative grade point average of 3.0 (on a 4.0 scale) in at least one of the following:
   a. all mathematics courses that are applicable to the undergraduate mathematics major;
   b. courses specified in (b) through (e) of Item 2 above.

Mathematics, Master of Science (085)

Program Coordinator
Richard C. Schugart, richard.schugart@wku.edu, (270) 745-2947

The M.S. in Mathematics offers three concentrations: general, computational mathematics, and mathematical economics. The general concentration requires traditional courses in analysis, algebra, topology, and applied mathematics, and is recommended for students who wish to obtain a Ph.D. degree, to teach in a community college, or to seek employment in industry with an emphasis on conceptual foundations. The computational mathematics concentration is designed for students seeking employment in industry with an emphasis on computational mathematics and/or computer science in addition to knowledge in traditional areas. The mathematical economics concentration is designed for students seeking employment in industry with an emphasis on economics in addition to knowledge in traditional areas. It is also designed for students who completed an undergraduate degree program in mathematical economics at WKU.

Elective

Professional Education Component

Students who successfully complete the proficiency examinations for either TCHL 545 or TCHL 555 may graduate with 31 hours. However, students who successfully complete the proficiency examinations for both TCHL 545 and TCHL 555 must substitute at least one education course with advisor approval to have a minimum of 31 hours to graduate.

Total Hours
31-34

1. During the first course in the program, TCHL 500, students will complete an assessment process that will be used in determining which TCHL core courses they must take. While enrolled in TCHL 500, master’s candidates will use several documents, including their KTIP assessments or in-kind examples, dispositions self-surveys, referrals from school personnel, and their respective School Improvement Plan, to develop with their respective program advisors individualized programs of study of 31-34 hours related to Kentucky Teacher Standards and professional goals. Each student’s program of study will include some or all of the TCHL courses, at least one content course specific to their initial teaching certification areas, plus additional education-related or content courses.

2. All students must complete TCHL 545 and TCHL 555 or pass proficiency evaluations for these courses. Students who pass proficiency exams must take an additional education course with advisor approval to complete the degree with a minimum of 31 hours. TCHL 500, TCHL 530, and TCHL 560 are required for all students, and there are no proficiency evaluations that may be substituted for these courses.

Secondary Education Completion Requirements
1. Successfully complete TCHL 560 (Course grade of C or higher).
2. Give acceptable presentation of action research in approved venue.
3. Achieve a minimum 3.0 GPA overall and in secondary education course work.
Western Kentucky University

e. B.A. degree with a major in either Computer Science, Engineering, Mathematics or Physics.

3. A cumulative grade point average of at least 3.0 (on a 4.0 scale) in at least one of the following:
   a. all mathematics and computer science courses that are listed in (a) through (d) of Item 2 above; or
   b. all courses in the major listed in (e) of Item 2 above. Students cannot enter the program if they have a deficiency in the courses listed in Item 2 above.

Mathematical Economics Concentration

1. One of the following:
   a. GRE score of at least 300 with a minimum quantitative score of 147
   b. WKU graduates majoring in mathematics, minimum GPA of 3.3 in the major
   c. WKU graduates majoring in mathematical economics, minimum GPA of 3.3 in the major
   d. WKU graduates majoring in economics or business economics, minimum GPA of 3.3 in the major and 3.3 in courses listed below (2.a, b, d, and e).

2. An undergraduate degree majoring in economics, mathematics, mathematical economics, or other related majors with completion of the following undergraduate courses:
   a. a calculus sequence through multivariable calculus
   b. discrete mathematics
   c. principles of microeconomics and macroeconomics
   d. one semester of junior or senior level probability theory
   e. differential equations

Please refer to the admission section (p. 13) of this catalog for Graduate School admission requirements.

Program Requirements (30 hours)

The Master of Science in Mathematics requires a minimum of 30 hours of graduate level mathematics courses. A research tool is required and may entail coursework beyond the 30 hours of mathematics. The research tool must be completed during the first 15 hours of coursework and may be fulfilled by a mathematics reading course such as MATH 598, a computer science course, a foreign language examination, or a research course in another discipline which has a strong relation to mathematics as approved by the student’s graduate advisor. A maximum of 12 hours at the 400G level may be included on the program of study.

A student may, upon prior approval of the Mathematics Department Graduate Committee, include in his/her program a maximum of 6 hours of coursework from a related field. Comprehensive exams are required only for students who choose not to write a thesis.

1 If equivalent courses were taken at the undergraduate level, then the student must substitute appropriate graduate mathematics courses selected in consultation with a Mathematics Department graduate advisor.

2 Students who choose to write a thesis are required to complete 6 hours of MATH 599 and give an oral defense of the thesis.

Computational Mathematics Concentration

Students in the computational mathematics concentration must have a working knowledge of a high-level programming language. The computer science classes required in this option do not allow for additional courses in a related field.

### Programs

- Homeland Security Sciences, Master of Science (0413) (p. 118)

### Faculty

#### Professor

Michael Carini, PhD (Astrophysics), Georgia State University, 1990
Vladimir Dobrokhotov, PhD (Physics), University of Idaho, 2006
A. G. Emslie, PhD (Astronomy), University of Glasgow, 1979
Richard F. Gelderman, PhD (Astronomy), University of Virginia, 1994
Douglas L. Harper, PhD (Physics), Vanderbilt University, 1991

#### Associate Professor

Ali Er, PhD, Old Dominion University, 2011
Steven J. Gibson, PhD (Astronomy, Physics), University of Wisconsin-Madison, 1997
Sanju Gupta, PhD (Physics – Chemistry), University of Puerto Rico Rio Piedras, 2003
Ivan S. Novikov, PhD (Mathematics, Physics), St. Petersburg State U-Russia, 2000

### Homeland Security Sciences, Master of Science (0413)

#### Program Coordinator

Ivan S. Novikov, ivan.novikov@wku.edu, (270) 745-6197

This multidisciplinary program prepares science professionals for careers in the Homeland Security area. The program features hands-on research components to enable students to apply their training to real-world problems. The physical threats area involves the study of applications of physics, biology and chemistry to detect, quantify, prevent and decontaminate radiological, nuclear, biological, explosive and chemical threats. The cyber defense are involves the study of prevention, detection, and remediation of attacks on information systems.
Program Admission
In addition to the Graduate School requirements, admission to the program requires a Bachelor’s degree in biology, chemistry, or physics.

Please refer to the admission section (p. 13) of this catalog for Graduate School admission requirements.

<td>Intelligence for Homeland Security</td>
<td>3</td>
</tr>
<tr>
<td>HLS 830</td>
<td>Hazards and Threats to Homeland Security</td>
<td>3</td>
</tr>
</tbody>
</table>

Total Hours 31

1 The student majoring in homeland security science must complete, in addition to this core and a thesis, a minimum of 13 semester hours of selected graduate division courses. The selection is determined by the student’s specialized area of study, subject to approval by the student’s departmental advisor.

Students are strongly encouraged to utilize elective courses from other Kentucky colleges and universities such as graduate courses from Eastern Kentucky University’s Safety, Security & Emergency Management program. Any course, other than these EKU courses, must receive approval from the graduate director of the program before being considered as an elective.

Psychology, Master of Science (0469)

Program Coordinator
Kelly L. Madole, kelly.madole@wku.edu, (270) 745-6475
This program prepares students to pursue careers in business, research, or government settings, and/or to enter a doctoral program.

Concentration(s)
- Industrial/Organization
- Psychological Science

Joint Undergraduate Master's Program (JUMP)
This degree offers a Joint Undergraduate Master’s Program (JUMP) which provides academically outstanding students the opportunity to complete both an undergraduate and graduate degree in approximately five years. Contact the graduate program coordinator for additional information.

Program Admission
Applicants should have: a statistics and research methodology course; background in psychology; and a minimum GPA of 2.75 with 3.0 in psychology courses (no specific GAP score is required). Applicants should submit GRE scores, three letters of recommendation, transcripts, a psychological science department application form, a 500-word personal statement describing professional interests and career goals, and the Graduate School application form. An interview may be required. Applicants to the psychological science concentration must identify one or more research mentors with whom they wish to work. Although there are no formal minimum GRE scores, admission is competitive. The average GRE scores of recently admitted students are approximately 153 (V) and 148 (Q). Applications should be received by March 1st for priority consideration.

Please refer to the admission section (p. 13) of this catalog for Graduate School admission requirements.

Program Requirements (36-45 hours)
The program comprises 27 hours of core courses plus specific program content that varies by concentration. A thesis based on original research conducted under the direction of a department graduate faculty member is required. A comprehensive examination is required at the time of thesis defense. A research tool is required in both concentrations. No concentration may have more than 9 hours of 400G-level courses.

Industrial-Organizational Psychology Concentration (45 hours)
This concentration focuses on behavior in business, industry, consulting, and government organizations. Students develop proficiencies in the construction and validation of personnel selection systems, job analysis, employee compensation, criterion development, leadership, motivation theory, equal employment opportunity law, and training in business and industry. A thesis is required. Grades lower than B may not be used to satisfy requirements for courses in the industrial/organizational training sequence (PSYS 570, PSYS 571, PSYS 572, PSYS 670, and PSYS 673).

A four-to-six months internship in personnel psychology is encouraged (6 hours); 6 advisor approved graduate credit hours may be substituted for the internship if no internship placement can be obtained.

Psychological Science Concentration (36 Hours)
This concentration uses a research mentorship approach to prepare students to be competitive applicants for admission into a Ph.D. program and/or for positions where strong research and methodological skills are needed. Students may choose from one of four focus areas allowing specialization in biobehavioral, clinical science, cognitive psychology, or developmental science, or they may design a focus area (9 hours) that best fits their interests (subject to approval by their advisor and the program coordinator). A thesis is required. Applicants should refer to faculty research interests identified on the program web site and must apply specifically to work with one or more faculty members in whose research they have a particular interest. Grades lower than B may not be used to satisfy requirements in the Research Methods and Statistics Core (PSYS 510, PSYS 512, PSYS 513, & PSYS 518), PSYS 581, and PSYS 595.

Humans have been brewing alcohol since the dawn of recorded history, and distilling stretches back over a thousand years. Brewing and distilling play a major role in the Kentucky and U.S. economy. Industries as diverse as farming, tourism, construction, and retail all rely on, and contribute to alcohol production.

This multidisciplinary graduate certificate is designed to complement an existing major in a related field, by providing a background understanding of topics related to the brewing and distilling industries—the science, the business, and the history, as well as an internship—students need to become competitive in the marketplace.

Students will take four courses for the certificate. BDAS 500 is an intensive introductory study of the science of fermentation. BA 502 is a series of online modules designed to introduce the student to marketing, accounting, finance, management, and business math. HIST 531 examines the history of brewing and distilling, and BDAS 595 is a variable-credit internship placement in a sector of the brewing and distilling industry, in consultation with a faculty supervisor.

**Program Admission**

Joshua D. Durkee, joshua.durkee@wku.edu, (270) 745-8777

Josh Durkee, joshua.durkee@wku.edu, (270) 745-8777

The certificate program in Emergency Management Disaster Science is designed to provide students with a strong technical knowledge base of the essential concepts of Incident Management. The program is designed as either a standalone certificate or for interdisciplinary incorporation into existing Masters, and Doctorate programs in Science and Engineering, Education, Leadership, and other disciplines.

**Program Admission**

Please refer to the admission section (p. 13) of this catalog for Graduate School admission requirements.

**Program Requirements (15 hours)**

All students must complete the core courses or equivalent transfer coursework approved by program advisor. Students who are pursuing the "stand alone" certificate, must complete the require elective graduate seminar for a total of 15 hours.
Scientific Data Analytics, Certificate (0496)

Program Coordinator
Zhonghang Xia, zhonghang.xia@wku.edu, (270) 745-6459

Technological advances have produced increasingly large datasets across a diverse range of scientific domains including biology, psychological science, and geography. As a result, students in scientific disciplines need focused coursework in data analytics. This certificate will serve that need and document that students have acquired this expertise.

Program Admission
Please refer to the admission section (p. 13) of this catalog for Graduate School admission requirements.

Total Hours 12

^1 Students from other disciplines may substitute three graduate credit hours from within their discipline, with the approval of the program coordinator in lieu of EMDS 504.

^2 Required courses cannot satisfy this requirement. At least two additional courses; thesis or topic courses must involve large datasets.

School of Engineering and Applied Sciences

Stacy Wilson, Director
EBS 2106
270-745-6394
engineering@wku.edu

The focus of the new WKU School of Engineering and Applied Sciences (SEAS) is to educate students to be leaders in a changing technical landscape, to provide solutions to the problems facing the modern high tech society, and to provide a workforce to support the technological complexity of industry.

In order to provide students with the necessary skills, the programs in the School of Engineering and Applied Sciences are project-based which means that students have opportunities to engage in project activities throughout the curricula to support design, development, implementation, and troubleshooting.

Programs
- Computer Science, Master of Science (117) (p. 123)
- Engineering Technology Management, Master of Science (0447) (p. 123)
- Lean Sigma, Certificate (0452) (p. 124)

Western Kentucky University

Joint Undergraduate Master’s Program (JUMP)
This degree offers a Joint Undergraduate Master’s Program (JUMP) which provides academically outstanding students the opportunity to complete both an undergraduate and graduate degree in approximately five years. Contact the graduate program coordinator for additional information.

Program Admission
Admission requirements include a minimum 3.0/4.0 undergraduate grade point average and a minimum combined (V+Q) GRE score of 290, with the quantitative reasoning score being 148 or better and a verbal score of 139. In addition, applicants must have completed approximately two years of undergraduate study in computer science and mathematics, including a year of calculus. Minimum requirements include knowledge of programming in a high level language including data structures, computer organization, discrete structures, software engineering and operating systems.

Please refer to the admission section (p. 13) of this catalog for Graduate School admission requirements.

Program Requirements (33 hours)
A minimum of 30 semester hours of course work is required, plus the research tool. Both thesis and non-thesis options are available. A minimum of six 500-level computer science courses is required. If any of the required courses have been completed for undergraduate credit, approved electives will be substituted. The research tool, under both options, must be met by successful completion of CS 500.

Engineering Technology Management, Master of Science (0447)

Program Coordinator
The Master of Science in Engineering Technology Management develops leaders to support the needs of the modern world-wide industry. The curriculum enhances both career and personal objectives. Graduates of the program are equipped to manage organization resources, lead technological change, and strategically integrate higher level knowledge within their companies.

The Master of Science in Engineering Technology Management (MSETM) provides a broad-based core of management competency in business functions, along with a solid understanding of engineering technologies and capabilities. Courses build upon existing technical competency while allowing the student to customize their depth of study in specific management technologies that enhance long-term professional career goals.

All courses can be taken online. Online courses are delivered via Blackboard or interactive video.

Students are encouraged to deliver a peer-reviewed professional presentation or paper at a national conference of their choosing. The professional association for the MSETM program is the Association of Technology, Management, and Applied Engineering (ATMAE).

Joint Undergraduate Master’s Program (JUMP)
This degree offers a Joint Undergraduate Master’s Program (JUMP) which provides academically outstanding students the opportunity to complete both an undergraduate and graduate degree in approximately five years. Contact the graduate program coordinator for additional information.

Program Admission
Completion the Graduate Record Exam (GRE), GMAT or equivalent. A minimum GRE score of 140 verbal is required and a quantitative score of 140 is preferred with a score of 2.5 or higher for analytical writing. International students must also provide evidence of an ability to communicate effectively in English, as demonstrated by and IELTS score of 6.5 or equivalent.

Please refer to the admission section (p. 13) of this catalog for Graduate School admission requirements.

Mission

Potter College of Arts & Letters takes as its primary area of scholarly concern the study of men and women—their past, present, and future, as well as their aesthetic expression, metaphysical concerns, and social interaction. Potter College prepares students to enter a wide range of careers as well as programs of advanced study. More than 200 faculty members provide instruction in some twenty disciplines. Seven of the twelve departments in Potter College offer graduate degrees in cooperation with the Graduate School.

Communicating in Healthcare,
Certificate (0475)

Program Coordinator
Jie-Young Kong, jieyoung.kong@wku.edu, (270) 745-6578

The Communicating in Healthcare Certificate is designed to provide students with a deep understanding of the role of communication in healthcare contexts. This certificate will explore interpersonal as well as organizational factors affecting healthcare and will assist students in developing communication strategies and skills. Students completing the program not only will understand how to communicate more effectively within their health profession but also will know how better to communicate with patients to maximize compliance and enhance advocacy.

This certificate provides 12 hours of advanced coursework in communication within the healthcare context. Students will take 6 credit hours of required courses related to health communication and health campaigns; 3 credit hours of a restricted elective providing broad coverage of communication within contexts relevant to healthcare such as intercultural, group, interpersonal, and organization communication; and 3 credit hours of a free elective from healthcare administration, public health, or gerontology.

Admission Requirements
• Submit an academic writing sample from an undergraduate or graduate course.

Please refer to the admission section (p. 13) of this catalog for Graduate School admission requirements.

Communicating in Organizations,
Certificate (0471)

Program Coordinator
Jie-Young Kong, jieyoung.kong@wku.edu, (270) 745-6578

The Communicating in Organizations certificate provides students the opportunity to develop an in-depth understanding of how communication functions in organizations. Using foundational and current research in the field, students are exposed to organizational communication theory and processes. Students will take graduate courses that focus on general organizational communication theory, applied organizational communication, communication within specific organizational contexts, and one other course chosen by participants as especially relevant to their own work and interests.

Admission Requirements
• Submit an academic writing sample from an undergraduate or graduate course.

Please refer to the admission section (p. 13) of this catalog for Graduate School admission requirements.

Organizational Communication,
Master of Arts (0012)
Program Coordinator
Jie-Young Kong, jieyoung.kong@wku.edu, (270) 745-6578

With a focus on Applied Organizational Communication our mission is to provide graduate students with an engaging, challenging, and rewarding program integrating communication theory, practice, and problem-based research. Our vibrant and active program also includes coursework in interpersonal, health, and intercultural communication which provides students with a well-rounded academic program. Utilizing foundational works and contemporary studies of communication processes, we prepare students to advance in professional and academic endeavors.

The Master of Arts in Organizational Communication prepares students for a variety of careers and pursuits in which advanced communication study is helpful – especially management, personnel relations, training, sales, marketing, and intercultural communication. While many of our graduates find success in diverse organizational settings we also have a strong record of placing students in quality doctoral programs around the country.

Joint Undergraduate Master's Program (JUMP)
This degree offers a Joint Undergraduate Master's Program (JUMP) which provides academically outstanding students the opportunity to complete both an undergraduate and graduate degree in approximately five years. Contact the graduate program coordinator for additional information.

Admission Requirements
Admission to the program requires minimum GRE scores of 139 verbal, 139 quantitative, and 3.5 analytical writing.

Applicants should submit:
- official GRE scores
- Academic writing sample from an undergraduate course
- Letter of intent detailing:
  - academic and/or professional experiences
  - goals in pursuing graduate studies in communication
  - areas of interest in the communication discipline.

Please refer to the admission section (p. 13) of this catalog for Graduate School admission requirements.

Degree Requirements (33 hours)
Students should complete the required core courses (COMM 501, COMM 502, COMM 547) within their first 18 hours of coursework with a grade of "B" of higher in each. As a general policy, the program does not allow transfer of research methods courses to fulfill the research methods requirements.

2 With academic advisor and graduate director or department head approval, students may transfer six hours from another university or take up to six hours in another discipline.

Strategic Sport Communications, Certificate (1744)
Program Coordinator
Kenneth D. Payne, ken.payne@wku.edu, (270) 745-3968

This graduate certificate confronts the extraordinary changes occurring in the sport communications landscape by focusing on the practical skills and institutional knowledge needed for success in sport communications, public relations, branding and sponsorships.

Program Admission
In addition to the minimum requirements for admission to the Graduate School, applicants must submit:

1. letter of application
2. letter of recommendation supporting the applicant's capacity for studying organizational communication
Please refer to the admission section (p. 13) of this catalog for Graduate School admission requirements.

**Creative Writing, Master of Fine Arts (0478)**

**Program Coordinator**

Kenneth W. Berry, wes.berry@wku.edu, (270) 745-5770

The MFA program provides students pursuing vocations in creative writing the opportunity to acquire the background and knowledge required to be leading citizens of what Vachel Lindsay calls the "Republic of Letters." The program prepares students for lives as writers of novels, short fiction, creative nonfiction, scripts, and poetry and related pursuits such as teaching, literary editing and publishing. Students will complete a secondary concentration in literature, composition/rhetoric, or teaching English as a second language in order to give them additional options for employment after graduation. The two year residential program of study consists of 48 credit hours of graduate course work, culminating in rigorous comprehensive exams and the completion of a publishable creative thesis in fiction, poetry, scriptwriting, or creative nonfiction.

**Concentration(s)**

- Composition and Rhetoric (ENCR)
- Literature (ENLI)
- Teaching English as a Second Language (ENTL)

**Program Admission**

- Minimum undergraduate GPA of 3.0
- Minimum GRE Analytical Writing score of 4.0 and minimum GRE Verbal score of 153
- Minimum GAP score of 453 [GAP = GRE-V + (undergraduate GPA x 100)]
- Completion of four undergraduate English courses beyond general education requirements with a GPA of at least 3.0; two of the courses
should be upper-level English courses. Undergraduate creative writing courses are highly recommended

• Submission of writing sample

Please refer to the admission section (p. 13) of this catalog for Graduate School admission requirements.

**Program Requirements (48 hours)**

**English, Master of Arts (067)**

**Program Coordinator**
Kenneth W. Berry, wes.berry@wku.edu, (270) 745-5770

The master's program prepares students for continuing graduate work toward a doctorate in English or for many other careers that involve strong communication skills.

**Program Admission**

In addition to meeting Graduate School requirements, applicants should have earned at least 27 credit hours of undergraduate English with a GPA of 3.0 or better. Those not meeting this requirement may be admitted conditionally on a case-by-case basis. Applicants should also submit a 2-page statement of purpose describing academic interests, relevant experiences, and reasons for pursuing the M.A. degree in English at Western Kentucky University.

Students seeking Rank II or Rank I certification for Grades 8-12 must have or be eligible for a secondary school teaching certificate and must include a copy with the application for admission. Kentucky candidates whose certificates have expired may be admitted, but they may enroll for only six hours before the must apply to the Kentucky Education Professional Standards Board for reissued certificates. After completion of six hours, such students must submit a copy of the reissued certificate before being allowed to register for any additional courses. Applicants from out-of-state with expired certificates must complete the requirements for their respective states to renew their certificates and submit a copy of the reissued certificate.

Please refer to the admission section (p. 13) of this catalog for Graduate School admission requirements.

Gender and Women's Studies, Certificate (1712)

Program Coordinator
Jane Olmsted, jane.olmsted@wku.edu, (270) 745-5787

The purpose of the Graduate Certificate is to facilitate exploration of the rapidly expanding interdisciplinary scholarship in gender and women's studies, thereby enriching WKU's current graduate curricula. Students' ability to articulate what they have learned about interdisciplinary scholarship as it pertains to gender, race, and class will enhance their potential for success in their professions. An online version of the Certificate is available with core courses and some electives offered online in alternate years. Federal financial assistance is available for this program.

Program Admission
Admission is based on prior academic experience. Students who wish to enroll in the certificate must provide a personal statement explaining their interest in and reasons for pursuing this program of study.

Please refer to the admission section (p. 13) of this catalog for Graduate School admission requirements.

Program Requirements (15 hours)
The certificate requires 6 hours of core courses and 9 hours of electives, for a minimum of 15 hours. Those wishing to teach at the college level are encouraged to complete at least 18 hours.

2 Faculty and students may make recommendations to include other courses at any time. All new courses are reviewed by the curriculum committee. Students should check with the Women's Studies Office for updated list electives.

Teaching English to Speakers of Other Languages (TESOL), Certificate (0416)

Program Coordinator
Alison M. Youngblood, alison.youngblood@wku.edu, (270) 745-2257

The TESOL Graduate Certificate is intended for individuals who are not P-12 teachers and want to teach in language institutes, either domestically or abroad. The Certificate requires a minimum of 16 hours consisting of ENG 407G, ENG 408G, ENG 565, ENG 566, and ENG 471G, which involves field experience in Bowling Green conducted during the final semester. Other requirements include a portfolio of student work and completion of 6 hours of one foreign language or the language requirements of the WKU Colonnade Program.

Students must have taken one linguistics class in appropriate area – for example, ENG 104, ENG 302, ENG 204, or an approved equivalent – before taking ENG 407G. Students must maintain a 3.0 GPA in order to receive the Certificate.

Program Admission
- B.A. plus completion of at least one undergraduate linguistics course in appropriate area
- 3.0 undergraduate or graduate GPA, or
- A GAP score of 2200, with minimum of 3.5 on analytical writing portion of GRE
  \[*GAP=(GRE-V+GRE-Q)+(GPAx100)\]
- Students who are accepted into the TESL Graduate Endorsement program may apply for the Graduate Certificate upon completion of 12 hrs of required TESL coursework with a 3.75 GPA

Please refer to the admission section (p. 13) of this catalog for Graduate School admission requirements.

Folk Studies, Master of Arts (069)

Program Coordinator
Ann K. Ferrell, ann.ferrell@wku.edu, (270) 745-5896

The study of folklore and folklife involves examination and analysis of traditional expressive culture in all its forms including verbal, musical, material, and customary. In every society, agricultural and industrial, rural and urban, folklore is a vital part of life. The discipline has close affinities with literature, anthropology, sociology, history, geography, linguistics, philosophy, ethnomusicology, and psychology.

Joint Undergraduate Master’s Program (JUMP)
This degree offers a Joint Undergraduate Master’s Program (JUMP) which provides academically outstanding students the opportunity to complete both an undergraduate and graduate degree in approximately five years. Contact the graduate program coordinator for additional information.

Program Admission

Adequate undergraduate preparation in a wide range of disciplines will be acceptable for admission to graduate study in folk studies. Applicants must have a GPA of 3.0 or higher. All applicants must submit three letters of reference, a statement of intent, and a writing sample to the department. Applicants must submit a minimum GAP score of 600.

\[ *GAP=(GRE-V+GRE-Q)+(GPAx100). \]

Please refer to the admission section (p. 13) of this catalog for Graduate School admission requirements.

Program Requirements (36 hours)

Plan A (Thesis Option)

This option provides advanced knowledge of the theoretical and methodological aspects of folklore and folklife. Course work will emphasize the history of the discipline, field research techniques, and surveys of various folklore genres. It is designed to prepare students for both academic and public sector professions and for further academic research.

**Pedagogical Associate Professor**

Jennifer A. Hanley, PhD (History), University of Kentucky, 2009

**History, Master of Arts (078)**

This program is designed to prepare students for the teaching of history on the junior or senior college level and to provide the initial graduate work for those who intend to pursue a doctoral degree.

**Joint Undergraduate Master’s Program (JUMP)**

This degree offers a Joint Undergraduate Master’s Program (JUMP) which provides academically outstanding students the opportunity to complete both an undergraduate and graduate degree in approximately five years. Contact the graduate program coordinator for additional information.

**Program Admission**

All applicants must sit for the Graduate Record Examination (GRE) and submit scores to the university as part of their application. There are no exceptions to this requirement even for candidates with graduate degrees. The advanced test in History is not required.

Applicants must meet the following admission standards set forth by the History Department:

- Completion of at least 18 undergraduate credit-hours in history with a grade point average of at least 3.0 in history courses (on a 4.0 scale)
- An overall undergraduate grade point average of at least 3.0 (on a 4.0 scale)
- A GRE Verbal Reasoning section score of at least 500 (if taken before Aug. 2011) or 153 (if taken Aug. 2011 or later)
Applicants must submit application and all supporting materials by June 1 (fall semester start) or November 15 (spring semester start).

Applicants must also submit:

- A brief (approximately 750 words) personal statement that discusses why they wish to pursue the Master of Arts degree in History;
- A sample research paper (at least five pages long).

The History Department will admit students twice a year on a competitive, academic merit-based basis. The History Department may limit the number of students admitted to maintain the quality and size of the MA program’s student body.

Please refer to the admission section (p. 13) of this catalog for Graduate School admission requirements.

Program Requirements (30-36 hours)

A student who has an undergraduate major in history may be permitted to take six to nine hours of graduate work in a related field in courses approved by the Graduate Advisor. A student who presents an undergraduate minor in history must complete the entire program in the field of history.

Music, Master of Music (0453)

Program Coordinator
Ching-Yi Lin, ching-yi.lin@wku.edu, (270) 745-5939

The Master of Music graduate program has four areas of concentration: Music Education/Teacher Leader, Conducting/Teacher Leader, Conducting, and Pedagogy. These provide continued development of:

1. individual students which will result in enrichment of their personal lives and will enable them to preserve and extend cultural and diverse heritages; and
2. professional and scholarly competence in organization, interpretation, evaluation, communication, and dissemination of knowledge in the discipline.

The Music Education/Teacher Leader and Conducting/Teacher Leader concentrations would further enable the teacher/practitioner to meet certification renewal requirements and rank changes mandated by the Commonwealth of Kentucky. Graduates in the Pedagogy concentration would meet requirements for national certification through the Music Teachers National Association (MTNA).

All degree seeking students must submit a planned program of study (curriculum contract) to the Graduate School prior to enrollment in coursework beyond 12 hours (inclusive of transfer credit). In compliance with Graduate School policy, the degree program is to be developed in consultation with the approved advisor assigned at the time of admission to the program.

Concentration(s)

- Conducting (MUCN)
- Conducting/Teacher Leader (MUCT)
- Music Education/Teacher Leader (MUTL)
- Pedagogy (MUPD)

Program Admission

Students seeking admission to the graduate program apply through the Graduate School.

Admission Requirements

1. Baccalaureate degree in music.
2. Applicants who are alumni of WKU teacher preparation programs seeking the Music Education/Teacher Leader and Conducting/Teacher Leader concentrations must submit a current, valid teaching certificate or Statement of Eligibility for P-12 Music Certification (Integrated, Vocal, or Instrumental).
3. Candidates who are alumni of WKU baccalaureate music degree programs seeking the Conducting and Pedagogy concentrations must submit an application.
4. Applicants who have undergraduate degrees from all other accredited universities will be admitted without a qualifying GRE score if they have a minimum 2.75 GPA for all previous coursework (undergraduate and graduate) and if required for the concentration, have or are eligible for a teaching certificate. A copy of the certificate or statement of eligibility must be submitted with the application if applicable.
5. Audition on primary instrument or voice.

Please refer to the admission section (p. 13) of this catalog for Graduate School admission requirements.

Program Requirements (30-36 hours)

Prior to completion of 9-12 graduate hours, students are required to take placement exams in music theory and music history.

Conducting Concentration (30-33 hours)

3 MUS 525 (3 hrs) is a music content course which aligns to competencies in TCHL 530 and is considered a Level 1 education course.

Program Exit Requirements
1. Graduate Capstone Project
   Candidates must successfully complete MUS 625 and present research results to the Music Education Committee. The committee will use a 4-point scale with specific criteria to grade the project. A passing score of 3 or higher is needed to pass the exam graduation requirement.

2. Oral Comprehensive Exam
   A comprehensive approach to problem solving in the discipline of music, which includes historical, analytical and pedagogical applications. A committee of graduate music faculty will assess each candidate’s oral exam using a 1 (low) to 4 (high) scoring rubric. A passing score of 3 or higher is needed to pass the exam graduation requirement.

Shannon K. Vaughan, shannon.vaughan@wku.edu, (270) 745-2908

The graduate certificate in Local Government Administration prepares students for careers in local government administration. The two (2) required courses rely on a foundation of Public Administrative theory relevant to the current issues and skills necessary for effective and responsible local government administration. In addition to the two (2) required courses, the program allows students to choose two (2) elective courses from a selection of courses for a total of 12 credit hours. Substitutions for these course may be made with consent of the advisor. Students applying to the Graduate School at WKU can elect to pursue the graduate certificate in Local Government Administration either by itself or in conjunction with a graduate program in a selected discipline.

Program Admission
Please refer to the admission section (p. 13) of this catalog for Graduate School admission requirements.

Public Administration, Master of Public Administration (051)

Program Coordinator
Shannon K. Vaughan, shannon.vaughan@wku.edu, (270) 745-2908

The MPA program prepares graduate students from diverse backgrounds to be productive leaders and managers in public service by sharing knowledge, encouraging excellence in research and practice, and fostering an environment of professionalism within the communities we serve. We have a long history of providing quality education and practical experience to our students through community partnerships with organizations such as Kentucky’s area development districts, the Legislative Research Commission, and the Center for Local Governments. Graduates go on to serve in a variety of local, state, federal, and nonprofit organizations, and many have successfully pursued doctoral degrees upon graduation from the MPA program.

Joint Undergraduate Master’s Program (JUMP)
This degree offers a Joint Undergraduate Master’s Program (JUMP) which provides academically outstanding students the opportunity to complete both an undergraduate and graduate degree in approximately five years. Contact the graduate program coordinator for additional information.

Program Admission
In addition to meeting all admission requirements to the Graduate School, admission to the Master of Public Administration program requires the following:

1. Take the Graduate Record Exam (GRE) and have scores sent directly to the WKU Graduate School. (Note: Applicants with a cumulative undergraduate GPA of 3.0 or higher from an accredited undergraduate institution and/or 3 years of relevant work experience in the public sector are exempt from the GRE requirement.)
2. Send two (2) letters of recommendation from persons familiar with the applicant’s academic or employment experience to mpa@wku.edu
3. Send Statement of Purpose outlining how the MPA degree will help accomplish career goals and objectives to mpa@wku.edu
4. Send current resume to mpa@wku.edu

Please refer to the admission section (p. 13) of this catalog for Graduate School admission requirements.

Program Requirements (39 hours)
The degree requires 39 semester hours of course work including completion of 18 hours of core courses. An internship is required of all students. A final written comprehensive examination must be passed. Thesis is not required.

Criminology, Master of Arts (0421)

Program Coordinator

James W. Kanan, james.kanan@wku.edu, (270) 745-2404

This online program exposes students to the empirical study and evaluation of crime patterns in society using a social scientific perspective. The program’s primary emphasis is the development of strong methodological and quantitative skills necessary to gather and analyze criminological data. In addition to a research and analysis emphasis, course work is directed toward the investigation of the etiology of offending and victimization in violent and property crimes, using a variety of theoretical frameworks structuring the research process. Courses examine the major correlates of crime, delinquency, and deviance, including an analysis of the effects of gender, age, race/ethnicity, and social class in explaining variation in offending and victimization rates at various levels of analysis (e.g. individuals, within neighborhoods, among counties, and across countries).

Students are exposed to historical and contemporary macro and micro-level theories of offending and victimization, and they are challenged to think about how prior and current research in the field of Criminology can be used to inform social and public policies. Several courses provide students with the opportunity to examine the institutions that have evolved to respond to crime and delinquency in our society. These courses provide insights and perspectives into punishment and correction systems, penology, criminal law, rehabilitation and recidivism. At the end of the program, students must complete a criminological research project in the format of a peer-reviewed journal article and pass an oral examination. Additional information can be found at www.wku.edu/sociology/ma_criminology/index.php.

Program Admission

Admission to the program requires a GAP score of at least 600 [GAP = (GRE-V + GRE-Q) + (Undergraduate GPA x 100)]. For students who took the GRE prior to August 2011 the minimum GAP score is 2200 [GAP = (GRE-V + GRE-Q) x Undergraduate GPA]. The GRE Analytical Writing minimum is 3.5. Interested students should send applications for admission, GRE scores, and transcripts to the Graduate School. Please refer to the admission section (p. 13) of this catalog for Graduate School admission requirements.

Program Requirements (30 hours)

The Criminology MA program requires students to complete 30 credit hours of graduate work. The program only provides a non-thesis option. Students must pass an oral examination after completing all course work in the specified curriculum.

Social Responsibility and Sustainable Communities, Master of Arts (0448)  

Program Coordinator  
Jane Olmsted, jane.olmsted@WKU.edu, (270) 745-5787

The Master of Arts in Social Responsibility & Sustainable Communities is an interdisciplinary program of study that provides students with the tools to lead communities toward social justice and sustainability. It is designed especially for students inclined toward the humanities, social sciences, and related fields. Students take a core set of courses that provide interdisciplinary grounding in social justice and sustainability, social policy issues, leadership issues, community-building, and community-based research. Students may focus their elective courses on environmental sustainability, gender & women's studies, intergenerational studies, or other issues, depending on their interests, on availability of courses, and in consultation with their advisor. Students in the MA in Social Responsibility & Sustainable Communities will cultivate the skills and knowledge necessary to be economic, political, and social change agents for more just and sustainable communities.

Through this MA program, students will be able to:
- examine a range of disciplinary perspectives on social justice;
- analyze the interrelationships of issues and interlocking systems associated with social organization and community development;
- examine the practical and theoretical principles of sustainability and how to apply them to diverse situations and communities throughout the world;
- analyze the power relationships (gender, race, age, class) that historically surround social justice and how these may be changed or augmented to increase social equality and equity; and

- apply the principles of community organizing and be able to effectively utilize them in a variety of communities.

Program Admission  
Admission will be based on prior academic performance, as well as:

1. a written Statement of Interest
2. a resume
3. two letters of recommendation.

In the statement of interest, please include relevant academic or work-related background, academic goals, and reasons why you think the SRSC is right for you.

Please refer to the admission section (p. 13) of this catalog for Graduate School admission requirements.

Program Requirements (33 hours)  
The MA in Social Responsibility and Sustainable Communities is comprised of a thesis and a non-thesis option. Both options require 18 hours of Core Courses plus electives, for a total of 33 hours; students are required to be in attendance during the week-long portion of SRSC 590.

Total Hours: 33
For admission to the program, preference is given to students who have completed the required courses for a sociology major or minor (Introductory Sociology, Using Statistics in Sociology, Strategies of Social Research, and Sociological Theory) with an average GPA of 3.0 or better.

Interested students should send application for admission, transcripts, an academic writing sample and a letter of intent to the Graduate School. Applicants should discuss the following information in their letters of intent:

1. prior background and life experiences that could contribute to graduate coursework and research in sociology,
2. personal reasons for pursuing graduate studies in sociology at Western Kentucky University,
3. the applicant’s areas of interest in the discipline of sociology,
4. the applicant’s viewpoint on the importance of sociology for the study of the social world, and
5. future plans.

Please refer to the admission section (p. 13) of this catalog for Graduate School admission requirements.

preston.center@wku.edu  
Raymond B. Preston Health & Activities Center  
(270) 745-6060

The Department of Campus Recreation & Wellness (formerly Intramural-Recreational Sports) is located in the Raymond B. Preston Health and Activities Center, a 126,000 square foot facility housing six basketball/volleyball/badminton courts, six racquetball courts, two indoor tennis courts, a swimming pool, a fitness center containing cardiovascular, selectorized strength and free weight equipment, a suspended indoor running track, a dance studio, separate faculty/staff and student locker rooms, a multipurpose room, a smart class room, a Health and Fitness Lab (https://www.wku.edu/healthfitnesslab), an Outdoor Recreation and Adventure Center (https://www.wku.edu/orac), a pro-shop, and a bike repair shop.

Preston Center membership fees for all full-time students are included in their tuition during the fall and spring semesters. Part-time students carrying three or more hours may choose to pay for membership ($35.00) on a semester basis. Memberships are available for students’ spouses and their children. All students must pay the $35 membership fee during the summer semester.

The WKU Health Education & Promotion Program (http://www.wku.edu/hep) (HEP), located in the Health Services Building adjacent to the Preston Center, provides health education and promotional programming to the student population by assisting in making behavioral changes that enhance all dimensions of health and wellness. Health Education and Student Wellness awareness is offered through a variety of services and programs allowing students to be successful at WKU and beyond.

**Center for Innovative Teaching & Learning (CITL)**

www.wku.edu/citl  
citl@wku.edu  
Garrett Conference Center 104  
(270) 745-6508

The Center for Innovative Teaching and Learning (CITL) supports the teaching and learning mission of the university. CITL collaborates with faculty to design content and courses that promote an active learning environment for students enrolled in traditional face-to-face instruction, flipped classrooms, blended/hybrid courses, and online courses and degree programs.

CITL identifies current and emerging instructional technologies and works with faculty and staff to incorporate these tools and innovations into curricular and co-curricular activities to promote student learning and engagement. CITL also offers an extensive array of professional development opportunities for the university community centered on teaching effectiveness, student learning and engagement, and the use and assessment of high impact practices. These training opportunities are delivered via professional learning communities, seminars, webinars, workshops, and more personalized training events for departments and units.

**Counseling Center**

www.wku.edu/heretohelp  
counseling.center@wku.edu  
Potter Hall 409  
(270) 745-3159

The Counseling Center at WKU provides: individual, couples, and group counseling services for currently enrolled students; educational programs for classes, organizations, and departments; consultation to faculty and staff regarding student behavior; referrals to psychiatrists, psychologists, and counselors outside of the university; and, crisis/emergency assistance for situations that arise on campus or in our community.

**Division of Extended Learning and Outreach (DELO)**

delo@wku.edu  
Knicely Conference Center 101  
2355 Nashville Road  
Bowling Green, KY 42101  
(270) 745-1900

The Division of Extended Learning & Outreach (DELO) at WKU is made up of several units that take the educational resources of WKU to the citizens of Kentucky and around the world. We are the outreach arm of the university, offering both credit and non-credit classes to students of all ages. We partner with University faculty and departments to offer convenient and flexible learning opportunities to students. We work with businesses and organizations to provide customized training, to plan special events, and to develop degree programs that meet their specific needs.

DELO units work both separately and together to support the mission of the University:

- Academic Outreach (includes WKU Online, Online Program Services, Online Program Development, DELO Testing Centers, Dual Credit, Cohort Programs, and Summer Sessions/Winter Term)
- WKU Regional Campuses
- Continuing & Professional Development (includes Career & Workforce Development and Lifelong Learning)
- WKU Conference Services
Academic Outreach

WKU Online
WKU offers flexible pathways to degree attainment, allowing students to earn a complete degree online or choose to take a combination of face-to-face and online courses. Courses are delivered on the web in semester-based Online classes and non-semester based On Demand web classes. Support staff are located in Garrett Conference Center, Office 101.

There are more than 1,700 courses available each year, and over 80 degree programs and certificates at the graduate and undergraduate levels. In addition, there are several degree programs that allow students to complete a significant portion of required courses online, offering additional options for flexibility within their program of study. For a complete list of online degree programs, please visit our website at wku.edu/online. To contact a representative, call (270) 745-5173 or 1-888-4WKUWEB (888-495-8932) or email learn.online@wku.edu.

WKU Online also offers an On Demand (https://www.wku.edu/ondemand) option that provides flex-paced, asynchronous online courses for students to pursue educational experiences outside the traditional college classroom. WKU On Demand opportunities are offered to help undergraduate and graduate students who, because of distance or time constraints, cannot participate in traditional on-campus or semester-based online courses. WKU On Demand is uniquely qualified to serve students living across the state, across the country, and around the world. WKU On Demand offers over 100 web courses and WKU faculty teach all courses.

Students may register for on demand courses any day of the year. Students may complete WKU On Demand courses in as little as 7 weeks or take up to 9 months. Admission to the university is not required to enroll in on demand options; however if students intend to pursue a degree, they must be formally admitted. A list of available WKU On Demand courses can be found on our website at wku.edu/ondemand or by viewing WKU’s Schedule of Classes and searching by the campus, “On Demand.” To contact a representative, call (270) 745-3815 or 1-800-535-5926 or email ondemand@wku.edu.

Online Program Services (OPS)
Online Program Services provides students with access to support designed to help them succeed in reaching their educational goals. OPS professionals are on staff to answer questions about online degrees and web courses, assist with the admission and course registration process, and connect students to needed resources! Services include an online orientation, library services, research support, an online writing center, and online tutoring. In addition to one-on-one support provided by OPS, live and recorded webinars are also available on a variety of topics. Services are accessible with a single click through the Student Resource Portal at www.wku.edu/online/srp. For additional information on services available and online degree programs, please visit wku.edu/online or call (270) 745-5173.

Online Program Development (OPD)
OPD extends programmatic support to academic departments to facilitate the development and offering of online learning courses and programs. OPD offers marketing and promotion, financial support for online course development, and guidance on state authorization compliance. Using data-driven solutions, OPD serves faculty and supports online courses that have a measurable, positive impact on WKU students. For more information, call (270) 745-5305.

DELO Testing Centers (DLTC)
The DLTC provides testing services to students taking online courses through WKU and other higher education institutions. The centers are certified through the National College Testing Association (NCTA) and adhere to the professional standards and guidelines provided by the organization. Additionally, DLTC administers a number of academic placement and workforce certification exams. For more information, check out our website: wku.edu/testing or contact our office at 270-745-3628.

Dual Credit
Dual Credit is a unit within WKU's Division of Extended Learning and Outreach (DELO) that serves qualified high school students with the opportunity to earn university credit as part of their high school curriculum. The program provides enrichment opportunities to academically talented students who are ready for the challenge of university coursework.

High school administrators recommend students for participation in Dual Credit based on the student’s potential for academic success in a college level program; however, it is not a “gifted and talented” program. Students receive both high school and university credit upon successful course completion.

Dual Credit students are registered and enrolled in WKU as a “non-degree seeking student prior to high school graduation.” Participation in a Dual Credit course does not guarantee admission to WKU as a “degree-seeking freshman.” Grades received in Dual Credit courses are recorded as part of the student’s official university transcript with WKU and will transfer to most colleges and universities throughout the United States. Courses are offered at a substantially reduced tuition rate and provide a means of preparing college bound students to make a successful transition to post-secondary education.

Dual Credit partners to provide courses at area high schools and also offers students the opportunity to participate in a variety of online offerings. Western Kentucky University and Dual Credit support the Kentucky Council on Postsecondary Education’s Dual Credit policy that supports a seamless path of education and training for students. For more details, visit cpe.ky.gov/policies/ (http://cpe.ky.gov/policies). For more information about WKU Dual Credit, visit wku.edu/dualcredit, call (270) 745-2386, or email dual.credit@wku.edu. Dual Credit is located in the Office of Academic Outreach at the Knicely Conference Center, Room 118.

Summer Sessions and Winter Term
The Division of Extended Learning and Outreach provides administrative support for Summer Sessions and Winter Term. These are optional terms offering short, intensive courses on campus, online, and through Study Abroad. Winter and Summer sessions are excellent opportunities for students to move more quickly toward graduation, lighten Fall/Spring semester load, or catch up after changing majors. For more information, check our website wku.edu/summer or wku.edu/winter or contact our office at (270) 745-2478.

Regional Campuses
Under the direction of the Division of Extended Learning and Outreach (DELO), WKU regional campuses bring the resources of the University to each region, enhance academic program offerings with a combination of in-person, online and hybrid delivery formats and provide academic and student services to meet the needs of each community. Students may qualify for transfer scholarships (https://www.wku.edu/
financialaid/scholarships/transfer.php) and financial assistance (https://www.wku.edu/financialaid).

**WKU in Elizabethtown-Ft. Knox**
www.wku.edu/etown-ftknox (etown-ftknox@wku.edu)
etown-ftknox@wku.edu
Elizabethtown
610 College Street, CRPEC 130
Elizabethtown, KY 42701
(270) 706-8870
Fort Knox
31 Warehouse Street, Building 65
Fort Knox, KY 40121
(270) 706-8870

Hardin County Schools Early College and Career Center (EC3)
200 University Drive
Elizabethtown, KY 42701
(270) 706-8870

In 1964, WKU began offering graduate classes in Elizabethtown for teachers and school administrators within the region. In 1976, WKU partnered with the Army Continuing Education Center to offer classes at Fort Knox. Today, WKU in Elizabethtown/Ft. Knox has offices at the Elizabethtown Community and Technical College, at Fort Knox and at the Hardin County Schools Early College & Career Center (EC3).

WKU Elizabethtown-Fort Knox provides students throughout the region with access to a variety of courses and degree programs, as well as academic & transfer advising, financial aid counseling, computer lab, writing assistance, testing center, military student services, career & workforce development and other resources to help them succeed.

**WKU in Glasgow**
www.wku.edu/glasgow (glasgow@wku.edu)
glasgow@wku.edu
500 Hilltopper Way
Glasgow, KY 42141
(270) 659-6900 or (270) 745-5096

In February 1988, WKU officially opened WKU in Glasgow, offering college coursework to the citizens of Barren and surrounding counties. Today, WKU in Glasgow offers a variety of courses and degree programs through a combination of in-person, online, and hybrid delivery formats that meet the unique needs of the community.

WKU in Glasgow offers students throughout the region access to a variety of courses and degree programs, as well as academic & transfer advising, financial aid counseling, computer lab, tutoring, writing assistance, testing center, library, military student services, career & workforce development and other resources to help them succeed.

**WKU in Owensboro**
www.wku.edu/owensboro (owensboro@wku.edu)
owensboro@wku.edu
4821 New Hartford Road
Owensboro, KY 42303
(270) 684-9797

WKU first expanded to the Owensboro/Daviess County region in 1969, offering graduate courses on the Kentucky Wesleyan College and Brescia University. Today, WKU in Owensboro offers adult learners and transfer students a variety of courses and degree programs through a combination of in-person, online, and hybrid delivery formats that meet the unique needs of the community.

WKU in Owensboro offers students throughout the region access to a variety of courses and degree programs, as well as academic & transfer advising, financial aid counseling, computer lab, tutoring, writing assistance, testing center, military student services, career & workforce development and other resources to help them succeed.

**IVS Interactive Video Services**
Interactive Video Services (IVS) courses are video conference-based distance courses. IVS technology provides a familiar traditional classroom experience for students, while eliminating the need for travel. IVS courses provide a unique way for full, real-time interaction through the use of microphones and cameras to communicate among two or more of the specially-equipped classrooms located at each WKU campus. Students from each location actively participate in the course together. For a list of available courses, visit WKU's Schedule of Classes and search by Campus or by Session, "ITV (Interactive TV)." For further information call (270) 745-2625.

**Global Learning & International (GLIA)**
www.wku.edu/international
www.wku.edu/oip
www.wku.edu/studyabroad
Honors College and International Center (HCIC)
(270) 745-5334

Global Learning and International Affairs (GLIA) works on campus and around the world to offer WKU students transformative global learning experiences. GLIA consists of four units: Global Engagement; International Student and Scholar Services; International Student Progress; and Study Abroad and Global Learning. Global Engagement (GE) works on campus and around the world to offer WKU students transformative global learning experiences through three primary areas of focus: Global Engagement (GE), International Admissions, and Global Student Recruitment (SAGL). Global Student Recruitment (SAGL) includes the Office of Faculty Led and Study Away, which is WKU’s one-stop shop for students seeking credit-bearing study off-campus in the US and worldwide. SAGL also includes the Office of Faculty Led and Study Away. WKU faculty and SAGL collaborate to build affordable, discipline-focused short-term off-campus study opportunities. All GLIA units are housed in the Honors College and International Center building.

**Global Engagement (GE)**
Global Engagement (GE) works on campus and around the world to offer WKU students transformative global learning experiences through three primary areas of focus:

**International Admissions**
WKU attracts and enrolls a diverse pool of talented undergraduate international students. This includes setting and ensuring adherence to admission standards, liaising with academic departments and colleges to establish fruitful international partnerships in support of student recruitment, and awarding scholarships to eligible international students.
Global Learning and International Programming
GE reaches across the entire University community, ensuring that all WKU students have numerous opportunities to learn about and engage with the world. We support lifelong learning within our region through targeted programs designed to internationalize the curriculum and co-curriculum, annual initiatives such as International Education Week, and international professional development opportunities for WKU faculty and staff.

Communication
Global Engagement provides critical outreach to a wide-range of constituents—both internal and external. Through the creation and dissemination of timely and useful information, GE provides key support for international student recruitment and retention, as well as the overall communication needs of GLIA.

International Student and Scholar Services (ISSS)
www.wku.edu/international
Honors College and International Center (HCIC)
(270) 745-4857

International Student & Scholar Services (ISSS) welcomes and assists international students and visiting scholars through advisement, programming, and support services. As the primary point of contact for prospective students and visiting scholars, ISSS generates immigration documents necessary for them to secure the appropriate F-1 or J-1 visa that is required to study or work at Western Kentucky University. ISSS is responsible for ensuring WKU's compliance with U.S. federal laws and regulations that pertain to immigration requirements of the U.S. Department of Homeland Security (DHS), the U.S. Department of State (DOS), and other federal agencies. ISSS serves as WKU's official liaison and primary point of contact for these federal offices. Based on their directives and regulations, ISSS advises students and visiting scholars on matters related to maintaining and or changing immigration statuses, transferring to and from WKU, student and scholar visa matters, work authorization, and other issues related to navigating life and studies in the United States.

Once students and visiting scholars have arrived on campus, ISSS offers orientation, workshops and programming to promote acculturation, adaptation, and personal adjustment to WKU and the Bowling Green community. Additionally, ISSS manages the International Student Diplomat program which provides mentoring to current and prospective international students to assist them in achieving their personal, educational, and professional goals. ISSS works closely with several student-run organizations to help foster interactions between domestic and international students.

Study Abroad and Global Learning (SAGL)
www.wku.edu/studyabroad
study.abroad@wku.edu
Honors College & International Center 1014
(270) 745-5334

The Office of Study Abroad & Global Learning (SAGL) serves the WKU community by engaging students, faculty, and staff in diverse educational and cultural experiences through faculty-led, exchange, consortia, and other off-campus study opportunities.

Study abroad programs at WKU offer students the opportunity to incorporate international academic, professional, and cross-cultural experiences into their education. WKU offers a wide variety of international education opportunities for a range of academic disciplines and budget needs. Students can choose to study, intern, volunteer, student teach, or conduct research abroad during any academic term.

The National Student Exchange and domestic faculty-led programs provide similar study, internship, volunteer and research options without the need for a passport.

Students who wish to take advantage of off-campus opportunities should start planning early to ensure the most affordable and academically enriching experience. Each student should be aware of the university's academic requirements and regulations contained in this catalog. It is recommended that students work closely with their academic departments and the SAGL office to carefully select a program that meets their academic needs, fulfilling specific degree requirements through courses offered on the program.

Types of Study Abroad Programs
WKU students wishing to study at another university or in another country have a variety of options from which to choose including short-term faculty-led programs, exchange programs, WKU partner programs, and provider programs. More detailed information on all study abroad options can be found on the SAGL website (http://www.wku.edu/studyabroad), but a brief overview of each type of program follows.

• WKU Faculty Led Programs – WKU faculty members offer courses for WKU students that are taught elsewhere in the U.S. or in a different country. These courses are typically 1-7 weeks in length and carry 3-6 credit hours, and they generally occur during the winter or summer terms.

• WKU International Exchange Programs – WKU has formal agreements with more than a dozen institutions of higher education outside the United States. Exchange programs are typically for a semester or an academic year, and they offer students the opportunity to become fully integrated into a foreign university. Shorter-term opportunities exist with some exchange partners.

• The National Student Exchange – This program allows students to study in another U.S. university for a semester or year while paying WKU tuition. It gives WKU students the opportunity to specialize in an area WKU cannot offer.

• WKU Partner Programs – WKU has close partnerships with several programs and study abroad consortia. The two on-campus consortia partners—the Kentucky Institution for International Studies (KIIS) and the Cooperative Center for Study Abroad (CCSA)—offer affordable, short-term program options with both undergraduate and graduate level course offerings, several of which are taught by WKU faculty members.

• Provider Programs – WKU has affiliation agreements with a variety of study abroad program providers which offer a plethora of short-term, semester, and academic year programs in numerous countries around the world. Students who are unable to find a program that meets their academic needs through faculty-led, exchange programs, or WKU partner programs can certainly find good options through affiliate providers.

Financing Study Abroad
Scholarships and financial aid are available for most study abroad programs. Students who are eligible for financial aid and/or are receiving scholarships can typically use those awards towards the cost of a study abroad program. The Office of Study Abroad and Global Learning, the Student Financial Assistance Office, and the Office of Scholar
Development can help students plan financially for this important investment in their college education.

WKU has created several significant study abroad scholarships to support WKU students who pursue international opportunities. These scholarships include the World Topper Scholarship and the Enhancing Diversity in Global Education (EDGE) grant. While the World Topper Scholarship is intended to support any WKU student planning to study abroad, the EDGE is intended to provide significant financial support for diverse students. For more information about these and other scholarship opportunities available through WKU and external organizations, visit the SAGL webpage. (http://www.wku.edu/stud yabroad)

Safety & Code of Conduct
The safety of our students is of paramount importance. Students are provided with information pertaining to insurance requirements, emergency procedures, and health and safety abroad during the pre-departure process, both in writing through SAGL's online application and enrollment tracking system, and in person at the mandatory pre-departure orientation session. Additional on-site orientation is provided upon arrival in the destination country. Students are also required to register with the U.S. State Department's Smart Traveler Enrollment Program (STEP) prior to departure, which enables the State Department to reach students directly when security-related information is issued or updated. While abroad, WKU students are held to the standards set forth in the university's Student Code of Conduct. The Office of Student Conduct will be notified of any serious disciplinary violations that occur during an education abroad experience.

Health Services
www.wku.edu/healthservices
ggc.wkuhealthcare@wku.edu
1681 Normal Drive
(270) 745-CARE (2273)

Graves Gilbert Clinic Health Services is a fee for service primary care center dedicated to providing the WKU campus and community with quality medical care and health promotion services. On site services include physician and nurse practitioner office visits, mental health, women's and men's health, ECG, laboratory, x-ray, allergy shot administration, immunizations, STI testing/treatment, contraceptives, physicals, drug screenings, occupational health, health education, wellness services and physical therapy. In addition, Graves Gilbert Clinic is a multi-specialty group with access to a broad array of in-depth health care services.

The staff includes Board Certified Medical Doctors (Family Medicine and Sports Medicine), Nurse Practitioners, registered medical assistants, X-ray and lab technicians. The Clinic is a provider for many insurance plans and will be listed in your group's provider list if we are participating in your plan. Patients need to bring a current copy of their health insurance card, photo id, and applicable co-pay for each visit. Failure to present your insurance card(s) at registration may result in you being considered a self-pay patient with the accompanying expectation of payment at the time of service. If you do not have insurance coverage, health services will provide services for a cash price which is due at the time of registration. If charges are not paid in full on the date of service, you will be requested to provide the Financial Counselor with credit or debit card information. We accept BIG RED CARD for co-pays and payments.

As a courtesy, we will file insurance when appropriate or bill the patient directly. Our current hours for the fall/spring semester are Monday through Thursday 8am-6pm and Friday 8am-4:30pm. Physicians will be providing after hour call coverage with access to Graves Gilbert Clinic Walk In Care and Emergency Room Services if needed.

Domestic students that are interested in purchasing the student health insurance plan should contact Steve Rey (steve.rey@wku.edu), (270) 745-6060. International students, for any questions about the student health insurance plan, please contact Toni Dye (toni.dye@wku.edu), (270) 745-4857.

Housing and Residence Life

www.wku.edu/housing
hrl@wku.edu
Southwest Hall, Room 18
(270) 745-4359

The Department of Housing and Residence Life, in partnership with the student and the university community, provides a premier living/learning experience that promotes student success. We offer 15 residence halls with a variety of living options to accommodate the needs and preferences of our student population. Several of the amenities include the following: cable television, internet connections and wifi capability in each bedroom, and laundry facilities in each hall. Apartment living is also available to juniors, seniors, and graduate students. Leadership is provided in each hall by live-in professional staff members. Additionally, community advisors, resident assistants, and desk assistants work to provide services in the halls that include a 24-hour information/security desk operation. Residence hall rooms are equipped to accommodate two students and each room is furnished with beds, chests of drawers, bookshelves, closet space, desks and chairs.

Housing Deposit and Fee Payment
The Residence Hall Housing Agreement requires an accompanying $150 deposit. This deposit will remain on file throughout the resident’s term of occupancy and serves as a combination room reservation, damage, cancellation and room checkout deposit. It does not apply to the semester housing fee and may be carried over to subsequent academic years.

Students who submit a Residence Hall Housing Agreement and deposit prior to the first day of classes for either fall or spring semester will be billed their appropriate housing fee by the business office. Payment must be made in full by the date specified on the bill. Students who submit a Residence Hall Housing Agreement on or after the first day of classes for either the fall or spring semester agree to submit the $150 housing deposit to the Department of Housing and Residence Life. The full semester, prorated semester, or full bi-term housing fee is also payable at the business office at the time the Housing Agreement is submitted and accepted.

Cancellations and Refund Policy
The Residence Hall Housing Agreement is for the full academic year. Students who submit written notice of cancellation to the Department of Housing and Residence Life prior to the beginning of the academic year may receive a partial refund of the advance deposit based upon the following dates:

- Cancellations received by July 1 for an agreement beginning fall semester or November 15 for spring semester only, students will receive 2/3 refund of deposit or $100.00.
Residents who cancel their Residence Hall Housing Agreement at any time during the academic year, and subsequently continue full-time enrollment, will be assessed a $750 contract termination fee, will not receive any refund of their housing deposit and may be assessed housing fees for all applicable semesters. Requests for Exemption from the Contract Termination fee are available online through the Department of Housing and Residence Life (https://www.wku.edu/housing) website.

Extended Living
For the 2019-2020 academic year, extended living is offered at Douglas Keen Hall, Hilltopper Hall, and Northeast Hall, which allows students to remain in their rooms during the Thanksgiving, semester and spring break periods. All other halls close for these periods which makes this a good option for those who cannot travel during the breaks, need to work in town during breaks or need to be here for university related activities.

Room Assignments
Room assignments are made based upon the date of receipt of the Housing Agreement. Returning residents who renew their housing agreement prior to the established deadline are given “priority status” and are reassigned first. Incoming freshmen and transfer students are assigned next based upon their date of receipt. Although there are no guarantees, special consideration is given to the indicated preferences. Roommate preferences are made based on availability and mutual requests. It is recommended that residents wishing to room together should submit their Agreements together when possible.

Residence Hall Rooms
Residence hall rooms are equipped to accommodate two students and each room is furnished with beds, chests of drawers, bookshelves, closet space, desks and chairs.

Reservations
Students should submit the completed Residence Hall Housing Agreement with their $150 deposit immediately after being admitted to the University. Students may apply online through the Housing Portal with credit/debit card.

ID Center
www.wku.edu/idcenter
Downing Student Union 2125
(270) 745-2417

All full-time and part-time students are issued a personal photo identification card (WKU ID Card). The ID card entitles the full-time student admission to campus athletic events, use of recreational facilities including Preston Center, library privileges, and other university services. It can be used as a debit card at all restaurant group facilities, the WKU Store, WKU Store Services, Student Health Services, selected vending and laundry machines. Part-time student ID Cards provide similar privileges with the exception of admission to some recreational activities unless an additional fee is paid.

Information Technology Services
www.wku.edu/its
www.wku.edu/its/service-desk
Jody Richards Hall 224
(270) 745-7000 Service Desk

Information Technology Services (ITS) is a unit in the Division of Finance and Administration. The goal of ITS is to provide WKU students, faculty, and staff with superior customer service; reliable and timely technical support; state-of-the-art technology tools; technology training; and convenient access to computing and communications resources. ITS continually places specific emphasis on the use of information technology in student learning, faculty teaching, and staff productivity.

ITS services include: providing instructional delivery and support leveraging a variety of technologies to support face-to-face and distance education; delivery of information through a mobile app for key systems and services such as email, course schedules, meal plan management, campus maps, and bus schedules; support of Student Technology Center locations (open labs), providing computers and printing services available to all WKU students, faculty, and staff; and support of departmental labs/classrooms.

In addition, WKU ITS provides a number of user support services including both a centralized ITS Service Desk and TopperTech, a complementary repair service for student computers, and where students and employees can check out technology equipment for academic or WKU-sanctioned purposes. These and other services are described in more detail on the WKU ITS web page (https://www.wku.edu/its).

Intercultural Student Engagement Center (ISEC)
www.wku.edu/studentaffairs
Dero Downing Student Union 2041
(270) 745-5066

The Intercultural Student Engagement Center promotes a culturally inclusive campus environment, cultural awareness and competence, inter-group dialogue, engagement and intercultural interaction, and supports lifelong learning about self and others. The office serves as a hands-on recruitment and retention resource for the many cultural, religious/spiritual, and identity groups reflected within the WKU community. The Center provides student support services to foster academic success and sponsors culturally based celebratory events. Staff within the Intercultural Student Engagement Center carry out programmatic initiatives designed to increase the cultural competency of students, faculty, and staff. Additionally, Center staff manages respectful spaces for students to learn about themselves and others through meaningful experiences, dialogues, and opportunities for growth.

Kentucky Museum
www.wku.edu/kentuckymuseum
1444 Kentucky Street
(270) 745-2592

The Kentucky Museum is located in the Kentucky Building on the campus of Western Kentucky University. The Kentucky Museum is a teaching museum with premier cultural collections utilized to complement, support, and challenge the academic experience. We also provide a gathering place for our campus and community to come to know and celebrate who they are as individuals and Kentuckians in the 21st century.
The Museum houses both long-term and changing exhibits. There are a variety of partnerships, services, opportunities, workshops, camps and other outreach opportunities provided to the public each year by its staff. In addition, the Museum works closely with WKU students and faculty to enhance instruction through a variety of tours, activities and programs. The Museum also works with area K-12 teachers offering both tours and other educational resources. Make plans to visit the Kentucky Museum.

Military Student Services
www.wku.edu/veterans
military@wku.edu
Gary Ransdell Hall 2011
(270) 745-2180

Western Kentucky University is committed to providing exceptional and affordable options to our military students. The Office of Military Student Services leads initiatives and offers unique programs to ensure the educational success of our total military student population including active duty, guard and reserve members, veterans, and their family members. Visit www.wku.edu/veterans to discover services and programs available, a few of which are:

- A Veterans Resource Center
- Free textbook loans to eligible students through the Textbooks For Troops program
- Discounted Tuition Rate for active duty, reserve, and National Guard members
- Federal Tuition Assistance help for all active duty service members from all branches. WKU participates in GoArmyEd, the AI portal for Air Force personnel and the Navy and Marine Corps TA programs

Since 1972 WKU has provided educational opportunities on post at Ft. Knox. WKU also offers the only Veterans Upward Bound program in Kentucky, an award winning Army ROTC, an Air Force ROTC program, and so much more.

Western Kentucky University is committed to ensuring flexibility toward obtaining a degree to service members, as stated in the Higher Education Relief Opportunity for Students (HEROES) Act of 2003. Several WKU policies apply specifically as mentioned below:

- The Military Withdrawal policy permits an active duty service member the ability to withdraw from a course or the entire schedule of classes, and receive a tuition and fee refund.
- A degree term extension is available.
- Active duty service members may request a grade of incomplete if a relatively small amount of work is not completed, allowing an extension due to deployment.

Military Absence Policy for Official Military Duties and Veteran Administration Medical Appointments
Instructors are expected to show flexibility to Military and Veteran students who have required absences due to military duties or Veteran Administration medical appointments. These absences are mandated and beyond the students’ control. Instructors should not penalize absences of this type in any way. Accommodations and specific time frames to make up all missed assignments, quizzes, and tests will be given and mutually agreed upon by the instructor and student. Students are responsible for notifying faculty members of absences as far in advance as possible, when possible, and for ensuring that their absence is documented. Absences can be verified by official orders, appointment notifications, or through the Office of Military Student Services. Students called to duty for an extended amount of time should be referred to the Military Withdrawal policy.

WKU also supports and complies with the U.S. Department of Education Readmission policy.

Office of International Programs (OIP)
https://www.wku.edu/oip/
internationalization@wku.edu (internationalization@wku.edu)
Sofia-Downing International Center
1536 State Street
(270) 745-3975

The Office of International Programs (http://www.wku.edu/oip) (OIP) supports the internationalization agenda of the university by creating opportunities for faculty and staff development in a global context and supporting the development of meaningful co-curricular programming for student, campus, and community audiences.

Global Programming
OIP develops and coordinates programming and events that foster WKU’s international aspirations. OIP facilitates the International Year Of… program, a unique, annual initiative designed to internationalize the WKU campus and surrounding community through a yearlong exploration of a single world region or country. For the International Year Of…(IYO) program, OIP partners with academic and non-academic units to create opportunities for students, faculty, staff and the larger community to engage with and explore a country’s diverse cultural, historical, political, and geographical landscapes—all without a passport. Past country spotlights include Ecuador (2014-15), South Africa (2015-16), South Korea (2016-17), and Bosnia and Herzegovina (2017-18). The IYO will shift its focus to Cuba for the 2018-19 academic year. International Education Week, another OIP-led program occurring every fall, is a week-long celebration inviting students, faculty, staff, and community members to engage in activities and events that facilitate global learning and constructive dialogue.

Partnerships
OIP assists with the development of active and sustainable international agreements that create opportunities for faculty mobility, collaborative research, and global engagement. WKU currently maintains active partnerships with more than fifty universities and organizations around the world.

Office of Research and Creative Activities (ORCA)
www.wku.edu/research
research@wku.edu
Wetherby Administration Building 209
(270) 745-6733

The Office of Research & Creative Activity provides support for the research, service, creative, and scholarly endeavors of our faculty, staff, and students. The staff is dedicated to partnering with the university community to increase external support for these activities, while ensuring compliance with federal, state, and institutional regulations. Visit www.wku.edu/research for a complete list of programs and initiatives.
Office of Sponsored Programs (OSP)
OSP assists faculty and staff in obtaining external funds. The office offers assistance across the entire spectrum of sponsored program activities, from identifying a potential source of funding to reviewing the terms and conditions of awards made to the institution.

Office of Research Integrity (ORI)
ORI provides guidance in the protection of the rights, welfare, and security of faculty, staff, and students involved in research activities throughout the WKU campus system and supporting communities to ensure compliance with federal, state, and local requirements.

Office of Scholar Development (OSD)
www.wku.edu/osd
osd@wku.edu
Honors College & International Center 1045
(270) 745-5043

The Office of Scholar Development (OSD) challenges students to dream big and assists them in making those dreams attainable. OSD staff members help students apply for nationally competitive scholarships by assisting students in finding opportunities to be engaged in their chosen fields beyond the classroom and aiding them in the process of finding the right programs, making important contacts, developing strong proposals, and revising numerous drafts. The office works with students in all majors and degree program as well as recent graduates.

Fulbright Faculty and Student Programs
Anthony Harkins (anthony.harkins@wku.edu), Faculty Contact
Melinda Grimsley (melinda.grimsley@wku.edu), US Student Contact

The Fulbright international exchange of scholars provides opportunities for selected WKU and foreign university professors to teach and conduct research abroad for up to a full academic year.

Fulbright student grants for study, research, or teaching abroad are available to well-qualified applicants holding a bachelor’s degree or the equivalent before the beginning date of the grant. Selection is based on academic record, validity of the proposed study, language preparation, and personal qualifications.

Parking and Transportation Services
www.wku.edu/transportation
transportation@wku.edu
578 Campbell Lane
(270) 745-2361

Parking and Transportation Services issues parking permits for vehicles on campus and provides a variety of additional transportation services. Free Topper Transit is available between locations on Main Campus, South Campus, and to various off-campus shopping destinations. PTS also provides disability para-transit services, Nextbus arrival information, airport shuttle service, discounted Go big city bus passes, Enterprise CarShare program, bike share services, bicycle racks throughout campus, motorcycle parking, and ride matching services.

PTS encourages students to leave their cars at home as parking on Main Campus is limited. If you do have a car on campus, you will need to buy a permit. All parking lots are zoned for specific permits. Housing permits are for students living in a residence hall on campus. Commuter Permits are for students living off-campus. You will park in the zone that matches your permit. Permits may be ordered online at www.wku.edu/transportation. Main Campus permits are limited and sold on a first come, first served basis. A waitlist will be available for each lot after that permit sells out. Please follow us on Facebook, Twitter, and YouTube.

Police Department
www.wku.edu/police
wkupolice@wku.edu
Parking Structure 2
(270) 745-COPS (2677)
(270) 745-2548
Emergency Number 911

Western Kentucky University Police department is committed to building and fostering partnerships through community policing across campus and in the Bowling Green-Warren County area. We believe our relationships with the community reduce crime and enhances the quality of life for students, faculty, staff and guests. Our police department is accredited through the Kentucky Association of Chiefs of Police (KACP) and is committed to providing quality service to the WKU community and its guest.

Our mission is to create a safe, interactive environment that is conducive to learning. We are dedicated to building strong relationships across campus and within the local community to ensure that WKU students, faculty, staff and visitors feel safe, secure, and informed. We seek to accomplish this mission by strengthening relationships within the community, developing and evaluating effective responses to identified problems, and maintaining order.

Restaurant Group
www.wku.edu/wkurg
wkudining@wku.edu
Downing Student Union 1045
(270) 745-2416

WKU Restaurant Group offers a wide variety of dining options and economical, convenient Meal Plans for all students and employees. Visit our website for more information or to sign up for a Meal Plan.

Student Accessibility Resource Center (SARC)
www.wku.edu/sarc
sarc.connect@wku.edu
Downing Student Union 1074
(270) 745-5004 or TTY (270) 745-3030

Students with disabilities sometimes need assistance to ensure an adequate academic and social environment while attending the University. This assistance is usually provided through the Student Accessibility Resource Center (SARC). SARC coordinates its activities through individual faculty members, other campus offices, and public agencies. Students with disabilities receive accommodations specific to their individual disability and/or impairment. These accommodations may include: note takers, testing accommodations, alternative text formats, priority in academic advising/registering, etc. Particular attention relates to assuring accessibility in classrooms, laboratories, and housing. Interpreting and captioning services are available for Deaf and Hard of Hearing students. If a student with a disability has concerns or needs before they attend the University, if they need accommodations while participating in university services/activities, or if any concerns arise while they are enrolled on campus, they are encouraged to contact

These accommodations may include: note takers, testing accommodations, alternative text formats, priority in academic advising/registering, etc. Particular attention relates to assuring accessibility in classrooms, laboratories, and housing. Interpreting and captioning services are available for Deaf and Hard of Hearing students. If a student with a disability has concerns or needs before they attend the University, if they need accommodations while participating in university services/activities, or if any concerns arise while they are enrolled on campus, they are encouraged to contact

Accessibility Resource Center (SARC)
www.wku.edu/sarc
sarc.connect@wku.edu
Downing Student Union 1074
(270) 745-5004 or TTY (270) 745-3030

Students with disabilities sometimes need assistance to ensure an adequate academic and social environment while attending the University. This assistance is usually provided through the Student Accessibility Resource Center (SARC). SARC coordinates its activities through individual faculty members, other campus offices, and public agencies. Students with disabilities receive accommodations specific to their individual disability and/or impairment. These accommodations may include: note takers, testing accommodations, alternative text formats, priority in academic advising/registering, etc. Particular attention relates to assuring accessibility in classrooms, laboratories, and housing. Interpreting and captioning services are available for Deaf and Hard of Hearing students. If a student with a disability has concerns or needs before they attend the University, if they need accommodations while participating in university services/activities, or if any concerns arise while they are enrolled on campus, they are encouraged to contact

**Student Activities**
https://www.wku.edu/sao/
Downing Student Union 2059
(270) 745-2459

Western Kentucky University students have a significant role in the internal governance of the University. Elected or appointed representatives of the student body serve with members of the faculty and administration on policy-recommending councils and committees. Student members of internal governance councils and committees are selected by the Student Government Association. For more information about the membership and function of these committees and councils contact the Student Government Association Office, DSU 2045, (270) 745-4354.

**Student Life Policies**

All university citizens enjoy the rights and liberties assured by the constitutions of the Commonwealth of Kentucky and the United States of America. Likewise, they are subject to the responsibility and obligation to accord respect to the rights of others. Student Life policies are intended to foster student development and responsibility. Guided by these principles, the Department of Student Activities and Division of Enrollment and Student Success maintain the mission of the university by ensuring that students are afforded opportunities for civic engagement with respect to the rights of others. Students’ rights, responsibilities, and the Student Code of Conduct (https://www.wku.edu/studentconduct/student-code-of-conduct.php) are outlined in this catalog and in the WKU Student Handbook (https://www.wku.edu/handbook). Student organizations, activities, and leadership programs make a great contribution to student life at WKU. All students are encouraged to become involved in organizations whose purposes and activities will contribute to their personal growth and development.

**Dero Downing Student Union**
https://www.wku.edu/dsu/
dsu.operations@wku.edu
Downing Student Union 1053
(270) 745-5793

The Downing Student Union is truly the crossroads of WKU! Located on the ground floor are The WKU Store, Postal Services, Print Center & The Passport Office. On first floor, visitors will find the Downing Student Union Operations Office, Fresh Food Company, the Food Court, The Red Zone, Starbucks, Burrito Bowl, Student Accessibility Resource Center, administrative offices for the WKU Restaurant Group, a Study Lounge, the Recreation Room, Nite Class, and a 633-seat Auditorium. Located on the second floor are the Office of the Dean of Students, The Advising and Career Development Center, Transfer Center, Student Government Association (SGA), Offices for Student Activities and Leadership & Volunteerism Program, The Intercultural Student Engagement Center, The Gallery, The Pride Center, the Spirit Masters Office, and the ID Center. And, the third floor has various sizes of meeting and multipurpose rooms. To reserve space in the Union please visit www.wku.edu/dsu.

**Lost and Found**
The Downing Student Union Operations Office maintains campus-wide lost and found. A valid picture ID must be provided to claim an item.

**Campus Activities Board (CAB)**
The WKU Campus Activities Board (https://www.wku.edu/cab) (CAB) seeks to enrich the educational experience of students at WKU through the support of the overall mission of Western Kentucky University by offering a wide range of cocurricular experiences for students. Through these experiences, the Campus Activities Board strives to bring students together to enhance student involvement and create a campus atmosphere that addresses student needs outside of the classroom. In addition, CAB seeks to provide opportunities for group collaboration with other campus organizations, as well as opportunities for professional growth.

**Leadership and Volunteerism**
The Leadership and Volunteerism office provides a variety of opportunities to student that allow them to engage in developmental activities. This office engages students in numerous service projects including Midnight on the Hill for St. Jude’s Hospital. Alternative Spring Breaks, Red Cross blood drives, and Student United Way.

**Dynamic Leadership Institute (DLI)**
WKU students are invited to apply for admission in the Institute. The Institute consists of four phases. Each phase is a semester with six workshops or activities that address a variety of leadership topics. Students are selected to represent a diverse group of ages, interests, and levels of leadership ability. Applications are available at the Leadership & Volunteerism office, DSU 2059.

**Volunteer Initiative Program (VIP)**
The VIP exists to provide students with information about community service and volunteer opportunities in the Bowling Green area. Students have the opportunity to volunteer their time to local service agencies and get involved in the community. Volunteer opportunities range from one day events to semester long activities. There is something out there for everyone and the experience is priceless. The program is open to all WKU students, faculty and staff.

**Registered Student Organizations**
The Office of Student Activities works to provide co-curricular activities for those students who want to become involved at WKU. We have over 300 registered student organizations (https://www.wku.edu/studentorgs), ranging from departmental, campus ministries, general clubs, honor societies, intramural recreation, professional, service, student representative and Greek life (fraternity and sorority).

**Student Government Association (SGA)**
The Student Government Association (https://www.wku.edu/sga) of Western Kentucky University represents and advocates for the entire WKU student body. Whether campus safety, college affordability, campus sustainability, campus inclusion, or other endeavors, SGA is committed to advancing WKU as the best and most welcoming university it can possibly be on behalf of all Hilltoppers.

**Suzanne Vitale Clinical Education Complex (CEC)**
www.wku.edu/wkucec
cecc@wku.edu
104 Alumni Avenue
(270) 745-4232

The Suzanne Vitale Clinical Education Complex (CEC) houses the Communication Disorders Clinic, the Renshaw Early Childhood Center,
the Family Resource Program, and the Kelly Autism Program. The CEC provides applied research opportunities for both graduate and undergraduate students and valuable services to the community at large. This complex is a comprehensive clinical setting for education and health and human services professionals. The CEC builds upon a strong tradition at Western Kentucky University to meet community needs, fill service delivery gaps, provide opportunities for applied research, and enrich both undergraduate and graduate students’ educational experiences through an interdisciplinary teaching approach.

University Libraries

www.wku.edu/library/
library.web@wku.edu
Helm-Cravens Library
(270) 745-6125

The University Libraries of WKU invites you to discover success with outstanding personnel, facilities, support services, and information resources to foster a dynamic learning and research environment through which our community can effectively explore, access, and use information. The University Libraries serves as a regional lighthouse by:

Creating Environments
Multiple collaborative and independent spaces are available for all to use and gather in an environment that harnesses active learning and creates a culture of innovation to power the intellectual. University Libraries offers both physical and electronic collections and support services to meet the needs of each student whether on campus, at home or on-the-go. Helm Library is currently undergoing renovations, expected to re-open in 2021, to transform its facility into an innovative, intellectual hub with a modern, multipurpose, student-centered space.

Connecting People
The library faculty and staff are committed to helping individuals achieve their academic goals. Through individual consultation, classroom instruction, online chatting, and phone conversations, University Libraries professionals connect with all so individuals may become independent thinkers, lifelong learners and global citizens.

Collaborating with Communities
The Libraries are continuously challenged to balance the resources of the present, while preserving the past, and preparing for the future. Technology, digital resources, and the plethora of information have transformed library services. The Department of Library Special Collections houses a wealth of primary research materials in physical and digital format, most relating to the university and the state of Kentucky. TopSCHOLAR® – the open, scholarly and creative database of WKU – provides access of WKU intellectual assets to researchers from around the world. Our University Libraries also collaborates with institutions across Kentucky and globally to effectively deliver Interlibrary Loan resources.

Visit the University Libraries (https://www.wku.edu/library) for research guides, news and information.

WKU Mail Services

www.wku.edu/postal
College Heights Post Office (U.S. Postal Service)
Downing Student Union, Ground Floor
(270) 745-3093

The College Heights Post Office is open 8:30 a.m. to 4:30 p.m., Monday through Friday. This full-service U.S. Post Office offers passport services (https://www.wku.edu/passport), fax services, mail box rentals, and packaging items. WKU Mail Services provides collection and distribution of campus mail, as well as delivery and processing of incoming and outgoing U.S. Mail.

WKU Store

www.wkustore.com (http://www.wkustore.com)
Downing Student Union, Ground Floor
(270) 745-2466

The WKU Store has been owned and operated by Western Kentucky University since 1923. The store provides a large selection of WKU merchandise and the largest in-town selection of used and rental textbooks—including custom texts and digital formats. Textbook reservation is available for fall and spring semesters. Students are able to bill textbooks and supplies to their university account at the beginning of each term. The WKU Store is an Apple authorized seller featuring MacBooks, iMacs, iPads and accessories, as well as Dell and other brands.

Accounting (ACCT)

ACCT 401G Business Combinations and Related Topics 3 Hours
Emphasis is placed on the issues involved in business combinations, including the preparation of consolidated financial statements. Other topics typically covered include partnerships, interim and segment reporting, international accounting, and foreign currency transactions and translations.
Prerequisite(s): ACCT 301 with a minimum grade of C
Recent Term(s) Offered: spring 2017; fall 2017; spring 2018; fall 2018; spring 2019; fall 2019

ACCT 420G Governmental and Not For Profit Accounting 3 Hours
Provide a broad understanding of fund accounting and financial reporting for various types of governmental and not for profit organizations. Examines the similarities and differences among the fund structures and financial reporting requirement of the two categories of organizations. Types of organizations typically studied include: all governmental organizations, health care organizations, colleges and universities, and voluntary health and welfare organizations.
Prerequisite(s): ACCT 301 with a minimum grade of C
Recent Term(s) Offered: spring 2017; spring 2018; fall 2018; spring 2019; fall 2019

ACCT 431G Federal Taxation - Business Entities 3 Hours
Furthers the student's understanding and knowledge of the federal income tax structure as it applies to partnerships and corporations. Other specialized area of taxation are also covered. Emphasis is placed on the use of tax services in researching tax problems.
Prerequisite(s): ACCT 430 (may be taken concurrently) with a minimum grade of C
Recent Term(s) Offered: spring 2017; fall 2017; spring 2018; fall 2018; spring 2019; fall 2019

ACCT 500 Advanced Financial Accounting and Reporting 3 Hours
An overview of financial accounting and reporting topics found in today's complex business environment. Emphasis is placed on identifying issues, researching the authoritative literature, and communicating the analyses and results.
Prerequisite(s): ACCT 303 with a minimum grade of C
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019

ACCT 510 Advanced Accounting Information Systems and Data Analytics 3 Hours
Provides an overview of theory and applications of accounting information systems, concepts and knowledge of internal controls, as well as standards and guidelines of information systems.
Prerequisite(s): (ACCT 312 with a minimum grade of C or ACCT 450 with a minimum grade of C)
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

ACCT 520 Special Topics in Managerial Accounting 3 Hours
Study of cost and accounting information used by managers within the organization for planning and control. Topics include decision analysis, strategic costing, budgeting, strategic control systems, performance evaluation, behavioral and motivational issues, strategic role of accounting in the organization, and compensation. Emphasis is placed on critical thinking and case analysis.
Prerequisite(s): ACCT 310 with a minimum grade of C or equivalent
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

ACCT 530 Special Topics in Tax Research and Planning 3 Hours
Provides tools necessary for skillful application of tax research methodology in the use of primary tax authority, secondary tax reference materials, and research aids. Identification, understanding, and evaluation of tax planning opportunities, related tax policy issues including multi-jurisdictional issues, ethical guidelines, Circular 230 and Statements on Responsibilities in Tax Practice.
Prerequisite(s): ACCT 430 with a minimum grade of C or equivalent
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019

ACCT 540 Advanced Auditing, Standards, and Fraud 3 Hours
Study of auditing standards including international auditing standards, risk assessment, analytical procedures, the ethical and legal environment of auditing, audit memos, fraud risks in audits, and other forensic auditing topics.
Prerequisite(s): ACCT 450 with a minimum grade of C or equivalent
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

ACCT 550 Special Topics in Accounting for Not-For-Profit Organizations and Governments 3 Hours
Study of current topics in accounting for not-for-profit organizations and governments. Topics may include college and university accounting, health care accounting, voluntary health and welfare accounting, other nonprofit accounting, federal government accounting, managerial accounting for state and local governmental units, and federal financial assistance auditing.
Prerequisite(s): ACCT 303 with a minimum grade of C
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019

Adult Education (ADED)

ADED 510 Introduction to Facilitating Change in Adults 3 Hours
Introduction to the concepts and theories of adult learning, change theory, and improvement science. In this course, students will analyze theories in adult learning, identify change theory and change agency, and improvement science, and demonstrate conceptual understanding of overlap between these theories for individuals, organizations, and community/society.
Recent Term(s) Offered: winter 2017; spring 2017; summer 2017; fall 2017; winter 2018; spring 2018; summer 2018; fall 2018; winter 2019; spring 2019; summer 2019; fall 2019

ADED 515 How Adults Change 3 Hours
Examines the process of change that occurs in adults through learning and development. Models of adult development and adult learning will be explored as it relates to the process of change within individuals, organizations, and communities/society.
Recent Term(s) Offered: summer 2019; fall 2019

ADED 520 Facilitating Change Agency in Adults 3 Hours
Aids students in developing skills to facilitate change in adults using adult education methods. The course will focus on identifying the intersection of change models with facilitation models. Practical applications will cover establishing goals, objectives, learning design, learning activities, and outcomes assessment.
Prerequisite(s): ADED 515
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019; fall 2019
**ADED 530**  Program Planning for Adults and Learning Organizations  
3 Hours  
Guides students through the process of developing and delivering a program for adult learners and organizational change. Students will be exposed to practical aspects of program design, program delivery, assessment, and evaluation. Focus will be on the role program planning has in facilitating change within organizations and the community/society.  
**Prerequisite(s):** ADED 510 (may be taken concurrently)  
**Recent Term(s) Offered:** spring 2017; fall 2018; fall 2019

**ADED 540**  History and Philosophy of Change Agency in Adults  
3 Hours  
Enables students to compare and contrast philosophical perspectives on change agency, through the review of historical change agency figures, leading to one’s own philosophy. Philosophy and history of adult education in the United States. Covers history of adult education from the colonial period to today. Includes major philosophies that guide adult education. Ties together the efforts of change agents as they worked to create change in individuals, organizations, and community/society through adult education.  
**Prerequisite(s):** ADED 510 (may be taken concurrently)  
**Recent Term(s) Offered:** spring 2017; spring 2018; spring 2019

**ADED 590**  Practicum in Adult Education  
1-3 Hours  
Supervised practical experience related to adult education studies. Note: Completion of 18 hrs in MAE Adult Education including all core courses except capstone required.  
**Prerequisite(s):** permission of instructor  
**Restriction(s):** Enrollment is limited to students in Adult Education (047)  
**Recent Term(s) Offered:** spring 2017; spring 2018; spring 2019

**ADED 597**  Directed Study in Adult Education  
3 Hours  
Directed study related to best practices in adult education. Requires completion of research or applied project on approved topic. Note: Completion of at least 21 hrs in program including all core requirements required.  
**Prerequisite(s):** permission of instructor  
**Restriction(s):** Enrollment is limited to students in Adult Education (047)  
**Recent Term(s) Offered:** spring 2017; fall 2017; fall 2018

**ADED 598**  Adult Education Seminar  
3 Hours  
Issues in the field of adult education. Topics will vary with faculty and student interest.  
**Prerequisite(s):** ADED 510  
**Recent Term(s) Offered:** None

**ADED 599**  Thesis Research and Writing  
1-6 Hours (repeatable max of 6 hrs)  
Independent research on a topic related to Adult Education.  
**Prerequisite(s):** permission of instructor  
**Restriction(s):** Enrollment is limited to students in Adult Education (047)  
**Recent Term(s) Offered:** fall 2017; spring 2018; fall 2018

**ADED 600**  Maintaining Matriculation  
1-6 Hours (repeatable max of 6 hrs)  
One to six hours for ADED students needing to maintain matriculation.  
**Prerequisite(s):** permission of instructor  
**Recent Term(s) Offered:** summer 2018; fall 2018; summer 2019

---

**Advertising (AD)**

**AD 536**  Sport Branding: A New Game  
3 Hours  
Focused on developing and delivering a meaningful brand message to increase sport fan loyalty and engagement. Topics include team-branding, athletes as brands, globalization, and digital technologies.  
**Prerequisite(s):** RSA 521 (may be taken concurrently)  
**Recent Term(s) Offered:** fall 2017; fall 2018; fall 2019

**AD 537**  Sport Sponsorships: New Revenue Strategies  
3 Hours  
Provides a strategic framework for understanding sport information management and preparation by focusing on the relationship among sport organizations, spokespeople, and media.  
**Prerequisite(s):** RSA 521 (may be taken concurrently)  
**Recent Term(s) Offered:** spring 2017; spring 2018; spring 2019

---

**African-American Studies (AFAM)**

**AFAM 480G**  Independent Study in African American Studies  
1-3 Hours (repeatable max of 9 hrs)  
Designed primarily for advanced students. This course will permit students to pursue selected topics dealing with the life and times of the people of African ancestry in Africa and America.  
**Prerequisite(s):** AFAM 190 or permission of instructor  
**Recent Term(s) Offered:** None

**AFAM 490G**  African American Seminar  
3 Hours (repeatable max of 9 hrs)  
Designed primarily for advanced students. This seminar will include topics dealing with the African American, present or past.  
**Prerequisite(s):** AFAM 190 or permission of instructor  
**Recent Term(s) Offered:** None

---

**Agricultural Economics (AGEC)**

**AGEC 460G**  Agricultural Policy  
3 Hours  
The role of agriculture in the national economy; objectives of agricultural policy; appraisal and proposed agricultural programs; legislation for economics action.  
**Prerequisite(s):** AGEC 360  
**Recent Term(s) Offered:** None

**AGEC 461G**  Advanced Farm Management  
3 Hours  
Identification, analysis, and solution of problems of farm organization and operation. Case studies and field trips to situation farms in South Central Kentucky.  
**Prerequisite(s):** AGEC 361 or permission of instructor  
**Recent Term(s) Offered:** None

**AGEC 463G**  Agricultural Finance  
3 Hours  
Farm finance problems including capital requirements, investment decisions, budgeting techniques, etc. Lending agencies and alternative means of acquiring capital.  
**Prerequisite(s):** AGEC 361 or permission of instructor  
**Recent Term(s) Offered:** spring 2018; spring 2019

**AGEC 468G**  World Food Development  
3 Hours  
Problems and opportunities in feeding an ever-increasing population. Assessment of world food production, poverty, businesses and cultures; ways of increasing production.  
**Recent Term(s) Offered:** spring 2017
AGED 561 Agricultural Production and Economics 3 Hours
Production and cost functions, programming and decision-making principles and their application to agriculture.
Recent Term(s) Offered: fall 2018; spring 2019

AGED 675 Advanced Topics Agricultural Economics 3 Hours
No course description is available
Recent Term(s) Offered: fall 2017; spring 2019

Agricultural Education (AGED)

AGED 570 Methods of Teaching in Agriculture Education 3 Hours
Experiences related to the teaching of agriculture education, further preparing the prospective teacher in supervised occupational experience programs. Topics covered include FFA activities, classroom management, and general teaching techniques. Departments of Agriculture in other institutions are occasionally visited.
Recent Term(s) Offered: None

AGED 571 Organization and Planning in Agricultural Education 3 Hours
A teacher preparation course designed to prepare pre-service teachers for the student teaching experience and for a full-time teaching position. Unit planning, lesson preparation, and delivery comprise the major portion of this course.
Recent Term(s) Offered: None

AGED 575 Topics in Agriculture Education 1-3 Hours (repeatable max of 6 hrs)
Special topics acquaint students with scientific developments of current interest in agricultural education. Appropriate topics are assigned. Lecture and assignments vary with credit.
Recent Term(s) Offered: None

AGED 583 Curriculum Development/Agriculture Education 3 Hours
Principles of curriculum development, curriculum alignment, and assessment of content standards.
Recent Term(s) Offered: spring 2017; fall 2017; fall 2018; fall 2019

AGED 584 Program Development/Agriculture Education 3 Hours
For new and returning ag-ed teachers. Covers planning, conducting, and following through instructional programs for secondary, post-secondary, and/or adult students.
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019

AGED 589 Ind Spec Prob Agriculture Education 1-3 Hours (repeatable max of 6 hrs)
Supervised individual study in agricultural education.
Recent Term(s) Offered: winter 2017; spring 2019

AGED 675 Advanced Topics in Agriculture Education 1-3 Hours
No course description is available
Recent Term(s) Offered: spring 2019

Agriculture - General (AGRI)

AGRI 450G Rural Health and Safety 3 Hours
Students will explore a variety of health and safety issues unique to rural populations. The interdisciplinary team concept will be used throughout the course to foster collaboration that facilitates sharing of the expertise of students and faculty.
Recent Term(s) Offered: None

AGRI 491G Data Analysis and Interpretation 3 Hours
Statistical models and use of samples, variation, statistical measures, distributions, tests of significance, analysis of variance, regression, correlation and chi-square as related to interpretation and use of scientific data.
Recent Term(s) Offered: summer 2017; fall 2017; fall 2018; fall 2019

AGRI 493G Sustainable Agriculture 3 Hours
Effect of diminishing resources, environmental pollution, and short-term economics on the sustainability of productive agriculture. Emphasis on managing crops, livestock, and other farm resources in providing an ecological-economical balance in agricultural production. Note: Upper division standing, minimum of 18 hours in agriculture or related areas required.
Prerequisite(s): permission of instructor
Recent Term(s) Offered: fall 2017; fall 2019

AGRI 528 Population Genetics 3 Hours
Application of genetic and statistical concepts to populations of plants and domestic animals.
Prerequisite(s): BIOL 327 and (AGRI 491 or equivalent)
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019

AGRI 590 Experimental Design 3 Hours
Statistical consideration in experimental design; covariance, multiple regression, factorial design, and incomplete block designs.
Prerequisite(s): AGRI 491 or permission of instructor
Equivalent(s): GEOS 590
Recent Term(s) Offered: spring 2018; summer 2018

AGRI 597 Independent Special Problems/Agriculture 1-3 Hours (repeatable max of 9 hrs)
Supervised individual study in agriculture.
Prerequisite(s): permission of instructor
Recent Term(s) Offered: summer 2017; fall 2017; spring 2018; summer 2018; fall 2018; summer 2019; fall 2019

AGRI 598 Seminar 1 Hour (repeatable max of 3 hrs)
Problems and research in agriculture. Required of all graduate students.
Recent Term(s) Offered: spring 2017; fall 2017; spring 2018; fall 2018; spring 2019; summer 2019; fall 2019

AGRI 599 Thesis Research/Writing 1-6 Hours (repeatable max of 6 hrs)
Theis research and writing directed by faculty committee.
Recent Term(s) Offered: spring 2017; fall 2017; spring 2018; summer 2018; fall 2018; spring 2019; fall 2019

AGRI 600 Maintaining Matriculation 1-6 Hours (repeatable max of 6 hrs)
Continued enrollment for thesis completion.
Recent Term(s) Offered: spring 2017; fall 2017; spring 2018; summer 2018; fall 2018; spring 2019; summer 2019; fall 2019

AGRI 675 Advanced Topics/Agriculture 1-3 Hours (repeatable max of 10 hrs)
Issues and scientific developments of current interest.
Prerequisite(s): permission of instructor
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019
Agronomy (AGRO)

AGRO 414G Crop Improvement  3 Hours
Identification, development, and utilization of genetic differences in the improvement of cultivated plants. Note: Six hours of plant science required.
Recent Term(s) Offered: None

AGRO 420G Forage Crops  2 Hours
Distribution, improvement, morphology, culture, harvesting and utilization of forage crops are presented.
Prerequisite(s): AGRO 110 and AGRO 350 and BIOL 120
Corequisite(s): AGRO 421G
Recent Term(s) Offered: fall 2019

AGRO 421G Forage Crops Laboratory  1 Hour
A laboratory course correlated with AGRO 420G.
Corequisite(s): AGRO 420G
Recent Term(s) Offered: None

AGRO 455G Soil Chemistry  2 Hours
Analytical techniques used in soil chemistry and soil fertility; studies nutrient determination, colloidal systems, chemical properties related to plant nutrition.
Prerequisite(s): AGRO 350
Corequisite(s): AGRO 456G
Recent Term(s) Offered: None

AGRO 456G Soil Chemistry Lab  1 Hour
A laboratory course correlated with AGRO 455G.
Corequisite(s): AGRO 455G
Recent Term(s) Offered: None

AGRO 457G Soil Form/Class/Map  2 Hours
Soil origin; classification schemes; profile description, mapping and interpretation of soil survey information are discussed, emphasizing Kentucky soils.
Prerequisite(s): AGRO 350 and BIOL 207 and BIOL 208
Recent Term(s) Offered: None

AGRO 475G Topics Agronomy  1-3 Hours (repeatable max of 6 hrs)
Special topics acquaint advanced undergraduate students with scientific developments of current interest in agriculture. Appropriate topic titles are assigned. Lecture and assignments vary with credit.
Prerequisite(s): permission of instructor
Recent Term(s) Offered: None

AGRO 510 Weed Science Laboratory  1 Hour
A laboratory course correlated with AGRO 509.
Corequisite(s): AGRO 509
Recent Term(s) Offered: None

AGRO 521 Pasture Management  3 Hours
Development of pastures, physiological principles related to forage production, pasture management, and preservation and use of conserved forages.
Prerequisite(s): (AGRO 420 and AGRO 421) and (ANSC 448 or permission of instructor)
Recent Term(s) Offered: spring 2019

AGRO 522 Field Crops  3 Hours
Distribution, morphology, culture, phenology, harvest and utilization of field crops are presented.
Prerequisite(s): AGRO 110 and AGRO 350 and BIOL 120
Recent Term(s) Offered: fall 2019

AGRO 552 Soil Microbiology  3 Hours
Soil microbial populations and systems and their influence on plant nutrition. Soil organic matter, its decomposition and associated microorganisms; oxidation-reduction process; nitrogen fixation.
Prerequisite(s): AGRO 350 and BIOL 207 and BIOL 208
Recent Term(s) Offered: spring 2018; spring 2019

AGRO 554 Soil Management & Conservation  3 Hours
Economic utilization of land for agricultural recreation and public purposes; interpretation and application of soil conservation; public and industrial uses; practice in designing land-use maps.
Prerequisite(s): AGRO 350
Recent Term(s) Offered: None

Animal Science (ANSC)

ANSC 437G Physiology/Reproduction  2 Hours
Endocrinology and physiology of reproductive systems; anatomical physiology and biochemical bases of reproduction, artificial insemination, synchronized estrus and related topics are presented.
Prerequisite(s): BIOL 120
Corequisite(s): ANSC 438G
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

ANSC 438G Physiology/Reproduction Lab  1 Hour
A laboratory course correlated with ANSC 437G. Laboratory, two hours.
Corequisite(s): ANSC 437G
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

ANSC 446G Animal Breeding  2 Hours
Application of genetic and statistical principles of breeding and improvements of farm animals; the role of selection in changing populations; the effects of different mating systems upon improvement of farm animals are investigated.
Prerequisite(s): ANSC 140 and BIOL 120
Corequisite(s): ANSC 447G
Recent Term(s) Offered: None

ANSC 447G Animal Breeding Lab  1 Hour
A laboratory course correlated with ANSC 446. Laboratory, two hours.
Corequisite(s): ANSC 446G
Recent Term(s) Offered: None
ANSC 448G  Animal Feeds and Feeding Practices  4 Hours
Livestock feeds and their nutrients; functions of and requirements for nutrients; evaluation of feeds; feeding practices and formulation of rations for all classes of livestock are included.
Prerequisite(s): ANSC 345 or permission of instructor
Recent Term(s) Offered: spring 2017

ANSC 449G  Lab Methods Animal Nutrition  3 Hours
Laboratory methods for determining major minerals and vitamins in feeds, proximate analysis of feeds, products of fermentation, feed residues and contamination.
Prerequisite(s): ANSC 448
Recent Term(s) Offered: None

ANSC 475G  Selected Topics  1-3 Hours (repeatable max of 6 hrs)
Special topics acquaint advanced undergraduate students with scientific developments of current interest in agriculture. Appropriate topic titles are assigned. Lecture and assignments vary with credit.
Prerequisite(s): permission of instructor
Recent Term(s) Offered: None

ANSC 533  Physiology of Lactation  3 Hours
Anatomy of the mammary gland, hormonal control of mammogenesis, initiation and maintenance of milk secretion, factors affecting level and composition of milk, synthesis of milk.
Prerequisite(s): ANSC 344
Recent Term(s) Offered: None

ANSC 545  Ruminant Nutrition  3 Hours
Rumen development and function, products of fermentation, nutrient requirements, absorption and metabolism, symptoms of deficiency and toxicity.
Prerequisite(s): (ANSC 345 and BIOL 446) or equivalent or permission of instructor
Recent Term(s) Offered: fall 2018

ANSC 546  Advanced Animal Breeding  3 Hours
Application of population genetics to the economic improvement of farm animals, phenotypic and genetic relationships, role of selection in changing populations, formulation and application of breeding plans.
Prerequisite(s): (ANSC 446 and AGRI 528) or permission of instructor
Recent Term(s) Offered: None

ANSC 547  Advanced Animal Nutrition  3 Hours
The nutrient requirements of the monogastric animals, structure, metabolism and function of each nutrient class, interrelationship of the nutrient classes, deficiency and toxicity symptoms.
Prerequisite(s): (ANSC 345 and BIOL 446) or equivalent or permission of instructor
Recent Term(s) Offered: summer 2018

ANSC 675  Advanced Topics in Animal Science  1-3 Hours
No course description is available
Recent Term(s) Offered: spring 2017; fall 2017; spring 2019; summer 2019

Anthropology (ANTH)

ANTH 432G  Field Course in Archaeology  1-9 Hours (repeatable max of 9 hrs)
Includes archaeological survey, site mapping, artifact recovery, recording, and cataloging. Work is usually conducted on prehistoric Indian sites. The number of credit hours will be determined in consultation with instructor.
Prerequisite(s): ANTH 130 or permission of instructor
Recent Term(s) Offered: summer 2019

ANTH 434G  Graveyard Archeology  3 Hours
Application of archaeological methods in the documentation of historic graveyards, emphasizing legal mandates, formation processes, subsurface prospecting, remote sensing, mapping and headstone recording. Travel to field site required.
Course Fee: $10
Recent Term(s) Offered: summer 2018

ANTH 436G  Applied Archaeology  3 Hours
Examines contract archaeology and public archaeology within the context of cultural resource management, emphasizing legal mandates, field methods, public education programs, and ethical considerations.
Recent Term(s) Offered: None

ANTH 448G  Visual Anthropology  3 Hours
This course examines photography and film as tools and products of cross-cultural research with special emphasis on cultural and political biases presented through visual means.
Recent Term(s) Offered: fall 2019

ANTH 449G  Ethnographic Video Production  3 Hours
Video production as a research methodology in anthropology. Practical exercises and collaborative student projects. Students will produce their own short ethnographic videos. Explores practices of representing cultures through video.
Prerequisite(s): ANTH 448G or permission of instructor
Recent Term(s) Offered: spring 2017; spring 2018

ANTH 493G  Archaeology Stewardship  3 Hours
Examines contract archaeology and public archaeology within the context of cultural resource management, emphasizing legal mandates, formation processes, subsurface prospecting, remote sensing, mapping and headstone recording. Travel to field site required. Note: 6 additional credits in anthropology required.
Recent Term(s) Offered: summer 2019

ANTH 495G  Directed Study  1-4 Hours (repeatable max of 8 hrs)
Available to superior students who wish to conduct individual, intensive reading and research in specific area of anthropology in close cooperation with supervising faculty. Submission of such projects to student sections of regional professional meetings is encouraged. Number of credit hours will be determined in consultation with instructor.
Prerequisite(s): permission of instructor
Recent Term(s) Offered: summer 2019

Architectural & Manufacturing (AMS)

AMS 510  Emerging Technologies  3 Hours
Discovery of powerfully disruptive technologies, evaluating them accurately and implementing change for profitability.
Restriction(s): Enrollment is limited to students in Engineering Technology Mgt (0447) or Lean Sigma (0452)
Recent Term(s) Offered: fall 2017; fall 2019

<th>Description</th>
<th>Restriction(s)</th>
<th>Recent Term(s) Offered</th>
</tr>
</thead>
<tbody>
<tr>
<td>AMS 520</td>
<td>Resource Management</td>
<td>3 Hours</td>
<td>A comprehensive study of efficient allocation of materials and money. Includes a review of basic decision-making techniques, cost-benefit ratio analysis, depreciation, salvage value of equipment, and time value of money.</td>
<td>Enrollment is limited to students in Engineering Technology Mgt (0447) or Lean Sigma (0452)</td>
<td>spring 2017; spring 2018; spring 2019</td>
</tr>
<tr>
<td>AMS 525</td>
<td>Industrial Resource Allocation</td>
<td>3 Hours</td>
<td>A comprehensive study of efficient allocation of resources. Topics related to manufacturing operation analysis with emphasis on efficient and practical techniques for estimating costs based on existing relationships among inflation, labor, material, forecasting, and the activity.</td>
<td>Enrollment is limited to students in Engineering Technology Mgt (0447) or Lean Sigma (0452)</td>
<td>None</td>
</tr>
<tr>
<td>AMS 530</td>
<td>Automated Data Collection Systems</td>
<td>3 Hours</td>
<td>Information systems for industry; collecting and analyzing real time data to make production decisions regarding profitability and quality.</td>
<td>Enrollment is limited to students in Engineering Technology Mgt (0447) or Lean Sigma (0452)</td>
<td>summer 2017; winter 2019</td>
</tr>
<tr>
<td>AMS 535</td>
<td>Workforce Development</td>
<td>3 Hours</td>
<td>Strategies for developing educational opportunities for personnel in industry and appropriate appraisal techniques for program improvement. Includes those topics crucial to developing the nation’s workforce, including sociological foundations of workforce education, career development theory, needs assessment, developing objectives, performance assessment and private sector providers of workforce education programs.</td>
<td>Enrollment is limited to students in Engineering Technology Mgt (0447) or Lean Sigma (0452)</td>
<td>summer 2019</td>
</tr>
<tr>
<td>AMS 540</td>
<td>Theory of Constraints</td>
<td>3 Hours</td>
<td>Concepts of theory of constraints (TOC) pertaining to drum-buffer-rope, operations analysis, cost management, decision making and related areas. TOC management strategies and thinking processes applied to business problems.</td>
<td>Enrollment is limited to students in Engineering Technology Mgt (0447) or Lean Sigma (0452)</td>
<td>spring 2018</td>
</tr>
<tr>
<td>AMS 571</td>
<td>Research Methods in Technology Management</td>
<td>3 Hours</td>
<td>A comprehensive study of research methods and experimental design applicable to industrial and technical operations. This course includes a review of basic statistics, quality control techniques, and quality assurance.</td>
<td>Enrollment is limited to students in Engineering Technology Mgt (0447) or Lean Sigma (0452)</td>
<td>fall 2017; fall 2018; fall 2019</td>
</tr>
<tr>
<td>AMS 580</td>
<td>Six Sigma Quality</td>
<td>3 Hours</td>
<td>Management and application of Six Sigma methodologies including the DMAIC process and data-driven decision making. Advanced quality concepts and statistical process control.</td>
<td>Enrollment is limited to students in Engineering Technology Mgt (0447) or Lean Sigma (0452)</td>
<td>fall 2018</td>
</tr>
<tr>
<td>AMS 588</td>
<td>Product Development</td>
<td>3 Hours</td>
<td>Basic elements of marketing, design, and prototyping for innovation. Study of the multidisciplinary interrelationships involved in the development of commercial products.</td>
<td>Enrollment is limited to students in Engineering Technology Mgt (0447) or Lean Sigma (0452)</td>
<td>fall 2018</td>
</tr>
<tr>
<td>AMS 590</td>
<td>Operations Leadership</td>
<td>3 Hours</td>
<td>Provides technical professionals with leadership and management skills needed to be effective throughout their career.</td>
<td>Enrollment is limited to students in Engineering Technology Mgt (0447) or Lean Sigma (0452)</td>
<td>fall 2017; fall 2018; fall 2019</td>
</tr>
<tr>
<td>AMS 594</td>
<td>Lean Systems</td>
<td>3 Hours</td>
<td>Analysis of lean concepts and process improvement in business value streams, production, and distribution. Pull systems, flow control, inventory reduction, waste elimination, and value creation.</td>
<td>Enrollment is limited to students in Engineering Technology Mgt (0447) or Lean Sigma (0452)</td>
<td>spring 2017; spring 2019</td>
</tr>
<tr>
<td>AMS 599</td>
<td>Thesis Research and Writing</td>
<td>1-6 Hours</td>
<td>Thesis research and writing directed by faculty committee.</td>
<td>repeatable max of 6 hrs</td>
<td></td>
</tr>
<tr>
<td>AMS 600</td>
<td>Maintaining Matriculation</td>
<td>1-6 Hours</td>
<td>Continued enrollment for thesis completion.</td>
<td>repeatable max of 6 hrs</td>
<td></td>
</tr>
<tr>
<td>AMS 630</td>
<td>Legal and Ethical Issues in Technology</td>
<td>3 Hours</td>
<td>A study of ethics and social responsibility, international and contemporary legal issues in business and industry, and e-commerce.</td>
<td>Enrollment is limited to students in Engineering Technology Mgt (0447) or Lean Sigma (0452)</td>
<td>summer 2018; summer 2018; fall 2017; spring 2018; spring 2019; spring 2019; fall 2019</td>
</tr>
<tr>
<td>AMS 650</td>
<td>Supply Chain Management</td>
<td>3 Hours</td>
<td>An integrated and comprehensive treatment of operations and supply chain issues. Students study how firms link with their supply chain partners to gain a market advantage and competitiveness.</td>
<td>Enrollment is limited to students in Engineering Technology Mgt (0447) or Lean Sigma (0452)</td>
<td>fall 2017; fall 2019</td>
</tr>
<tr>
<td>AMS 655</td>
<td>Project Management</td>
<td>3 Hours</td>
<td>Concepts of project management as applicable to a wide range of business and technical situations. Focus on behavioral organizational aspects, quantitative methods, and automated tools.</td>
<td>Enrollment is limited to students in Engineering Technology Mgt (0447) or Lean Sigma (0452)</td>
<td>spring 2017; spring 2018; spring 2019</td>
</tr>
</tbody>
</table>
AMS 671  Quality Management  3 Hours
An examination of philosophies, concepts, tools and techniques used in continuous quality improvement programs.
Restriction(s): Enrollment is limited to students in Engineering Technology Mgt (0447) or Lean Sigma (0452)
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019

AMS 690  Graduate Project  1-6 Hours (repeatable max of 6 hrs)
An applied research project, using standard procedures of problem identification, possible solutions, and a final report. Can be either field or laboratory based and must be approved by a graduate faculty committee.
Recent Term(s) Offered: None

**Art (ART)**

ART 401G  Art of the Italian Renaissance  3 Hours
This course analyzes the architecture, sculpture and paintings of Italian Renaissance with an emphasis on the examination of selected examples. Graduate students will be required to display advanced research skills.
Recent Term(s) Offered: None

ART 405G  Art Theory and Criticism  3 Hours
Major theories of art, both historical and contemporary, and various approaches to qualitative judgments about individual works of art. Graduate students will be required to display advanced research skills.
Recent Term(s) Offered: None

ART 411G  Foundations of Art Education and Methods II  3 Hours
Provide diverse experiences related to art education theory and practice in elementary schools. Field experiences in public schools outside the regular class sessions are required. Note: Students are responsible for arranging their own transportation to designated or assigned sites.
Prerequisite(s): PSY 510 (may be taken concurrently) and SPED 516 (may be taken concurrently) and (ART 311 with a minimum grade of C or equivalent) or permission of instructor
Recent Term(s) Offered: None

ART 413G  Foundations of Art Education and Methods III  3 Hours
Long-term curriculum design, assessment, and classroom management methods, appropriate for visual arts instruction in secondary schools. Field experience is required. Note: Students are responsible for arranging their own transportation to designated or assigned sites.
Prerequisite(s): ART 411G
Recent Term(s) Offered: None

ART 420G  Ceramics  3 Hours
A continuation of production in clay form and research in experimental clay and glaze composition.
Prerequisite(s): ART 321
Recent Term(s) Offered: None

ART 421G  Ceramics  3 Hours
This course requires advanced individual performance in creative design concepts and in research and recording.
Prerequisite(s): ART 420
Recent Term(s) Offered: None

ART 422G  Ceramics  3 Hours
This course is a continuation of ART 421G.
Prerequisite(s): ART 421
Recent Term(s) Offered: None

ART 440G  Drawing  3 Hours
Advanced drawing explorations through individual problem solving.
Prerequisite(s): ART 341
Recent Term(s) Offered: None

ART 450G  Printmaking  3 Hours
Stresses advanced printmaking techniques and requires students to have strong personal imagery.
Prerequisite(s): ART 351
Recent Term(s) Offered: None

ART 451G  Printmaking  3 Hours
Printmaking exploration through research and creative activity.
Prerequisite(s): ART 450
Corequisite(s): ART 452G
Recent Term(s) Offered: None

ART 452G  Printmaking  3 Hours
This course consists of advanced research problems in printmaking.
Corequisite(s): ART 451G
Restriction(s): Enrollment is limited to students in Visual Studies (509), Visual Arts (514), Art (BFA In Graphic Design) (515) or Art Education (516)
Recent Term(s) Offered: None

ART 460G  Painting  3 Hours
Research problems in selected painting materials are provided in this course.
Prerequisite(s): ART 361
Recent Term(s) Offered: None

ART 461G  Painting  3 Hours
This course consists of advanced individual research problems in painting.
Prerequisite(s): ART 460
Recent Term(s) Offered: None

ART 462G  Painting  3 Hours
This course is a continuation of ART 461G.
Prerequisite(s): ART 461
Recent Term(s) Offered: None

ART 470G  Sculpture  3 Hours
Sculptural problems. Introduction to metal casting using sand molds.
Prerequisite(s): ART 371
Recent Term(s) Offered: None

ART 471G  Sculpture  3 Hours
Sculptural problems. Introduction to the lost-wax method of casting.
Prerequisite(s): ART 371 and ART 372
Recent Term(s) Offered: None

ART 472G  Sculpture  3 Hours
Experience in solving problems met in professional practice.
Prerequisite(s): ART 471
Recent Term(s) Offered: None

ART 480G  Weaving  3 Hours
This course consists of creative research in the areas of double-weave, ikat, the use of indigenous fibers and other more complicated techniques.
Prerequisite(s): ART 381
Recent Term(s) Offered: None
ART 481G Weaving 3 Hours
This course provides for the development of special creative problems involving techniques investigated in ART 480.
Prerequisite(s): ART 480
Recent Term(s) Offered: None

ART 482G Weaving 3 Hours
This course involves advanced individual research in weaving.
Prerequisite(s): ART 481
Recent Term(s) Offered: None

ART 490G Special Problems 3-6 Hours
Independent course work done on an individual basis under the guidance of a selected faculty member.
Recent Term(s) Offered: None

ART 491G Special Studies 3 Hours
Independent course work done on an individual basis under the guidance of a selected faculty member.
Recent Term(s) Offered: None

ART 496G Studio Art Topic 3 Hours (repeatable max of 6 hrs)
Investigates different topics in art through process or technique in a studio practice.
Prerequisite(s): permission of instructor
Recent Term(s) Offered: spring 2017

ART 511 Independent Investigation/Art Education 3 Hours
Independent study in art curriculum and methodology, with emphasis on the literature, selected art history, and studio areas.
Recent Term(s) Offered: None

ART 512 Independent Investigation/Art Education 3 Hours
Independent study in art curriculum and methodology (including art history and studio). Emphasizes the use of surveys, observations, and experimental techniques.
Recent Term(s) Offered: None

ART 520 Ceramic Art 3 Hours
Advanced levels of clay forming techniques and clay glaze composition. Research in various phases of the ceramic process.
Recent Term(s) Offered: None

ART 540 Drawing 3 Hours
Independent study utilizing traditional methods of drawing. Students are encouraged to investigate and utilize new directions.
Course Fee: $50
Recent Term(s) Offered: None

ART 550 Printmaking 3 Hours
Independent study utilizing traditional methods of printmaking. Encourages the exploration of new directions in personal expression.
Recent Term(s) Offered: None

ART 560 Painting 3 Hours (repeatable max of 9 hrs)
Advanced aspects of painting, with emphasis on experimentation in different styles and on individualized approaches.
Course Fee: $50
Recent Term(s) Offered: None

ART 570 Sculpture 3 Hours
Independent study and experimentation in sculpture.
Recent Term(s) Offered: None

Astronomy (ASTR)

ART 580 Weaving 3 Hours
Individual study of weaving utilizing traditional and experimental techniques: the production of works that are highly individualistic and are of exhibition quality.
Recent Term(s) Offered: None

ART 590 Workshop in Arts and Humanities Education 3 Hours (repeatable max of 6 hrs)
Integrated arts and humanities curriculum development in P-12 settings.
Recent Term(s) Offered: None

ART 591 Investigation/Art History 3 Hours
Topics and approaches for special areas of interest. Emphasis on the traditional periods of art history.
Recent Term(s) Offered: summer 2017; summer 2018

ART 599 Thesis Research/Writing 1-6 Hours (repeatable max of 6 hrs)
Thesis research and writing directed by faculty committee.
Recent Term(s) Offered: None

Astronomy (ASTR)

ASTR 405G Astronomy for Teachers 3 Hours
Selected topics in astronomy for elementary and secondary teachers.
Recent Term(s) Offered: None

Biology (BIOL)

BIOL 400G Plant Physiology 4 Hours
A study of the general principles by which plants function. Three areas discussed are transport and translocation of water and solutes, metabolism with special emphasis on photosynthesis, and plant growth and development.
Recent Term(s) Offered: None

BIOL 403G Molecular Basis of Cancer 3 Hours
Biological and molecular features of oncogenesis and clinical cancer, focusing on specific molecular events underlying carcinogenesis, metastasis and angiogenesis. Case study learning will be integrated into the course to engage students in understanding the societal implications of cancer.
Recent Term(s) Offered: winter 2017; summer 2018

BIOL 404G Electron Microscopy 4 Hours
A course in the fundamentals of electron microscopy including basic theory, techniques for specimen preparation and photography, and operation of the electron microscope. Lecture, two hours; laboratory, four hours.
Course Fee: $20
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

BIOL 405G Aquatic Insect Diversity 2 Hours
The taxonomy and biology of the insects commonly encountered in freshwater habitats.
Recent Term(s) Offered: spring 2019
BIOL 407G  Virology  3 Hours
Study of bacterial, animal and plant viruses. Emphasis on the molecular aspects of replication, expression, regulation and pathogenesis.
Recent Term(s) Offered: spring 2017; spring 2019

BIOL 411G  Cell Biology  3 Hours
A lecture series emphasizing the morphological and chemical make-up of cells, the physical and chemical properties of the cell, and modern techniques for investigation of cellular functions.
Recent Term(s) Offered: spring 2017; summer 2017; spring 2018; spring 2019; summer 2019

BIOL 412G  Lab Cell Biology  1 Hour
A laboratory course correlated with BIOL 411G.
Course Fee: $20
Recent Term(s) Offered: spring 2019

BIOL 446G  Biochemistry I  3 Hours
Biochemical compounds and their role in metabolism.
Recent Term(s) Offered: spring 2017; summer 2017; fall 2018; winter 2019; summer 2019; fall 2019

BIOL 447G  Lab Biochemistry I  2 Hours
Selected experiments which illustrate biochemical principles. Five hours per week.
Course Fee: $35
Recent Term(s) Offered: fall 2019

BIOL 450G  Recombinant Gene Technology  3 Hours
Discovery-based laboratory emphasizing application of basic techniques to solve student-defined problems. Problems in characterization and expression of genetic material are explored. Laboratory, six hours.
Course Fee: $20
Recent Term(s) Offered: None

BIOL 456G  Ichthyology  4 Hours
Fishes of the world, their physiology, structure, behavior, and ecology. Emphasis on the collection and identification of freshwater species of Kentucky. Lecture, two hours; laboratory, four hours.
Recent Term(s) Offered: fall 2017; fall 2019

BIOL 457G  Lab Ichthyology  1 Hour
A laboratory course correlated with BIOL 456G.
Course Fee: $20
Recent Term(s) Offered: None

BIOL 459G  Mammalogy  3 Hours
Taxonomy, life history and ecology of the mammals. Laboratory work includes field studies and collection and study of specimens. Lecture two hours; laboratory two hours.
Recent Term(s) Offered: spring 2019

BIOL 460G  Parasitology  4 Hours
The morphology, physiology, life histories, control and economic significance of representative species. Lecture, two hours; laboratory, four hours.
Course Fee: $20
Recent Term(s) Offered: None

BIOL 464G  Endocrinology  3 Hours
Endocrinology is the study of hormones. This course will provide a general survey of endocrinology, with specific emphasis upon the physiology of the endocrine system among different vertebrate groups, including humans.
Recent Term(s) Offered: fall 2017; fall 2019

BIOL 467G  Biochemistry II  3 Hours
The reactions of living systems and an introduction to the mechanisms and energetics of metabolism. Lecture.
Recent Term(s) Offered: None

BIOL 470G  Pathogenic Microbiology  4 Hours
A study of the organisms causing disease with emphasis on bacteria. Includes pathogenic bacteria, viruses, rickettsiae, fungi and protozoa. Lecture, two hours; laboratory, four hours.
Recent Term(s) Offered: None

BIOL 472G  Applied and Environmental Microbiology  4 Hours
The study of the roles of microorganisms in food preservation, fermentation, spoilage and food intoxication. Production of microbial products of industrial interest; application of modern microbiological techniques to industrial processes; interrelationships between micro-organisms and their environment.
Recent Term(s) Offered: None

BIOL 475G  Pathogenic Microbiology (repeatable max of 6 hrs)
Significant problems and developments of current interest in biology.
Recent Term(s) Offered: None

BIOL 485G  Field Biology  1-4 Hours
An intensive field experience on a biological or ecological topic.
Recent Term(s) Offered: summer 2018

BIOL 490G  Plants as Alternative Therapeutics  3 Hours
An exploration of plants used in traditional systems of medicine with emphasis on their pharmacological implications as evidenced in modern clinical research. The therapeutic actions of phytochemicals, and other different human illnesses (cardiovascular, gastrointestinal, respiratory, autoimmune psychosomatic disorders; cancer, AIDS, skin diseases, etc.) will be examined.
Recent Term(s) Offered: summer 2017; summer 2018; summer 2019

BIOL 495G  Molecular Genetics  3 Hours
A study of the molecular basis of genetics and heredity of prokaryotic and eukaryotic organisms.
Recent Term(s) Offered: fall 2017; fall 2018; summer 2019; fall 2019

BIOL 496G  Plant Biotechnology  4 Hours
A course designed to illustrate the current advances in plant biotechnology and their potential application in agriculture, health and environment.
Recent Term(s) Offered: spring 2017
BIOL 497G Aquatic Field Ecology 4 Hours
An integrated study of aquatic ecosystem structure and function emphasizing the physical and chemical properties of water and application of biological field methods. This course requires off-campus and overnight travel.
Course Fee: $20
Recent Term(s) Offered: fall 2018

BIOL 500 Introduction to Graduate Studies and Research in Biology 3 Hours
Introduction to research techniques and experimental design, with an emphasis on on-going research at WKU. Also includes an introduction to research-related resources at WKU.
Recent Term(s) Offered: spring 2017; fall 2017; spring 2018; fall 2018; spring 2019; fall 2019

BIOL 501 Biological Perspectives 3-4 Hours
Designed to acquaint graduate students with advances in the biological sciences and practical applications of biological principles. Lecture, three hours; or lecture, three hours, laboratory, two hours.
Recent Term(s) Offered: spring 2017

BIOL 503 Contemporary Research/Biology 1 Hour
Participants will present a research article on a topic of their choice to the class. A critical appraisal of the research approach, methods, results and interpretation of results will be stressed. Requires participation in critical discussions of all presentations. The course may be taken as often as wished but only once for credit toward a degree program.
Restriction(s): Enrollment is limited to students in Biology for Teacher Leaders (0442) , Biology (0493) or Biology (056)
Recent Term(s) Offered: fall 2017; spring 2018; spring 2019; fall 2019

BIOL 505 Aquatic Insect Ecology 2 Hours
Ecological functions, evolutionary adaptations, and indicators of environmental quality of aquatic insects.
Recent Term(s) Offered: None

BIOL 506 Environmental Seminar 1 Hour (repeatable max of 3 hrs)
Designed for future environmental practitioners, this course will provide real world examples of environmental jobs and research projects. The course will impart a broad understanding of environmental science from a multi-disciplinary perspective. Required for the MS Environmental Science emphasis degrees.
Recent Term(s) Offered: None

BIOL 507 Science Concepts for Elementary Teachers 3 Hours
This course provides basic background to the KY Core Contents in science that elementary teachers are required to teach along with discipline-specific strategies and best-practices that can be implemented in the classroom. National Boards "Big Ideas", inquiry learning and implementation of math and science will be integrated into this course to provide beginning teachers the tools necessary to conduct dynamic science classes.
Course Fee: $20
Recent Term(s) Offered: None

BIOL 515 Advanced Ecology 3 Hours
Essential dynamic features of plant and animal populations. Covers the theoretical and empirical aspects of single populations, or pairs of interacting populations, and of whole communities.
Recent Term(s) Offered: spring 2019

BIOL 516 Investigations/Biology 1-3 Hours (repeatable max of 3 hrs)
Research project completed under faculty supervision. Not applicable to MS thesis option. Note: Permission of research project director required.
Recent Term(s) Offered: spring 2017; fall 2017; summer 2018; fall 2018; spring 2019; fall 2019

BIOL 518 Population Ecology 2 Hours
Investigation of the theories and models used to describe and predict populations. Includes applications in population projection and harvesting, as well as two-species interactions.
Prerequisite(s): permission of instructor
Recent Term(s) Offered: spring 2018

BIOL 519 International Wildlife Management and Policy 2 Hours
Exploration of the major wildlife management models used in various countries, emphasizing North America, Europe and Africa. Economic ramifications of these models and international treaty obligations relating to the wildlife trade are investigated.
Prerequisite(s): permission of instructor
Recent Term(s) Offered: summer 2018; winter 2019

BIOL 522 Biological Systematics 3 Hours
Study of systematic theory and practice with a focus on current controversies. Taxonomic methods will be evaluated with an emphasis upon the use of taxonomic tools to reconstruct evolutionary relationships.
Prerequisite(s): permission of instructor
Recent Term(s) Offered: spring 2018

BIOL 523 Biological Symbioses and Host-Parasite Associations 3 Hours
Exploration of biological symbioses, emphasizing patterns and processes of biological coevolution. Host-parasite systems are explored in detail, with a focus on classic and current coevolutionary and cospeciation systems.
Recent Term(s) Offered: fall 2018

BIOL 524 Evolution and Ecological Genetics 3 Hours
Advanced treatment of natural selection as a mechanism of evolution. Interaction of ecological, behavioral and genetic systems in driving evolutionary change at various levels of organization is emphasized.
Recent Term(s) Offered: spring 2017; spring 2019

BIOL 526 Physiological Ecology 3 Hours
Study of the physiological adaptations of organisms that enhance their survival and/or permit them to exploit extreme environments.
Recent Term(s) Offered: spring 2017; spring 2019

BIOL 527 Advanced Vertebrate Functional Morphology 3 Hours
Examine mechanistic designs underlying organismal morphology, physiology driving designs, and behaviors that impact function. Topics include comparative anatomy, adaptation, ecomorphology, ecophysiology, biological application of mechanical engineering principles, and organismal performance.
Recent Term(s) Offered: None

BIOL 530 Animal Behavior 4 Hours
A comparative approach to a study of the current understanding of physiological mechanisms involved at the organismal level in transducing environmental input into adaptive behavioral output.
Recent Term(s) Offered: None
BIOL 532  Behavioral Ecology  3 Hours
An investigation of animals in reference to their evolution and interactions with others emphasizing behavior related to their survival and reproduction in a natural context.
Recent Term(s) Offered: fall 2017; summer 2019; fall 2019

BIOL 533  Behavioral Ecology Laboratory  2 Hours
A field and laboratory investigation of the methodology to study the actions of animals in reference to their evolution, environment and interactions with other organisms.
Recent Term(s) Offered: fall 2017

BIOL 534  Chemical Ecology  3 Hours
The study of chemical ecology emphasizes the concepts and evolution of chemical signals, the methods for identification, the mechanisms by which such signals act, their functions and applications.
Recent Term(s) Offered: fall 2018

BIOL 535  Analytical Biochemistry  3 Hours
An overview of the science of modern analytical and instrumental techniques with emphasis on techniques relevant to measurements in biochemistry and biology.
Equivalent(s): CHEM 535
Recent Term(s) Offered: spring 2018

BIOL 543  Environmental Science Concepts  3 Hours
Explores the inter-relationship among the science and technical disciplines that contribute to our understanding of the environment as a whole. Introduces research methods and core environmental science concepts. Prepares students to examine environmental science questions with an interdisciplinary outlook.
Recent Term(s) Offered: summer 2017; winter 2018; winter 2019

BIOL 545  Animal Communication  3 Hours
An investigation of the principles and mechanisms by which animals produce and receive signals for each sensory modality (sound detection, vision, chemoreception, and electoreception).
Recent Term(s) Offered: summer 2017; winter 2018; winter 2019

BIOL 550  Introduction to Biological Applications in Homeland Security  3 Hours
An introductory course in biological principals for students in Homeland Security with a limited biology background. Topics include cell structure/function, cellular information and energy flow, immune function, cellular and population genetics.
Recent Term(s) Offered: None

BIOL 552  Biological Applications in Homeland Security I  3 Hours
An advanced study of biological phenomena relevant to Homeland Security Concerns. Focus on the recognized groups of pathogenic organisms to human and selected crops. Topics to be covered are types of pathogens, pathogenicity and virulence, control and detection, and dispersal mechanisms. Immune response to infectious disease will be covered in depth with special attention toward understanding the functionality of the antibody.
Prerequisite(s): BIOL 550 or permission of instructor
Corequisite(s): BIOL 553
Recent Term(s) Offered: None

BIOL 553  Laboratory: Biological Applications in Homeland Security I  1 Hour (repeatable max of 3 hrs)
The laboratory will provide students with knowledge in laboratory safety and manipulation, identification, and enumeration of microbial and viral cultures.
Prerequisite(s): BIOL 550
Corequisite(s): BIOL 552
Recent Term(s) Offered: None

BIOL 555  Laboratory: Biological Applications in Homeland Security II 1 Hour (repeatable max of 3 hrs)
The laboratory will provide students with knowledge in laboratory immunological methodologies and analytical methods in DNA forensics.
Prerequisite(s): (BIOL 552 and BIOL 553) or permission of instructor
Corequisite(s): EOHS 572
Recent Term(s) Offered: None

BIOL 560  Advanced Cell Biology  3 Hours
Lecture-discussion course designed to understand structure and function of differentiated cells of multicellular organisms. Textbook readings, review articles and current research papers will be incorporated into lectures and discussions.
Recent Term(s) Offered: fall 2017; summer 2019; fall 2019

BIOL 561  Human Parasitology  3 Hours
Course will emphasize the major parasitic pathogens and parasitic diseases of humans through lectures, case studies, digital images, and discussion of scientific literature.
Restriction(s): Enrollment is limited to students in Biology for Teacher Leaders (0442) or Biology (056)
Recent Term(s) Offered: None

BIOL 562  Advanced Biochemistry  3 Hours
Survey of biochemical research areas where significant advances have been made in recent years. Textbook readings, review articles and current research papers will be incorporated into lectures and discussions.
Equivalent(s): CHEM 562
Recent Term(s) Offered: fall 2018

BIOL 566  Advanced Molecular Genetics  3 Hours
Consideration of the molecular mechanisms for replication, gene expression and regulation of development.
Recent Term(s) Offered: spring 2018; spring 2019

BIOL 568  Advanced Microbiology  3 Hours
Study of microbial metabolic and genetic diversity, phylogeny and evolution, and ecology, including a consideration of research methodologies applicable to microorganisms. Lecture, three hours; laboratory, two hours.
Recent Term(s) Offered: fall 2018

BIOL 569  Professional Work/Career Experience in Biology  1-3 Hours (repeatable max of 3 hrs)
Practical experience in a supervised work situation with a cooperative business, industry, non-governmental, or governmental agency, emphasizing application of advanced knowledge and skills in specified areas of biology.
Recent Term(s) Offered: None
BIOL 570 Advanced Immunology 3 Hours
Cellular, biochemical, and molecular mechanisms of the immune response of multicellular organisms. Emphasis is on current scientific literature in the field.
Recent Term(s) Offered: None

BIOL 577 Advanced Marine Biology 3 Hours
Marine organisms are examined within a framework of basic biological principles and processes that are fundamental to all forms of life in the sea, including evolution, ecology, biodiversity, biogeography, behavior, and physiology.
Recent Term(s) Offered: None

BIOL 579 Mechanistic Toxicology 3 Hours
A course that examines how toxic substances interact with living organisms, while integrating aspects of biochemistry, anatomy and physiology, ecology, and health. Emphasis is placed on the effects of xenobiotics on human systems, particularly the mechanisms of action, detoxification and adverse effects on target organs.
Recent Term(s) Offered: summer 2019

BIOL 582 Biometry 3 Hours
Application of statistical and techniques to problems in biological sciences. Emphasis is placed on hypothesis testing, use of linear models, randomization techniques, and non-parametric methods.
Recent Term(s) Offered: fall 2018

BIOL 583 Advanced Biostatistics 3 Hours
Advanced analysis of biological data, including multivariate methods, multiple model inference, and Monte Carlo methods.
Prerequisite(s): BIOL 582
Recent Term(s) Offered: fall 2019

BIOL 587 Environmental Law, Regulations, and Policy 3 Hours
An introduction to major environmental legislation for air, water, toxic and hazardous pollutants, and related legislative, administrative, and judicial developments. A broad overview of legal practices focused on specific regulatory programs.
Recent Term(s) Offered: None

BIOL 598 Graduate Seminar 2 Hours
Oral presentation on selected topics in biology.
Recent Term(s) Offered: spring 2017; fall 2017; spring 2018; summer 2018; fall 2018; spring 2019; fall 2019

BIOL 599 Thesis Research/Writing 1-6 Hours (repeatable max of 9 hrs)
The thesis research and writing directed by faculty committee.
Recent Term(s) Offered: spring 2017; summer 2017; fall 2017; spring 2018; summer 2018; fall 2018; spring 2019; summer 2019; fall 2019

BIOL 600 Maintaining Matriculation 1-6 Hours (repeatable max of 6 hrs)
Continued enrollment for thesis completion.
Recent Term(s) Offered: spring 2017; spring 2018; summer 2018

BIOL 601 Internship in College Instruction 1 Hour (repeatable max of 2 hrs)
Designed for prospective teachers of biology. Staff direction in preparing and giving lectures. Includes analyses of presentation and techniques.
Recent Term(s) Offered: None

BIOL 675 Independent Advanced Topics/Biology 1-3 Hours (repeatable max of 6 hrs)
Selected topics in Biology.
Recent Term(s) Offered: spring 2017; fall 2017; spring 2018; fall 2018; spring 2019

Brewing and Distilling Arts & Sciences (BDAS)

BDAS 500 The Science of Fermentation in Brewing and Distilling 3 Hours
Introduction to the basic scientific principles that govern the fermentation process, with particular application to brewing and distilling.
Recent Term(s) Offered: spring 2019

BDAS 595 Brewing/Distilling Internship 3-6 Hours (repeatable max of 6 hrs)
On-site experience in a brewery or distillery, conducted under the supervision of the program coordinator and local personnel. Experience could include, but is not limited to, brewing, distilling, marketing, management, or other industry-related work.
Prerequisite(s): permission of instructor
Recent Term(s) Offered: None

Business Administration (BA)

NOTE: BA courses offered through the Online MBA program may include higher course fees.

BA 500 Management Dynamics 3 Hours
An introduction to organizational analysis and to the understanding and management of behavior in organizations.
Prerequisite(s): COBA Course Eligibility with a score of 5
Course Fee: $60
Recent Term(s) Offered: None

BA 501 Survey of Economic Theory 3 Hours
An overview of basic concepts in micro and macroeconomics. Topics include price and output decisions, cost concepts, aggregate income, the price level, and related areas.
Prerequisite(s): COBA Course Eligibility with a score of 5
Equivalent(s): ECON 501
Course Fee: $60
Recent Term(s) Offered: None

BA 502 MBA Foundation Modules 4.5 Hours
Preparatory course covering the eight foundational areas required to take courses in the MBA program. Course is offered in a self-paced, online independent learning format. Note: Approval through MBA office required.
Recent Term(s) Offered: spring 2017; summer 2017; fall 2017; spring 2018; summer 2018; fall 2018; spring 2019; summer 2019; fall 2019

BA 503 Information Systems and Decision Science 3 Hours
A survey of management information systems concepts and decision science theory. Emphasis on using information systems and decision support models to enhance managerial decision making.
Prerequisite(s): COBA Course Eligibility with a score of 5
Course Fee: $60
Recent Term(s) Offered: None
BA 504 MBA Foundation Modules Pt 1 1.5 Hour
Preparatory course (first of a three part series) of the foundational areas in the MBA program. Course is offered in a self-paced, online independent learning format.
Recent Term(s) Offered: spring 2017; summer 2017; fall 2017; spring 2018; summer 2018; fall 2018

BA 505 Survey of Accounting Principles 3 Hours
Prerequisite(s): COBA Course Eligibility with a score of 6
Course Fee: $60
Recent Term(s) Offered: None

BA 506 MBA Foundation Modules Pt 2 1.5 Hour
Preparatory course (second of a three part series) of the foundational areas in the MBA program. Course is offered in a self-paced, online independent learning format.
Recent Term(s) Offered: spring 2017; summer 2017; fall 2017; spring 2018; summer 2018; fall 2018

BA 508 MBA Foundation Modules Pt 3 1.5 Hour
Preparatory course (third of a three part series) of the foundational areas in the MBA program. Course is offered in a self-paced, online independent learning format.
Recent Term(s) Offered: spring 2017; summer 2017; fall 2017; spring 2018; summer 2018; fall 2018

BA 510 Advanced Organizational Behavior 3 Hours
Contemporary theory and research on organizational structure and design that has relevance for practical problems of designing and managing organizations.
Prerequisite(s): COBA Course Eligibility with a score of 6 and (BA 500 or equivalent)
Course Fee: $60
Recent Term(s) Offered: spring 2017; fall 2017; fall 2018; spring 2019; fall 2019

BA 511 Applied Micro Economic Theory 3 Hours
Fundamental concepts of firm analysis, public policy, and individual decisions. Critical thinking applied to topics like supply and demand, revenue and costs, pricing, and information and uncertainty.
Prerequisite(s): COBA Course Eligibility with a score of 6
Equivalent(s): ECON 502
Course Fee: $60
Recent Term(s) Offered: spring 2017; fall 2017; spring 2018; summer 2018; fall 2018; spring 2019; fall 2019

BA 512 Business Analysis and Research Methods 3 Hours
An applications-oriented course designed to help students envision, design, conduct, interpret, and report statistically oriented analyses applicable to managerial decision making. Topics such as the design of data generation, modeling, regression, process control and evaluation, and survey errors will be covered.
Prerequisite(s): COBA Course Eligibility with a score of 6
Course Fee: $60
Recent Term(s) Offered: None

BA 513 Information Technology & Data Analytics 3 Hours
Critical thinking in strategic uses of business intelligence, resources (computers, software, data/information, and people), and innovations in effective data analysis techniques. Issues in ethical use of data, teamwork and leadership included.
Prerequisite(s): COBA Course Eligibility with a score of 6 and (BA 503 or equivalent)
Course Fee: $60
Recent Term(s) Offered: spring 2017; fall 2017; spring 2018; spring 2019; fall 2019

BA 515 Managerial Accounting 3 Hours
A review of the managerial accounting concepts and techniques used by managers in planning, performance evaluation, and decision making. Emphasis on the application of concepts and techniques in the analysis of cases.
Prerequisite(s): COBA Course Eligibility with a score of 6 and (BA 500 or equivalent)
Course Fee: $60
Recent Term(s) Offered: summer 2017; fall 2017; spring 2018; fall 2018; fall 2019

BA 517 Advanced Marketing 3 Hours
Analysis and application of marketing principles, policies, and operations. Course focuses on marketing strategy and planning, the development of solutions, and ethical decision-making.
Prerequisite(s): COBA Course Eligibility with a score of 6
Course Fee: $60
Recent Term(s) Offered: spring 2017; spring 2018; fall 2018; spring 2019; fall 2019

BA 519 Advanced Managerial Finance 3 Hours
How corporate entities make investment, financing, and dividend decisions maximizing shareholder wealth. Case studies and critical thinking on topics like corporate governance/ethics, shareholder analysis, and risk and return.
Prerequisite(s): COBA Course Eligibility with a score of 6
Course Fee: $60
Recent Term(s) Offered: spring 2017; fall 2017; spring 2018; summer 2018; spring 2019; fall 2019

BA 520 Critical Thinking and Business Ethics 3 Hours
A study of contemporary ethical issues facing leaders. Emphasis is placed on examining analyzing issues for sound solutions from a variety of perspectives, some grounded in business, some grounded in the Liberal Arts. Students will examine ideas and cases from the business world and gain practice in the application of a variety of approaches to problem solving. Additionally, the responsibilities of business corporations and executives to shareholders and other constituencies will be explored.
Restriction(s): Enrollment is limited to students in Business Administration (057) or Organizational Leadership (1723)
Course Fee: $320
Recent Term(s) Offered: None
BA 534  Electronic Commerce  3 Hours
Focusses on the current issues of performing business electronically. Topics include web page development, the Internet as an infrastructure, electronic payments and funds transfer, on-line advertising, mobile computing and security issues.
Prerequisite(s): COBA Course Eligibility with a score of 6 and (BA 503 or equivalent)
Course Fee: $60
Recent Term(s) Offered: None

BA 535  International Accounting Issues for Management Decision Making  3 Hours
A comprehensive examination from a user perspective of current issues in international accounting and financial reporting.
Prerequisite(s): BA 505 or equivalent
Recent Term(s) Offered: None

BA 536  Metrics in Sustainability  1.5 Hour
Provides an understanding and experience with the processes for identifying and implementing sustainability goals, indicators and metrics in business operations. Explores metrics in the financial, environmental and social aspects of sustainability through approaches such as readings, cases, analysis, and lectures. Focuses on concepts such as triple bottom line, full cost analysis, life cycle assessment, systems-thinking, and carbon foot-printing.
Course Fee: $60
Recent Term(s) Offered: None

BA 537  Sustainability & Social Entrepreneurism  1.5 Hour
Combines the resourcefulness of traditional entrepreneurship with a mission to change society. Offers insights that may stimulate ideas for more socially acceptable and sustainable business strategies and organizational structure.
Course Fee: $60
Recent Term(s) Offered: None

BA 540  Applied Statistical Methods  3 Hours
Introduction to applied statistics for decision making and research including analysis of variance, process control, experimental design, regression, and forecasting, as well as useful software and data sources.
Prerequisite(s): COBA Course Eligibility with a score of 5
Equivalent(s): ECON 506
Course Fee: $60
Recent Term(s) Offered: None

BA 542  International Economics  3 Hours
Survey of trade theory and evidence, status and effects of tariffs and other trade restrictions, and balance of payment issues.
Prerequisite(s): COBA Course Eligibility with a score of 6
Course Fee: $60
Recent Term(s) Offered: spring 2019

BA 543  Forecasting  3 Hours
Methods of forecasting changes in the U.S. economy and other economic units. Emphasis on application and evaluation of different techniques.
Prerequisite(s): COBA Course Eligibility with a score of 6 and (BA 540 or ECON 506)
Equivalent(s): ECON 594
Course Fee: $60
Recent Term(s) Offered: None

BA 544  Labor and Human Resources Economics  3 Hours
Study of static and dynamic models of labor demand, supply, and human capital investment.
Prerequisite(s): COBA Course Eligibility with a score of 6
Equivalent(s): ECON 595
Course Fee: $60
Recent Term(s) Offered: None

BA 545  Survey of Business Sustainability Issues  3 Hours
Survey course exploring the definition of and key issues concerning business sustainability. Provides overview of regulations regarding issues of sustainability as applied to business organizations. Introduces international standards and other global issues of sustainability which affect businesses. Explores compliance approaches, important metrics and best practices businesses use in addressing sustainability issues. Discussion of political, environmental, other pressures surrounding these issues especially as related to current and future standards, regulations, and best business practices. Corporate social responsibility.
Course Fee: $60
Recent Term(s) Offered: spring 2017; fall 2017; fall 2018

BA 546  Sustainable Business Operations  3 Hours
Exploration and development of definitions of sustainability and sustainable operations. The value chain perspective is taken to implement sustainability measures and different motivations for companies to engage in sustainable efforts.
Course Fee: $60
Recent Term(s) Offered: spring 2017; spring 2018; fall 2018; spring 2019; summer 2019; fall 2019

BA 547  Sustainability, Innovation, and Entrepreneurship  3 Hours
An examination of the impact of sustainability on global forces that are restructuring the world economy and driving opportunities for related new entrepreneurial ventures in that context.
Course Fee: $60
Recent Term(s) Offered: summer 2017; spring 2019; summer 2019; fall 2019

BA 548  Sustainability Marketing  3 Hours
This course integrates marketing fundamentals with the environmental, social, and economic principles of sustainability. In this course, students analyze current sustainability trends that influence marketing applications and the influences of marketing on sustainability trends.
Course Fee: $60
Recent Term(s) Offered: summer 2018

BA 551  Investments and Portfolio Management  3 Hours
A comprehensive examination of investment opportunities with emphasis on the risk-return relationships, economic and market forces affecting financial markets, security valuation and analysis, and portfolio formation and management.
Prerequisite(s): COBA Course Eligibility with a score of 6
Restriction(s): Enrollment is limited to students in Business Administration (057)
Course Fee: $60
Recent Term(s) Offered: summer 2017; summer 2018; summer 2019

BA 552  International Financial Management  3 Hours
The focus of the course is on financial decision making in the international context. Topics covered include environment of international financial management, foreign exchange risk management, foreign investment analysis, financing foreign operations, and international tax management.
Recent Term(s) Offered: None
BA 560  Contemporary Human Resources Management  3 Hours
An advance course focusing on the current critical issues of human
resource management. Includes discussions on recruitment and
selection techniques, performance appraisals, training and development,
compensation, labor relations, occupational safety, and employee rights.
Prerequisite(s): COBA Course Eligibility with a score of 6
Course Fee: $60
Recent Term(s) Offered: spring 2017; spring 2019

BA 571  Services Marketing  3 Hours
Focuses on the marketing of intangible products by discussing strategic
implications for marketing mixes (product, price, place, and promotion)
and consumer perceptions and expectations.
Prerequisite(s): COBA Course Eligibility with a score of 6
Course Fee: $60
Recent Term(s) Offered: None

BA 572  Consumer Behavior  3 Hours
Examines theories and concepts associated with consumer decision
making for products and services. Emphasis placed on the development
of marketing strategies which will satisfy consumer wants and needs.
Prerequisite(s): COBA Course Eligibility with a score of 6
Course Fee: $60
Recent Term(s) Offered: None

BA 573  International Business  3 Hours
Institutions, organizations, and procedures of international business.
Emphasizes problems and decision-making techniques.
Course Fee: $320
Recent Term(s) Offered: None

BA 579  Supply Chain Management  3 Hours
Integrates an organization's operations planning and control with
suppliers and distributors through sharing information, managerial and
technical talents.
Prerequisite(s): COBA Course Eligibility with a score of 6 and BA 503 and
(BA 506 or BA 540)
Recent Term(s) Offered: None

BA 580  Contemporary Issues in Business  1-3 Hours (repeatable max
of 6 hrs)
Emphasizes issues pertinent to an understanding of today's business
environment. Topics embrace the cross-functional, global, and technical
aspects of business.
Prerequisite(s): COBA Course Eligibility with a score of 6
Course Fee: $60
Recent Term(s) Offered: spring 2017; summer 2017; fall 2017; spring 2018;
summer 2018; fall 2018; spring 2019; fall 2019

BA 590  Strategic Business Concepts and Applications  3 Hours
Concepts and business strategies focusing on viewing the organization
as an integrated whole. Use of Integrated Management Exercises
(IMEs) involving student teams working on a business simulation or
actual business project aimed at challenges and opportunities facing a
business.
Prerequisite(s): COBA Course Eligibility with a score of 6
Course Fee: $60
Recent Term(s) Offered: summer 2017; spring 2018; summer 2018; spring
2019; summer 2019

BA 592  Special Topics in Business  3 Hours (repeatable max of 9 hrs)
Emphasizes special topics in business.
Prerequisite(s): COBA Course Eligibility with a score of 6
Course Fee: $60
Recent Term(s) Offered: winter 2017; summer 2017; spring 2018; summer
2018; fall 2018; spring 2019; summer 2019; fall 2019

BA 595  Internship for MBA  1-3 Hours (repeatable max of 3 hrs)
Supervised work situation with cooperating business, industry, social
or governmental agency, emphasizing the application of advanced
knowledge, research, and skills in a specific field of business. Note:
Requires the approval of the MBA Advisor
Recent Term(s) Offered: None

BA 751  Strategic Leadership  3 Hours
This course is designed to improve understanding of strategic planning,
implementation, and performance measurements in public and nonprofit
organizations. Although they have been adopted from a business sector
model, strategic planning and management have become the standard
practice of public and nonprofit organizations as a critical tool to reinvent,
restructure, and transform the traditional ways of doing business.
Students will explore the benefits and limitations of strategic planning
and management in the context of public and nonprofit organizations,
the role of organizational leaders as a key player in strategic management,
managing stakeholders, assessing the organizational capacities as well
as the external environments, and identifying the adopting strategies.
Restriction(s): Enrollment is limited to students in Educational
Leadership (0010)
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

BA 752  Leading Innovation, Creativity and Change  3 Hours
This course is geared towards developing a better understanding of the
challenges, techniques, burden, and successes associated with initiating
and implementing major changes within organizations. Therefore, the
objective of the course is to prepare leaders to meet the challenges of
organizational change. The theoretical concepts and practice of leading
change in organizational, community, political and social action/social
movement contexts are examined. Explicitly links theoretical concepts,
models and processes of leadership and change with the intended
purpose of change and its resulting outcomes.
Restriction(s): Enrollment is limited to students in Educational
Leadership (0010)
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019

BA 753  Current Topics in Organizational Behavior  3 Hours
This seminar course extends the material introduced in Leadership
710. Students will examine the many principles of human behavior
that effective leaders use when leading individuals and groups in
organizations. Current research relating to individual differences in
abilities and attitudes, attribution, motivation, group dynamics, power
and politics, conflict resolution, organizational culture, and organizational
structure and design will be examined.
Restriction(s): Enrollment is limited to students in Educational
Leadership (0010)
Recent Term(s) Offered: summer 2017; summer 2018; summer 2019
BA 754  Budgeting and Financial Decision Making  3 Hours
This course is designed to improve understanding of strategic planning, implementation, and performance measurements in public and nonprofit organizations. Although they have been adopted from a business sector model, strategic planning and management have become the standard practice of public and nonprofit organizations as a critical tool to reinvent, restructure, and transform the traditional ways of doing business. Students will explore the benefits and limitations of strategic planning and management in the context of public and nonprofit organizations, the role of organizational leaders as a key player in strategic management, managing stakeholders, assessing the organizational capacities as well as the external environments, and identifying the adopting strategies.
Restriction(s): Enrollment is limited to students in Educational Leadership (0010)
Recent Term(s) Offered: None

Chemistry (CHEM)
CHEM 412G  Introduction to Physical Chemistry  5 Hours
Chemical principles involved in thermodynamics, kinetics, molecular structure, and other topics using biological examples. Specifically for secondary education students and those students not qualifying for the CHEM 450/452 sequence. Lecture, 3 hours; lab, 2 hours. Lab meets 4 + hours per week.
Restriction(s): Students cannot enroll who are in Chemistry (059)
Course Fee: $35
Recent Term(s) Offered: None
CHEM 420G  Inorganic Chemistry  3 Hours
Atomic and molecular structure, bonding theory, ionic substances, electron deficient compounds, acid-base theory and coordination chemistry.
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019
CHEM 421G  Inorganic Chemistry Laboratory  1 Hour
A laboratory course emphasizing the synthesis and characterizing of inorganic compounds of main group and transition metals. Laboratory meets once a week for three hours.
Corequisite(s): CHEM 420G
Recent Term(s) Offered: spring 2017
CHEM 425G  Polymer Chemistry  4 Hours
The principles of polymer chemistry. Lecture topics include molecular weights, morphology, mechanisms, kinetics, characterization, and uses of polymers by free radical and ionic methods in their characterization by thermal analysis, spectroscopy, viscometry, and chromatography.
Course Fee: $35
Recent Term(s) Offered: None
CHEM 430G  Forensic Chemistry  3 Hours
Methods and instrumentation used in the crime laboratory and in the medical technology laboratory. Topics include drugs, blood enzymes, organic and inorganic analysis, etc.
Course Fee: $35
Recent Term(s) Offered: spring 2017; spring 2019
CHEM 435G  Instrumental Analysis  3 Hours
Modern instrumental methods of analysis including spectroscopic, electroanalytical and chromatographic techniques.
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019
CHEM 446G  Biochemistry  3 Hours
A study of biochemical compounds and their role in intermediary metabolism. Special topics include biochemical energetics and coenzyme mechanisms.
Recent Term(s) Offered: fall 2017; spring 2018; summer 2018; fall 2018; spring 2019; summer 2019; fall 2019
CHEM 447G Lab Biochemistry 2 Hours
A basic laboratory study involving selected experiments which illustrate biochemical principles including separation, identification and chemical properties of carbohydrates, lipids, proteins and enzymes.
Corequisite(s): CHEM 446G
Course Fee: $35
Recent Term(s) Offered: fall 2017; spring 2018; fall 2018; fall 2019

CHEM 450G Physical Chemistry I 3 Hours
A study of theoretical chemistry, including such as gaseous state, solid state, liquid state, thermodynamics, thermochemistry and phase and chemical equilibria.
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

CHEM 451G Lab Physical Chemistry I 2 Hours
A laboratory to accompany CHEM 450G and includes experiments on state of matter, surface phenomena, macromolecules, thermochemistry, thermodynamics and equilibria. Pre-lab lecture and laboratory meets four and one-half hours per week.
Corequisite(s): CHEM 450G
Course Fee: $50
Recent Term(s) Offered: None

CHEM 452G Physical Chemistry II 3 Hours
A continuation of CHEM 450G including studies of kinetics, atomic and molecular structure, theory of chemical bonding, electromotive force and selected topics.
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019

CHEM 453G Lab Physical Chemistry II 2 Hours
A laboratory to accompany CHEM 452G and includes experiments on chemical kinetics, spectroscopy, molecular structure, electrochemistry and mass spectroscopy. Pre-lab lecture and laboratory meets four and one-half hours per week.
Corequisite(s): CHEM 452G
Course Fee: $50
Recent Term(s) Offered: None

CHEM 462G Bioinorganic Chemistry 3 Hours
This course is a study of the coordinating properties and reactivity of metal ions in living organisms. Metal ion toxicity and detoxification systems and functions of various metalloenzymes will be discussed.
Recent Term(s) Offered: None

CHEM 467G Biochemistry 3 Hours
A study of the reactions of living systems and an introduction to the mechanisms and energetics of metabolism.
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019

CHEM 470G Chemistry/Middle School 2-4 Hours
Chemical theories and principles in the middle school science curricula. (elective credit only)
Recent Term(s) Offered: None

CHEM 475G Selected Topics in Chemistry 1-3 Hours (repeatable max of 6 hrs)
Topics in analytical, biochemical, coal, inorganic, organic, physical and polymer chemistry.
Recent Term(s) Offered: summer 2018

CHEM 476G Advanced Laboratory Investigations in Chemistry 2 Hours
A course for advanced students involving assigned laboratory work in the field of inorganic chemistry. Typical procedures and experiments are those involving the synthesis, characterization, and identification of various chemical compounds, using a variety of handling techniques, and the application of various physical methods.
Course Fee: $50
Recent Term(s) Offered: None

CHEM 490G Materials Chemistry 3 Hours
A study of the three major classes of materials, metals, polymers, and ceramics. Topics discussed will include chemical composition, bonding, common chemical and physical properties, microstructures, and how processing and uses are affected by chemical and physical properties.
Recent Term(s) Offered: None

CHEM 491G Materials Chemistry Laboratory 3 Hours
A laboratory course in materials that includes experiments on liquid flow, solid deformation, thermal properties, electrical conductivity of materials, microscopy, diffraction techniques, processing and testing of shaped articles.
Recent Term(s) Offered: None

CHEM 516 Chemical Literature Review 1-3 Hours
Review of chemical literature on topics of individual interest. Includes reports and proposals for further research.
Recent Term(s) Offered: spring 2017; fall 2017; spring 2018; fall 2018; spring 2019; fall 2019

CHEM 520 Advanced Inorganic Chemistry 3 Hours
Various aspects of coordination chemistry.
Recent Term(s) Offered: fall 2018

CHEM 531 Advanced Analytical Chemistry 3 Hours
Survey of selected topics in modern instrumental methods of chemical analysis. Includes instrumental techniques not covered in CHEM 435.
Recent Term(s) Offered: spring 2017; spring 2018

CHEM 535 Analytical Biochemistry 3 Hours
An overview of the science of modern analytical and instrumental techniques with particular emphasis on techniques relevant to measurements in biochemistry and biology.
Prerequisite(s): (CHEM 446G or CHEM 446) or (BIOL 446G or BIOL 446) or permission of instructor
Equivalent(s): BIOL 535
Recent Term(s) Offered: spring 2018

CHEM 540 Organic Reactions 3 Hours
An advanced discussion of organic synthesis, including modern synthetic methods used to make targeted compounds in systematic ways.
Recent Term(s) Offered: fall 2019

CHEM 541 Advanced Organic Chemistry 3 Hours
Modern physical-organic chemistry including bonding, stereochemistry, reaction mechanisms, concerted reactions, photo-chemistry, and free-radical reactions.
Recent Term(s) Offered: spring 2017; spring 2019

CHEM 550 Advanced Physical Chemistry 3 Hours
Covers thermodynamics, kinetics and molecular structure in preparation for graduate study or research.
Recent Term(s) Offered: fall 2017; spring 2019
CHEM 560  Chemical Agents and Explosives  3 Hours
A study of the fundamental principles of chemical agents and explosives. Review of chemical reactions associated with these chemicals including detection methods, effects on targets, modes of delivery, and methods for protecting people.
Recent Term(s) Offered: fall 2017; fall 2019

CHEM 562  Advanced Biochemistry  3 Hours
Survey of biochemical research areas where significant advances have been made in recent years. Textbook readings, review articles and current research papers will be incorporated into lectures and discussions.
Equivalent(s): BIOL 562
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

CHEM 567  Internship in Chemistry  3 Hours
Practical experience in a supervised work situation with a cooperating business, industry, or governmental agency. Emphasizes application of knowledge and skills in chemistry.
Recent Term(s) Offered: None

CHEM 570  Lecture Demonstration Techniques  3 Hours
The design and operation of meaningful lecture demonstrations in chemistry.
Recent Term(s) Offered: summer 2018

CHEM 572  Detection/Analysis of Chemical Agents and Explosives
Lecture  3 Hours
An advanced study of the fundamental principles and applications for detection/analysis of chemical threats.
Prerequisite(s): CHEM 560
Corequisite(s): CHEM 573
Recent Term(s) Offered: None

CHEM 573  Detection/Analysis of Chemical Agents and Explosives
Laboratory  1 Hour (repeatable max of 3 hrs)
An applications laboratory for detection/analysis of chemical threats.
Course Fee: $25
Recent Term(s) Offered: None

CHEM 580  Chemical Skills  3 Hours
Skills in the use of the library, glass working, and the laboratory. May be used to satisfy the research tool requirement.
Recent Term(s) Offered: spring 2017; fall 2017

CHEM 588  Research Proposal  2 Hours
This course is to provide a practical graduate-level overview of research design and proposal writing in chemistry. Students will learn to identify problems/needs, review chemical literature, formulate hypotheses, and design research methodology for their thesis projects.
Recent Term(s) Offered: spring 2017; fall 2017; spring 2018; fall 2018; spring 2019; fall 2019

CHEM 590  Material Chemistry  3 Hours
A class describes the various materials, including metals, semiconductors and polymers. The class is focusing on understanding the relationships between the arrangement of atoms, ions, or molecules comprising materials, and its bulk structural/physical properties, as well as thermochemical properties, kinetic rates and spectroscopic properties of materials.
Recent Term(s) Offered: fall 2018; fall 2019

CHEM 591  Material Chemistry Laboratory  3 Hours
Laboratory course focusing on the properties of materials and how they relate to the structure of the materials. Materials studies will include metals, polymers, ceramics, composites and energetic materials, and a variety of applications will be discussed including high energy, industrial, and pharmaceutical materials. Techniques including thermal analysis, X-ray diffraction, microscopy, and mechanical testing will be employed.
Recent Term(s) Offered: spring 2017; spring 2018

CHEM 595  Scientific Writing in Chemistry  1-6 Hours
A course to build and enhance students' writing skills when preparing lab reports, scientific articles and other professional communications.
Prerequisite(s): CHEM 596 (may be taken concurrently) or permission of instructor
Recent Term(s) Offered: spring 2017; fall 2017; spring 2018; fall 2018; spring 2019; fall 2019

CHEM 596  Practicum Research Experience in Chemistry  1-10 Hours
A student will work under the direction of a faculty advisor on a project proposed by the student or a project of mutual scientific interest. This research will lead to a thesis in chemistry.
Prerequisite(s): permission of instructor
Recent Term(s) Offered: spring 2017; fall 2017; spring 2018; fall 2018; spring 2019; fall 2019

CHEM 598  Graduate Seminar  0.5 Hours (repeatable max of 2 hrs)
Required each semester for all MS Chemistry students. Attendance is required of all full-time graduate students.
Recent Term(s) Offered: spring 2017; summer 2017; fall 2017; spring 2018; summer 2018; fall 2018; spring 2019; summer 2019; fall 2019

CHEM 599  Thesis Research/Writing  1-6 Hours (repeatable max of 6 hrs)
Thesis research and writing directed by faculty committee.
Course Fee: $50
Recent Term(s) Offered: spring 2017; summer 2017; fall 2017; spring 2018; summer 2018; fall 2018; spring 2019; summer 2019; fall 2019

CHEM 600  Maintaining Matriculation  1-6 Hours (repeatable max of 6 hrs)
Continued enrollment for thesis completion.
Recent Term(s) Offered: spring 2017; fall 2017; spring 2018; summer 2018; fall 2018

CHEM 799  Doctoral Research/Chemistry  1-6 Hours
No course description is available
Recent Term(s) Offered: None

Civil Engineering (CE)

CE 426G  Advanced Construction Materials  3 Hours
Continuation of CE 370. Topics focus on highway construction and include soil stabilization, bituminous materials and mixtures, general highway materials and construction of rigid and flexible pavements.
Prerequisite(s): CE 370 or permission of instructor
Recent Term(s) Offered: None
CE 440G  Masonry Design and Construction  3 Hours
Principles in the design and construction of masonry structures in accordance with the American Concrete Institute. Current and historical properties of brick, natural block, natural stone, mortar, grout, and reinforcement. Design and constructability of masonry columns, shear walls, and unreinforced and reinforced masonry structures.
Prerequisite(s): (CE 370 and CE 382) or permission of instructor
Corequisite(s): CE 441G
Recent Term(s) Offered: spring 2019

CE 441G  Masonry Construction Lab  1 Hour
The laboratory component of CE 440G Masonry Design and Construction. Projects include mortar testing, grout testing, strength testing of masonry block and clay brick, block wall testing, developing plan and specifications for the construction of masonry structures, and inspection techniques of masonry systems.
Corequisite(s): CE 440G
Recent Term(s) Offered: None

CE 444G  Bridge Engineering  3 Hours
A practice-based introduction to bridge engineering, exploring the design, behavior, maintenance and rehabilitation of bridges. Bridge loads, reinforced and prestressed concrete slab and T-beam bridges, steel beam bridges, composite beam bridges, bridge evaluations and ratings, and upgrade methodologies are covered based on AASHTO code requirements using the LRFD design methodology. Abutments, piers, joints, bearings, and connections are also included. Nontechnical topics such as public perception of the nation’s infrastructure with respect to bridges will be discussed.
Prerequisite(s): CE 384 or CE 482 or permission of instructor
Recent Term(s) Offered: spring 2017

CE 462G  Hydraulic Engineering Systems  3 Hours
Methods of analysis for hydrostatics, pipe flow, open channel flow including uniform and gradually varied flow, culvert and channel hydraulic design, dimensional analysis and channel modeling for flood mapping.
Prerequisite(s): CE 461 or permission of instructor
Recent Term(s) Offered: None

COMM 461G  Organizational Communication  3 Hours
Theoretical examination of rhetorical principles operant in modern organizational communication systems.
Recent Term(s) Offered: None

COMM 501  Qualitative Methods in Communication Research  3 Hours
Study of qualitative research designs and the procedures typically used in communication research. Includes general overview of interviewing and other qualitative research methodologies.
Restriction(s): Enrollment is limited to students in Organizational Communication (0012)
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

COMM 502  Quantitative Methods in Communication Research  3 Hours
Study of quantitative research designs and the procedures typically used in communication research. Includes general overview of survey, and other quantitative research methodologies along with statistical analysis using computer software.
Restriction(s): Enrollment is limited to students in Organizational Communication (0012)
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019

COMM 503  Foundations of Communication  3 Hours
Major concepts and issues which characterize the discipline.
Recent Term(s) Offered: None

COMM 510  Strategies for Teaching Communication  0 Hours
Designed to improve the teaching performance of COMM graduate assistants in teaching the basic public speaking courses.
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

COMM 523  Health Communication  3 Hours
An examination of the role communication plays in the delivery of health care. Focus is on provider-patient relationships, other providers of care, health communication campaigns, health behavior change, and within health care contexts.
Recent Term(s) Offered: fall 2018

COMM 526  Family Communication  3 Hours
Survey of research and theory in family communication.
Equivalent(s): COMM 578
Recent Term(s) Offered: None

COMM 528  Communication in the Nonprofit Sector  3 Hours
Survey of organizational communication issues and the ways in which they are uniquely situated in and applied to nonprofit organizations and philanthropy.
Recent Term(s) Offered: spring 2017; spring 2019

COMM 531  Global Leadership Communication  3 Hours
This seminar focuses on the impact of national or ethnic culture on leadership communication behaviors when leading in multi-national and/or multi-ethnic organizations.
Recent Term(s) Offered: None

COMM 544  Persuasive Communication  3 Hours
How persuasion works across the dimensions of the communication process: one-to-one, small group, public, and mass communication.
Recent Term(s) Offered: None

COMM 547  Organizational Communication Theory  3 Hours
A survey of organizational communication theories, perspectives, methods, and current issues.
Restriction(s): Enrollment is limited to students in Organizational Communication (0012)
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

COMM 551  Employee Communication  3 Hours
Study of employee communication in the modern organization. Covers topics such as measurements of organizational communication effectiveness and the relationship among factors such as communication, morale and productivity.
Recent Term(s) Offered: None
COMM 552 Democracy, Power, & Voice in Organizations 3 Hours
An in-depth look at the theoretical underpinnings and communication research related to participation, democracy, voice, and power in for-profit, non-profit, volunteer, and community organizations.
Recent Term(s) Offered: spring 2019

COMM 553 Health Communication Campaigns 3 Hours
Examines and analyzes the critical role communication plays in planning, implementation, and evaluation of health communication campaign.
Recent Term(s) Offered: fall 2017; fall 2019

COMM 560 Seminar in Organizational Communication 3 Hours (repeatable max of 9 hrs)
Topical studies within the field of organizational communication. Topics include employee communication and conflict management, among others.
Recent Term(s) Offered: None

COMM 561 Multinational Organizational Communication 3 Hours
This course provides an in-depth study of internal and external communication behaviors in business organizations operating in multinational environments.
Recent Term(s) Offered: fall 2018

COMM 562 Special Topics in Intercultural Communication 3 Hours
Provides graduate students an opportunity for an in-depth study of special topics in intercultural communication. One or two topics will be chosen for study during the course. These topics will be selected by the instructor based on special availability of resources, appropriateness for current intercultural conditions, and interest of students.
Recent Term(s) Offered: None

COMM 563 Issues Management 3 Hours
A study of issue identification, issue analysis, issue change strategy options, and issue action programming with particular emphasis upon the role of communication in issue management.
Recent Term(s) Offered: fall 2017; fall 2019

COMM 564 Crisis Communication 3 Hours
Role of communication in crisis prevention, crisis readiness and crisis resolution.
Recent Term(s) Offered: spring 2018

COMM 565 Communication and Conflict 3 Hours
Study of communication as it relates to conflict in interpersonal, group, organizational, and intercultural settings.
Recent Term(s) Offered: spring 2018

COMM 566 Corporate & Organizational Advocacy 3 Hours
Historical overview of corporate and organizational advocacy in the 20th century focusing on the communication process used in corporate advocacy.
Recent Term(s) Offered: spring 2017; fall 2018

COMM 568 Communication and Organizational Identification 3 Hours
Survey of the phenomena of identification in organizations and how identification is constructed through communication.
Recent Term(s) Offered: spring 2018

COMM 570 Seminar in Human Communication 3 Hours (repeatable max of 9 hrs)
Selected topics in communication theory: small group communication, language behavior, etc.
Recent Term(s) Offered: spring 2017; spring 2019; fall 2019

COMM 571 Organizational Communication in the Digital Age 3 Hours
This course considers effective communication with technologies in organizational contexts based on foundational theories and contemporary research. It also covers the social and communicative impact of technologies on organizations and organizational members.
Recent Term(s) Offered: None

COMM 572 Nonverbal Communication 3 Hours
Theory and research in nonverbal communication. Topics will include body language, vocalics, and use of space, time, touch, and artifacts in communication.
Recent Term(s) Offered: None

COMM 577 Cultural Terrorism Communication 3 Hours
This course deals with the communication behaviors of terrorist groups, particularly as culture impacts and influences those behaviors.
Recent Term(s) Offered: None

COMM 578 Seminar in Interpersonal Communication 3 Hours
Examination of professional literature and basic research in interpersonal communication.
Recent Term(s) Offered: spring 2018

COMM 580 Special Topics in Communication 3 Hours
Provides opportunities for students to apply theoretical concepts to various functions of organizational communication in industry and corporate contexts.
Recent Term(s) Offered: summer 2017; summer 2018; summer 2019

COMM 586 Process of Group Communication 3 Hours
Practice in the group communication processes that lead toward successful team work in organizational contexts.
Recent Term(s) Offered: None

COMM 587 Communication in Intercultural Negotiation & Mediation 3 Hours
Role of communication in intercultural negotiation and mediation processes. Addresses cultural factors and negotiation techniques in cross-cultural conflict situations.
Recent Term(s) Offered: None

COMM 588 Intercultural Communication 3 Hours
A survey of intercultural communication theories, approaches, methods, and current issues.
Recent Term(s) Offered: summer 2017; fall 2017

COMM 589 Independent Study in Communication 3 Hours
Permits students to conduct individualized communication research in an area of their interest.
Recent Term(s) Offered: spring 2017; summer 2017; spring 2018; summer 2018; fall 2018; summer 2019; fall 2019

COMM 596 Graduate Internship in Communication 3 Hours
This course offers students a project-based work experience in an area of their interest.
Recent Term(s) Offered: summer 2017; summer 2018; summer 2019

COMM 597 Thesis Research/Writing 1-6 Hours (repeatable max of 6 hrs)
Thesis research and writing directed by faculty committee.
Recent Term(s) Offered: spring 2017; fall 2017; spring 2018; fall 2018; spring 2019; fall 2019
COMM 600  Maintaining Matriculation  1-6 Hours (repeatable max of 6 hrs)
Continued enrollment for thesis completion.
Recent Term(s) Offered: spring 2017; spring 2018; summer 2018; summer 2019

COMM 721  Organizational Communication for Leaders  3 Hours
Examines the communication perspectives, theories, and principles necessary to lead organizations. Considers ways to assess and improve communication processes in various organizational situations.
Restriction(s): Enrollment is limited to students in Educational Leadership (0010)
Recent Term(s) Offered: None

COMM 731  Global Communication for Leaders  3 Hours
This seminar focuses on the impact of national or ethnic culture on leadership communication behaviors when leading in multi-national and/or multi-ethnic organizations.
Restriction(s): Enrollment is limited to students in Educational Leadership (0010)
Recent Term(s) Offered: None

COMM 741  Leadership and Social Trends  3 Hours
Examines literature on current economic, political, technological, and/or social trends as they relate to leadership.
Restriction(s): Enrollment is limited to students in Educational Leadership (0010)
Recent Term(s) Offered: None

COMM 751  Strategic Communication  3 Hours
Considers the way organizational leaders use communication to influence opinions and behavior of various constituencies.
Restriction(s): Enrollment is limited to students in Educational Leadership (0010)
Recent Term(s) Offered: None

Communication Disorders (CD)

CD 486G  Language Disorders  3 Hours (repeatable max of 3 hrs)
Identification, diagnosis, and treatment approaches used with language delayed children. Covers current state and federal legislation as related to service delivery models. Evaluation strategies include language sampling and report writing. Treatment approaches based on medical and educational models with emphasis on functional language therapy.
Recent Term(s) Offered: None

Computer Information Sys (CIS)

CIS 516  Business Computer Applications  3 Hours
No course description is available
Recent Term(s) Offered: None

Computer Science (CS)

CS 405G  Numerical Analysis I  3 Hours
Computer arithmetic, roots of equations, polynomial approximation and interpolation, numerical differentiation and integration. Computer solutions of problems will be required.
Prerequisite(s): (MATH 307 or MATH 310 or MATH 237) and (CS 180 or CS 146) or permission of instructor
Equivalent(s): MATH 405G
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

CS 443G  Database Management Systems  3 Hours
Organization and management of large data files, various database paradigms, database design theory, query optimization, physical database design, database security, distributed databases. Note: Credit will not be given for CS 443 or CS 443G once credit has been received for CS 543.
Prerequisite(s): CS 360 or permission of instructor
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

CS 445G  Operating Systems II  3 Hours
Advanced study of modern operating system theory and practice. Topics include distributed system structures and coordination, distributed file systems, and protection and security.
Prerequisite(s): CS 425
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019

CS 446G  Interactive Computer Graphics  3 Hours
Elementary topics in interactive computer graphics. Includes both input and display devices and techniques for 2-D and 3-D transformations, as well as difficulties encountered in these areas. Computing assignments will emphasize interaction, data structures, and applications to various disciplines.
Prerequisite(s): MATH 307
Recent Term(s) Offered: spring 2017; summer 2017; spring 2018; spring 2019

CS 450G  Computer Networks  3 Hours
An advanced study of the design and implementation of computer networks. Topics include network topologies, switching techniques, routing, end-to-end protocols, quality of service, and other advanced topics, e.g., wireless networks and multimedia networks. Note: Credit will not be given for CS 450 or CS 450G once credit has been received for CS 550.
Prerequisite(s): CS 425 or permission of instructor
Recent Term(s) Offered: fall 2017; fall 2018

CS 456G  Artificial Intelligence  3 Hours
Problems having no plausible algorithmic solution, their computer representations and solutions which usually involve heuristics.
Prerequisite(s): CS 360
Recent Term(s) Offered: fall 2017

CS 460G  Software Engineering II  3 Hours
Examination of critical theoretical problems underlying software engineering, including the rigorous treatment of software metrics, cost-estimating, object-oriented design, real-time systems, etc.
Prerequisite(s): CS 360 or equivalent
Recent Term(s) Offered: None

CS 475G  Topics/Computer Science  1-3 Hours (repeatable max of 6 hrs)
Significant problems and developments in computer science. Note: Permission of instructor required.
Prerequisite(s): permission of instructor
Recent Term(s) Offered: None
CS 500  Research Methods and Projects  3 Hours  
A graduate level overview of problem-solving techniques and skills for computer-based systems including solution design and implementation. Topics include a team project to develop practical skills in documentation, communication, and module interfacing. The course may be used only in fulfilling the research tool requirement and may not be used toward an undergraduate degree in computer science.  
Recent Term(s) Offered: spring 2017; fall 2017; spring 2018; fall 2018; spring 2019; fall 2019  

CS 530  Automata Theory and Compiler Construction  3 Hours  
The basic theoretical concepts of the computer viewed as an automaton. Automated tools for scanning and parsing will be studied to show how regular expressions and BNF languages are used in compiler construction and other computer applications.  
Restriction(s): Enrollment is limited to students in Computer Science (117)  
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019  

CS 535  Cloud Computing  3 Hours  
This course will provide insight on the current trends of local and public cloud computing systems. Three distinct design layers will be covered: Infrastructure-as-a-Service (IaaS), Platform-as-a-Service (PaaS), and Software-as-a-Service (SaaS). Topics include, but are not limited to, cloud computing architectures, virtual resource management, green clouds, data management, and user interface.  
Recent Term(s) Offered: fall 2018  

CS 541  Theory of Computation  3 Hours  
An advanced study of the theory of computing, including languages, finite automata, grammars, Turing machines, complexity and computability.  
Prerequisite(s): CS 530  
Recent Term(s) Offered: None  

CS 543  Advanced Database Systems  3 Hours  
An advanced study of data and information management. Topics include database application development, XML data management, data storage and indexing, transaction management, parallel and distributed databases, data warehousing and decision support.  
Prerequisite(s): CS 443 or equivalent  
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019  

CS 544  Compiler Theory/Design  3 Hours  
Formal properties of programming languages and the techniques used to construct compilers for these languages. Topics include lexical analysis, syntax analysis, symbol table construction, semantic analysis, code generation, and optimization. Students will complete a programming project.  
Prerequisite(s): CS 500 and CS 530  
Recent Term(s) Offered: None  

CS 545  Systems Programming  3 Hours  
A study of the system call interface of operating systems. Topics include low level file I/O, signal handling, interprocess communication, distributed communication, and process management. Students will write several systems level programs. The student develops a small operating system.  
Prerequisite(s): CS 445  
Recent Term(s) Offered: None  

CS 549  Analysis of Algorithms  3 Hours  
Methods (algorithms) for solving a variety of problems on computers and the relative efficiency of these algorithms.  
Recent Term(s) Offered: fall 2017; spring 2018; fall 2018; fall 2019  

CS 550  Advanced Topics in Computer Networks  3 Hours (repeatable max of 6 hrs)  
Advanced topics in computer networks. Selected topics may include embedded systems, mobile computing, or other current development in computer networks. Note: Students will not get credit for CS 450G once credit is received for CS 550.  
Prerequisite(s): CS 450G or equivalent  
Recent Term(s) Offered: None  

CS 555  Data Science  3 Hours  
An introduction to concepts and methods in the emerging field of data science. Algorithms and tools to support problem-focused data analytic thinking.  
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019  

CS 556  Software Engineering and Project Management  3 Hours  
Survey of modern software development techniques, including traditional and agile approaches. Topics include requirement definition, process modeling, design methods, human factor issues, and an introduction to software project management. Student will be required to model a project using Unified Modeling Language.  
Prerequisite(s): CS 360  
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019  

CS 562  Parallel and Distributed Computing  3 Hours  
An introduction to parallel and distributed computing. The development, implementation, and analysis of parallel algorithms will be studied.  
Recent Term(s) Offered: None  

CS 565  Data Mining Techniques and Tools  3 Hours  
The theory and application of data mining, roots of data mining, preprocessing techniques for raw data, classification algorithms and techniques, clustering algorithms and techniques, association rule mining algorithms and techniques.  
Prerequisite(s): CS 443G or equivalent  
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019  

CS 568  Computer Vision  3 Hours  
A study of the techniques and applications of computer vision. Topics include pattern recognition, filtering, texture, segmentation, recognition, 3D vision and case studies. Important algorithms will be implemented by students.  
Prerequisite(s): CS 500  
Recent Term(s) Offered: None  

CS 570  Security in Computing  3 Hours  
Essential techniques in cryptography and computer security. Privacy issues in a broad range of computing contexts. Topics include program security, trusted operating systems, database/data mining security, and network security.  
Prerequisite(s): CS 445G or CS 450G or equivalent  
Recent Term(s) Offered: spring 2019  

CS 595  Advanced Topics/Computer Science  1-3 Hours (repeatable max of 6 hrs)  
Significant problems and current developments in computer science. Note: 9 hours of CS required.  
Prerequisite(s): permission of instructor  
Recent Term(s) Offered: spring 2017; summer 2017; fall 2017; spring 2018; summer 2018
CNS 500 College and Career Readiness Foundations 3 Hours
Overview of college and career readiness; roles and duties of college and career readiness helpers within the school system; and legal, ethical, standards-related issues and implications.
Recent Term(s) Offered: summer 2018; summer 2019

CNS 501 College and Career Consultation & Collaboration 3 Hours
Consultation models, professional collaborations, and application of concepts and skills with an emphasis on college and career readiness within school macro and micro systems.
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

CNS 502 College and Career Program Development & Evaluation 3 Hours
Program development and evaluation, with emphasis on P-16 college and career development and readiness.
Recent Term(s) Offered: spring 2018; spring 2019

CNS 503 Practicum in College and Career Readiness 3 Hours
Supervised experiences in college and career readiness setting(s).
Prerequisite(s): CNS 500 and CNS 556
Recent Term(s) Offered: fall 2019

CNS 548 Principles and Practices 3 Hours
Course participants will learn how to design and implement guidance, counseling, and career services at various schools levels, as well as best practices in facilitating and advancing student learning.
Recent Term(s) Offered: spring 2019

CNS 549 Counseling and Consultation 3 Hours
This course is designed to prepare students to lead programs and employ consultation strategies in the development and implementation of data driven school counseling programs. Students will learn leadership and school-based consultation principles, theories, skills, and models necessary to enhance the learning environment. Emphasis is placed on the role of the school counselor as a systemic change agent.
Recent Term(s) Offered: None

CNS 550 Introduction to Counseling 3 Hours
The history and overview of the counseling profession, current trends and settings for professional counselors. Professional roles and functions of school counselors are emphasized. Introduction to professional organizations, legal and ethical issues, and certification and licensure issues.
Restriction(s): Enrollment is limited to students in School Counseling (046)
Recent Term(s) Offered: None

CNS 551 Classroom Guidance 3 Hours
Basic guidance concepts such as encouragement, communication, self-concept, discipline, and understanding students within the classroom setting will be presented with practical approaches in working with students.
Recent Term(s) Offered: spring 2018; spring 2019; fall 2018; spring 2019; fall 2019

CNS 552 Testing and Assessment in Counseling 3 Hours
Methods, techniques, statistics, and instruments used in assessing and evaluating individuals, couples, families, and groups; administering, scoring and interpreting both objective and subjective instruments used in counseling. Survey of research design and statistics. Computer utilization in counseling and use of data in decision making.
Restriction(s): Enrollment is limited to students in Counseling (043), School Counseling (046), Standard Guidance - Rank I (048), Student Affairs in Higher Ed (145), Nursing (149) or Certification Only-Counseling (159)
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019

CNS 553 Community Resources in Guidance and Counseling 3 Hours
Surveys social agencies, both public and private, with which counselors and those in the helping field should be familiar. An analysis of the referral process and the utilization of these resources with the clientele with which one works.
Recent Term(s) Offered: None

CNS 554 Group Counseling 3 Hours
Dynamics of group development. Group counseling theories, leadership styles, group counseling methods and skills. Interpersonal relationships in the family system and other small group settings. (Limited class size.)
Restriction(s): Enrollment is limited to students in Counseling (043), School Counseling (046), Standard Guidance - Rank I (048), Psychology (092), Student Affairs in Higher Ed (145), Social Work (157), Certification Only-Counseling (159) or Addiction Counseling/Education (218)
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019

CNS 555 Social and Cultural Diversity in Counseling 3 Hours
Philosophical, sociological, developmental, and emotional understanding of multicultural education and counseling as they relate to working with individuals in schools, universities, and other human service settings.
Recent Term(s) Offered: fall 2018; fall 2019

CNS 556 Developmental Career Counseling 3 Hours
Integrates the career counseling process into the life span from early childhood through older adulthood. Career development theories; career assessment instruments; educational resources; placement; follow up and evaluation. Interrelationships among work, marital, family, and other life roles including multicultural and gender issues.
Restriction(s): Enrollment is limited to students in International Student Services (0415), Counseling (043), Career Counseling (0440), School Counseling (046), Standard Guidance - Rank I (048), Student Affairs in Higher Ed (145) or Certification Only-Counseling (159)
Recent Term(s) Offered: summer 2017; summer 2018; summer 2019

CNS 557 Human and Family Development in Counseling 3 Hours
Understanding of the nature and needs of normal and abnormal individuals in the family system at all developmental levels emphasizing moral, intellectual and ethical development. Counseling strategies in the complex developmental relationships among individuals in the family system. Counseling in the life cycle of the family.
Recent Term(s) Offered: spring 2017; fall 2017; spring 2018; fall 2018; spring 2019; fall 2019
CNS 558 Theories of Counseling  3 Hours
Philosophic bases of the helping processes; major contemporary counseling theories and their application in individual and group counseling and in family systems counseling.
Restriction(s): Enrollment is limited to students in Counseling (043), School Counseling (046), Standard Guidance - Rank I (048), Student Affairs in Higher Ed (145) or Certification Only-Counseling (159)
Recent Term(s) Offered: spring 2018; spring 2019

CNS 559 Techniques of Counseling  3 Hours
Focus on the development of basic and advanced counseling skills and procedures. Refinement of the skills needed in providing counseling intervention.
Restriction(s): Enrollment is limited to students in Counseling (043), School Counseling (046), Standard Guidance - Rank I (048) or Certification Only-Counseling (159)
Recent Term(s) Offered: spring 2017; fall 2017; fall 2018; fall 2019

CNS 560 Professional Studies in Clinical, Family and School Counseling  3 Hours
Historical, philosophical, and societal dimensions of clinical mental health counseling; marriage, couple, and family counseling; and school counseling. Legal and ethical issues and professional identity in counseling.
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

CNS 561 Counseling Children  3 Hours
Theories and techniques of developmental counseling with children.
Recent Term(s) Offered: None

CNS 562 Counseling Adolescents  3 Hours
Theories and techniques of developmental counseling with the teenage population.
Recent Term(s) Offered: summer 2017

CNS 567 Mental Health Diagnosis and Treatment in Counseling  3 Hours
The identification, treatment plans and referral procedures for emotional concerns across the life span in the mental health counseling field. Principles of etiology, diagnosis, treatment planning and prevention of mental and emotional disorders and dysfunctional behavior.
Restriction(s): Enrollment is limited to students in Counseling (043), School Counseling (046), Standard Guidance - Rank I (048), Certification Only-Counseling (159) or Addiction Counseling/Education (218)
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019

CNS 568 Counseling Children and Adolescents  3 Hours
Theories and techniques of developmental counseling with children and adolescents. Topics include: self-concept, social skills, values, moral development, multicultural awareness, child abuse, drug abuse, wellness, and sexual development.
Recent Term(s) Offered: spring 2017; fall 2017; fall 2018; fall 2019

CNS 569 Play Therapy  3 Hours
Provides an overview of the essential elements and principles of play therapy including history, theories, and techniques. Assists students in understanding the development, social, cognitive, and emotional issues that impact children’s behavior. Note: Admission to or completion of approved program in a helping profession or instructor permission required.
Recent Term(s) Offered: winter 2019

CNS 571 Introduction to Student Affairs in Higher Education  3 Hours
History, philosophy, and development of student services. Includes testing and counseling, financial aids, housing, admissions and records, placement, etc.
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

CNS 572 The College Student Experience  3 Hours
Characteristics and attitudes of contemporary “traditional” and “non-traditional” college students will be examined. Major topics covered will include the impact of college environments on students, current issues and concerns, and implications for delivery of student services.
Recent Term(s) Offered: summer 2017; fall 2017; spring 2018; summer 2018; summer 2019

CNS 574 Student Development in Higher Education  3 Hours
This course will examine the developmental processes that impact college students. Major topics will include a discussion of various theoretical models, sociocultural foundations, developmental program designs, and assessment techniques and implications.
Prerequisite(s): CNS 571 (may be taken concurrently)
Recent Term(s) Offered: summer 2017; summer 2018; spring 2019; summer 2019

CNS 577 Counseling Concepts and Applications for Student Affairs Professionals  3 Hours
Basic counseling concepts and applications essential for effective student affairs practice.
Restriction(s): Enrollment is limited to students in Student Affairs in Higher Ed (145)
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019

CNS 579 Seminar in Student Affairs  3 Hours
This research oriented, discussion course is designed to focus on current issues and practices in Student Affairs.
Recent Term(s) Offered: summer 2017; fall 2018; spring 2019

CNS 581 International Students and Services in Higher Education  3 Hours
Explores international students’ needs and interests and global issues confronting higher education. Focuses on increasing student intercultural awareness as a foundation for student services (domestic and abroad) and study abroad.
Recent Term(s) Offered: winter 2017; winter 2018; winter 2019

CNS 582 Sex Therapy Techniques in Counseling  3 Hours
Counseling skills and intervention techniques for counselors in training who will be working with couples and individuals with a broad range of sexual concerns.
Recent Term(s) Offered: summer 2017; spring 2018; spring 2019

CNS 583 Couples Counseling  3 Hours
Knowledge, skills, and techniques of couples counseling.
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019

CNS 584 Counseling Violent and Dysfunctional Families  3 Hours
Analysis of incidence and patterns of violence against children, adolescents, adults, and elders; motivational factors regarding perpetrator and victims. Counseling and helping strategies for working with family members and the abused victim in counseling and school settings.
Recent Term(s) Offered: None
CNS 585 Leadership and Administration in Student Affairs 3 Hours
Applications of student affairs leadership theory, organizational theory, administrative policy development, planning and decision-making strategies, change management, and staff selection, training, supervision and evaluation will be examined.
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019

CNS 586 Parenting Issues 3 Hours
Changing roles and responsibilities of parents, child-rearing practices, diverse parenting situations and decision-making about parenthood. Changing family system and effects of family system on parenting. Provide skills in working with parents and parenting issues for both educators and counselors.
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

CNS 587 Professional Mental Health Counseling Practice 3 Hours
Professional mental health counseling practice topics including and not limited to counseling supervision, advocacy, consultation, current research, and trends in mental health counseling.
Prerequisite(s): CNS 550
Restriction(s): Enrollment is limited to students in Counseling (043)
Recent Term(s) Offered: summer 2017

CNS 588 Family Systems Counseling 3 Hours
The historical development of systems theory will orient the student to theoretical content of human interactions. Students will be helped to think systemically about human issues by focusing on the systems paradigm. Skill development in family system counseling will be developed.
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

CNS 589 Group Dynamics in Student Affairs and Higher Education 3 Hours
Principles associated with the practice of group work in student affairs and higher education settings. Emphasis on group leadership. Course includes a planned group experience.
Prerequisite(s): CNS 577 (may be taken concurrently) or permission of instructor
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019

CNS 590 Practicum 3 Hours (repeatable max of 6 hrs)
Supervised experiences in a school, community college, or university setting. Note: Completion of the appropriate practice preparation sequence and departmental approval required. Note: Completion of the appropriate practice preparation sequence and departmental approval required.
Course Fee: $45
Recent Term(s) Offered: spring 2017; summer 2017; spring 2018; spring 2019

CNS 591 Clinical Mental Health/Marriage, Couple, and Family Counseling Practicum 3 Hours (repeatable max of 6 hrs)
Supervised experiences in a mental health or marriage and family therapy setting. Note: Completion of the appropriate practice preparation sequence and departmental approval required.
Restriction(s): Enrollment is limited to students in Counseling (043)
Course Fee: $45
Recent Term(s) Offered: summer 2017; summer 2018; summer 2019

CNS 592 Crisis, Trauma and Violence Counseling 3 Hours
Theory and practice of crisis, trauma and violence counseling. Application of intervention and prevention strategies in individual, family and systemic crisis, violence, disaster, and trauma causing events.
Recent Term(s) Offered: summer 2017; summer 2018; summer 2019

CNS 593 Career Development in Student Affairs and Higher Education 3 Hours
Career development process throughout the lifespan, emphasis on implications for student affairs and higher education. Career development theories, career assessment instruments, professional resources, decision-making models, and factors inherent to the career development process; evolving economic, political, social and technological conditions.
Recent Term(s) Offered: summer 2017; summer 2018; summer 2019

CNS 594 Research Methods in Student Affairs 3 Hours
Fundamental concepts of research methodology, including both quantitative and qualitative research design as well as relevant statistical procedures and techniques. Emphasis on both evaluating and conducting research in the student affairs profession.
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

CNS 595 Testing Internship 3-6 Hours (repeatable max of 12 hrs)
Supervised experience in a school, community college, or university setting. Note: Completion of the appropriate practice preparation sequence and departmental approval required. Note: Completion of the appropriate practice preparation sequence and departmental approval required.
Course Fee: $5
Recent Term(s) Offered: spring 2017; summer 2017; fall 2017; winter 2018; spring 2018; summer 2018; fall 2018; winter 2019; spring 2019; summer 2019; fall 2019

CNS 596 Clinical Mental Health Counseling/Marriage, Couple, and Family Counseling Internship 3-9 Hours (repeatable max of 9 hrs)
Supervised experiences in a clinical mental health or marriage couple, and family counseling setting. Note: Completion of the appropriate practice preparation sequence and departmental approval required. Note: Completion of the appropriate practice preparation sequence and departmental approval required.
Restriction(s): Enrollment is limited to students in Counseling (043)
Course Fee: $5
Recent Term(s) Offered: spring 2017; fall 2017; spring 2018; fall 2018; spring 2019; fall 2019

CNS 598 Research and Program Evaluation in Counseling 3 Hours
Restriction(s): Enrollment is limited to students in Counseling (043); School Counseling (046) or Student Affairs in Higher Ed (145)
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

CNS 599 Thesis Research and Writing 3-6 Hours (repeatable max of 6 hrs)
Thesis research and writing directed by faculty committee.
Recent Term(s) Offered: None

CNS 603 Critical Issues and Strategies in Student Affairs and Higher Education 3 Hours
Contemporary issues associated with student affairs and higher education.
Prerequisite(s): CNS 590
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019
CNS 604 Resource Management in Student Affairs and Higher Education 3 Hours
Issues related to financial and enrollment management in colleges and universities, with emphasis on the effective and efficient use of financial and human resources in fulfilling institutional missions and strategic plans.
Prerequisite(s): CNS 585
Recent Term(s) Offered: summer 2017; fall 2017; fall 2018; fall 2019

CNS 605 Social and Cultural Diversity in Higher Education 3 Hours
Designed to examine the individual and organizational issues of social and cultural diversity in U.S. higher education and to focus on the development of the awareness, knowledge, and skills necessary to be a multiculturally competent student affairs/higher education practitioner.
Prerequisite(s): permission of instructor
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

CNS 606 Family Counseling Techniques 3 Hours
Supervised skills development in couples and family counseling. Includes assessment, evidence-based treatments, advanced clinical skills, and evaluating outcomes.
Prerequisite(s): CNS 588 and CNS 559
Restriction(s): Enrollment is limited to students in Counseling (043)
Recent Term(s) Offered: summer 2017

CNS 610 Assessment and Accountability in Student Affairs and Higher Education 3 Hours
Fundamental concepts of comprehensive assessment in student affairs and higher education. Emphasis on program or service assessment and related budget considerations.
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019

CNS 611 Advanced Play Therapy 3 Hours
In-depth study of advanced principles of play therapy theories and techniques. Application of advanced knowledge of developmental, social, cognitive, and emotional issues that impact children’s behavior.
Prerequisite(s): CNS 569 or permission of instructor
Restriction(s): Enrollment is limited to students in Counseling (043), Psychology (092) or Social Work (157)
Recent Term(s) Offered: None

CNS 612 Expressive Arts Techniques in Counseling 3 Hours
Introduction to a variety of expressive arts interventions such as art, drawing, drama, music, and poetry in counseling. Provides overview of history, theory, and interventions across the lifespan.
Restriction(s): Enrollment is limited to students in Counseling (043), Psychology (092) or Social Work (157)
Recent Term(s) Offered: None

CNS 613 Sandtray Techniques in Counseling 3 Hours
Introduction to principles of sandtray technique. Provides overview of history, theory, and interventions across the lifespan.
Restriction(s): Enrollment is limited to students in Counseling (043), Psychology (092) or Social Work (157)
Recent Term(s) Offered: None

CNS 637 Theories of Addictions 3 Hours
This course involves introduction to theoretical, philosophical and historical premises of addictions. Topics include professional ethics, diversity, family roles and relationships, and dual diagnosis. Note: Admission to or completion of approved graduate program in a helping profession required.
Prerequisite(s): permission of instructor
Equivalent(s): PSY 637, SWRK 637
Recent Term(s) Offered: summer 2017; fall 2017; fall 2018; fall 2019

CNS 647 Addictions: Assessment, Diagnosis and Treatment Planning 3 Hours
Selection, administration, and interpretation of assessment methods and techniques used to diagnose addiction disorders, as well as the development of appropriate treatment plans and issues involved in treatment planning.
Prerequisite(s): CNS 637 (may be taken concurrently)
Equivalent(s): PSY 647, SWRK 647
Recent Term(s) Offered: spring 2018; spring 2019

CNS 651 Readings in Contemporary Counseling 3 Hours (repeatable max of 6 hrs)
Significant books and research articles related to counseling theory, theory application, and innovative techniques.
Recent Term(s) Offered: None

CNS 653 Brief Counseling 3 Hours
Introduction to theoretical, philosophical, and historical premises of brief counseling. Topics include professional ethics, diversity, application to various clinical populations, and utilizations of best practices that meet the changing state of mental health care. Note: Admission to or completion of approved graduate program in a helping profession required.
Prerequisite(s): permission of instructor
Recent Term(s) Offered: None

CNS 654 Educational and Intellectual Analysis of Children and Adults 3 Hours
Administration and interpretation of standard mental and aptitude tests as tools of educational and occupational guidance.
Recent Term(s) Offered: None

CNS 655 Advanced Appraisal of Children 3 Hours
Continuation of CNS 654 designed to increase administration-interpretation skills in individual appraisal process.
Prerequisite(s): (CNS 552 or equivalent) and (CNS 654 or equivalent)
Recent Term(s) Offered: None

CNS 658 Seminar in Guidance and Counseling 3 Hours (repeatable max of 6 hrs)
Presentation and discussion of research in guidance and counseling. Emphasizes theoretical and practical criticism of relevant studies in the field.
Recent Term(s) Offered: summer 2017; fall 2017; summer 2018; fall 2018; summer 2019

CNS 660 Organization and Administration of Guidance Services 3 Hours
Administration of human services in counseling including justification of services, staffing, facilities, budget, etc.
Recent Term(s) Offered: spring 2017; summer 2017; spring 2018; summer 2018; spring 2019; summer 2019
CNS 666  Legal and Ethical Issues in Counseling  3 Hours
Course provides opportunities for mental health providers to make
decisions of an ethical nature about people and deal with possible legal
actions that result.
Recent Term(s) Offered: spring 2017; summer 2017; fall 2017; summer 2018;
fall 2018; summer 2019; fall 2019

CNS 667  Counseling Substance Abusers and Their Families  3 Hours
Counseling issues related to substance abuse diagnosis, treatment and
aftercare program.
Equivalent(s): PSY 667, SWRK 667
Recent Term(s) Offered: summer 2018; summer 2019

CNS 669  Special Topics in Counseling and Guidance  1-3 Hours
(repeatable max of 6 hrs)
No course description is available.
Recent Term(s) Offered: summer 2017; spring 2018; summer 2019

CNS 670  Parameters of Law in Student Affairs and Higher Education  3 Hours
Survey of legal issues, cases and concepts; the responsibilities of
student affairs administrators to act within the law; and the rights of
faculty, staff and students in higher education.
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

CNS 675  Advanced Career Counseling and Services Administration  3 Hours
Examines advanced career counseling topics, process and procedure
in the context of the design and delivery of career counseling services
to individuals across the lifespan. Focuses on increasing student
understanding of counseling techniques, programming, administration,
systems and resources for the provision of student/client career service.
Prerequisite(s): CNS 556
Recent Term(s) Offered: summer 2017; spring 2018; summer 2018; fall 2018;
summer 2019

CNS 677  Eating Disorders in Counseling  3 Hours
Etiology, assessment, and diagnosis of eating disorders which will
include anorexia nervosa, bulimia nervosa, binge eating disorder, and
avoidant/restrictive food intake disorder. Existing treatment options and
preventative measures will also be examined.
Recent Term(s) Offered: winter 2018; summer 2018; winter 2019; summer
2019

CNS 678  College Teaching Internship  1-3 Hours (repeatable max of 6 hrs)
Methods of teaching counseling material at the college level. Emphasis
will be placed on teaching strategies and teaching at the college level.
Students enrolled in the course will concurrently teach an undergraduate
level course.
Prerequisite(s): permission of instructor
Recent Term(s) Offered: None

CNS 699  Specialist Project  1-6 Hours (repeatable max of 6 hrs)
Specialist project research and writing directed by faculty committee.
Recent Term(s) Offered: None

CNS 700  Maintaining Matriculation  1-6 Hours
Continued enrollment for specialist project completion.
Recent Term(s) Offered: None

CNS 710  Leadership in Stress Management  3 Hours
Examines the meaning of stress, its effects on the individual and the
organization, how it manifests itself, and strategies for its management.
Explores the organizational demands that contribute to stress and
addresses how leaders in organizations can help provide preventative
stress management.
Prerequisite(s): permission of instructor
Recent Term(s) Offered: winter 2017; summer 2017

Criminology (CRIM)

CRIM 500  Law Enforcement  3 Hours
This course explores theoretical, historical, structural, cultural, legal,
social, and psychological components of law enforcement.
Recent Term(s) Offered: fall 2018

CRIM 525  Survey of Criminal Justice  3 Hours
Survey of the development and implementation of the criminal justice
system and the societal responses that emerged to deal with the social
problem of crime.
Recent Term(s) Offered: spring 2017; spring 2018; fall 2019

CRIM 530  Penology  3 Hours
Examination of theories, research, laws, and public policies associated
with punishment on a social control mechanism. Emphasis on social
purposes and efficiency of correctional institutions.
Recent Term(s) Offered: fall 2018

CRIM 532  Criminology  3 Hours
Theories of crime causation and current research in the areas of
criminology and corrections and methodological research considerations.
Note: 6 hours of sociology required.
Prerequisite(s): permission of instructor
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019

CRIM 533  Criminology and Law  3 Hours
Examine the structure, organization, and content of criminal law. Topics
include development and elements of law as they relate to social control.
Recent Term(s) Offered: summer 2018

CRIM 534  Neighborhoods and Crime  3 Hours
Overview of ecology of crime, with emphasis on criminological theories,
factors that influence neighborhood-level crime rates, and effects that
neighborhood characteristics have on individuals.
Recent Term(s) Offered: summer 2017; summer 2019

CRIM 536  Juvenile Delinquency  3 Hours
Analysis of current issues relating to children who come into contact with
the juvenile justice system.
Recent Term(s) Offered: None

CRIM 537  Comparative Criminology  3 Hours
Survey of theoretical and empirical work examining the structural and
cultural forces influencing cross-national crime patterns and trends,
international law, and specific legal systems.
Recent Term(s) Offered: None

CRIM 538  Victimology  3 Hours
Survey of the major theories and research in victimology. Topics include
violent victimization, sexual assault, child abuse, and response of
criminal justice system to victims.
Recent Term(s) Offered: winter 2017
CRIM 546  Gender, Crime and Justice  3 Hours
Examines crime, criminal justice, and gender. Explores how constructions of masculinity, femininity, and features of sexuality affect victims, offenders, and professionals in the criminal justice system.
*Recent Term(s) Offered: spring 2017; spring 2019*

CRIM 547  Life-Course Criminology  3 Hours
Examination of theories and empirical research associated with onset, escalation, persistence, and desistance of violent offending over the human life-course.
*Recent Term(s) Offered: spring 2018*

CRIM 548  Race, Class and Crime  3 Hours
Examination of relationships between race and social class in crime patterns and in the etiology of offending and victimization.
*Recent Term(s) Offered: fall 2017; spring 2019; summer 2019; fall 2019*

CRIM 572  Environmental Criminology  3 Hours
Explores criminological solutions to environmental problems. Issues addressed include the nature of environmental offenders and victims, environmental justice, and criminal justice solutions to specific environmental problems.
*Recent Term(s) Offered: fall 2017; summer 2018; summer 2019*

CRIM 596  Applied Research Project  3 Hours
Students will work with an advisor/mentor to develop an applied research project that incorporates information learned in the Master of Arts in Criminology Curriculum.
*Recent Term(s) Offered: spring 2017; summer 2017; fall 2017; spring 2018; summer 2018; fall 2018; spring 2019; summer 2019; fall 2019*

Doctor/Physical Therapy (DPT)

DPT 700  Orientation to Physical Therapy  1 Hour
Provide the student with an orientation to the physical therapy profession including specific clinical education policies and procedures and clinical placement.
*Restriction(s): Enrollment is limited to students in Physical Therapy (0013)*
*Recent Term(s) Offered: summer 2017; summer 2018; summer 2019*

DPT 705  Orientation to Clinical Education in Physical Therapy  1 Hour
Disseminates information to students on contemporary professional issues in physical therapy as it pertains to clinical education.
*Restriction(s): Enrollment is limited to students in Physical Therapy (0013)*
*Recent Term(s) Offered: fall 2017; fall 2018; fall 2019*

DPT 711  Principles of Physical Assessment I  1 Hour
Introduction to basic patient assessment skills, including surface palpation and vital signs.
*Restriction(s): Enrollment is limited to students in Physical Therapy (0013)*
*Recent Term(s) Offered: summer 2017; summer 2018; summer 2019*

DPT 712  Principles of Physical Assessment II  2 Hours
Additional patient assessment skills, including manual muscle testing, reflex testing, sensory testing, and abdominal quadrant screening.
*Restriction(s): Enrollment is limited to students in Physical Therapy (0013)*
*Recent Term(s) Offered: summer 2017; summer 2018; summer 2019*

DPT 713  Principles of Physical Assessment III  2 Hours
Additional patient assessment skills, including goniometry, posture, anthropometric measures, with an introduction to patient history and documentation in SOAP note format.
*Restriction(s): Enrollment is limited to students in Physical Therapy (0013)*
*Recent Term(s) Offered: fall 2017; fall 2018; fall 2019*

DPT 715  Patient Care Techniques  3 Hours
Performance and application of positioning skills, bed mobility, transfers, and gait training techniques (including assistive devices) across the continuum of care.
*Restriction(s): Enrollment is limited to students in Physical Therapy (0013)*
*Recent Term(s) Offered: spring 2017; spring 2018; spring 2019*

DPT 720  Gross Human Anatomy I  2 Hours
The study of gross human anatomy, including muscle, tendon, ligament, and vascular supply of the upper and lower extremities.
*Corequisite(s): DPT 721*
*Restriction(s): Enrollment is limited to students in Physical Therapy (0013)*
*Recent Term(s) Offered: summer 2017; summer 2018; summer 2019*

DPT 721  Gross Human Anatomy I Lab  1 Hour
Gross human anatomy cadaver lab with supervised dissection and exploration of muscle, tendon, ligament, and nerve innervation of the upper and lower extremities.
*Corequisite(s): DPT 720*
*Restriction(s): Enrollment is limited to students in Physical Therapy (0013)*
*Recent Term(s) Offered: summer 2017; summer 2018; summer 2019*

DPT 722  Gross Human Anatomy II  2 Hours
The study of gross human anatomy, including muscle, tendon, ligament, innervation and vascular supply of the head, neck, trunk, pelvic, thoracic, and abdominal regions.
*Corequisite(s): DPT 723*
*Restriction(s): Enrollment is limited to students in Physical Therapy (0013)*
*Recent Term(s) Offered: summer 2017; summer 2018; summer 2019*

DPT 723  Gross Human Anatomy II Lab  1 Hour
Gross human anatomy cadaver lab with dissection of muscle, tendon, ligament, innervation, and vascular supply of head, neck, trunk, pelvic, thoracic, and abdominal regions.
*Corequisite(s): DPT 722*
*Restriction(s): Enrollment is limited to students in Physical Therapy (0013)*
*Recent Term(s) Offered: summer 2017; summer 2018; summer 2019*

DPT 724  Pathophysiology  4 Hours
Fundamentals of physiology and pathology related to diseases causing abnormal movement patterns or capabilities. Processes and diseases most frequently encountered in physical therapy practice emphasized.
*Restriction(s): Enrollment is limited to students in Physical Therapy (0013)*
*Recent Term(s) Offered: fall 2017; fall 2018; fall 2019*
DPT 726 Orthopaedic Foundations 3 Hours
Principles of orthopaedic physical therapy including biomechanics, applied anatomy, and osteokinematic and arthrokinematic concepts. Musculoskeletal system investigation from histological, structural, and functional perspectives.
Restriction(s): Enrollment is limited to students in Physical Therapy (0013)
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

DPT 727 Health Promotion and Wellness in Physical Therapy 2 Hours
This course will create a forum to prepare students for clinical competencies regarding health promotion/wellness as it relates to physical therapy.
Restriction(s): Enrollment is limited to students in Physical Therapy (0013)
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

DPT 728 Clinical Exercise Physiology 2 Hours
Overview of the physiologic responses of the human body to exercise and training in normal and patient populations.
Restriction(s): Enrollment is limited to students in Physical Therapy (0013)
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

DPT 729 Pharmacology in Physical Therapy 2 Hours
Actions and effects of pharmaceutical agents commonly encountered in physical therapy clinical practice.
Restriction(s): Enrollment is limited to students in Physical Therapy (0013)
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019

DPT 736 Neuroanatomy 3 Hours
Anatomy of the central and peripheral nervous systems, emphasizing structure and functional relationships in normal and pathological states.
Restriction(s): Enrollment is limited to students in Physical Therapy (0013)
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

DPT 738 Motor Control 2 Hours
This course will prepare students to understand and apply motor control principles as it relates to physical therapy.
Restriction(s): Enrollment is limited to students in Physical Therapy (0013)
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019

DPT 739 Foundations for Physical Rehabilitation 3 Hours
This course will cover foundational topics in rehabilitation for the musculoskeletal and neuromuscular systems to include components of neurophysiology, surgical procedures, and principles of therapeutic exercise. Note: Open only to DPT students in good standing
Restriction(s): Enrollment is limited to students in Physical Therapy (0013)
Recent Term(s) Offered: spring 2019

DPT 740 Physical Modalities 3 Hours
The clinical application of soft tissue techniques, thermal agents, intermittent compression, continuous motion, electrical stimulation, and mechanical traction.
Restriction(s): Enrollment is limited to students in Physical Therapy (0013)
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

DPT 742 Diagnostic Testing and Imaging 2 Hours
Presentation of diagnostic tests and interpretation of results as it applies to physical therapy evaluation, intervention, planning and treatment.
Restriction(s): Enrollment is limited to students in Physical Therapy (0013)
Recent Term(s) Offered: spring 2017; spring 2019

DPT 745 Integumentary System 2 Hours
Clinical practice of wound care including assessment tools, dressings, and treatment approaches.
Restriction(s): Enrollment is limited to students in Physical Therapy (0013)
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019

DPT 746 Orthopaedic Assessment 4 Hours
Evaluation and assessment of upper and lower extremity orthopaedic dysfunctions.
Prerequisite(s): DPT 726
Restriction(s): Enrollment is limited to students in Physical Therapy (0013)
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019

DPT 747 Women's Health in Physical Therapy 2 Hours
Discussion of physical therapy management of musculoskeletal, integumentary, cardiopulmonary, and genitourinary pathologies common to women.
Restriction(s): Enrollment is limited to students in Physical Therapy (0013)
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

DPT 748 Prosthetics and Orthotics 2 Hours
Design, fabrication and fitting, and management of individuals requiring prosthetic and orthotic devices.
Restriction(s): Enrollment is limited to students in Physical Therapy (0013)
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019

DPT 749 Neurological Assessment 1 Hour
Physical therapy examination, evaluation, and assessment of individuals with neurologically-based movement disorders.
Restriction(s): Enrollment is limited to students in Physical Therapy (0013)
Recent Term(s) Offered: summer 2017; summer 2018; summer 2019

DPT 751 Supervised Clinical Education I 4 Hours
This full-time first clinical education experience provides students the opportunity to actively engage in experiential learning and develop introductory clinical competence. Students are responsible for transportation to and from off-campus experiences.
Restriction(s): Enrollment is limited to students in Physical Therapy (0013)
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

DPT 752 Supervised Clinical Education II 5 Hours
This full-time second clinical education experience provides students additional opportunities for experiential learning and further development of clinical competence. Students are responsible for transportation to and from off-campus experiences.
Prerequisite(s): DPT 751
Restriction(s): Enrollment is limited to students in Physical Therapy (0013)
Recent Term(s) Offered: summer 2017; summer 2018; summer 2019
DPT 753 Supervised Clinical Education III 7 Hours
The third full-time clinical education experience provides students opportunities for refinement of their professional behaviors and examination skills, and development of intervention techniques. Students are responsible for transportation to and from off-campus experiences.
Prerequisite(s): DPT 752
Restriction(s): Enrollment is limited to students in Physical Therapy (0013)
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

DPT 754 Supervised Clinical Education IV 9 Hours
The fourth full-time clinical education experience provides students the opportunity to further develop skills and display clinical competence as an autonomous physical therapist. Students are responsible for transportation to and from off-campus experiences.
Prerequisite(s): DPT 753
Restriction(s): Enrollment is limited to students in Physical Therapy (0013)
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019

DPT 760 Professional Issues 2 Hours
Professional issues pertinent to physical therapy, including state and national associations, state and federal laws, standards of practice, and code of ethics.
Restriction(s): Enrollment is limited to students in Physical Therapy (0013)
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019

DPT 761 Physical Therapy Management and Administration I 1 Hour
Foundational concepts of business principles for doctor of physical therapy students with an emphasis on leadership, administration, management, and professionalism.
Restriction(s): Enrollment is limited to students in Physical Therapy (0013)
Recent Term(s) Offered: summer 2017; summer 2018; summer 2019

DPT 762 Physical Therapy Management and Administration II 3 Hours
General principles of organization and administration that impact the ethical and legal aspects of physical therapy practice.
Restriction(s): Enrollment is limited to students in Physical Therapy (0013)
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019

DPT 770 Orthopaedic Rehabilitation 4 Hours
Manual therapy, exercise techniques, intervention, and progressions for individuals with orthopaedic pathologies and dysfunctions.
Prerequisite(s): DPT 746
Restriction(s): Enrollment is limited to students in Physical Therapy (0013)
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

DPT 771 Neurological Rehabilitation 4 Hours
Emphasis on hands-on skill development, clinical reasoning, and critical analysis for treating individuals with neurologically-based movement disorders.
Restriction(s): Enrollment is limited to students in Physical Therapy (0013)
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

DPT 772 Cardiopulmonary Rehabilitation 3 Hours
Evaluation and treatment of patients with cardiopulmonary disease and dysfunction, emphasizing the response of cardiac, circulatory and pulmonary systems to exercise.
Restriction(s): Enrollment is limited to students in Physical Therapy (0013)
Recent Term(s) Offered: summer 2017; summer 2018; summer 2019

DPT 774 Spine Assessment and Intervention 4 Hours
Spine assessment and treatment, including mobilizations, special tests, and exercise progressions, in patients with spine dysfunction.
Restriction(s): Enrollment is limited to students in Physical Therapy (0013)
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019

DPT 775 Screening for Referral 3 Hours
A systems-based approach to differential screening and diagnosis to determine if further medical referral is necessary.
Restriction(s): Enrollment is limited to students in Physical Therapy (0013)
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

DPT 778 Geriatric Physical Therapy 1 Hour
This course will explore the physical and psycho-behavioral aspects of aging. Students will review typical physiologic response to aging and the effects of these changes on the function of older clients being treated in various physical therapy settings. A problem-solving approach to management of elder patients with varied degree of medical complexity in multiple settings will be emphasized.
Restriction(s): Enrollment is limited to students in Physical Therapy (0013)
Recent Term(s) Offered: spring 2018; spring 2019

DPT 779 Pediatric Physical Therapy 3 Hours
Examination of the factors affecting normal and pathologic development in infants and children to age 21. Additionally, treatment techniques appropriate to these populations will be covered.
Restriction(s): Enrollment is limited to students in Physical Therapy (0013)
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019

DPT 781 Research in Physical Therapy I 3 Hours
An introduction to clinical research in physical therapy, dealing with research design and methodology, as well as the development of a research project topic.
Restriction(s): Enrollment is limited to students in Physical Therapy (0013)
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

DPT 782 Research in Physical Therapy II 3 Hours
Further development of the research topic, critical review of clinically relevant research literature, IRB submission, and the initiation of data collection.
Prerequisite(s): DPT 781
Restriction(s): Enrollment is limited to students in Physical Therapy (0013)
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019
**DPT 783  Research in Physical Therapy III  3 Hours**
Use of SPSS for physical therapy related data analysis, including descriptive statistics, statistical inference, analysis of differences, and analysis of relationships.

**Prerequisite(s):** DPT 782

**Restriction(s):** Enrollment is limited to students in Physical Therapy (0013)

**Recent Term(s) Offered:** summer 2017; summer 2018; summer 2019

**DPT 784  Research in Physical Therapy IV  1 Hour**
Continuation of the Research track in Physical Therapy. Emphasis placed on data collection and application of applied research statistics.

**Prerequisite(s):** DPT 783

**Restriction(s):** Enrollment is limited to students in Physical Therapy (0013)

**Recent Term(s) Offered:** spring 2017; spring 2018; spring 2019

**DPT 785  Research in Physical Therapy V  1 Hour**
Continuation of the Research track in Physical Therapy, with emphasis on research project completion and preliminary presentation to research advisor.

**Prerequisite(s):** DPT 784

**Restriction(s):** Enrollment is limited to students in Physical Therapy (0013)

**Recent Term(s) Offered:** fall 2017; fall 2018; fall 2019

**DPT 790  Physical Therapy Seminar  1 Hour**
Completion of research project with dissemination of results to faculty and clinicians. Completion of summative examinations to evaluate mastery of content areas.

**Prerequisite(s):** DPT 785

**Restriction(s):** Enrollment is limited to students in Physical Therapy (0013)

**Recent Term(s) Offered:** spring 2017; spring 2018; spring 2019

---

**Economics (ECON)**

**ECON 400G  Issues in Capital Market Economics  3 Hours**
Exposure to current economic theory and evidence related to capital markets with emphasis on public policy, the interplay with the macroeconomy, stock price variability, internationalization, and other related topics.

**Recent Term(s) Offered:** spring 2018; spring 2019

**ECON 410G  Seminar in Economics  1-3 Hours** (repeatable max of 9 hrs)
Special topics in economics of current interest.

**Recent Term(s) Offered:** winter 2017; spring 2017; fall 2017; summer 2019

**ECON 420G  Public Sector Economics  3 Hours**
A study of the economics of public policies. The course will use economic tools to analyze the effects of policies, understand their complexities, and predict unintended consequences. Topics include public education, welfare reform, pollution, healthcare, and tax policy.

**Recent Term(s) Offered:** spring 2017; fall 2018; fall 2019

**ECON 430G  Environmental and Resource Economics  3 Hours**
Study of environmental issues and natural resource problems and solutions. Topics include measurements of environmental benefits, property rights, externalities, environmental quality, pollution control, and solid waste management.

**Recent Term(s) Offered:** spring 2018; summer 2019; fall 2019

**ECON 434G  The Economics of Poverty and Discrimination  3 Hours**
Study of the economic nature, origins, and public policy aimed at addressing poverty and discrimination in the economy. Topics include social security, food stamps, and equal employment opportunity.

**Recent Term(s) Offered:** spring 2017; spring 2019; fall 2019

**ECON 440G  American Industry: Structure, Performance and Policy  3 Hours**
Applications of microeconomics to the structure, behavior, and performance of American industry in view of public and private social goals. Coverage includes public policy toward monopoly.

**Recent Term(s) Offered:** None

**ECON 445G  Economics of Healthcare  3 Hours**
Health economics studies the unique role that healthcare systems play in the broader area of microeconomics.

**Recent Term(s) Offered:** None

**ECON 451G  Games and Strategy  3 Hours**
This course is an introduction to game theory analysis. Students will develop the theoretical tools to analyze incentives and strategic behavior in individual and group decision making. Emphasis will be placed on real-world applications and include, but is not limited to, bargaining under perfect and imperfect information, Nash equilibrium, pricing under Oligopoly and auction theory.

**Prerequisite(s):** ECON 202 with a minimum grade of C and ECON 203 with a minimum grade of C and ECON 206 with a minimum grade of C

**Recent Term(s) Offered:** spring 2019

**ECON 464G  Introduction to Mathematical Economics  3 Hours**
The application of mathematics to economic analysis covering functions, optimization techniques, differential and difference matrix algebra, and game theory.

**Recent Term(s) Offered:** spring 2017; spring 2018; spring 2019

**ECON 465G  Regression and Econometric Analysis  3 Hours**
Presents the use of statistical methods in measuring and testing economic relationships. Emphasizes the use of ordinary least squares in estimating single equation models. Topics included are dummy variables, lagged variables, and classic regression problems.

**Recent Term(s) Offered:** spring 2017; fall 2017; spring 2018; fall 2018; fall 2019

**ECON 475G  Urban and Regional Economics  3 Hours**
Considers the economic relationships between economic and political units in the U.S. Emphasis is on applied analysis dealing with characteristics of a region, the urban center, and employment.

**Recent Term(s) Offered:** None

**ECON 491G  History of Economic Thought  3 Hours**
The origin and development of economic thought with emphasis on the contribution of political economy to the behavioral sciences.

**Recent Term(s) Offered:** None

**ECON 496G  International Monetary Economics  3 Hours**
A systematic analysis of monetary aspects of international trade and finance.

**Recent Term(s) Offered:** fall 2017
ECON 501 Survey of Economic Theory 3 Hours
An overview of basic concepts in micro and macroeconomics. Topics include price and output decisions, cost concepts, aggregate income, the price level, and related areas.
Equivalent(s): BA 501
Recent Term(s) Offered: None

ECON 502 Applied Microeconomic Theory 3 Hours
Fundamental concepts useful for analysis of firm, public policy, and individual decisions. Topics include demand and supply, revenue and costs, pricing, and information and uncertainty.
Prerequisite(s): ECON 501
Equivalent(s): BA 511
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

ECON 503 Applied Macroeconomic Theory 3 Hours
Fundamental concepts dealing aggregate economic activity in the U.S. Topics include measurement, consumption, saving and investment, long term growth, business cycles, monetary and fiscal policy, and basic forecasting ideas.
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

ECON 505 Economics for Teachers 3 Hours
Basic concepts and topics dealing with the functioning of a market oriented economic system and the U.S. economy.
Recent Term(s) Offered: summer 2017; summer 2018; summer 2019

ECON 506 Applied Statistical Methods 3 Hours
Introduction to applied statistics for decision making and research including analysis of variance, process control, experimental design, regression, and forecasting, as well as useful software and data sources.
Equivalent(s): BA 540
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

ECON 507 Data Methods in Economics 3 Hours
Students will learn how to import/export data in variety formats into SAS and other statistical software, use real-time data from the internet, automate data import/export tasks, create summary reports from data with publication-quality graphics, construct data queries from multiple data sources using multiple conditions, create interactive digital graphs. Students will study application of econometric techniques in variety of environments.
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019

ECON 530 Economic Policy 3 Hours
Survey course designed to study the moral, social, and economic effects of current and changing government policies regarding the operation of markets.
Recent Term(s) Offered: None

ECON 532 Topics in Microeconomics 3 Hours
Discussion and application of current and developing topics in microeconomics. Specific topics vary.
Prerequisite(s): (ECON 502 and ECON 506) or permission of instructor
Recent Term(s) Offered: None

ECON 537 American Economic History 3 Hours
Uses economic science to analyze historical events. Examine the role of both government and private institutions in shaping the path of economic growth. The course explores how innovations like those in transportation and technology affected how nations developed, and how different policies affected economic growth. Will span events from the days of American Revolution to more recent events such as the Great Depression of 1930s and the Great Recession of 2000s.
Prerequisite(s): ECON 465 (may be taken concurrently) with a minimum grade of C or ECON 465G (may be taken concurrently)
Recent Term(s) Offered: None

ECON 571 Public Policy Economics 3 Hours
Application of economic concepts and methods to the study of public policy. Topics include externalities, regulation, cost-benefit analysis, political markets, and macroeconomic influences on voting.
Prerequisite(s): ECON 502 and ECON 506
Equivalent(s): BA 571
Recent Term(s) Offered: None

ECON 585 Topics in Macroeconomics 3 Hours
Discussion of current areas of research in macroeconomic/monetary fields. Specific content will vary by semester and instructor.
Prerequisite(s): (ECON 503 or equivalent) and (ECON 506 or equivalent)
Recent Term(s) Offered: None

ECON 594 Forecasting 3 Hours
Methods of forecasting changes in the U.S. economy and other economic units. Emphasis on application and evaluation of different techniques.
Prerequisite(s): ECON 506 or BA 540
Equivalent(s): BA 543
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019

ECON 595 Labor and Human Resource Economics 3 Hours
Study of static and dynamic models of labor demand, supply, and human capital investment.
Equivalent(s): BA 544
Recent Term(s) Offered: None

ECON 596 Applied Economics Project 3,6 Hours
An end of program course in which students select a topic, apply appropriate economic literature, concepts, and methods and report their findings in writing and in an oral presentation. Note: Completion of at least 24 program hours required.
Restriction(s): Enrollment is limited to students in Applied Economics (0410)
Recent Term(s) Offered: spring 2017; summer 2017; fall 2017; spring 2018; summer 2018; fall 2018; spring 2019; summer 2019; fall 2019

ECON 597 Practicum in Economics 3 Hours (repeatable max of 6 hrs)
A directed, supervised practicum or internship with a business or government agency utilizing the skills developed in the program.
Prerequisite(s): permission of instructor
Recent Term(s) Offered: winter 2017; fall 2017; fall 2018

ECON 598 Independent Study Economics 3 Hours (repeatable max of 9 hrs)
Selected topics in economics.
Recent Term(s) Offered: spring 2017; fall 2017; spring 2018; fall 2018; spring 2019
ECON 599 Thesis Research/Writing 1-6 Hours (repeatable max of 6 hrs)
Thesis research and writing directed by faculty committee.
Recent Term(s) Offered: None

ECON 600 Maintaining Matriculation 1-6 Hours (repeatable max of 6 hrs)
Continued enrollment for thesis completion.
Recent Term(s) Offered: spring 2017; summer 2017; fall 2017; spring 2018; fall 2018

Education (EDU)

EDU 501 Seminar: Designing Professional Development Plan 2 Hours
Students should enroll in EDU 501 within the first 7 hours of course work in the Non Degree Planned Fifth Year or Master's Degree.
Recent Term(s) Offered: None

EDU 507 Geographic Concepts and Skills for Teachers 3 Hours
Designed for experienced social studies, earth science, and geoscience teachers. Provides up to date geographic content, information, and related geographic skills associated with geography core content for the P-12 classroom.
Equivalent(s): GEDS 507
Recent Term(s) Offered: spring 2017; summer 2017; spring 2018; summer 2018; fall 2018; summer 2019; fall 2019

EDU 520 Planning for Instruction 3 Hours
Survey of instructional planning, focused on pre-instruction. Topics include classroom management, determining outcomes and criteria for success, and differentiating instruction.
Corequisite(s): EDU 521
Restriction(s): Enrollment is limited to students in Special Ed Initial Cert: LBD (0456) , Middle Grades Ed: Initial Cert (0458) , IECE, Birth-Age 5, Initial Cer (0460) or Secondary Ed: Initial Cert (0495)
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

EDU 521 Implementing an Instructional Plan 3 Hours
Survey of implementation and management of instruction. Topics include classroom management, determining outcomes and criteria for success, and differentiating instruction. One-third of the course is content-specific instruction.
Corequisite(s): EDU 520
Restriction(s): Enrollment is limited to students in Special Ed Initial Cert: LBD (0456) , Middle Grades Ed: Initial Cert (0458) , IECE, Birth-Age 5, Initial Cer (0460) or Secondary Ed: Initial Cert (0495)
Recent Term(s) Offered: None

EDU 522 Foundations of Differentiated Instruction 3 Hours
Designing a qualitatively different instruction for students with varying abilities, interests, learning profiles, and affect within the regular classroom experience.
Recent Term(s) Offered: winter 2017; spring 2017; winter 2018; spring 2018; winter 2019; spring 2019

EDU 524 Educational Assessment 3 Hours
A study of assessment and evaluative techniques used by P-12 teachers, including norm-referenced and criterion-based data analysis, that are utilized throughout the teaching and learning process.
Recent Term(s) Offered: None

EDU 540 Place-Based Social Studies 3 Hours
Place-based social studies introduces educators to research, theory, and practice of using the local community and environment to teach concepts in civics, history, economics, and geography. This course is intended for P-12 educators and nonformal educators.
Recent Term(s) Offered: None

EDU 541 Place-Based Science 3 Hours
Place-based science uses local community/environment to teach concepts in sense of place through studying local ecology, environmental justice, energy, and health. This course is intended for P-12 and nonformal educators.
Recent Term(s) Offered: None

EDU 544 Classroom Teaching Strategies 3 Hours
Examination of alternative teaching strategies related to four major goal attainment areas: fact/process retention, information, processing, social interaction, and personal development.
Recent Term(s) Offered: None

EDU 570 Educational Assessment for P-12 Learners 3 Hours
Best practices for educational assessment for classroom teachers. Designed for graduate students seeking initial teacher certification program.
Restriction(s): Enrollment is limited to students in Special Ed Initial Cert: LBD (0456) , Middle Grades Ed: Initial Cert (0458) , IECE, Birth-Age 5, Initial Cer (0460) or Secondary Ed: Initial Cert (0495)
Recent Term(s) Offered: winter 2017; spring 2017; winter 2018; spring 2018; winter 2019; spring 2019

EDU 589 Advanced Internship for the MAT 6 Hours
Students complete the state approved equivalent of a student teaching experience through supervised practice in an appropriate setting. Settings will vary according to student background, certification goals, and advisor approval. Students are responsible for arranging their own transportation to assigned sites. Note: Admission to professional education unit required.
Prerequisite(s): permission of instructor
Restriction(s): Enrollment is limited to students in Special Ed Initial Cert: LBD (0456) , Middle Grades Ed: Initial Cert (0458) , IECE, Birth-Age 5, Initial Cer (0460) or Secondary Ed: Initial Cert (0495)
Recent Term(s) Offered: spring 2017; spring 2018; fall 2018; spring 2019; fall 2019

EDU 590 Advanced Teaching Internship 3 Hours
Supervised internship in an academic setting for development of advanced instructional skills and experience. Site assigned will depend on student background and will require advisor approval. Students are responsible for arranging their own transportation to designated or assigned sites.
Recent Term(s) Offered: fall 2017; spring 2019

EDU 594 Practicum in Education or Behavioral Sciences 1-3 Hours
Supervised practical experience related to education or behavioral science studies. Note: Completion of at least 18 hours in MAE Education and Behavioral Science Studies including all core requirements except capstone required.
Prerequisite(s): permission of instructor
Restriction(s): Enrollment is limited to students in Educ Behav Science Studies (042)
Recent Term(s) Offered: spring 2017; fall 2017; spring 2018; fall 2018; spring 2019; fall 2019
EDU 595  Directed Study in Education or Behavioral Sciences  3 Hours
Directed study related to best practices in education or behavioral sciences. Requires completion of research project on approved topic.
Note: Completion of at least 21 hours in MAE Education and Behavioral Science Studies including all requirements except capstone required.
Prerequisite(s): permission of instructor
Restriction(s): Enrollment is limited to students in Educ Behav Science Studies (042)
Recent Term(s) Offered: spring 2017; fall 2017; spring 2018; fall 2018; spring 2019; fall 2019

EDU 599  Thesis Research and Writing  1-6 Hours (repeatable max of 6 hrs)
Independent research on a topic related to education or behavioral sciences.
Prerequisite(s): permission of instructor
Recent Term(s) Offered: spring 2019

EDU 600  Maintaining Matriculation  1-6 Hours
Maintaining matriculation.
Prerequisite(s): EDU 599
Recent Term(s) Offered: spring 2017; spring 2019

EDU 601  Seminar: Advanced Professional Development Plan  1 Hour
No course description is available.
Recent Term(s) Offered: None

EDU 604  Management Learning Environment  3 Hours
No course description is available.
Recent Term(s) Offered: spring 2017; spring 2018

EDU 695  Advanced Topics in Education  1-6 Hours (repeatable max of 6 hrs)
Readings or special projects in education. Note: Post-master’s standing required.
Prerequisite(s): permission of instructor
Recent Term(s) Offered: spring 2017; spring 2018

EDU 698  Seminar: Advanced Portfolio Project  2 Hours
An exit seminar requiring presentation of a professional portfolio project including evidence of professional development. Note: Completion of at least 24 hours in non-degree planned Rank I or Specialist degree required.
Prerequisite(s): (EDU 598 or EDU 596) and EDU 601
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019

EDU 699  Specialist Project  1-6 Hours (repeatable max of 6 hrs)
Independent research related to a topic in education.
Recent Term(s) Offered: spring 2017; fall 2017; spring 2018

EDU 701  Teacher Leadership and Assessment I  3 Hours
Focuses on a teacher leader role in the evaluation of international, national, state and local assessment frameworks. Topics include the role of teacher leader in closing achievement gaps and improving student learning.
Restriction(s): Enrollment is limited to students in Educational Leadership (0010)
Recent Term(s) Offered: summer 2018

EDU 702  Teacher Leadership and Assessment II  3 Hours
Focuses on understanding the relationship between classroom assessments and curriculum decisions. Students will explore the concept of standards and standard setting processes in relationship to student depth of knowledge and assessment differentiation.
Restriction(s): Enrollment is limited to students in Educational Leadership (0010)
Recent Term(s) Offered: None

Educational Administration (EDAD)

EDAD 583  Accounting for Pupil Personnel  3 Hours
Emphasizes the responsibilities of directors of pupil personnel, problems of personnel accounting, and records and reports related to the Minimum Foundation Program.
Recent Term(s) Offered: summer 2017; summer 2018; summer 2019

EDAD 585  Fundamentals of School Administration  3 Hours
Organization and administration of American schools. Principles of effective leadership and the roles and responsibilities of administrative supervisory positions.
Recent Term(s) Offered: None

EDAD 588  Allocation and Use of Resources  3 Hours
Effective operation of the fiscal and business aspects of school administration in the educational program.
Recent Term(s) Offered: spring 2017; summer 2017; fall 2017; summer 2018; fall 2018; spring 2019; summer 2019; fall 2019

EDAD 590  Administration of School Personnel  3 Hours
Allocation of human resources to accomplish the purposes of the school organization.
Recent Term(s) Offered: None

EDAD 594  Seminar on Leadership: Auxiliary Programs in Education  3 Hours (repeatable max of 9 hrs)
Principles and practices of leadership in the development and operation of auxiliary educational programs including special education, counseling, extracurricular programs and vocational education.
Recent Term(s) Offered: winter 2017; spring 2018; summer 2019

EDAD 596  Readings in Education Administration  1-3 Hours (repeatable max of 9 hrs)
Reading and research in an area of individual interest. Supervised by the major professor.
Prerequisite(s): permission of instructor
Recent Term(s) Offered: None
EDAD 597 Problems in Educational Administration and Supervision 3 Hours
Individual problems and self-assessments in educational administration and supervision.
Prerequisite(s): permission of instructor
Corequisite(s): EDAD 585
Recent Term(s) Offered: None

EDAD 598 Field-Based Experience in Educational Administration 3-6 Hours (repeatable max of 9 hrs)
Clinical experiences with practitioners in the field to acquaint the prospective administrator/ supervisor with the realities of educational organizations.
Prerequisite(s): EDAD 603
Restriction(s): Enrollment is limited to students in School Administration - Rank I (121) or Certification Only - Ed Ldrshp (131)
Recent Term(s) Offered: fall 2019

EDAD 602 INTRO TO SCHOOL LEADERSHIP 3 Hours
A survey of theory and research in school leadership focusing on ethical, equity-driven decision making and practice. Explores processes for vocational discernment as a school leader and tools for assessing leadership strengths and growth areas.
Prerequisite(s): permission of instructor
Corequisite(s): EDAD 603
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

EDAD 603 School Law and Policy 3 Hours
An overview of the American legal system as it applies to P-12 education, Kentucky schools, and education policy.
Prerequisite(s): permission of instructor
Corequisite(s): EDAD 602
Recent Term(s) Offered: fall 2019

EDAD 604 Creating a Culture of Achievement 3 Hours
This course focuses on identifying processes to create and foster a positive professional and student culture that supports a unifying purpose of learning and achievement.
Prerequisite(s): (EDAD 602 with a minimum grade of B and EDAD 603 with a minimum grade of B) or permission of instructor
Corequisite(s): EDAD 605, EDAD 610
Restriction(s): Students cannot enroll who are in School Administration - Rank I (121) or Certification Only - Ed Ldrshp (131)
Recent Term(s) Offered: None

EDAD 605 Leading a Community of Leaders 3 Hours
This course focuses on identifying processes to create and foster a strong and healthy relationship between the school and both internal and external community stakeholders.
Prerequisite(s): (EDAD 602 with a minimum grade of B and EDAD 603 with a minimum grade of B) or permission of instructor
Corequisite(s): EDAD 610, EDAD 604
Restriction(s): Students cannot enroll who are in School Administration - Rank I (121) or Certification Only - Ed Ldrshp (131)
Recent Term(s) Offered: None

EDAD 606 Leading Learning Systems 3 Hours
This course will develop students' understanding of best practices and current trends in curriculum, instruction, and assessment and prepare them to use available tools to monitor and improve the alignment and implementation of these systems to promote academic success for all students.
Prerequisite(s): (EDAD 602 with a minimum grade of B and EDAD 603 with a minimum grade of B and EDAD 604 with a minimum grade of B and EDAD 605 (may be taken concurrently) with a minimum grade of B) or permission of instructor
Corequisite(s): EDAD 607, EDAD 610
Restriction(s): Students cannot enroll who are in School Administration - Rank I (121) or Certification Only - Ed Ldrshp (131)
Recent Term(s) Offered: None

EDAD 607 Developing Teacher Capacity 3 Hours
This course will develop human resource leadership skills for P-12 principal candidates, emphasizing the development of teachers through evaluation, coaching, and comprehensive professional learning.
Prerequisite(s): (EDAD 602 with a minimum grade of B and EDAD 603 with a minimum grade of B and EDAD 604 (may be taken concurrently) with a minimum grade of B and EDAD 605 with a minimum grade of B) or permission of instructor
Corequisite(s): EDAD 610, EDAD 606
Restriction(s): Enrollment is limited to students in School Administration - Rank I (121) or Certification Only - Ed Ldrshp (131)
Recent Term(s) Offered: None

EDAD 608 Resource Management for Equitable Outcomes 3 Hours
This course focuses on the roles and responsibilities of school principals relative to managing people, processes, and data in service of a vision that ensures the safety and success of all students.
Prerequisite(s): (EDAD 602 with a minimum grade of B and EDAD 603 with a minimum grade of B and EDAD 604 with a minimum grade of B and EDAD 605 with a minimum grade of B and EDAD 606 with a minimum grade of B and EDAD 607 with a minimum grade of B) or permission of instructor
Corequisite(s): EDAD 610, EDAD 609
Restriction(s): Enrollment is limited to students in School Administration - Rank I (121) or Certification Only - Ed Ldrshp (131)
Recent Term(s) Offered: None

EDAD 609 Leading School Improvement 3 Hours
This course focuses on leading school improvement by using data and collaborating with others to identify problems of practice, set direction, develop people, and redesign organizational structures to ensure success for all students. Students will learn to use tools and processes associated with school improvement, multi-tiered systems of support, and other structures.
Prerequisite(s): (EDAD 602 with a minimum grade of B and EDAD 603 with a minimum grade of B and EDAD 604 with a minimum grade of B and EDAD 605 with a minimum grade of B and EDAD 606 with a minimum grade of B and EDAD 607 with a minimum grade of B) or permission of instructor
Corequisite(s): EDAD 610, EDAD 608
Restriction(s): Students cannot enroll who are in School Administration - Rank I (121) or Certification Only - Ed Ldrshp (131)
Recent Term(s) Offered: None
EDAD 610  Clinical Experiences in the Principalship  1 Hour (repeatable max of 6 hrs)
Clinical experiences that build the capacity of aspiring school principals to solve problems in a variety of real-world contexts.
Prerequisite(s): (EDAD 602 with a minimum grade of B and EDAD 603 with a minimum grade of B)
Corequisite(s): EDAD 609, EDAD 608, EDAD 606, EDAD 605, EDAD 604, EDAD 607
Restriction(s): Students cannot enroll who are in School Administration - Rank I (121) or Certification Only - Ed Ldrshp (131)
Recent Term(s) Offered: None

EDAD 620  Seminar in Administration of Special Education  3 Hours (repeatable max of 9 hrs)
Current trends and issues in the administration and supervision of special education programs, including personnel issues, student identification issues, program assimilation and human relationships.
Equivalent(s): SPED 620
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

EDAD 625  Practicum in the Administration of Special Education  3 Hours (repeatable max of 9 hrs)
Supervised practice in educational organizations for persons preparing to become a Director of Special Education.
Equivalent(s): SPED 625
Recent Term(s) Offered: None

EDAD 630  Special Education Law and Finance  3 Hours
Clinical study of federal and state cases, statutes, regulations, and administrative decisions reviewing the Individuals with Disabilities Education Act (IDEA), Section 504 of the Rehabilitation Act of 1973, and the Americans with Disabilities Act (ADA) of 1990.
Recent Term(s) Offered: None

EDAD 639  The Superintendency  3 Hours
Function, role, and responsibilities of the school superintendent. Topics include politics and education; superintendent’s relationships with the school board, central office staff, and with the state department of education; the budget process; strategic planning; and curriculum leadership. Note: Two years of school administrative experience required.
Prerequisite(s): permission of instructor
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

EDAD 640  Introduction to School Leadership  3 Hours
Survey course designed to provide a foundation in the concepts of school leadership, as they relate to the role of the school principal. Field work consistent with the role of the school principal is required.
Corequisite(s): EDAD 641
Recent Term(s) Offered: spring 2017; fall 2017; spring 2018; fall 2018

EDAD 641  Building Culture and Community  3 Hours
Practical application of established tools for assessing and improving a school’s culture and community with an emphasis on ethical leader behaviors. Field work consistent with the role of the school principal is required.
Corequisite(s): EDAD 640
Recent Term(s) Offered: spring 2017; fall 2017; spring 2018; fall 2018

EDAD 642  Leveraging Community Systems and Resources  3 Hours
Organizational leadership, procedures, and structures for P-12 school improvement. Field work consistent with the role of the school principal is required.
Prerequisite(s): EDAD 641
Corequisite(s): EDAD 643
Recent Term(s) Offered: spring 2017; fall 2017; spring 2018; fall 2018; spring 2019

EDAD 643  Securing and Developing Staff  3 Hours
Human resources leadership for P-12 schools. Emphasizes processes and procedures in the management of educational systems, including personnel development. Field work consistent with the role of the school principal is required.
Prerequisite(s): EDAD 640 and EDAD 641
Corequisite(s): EDAD 642
Recent Term(s) Offered: spring 2017; fall 2017; spring 2018; fall 2018; spring 2019

EDAD 644  Creating Organizational Structures and Operations  3 Hours
Organizational leadership, procedures, and structures for P-12 school improvement. Field work consistent with the role of the school principal is required.
Prerequisite(s): EDAD 642 and EDAD 643
Corequisite(s): EDAD 645
Recent Term(s) Offered: fall 2017; spring 2018; fall 2018; spring 2019; fall 2019

EDAD 645  Practicing the Principalship  3 Hours
Capstone course emphasizing leading change, reflective practice, and transitioning into the principalship. Field work consistent with the role of the principal is required.
Prerequisite(s): EDAD 642 and EDAD 643
Corequisite(s): EDAD 644
Recent Term(s) Offered: fall 2017; spring 2018; fall 2018; spring 2019; fall 2019

EDAD 649  School System Administration  3 Hours
School system operations including finances, auxiliary services, human resources, federal and state programs, facilities, and curriculum and instruction.
Prerequisite(s): permission of instructor
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019

EDAD 659  Strategic Planning in Education  3 Hours
Examination of planning processes used by leaders to direct educational change and improvement. Includes strategic planning approaches designed to address macro and micro organizational goals.
Prerequisite(s): permission of instructor
Recent Term(s) Offered: summer 2017; summer 2018; summer 2019

EDAD 677  Legal Issues for Professional Educators  3 Hours
Clinical study of U.S. Constitutional, federal and state case, statutory and regulatory law, and their effects on social and political systems on the state and national level.
Recent Term(s) Offered: spring 2017; summer 2017; spring 2018; summer 2018; spring 2019; summer 2019

EDAD 682  School-Community Relations  3 Hours
Background, need, and techniques for establishing a wholesome working relationship with school-community stakeholders, with an emphasis on their involvement in school programs.
Recent Term(s) Offered: None
EDAD 683  Leading Teaching and Learning  3 Hours
Application of educational curriculum foundations for school administration.
Recent Term(s) Offered: None

EDAD 684  Instructional Leadership  3 Hours
Identification of practices and characteristics of supervisors and administrators, relative to curriculum and instruction, that have been shown to significantly improve student achievement.
Recent Term(s) Offered: spring 2017; summer 2017; fall 2017; winter 2018; summer 2018; fall 2018; winter 2019; summer 2019; fall 2019

EDAD 686  Principles of Supervision  3 Hours
The instructional aspect of school administration; organization, problems, principles, and techniques of improving in-service training for teachers.
Recent Term(s) Offered: summer 2017; summer 2018; fall 2018; winter 2019; summer 2019; fall 2019

EDAD 690  The Principalship  3 Hours
Identification and development of essential leadership practices associated with the role of principal in the contemporary school system.
Prerequisite(s): EDAD 594 and EDAD 585
Recent Term(s) Offered: None

EDAD 694  Seminar in Educational Administration  3,6 Hours
(repeatable max of 6 hrs)
Examination of current leadership practices with emphasis on the changing role of the educational administrator.
Recent Term(s) Offered: spring 2017; summer 2017; spring 2018; summer 2018; fall 2018; spring 2019; summer 2019; fall 2019

EDAD 696  Advanced Organizational Theory  3 Hours
A study of historical and contemporary theory in educational administration and leadership.
Prerequisite(s): permission of instructor
Recent Term(s) Offered: None

EDAD 697  Independent Research/Education Ad/Sup  3 Hours
(repeatable max of 9 hrs)
Special projects in administration and supervision.
Recent Term(s) Offered: None

EDAD 699  Independent Specialist Project  1-6 Hours (repeatable max of 6 hrs)
Specialist project research and writing directed by faculty committee.
Recent Term(s) Offered: spring 2017; fall 2017

EDAD 700  Maintaining Matriculation  1-6 Hours (repeatable max of 6 hrs)
Continued enrollment for specialist project completion.
Recent Term(s) Offered: spring 2017; summer 2017

EDAD 706  Educational Leadership and Reform  3 Hours
Leadership for school reform and organizational development. Study of the challenges, strategies, and application of organizational theory for P-12 executive leadership in leading systemic change initiatives.
Restriction(s): Enrollment is limited to students in Educational Leadership (0010)
Recent Term(s) Offered: None

EDAD 707  Educational Leadership Policies and Politics  3 Hours
Designed to equip students with analytical skills for confronting leadership issues that require the application or creation of policy in diverse settings. Examines the exercise of political power in education and the impact of politics on managing and leading educational institutions.
Restriction(s): Enrollment is limited to students in Educational Leadership (0010)
Recent Term(s) Offered: spring 2017

EDAD 708  Administration of Fiscal Resources in Districts and Systems  3 Hours
Ethical concepts of school finance, school business administration, fiscal management, contemporary economic theories, and related procedures, and practices in educational institutions at the district or system levels.
Restriction(s): Enrollment is limited to students in Educational Leadership (0010)
Recent Term(s) Offered: None

EDAD 710  School Leadership and Technology Planning for School Improvement  3 Hours
Use of modern technological tools in instructional and administrative processes; evaluation of hardware and software for both instructional uses and as administrative tools.
Restriction(s): Enrollment is limited to students in Educational Leadership (0010)
Recent Term(s) Offered: None

EDAD 734  School Accountability and Teacher Evaluation  3 Hours
A critical examination of K-12 school and teacher accountability models in Kentucky, the United States, and worldwide, including an introduction to statistical approaches used to link student outcomes to school and teacher quality.
Corequisite(s): EDLD 722
Recent Term(s) Offered: None

Educational Foundations (EDFN)

EDFN 500  Research Methods  3 Hours
Introduction to research methods in education, information retrieval systems, basic types of research, research procedures, research designs, and discussion of methods of data analysis to facilitate the understanding of research journals in the student's field of study.
Recent Term(s) Offered: winter 2017; spring 2017; summer 2017; fall 2017; winter 2018; spring 2018; summer 2018; fall 2018; winter 2019; spring 2019; summer 2019; fall 2019

EDFN 501  Educational Statistics  3 Hours
Statistical methods including descriptive statistics, sampling, probability, and correlation.
Recent Term(s) Offered: spring 2017; summer 2017; fall 2017; spring 2018; summer 2018; fall 2018; winter 2019; spring 2019; summer 2019; fall 2019

EDFN 576  Issues and Trends in Education  3 Hours (repeatable max of 9 hrs)
Selected issues and problems in contemporary society, their impact upon the educational system, and the possible role of the educational system in resolving such problems.
Recent Term(s) Offered: fall 2017
EDFN 603  Qualitative Research in Education  3 Hours
Qualitative research for graduate students within the educational setting. Includes the foundational theory of qualitative research, methodological designs and techniques of data collecting, analysis, and reporting.

Prerequisite(s): EDFN 500
Recent Term(s) Offered: summer 2017; summer 2018; spring 2019

EDFN 612  Seminar in Community College Teaching  3 Hours
(repeatable max of 9 hrs)
Study of issues and topics critical to the teaching success of potential community college faculty.

Prerequisite(s): ADED 611 or permission of instructor
Recent Term(s) Offered: fall 2017

EDFN 675  Higher Education in America  3 Hours
History, purpose, philosophy, organization, curriculum, student personnel services, financial services, and trends of the American system of higher education.

Restriction(s): Enrollment is limited to students in Educational Leadership (0010)
Recent Term(s) Offered: fall 2017; spring 2018; spring 2019

EDFN 685  Issues in Higher Education  3 Hours
Major problem areas of academic administration with emphasis on issues and procedures of college and university level curricular development.

Restriction(s): Enrollment is limited to students in Educational Leadership (0010)
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

EDFN 703  Field Methods for Qualitative Research  3 Hours
Developing and conducting qualitative research.

Prerequisite(s): EDFN 603
Recent Term(s) Offered: None

EDFN 712  Research Methods and Design for Educational Leaders  3 Hours
Quantitative and qualitative research methods and design; survey design and administration; and analysis of research reports.

Restriction(s): Enrollment limited to students with a semester level of Doctoral Program.
Equivalent(s): EDLD 712
Recent Term(s) Offered: None

EDFN 722  Measurement and Survey Methods for Educational Leaders  3 Hours
Examination of psychometric properties of measurement instruments used in leadership research; data collection and analysis methods used in survey research; issues related to validity, reliability, and fairness; approaches to evaluate the desired properties of research tools; and quantitative data analysis.

Prerequisite(s): EDFN 501 or permission of instructor
Equivalent(s): EDLD 722
Recent Term(s) Offered: None

EDFN 724  Leadership in Community and Technical Colleges  3 Hours
The nature of community and technical colleges, their relationship to four-year institutions, their potential for serving work force needs, and the role of the postsecondary administrator in these settings.

Restriction(s): Enrollment is limited to students in Educational Leadership (0010)
Recent Term(s) Offered: None

EDFN 726  Change Theory and Practice  3 Hours
Study of how effective change takes place in organizations as both internal and external forces influence institutions. Resistance to change and how to overcome these barriers will also be addressed, as well as how these changes affect the culture of the organization.

Restriction(s): Enrollment is limited to students in Educational Leadership (0010)
Recent Term(s) Offered: None

EDFN 728  Postsecondary Economics and Finance  3 Hours
Postsecondary finance issues, including sources/distribution of funding, financial aid programs, declining resources, budgeting and managing resources, and generating resources.

Restriction(s): Enrollment is limited to students in Educational Leadership (0010)
Recent Term(s) Offered: summer 2018; fall 2018

EDFN 732  Program Evaluation for Educational Leaders  3 Hours
Program evaluation theory, methods, and practices with a focus on the practical craft of evaluation research; discussion of theoretical and strategic issues of program evaluation; application of quantitative and qualitative research methods to program evaluation contexts.

Prerequisite(s): (EDLD 722 or permission of instructor)
Restriction(s): Students with a semester level of Doctoral Program may not enroll.
Equivalent(s): EDFN 732
Recent Term(s) Offered: None

EDFN 740  Intermediate Statistics and Design  3 Hours
Content will include multiple linear regression, generalized linear models, analysis of variance, and research design.

Prerequisite(s): (EDLF 722 and EDFN 732) or permission of instructor
Recent Term(s) Offered: fall 2017; summer 2018; fall 2018; spring 2019; summer 2019; fall 2019

EDFN 744  Seminar in Advanced Research Methods  3 Hours
(repeatable max of 12 hrs)
Advanced topics in research, evaluation, statistics or measurement applied to educational or social and behavioral science problems.

Prerequisite(s): permission of instructor
Recent Term(s) Offered: spring 2017; fall 2017; spring 2018; summer 2018; fall 2018

EDLD 702  Educational Leadership Doctoral Program Orientation  3 Hours
An introduction to key concepts of educational leadership and research with emphasis on foundational knowledge and skill development, as well as program, research, and professional development planning.

Restriction(s): Enrollment is limited to students in Educational Leadership (0010)
Recent Term(s) Offered: spring 2017; fall 2017; spring 2018; fall 2018; spring 2019; summer 2019
EDLD 710  Leadership Theories and Ethics  3 Hours
Theory and research on leadership, ethics and managerial effectiveness. Topics include: leadership and management, power and influence, trait theories, current and seminal leadership theories, delegation and shared decision making, as well as morality and ethics for leaders, and current trends in leadership research.
Prerequisite(s): EDLD 702 or permission of instructor
Restriction(s): Enrollment limited to students with a semester level of Doctoral Program.
Recent Term(s) Offered: spring 2017; summer 2017; spring 2018; summer 2018; spring 2019; fall 2019

EDLD 712  Research Methods and Design for Educational Leaders  3 Hours
Quantitative and qualitative research methods and design; survey design and administration; and analysis of research reports.
Restriction(s): Enrollment limited to students with a semester level of Doctoral Program.
Equivalent(s): EDFN 712
Recent Term(s) Offered: summer 2017; fall 2017; summer 2018; fall 2018; summer 2019; fall 2019

EDLD 720  Individual and Group Issues in Leadership  3 Hours
Theory and application of leadership issues in organizational behavior, including motivation, attitudes, group process, problem solving, decision making, conflict management, and interpersonal communication.
Restriction(s): Enrollment limited to students with a semester level of Doctoral Program.
Recent Term(s) Offered: spring 2017; fall 2017; fall 2018; spring 2019; fall 2019

EDLD 722  Measurement and Survey Methods for Educational Leaders  3 Hours
Examination of psychometric properties of measurement instruments used in leadership research; data collection and analysis methods used in survey research; issues related to validity, reliability, and fairness; approaches to evaluate the desired properties of research tools; and quantitative data analysis.
Prerequisite(s): EDFN 501 or permission of instructor
Restriction(s): Students with a semester level of Doctoral Program may not enroll.
Equivalent(s): EDFN 722
Recent Term(s) Offered: spring 2017; summer 2017; spring 2018; summer 2018; spring 2019; summer 2019; fall 2019

EDLD 730  Leading the Organization  3 Hours
Leadership for organizational improvement. Theory and application of systems, communication, culture, change and organizational design, and organizational development.
Restriction(s): Students with a semester level of Doctoral Program may not enroll.
Recent Term(s) Offered: summer 2017; fall 2017; summer 2018; fall 2018; summer 2019; fall 2019

EDLD 732  Program Evaluation for Educational Leaders  3 Hours
Program evaluation theory, methods, and practices with a focus on the practical craft of evaluation research; discussion of theoretical and strategic issues of program evaluation; application of quantitative and qualitative research methods to program evaluation contexts.
Prerequisite(s): EDLD 722 or permission of instructor
Restriction(s): Students with a semester level of Doctoral Program may not enroll.
Recent Term(s) Offered: spring 2017; fall 2017; spring 2018; fall 2018; spring 2019; fall 2019

EDLD 794  Educational Leadership Seminar  3 Hours (repeatable max of 15 hrs)
Seminar in topics and current trends related to educational leadership. Seminars that represent different topics may be repeated for credit with advisor permission.
Recent Term(s) Offered: winter 2017; spring 2017; summer 2017; fall 2017; spring 2018; spring 2019; summer 2019

EDLD 795  Advanced Topics in Educational Leadership  1-6 Hours (repeatable max of 6 hrs)
Individualized independent study in educational leadership. Note: Permission of Director of Education Leadership Doctoral Program required. May be repeated for credit, but no more than six hours may be applied toward the EdD Educational Leadership program.
Restriction(s): Enrollment is limited to students in Educational Leadership (0010)
Recent Term(s) Offered: spring 2017; summer 2017; fall 2017; spring 2018; fall 2018; spring 2019; summer 2019

EDLD 796  International Aspects of Educational Leadership  1-6 Hours (repeatable max of 6 hrs)
Experiential study of international issues in educational leadership by working with international communities and agencies within or outside the U.S. Note: Permission of Director of Educational Leadership Doctoral Program required. May be repeated for credit, but no more than six hours may be applied toward the EdD Educational Leadership program. International travel may be required at student’s expense.
Restriction(s): Enrollment is limited to students in Educational Leadership (0010)
Recent Term(s) Offered: winter 2017; winter 2018; summer 2018; summer 2019

EDLD 797  Dissertation Seminar  3 Hours
A seminar designed to assist students in conceptualizing and developing the research for their dissertation. Emphasizes writing and research skills needed to complete the prospectus and begin writing the dissertation.
Note: Admission to candidacy or permission of Director of Educational Leadership Doctoral Program required.
Restriction(s): Enrollment is limited to students in Educational Leadership (0010)
Recent Term(s) Offered: fall 2017; fall 2018; spring 2019

EDLD 798  Educational Leadership Doctoral Program Internship  3-6 Hours (repeatable max of 6 hrs)
Internship or experiences designed in coordination with program advisor to enhance knowledge and skills related to educational leadership.
Restriction(s): Enrollment is limited to students in Educational Leadership (0010)
Recent Term(s) Offered: winter 2017; spring 2017; summer 2017; fall 2017; winter 2018; spring 2018; summer 2018; fall 2018; winter 2019; spring 2019; summer 2019; fall 2019
ELED 570  Workshop - Elementary Education  1-3 Hours (repeatable max of 6 hrs)
Opportunity for elementary teachers to engage in the concentrated study of specific problems and/or the development of specific skills related to effective classroom instruction.
Recent Term(s) Offered: summer 2017

ELED 571  Leadership, Math and Technology Education  3 Hours
Leadership and pedagogy for integrating mathematics and technology initiatives within elementary school settings.
Prerequisite(s): permission of instructor
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

ELED 572  Math and Technology Methods for Diverse Learners  3 Hours
Methods for teaching mathematics to and integrating technology with diverse learners in the elementary school setting.
Prerequisite(s): permission of instructor
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019

ELED 573  Math and Technology Assessment  3 Hours
Techniques for using technology to plan, implement, and evaluate mathematics assessment in the elementary school setting.
Prerequisite(s): permission of instructor
Recent Term(s) Offered: summer 2017; summer 2018; summer 2019

ELED 577  Seminars in Elementary School Science  3 Hours
Advanced methods and materials for teaching the sciences. No course description is available
Recent Term(s) Offered: None

ELED 578  Mathematics Methods for Diverse Learners  3 Hours
Mathematics teaching and learning strategies designed to meet the needs of diverse learners in elementary schools.
Recent Term(s) Offered: None

ELED 579  Mathematics Methods and Materials for Early Childhood Education  3 Hours
Study of alternative instructional strategies and support materials appropriate for early learners in language arts-reading, mathematics, social studies, and science.
Recent Term(s) Offered: None

ELED 580  Maintain Matriculation  1-6 Hours (repeatable max of 6 hrs)
Continued enrollment for dissertation completion. Note: Completion of dissertation credit hours required.
Prerequisite(s): permission of instructor
Restriction(s): Enrollment is limited to students in Educational Leadership (0010)
Recent Term(s) Offered: spring 2017; summer 2017; fall 2017; winter 2018; spring 2018; summer 2018; fall 2018; winter 2019; spring 2019; summer 2019; fall 2019

ELED 581  Maintain Matriculation  1-6 Hours (repeatable max of 6 hrs)
Continued enrollment for thesis completion.
Prerequisite(s): permission of instructor
Restriction(s): Enrollment is limited to students in Educational Leadership (0010)
Recent Term(s) Offered: spring 2017; summer 2017; fall 2017; winter 2018; spring 2018; summer 2018; fall 2018; winter 2019; spring 2019; summer 2019; fall 2019

EDLD 999  Doctoral Pre-Orientation  0 Hours
No course description is available
Recent Term(s) Offered: None
ENG 404G  History of the English Language  3 Hours
Origin and development of the language from Indo-European to Modern English with emphasis on developments in the sound system, vocabulary, and grammar; historical and cultural effects.
Recent Term(s) Offered: None

ENG 407G  Linguistic Analysis  3 Hours
Current linguistic theory which includes the important levels of language as a means of communication; various theories and applications of linguistic theory to other fields of study.
Prerequisite(s): permission of instructor
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

ENG 408G  Psycholinguistics and Sociolinguistics  3 Hours
The study of developmental psycholinguistics (language acquisition), experimental psycholinguistics (speech production/comprehension, and sociolinguistics (how language varieties are used by families, school systems and multicultural nations).
Prerequisite(s): ENG 407G
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019

ENG 410G  Composition Theory and Practice in Writing Instruction  3 Hours
A study of contemporary theories of composition with emphasis on their relevance to writing and the teaching of writing.
Recent Term(s) Offered: fall 2017; spring 2018; spring 2019

ENG 412G  Theories of Rhetoric and Persuasive Writing  3 Hours
A survey of the history of rhetorical theory from the classical to the contemporary period with emphasis on how theories reflect and guide persuasion in public and written discourse.
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019

ENG 415G  Writing and Technology  3 Hours
Study of issues surrounding interrelations of technology and writing; effects of technologies (e.g., printing press, computers) on writing processes and on types of writing; institutional changes wrought by computers.
Prerequisite(s): ENG 300
Recent Term(s) Offered: fall 2017; fall 2019

ENG 430G  19th Century American Literature  3 Hours
Seminar in 19th-century American literature; course topics will vary.
Recent Term(s) Offered: fall 2017; fall 2019

ENG 457G  British Literature since 1900  3 Hours
A study of British fiction, poetry, and/or drama produced between 1900 and the present. Topic will vary.
Recent Term(s) Offered: fall 2018

ENG 460G  Literary Theory and Criticism  3 Hours
A study of theories and methods of literary and cultural analysis selected from ancient times to the present. Focus includes the written practice of criticism in response to a wide variety of texts.
Recent Term(s) Offered: spring 2018

ENG 465G  Film Genres  3 Hours
Study of the historical development, thematic and stylistic conventions, and cultural significance of film genre(s). Surveys representative films from one or two genres, e.g., film noir and the Western; romantic comedy and family melodrama; horror and science fiction; the musical; the war film; the epic.
Prerequisite(s): permission of instructor
Recent Term(s) Offered: spring 2017; spring 2019

ENG 466G  Film Theory  3 Hours
Study of major theories of narrative film and related media; specific theories examined will include formalist, auteurist, historical, structuralist, psychoanalytical, and political. Will include viewing of selected films.
Prerequisite(s): permission of instructor
Recent Term(s) Offered: fall 2019

ENG 467G  Visiting Writer Summer Workshop  3 Hours (repeatable max of 6 hrs)
Advanced creative writing workshop. Offered for four weeks each summer by a visiting writer of national reputation. Alternating genres.
Prerequisite(s): permission of instructor
Recent Term(s) Offered: None

ENG 468G  Early Modern English Literature  3 Hours
A study of selected literary works from sixteenth- and seventeenth-century England, with attention to the historical, theoretical, and aesthetic conditions that shaped the imaginative development of English literature.
Recent Term(s) Offered: spring 2019

ENG 471G  TESL Practicum  4 Hours
Supervised observation and instruction in public school or other appropriate settings, culminating in the production of a portfolio. Note: Students are responsible for arranging their own transportation to designated or assigned sites.
Prerequisite(s): ENG 407G and ENG 408G and ENG 565 and ENG 566 and permission of instructor
Recent Term(s) Offered: spring 2019

ENG 474G  Advanced Poetry Writing  3 Hours (repeatable max of 9 hrs)
An advanced, intensive course in the writing of poetry, emphasizing the practice and prevalent theories of contemporary poets.
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

ENG 475G  Advanced Fiction Workshop  3 Hours (repeatable max of 9 hrs)
An advanced and intensive course exploring the techniques of writing fiction, emphasizing contemporary theory and practice.
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019

ENG 481G  Chaucer  3 Hours
Representative works of Chaucer, with emphasis on The Canterbury Tales; backgrounds; outside readings and reports.
Recent Term(s) Offered: None

ENG 482G  Shakespeare  3 Hours
A study of selected works by Shakespeare, situating them in their cultural moment and considering what has made them so durable, adaptable, deeply familiar, and popular in successive generations.
Recent Term(s) Offered: fall 2018

ENG 484G  British Romanticism  3 Hours
British literature and culture from the late 18th and early 19th centuries.
Recent Term(s) Offered: spring 2017
ENG 486G  The Eighteenth Century  3 Hours
Eighteenth-century literature, forms, and developments.
Recent Term(s) Offered: None

ENG 487G  Dante's Divine Comedy and its Influences  3 Hours
An intensive study of The Divine Comedy, in English translation, along with Dante's major sources and analogues.
Recent Term(s) Offered: fall 2017; fall 2019

ENG 488G  Victorian Literature & Culture  3 Hours
Studies in Victorian poets and novelists, emphasizing the rise and fall of the British Empire and the birth of mass media.
Recent Term(s) Offered: None

ENG 489G  The British Novel  3 Hours
A comprehensive exploration of English-language novels, from the Mother Country to the Colonies. Emphasis on genre development as a reflection of contemporary history.
Recent Term(s) Offered: fall 2019

ENG 490G  American Novel  3 Hours
Study of the American novel as a genre. Topic will vary by semester.
Recent Term(s) Offered: spring 2017; spring 2019

ENG 493G  American Poetry  3 Hours
The course examines, in addition to major writers, selected major movements and schools in American poetry, paying special attention to influences, techniques and styles.
Recent Term(s) Offered: spring 2017; fall 2018

ENG 495G  Southern Literature  3 Hours
Selected texts by writers from and about the United States South.
Recent Term(s) Offered: spring 2017; spring 2019

ENG 496G  The British Empire  3 Hours
Study of the literary history, criticism, and theory of women's writing, with Dante's major sources and analogues.
Recent Term(s) Offered: spring 2017; spring 2019

ENG 497G  Women's Literature  3 Hours
Study of the literary history, criticism, and theory of women's writing, with an emphasis on American and British writers.
Recent Term(s) Offered: fall 2017; fall 2018

ENG 498G  The American Novel  3 Hours
A reading course for creative writers. Students will closely read and discuss literary works and craft essays. They will analyze and emulate the forms and techniques of leading practitioners of poetry, literary fiction, creative nonfiction, and scriptwriting.
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019

ENG 499G  American Literature  3 Hours
Focusses on an area of study in American literature from a range of historical periods; explores a particular topic and/or an array of literary genres or modes.
Recent Term(s) Offered: None

ENG 500  Graduate Writing Workshop  3 Hours (repeatable max of 21 hrs)
Provides a Master's level workshop for students with varied writing interests.
Recent Term(s) Offered: spring 2017; fall 2017; spring 2018; fall 2018; fall 2019

ENG 501  Graduate Directed Writing  3 Hours
Provides a graduate-level directed writing course for students with varied writing interests.
Recent Term(s) Offered: spring 2018

ENG 502  Graduate Directed Writing  3 Hours (repeatable max of 6 hrs)
Provides a graduate-level directed writing course for students with varied writing interests.
Recent Term(s) Offered: spring 2018

ENG 504  Studies in American Literature  3 Hours (repeatable max of 6 hrs)
Focuses on an area of study in American literature from a range of historical periods; explores a particular topic and/or an array of literary genres or modes.
Recent Term(s) Offered: None

ENG 507  Introduction to Creative Writing Studies  3 Hours
An introduction to the field of creative writing studies; its history within academia; its pedagogies; and its distinctive culture, including common practices in networking, lifelong learning and professional development, and best practices for writers seeking to publish their work.
Restriction(s): Enrollment is limited to students in Creative Writing (0478)
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

ENG 508  Practicum in One-to-One Writing Instruction  0 Hours
Participants will study the theory and practice of writing conferences and tutorials. Course will prepare participants to work individually with students, both as part of classroom instruction and in tutorial settings.
Note: This course is reserved for graduate assistants in the English Department.
Prerequisite(s): ENG 100 and ENG 200 and ENG 300
Recent Term(s) Offered: fall 2017; spring 2018; fall 2018; fall 2019

ENG 510  Graduate Rhetoric and Writing  3 Hours
Rhetorical theories and the practical considerations of college writing instruction. Open to all students but required of teaching assistants prior to their first teaching assignment.
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

ENG 511  Writing Instruction Practicum  0 Hours
A practicum in composition instruction for English Department graduate assistants who will be teaching ENG 100 as part of their assistantship in subsequent semesters. Note: Department graduate assistant status and completion of a minimum of nine hours of English course work required.
Restriction(s): Enrollment is limited to students in Creative Writing (0478) or English (067)
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019

ENG 512  Reading as a Writer  3 Hours
A reading course for creative writers. Students will closely read and discuss literary works and craft essays. They will analyze and emulate the forms and techniques of leading practitioners of poetry, literary fiction, creative nonfiction, and scriptwriting.
Restriction(s): Enrollment is limited to students in Creative Writing (0478)
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019

ENG 514  Studies in British Literature  3 Hours (repeatable max of 6 hrs)
Focuses on an area of study in British literature from a range of historical periods; explores a particular topic and/or an array of literary genres or modes.
Recent Term(s) Offered: spring 2017; spring 2018

ENG 515  Internship  1-6 Hours (repeatable max of 6 hrs)
Professional work experience combined with faculty direction.
Restriction(s): Enrollment is limited to students in Creative Writing (0478)
Recent Term(s) Offered: summer 2017; summer 2018; summer 2019

ENG 516  Literature and Pedagogy  3 Hours
Pedagogical theories and the practical considerations of teaching college literature. Note: In addition to prerequisite courses, 3 hours of graduate literature coursework required.
Prerequisite(s): ENG 510 and (ENG 507 or ENG 520)
Recent Term(s) Offered: spring 2018; spring 2019
ENG 520  Introduction to Graduate Studies  3 Hours  
Basic bibliography and bibliographical problems; research methods requisite for the MA thesis and scholarly publications; methodologies of recent critical essays.  
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019  

ENG 524  Studies in World Literature  3 Hours (repeatable max of 6 hrs)  
A study of world literature, ranging widely over historical periods (classical to modern) and geographical areas (Eastern and Western), including both canonical works and non-traditional literatures; topics will vary every semester.  
Recent Term(s) Offered: fall 2017; fall 2019  

ENG 534  Studies in Genre  3 Hours (repeatable max of 6 hrs)  
Study of a particular genre, such as the novel, short stories, life writing, poetry, or drama. Topics will vary.  
Recent Term(s) Offered: spring 2017; fall 2017; spring 2019  

ENG 555  Integrated Teaching English as a Second Language  3 Hours  
Solid foundation in the theories of child-adult classroom-based language learning and methods for English language instruction. Field experiences in public schools or other appropriate settings away from campus are required. Note: Students are responsible for arranging their own transportation to designated or assigned sites.  
Recent Term(s) Offered: spring 2018; spring 2019  

ENG 556  Teaching and Testing ESL Grammar  3 Hours  
Investigation of ESL learners' grammatical difficulties, approaches to solving them, and ways to test their grammatical development. Field experiences in public schools or other appropriate settings away from campus are required. Note: Students are responsible for arranging their own transportation to designated or assigned sites.  
Prerequisite(s): ENG 407G  
Recent Term(s) Offered: fall 2018; fall 2019  

ENG 566  Seminar in British Writers  3 Hours (repeatable max of 6 hrs)  
Content varies. Selected works or writers.  
Recent Term(s) Offered: fall 2018  

ENG 596  Seminar in American Writers  3 Hours (repeatable max of 6 hrs)  
Topics will vary. Selected works or writers.  
Recent Term(s) Offered: spring 2018  

ENG 597  Special Topics in English  3 Hours (repeatable max of 9 hrs)  
Seminar on topics in literature, language, or composition.  
Recent Term(s) Offered: spring 2017; summer 2017; summer 2018; summer 2019  

ENG 598  Advanced Directed Study  3-6 Hours (repeatable max of 6 hrs)  
Supervised student research on literary or linguistic topics.  
Recent Term(s) Offered: spring 2018  

ENG 599  Thesis Research and Writing  1-6 Hours (repeatable max of 6 hrs)  
Thesis research and writing directed by faculty committee.  
Recent Term(s) Offered: spring 2017; summer 2017; spring 2018; summer 2018; spring 2019; summer 2019  

ENG 600  Maintaining Matriculation  1-6 Hours (repeatable max of 6 hrs)  
Continued enrollment for thesis completion.  
Recent Term(s) Offered: summer 2017; fall 2017; spring 2018; fall 2018; spring 2019; fall 2019  

Environmental & Occupational Health Science (EOHS)  

EOHS 502  Health Promotion in the Workplace  3 Hours  
Provides specific skills and concepts for worksite health promotion as it pertains to designing, implementing, and evaluating multifaceted health promotion programs in the workplace. Additional skills acquired in this course include financial and marketing strategies, policy development, and effective communication between employer and employee.  
Recent Term(s) Offered: fall 2018; spring 2019; summer 2019; fall 2019  

EOHS 503  Health Assessment in Workplace  3 Hours  
This course presents concepts and teaches skills needed to assess health status at the individual, organizational, and community levels in a workplace wellness environment. Emphasis is placed on, but not limited to, physical and psychological components of health.  
Recent Term(s) Offered: None  

EOHS 510  Watershed Management and Science  3 Hours  
Watershed management and science including water resources protection, watershed health development and assessment, and environmental and water ethics.  
Recent Term(s) Offered: fall 2017; fall 2018  

EOHS 546  Environmental & Occupational Health Science Internship  3,6 Hours (repeatable max of 6 hrs)  
Supervised experience in an organization, facility, industry or business with Environmental, Occupational Health & Safety or Workplace Health Promotion responsibilities (or a combination of those). Assignments individually arranged. Note: Off-campus travel required. Permission of EOHS internship coordinator required.  
Recent Term(s) Offered: spring 2017; fall 2018; spring 2019; summer 2019; fall 2019  

EOHS 550  Principles of Occupational Safety and Health  3 Hours  
Examines the principles of occupational safety and health in the workplace for controlling hazards, preventing occupational exposures, and improving worker health. Concepts surveyed will include hazards in the workplace, hazard and safety analysis, hierarchy of controls, injury prevention, industrial hygiene, workplace health promotion, and occupational safety and health management.  
Recent Term(s) Offered: fall 2018; fall 2019  

EOHS 560  Environmental Management and Risk Assessment  3 Hours  
Application of environmental management systems, methods, and tools to mitigate threats to environmental and human health. Guide students to understand their role as an environmental health professional working with the public and private sectors in controlling adverse environmental conditions through the competencies of assessment, management, and communication. Application of risk assessment as it relates to human and environmental health.  
Prerequisite(s): PH 584 or permission of instructor  
Recent Term(s) Offered: fall 2017; spring 2019
EOHS 570 Industrial Hygiene 3 Hours (repeatable max of 6 hrs)
Prepares contemporary occupational exposure and hazard issues in the
workplace. Issues of industrial hygiene and control methods of control
are addressed. Note: Field trips required; students responsible for own
transportation.
Prerequisite(s): EOHS 577 and PH 520
Recent Term(s) Offered: fall 2017; fall 2018

EOHS 571 Air Quality Management 3 Hours
Examines the origins, dispersion, control, and effects of air pollution;
indoor air pollution; and the history of air quality control management.
Provides a balanced account of air quality control regulations including
the provisions and implications of the Federal Air Quality regulations,
standards, setting, policy implementation and technical and management
aspects of air quality control.
Prerequisite(s): PH 584 or permission of instructor
Course Fee: $50
Recent Term(s) Offered: spring 2018; fall 2019

EOHS 572 Environmental and Occupational Epidemiology 3 Hours
The course will introduce students to the research approaches for the
epidemiologic study of the environmental and workplace hazards.
This course involves the study and reasoning of environmental and
occupational epidemiologic study designs, basic and novel methods of
characterizing exposures, and techniques for designing epidemiologic
studies and implementing methods to improve the evaluation of research
in these fields.
Prerequisite(s): PH 520 and PH 582
Recent Term(s) Offered: None

EOHS 577 Environmental Toxicology 3 Hours
Toxicological principles and environmental risk assessment with
emphasis on routes of exposure, biokinetics, and response to chemical
stressors.
Recent Term(s) Offered: spring 2018; spring 2019

EOHS 580 Solid and Hazardous Wastes 3 Hours
Management of solid and hazardous wastes in the environment.
Emphasis on regulatory compliance, control and remediation
technologies, and environmental pathways.
Recent Term(s) Offered: spring 2017; fall 2017; spring 2018; fall 2018; fall 2019

EOHS 595 Public Health Management of Disasters 3 Hours
Examines the background and history of natural and technological
disasters, their characteristics, human health and environmental impacts,
and the management activities needed to control them. Provides an
overview of federal programs to enhance state and local prevention,
preparedness, and public health response to disasters.
Prerequisite(s): PH 584 or permission of instructor
Recent Term(s) Offered: None

Environmental Education (ENVE)

ENVE 520 Introduction to Environmental Education 3 Hours
This course will provide students with an introduction to the field
of environmental education, including basic history and philosophy,
methodologies, resources for educators, and current trends in the field.
Recent Term(s) Offered: spring 2017; spring 2018

ENVE 560 Investigating and Evaluating Environmental Issues 3 Hours
Specifically designed for teachers and other educators, course focuses
on the identification and evaluation of specific environmental issues,
leading to possible environmental/service action projects by their
students, with attention to the potential outcomes of such projects on the
physical environment, other humans, and other living things.
Recent Term(s) Offered: None

ENVE 580 Instructional Strategies in Environmental Education 3 Hours
Specific teaching strategies associated with the field of environmental
education programs will be addressed, with an emphasis on active,
experiential learning. Portions of the course are taught in field settings.
Students are responsible for arranging their own transportation to
designated or assigned sites.
Recent Term(s) Offered: fall 2018

ENVE 585 Special Topics in Environmental Education 1-3 Hours
(repeatable max of 6 hrs)
A consideration of special topics to acquaint the advanced student
with significant problems and developments of current interest in
environmental education.
Recent Term(s) Offered: spring 2017; summer 2017; fall 2017; fall 2018

Family and Consumer Sciences (FACS)

FACS 510 Professional Development Seminar in Family and Consumer
Sciences 3 Hours
Examines recent developments and trends to enable students to consult
and collaborate with other professionals. Provides the foundation for
life-long learning and the development of depth and breadth in FACS
professions.
Recent Term(s) Offered: spring 2018; fall 2019

FACS 511 Grant Writing for Child and Family Programs 3 Hours
Introduce and provide students with the background necessary to
develop a funding proposal. The grant writing process and how to
manage the award will be explored.
Recent Term(s) Offered: summer 2017; summer 2018; summer 2019

FACS 521 Interior Ergonomics I 3 Hours
Sociological and psychological factors in interior design—separately, in
relation to each other, and in relationship to other disciplines.
Recent Term(s) Offered: None

FACS 522 Interior Ergonomics 3 Hours
Cultural and anthropometric literature related to interior design;
interrelationships between culture and anthropometrics.
Recent Term(s) Offered: None

FACS 531 Cultural Patterns-Dress 3 Hours
In-depth analysis of literature and research to cultural aspects of
clothing. Specific cultural emphasis will vary.
Recent Term(s) Offered: None

FACS 533 Fashion Merchandising 3 Hours
Principles, problems, and practices of curriculum, field experiences, and
extended classroom activities related to fashion merchandising.
Recent Term(s) Offered: None
FACS 535  Textile Analysis  3 Hours
Qualitative and quantitative techniques for physical and chemical analysis of textiles. Planning and conducting textiles analyses and evaluating resulting data.
Recent Term(s) Offered: None

FACS 536  Seminar in Institutional and Home Environment  3 Hours
Technological, cultural, and educational developments in institutional and home environment. Opportunity to pursue individual interest in specialized areas, e.g., textiles, clothing, merchandising, interior design, housing, foods, home economics education, etc.
Recent Term(s) Offered: None

FACS 537  Critique and Design of Investigations in Textiles and Clothing  3 Hours
Opportunity to pursue individual interest in specialized areas, e.g., textiles, clothing, merchandising, interior design, housing, foods, nutrition, textiles, home economics education, etc. Critical evaluation of theses and published research.
Recent Term(s) Offered: None

FACS 540  Infant and Toddler Development and Research  3 Hours
In-depth study of infant and toddler development and theories, integrating and applying current research in relevant areas. Note: Successful completion of an undergraduate child development course required.
Prerequisite(s): permission of instructor
Recent Term(s) Offered: spring 2018

FACS 541  Home Based Positive Behavioral Supports  3 Hours
Acquaints students with positive behavioral assessment and supports working with parents of typically developing children in home settings. Observation hours required.
Recent Term(s) Offered: None

FACS 542  Stress and Coping in Children  3 Hours
Prepare students to work with children who are facing extreme stress. Factors influencing development of coping skills in children are emphasized. Observation hours required. Note: Successful completion of an undergraduate child development course required.
Prerequisite(s): permission of instructor
Recent Term(s) Offered: None

FACS 543  Global Perspectives of Child and Family  3 Hours
Study of similarities and variations of child development, family relations, and parenting among cultures from different regions around the world and in the United States. Note: Successful completion of an undergraduate child development course required.
Prerequisite(s): permission of instructor
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

FACS 544  Issues in Child Care and Early Education  3 Hours
Comprehensive review and discussion of theory, research, practice, and public policy aspects of child care and early education within their cultural and historic contexts. Observation hours required.
Recent Term(s) Offered: None

FACS 550  Youth and Family Theory and Research  3 Hours
Analysis of theories and research relevant to the development of adolescents and family life. Prepare professionals to work with youth and families in various settings. Field work required.
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

FACS 551  Community, Child, & Youth Program Development  3 Hours
Basic concepts in planning, conducting, administering, and evaluating community child and youth programs.
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019

FACS 560  Family Diversity  3 Hours
Examination of the multiple meanings of family. Particular focus includes the history, demographics, and cultural variations of traditionally marginalized groups and relationships.
Recent Term(s) Offered: None

FACS 561  Adult Development and Aging in the Family  3 Hours
Examination of the development of the adult through the life cycle and aging processes in the context of family and relationships. Particular interest is paid to biological, cognitive, social, and cross-cultural theories of development.
Recent Term(s) Offered: None

FACS 562  Advanced Family Resource Management  3 Hours
Advanced study and application of consumerism as it relates to families.
Recent Term(s) Offered: None

FACS 571  Seminar in Family and Consumer Science Education  3 Hours
No course description is available
Recent Term(s) Offered: None

FACS 572  Curriculum Development in Family and Consumer Sciences Education  3 Hours
Curriculum trends in family and consumer sciences education and curriculum development in specialized fields of family and consumer sciences.
Recent Term(s) Offered: None

FACS 573  Evaluation in Family and Consumer Sciences Education  3 Hours
Theory and techniques of evaluation in family and consumer sciences education at different levels. Analysis and refinement of instruments; interpretation of results of self-evaluation; and effective administration of programs.
Recent Term(s) Offered: None

FACS 574  Supervision in Family and Consumer Sciences Education  3 Hours
Theory, principles, and techniques of preservice and in-service training of teachers in family and consumer sciences. Emphasis on preparation of supervisory materials and evaluation.
Recent Term(s) Offered: None

FACS 575  Independent Study in Family and Consumer Sciences  3 Hours
Evaluation of family and consumer sciences investigations. Includes planning and completing an individual study of limited scope.
Recent Term(s) Offered: None

FACS 577  Child Development Theory and Research  3 Hours
Analysis of current theories and research relevant to the development of social-perceptual cognitive, and physical-physiological processes in children.
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019
FACS 580  Internship  3 Hours (repeatable max of 6 hrs)
Field experience in a family and consumer sciences setting appropriate for the program the candidate is completing.
Prerequisite(s): permission of instructor
Recent Term(s) Offered: fall 2017; spring 2018; fall 2018; spring 2019; fall 2019

FACS 582  Sensory Evaluations and Qualities of Food  3 Hours
Principles and methodologies in sensory evaluations of foods; collection, analysis, and presentation of sensory data; focuses on determinants of quality in foods.
Recent Term(s) Offered: None

FACS 585  Nutrition for the Elderly  3 Hours
Analysis of literature and research related to nutritional problems of the elderly; analysis of resources that assist them with their specific problems. (Lecture, field trips, and lab)
Recent Term(s) Offered: summer 2018

FACS 598  Special Topics in Family and Consumer Sciences  1-6 Hours
(repeatable max of 6 hrs)
No course description is available.
Prerequisite(s): permission of instructor
Recent Term(s) Offered: spring 2017; spring 2019; summer 2019

FACS 599  Thesis Research/Writing  1-6 Hours (repeatable max of 6 hrs)
Thesis research and writing directed by faculty committee.
Recent Term(s) Offered: None

FACS 600  Maintaining Matriculation  1-6 Hours (repeatable max of 6 hrs)
Continued enrollment for thesis completion.
Recent Term(s) Offered: None

Finance (FIN)

FIN 437G  Corporate Asset Management  3 Hours
Advanced level exposure to valuation concepts, capital budgeting decisions, working capital management, and mergers and acquisitions. Deals with the current theory and practice of corporate finance in these areas.
Prerequisite(s): FIN 330 with a minimum grade of C and ECON 307 (may be taken concurrently)
Recent Term(s) Offered: None

FIN 438G  Corporate Funds Management  3 Hours
Advanced level exposure to financing and dividend policy, short-, intermediate-, and long-term financing, and financial statement analysis. Deals with the current theory and practice of corporate finance in these areas.
Prerequisite(s): FIN 330 with a minimum grade of C and ECON 307 (may be taken concurrently)
Recent Term(s) Offered: None

FIN 439G  SEC Analysis/Portfolio Management  3 Hours
An advanced level exposure to fixed income and equity security valuation, and the theory and practice of portfolio management.
Prerequisite(s): FIN 332
Recent Term(s) Offered: None

FIN 449G  Practicum in Portfolio  3 Hours (repeatable max of 6 hrs)
Practical experience in managing an investment portfolio in a teamwork environment. Emphasis placed on economics, industry, and company analysis, security selection, report preparation, daily decision making, record keeping and performance evaluation. Students will be responsible for making all material decisions in managing an actual investment portfolio of real funds.
Prerequisite(s): FIN 332
Recent Term(s) Offered: None

Folk Studies (FLK)

FLK 410G  African American Music  3 Hours
A survey of selected musical styles created and developed by African Americans from the 17th to the 20th century: spirituals, blues, popular music forms (e.g. soul, reggae, rap music). Emphasis will be placed on the historical factors and socio-cultural trends that influenced the development of African-American music.
Recent Term(s) Offered: None

FLK 445G  American Architectural History  3 Hours
An interdisciplinary survey of American architectural history, including trends and styles, architect designed and manufactured structures and elements, and the social history of American architecture.
Recent Term(s) Offered: spring 2018

FLK 462G  Folklore and Medicine  3 Hours
Examines the role of traditional culture in shaping attitudes and behavior related to sickness, health, and healing. Institutional, alternative, and informal medical settings are discussed.
Recent Term(s) Offered: spring 2018; fall 2019

FLK 464G  Vernacular Architecture  3 Hours
The forms, functions, and styles of buildings constructed according to custom from local materials to meet individual and cultural preferences.
Recent Term(s) Offered: fall 2018

FLK 470G  Museum Procedures and Preservation Techniques  3 Hours
Essential aspects of museums and of preservation, i.e., collecting, preserving, researching, exhibiting, and interpreting material culture.
Recent Term(s) Offered: spring 2017; spring 2019

FLK 478G  Folklore and Literature  3 Hours
Readings in world literature from the Bible to the modern novel and examination of the degree to which oral literature has affected origins and development of written literature.
Recent Term(s) Offered: spring 2018

FLK 480G  Women's Folklife  3 Hours
The various images and roles of women in the U.S. and selected world cultures as reflected in folklife materials such as narratives, beliefs, ballads, rhymes, games, customs, and folk arts.
Recent Term(s) Offered: spring 2017; fall 2018

FLK 560  Cultural Conservation  3 Hours
Survey of the history, organization, development, and major issues of cultural conservation, specifically as they relate to folklife and the built environment.
Recent Term(s) Offered: fall 2017; fall 2019
FLK 561  Folk Arts and Technology  3 Hours
Examination of the study of material folk culture from various
methodological and theoretical perspectives, including artifactual
analysis, design theory and ethn aesthetics.
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

FLK 562  Folklore and Education  3 Hours
Methods, theories, skills and resources for teaching folklore, with an
emphasis on the K-12 curriculum. Teaching, teacher training, preparation
of guides, lesson plans and curricula, and multiculturalism will be covered.
Recent Term(s) Offered: spring 2017; spring 2019

FLK 569  Folklore Genres  3 Hours
An examination of the oral, customary, and material culture genres of
folklore, and the theories and methods of genre studies.
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

FLK 571  Folk Narrative  3 Hours
A survey of narrative genres of folklore and relevant scholarship.
Recent Term(s) Offered: spring 2018

FLK 572  Public Folklore  3 Hours
History, methods, and issues of public folklore.
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

FLK 575  Folk Belief  3 Hours
An examination of vernacular belief systems and practices, including folk
religion, alternative folk healing, divination, ritual, legend, and myth.
Current historical, philosophical, anthropological, and folkloristic theories
will be covered.
Recent Term(s) Offered: spring 2017; spring 2019

FLK 576  American Traditional Music  3 Hours
An examination of diverse forms of traditional American musical expression.
Recent Term(s) Offered: None

FLK 577  Folklore Theory  3 Hours
Folklore scholarship, its historical development, and its principal
bibliographical materials.
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019

FLK 578  Folklore Fieldwork  3 Hours
Examination of methodological issues and techniques in folklore
fieldwork.
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

FLK 579  Independent Study Folklore  3 Hours
Supervised individual study under the direction of a member of the
folklore graduate faculty.
Prerequisite(s): permission of instructor
Recent Term(s) Offered: spring 2018; spring 2019

FLK 580  Folklore Conversation and Communication  3 Hours
Forms of folklore which occur within a conversational stream. Expressive
culture as a particular culture-specific mode of communication.
Recent Term(s) Offered: None

FLK 585  Topics in Folklore  3 Hours (repeatable max of 6 hrs)
Topics of current interest in the field. Content varies according to the
instructor and needs of the students.
Recent Term(s) Offered: winter 2017; fall 2017; spring 2018; winter 2019

FLK 586  Capstone Course in Historic Preservation  1-3 Hours
Capstone course for students seeking careers in historic preservation/
museum work. Application of acquired theory and practice in developing
a single project in historic preservation or museum work.
Prerequisite(s): permission of instructor
Recent Term(s) Offered: spring 2017

FLK 587  Capstone Course in Public Folklore  1-3 Hours
Capstone course for students seeking careers in public folklore.
Application of acquired theory and practice in developing a single project
in public folklore.
Prerequisite(s): FLK 572 and permission of instructor
Recent Term(s) Offered: None

FLK 589  Internship  1-3 Hours (repeatable max of 3 hrs)
Supervised work situation with cooperating business, industry, social or
governmental agency, emphasizing application of advanced knowledge
and skills in folk studies.
Prerequisite(s): permission of instructor
Recent Term(s) Offered: spring 2017; summer 2017; spring 2018; summer
2018; spring 2019

FLK 599  Thesis Research and Writing  1-6 Hours (repeatable max of 6 hrs)
Master's thesis in folk studies.
Restriction(s): Enrollment is limited to students in Folk Studies (069)
Recent Term(s) Offered: spring 2017; summer 2017; fall 2017; spring 2018

FLK 600  Maintaining Matriculation  1-6 Hours (repeatable max of 6 hrs)
Continued enrollment for thesis completion.
Recent Term(s) Offered: summer 2017; spring 2018; fall 2018

FLK 760  Public Policy and Cultural Heritage  3 Hours
Examines key issues at the intersection of public policy and cultural
heritage with an emphasis on case studies and models for addressing
these issues from an applied folklore perspective.
Prerequisite(s): (FLK 560 or equivalent) or permission of instructor
Recent Term(s) Offered: None

FLK 765  Leadership Seminar in Applied Folklore  3 Hours
Examination of history and current state of leadership practice in
applied folklore with emphasis on case studies and the development of
mentoring relationship with senior folklorists.
Recent Term(s) Offered: None

FLK 772  Folklore and Public Practice  3 Hours
Explores the various dimensions of folklore and public practice at an
advanced level, including the examination of specific case studies and
the application of knowledge to specific student-development projects.
Prerequisite(s): FLK 572 or equivalent
Recent Term(s) Offered: None

FLK 775  Activism and Politics in Applied Folklore  3 Hours (repeatable
max of 6 hrs)
Investigates the uses of folklore in historical and contemporary political
and social activism.
Recent Term(s) Offered: None
FLK 778 Advanced Folklore Fieldwork and Research Methods 3 Hours
Advanced examination of historical and contemporary theory and practice of ethnographic fieldwork.
**Prerequisite(s):** FLK 578 or equivalent
**Recent Term(s) Offered:** None

FLK 785 Topics in Applied Folklore 3 Hours (repeatable max of 6 hrs)
Topics of current interest in applied folklore. Content varies according to the instructor and needs of the students.
**Recent Term(s) Offered:** None

FLK 789 Practicum in Applied Folklore 1-6 Hours (repeatable max of 6 hrs)
Supervised professional experience in Applied Folklore.
**Recent Term(s) Offered:** None

FLK 799 Dissertation Research 1-9 Hours
Research undertaken to complete requirements for Doctor of Folklore Practice.
**Recent Term(s) Offered:** None

FLK 800 Maintain Matriculation 1-3 Hours (repeatable max of 6 hrs)
Course enrollment requirement during completion of dissertation.
**Recent Term(s) Offered:** None

**French (FREN)**

FREN 420G French Stylistics 3 Hours
Creative self-expression, refinement of grammatical understanding, the art of translation, and stylistic devices.
**Prerequisite(s):** FREN 320
**Recent Term(s) Offered:** None

FREN 421G Advanced French Conversation 3 Hours
Discussion on assigned topics and reports on current newspaper and magazine articles. Special emphasis on idiomatic expression.
**Prerequisite(s):** FREN 321
**Recent Term(s) Offered:** None

FREN 427G Francophone Culture 3 Hours
Covers all Francophone countries (including France) and deals with various aspects of culture: oral literature (legends, customs, etc.), music, religion.
**Prerequisite(s):** FREN 323
**Recent Term(s) Offered:** None

FREN 445G French Canadian Literature 3 Hours
A survey of the Quebecois novel, theatre and poetry through a selection of 19th and 20th century writers.
**Prerequisite(s):** (FREN 314 or FREN 321 or FREN 326) or permission of instructor
**Recent Term(s) Offered:** None

FREN 450G Topics in Francophone Cinema 3 Hours
Course examines the way Francophone film directors and social scientists look at various aspects of the most recent cinema: general narrative structure, recurring patterns, relation form/content, ideology.
**Recent Term(s) Offered:** None

FREN 520 Seminar French Literature/Language 3 Hours
A seminar involving the study of a single French author, school of literature, or particular emphasis in a literary genre; or an advanced level study of the French language, its use, development, and/or linguistic principles.
**Recent Term(s) Offered:** None

**Gender & Women's Studies (GWS)**

GWS 421G Women, Gender, and Science 3 Hours
Study of women's participation in the natural and physical sciences, the scientific education of women, contemporary workplaces, and feminist critiques of science.
**Prerequisite(s):** permission of instructor
**Recent Term(s) Offered:** None

GWS 470G Special Topics in Gender and Women's Studies 3 Hours (repeatable max of 6 hrs)
A detailed study of a specialized topic in Women's Studies.
**Prerequisite(s):** permission of instructor
**Recent Term(s) Offered:** None

GWS 535 Roots of Feminism 3 Hours
Survey of key historical feminist writings with emphasis on intersections of gender, race, class, and sexuality in feminist theory.
**Recent Term(s) Offered:** fall 2018

GWS 545 Feminist Knowledge and Social Change 3 Hours
Examination of both feminist knowledge and research as political practices that have the goal of improving the lives of women and challenging rigid configurations of race, class, gender, and other elements of difference.
**Recent Term(s) Offered:** fall 2017; fall 2018; fall 2019

GWS 555 Global and Cross-Cultural Perspectives on Women 3 Hours
Examination of a range of scholarship done in various disciplines on women's political practices around the world and a comparison of women's experiences cross-culturally.
**Recent Term(s) Offered:** spring 2017; spring 2018; spring 2019

GWS 565 Black Feminism and the Politics of Community 3 Hours
Examination of the U.S. Black feminist movement, with attention to challenges with Black communities and across social movements such as feminism and Civil Rights, and to transnational perspectives.
**Recent Term(s) Offered:** fall 2017; fall 2019

GWS 570 Special Topics in Gender & Women's Studies 1-6 Hours (repeatable max of 6 hrs)
A detailed study of a specialized topic in gender & women's studies.
**Restriction(s):** Enrollment is limited to students in Gender Women's Studies (1712)
**Recent Term(s) Offered:** summer 2017; summer 2018

GWS 575 Gender, Justice, and Sustainability 3 Hours
A multidisciplinary examination of political and economic implications of global sustainability, with particular attention to gender and justice.
**Recent Term(s) Offered:** spring 2017; summer 2019
GWS 589  Internship in Women’s Studies  3 Hours
Supervised work situation with cooperating business, industry, social or governmental agency whose primary purpose is advocacy for women. Emphasis on the application of advanced knowledge and skills in women's studies and applicable academic discipline.
Recent Term(s) Offered: None

GWS 590  Directed Study in Women’s & Gender Studies  1-3 Hours (repeatable max of 6 hrs)
Individual research in a specific area of women’s studies in close cooperation with supervising faculty in women’s studies or other field. Note: Completion of 9 hours in Gender & Women’s Studies certificate required.
Prerequisite(s): permission of instructor
Restriction(s): Enrollment is limited to students in Gender Women's Studies (1712)
Recent Term(s) Offered: summer 2018

GWS 625  Women and Leadership  3 Hours
Cross-disciplinary study of women leaders, issues of gender, race, class and power in relationship to women leaders and contemporary issues facing women leaders.
Recent Term(s) Offered: None

GWS 630  Feminist Pedagogies  3 Hours
Multidisciplinary seminar examining a range of approaches to feminist teaching including standard methodologies, issues of professionalism, academic hierarchies, ethics, and feminist communities of research. Note: Completion of 9 hours in the Gender & Women's Studies certificate required.
Prerequisite(s): permission of instructor
Restriction(s): Enrollment is limited to students in Gender Women's Studies (1712)
Recent Term(s) Offered: fall 2017

Geography (GEOG)

GEOG 451G  Geography of Kentucky  3 Hours
Regional study assessing the natural and human resources with special attention to current ecological, social and economic problems. Field experience required.
Recent Term(s) Offered: None

Geoscience (GEOS)

GEOS 500  Geoscience Research and Literacy  3 Hours
Development of geoscience research skills with emphasis on posing of research problems, documentation, organization, and presentation.
Recent Term(s) Offered: spring 2017; fall 2017; spring 2018; fall 2018; fall 2019

GEOS 501  Seminar in Geoscience  3 Hours
Topical seminar examining current issues and trends of the discipline and related fields, recent research, and the role of science, communication, and technology in society.
Recent Term(s) Offered: fall 2019

GEOS 502  Geoscience Research Methods  3 Hours
An introduction to research techniques and methodology appropriate to the thesis project.
Prerequisite(s): GEOS 500 (may be taken concurrently)
Recent Term(s) Offered: spring 2017; summer 2017; fall 2017; spring 2018; summer 2018; spring 2019; fall 2019

GEOS 505  Biogeography  3 Hours
The evolutionary, geographical, ecological, pedological, and edaphic factors involved in the naturalization, acclimatization, and distribution of plant and animal life. Note: Introductory course in geography and/or biology required.
Prerequisite(s): permission of instructor
Recent Term(s) Offered: None

GEOS 506  Geoscience Environmental Seminar  1 Hour
Designed for future environmental practitioners, this course will provide real world examples of environmental science jobs and research projects. The course will impart a broad understanding of environmental science from a multidisciplinary perspective.
Recent Term(s) Offered: None

GEOS 507  Geography for Teachers  3 Hours
Designed for experienced social studies, earth science, and geoscience teachers. Provides up-to-date geographic content, information, and related geographic skills with geography core content for the P-12 classroom.
Equivalent(s): EDU 507
Recent Term(s) Offered: spring 2017; summer 2017; spring 2018; summer 2018; summer 2019; fall 2019

GEOS 510  Geoscience Research Topics  1-3 Hours (repeatable max of 6 hrs)
Supervised independent research in applied or basic geoscience topics.
Recent Term(s) Offered: spring 2017; summer 2017; fall 2017; spring 2018; summer 2018; fall 2018; spring 2019; summer 2019

GEOS 515  Remote Sensing Applications  3 Hours
Applications of remote sensing, analysis of current systems in use globally, and use of data for research and policy. Associated laboratory work and research project includes remote sensing techniques.
Prerequisite(s): GISC 317 or permission of instructor
Course Fee: $50
Recent Term(s) Offered: spring 2018

GEOS 517  Spatial Databases  3 Hours
Advanced topics in GIS database planning, design and implementation and administration. Covers a variety of GIS data models and their design and use in spatial database engines (SDG) used with database management systems software.
Prerequisite(s): (GEOS 575 and GEOS 576) or permission of instructor
Course Fee: $50
Recent Term(s) Offered: fall 2017; spring 2019
GEOS 520  Geoscience Statistical Methods  3 Hours
This course introduces a variety of statistical methods appropriate for the analysis of spatial and temporal data sets commonly used in geosciences.
Prerequisite(s): permission of instructor
Course Fee: $50
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019

GEOS 521  Seminar in Geomorphology  3 Hours
A review of topics in advanced geomorphology, field and laboratory procedures, and an introduction to research in landform analysis. Research in instructor approved geomorphic topics. Note: In addition to prerequisite course, 3 hours in upper level physical geography or geology required.
Prerequisite(s): GEOG 420 or equivalent
Recent Term(s) Offered: fall 2019

GEOS 522  Seminar in Physical Climatology  3 Hours
Addresses the complexity of climactic processes at multiple spatial and temporal scales, and from selected theoretical and practical perspectives.
Prerequisite(s): (METR 324 and MATH 237) or equivalent
Recent Term(s) Offered: fall 2017

GEOS 523  Geoprocessing & GIS Applications  3 Hours
Applications of GIS and spatial methods to urban and regional analysis. Students develop analytical capabilities using a variety of GIS operations and spatial methods in urban and regional planning, transportation, location analysis, and business geographics.
Course Fee: $50
Recent Term(s) Offered: fall 2017; fall 2018

GEOS 524  Meteorology Science Teachers  3 Hours
Basic weather course with emphasis on new developments and applications in the classroom.
Recent Term(s) Offered: None

GEOS 525  Seminar in Political Geography  3 Hours
This course analyzes the world’s geopolitical relationships in a seminar environment. Project-based course structure addresses statehood, society, independence movements, supra-nationalism, nationalism, economy.
Prerequisite(s): GEOG 425 or permission of instructor
Recent Term(s) Offered: None

GEOS 526  Applied Meteorology and Climatology  3 Hours
This course offers a practical insight into the influence of meteorology and climatology on everyday life. Environmental problems caused by changes in the atmosphere are also examined.
Prerequisite(s): permission of instructor
Recent Term(s) Offered: None

GEOS 530  Seminar in Cultural Geography  4 Hours
Seminar-field experience. Covers cultural origins and dispersals, environmental perception and behavior, and resulting consequence upon the geographic landscape.
Prerequisite(s): GEOG 430 or permission of instructor
Recent Term(s) Offered: None

GEOS 531  Seminar in Dynamic Met I  3 Hours
Introduction to large-scale dynamics of the Earth’s troposphere focusing on fundamental topics, the basic governing equations of motion in the atmosphere, and dry thermodynamics.
Prerequisite(s): (METR 324 with a minimum grade of C or equivalent) and (MATH 237 with a minimum grade of C or equivalent)
Recent Term(s) Offered: fall 2017

GEOS 533  Seminar in Synoptic Meteorology  3 Hours
Seminar addresses the analysis and prediction of large-scale weather systems, such as extratropical cyclones and their associated fronts and jet streams, with an emphasis on a supervised research project.
Prerequisite(s): (METR 324 or equivalent) and (MATH 237 or equivalent)
Recent Term(s) Offered: None

GEOS 534  Historic Preservation Planning  3 Hours
Field application of historic preservation method and techniques.
Recent Term(s) Offered: None

GEOS 535  Seminar in Dynamic Meteorology II  3 Hours
Phenomena related to large-scale tropospheric dynamics. Topics include moist and dry thermodynamics, applications of balanced flow, boundary layer processes, and vorticity.
Prerequisite(s): GEOS 531 or equivalent
Recent Term(s) Offered: spring 2018

GEOS 536  Seminar in Mesoscale Meteorology  3 Hours
Use of mesoscale analysis techniques in the prediction of convective precipitation systems, including severe thunderstorms, tornadoes, and hurricanes.
Prerequisite(s): GEOS 533 or equivalent
Recent Term(s) Offered: None

GEOS 537  Seminar in Physical Meteorology  3 Hours
Microscale analytic techniques related to radiative transfer in the atmosphere, cloud and precipitation processes, and dry and moist thermodynamics.
Prerequisite(s): GEOS 531 or equivalent
Recent Term(s) Offered: None

GEOS 538  Seminar in Atmospheric Modeling  3 Hours
An introduction to numerical weather and climate modeling techniques and models, with focus on modeling fundamentals, including dynamics, physical parameterizations, grids and resolutions, model structures and components. Includes hands-on experience with designing numerical experiments, configuring and running model simulations, post-processing model outputs, and visualization.
Prerequisite(s): CS 245 and METR 324
Recent Term(s) Offered: None

GEOS 539  Seminar in Atmospheric Modeling  3 Hours
Advanced Regional Geography  3 Hours
The regional method as a basic approach to geographic research via one or more major regional units. Note: Two courses in regional geography required.
Prerequisite(s): permission of instructor
Recent Term(s) Offered: None
GEOS 543  Environmental Science Concepts  3 Hours
Provides students a fundamental understanding of the inter-relationship between the science and technical disciplines that contribute to our understanding of the environment as a whole. Students are exposed to the unique challenges facing environmental scientists, both from a practitioner and researcher perspective. Students learn to utilize their discipline-specific background in conjunction with an understanding of the roles and impacts of other disciplines to solve environmental problems.
*Recent Term(s) Offered: summer 2017; spring 2019*

GEOS 544  Practical Environmental Ethics  3 Hours
Examination of ethical theory as it relates to environmental issues such as resource allocation, population growth, and technology. Ethical theory is evaluated in terms of its practical contributions to effective environmental understanding, decision-making, and everyday life.
*Prerequisite(s):* GEOS 280 or equivalent
*Recent Term(s) Offered: None*

GEOS 545  Aqueous Geochemistry  3 Hours
An introduction to geochemical processes of surface and ground water including concentrations of ions and organic compounds, chemical equilibria, and analytical techniques. Carbonate and clay minerals will be studied in detail.
*Prerequisite(s):* CHEM 120 and CHEM 121
*Recent Term(s) Offered: spring 2019*

GEOS 550  Advanced Studies in Economic Geography  3 Hours
An examination of the major theories in economic geography.
*Prerequisite(s):* GEG 350 and permission of instructor
*Recent Term(s) Offered: None*

GEOS 555  Global Climate Change  3 Hours
Explores the science behind climate change, including how models, observations, and proxies are used to understand and predict past and future climate, international perspectives on global climate change, and mitigation strategies put forth by the Intergovernmental Panel on Climate Change.
*Prerequisite(s):* GEOS 280 or permission of instructor
*Recent Term(s) Offered: summer 2017*

GEOS 559  Hydrological Fluid Dynamics  3 Hours
Focus on how fluids respond to the application of forces and their impact on the movement of natural waters within the context of the hydrologic cycle. Note: Field trips required.
*Prerequisite(s):* (GEOS 310 with a minimum grade of C or GEOL 310 with a minimum grade of C) and (MATH 136 with a minimum grade of C or equivalent)
*Recent Term(s) Offered: None*

GEOS 560  Environmental Geology  3 Hours
The interrelationships of geologic processes, earth materials, and human activities. Assessment of geologic factors with respect to site selection, energy production, land use, waste disposal, planning, water resources, engineering practices, and the recognition and control of geologic hazards. Class exercises stress the application of geologic knowledge to specific environmental situations.
*Prerequisite(s):* (GEOL 111 and GEOL 113) or permission of instructor
*Recent Term(s) Offered: fall 2019*

GEOS 561  Hydrogeology  3 Hours
Origin, occurrence, and movement of ground water; water wells and aquifer evaluations; exploratory investigations; quality of ground water supplies; legal aspects.
*Prerequisite(s):* GEOG 310 or GEOL 310 or permission of instructor
*Corequisite(s):* MATH 136
*Recent Term(s) Offered: None*

GEOS 563  Geology of Fossil Fuels  3 Hours
Formation of coal, petroleum, and natural gas including depositional setting, source materials, and processes of thermal maturation. Stratigraphic and structural relations, modes of occurrence, exploration techniques, and resource evaluation are emphasized. Field trip required.
*Recent Term(s) Offered: spring 2019*

GEOS 565  Geophysics  3 Hours
The fundamentals of general and exploration geophysics. Topics include the origin of the earth and solar system, the earth’s interior, geochronology, gravity and isostasy, seismology, the earth’s heat, geomagnetism, upper atmosphere, continents and ocean basins, ridges and island arcs, and plate tectonics. The theory and applications of exploration geophysics are also covered, especially gravity, magnetic, and seismic methods.
*Prerequisite(s):* GEOL 111
*Equivalent(s):* PHYS 465G
*Recent Term(s) Offered: fall 2018*

GEOS 566  Karst Geoscience  3 Hours
Focus on the geological, geomorphological, and hydrological processes of karst landscapes, including human-environment interactions over time, with emphasis on the characterization, distribution, and function of various karst systems. Note: Field trips and field-based exercises are required.
*Prerequisite(s):* GEOS 500 (may be taken concurrently) or permission of instructor
*Recent Term(s) Offered: spring 2018*

GEOS 570  Tectonics  3 Hours
Active and past global tectonic activities and environments, recent advances in the field of tectonics, mantle plumes and processes, current plate motions, implication of tectonics for environmental changes and natural hazards, natural resources, large igneous provinces (LIPs), rifted continental margins, oceanic ridges, geothermal energy, subduction and transform zones, past and present orogeny, North American tectonics, sedimentary basins, tectonic geomorphology, thermochronology and interplay between climate-tectonics and landforms.
*Recent Term(s) Offered: fall 2018*

GEOS 571  Applied Natural Resource Management  3 Hours
Seminar approach to understanding natural resource management in the United States and internationally through analysis of past and present environmental problems and implemented alternative solutions.
*Recent Term(s) Offered: spring 2017; spring 2019*

GEOS 575  GIS Analysis and Modeling  3 Hours
Develops expertise with a broad range of spatial analysis functions applied with a cartographic modeling framework.
*Prerequisite(s):* GISC 317 or permission of instructor
*Recent Term(s) Offered: fall 2017; fall 2018; fall 2019*
GEOS 576  GIS Programming  3 Hours
Planning and implementing GIS within an organization. Designing and developing GIS applications to support spatial decision making.
Prerequisite(s): GEOS 575 and CS 146
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019

GEOS 577  Special Topics in Geographic Information Systems  3 Hours
Applications of Geographic Information Systems (GIS) technologies to applied research in urban and regional planning, geology, environmental modeling, transportation, locational analysis, criminology, public health, and internet GIS.
Prerequisite(s): GEOS 575 and GEOS 576
Recent Term(s) Offered: fall 2018

GEOS 580  Seminar Urban Geography  3 Hours
Analysis of problems faced by global cities.
Recent Term(s) Offered: spring 2017

GEOS 584  Applied Environmental Planning  3 Hours
Analysis and application of advanced topics and results of recent research in environmental and general planning.
Recent Term(s) Offered: fall 2017

GEOS 585  Advanced Studies in Population Geography  3 Hours
Seminar approach to regional and world problems in human population.
Prerequisite(s): permission of instructor
Recent Term(s) Offered: None

GEOS 587  Environmental Law, Regulations, and Policy  3 Hours
An introduction to major environmental legislation for air, water, toxic and hazardous pollutants; and related legislative, administrative, and judicial developments. The course provides a broad overview of legal practices and focuses on specific regulatory programs.
Recent Term(s) Offered: fall 2017

GEOS 590  Experimental Design and Data Analysis  3 Hours
Statistical consideration in experimental design including covariance, multiple regression, factorial design, incomplete block designs, etc.
Prerequisite(s): permission of instructor
Equivalent(s): AGRI 590
Recent Term(s) Offered: fall 2017

GEOS 595  Geoscience Practicum  3-6 Hours (repeatable max of 6 hrs)
Supervised geoscience practicum experience in a cooperating government or private agency, business, or community.
Prerequisite(s): GEOS 500 and GEOS 502 and GEOS 520
Recent Term(s) Offered: spring 2017; fall 2017; spring 2018; fall 2018; spring 2019

GEOS 599  Thesis Writing and Research  1-6 Hours (repeatable max of 6 hrs)
Thesis research and writing directed by faculty committee.
Recent Term(s) Offered: spring 2017; fall 2017; spring 2018; fall 2018; spring 2019; fall 2019

GEOS 600  Maintain Matriculation  1-6 Hours (repeatable max of 6 hrs)
Continued enrollment for thesis completion.
Recent Term(s) Offered: spring 2017; summer 2017; fall 2017; spring 2018; summer 2018; fall 2018; spring 2019; fall 2019

---

German (GERM)

GERM 430G  Advanced German Composition and Conversation  3 Hours
Intensive practice in written and spoken German, enabling the student to write letters, reports, essays, and descriptions and to discuss literary, cultural, and political topics.
Recent Term(s) Offered: None

GERM 435G  German Literature 19/20th Century  3 Hours
Major German, Austrian, and Swiss writers of the 19th and 20th centuries, with emphasis on prose and drama.
Recent Term(s) Offered: None

GERM 436G  German Literature of Classic Period  3 Hours
The outstanding works of Goethe, Schiller, and other authors of the late 18th and early 19th centuries.
Prerequisite(s): GERM 314
Recent Term(s) Offered: None

GERM 437G  German Literature and Film  3 Hours
A study of German film and film adaptations of German literature. Emphasis on textual analysis, special film terminology, theoretical approaches to film, writing about film.
Recent Term(s) Offered: None

GERM 555  Topics in Germanic Literature and Culture  3 Hours
(repeatable max of 6 hrs)
This course will examine different topics of interest in German literary and cultural studies.
Recent Term(s) Offered: None

Gerontology (GERO)

GERO 501  Perspectives in Aging  3 Hours
Overview of the fundamental theories, issues and concepts in gerontology. Includes individual and societal aging; and disciplinary perspectives of adaptations and changes to aging.
Recent Term(s) Offered: spring 2017; fall 2017; spring 2018; fall 2018; spring 2019

GERO 503  Policy Foundations of Aging Services  3 Hours
Provides students with knowledge of the policy process and the politics of aging. Focuses on aging policy development and analysis by offering insight into relevant aging issues.
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019

GERO 505  Development and Change of Aging Programs  3 Hours
Prepares students to develop gerontology programs and services for diverse aging populations. Provides students with the knowledge and skills necessary to develop and/or administer services in the field of aging.
Recent Term(s) Offered: fall 2017; fall 2018

GERO 510  Current Issues in Aging  3 Hours (repeatable max of 6 hrs)
Addresses selected topics in aging presented at an advanced level considered key for gerontology professionals.
Recent Term(s) Offered: spring 2017
**Health Care Administration (HCA)**

**HCA 401G  Fundamentals of Health Care Financial Management  3 Hours**
Basic principles of financial management for health care organizations. Financial ratios applicable to health providers and insurance companies; issues in the healthcare revenue cycle and value chain; recognizing sources of risk in reimbursement; and addressing risk in financial plans.

*Recent Term(s) Offered: winter 2017; summer 2017; winter 2018; summer 2018; winter 2019; summer 2019*

**HCA 520  Statistical Application in Health Care  1 Hour (repeatable max of 3 hrs)**
This course covers basic statistical applications in SPSS and MS Excel. Familiarity with personal computers is assumed.

*Corequisite(s): PH 520*

*Recent Term(s) Offered: None*

**HCA 530  Independent Investigation in Health Care Administration  1-6 Hours (repeatable max of 6 hrs)**
Research problems or projects in the area of health care administration.

*Recent Term(s) Offered: None*

**HCA 540  Health Care Organization and Management  3 Hours**
Organization and management principles, theories and practices in the health care environment. The U.S. health care system, the role of the administrator, facilities operations and evaluation, and health administration research.

*Recent Term(s) Offered: fall 2017; fall 2018; fall 2019*

**HCA 541  Strategic Management & Marketing of Health Services  3 Hours**
Marketing principles, theories, and practices in the health care environment. Structured opportunities to study health care marketing literature and to develop skills in marketing plan development.

*Recent Term(s) Offered: winter 2017; spring 2017; fall 2017; winter 2018; spring 2018; fall 2018; fall 2019*

**HCA 542  Health Care Human Resources Administration  3 Hours**
Principles and practices of human resources administration in the health care field. The unique characteristics of professional, technical, skilled and unskilled health care workers explored and emphasized.

*Recent Term(s) Offered: spring 2017; fall 2017; spring 2018; spring 2019*

**HCA 543  Health Care Quality and Accountability  3 Hours**
Critical knowledge of health care quality and required accountability within the health care industry. The major topics of quality assurance, risk management, utilization management, JCAHO and NCQA standards, Six Sigma, and continuous quality improvement will be discussed.

*Corequisite(s): HCA 540*

*Recent Term(s) Offered: spring 2017; fall 2017; spring 2018; spring 2019*

**HCA 544  Healthcare Systems Design and Behavior  3 Hours**
Systems approach to effective and efficient management of health services delivery. Application, analysis and evaluation of organizational design and behavior principles to the health care delivery components. Factors such as structure, work design, operations, and performance that affect decision-making are explored.

*Recent Term(s) Offered: None*
HCA 545 Managerial Finance for Health Services 3 Hours
Methods of financing the delivery of health services in the U.S. Includes budgetary mechanisms and managerial finance techniques for measuring, monitoring, analyzing, and controlling costs for both the providers and consumers of healthcare services.
Prerequisite(s): HCA 540 and BA 505
Recent Term(s) Offered: spring 2017; fall 2017; spring 2018; fall 2018; spring 2019; fall 2019

HCA 546 Graduate Internship 1-6 Hours (repeateable max of 6 hrs)
Supervised, full-time experience in a facility or in an agency approved by the Department of Public Health.
Recent Term(s) Offered: spring 2017; summer 2017; fall 2017; spring 2018; summer 2018; fall 2018; spring 2019; summer 2019; fall 2019

HCA 547 Global and Comparative Health Systems 3 Hours
A review of global health issues including how systems, policies, and program management influence availability and delivery of health services. Students will learn about the development of health systems and make comparisons of different types of health systems based on different aspects of health and health care such as resources availability, access to care, quality of care and models of care delivery. Issues of global health management and health disparities will be investigated in depth at the local, regional and global levels.
Recent Term(s) Offered: winter 2019

HCA 551 Health Care Jurisprudence 3 Hours
Provides an overview of the American legal system as it relates to the health care industry. Topics include duty owed (patients and organizations), ethics, malpractice, risk management, quality, accountability, rights without obligations (of patients, practitioners, and management), and current trends in health care law.
Recent Term(s) Offered: spring 2017; fall 2017; spring 2018; fall 2018; spring 2019; summer 2019

HCA 555 Healthcare Preparedness and Leadership 3 Hours
Disaster planning, Bioterrorism, other weapons of mass destruction, events, emergency response systems management, federal, state, and local coordinating activities, leadership principles, leadership complexities regarding healthcare professionals, and ethical dilemmas in critical leadership scenarios will be discussed.
Prerequisite(s): HCA 540
Recent Term(s) Offered: None

HCA 556 Ambulatory Care/Rural Health 3 Hours
Explores operational management techniques related to ambulatory care settings identifying dynamics unique to outpatient settings. Special focus is on rural areas and their diverse management challenges.
Prerequisite(s): HCA 540
Recent Term(s) Offered: None

HCA 559 Global Health Service-Learning Practicum 3-6 Hours (repeateable max of 6 hrs)
Designed to provide students in health professions with a global service-learning experience. Integrates student knowledge and skills with practical applications in a global health context, based on the student career objectives and the health needs of the served communities.
Prerequisite(s): permission of instructor
Recent Term(s) Offered: summer 2017; summer 2018

HCA 564 Health Systems Informatics 3 Hours
A survey of information use and management in a health care context. Course content includes health information systems, informatics, database design, e-health, and patient privacy.
Corequisite(s): HCA 565
Recent Term(s) Offered: None

HCA 565 Information Systems Laboratory 1 Hour (repeatable max of 3 hrs)
Management of health care data using MS Excel and MS Access. Basic familiarity with personal computers is assumed.
Corequisite(s): HCA 564
Recent Term(s) Offered: None

HCA 571 Managed Care 3 Hours
Overview of managed care and organized delivery systems, including history, organizational structures, financing, cost containment strategies, and policy issues.
Prerequisite(s): HCA 540
Recent Term(s) Offered: None

HCA 572 Special Topics in Health Services 3 Hours
Survey of current topics within the field of health care administration. This course varies in content from term to term and may require field trips to area organizations.
Recent Term(s) Offered: winter 2017; spring 2017; spring 2018; winter 2019; summer 2019

HCA 574 Decision Making in Health Care 3 Hours
Basic decision models and decision making tools useful for managing uncertainty and solving health care management problems. The course is concerned with a wide variety of applied and theoretical archetypes, as well as modeling and quantitative techniques currently used in health care management.
Prerequisite(s): HCA 540
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

HCA 586 Health Economics & Policy 3 Hours
Economic principles applied to the study of health care facilities, health services and manpower. These 400-level courses may be taken for graduate credit. Students receiving graduate credit in 400G courses will be required to do additional research, readings, or other appropriate assignments.
Recent Term(s) Offered: summer 2017; fall 2017; summer 2018; fall 2018; summer 2019; fall 2019

History (HIST)

HIST 404G History of Ancient Egypt 3 Hours
A study of ancient Egyptian civilization with attention to the rediscovery of ancient Egypt by modern scholars and the development of the disciplines of Egyptology.
Recent Term(s) Offered: None

HIST 407G The Crusades: East Meets West 3 Hours
A study of the idea of holy war and political, social, and cultural interaction in the Mediterranean World from 1000 to 1300.
Recent Term(s) Offered: None
HIST 419G  Tudor-Stuart England  3 Hours
A study of the principal political, economic, social, religious, and cultural developments in British history from the beginning of the Tudor dynasty in 1485 to the end of the Stuart dynasty in 1714.
Recent Term(s) Offered: None

HIST 422G  The French Revolution and Napoleonic Era  3 Hours
A survey of the period 1789 to 1815 with special emphasis on the political, economic, social, and events leading to the birth of modern France.
Recent Term(s) Offered: None

HIST 425G  Modern Germany  3 Hours
A survey of German history from the early nineteenth century to the present.
Recent Term(s) Offered: None

HIST 426G  Hitler and Nazi Germany  3 Hours
A detailed study of German history between 1933 and 1945, emphasizing the political, economic, social, diplomatic, and military aspects.
Recent Term(s) Offered: None

HIST 428G  England Since 1914  3 Hours
A detailed study of the political, intellectual, cultural, and socioeconomic developments that transformed England into a welfare state and her empire into a commonwealth of nations.
Recent Term(s) Offered: None

HIST 440G  Colonial History of America to 1776  3 Hours
The founding and development of the colonies, emphasizing political, social, cultural, and economic institutions.
Recent Term(s) Offered: None

HIST 442G  The Age of Jackson, 1815-1850  3 Hours
A detailed study of social, political, and economic events from the War of 1812 through the War with Mexico.
Recent Term(s) Offered: None

HIST 448G  American Biographies  3 Hours
The lives of famous Americans, the times in which they lived, and the skills of their biographers.
Recent Term(s) Offered: None

HIST 449G  Korea and Vietnam  3 Hours
A detailed study of both the Korean and Vietnamese conflicts and how they related to the overall foreign policy of the U.S.
Recent Term(s) Offered: None

HIST 450G  Diplomatic History of the US to 1898  3 Hours
An analysis of American diplomacy from the colonial period through the Spanish-American War.
Recent Term(s) Offered: None

HIST 451G  Diplomatic History of the US since 1898  3 Hours
An analysis of American diplomacy from the Spanish-American War to the present.
Recent Term(s) Offered: None

HIST 460G  Traditional East Asia  3 Hours
A study of the political, socioeconomic, intellectual, and cultural history of China and Japan to 1600.
Recent Term(s) Offered: None

HIST 462G  History of the Middle East  3 Hours
A study of the history, religion, and culture of the Middle East from the rise of Islam until the present.
Recent Term(s) Offered: None

HIST 464G  Latin America and the United States  3 Hours
An intensive study of the relations between Latin America and the United States.
Recent Term(s) Offered: None

HIST 465G  The Mexican Republic  3 Hours
A study of Mexico from 1824 to the present.
Recent Term(s) Offered: None

HIST 471G  Modern China  3 Hours
Detailed study of rise of modern China since the 17th century.
Recent Term(s) Offered: None

HIST 472G  Modern Japan  3 Hours
Analysis of modern Japanese history since 1600 with special emphasis on Japan's transformation from a feudal to a modern state.
Recent Term(s) Offered: None

HIST 479G  Topics in the Third World  3 Hours (repeatable max of 6 hrs)
Intensive study of a selected Third World topic.
Recent Term(s) Offered: None

HIST 480G  History of Science  3 Hours
A study of the cultural and intellectual impact that science has had on the West with an emphasis on the period since the seventeenth century.
Recent Term(s) Offered: None

HIST 490G  Topics in History I  3 Hours (repeatable max of 6 hrs)
Detailed study of selected topics in history.
Recent Term(s) Offered: spring 2017; summer 2019

HIST 491G  Topics in History II  3 Hours (repeatable max of 6 hrs)
Detailed study of selected topics in history, using the lecture and discussion approach.
Recent Term(s) Offered: None

HIST 492G  The History of Canada  3 Hours
A survey of Canada's history and heritage, with special emphasis on Canadian-American relations and interdependency.
Recent Term(s) Offered: None

HIST 501  European History/Secondary Teachers  3 Hours
Emphasis on bibliography, documents, historical interpretations and materials useful for secondary teachers of history.
Recent Term(s) Offered: None

HIST 502  US History/Secondary Teachers  3 Hours
Emphasis on bibliography, documents, historical interpretations and materials for secondary teachers of history.
Recent Term(s) Offered: summer 2017

HIST 505  Cultural Diversity in American History  3 Hours
A topical study of cultural diversity in American history and its influence on the society’s social, political, and economic institutions. Designed to assist teachers in incorporating into their classes knowledge about cultural diversity.
Recent Term(s) Offered: None
HIST 507 The Crusades 3 Hours
The history and scholarship of the Crusades. It will cover major scholarly works on the Crusades and crusading as well as the expansion of Crusade studies into new geographic contexts (the Baltic, the Americas, et al.) and into time periods from the Late Middle Ages to the present.
Recent Term(s) Offered: None

HIST 515 19th Century Britain 3 Hours
An intensive study of the political, economic, social, and intellectual developments within Britain and her empire from 1815 to 1914.
Recent Term(s) Offered: None

HIST 518 Topics in Reformation Europe 3 Hours (repeatable max of 6 hrs)
A study of the religious, political, and social history of Europe from the late Middle Ages to the end of the religious wars in 1648, focusing on differing themes related to the Protestant and Catholic reform movements.
Recent Term(s) Offered: None

HIST 521 US 1900-1945 3 Hours
A study of American social, political, economic, and cultural developments in the period that included two world wars and the Great Depression.
Recent Term(s) Offered: spring 2018

HIST 522 United States Since 1945 3 Hours
A study of all phases of United States history since 1945.
Recent Term(s) Offered: None

HIST 525 Social/Intellectual 19th Century US 3 Hours
A study of nineteenth century American thought and its relation to our social, economic, and political institutions.
Recent Term(s) Offered: None

HIST 526 Social/Intellectual 20th Century US 3 Hours
A study of twentieth century American thought and its relation to our social, economic, and political institutions.
Recent Term(s) Offered: None

HIST 527 Social/Intellectual 19th Century Europe 3 Hours
An examination of political, social, economic, and religious thought of nineteenth century Europe and its relation to the society of the period.
Recent Term(s) Offered: None

HIST 530 History of the Civil Rights Movement in America 3 Hours
Introduction to graduate-level survey of the struggle for civil rights and social justice in 20th century America.
Recent Term(s) Offered: fall 2019

HIST 531 A Cultural History of Alcohol 3 Hours
An examination of the role that alcohol plays in historical development among various world cultures over time. Instructor may choose to focus on a specific region and/or time period.
Recent Term(s) Offered: spring 2018

HIST 535 Historiography 3 Hours
A survey of historical writing from ancient times to the present, with emphasis on European and American historians of the nineteenth and twentieth centuries.
Recent Term(s) Offered: spring 2017; fall 2018

HIST 540 Colonial North America to 1763 3 Hours
The background, founding, and development of the North American colonies, emphasizing political, social, cultural, and economic institutions.
Recent Term(s) Offered: spring 2017; fall 2017

HIST 541 The American Revolution and Early Republic 1763-1815 3 Hours
A study of the origins, progress, and immediate aftereffects of the American Revolution from the Crisis of the 1760s through the War of 1812, including local, regional, and global contexts.
Recent Term(s) Offered: spring 2018

HIST 543 Civil War and Reconstruction, 1850-1877 3 Hours
A study of the origins of the war, including an analysis of the military, social, cultural, and diplomatic events, as well as the significant developments of Reconstruction. Occasional field trips to Civil War sites.
Recent Term(s) Offered: None

HIST 544 Gilded Age America 3 Hours
A study of American history and culture from the end of the Reconstruction to the early twentieth century, emphasizing social, political, cultural, and regional development.
Recent Term(s) Offered: None

HIST 545 American Legal History to 1865 3 Hours
Recent Term(s) Offered: fall 2017; fall 2019

HIST 546 American Legal History Since 1865 3 Hours
Recent Term(s) Offered: spring 2018; spring 2019

HIST 547 History of American Popular Culture 3 Hours
Prerequisite(s): Graduate student status. Introduction to the central role popular culture has played in the United States history and consciousness from the nineteenth century to the present.
Recent Term(s) Offered: summer 2018

HIST 552 American Urban History 3 Hours
The rise of the city from colonial times to the present, focusing on the economic base of urban expansion, the social and cultural scene, the pattern of urban politics, urban services, municipal administration, and the image of the city in popular thought.
Recent Term(s) Offered: None

HIST 553 American Women's History 3 Hours
Social, cultural, and political history of American women from pre-colonial times to the present.
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019

HIST 554 Discovery and Interpretation of Local History 3 Hours
Materials, methodology and techniques employed in local history research and its integration with other fields.
Recent Term(s) Offered: None

HIST 556 Kentucky History 3 Hours
A study of the political, economic, social, and cultural development of the state from pioneer days. Local development is also stressed.
Recent Term(s) Offered: spring 2017; fall 2017
HIST 557  The Old South  3 Hours
This course analyzes intellectual, cultural, political, economic, and racial ideologies of the American south, focusing on the period between 1800 and 1860.
Recent Term(s) Offered: spring 2017; fall 2017

HIST 558  The New South  3 Hours
This course analyzes intellectual, cultural, political, economic, and racial ideologies of the American south from the civil war until the end of the twentieth century.
Recent Term(s) Offered: fall 2018

HIST 559  Immigrants in American History  3 Hours
No course description is available
Recent Term(s) Offered: None

HIST 560  The Atlantic World  3 Hours
A study of the areas touched by the Atlantic Ocean in the period from the 1300's through the early 1900's, focusing on the intersections of African, Native American, and European cultures.
Recent Term(s) Offered: None

HIST 561  Cooperative Education in History  3 Hours (repeatable max of 6 hrs)
Practical experience in a supervised work situation with a cooperating library, museum, archives, or other appropriate historical organization.
Recent Term(s) Offered: spring 2017

HIST 562  History of Religion in America  3 Hours
Survey of the development of religion in America. Among topics: separation of church and state and American civil religion.
Recent Term(s) Offered: spring 2018; summer 2019

HIST 563  The Rise and Fall of the Confederacy  3 Hours
An overview of the Confederate States of America. Topics covered will include nationalism, race, politics, religion, and leadership.
Recent Term(s) Offered: None

HIST 564  Advanced Individual Study  3 Hours (repeatable max of 6 hrs)
A research problem or intensive readings directed by a faculty member.
Note: 3.0 average in at least 9 hours at the graduate level required.
Recent Term(s) Offered: spring 2017; fall 2017; spring 2018; fall 2018

HIST 565  Thesis Research/Writing  1-6 Hours (repeatable max of 6 hrs)
Thesis research and writing directed by faculty committee.
Recent Term(s) Offered: fall 2017; fall 2018; spring 2019; fall 2019

HIST 566  Maintain Matriculation  1-6 Hours (repeatable max of 6 hrs)
Continued enrollment for thesis completion.
Recent Term(s) Offered: spring 2017; fall 2017; spring 2018; summer 2018; fall 2018

HIST 567  Seminar in Ancient History  3 Hours (repeatable max of 6 hrs)
A seminar that focuses on the historical developments in and cultural achievements of Ancient Greece or Ancient Rome.
Recent Term(s) Offered: spring 2018

HIST 568  Seminar in European History  3 Hours (repeatable max of 6 hrs)
Graduate seminar in such diverse areas as the Middle Ages, Renaissance, Reformation, and Nazi Germany.
Recent Term(s) Offered: spring 2017

HIST 569  Seminar in Early Modern Europe, 1350-1750  3 Hours (repeatable max of 6 hrs)
Selected thematic and geographically focused topics on political, social and cultural developments of Early Modern Europe.
Recent Term(s) Offered: None

HIST 570  Seminar in Urban History  3 Hours
Rotating-topic seminar explores major themes, theoretical approaches, and scholarly literature in urban history.
Recent Term(s) Offered: None

HIST 571  Seminar in Non-Western History  3 Hours (repeatable max of 6 hrs)
Seminar on a selected topic or area of the non-Western world, including China, Japan, Middle East, Africa and Latin America.
Recent Term(s) Offered: fall 2018; fall 2019

HIST 572  Seminar in US History  3 Hours (repeatable max of 6 hrs)
A study of issues, problems, and accomplishments in American foreign relations during the twentieth century.
Recent Term(s) Offered: None

HIST 573  Seminar in American Borderlands and the West  3 Hours (repeatable max of 6 hrs)
A study of American borderlands and/or the regional West with a concentration on social, cultural, and political developments.
Recent Term(s) Offered: spring 2019

HIST 574  Seminar in US Diplomatic Relations  3 Hours (repeatable max of 6 hrs)
Graduate seminar in such diverse areas as Colonial America, the Federalist era, the Slavery Controversy, the U.S. since 1945.
Recent Term(s) Offered: None

HIST 575  Seminar in Kentucky History  3 Hours
A study of political, economic, social, and cultural developments in Kentucky from pioneer days to the present.
Recent Term(s) Offered: None

HIST 576  Seminar in American Foreign Relations  3 Hours (repeatable max of 6 hrs)
A broad survey of readings designed to acquaint students with current historiographical trends, and place those trends in the context of the field. May cover various time periods.
Recent Term(s) Offered: fall 2017

HIST 606  Seminar in European History  3 Hours (repeatable max of 6 hrs)
A broad survey of readings designed to acquaint students with current trends in European historiography. May cover various time periods.
Recent Term(s) Offered: fall 2017
**Horticulture (HORT)**

**HORT 401G  Landscape Plants II**  
Identification, recognition and use of landscape plants; with emphasis on evergreens, annuals, perennials and bulbs, winter effect and flowering sequence of deciduous trees and shrubs will be included.  
**Prerequisite(s):** HORT 301 or permission of instructor  
**Corequisite(s):** HORT 402G  
**Recent Term(s) Offered:** None

**HORT 402G  Landscape Plants II Lab**  
A laboratory course correlated with HORT 401G.  
**Prerequisite(s):** HORT 301 or permission of instructor  
**Corequisite(s):** HORT 401G  
**Recent Term(s) Offered:** None

**HORT 403G  Landscape Design and Construction**  
Design of residential and commercial landscapes; techniques and materials for construction of landscape features such as decks, patio covers, walls, patios, pools and irrigation are presented.  
**Prerequisite(s):** HORT 402G or permission of instructor  
**Corequisite(s):** HORT 404G  
**Recent Term(s) Offered:** None

**HORT 404G  Landscape Design and Construction Lab**  
A laboratory course correlated with HORT 403G.  
**Corequisite(s):** HORT 403G  
**Recent Term(s) Offered:** None

**HORT 405G  Nursery Management**  
Developing, planning, planting, and maintaining a modern plant nursery of container and field grown stocks of trees, shrubs, and ground covers. An introduction to the organization and management of a landscape plant nursery for container and field grown stock. Students will design and plan a working nursery for south central Kentucky.  
**Prerequisite(s):** AGRO 110  
**Corequisite(s):** HORT 406G  
**Recent Term(s) Offered:** None

**HORT 406G  Nursery Management Lab**  
A laboratory course correlated with HORT 405G.  
**Corequisite(s):** HORT 405G  
**Recent Term(s) Offered:** None

**HORT 407G  Plant Propagation**  
Plant propagation is studied and practiced as an art and a science. Sexual and asexual techniques include propagation by seed, cuttings, grafting, layering, division and tissue culture.  
**Prerequisite(s):** AGRO 110  
**Corequisite(s):** HORT 408G  
**Recent Term(s) Offered:** None

**HORT 408G  Plant Propagation Lab**  
A laboratory course correlated with HORT 407G.  
**Corequisite(s):** HORT 407G  
**Recent Term(s) Offered:** None

**HORT 412G  Modern Fruit Production**  
Production, harvesting, post-harvest handling, and marketing of the major tree and small fruits of the temperate region. Emphasis is given to those crops adaptable to Kentucky.  
**Prerequisite(s):** AGRO 110  
**Recent Term(s) Offered:** spring 2017

**HORT 419G  Vegetable Production**  
Production of vegetables that are particularly suited for Kentucky, considering variety selection, culture, harvesting, processing, and marketing.  
**Prerequisite(s):** AGRO 110 or permission of instructor  
**Recent Term(s) Offered:** spring 2018

**HORT 426G  Viticulture**  
An introductory study of grape culture including morphology and growth habit, geographical distribution, dormant pruning techniques, canopy management, management of grapevine pests, and vineyard establishment/maintenance.  
**Prerequisite(s):** (AGRO 110 and AGRO 350) or permission of instructor  
**Recent Term(s) Offered:** None

**HORT 475G  Selected Topics Horticulture**  
(repeatable max of 6 hrs)  
Special topics acquaint advanced undergraduate students with scientific developments of current interest in agriculture. Appropriate topic titles are assigned. Lecture and assignments vary with credit.  
**Prerequisite(s):** permission of instructor  
**Recent Term(s) Offered:** None

**Hospitality Mgt/Dietetics (HMD)**

**HMD 583  Foodservice Systems Management**  
Combined didactic and supervised practice course that focuses on foodservice systems management in a functional setting. Students will utilize analytical and decision-making skills for designing foodservice management systems and for solving management and operational problems at approved training sites.  
**Recent Term(s) Offered:** spring 2017; fall 2017; spring 2018; fall 2018; spring 2019

**HMD 584  Community Nutrition**  
Combined didactic and supervised practice course in community nutrition. Special attention is given to the assessment, planning, intervention, and evaluation of programs targeted to populations with high nutritional risk and diverse backgrounds. Note: Permission of instructor required.  
**Prerequisite(s):** permission of instructor  
**Recent Term(s) Offered:** spring 2017; fall 2017; spring 2018; fall 2018; spring 2019

**HMD 586  Medical Nutrition Therapy in Practice**  
Combined didactic and supervised practice course that focuses on patient care in health care facilities. Assessment and management of nutritional problems encountered in patients in acute and chronic care settings will be emphasized using the nutrition care process.  
**Restriction(s):** Enrollment is limited to students in Dietetic Practice (0451)  
**Recent Term(s) Offered:** spring 2017; fall 2017; spring 2018; fall 2018; spring 2019; fall 2019
HMD 587  Seminar in Concepts and Methods of Dietetic Practice  3 Hours
Capstone seminar including discussions, didactic practice and presentations in the field of dietetics.
Restriction(s): Enrollment is limited to students in Dietetic Practice (0451)
Recent Term(s) Offered: fall 2017; fall 2018; spring 2019; fall 2019

Industrial Technology (IT)

IT 510  Investigations in Industrial Technology  3 Hours
Individual research under the direction of a graduate faculty member.
Recent Term(s) Offered: None

Instructional Design (ID)

ID 560  Instructional Design Foundations  3 Hours
Systematic approach to instructional design, the contexts of application of this approach, and the roles of professionals in this field; Adapt and apply the process in a flexible and innovative manner.
Recent Term(s) Offered: spring 2017; fall 2017; spring 2018; fall 2018; spring 2019; fall 2019

ID 570  Systematic Instructional Design  3 Hours
Systematic instructional design procedures to design, produce, and evaluate a unit of instruction.
Prerequisite(s): ID 560 (may be taken concurrently) or permission of instructor
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019

ID 572  Improvement Analysis in the Workplace  3 Hours
Foundational information and activities to develop the skills necessary to be successful in completing performance systems analysis in a variety of workplace settings.
Prerequisite(s): ID 570 (may be taken concurrently) or permission of instructor
Recent Term(s) Offered: spring 2017

ID 575  Special Topics in Instructional Design  1-6 Hours (repeatable max of 6 hrs)
An in-depth examination of a topic of current interest and relevance to instructional design professionals.
Prerequisite(s): ID 570 (may be taken concurrently) and permission of instructor
Recent Term(s) Offered: None

ID 577  Management of Instructional Systems  3 Hours
Management of all phases of instructional development projects, including planning, team selection and building, scheduling, budgeting, monitoring, and evaluating. Emphasizes practical skill development and the use of management tools and systems.
Prerequisite(s): ID 570 or permission of instructor
Recent Term(s) Offered: spring 2017; spring 2018

ID 583  Training Design and Development  3 Hours
Production of training materials in a variety of settings. Design, develop and conduct formative evaluation of a training session for an external client.
Prerequisite(s): ID 570 or permission of instructor
Recent Term(s) Offered: fall 2017; fall 2018

ID 585  Distance Education Opportunities and Challenges  3 Hours
Critical concepts, issues, technologies, and models of distance education. Explores the design and technologies of quality interactive education at a distance.
Recent Term(s) Offered: summer 2017; summer 2018; summer 2019

ID 587  Trends and Issues in Instructional Design  3 Hours
History of instructional design, major contributors, ID theorists, issues and trends likely to impact the field, and professional organizations.
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

ID 588  Multimedia Design  3 Hours
Application of multimedia design principles in educational and training settings. Students will design and develop a multimedia instructional or training module for business and industry, government, military, P-12, and higher educational institutions.
Prerequisite(s): (ID 560 and ID 570) or permission of instructor
Recent Term(s) Offered: winter 2017; fall 2019

ID 590  Practicum in Instructional Design  1-6 Hours (repeatable max of 6 hrs)
Supervised, field-based, practical experience for students within the ID program.
Prerequisite(s): ID 570 and permission of instructor
Recent Term(s) Offered: spring 2017; spring 2018; fall 2018; spring 2019; fall 2019

ID 595  Internship in Instructional Design  3 Hours
Supervised, field-based internship under an appropriate field-based supervisor and faculty member in an approved setting. Development and application of an authentic professional quality product and professional portfolio will be the capstone project. Note: Completion of all of the required courses, at least 24 semester hours of program course work, and admission to candidacy required.
Prerequisite(s): permission of instructor
Recent Term(s) Offered: spring 2017; summer 2017; spring 2018; fall 2018; fall 2019

Interdisciplinary Early Childhood Ed. (IECE)

IECE 423G  Interdisciplinary Services for Young Children with Low Incidence Disabilities  3 Hours
Characteristics of children birth through five years with low incidence disabilities (e.g. autism, sensory impairments, physical impairments), as well as assessment and instructional strategies. The role of the transdisciplinary team, including family members, in providing services will be emphasized. Field experience is required. Note: Students are responsible for their own transportation.
Prerequisite(s): permission of instructor
Recent Term(s) Offered: winter 2017; winter 2018; winter 2019

IECE 520  Organizing Programs for Early Childhood Special Education  3 Hours
Rationale for IECE (B-5), service delivery options, teaming issues, and atypical development specific to sensory, physical and cognitive disabilities. Thirty clock hours field experiences required.
Restriction(s): Enrollment is limited to students in Interdiscipl Early Childhood Ed (144) or Early Childhood Educ - Rank I (156)
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019
IECE 521  Assessment in Early Childhood Special Education  3 Hours
Assessment process specific to children B-5, both with and without disabilities, and their families. Thirty clock hours field experiences required.
Prerequisite(s): IECE 522
Recent Term(s) Offered: fall 2017; fall 2018; spring 2019

IECE 522  Family-Focused Services  3 Hours
Students apply family systems theory to family assessment, the development of family plans, and the implementation-evaluation of family-centered services. Thirty hours of field experiences are required.
Prerequisite(s): IECE 520
Recent Term(s) Offered: spring 2017; spring 2018; fall 2018; fall 2019

IECE 523  Planning Curriculum and Instruction in Interdisciplinary Early Childhood Education  3 Hours
Planning, designing, and selecting curricula, including learning environments and instruction, for children birth through kindergarten, both with and without disabilities, and their families. Field experience is required. Note: Students are responsible for their own transportation.
Prerequisite(s): IECE 521 and IECE 522
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

IECE 524  Internship in Early Childhood Special Education  3 Hours (repeatable max of 6 hrs)
Supervised work with children B-5, both with and without disabilities, and their families.
Prerequisite(s): ELED 509 (may be taken concurrently) and CD 486G and SPED 523 (may be taken concurrently)
Recent Term(s) Offered: summer 2018; fall 2018; summer 2019

IECE 525  Special Topics in Interdisciplinary Early Childhood Education  1-3 Hours (repeatable max of 6 hrs)
In-depth reading, investigation, and discussion of current research, issues, and/or trends in Interdisciplinary Early Childhood Education.
Prerequisite(s): (IECE 520 and IECE 521 and IECE 522) or permission of instructor
Recent Term(s) Offered: None

IECE 526  Special Topics in Interdisciplinary Early Childhood Education  1 Hour (repeatable max of 3 hrs)
Practical application in clinical settings of critical skills for interdisciplinary early childhood educators. Students are responsible for transportation to assigned sites.
Prerequisite(s): IECE 522 and permission of instructor
Recent Term(s) Offered: spring 2018; spring 2019

IECE 530  Advanced IECE Curriculum Development  3 Hours
Advanced curriculum and program development for children birth through 5 years of age in schools, centers, or home settings, including collaboration with families and professionals, continuous assessment, and program evaluation. Field experiences required.
Prerequisite(s): TCHL 500
Restriction(s): Enrollment is limited to students in IECE, Birth-Age 5, TCHL (0461)
Recent Term(s) Offered: None

IECE 550  Advanced Early Childhood Assessment  3 Hours
Identification and diagnostic procedures for developmental delay and at-risk conditions in infants, toddlers, and preschoolers. Continuous assessment of children’s developmental, instructional, behavioral, and environmental needs; evaluation of effectiveness of services and family involvement. Field experience required.
Prerequisite(s): TCHL 500
Restriction(s): Enrollment is limited to students in IECE, Birth-Age 5, TCHL (0461)
Recent Term(s) Offered: None

Interdisciplinary Education (IED)

IED 703  Equity Pedagogy and Issues of Diversity  3 Hours
Issues and effects of diversity in contemporary society. Topics include: race, gender, ethnicity, class, language differences, and student ability. Relationship of diversity to preparation, recruitment, instruction, equity pedagogy, professional development, policy, curriculum, assessment, achievement gaps and student learning.
Restriction(s): Enrollment is limited to students in Educational Leadership (0010)
Recent Term(s) Offered: None

IED 704  Leadership and the Ethics of Teaching  3 Hours
Historical and contemporary perspectives on leadership and the ethics of teaching, including topics such as power, cultural leadership change, instructional leadership, and building community.
Restriction(s): Enrollment is limited to students in Educational Leadership (0010)
Recent Term(s) Offered: spring 2017

Journalism (JOUR)

JOUR 427G  School Journalism  3 Hours
A course designed to meet the state requirements for secondary certification in journalism. Explores resources available to journalism teachers and the responsibility of publication advisors.
Recent Term(s) Offered: None

JOUR 481G  Problems in Mass Communication  3 Hours
Study of contrived and real problems involving research, planning and implementation.
Recent Term(s) Offered: None

Kinesiology (KIN)

KIN 501  Research Methods in Kinesiology  3 Hours
An examination of the methods, materials, techniques, and planning of research studies used and conducted in the various disciplines of kinesiology. (To be taken in the first term of enrollment.)
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

KIN 503  Advanced Motor Learning and Control  3 Hours
Theories and principles of learning as they apply to the acquisition of gross motor skills. Emphasizes the interpretation and practical application of experimental data.
Recent Term(s) Offered: summer 2017; fall 2018; fall 2019
KIN 504 Advanced Exercise Physiology  3 Hours
A comprehensive study of the acute responses and chronic adaptations resulting from exercise or other stressors on the physiological function of the human body. Particular attention will be given to applied learning, as well as to review and critique current research.
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

KIN 505 Foundations of Curriculum Construction  3 Hours
Principles, procedures, and criteria for curriculum construction and revision, course building, and lesson planning.
Recent Term(s) Offered: spring 2017; summer 2017; fall 2017; spring 2018; summer 2018; fall 2018; spring 2019; summer 2019; fall 2019

KIN 508 Adaptive Physical Education  3 Hours
In-depth study of instruction of disabled children in mainstream and/or special physical education classes. Knowledge and skills necessary to assess, plan intervention, and instruct mild, moderate, severely/profoundly disabled children in physical education.
Recent Term(s) Offered: spring 2017; summer 2017; fall 2017; spring 2018; summer 2018; fall 2018; spring 2019; summer 2019; fall 2019

KIN 509 Sport in Multicultural Society  3 Hours
An examination/understanding of the role of sport in America, its impact on the social structure and the leadership behaviors needed to ensure that the societal impact of sport is congruent with traditional American values.
Recent Term(s) Offered: None

KIN 512 Advanced Strength & Conditioning  3 Hours
Designed to develop advanced knowledge of strength and conditioning principles and practices. The aim of the course is to understand the process behind development, implementation, and evaluation of strength and conditioning programs for elite, collegiate, high school, and/or recreational athletic populations. The course will include professional writing and a hands-on learning component with professionals in the field of strength & conditioning.
Recent Term(s) Offered: spring 2018; spring 2019

KIN 513 Coaching Theory  3 Hours
The theory and analysis of leadership behavior in interscholastic athletics with an emphasis on developing leadership knowledge, personal behavior qualities and job related skills applicable in diverse interscholastic athletic settings.
Recent Term(s) Offered: None

KIN 514 Lab Methods in Exercise Physiology  3 Hours
Theory and application of laboratory techniques germane to research in Exercise Physiology. Includes musculoskeletal, cardiovascular, metabolic, and human performance testing.
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019

KIN 515 Advanced Measurement and Evaluation  3 Hours
Study and application of assessment tools and statistical techniques commonly used in kinesiology research. Includes regression modeling, single and multi-factor analysis of variance, and repeated measures designs.
Recent Term(s) Offered: None

KIN 516 Administrative Practice in KRS  3 Hours
Provide useful information and techniques related to the administration of physical education programs in both school and other settings. Students will focus on leadership that enhances the organization, management, planning and implanting programs and facilities.
Recent Term(s) Offered: None

KIN 518 Advanced Statistics in Kinesiology  3 Hours
Study and application of statistical techniques commonly used in kinesiology research. Includes regression modeling, single and multifactor analysis of variance, and repeated measures designs.
Restriction(s): Enrollment is limited to students in Kinesiology (0454)
Recent Term(s) Offered: spring 2017; fall 2017; fall 2018; fall 2019

KIN 520 Teaching Strategies in Physical Education  3 Hours
Study and application of teaching strategies utilized in the elementary and secondary physical education setting.
Recent Term(s) Offered: spring 2017; summer 2017; fall 2017; spring 2018; summer 2018; fall 2018; spring 2019; summer 2019; fall 2019

KIN 521 Analysis and Criticism of Professional Literature in Physical Education  3 Hours
Analysis and critical evaluation of professional literature in the field of physical education and exercise science.
Recent Term(s) Offered: None

KIN 522 Advanced Exercise Testing and Prescription  3 Hours
Focuses on the use of exercise in the treatment and diagnosis of various major disease states. Provides the student with an advanced understanding of electrocardiogram (ECG) monitoring, interpretation, graded exercise testing, blood pressure measurement, interviewing skills, screening, risk stratification, and pharmacology. Emphasizes exercise prescription for clinical populations, such as those with endocrinological/metabolic disorders, cardiovascular disease, respiratory disease, and neuromuscular disorders.
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019

KIN 523 Seminar in Exercise Physiology  3 Hours
Advanced study of contemporary knowledge and current professional research centering on various selected topics to the field of exercise science.
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

KIN 524 Applied Biomechanics  3 Hours
Advanced study of the mechanical, neuromuscular, and anatomical bases of human movement.
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

KIN 525 Fitness Management  3 Hours
The course will provide content addressing the current industry standards and guidelines for operating private, corporate and clinical fitness facilities and fitness management scenarios and case studies will be used to apply the course content to the field setting.
Restriction(s): Enrollment is limited to students in Kinesiology (0454)
Recent Term(s) Offered: None

KIN 528 Dynamics of Injury Management  3 Hours
Integrates the knowledge, skills and values that Certified Athletic Trainers must possess to evaluate and treat athletic injuries and refer to appropriate medical personnel.
Restriction(s): Enrollment is limited to students in Recreation and Sport Admin (095)
Recent Term(s) Offered: None
Leadership Studies (LEAD)

**LEAD 500 Effective Leadership Studies 3 Hours**
An in-depth investigation of the basics of effective leadership including current and historical leadership theories. Assessment of leadership styles will be a key component.
*Recent Term(s) Offered: spring 2017; summer 2017; fall 2017; spring 2018; summer 2018; fall 2018; spring 2019; summer 2019; fall 2019*

**LEAD 525 Leadership Ethics 3 Hours**
Study of contemporary ethical issues facing leaders with an emphasis on examining and analyzing ethical issues for sound solutions.
*Recent Term(s) Offered: spring 2017; summer 2017; fall 2017; spring 2018; summer 2018; fall 2018; spring 2019; summer 2019; fall 2019*

**LEAD 530 Organizational Change 3 Hours**
A course of advanced study of planned and unplanned change at the individual and group level as well as the significance leadership plays in change. Various skills and methodologies of leadership theories will be discussed to better understand change through leadership.
*Recent Term(s) Offered: summer 2017; fall 2017; spring 2018; summer 2018; fall 2018; spring 2019; summer 2019; fall 2019*

**LEAD 540 Leading Teams 3 Hours**
Study of issues impacting team leaders and members; emphasis on examining and analyzing solutions for effective team leadership.
*Recent Term(s) Offered: spring 2017; summer 2017; fall 2017; spring 2018; summer 2018; fall 2018; spring 2019; summer 2019; fall 2019*

**LEAD 550 Leadership in Global Context 3 Hours**
Study and analysis of cultural impacts on successful leadership in various global areas. Focus on cultural theories and models that influence leadership across contexts.
*Recent Term(s) Offered: spring 2017; summer 2017; fall 2017; spring 2018; summer 2018; fall 2018; spring 2019; summer 2019; fall 2019*

**LEAD 560 Applied Research Methods in Organizational Leadership 3 Hours**
This course examines applied research methods used to develop solutions to questions and issues faced by leaders in organizations.
*Recent Term(s) Offered: spring 2017; fall 2017; spring 2018; fall 2018; spring 2019; fall 2019*

**LEAD 565 Leadership Coaching within Organizations 3 Hours**
This course is designed to develop organizational leadership coaching skills within the organization to improving the performance and efficiency of not only individuals but the productivity of the organization. This course also includes an emphasis on experiential learning through coaching practice activities.
*Recent Term(s) Offered: fall 2017; spring 2018; fall 2018; spring 2019; summer 2019; fall 2019*

**LEAD 575 Leadership Special Topics 3 Hours (repeatable max of 6 hrs)**
Applications of leadership theories and methodologies in selected fields, including the sciences, engineering, urban planning, the arts, public health, education, and business, and for study abroad programs.
*Prerequisite(s): LEAD 500*
*Recent Term(s) Offered: spring 2017; fall 2018; fall 2019*

**LEAD 580 Leading Organizations 3 Hours**
Focuses on the leadership principles, concepts, and ethics for leading organization and creating value in organizations from a macro perspective. Topics include: understanding various types of organizations, creating and casting an organizational vision, how political leadership dynamics affect organizations, organizational culture and values, how diversity and globalization affect organizations, strategic and succession planning, and social responsibility applied at a macro level.
*Prerequisite(s): (LEAD 500)*
*Recent Term(s) Offered: None*

**LEAD 595 Contemporary Issues in Leadership 3 Hours**
This course is designed to provide the student with an understanding of contemporary issues from a Leadership perspective. Specifically, students will apply leadership theories, models, and approaches to contemporary issues to analyze the issue’s impact on organizations.
*Prerequisite(s): LEAD 500*
*Recent Term(s) Offered: fall 2018; spring 2019; summer 2019; fall 2019*

**LEAD 597 Capstone in Leadership Studies 3 Hours**
Course is designed for individual student analysis of a topic of interest relative to contemporary organizations. Project will be comprehensive and multidisciplinary in approach, thereby requiring integration of concepts from various disciplines included in the program.
*Recent Term(s) Offered: None*
LEAD 598 Independent Study in Organizational Leadership 1-6 Hours (repeatable max of 6 hrs) Individual research, literature review or professional development project in a specific area of leadership, in close cooperation with supervising faculty.

Prerequisite(s): permission of instructor
Recent Term(s) Offered: spring 2017; summer 2017; fall 2017; winter 2018; spring 2018; summer 2018; fall 2018; winter 2019; spring 2019; summer 2019; fall 2019

LEAD 600 Capstone in Leadership Experience 3-6 Hours This course will provide students with a culminating experience to integrate the major topics studied in the discipline, demonstrate their mastery of the curriculum, and apply their leadership skills in organizational contexts and settings. Note: Completion of all other courses in the Organizational Leadership graduate certificate required.

Restriction(s): Enrollment is limited to students in Organizational Leadership (1723)
Recent Term(s) Offered: spring 2017; summer 2017; fall 2017; spring 2018; summer 2018; fall 2018; spring 2019; summer 2019; fall 2019

Libraries, Informatics, and Technology in Education (LITE)

LITE 501 Program Organization 3 Hours Organization of the school library program to support the educational goals of the school and student learning. Includes organization of libraries, informatics, and technology.
Recent Term(s) Offered: fall 2018; spring 2019; fall 2019

LITE 506 Organization of Information 3 Hours Classification, descriptive and subject cataloging for various formats of information and sources. Emphasis on organization of information in the school library.
Recent Term(s) Offered: fall 2018; spring 2019; fall 2019

LITE 508 Informatics in Education 3 Hours Information sources and services in school library media centers. Emphasis on the study and practice of creating, storing, finding, manipulating, analyzing, evaluating, and sharing information. Emphasis on use of informatics research methods in education.
Recent Term(s) Offered: fall 2018; spring 2019; summer 2019; fall 2019

LITE 512 Issues in Libraries, Informatics, and Technology in Education 3 Hours Analysis of issues in Libraries, Informatics, and Technology in Education. Attention to legal issues like intellectual freedom, censorship, and information access.
Recent Term(s) Offered: spring 2019; summer 2019

LITE 518 Advanced Children's Literature and Collections 3 Hours Advanced study of literature to meet the needs of children including outstanding authors, illustrators, and current topical issues. Emphasis on children's literature collections development and management in libraries.
Recent Term(s) Offered: fall 2018; summer 2019; fall 2019

LITE 527 Advanced Young Adult Literature and Collections 3 Hours Advanced, thematic examination of literary genres and non-print media appropriate for young adults, ages 12-18. Includes management and service components for effective young adult literature programs. Emphasis on young adult literature collections development and management in libraries.
Recent Term(s) Offered: spring 2019; summer 2019

LITE 535 Survey of Educational Technology Practices 3 Hours Focus on instructional design and communication models appropriate to effective utilization of multimedia for instruction and training. Application of various multimedia to design, produce, and evaluate instructional/training projects.
Course Fee: $20
Recent Term(s) Offered: fall 2018; spring 2019; summer 2019; fall 2019

LITE 537 Principles of Educational Technology Applications 3 Hours Uses of technology for instruction and instructional management. Emphasis on instructional techniques, evaluation and utilization of appropriate instructional software, productivity tools, and the internet for various subjects, grade levels, and needs of diverse learners.

Prerequisite(s): LME 535 or LITE 535
Recent Term(s) Offered: fall 2018; spring 2019; fall 2019

LITE 545 Educational Technology Production 3 Hours Product design and production techniques for education and training. Utilization of various software and hardware configurations to produce electronic prototypes.
Recent Term(s) Offered: spring 2019

LITE 547 Integration of Educational Technology 3 Hours Application of principles of instructional design to the integration of technology into education and training programs.
Recent Term(s) Offered: summer 2019

LITE 550 Emerging Technology in Education 3 Hours Survey of new and significant technology developments and integration strategies in education; research on applications and their effectiveness on P-12 pupil learning; application of new technologies to design, produce, and assess P-12 learning.
Recent Term(s) Offered: winter 2019

LITE 590 Practicum in Libraries, Informatics, and Technology in Education 1-3 Hours Field based experience in an appropriate setting under a certified library media specialist or a qualified technology coordinator.

Prerequisite(s): (LITE 501 or LME 501) and (LITE 512 or LME 512) and (LITE 535 or LME 535) and (LITE 537 or LME 537)
Recent Term(s) Offered: fall 2018; spring 2019; fall 2019

LITE 737 Educational Technology Leadership 3 Hours Emphasis on educational technology leadership, professional development, and instructional management. Topics include equitable access, technology plans, meeting needs of diverse learners with technology, and technology integration strategies.
Recent Term(s) Offered: fall 2018; fall 2019

Library Media Education (LME)

LME 407G Literature/Young Adults 3 Hours Selection and evaluation of materials, reading guidance, and programming for young people, adolescence through young adult.
Recent Term(s) Offered: None
LME 409G  Selected Topics   1-3 Hours (repeatable max of 6 hrs)
Problematic study of a selected topic under the direction of a faculty
member. A formal research paper or annotated bibliography is required.
Note: Permission of instructor required.
Prerequisite(s): permission of instructor
Recent Term(s) Offered: None

LME 410G  Storytelling    3 Hours
Storytelling literature, story selection and sources. Practice in oral
communication.
Recent Term(s) Offered: spring 2017; spring 2018

LME 411G  Creative Media Experiences for Children    3 Hours
Methods and procedures for developing creativity in children. The design
and evaluation of materials and activities in a variety of media formats for
school and library settings. Includes program development.
Restriction(s): Students with a semester level of Junior or Post-
Baccalaureate-Non Degree may not enroll.
Recent Term(s) Offered: summer 2017

LME 445G  Introduction Educational Technology    3 Hours
Instruction and laboratory experiences in the basic theory and application
of educational technology to the design, production, evaluation, and
utilization of various communication media formats.
Equivalent(s): SEC 445G
Recent Term(s) Offered: None

LME 448G  Technology Applications in Education    3 Hours
Uses of technology in education for instruction and instructional
management. Emphasis on evaluation and utilization of appropriate
software and hardware.
Recent Term(s) Offered: None

LME 475G  Workshop    1-3 Hours
Workshop classes of variable content focused on library media practice
and integration of educational technology.
Recent Term(s) Offered: None

LME 502  Collection Management    3 Hours
Principles of collection management to meet the needs of the school
library media program. Evaluation, selection and acquisition of print,
non-print and electronic resources. Examination and development of
collection policies and procedures, including acceptable use policies and
copyright.
Recent Term(s) Offered: spring 2017; fall 2017; winter 2018

LME 509  Investigations in Educational Technology    1-3 Hours
(repeatable max of 6 hrs)
The completion of a formal research study in educational technology
or the creation of an educational technology prototype under the
supervision of a faculty member.
Recent Term(s) Offered: winter 2017; spring 2019

LME 519  Special Topics in Educational Technology    3 Hours
(repeatable max of 6 hrs)
Special topics in the field of educational technology.
Recent Term(s) Offered: summer 2017

LME 589  Field Experience in Library Media Education    3 Hours
Field experience in an appropriate setting under supervision of a certified
library media specialist for LME students seeking initial Kentucky
teaching certification in school library media at the graduate level. Note:
Admission to professional education required.
Prerequisite(s): permission of instructor
Recent Term(s) Offered: None

LME 591  Advanced Practicum in Library Media Education    1 Hour
Field-based experience in an appropriate setting under a certified library
media specialist. Note: Admission to professional education required.
Prerequisite(s): LITE 501 and LITE 512 and LITE 537 and permission of
instructor
Restriction(s): Enrollment is limited to students in Library Media Ed -
Rank I (0429) or Library Media Education (083)
Recent Term(s) Offered: spring 2017

LME 592  Internship in Library Media Education    3 Hours
Field based experience in an appropriate setting under supervision of a
certified library media specialist. For students seeking initial Kentucky
Teaching Certification at the graduate level. Note: Completion of 24 hours
of coursework and admission to professional education required.
Prerequisite(s): LITE 501 and LITE 512 and LITE 535 and LITE 537 and
permission of instructor
Restriction(s): Enrollment is limited to students in Library Media
Education (083)
Course Fee: $200
Recent Term(s) Offered: spring 2017

LME 599  Thesis Research/Writing    1-6 Hours (repeatable max of 6 hrs)
Thesis research and writing directed by faculty committee.
Recent Term(s) Offered: None

LME 600  Maintain Matriculation    1-6 Hours (repeatable max of 6 hrs)
Continued enrollment for thesis completion.
Recent Term(s) Offered: None

Literacy (LTCY)

LTCY 500  Fundamentals of Reading and Related Language Arts    3 Hours
A survey of models of the reading process, research on oral and written
language development, and significant approaches to reading instruction.
Provides instruction for fundamental understanding of the theoretical
rationale of the reading and related language arts processes. Note:
Course is not appropriate for certified teachers and does not count
toward the MAE in Literacy Education.
Restriction(s): Enrollment is limited to students in Literacy/Post-Secondary
Settings (0462)
Recent Term(s) Offered: summer 2018; fall 2018

LTCY 501  Reading and Writing for Learning    3 Hours
Instruction in the ways reading and writing are interrelated processes,
facilitate learning from print, and woven together to better prepare
students for the critical reading, critical thinking, and writing expectations
of college and career. Note: Course is not appropriate for certified
teachers and does not count toward the MAE in Literacy Education.
Restriction(s): Enrollment is limited to students in Literacy/Post-Secondary
Settings (0462)
Recent Term(s) Offered: summer 2018
### LTCY 502 Differentiating Literacy Instruction 3 Hours
Exploration of differentiated literacy instruction focusing on modification of instructional content, process, assessment, and student product to meet the needs of all learners. Note: Course is not appropriate for certified teachers and does not count toward the MAE in Literacy Education.

**Restriction(s):** Enrollment is limited to students in Literacy/Post-Secondary Settings (0462)
**Recent Term(s) Offered:** winter 2019

### LTCY 503 Assessment and Evaluation of Reading and Writing 3 Hours
An introduction to assessment and evaluation of readers and writers. Includes experience in reviewing, matching, and administering assessments. Using data to inform instruction, including formative and summative assessments. Note: Course is not appropriate for certified teachers and does not count toward the MAE in Literacy Education.

**Restriction(s):** Enrollment is limited to students in Literacy/Post-Secondary Settings (0462)
**Recent Term(s) Offered:** fall 2018

### LTCY 504 Strategy-Based Reading and Writing Intervention 3 Hours
Job-embedded (field work) to design and implement instructional techniques for use with individuals or groups experiencing difficulty with literacy skills. Emphasis on tutorial and small group applications. Note: Course is not appropriate for certified teachers and does not count toward the MAE in Literacy Education.

**Restriction(s):** Enrollment is limited to students in Literacy/Post-Secondary Settings (0462)
**Recent Term(s) Offered:** spring 2018

### LTCY 505 Job-Embedded Literacy Methods 3 Hours
Job-embedded integration of literacy methods and practices within a community or technical college or other instructor approved educational setting outside P-12 designed to prepare students to provide sound reading assessment and instruction for literacy learners. Note: Course must be completed in the last semester before completion of the Literacy in Post-Secondary Settings certificate. Students are responsible for own transportation to designated sites.

**Restriction(s):** Enrollment is limited to students in Literacy/Post-Secondary Settings (0462)
**Recent Term(s) Offered:** winter 2018

### LTCY 510 Methods of Teaching Literacy to Adolescents 3 Hours
Theoretical foundation and current best practices for literacy instruction. Emphasis on literacy lesson and unit planning. Field experiences are required; students are responsible for own transportation.

**Restriction(s):** Enrollment is limited to students in Special Ed Initial Cert: LBD (0456), Middle Grades Ed: Initial Cert (0458), IECE, Birth-Age 5, Initial Cer (0460) or Secondary Ed: Initial Cert (0495)
**Recent Term(s) Offered:** fall 2017; fall 2018; fall 2019

### LTCY 515 Socio-Cognitive Theories of Comprehension 3 Hours
A study of cognitive, linguistic, and sociocultural factors that affect comprehension, including native language, how comprehension works, and how people make sense of print cues and visual cues by understanding the comprehension process from various theoretical stance.

**Recent Term(s) Offered:** None

### LTCY 518 Literacy Learning and Technology 3 Hours
Survey of use of technology to promote the development of reading, writing, and teaching and learning via electronic formats. Topics include integration of technology into literacy instruction that supports diverse literacy learners and designing appropriate reading and language arts technology-based projects for literacy learners.

**Restriction(s):** Enrollment is limited to students in Literacy Education (044)
**Recent Term(s) Offered:** None

### LTCY 519 Foundations of Literacy Instruction 3 Hours
Investigation of theory and practice of literacy instruction and factors impacting literacy learning. Discussion of literacy as reading, writing, speaking, and listening.

**Recent Term(s) Offered:** summer 2017; fall 2018

### LTCY 520 Clinical Diagnosis of Reading Variability 3 Hours
The nature and causes of reading disabilities and investigation of general and specific principles and approaches to diagnosis. Actual case studies using both group and individual tests in diagnosis.

**Prerequisite(s):** LTCY 519 or permission of instructor

**Restriction(s):** Enrollment is limited to students in Literacy Education (044)
**Recent Term(s) Offered:** fall 2017; fall 2019

### LTCY 521 Reading Intervention 3 Hours
Instructional techniques for use with individuals or groups involved in remedial reading instruction; materials and procedures; clinical experiences with remedial students.

**Prerequisite(s):** LTCY 520

**Restriction(s):** Enrollment is limited to students in Literacy Education (044)
**Recent Term(s) Offered:** spring 2017; spring 2018

### LTCY 522 Investigations in Reading 1-3 Hours (repeatable max of 3 hrs)
Individual investigation of the research and descriptive literature in the field of reading.

**Prerequisite(s):** LTCY 528

**Restriction(s):** Enrollment is limited to students in Literacy Education (044)
**Recent Term(s) Offered:** fall 2017; fall 2018; fall 2019

### LTCY 523 Diagnostic Reading Procedures for Classroom Teachers 3 Hours
Emphasizes practical methods of reading appraisal, diagnostic procedures, and materials essential for developing teaching strategies in reading instruction.

**Prerequisite(s):** LTCY 519 or permission of instructor

**Recent Term(s) Offered:** spring 2017; winter 2018; summer 2019

### LTCY 524 Content Area and Disciplinary Literacy 3 Hours
Reading and study skills strategies and techniques to increase student achievement in content-area classes. Discussion of disciplinary literacy in various fields will also be addressed.

**Recent Term(s) Offered:** fall 2017; spring 2019
LTCY 527  Literacy Learning and Cultural Differences  3 Hours
Introduction to social factors, cultural factors, and aspects of language that affect teaching and learning of literacy, particularly in reading, writing, and the language arts; application of multicultural perspectives to curriculum development and classroom literacy practices.
Prerequisite(s): LTCY 519 or permission of instructor
Recent Term(s) Offered: summer 2017; fall 2018

LTCY 528  Literacy Research Methods and Evaluation  3 Hours
Investigation and critical analysis of literacy research and theory, and completion of literacy-related research project.
Prerequisite(s): LTCY 519
Restriction(s): Enrollment is limited to students in Literacy Education (044)
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019

LTCY 599  Thesis Research and Writing  3-6 Hours (repeatable max of 6 hrs)
Thesis research and writing directed by faculty committee.
Recent Term(s) Offered: fall 2017; spring 2018

LTCY 600  Maintain Matriculation  1 Hour (repeatable max of 6 hrs)
Continued enrollment for thesis completion.
Recent Term(s) Offered: fall 2017

LTCY 624  Seminar in Literacy Issues and Trends  3 Hours (repeatable max of 9 hrs)
Study of literacy research focusing on issues and trends within the discipline of literacy education. No more than 6 hours may be counted toward the MAE-Literacy Education program.
Prerequisite(s): LTCY 519 or permission of instructor
Recent Term(s) Offered: spring 2017; summer 2017; spring 2018; summer 2018; spring 2019; summer 2019

LTCY 695  Practicum for Literacy Professionals  3 Hours (repeatable max of 6 hrs)
In-depth practice in the literacy coaching of colleagues in the education profession.
Prerequisite(s): LTCY 521
Recent Term(s) Offered: None

Management (MGT)

MGT 570  Business Government Law  3 Hours
Development, implementation, and impact of major public policies toward business. Includes antitrust, consumer protection, conservation and environmental control, etc.
Recent Term(s) Offered: None

Marketing (MKT)

MKT 529  Independent Study in Marketing  1-3 Hours
Supervised independent study of a topic or problem culminating in a scholarly paper or problem solving report.
Recent Term(s) Offered: None

Mathematics (MATH)

MATH 403G  Geometry for Elementary and Middle School Teachers  3 Hours
Both formal and informal methods are used to explain the basic concepts of Euclidean geometry. Emphasis is given to the investigative approach, organizational skills, and problem solving.
Restriction(s): Students cannot enroll who are in Secondary Ed Teacher Leader (0435) or Mathematics (085)
Recent Term(s) Offered: fall 2017; spring 2018

MATH 405G  Numerical Analysis I  3 Hours
Computer arithmetic, roots of equations, polynomial approximation and interpolation, numerical differentiation and integration. Computer solutions of problems will be required.
Equivalent(s): CS 405G
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

MATH 406G  Numerical Analysis II  3 Hours
The solution of linear systems by direct and iterative methods, matrix inversion, the calculation of eigenvalues and eigenvectors of matrices. Initial and boundary value problems in ordinary differential equations. Computer solution of problems will be required.
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019

MATH 409G  History of Mathematics  3 Hours
History of mathematics from ancient times through the development of calculus with emphasis on famous problems. Provides knowledge and appreciation useful in the classroom. Term papers will be required. Note: 6 hours of undergraduate mathematics required.
Prerequisite(s): permission of instructor
Restriction(s): Students cannot enroll who are in Mathematics (085)
Recent Term(s) Offered: summer 2017; summer 2018; summer 2019

MATH 411G  Problem Solving for Elementary and Middle School Teachers  3 Hours
Integrates concepts developed in algebra, geometry, logic, statistics, probability, and elementary number theory. Students are encouraged to use problem-solving strategies, models, and technologies, and to create problems of their own.
Restriction(s): Students cannot enroll who are in Secondary Ed Teacher Leader (0435) or Mathematics (085)
Recent Term(s) Offered: spring 2017; fall 2017; spring 2018; fall 2018; spring 2019; fall 2019

MATH 413G  Algebra and Technology for Middle Grades Teachers  3 Hours
Integrates concepts developed in algebra, geometry, logic, statistics, probability, and elementary number theory. Students are encouraged to use problem-solving strategies, models, and technologies, and to create problems of their own.
Restriction(s): Students cannot enroll who are in Secondary Ed Teacher Leader (0435) or Mathematics (085)
Recent Term(s) Offered: spring 2017; fall 2017; spring 2018; fall 2018; spring 2019; fall 2019

MATH 415G  Algebra and Number Theory  3 Hours
Survey of modern algebra and number theory. Includes number systems, divisibility, congruences, groups and their application to number theory.
Recent Term(s) Offered: None
MATH 417G Algebraic Systems 3 Hours
The theory of finite groups and related algebraic systems. Lagrange’s Theorem, Sylow Theorems, and the structure of finite groups are studied. Applications of group theory to the study of algebraic problems and symmetry.
Recent Term(s) Offered: spring 2017

MATH 421G Problem Solving for Secondary Teachers 3 Hours
Utilizes various techniques and technology to solve mathematical problems. Integrates concepts from algebra, geometry, trigonometry, probability, statistics, number theory, discrete mathematics, linear algebra, and calculus.
Restriction(s): Students cannot enroll who are in Mathematics (085)
Recent Term(s) Offered: None

MATH 423G Geometry II 3 Hours
An axiomatic development of plane hyperbolic geometry which presupposes a development of absolute geometry.
Recent Term(s) Offered: None

MATH 431G Intermediate Analysis I 3 Hours
Topics in analysis chosen from inverse and implicit function theorems, differentiation, integration, infinite series, series of functions, and introductory functional analysis.
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

MATH 435G Partial Differential Equations 3 Hours
Equations of first and second order; elliptic, hyperbolic and parabolic equations of mathematical physics using separation of variables and Fourier series.
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019

MATH 439G Topology I 3 Hours
Introduction to topology including topics selected from: topological spaces, mappings, homeomorphisms, metric spaces, surfaces, knots, manifolds, separation properties, compactness and connectedness.
Recent Term(s) Offered: fall 2018; fall 2019

MATH 450G Complex Variables 3 Hours
Complex number plane, analytic functions of a complex variable, integration, power series, calculus of residues, conformal representation, applications of analytic function theory.
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019

MATH 470G Introduction to Operations Research 3 Hours
Principles and techniques of operations research including linear programming, integer programming, quality theory, sensitivity analysis, and dynamic programming.
Recent Term(s) Offered: fall 2019

MATH 482G Probability & Statistics II 3 Hours
Multivariate probability distributions; sampling distributions, statistical inference; point and interval estimation, properties of estimators; hypothesis testing; regression and correlation; analysis of variance; non-parametric methods.
Recent Term(s) Offered: spring 2018; spring 2019

MATH 500 Readings in Mathematics 1-3 Hours (repeatable max of 6 hrs)
Students read and present papers that have appeared in (or have been accepted by) mathematical journals. Topics covered are determined by areas of interest. Note: Undergraduate major in mathematics required.
Prerequisite(s): permission of instructor
Recent Term(s) Offered: spring 2019

MATH 501 Introduction to Probability and Statistics I 3 Hours
Interpreting, analyzing, and simulating univariate and bivariate data; probability and sampling distributions; regression and chi-squared procedures from traditional and randomization approaches.
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019

MATH 502 Introduction to Probability and Statistics II 3 Hours
Review of linear algebra, Markov chains, decision theory, linear programming and game theory.
Recent Term(s) Offered: None

MATH 503 Introduction to Analysis 3 Hours
Theoretical examination of selected topics in real analysis including sequences, series, limits, continuity, derivatives, and integration.
Restriction(s): Enrollment is limited to students in Mathematics (049)
Recent Term(s) Offered: summer 2017; fall 2017; fall 2018; fall 2019

MATH 504 Application of Technology to Problems in Mathematics 3 Hours
Integration of technology to solve problems in areas of mathematics including calculus, applied statistics, probability, geometry, and algebra.
Restriction(s): Enrollment is limited to students in Mathematics (049)
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

MATH 506 Mathematical Applications for Middle Grades Teachers 3 Hours
Sets, logic, dimensional analysis, functions and modeling, and discrete mathematics with a focus on real-world applications. Note: Middle grades math certification required.
Prerequisite(s): permission of instructor
Restriction(s): Students cannot enroll who are in Mathematics (049) or Mathematics (085)
Recent Term(s) Offered: summer 2017

MATH 507 Mathematics Concepts for Elementary Teachers 3 Hours
Focuses on mathematics and strategies to effectively teach Kentucky Mathematics Core Content in grades K-5.
Recent Term(s) Offered: summer 2017; summer 2019

MATH 508 Number Concepts for Elementary and Middle Grades Teachers 3 Hours
Mathematical structures of integers and rational numbers; numeration systems; elementary number theory; special sequences and numerical of relationships; applications of fractions, decimals, percents, ratio, proportion, exponents, and scientific notation.
Restriction(s): Students cannot enroll who are in Secondary Ed Teacher Leader (0435) or Mathematics (085)
Recent Term(s) Offered: summer 2018
MATH 510 Intermediate Statistics  3 Hours
Extended coverage of experimental design and data collection, statistical inference including confidence intervals, estimation, tests of significance, comparison of population parameters, and multiple regression.
Prerequisite(s): MATH 501
Recent Term(s) Offered: summer 2017; summer 2018; summer 2019

MATH 511 Algebra from an Advanced Perspective  3 Hours
Topics in algebra from an advanced perspective including analysis of functions and polynomials, number theory, and fields.
Restriction(s): Enrollment is limited to students in Mathematics (049)
Prerequisite(s): MATH 511 or permission of instructor
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019

MATH 512 Geometry from an Advanced Perspective  3 Hours
Topics in geometry from an advanced perspective including a theoretical examination of transformations in real and complex plane; distance congruence, and similarity in a variety of contexts; connections and applications between geometry, trigonometry, and calculus.
Prerequisite(s): MATH 511 or permission of instructor
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

MATH 514 Mathematical Modeling and Applications  3 Hours
Uses mathematical modeling to describe and explore real world problems using algebraic, geometric, and statistical approaches.
Restriction(s): Enrollment is limited to students in Mathematics (049)
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019

MATH 517 Topics from Algebra  3 Hours
Theory of rings, fields, and vector spaces. Topics include: polynomial rings, principal ideal domains, unique factorization domains, field extensions, Galois theory.
Recent Term(s) Offered: None

MATH 529 Applied Probability  3 Hours
Recent Term(s) Offered: None

MATH 531 Advanced Differential Equations  3 Hours
Power series solutions, existence and uniqueness theorems, stability and Liapunov's method, regular singular points, perturbations of periodic solutions.
Recent Term(s) Offered: fall 2017; fall 2019

MATH 532 Real Analysis  3 Hours
Function spaces, additive set functions, outer measure; measurable functions, integration.
Recent Term(s) Offered: None

MATH 535 Advanced Applied Mathematics- I  3 Hours
Eigenvalue and boundary value problems, orthogonal expressions in function spaces, classic polynomials, Sturm-Liouville theory, Fourier and Laplace transforms.
Recent Term(s) Offered: spring 2018

MATH 536 Advanced Applied Mathematics- II  3 Hours
Integral equations, calculus of variations, maximization of linear functionals, maximum gradient method.
Prerequisite(s): MATH 535
Recent Term(s) Offered: None

MATH 539 Topology II  3 Hours
Homotopy, homology theory.
Recent Term(s) Offered: fall 2017

MATH 540 Stochastic Processes  3 Hours
Theory and application of stochastic processes; random walks; Markov chains; Poisson processes; birth and death processes; queues; renewal and branching processes; computer simulations.
Recent Term(s) Offered: None

MATH 541 Graph Theory  3 Hours
Introduction to the basic concepts of graph theory. Topics include Eulerian circuits, Hamiltonian cycles, coloring problems and planar graphs. Note: Undergraduate major in mathematics required.
Prerequisite(s): MATH 511 or permission of instructor
Recent Term(s) Offered: spring 2017; fall 2018

MATH 542 Advanced Topics in Discrete Mathematics  3 Hours
Combinatorics, ordered sets and lattice theory, modeling with difference equations, discrete calculus, dynamic equations on time scales.
Recent Term(s) Offered: spring 2019

MATH 550 Complex Analysis  3 Hours
Analytic continuation, conformal mapping, Riemann surfaces, and univalent functions.
Recent Term(s) Offered: None

MATH 570 Topics in Operations Research  3 Hours
Specific area(s) of operations research.
Recent Term(s) Offered: None

MATH 590 Special Topics in Mathematics  3 Hours (repeatable max of 6 hrs)
No course description is available.
Prerequisite(s): permission of instructor
Recent Term(s) Offered: fall 2017; spring 2018; fall 2018; spring 2019

MATH 598 Graduate Seminar: Communicating Mathematics and Technical Writing  3 Hours
This course will familiarize graduate students in mathematics with the many different areas of mathematics and active research topics in the field as well as give them an opportunity to practice effective oral presentation skills. Students will also learn mathematical typesetting with LaTeX.
Recent Term(s) Offered: spring 2017; spring 2018; fall 2018; spring 2019; fall 2019

MATH 599 Thesis/Research  1-6 Hours (repeatable max of 6 hrs)
Thesis research and writing directed by faculty committee.
Recent Term(s) Offered: spring 2017; fall 2017; spring 2018; summer 2018; fall 2018; spring 2019; summer 2019; fall 2019

MATH 600 Maintaining Matriculation  1-6 Hours (repeatable max of 6 hrs)
Continued enrollment for thesis completion.
Recent Term(s) Offered: fall 2017; spring 2018; summer 2018; fall 2018; spring 2019

<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>MGE 534</td>
<td>Seminar in Mathematics Education</td>
<td>3 Hours</td>
<td>Covers newer concepts in curriculum and methods of instruction, current research and problems in mathematics education.</td>
</tr>
<tr>
<td>MGE 545</td>
<td>Investigations in Classroom Teaching</td>
<td>1-3 Hours (repeatable max of 3 hrs)</td>
<td>Opportunity for middle school teachers to engage in concentrated study of specific problems and/or development of specific skills related to effective classroom instruction.</td>
</tr>
<tr>
<td>MLNG 410G</td>
<td>Second Language Acquisition</td>
<td>3 Hours</td>
<td>Introduction to principal theories of the acquisition of a second or foreign language. Explores how language learning styles and strategies relate to language acquisition and implications for the classroom.</td>

</table>
MUS 525  Music and the Human Experience  3 Hours
An investigation and study of the art of music encompassing the historical, philosophical, psychological and sociological tenets of the discipline.
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019

MUS 530  Music Literature  3 Hours
Investigation of a specialized area not covered in other music literature courses.
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019

MUS 538  Independent Directed Study/Theory-Literature  3 Hours
Supervised private research culminating in a scholarly paper.
Recent Term(s) Offered: None

MUS 540  Choral Union  1 Hour (repeatable max of 4 hrs)
Performing ensembles are open to the entire campus community and most require an audition prior to membership. Specific ensembles are an elective and require advisor approval for music degrees.
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

MUS 541  University Choir  1 Hour (repeatable max of 4 hrs)
Performing ensembles are open to the entire campus community and most require an audition prior to membership. Specific ensembles are an elective and require advisor approval for music degrees.
Recent Term(s) Offered: None

MUS 544  University Orchestra  1 Hour (repeatable max of 4 hrs)
Performing ensembles are open to the entire campus community and most require an audition prior to membership. Specific ensembles are an elective and require advisor approval for music degrees.
Recent Term(s) Offered: spring 2017; fall 2017; spring 2018; fall 2018; spring 2019; fall 2019

MUS 545  Chamber Singers  1 Hour (repeatable max of 4 hrs)
Performing ensembles are open to the entire campus community and most require an audition prior to membership. Specific ensembles are an elective and require advisor approval for music degrees.
Recent Term(s) Offered: None

MUS 547  Marching Band  1 Hour
Performing ensembles are open to the entire campus community and most require an audition prior to membership. Specific ensembles are an elective and require advisor approval for music degrees.
Recent Term(s) Offered: None

MUS 548  Band  1 Hour (repeatable max of 4 hrs)
Performing ensembles are open to the entire campus community and most require an audition prior to membership. Specific ensembles are an elective and require advisor approval for music degrees.
Recent Term(s) Offered: summer 2018; fall 2018; spring 2019; fall 2019

MUS 549  Chamber Music  1 Hour (repeatable max of 4 hrs)
Students enrolled in this course have attained considerable ability as a performer and must audition. This course can include all types of instrumental and choral chamber music literature.
Recent Term(s) Offered: fall 2018

MUS 550  Applied Music Secondary  1 Hour (repeatable max of 4 hrs)
Applied study intended for beginners and requires no audition.
Recent Term(s) Offered: spring 2017; fall 2017; spring 2018; spring 2019

MUS 553  Applied Music Principal  2 Hours (repeatable max of 8 hrs)
Applied study assumes graduate-level proficiency.
Recent Term(s) Offered: spring 2017; fall 2017; spring 2018; fall 2018; spring 2019

MUS 571  Jazz Ensemble  1 Hour (repeatable max of 4 hrs)
Performing ensembles are open to the entire campus community and must require an audition prior to membership. Specific ensembles are electives and require advisor approval for music degrees.
Recent Term(s) Offered: None

MUS 574  Opera Theatre  1 Hour
Performing ensembles are open to the entire campus community and most require an audition prior to membership. Specific ensembles are electives and require advisor approval for music degrees.
Recent Term(s) Offered: spring 2017

MUS 625  Graduate Capstone Project  3 Hours
Independent study and preparation for the graduate capstone project in music education, conducting, or pedagogy.
Prerequisite(s): (MUS 511 or MUS 518 or MUS 520)
Recent Term(s) Offered: spring 2017; summer 2017; spring 2018; summer 2018; fall 2018; spring 2019; summer 2019; fall 2019

Nursing (NURS)

NURS 415G  Complementary Health Care  3 Hours
Selected holistic modes of healing will be explored. Focus will be on history, research findings, theoretical basis and legal implications.
Recent Term(s) Offered: None

NURS 450G  Rural Health and Safety  3 Hours
Students will explore a variety of health and safety issues unique to rural populations. The interdisciplinary team concept will be used throughout the course to foster collaboration that facilitates sharing of the expertise of students and faculty.
Recent Term(s) Offered: None

NURS 492G  Faith Community Nursing  3 Hours
Builds upon practice of community health nursing to develop skills needed to provide nursing care for individuals and groups in faith communities. RNs earn Faith Community Nurse Certificate upon completion.
Prerequisite(s): permission of instructor
Recent Term(s) Offered: None

NURS 500  Advanced Physiological and Pathophysiological Concepts  4 Hours
Normal physiological and pathophysiological mechanisms of disease are used to explain human responses to potential and actual health problems across the life span as a foundation for clinical practice, decision-making and management.
Restriction(s): Enrollment is limited to students in Nursing Practice (0011), Family Nurse Practitioner (0449), Psych Mental Health Nurs prac (0479) or Nursing (149)
Recent Term(s) Offered: spring 2017; fall 2017; spring 2018; fall 2018; spring 2019; fall 2019
NURS 501 Nursing, Politics and Health Policy 2 Hours
Focuses on health care economics and policy analysis of current health care problems and issues. Emphasizes the role of the advanced practice nurse in health policy formation and political action.
Restriction(s): Enrollment is limited to students in Nursing Practice (0011) or Nursing (149)
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019

NURS 503 Advanced Health Assessment 2 Hours
Emphasis is on advanced health assessment skills and techniques of interviewing that are utilized by the nurse in a primary or acute care setting. Diagnostic laboratory studies will also be discussed as they relate to the nurse in advanced professional practice.
Restriction(s): Enrollment is limited to students in Nursing Practice (0011) or Nursing (149)
Recent Term(s) Offered: spring 2017; summer 2017; fall 2017; spring 2018; summer 2018; fall 2018; spring 2019; summer 2019; fall 2019

NURS 504 Theoretical Foundations of Professional Nursing 3 Hours
This course provides the student with a basis for theory development, analysis of selected conceptual and theoretical frameworks for advanced professional nursing practice, and provides knowledge concerning ANA’s Social Policy Statement, and role socialization in advanced nursing practice. In addition, the concepts of case management and management care will be analyzed as approaches to advanced nursing practice.
Restriction(s): Enrollment is limited to students in Nursing Practice (0011) or Nursing (149)
Recent Term(s) Offered: spring 2017; fall 2017; spring 2018; fall 2018; fall 2019

NURS 505 Advanced Health Assessment Clinical 1 Hour
Students will demonstrate advanced health assessment skills and techniques in the clinical setting.
Corequisite(s): NURS 503
Restriction(s): Enrollment is limited to students in Nursing Practice (0011) , Family Nurse Practitioner (0449) , Psyc Mental Health Nurs prac (0479) , Nursing (149) or Nursing Education (Post MSN) (172)
Course Fee: $25
Recent Term(s) Offered: spring 2017; summer 2017; fall 2017; spring 2018; summer 2018; fall 2018; spring 2019; summer 2019; fall 2019

NURS 506 Transition to Advanced Nursing Practice 1 Hour
Focuses on the transition from the professional nursing role to an advanced nursing practice role. Legal, ethical and advanced practice issues are emphasized.
Restriction(s): Enrollment is limited to students in Nursing Practice (0011) or Nursing (149)
Recent Term(s) Offered: spring 2017; fall 2017; fall 2018; summer 2019

NURS 507 Advanced Psychiatric Nurse Practitioner Assessment and Clinical Interviewing Techniques 1 Hour
Emphasis is on the advanced psychiatric assessment and techniques of interviewing including health promotion/disease prevention skills utilized by the advanced psychiatric mental health nurse practitioner. The population focus approach utilizes the current Diagnostic and Statistical Manual for diagnosing psychopathology through case studies and experiential exercises. Includes the application of health behavior theories when assessing health promotion and/or maintenance in populations.
Prerequisite(s): NURS 503 and NURS 505
Restriction(s): Enrollment is limited to students in Psyc Mental Health Nurs prac (0479) or Nursing (149)
Recent Term(s) Offered: summer 2017; summer 2018; summer 2019

NURS 508 Advanced Issues in Professional Nursing 1 Hour
Analysis and synthesis of selected political, legal, ethical, socioeconomic, and technological issues impacting advanced nursing practice.
Restriction(s): Enrollment is limited to students in Nursing Practice (0011) , Nurse Administrator (Post MSN) (0420) , Family Nurse Practitioner (0449) , Nursing (149) or Nursing Education (Post MSN) (172)
Recent Term(s) Offered: winter 2017; fall 2017; spring 2018; fall 2018; spring 2019; fall 2019

NURS 509 Practice Management for Advanced Practice Nurses 1 Hour
Focuses on legal and regulatory issues and business skills important to the management of a primary care practice for advanced practice nurses.
Restriction(s): Enrollment is limited to students in Family Nurse Practitioner (0449) or Nursing (149)
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

NURS 510 Graduate Nursing Research 3 Hours
This course is designed to increase excitement about nursing research and facilitate the search for knowledge through research. A strong conceptual framework linking research with practice, theory, knowledge and philosophy will be stressed. Note: Graduate statistics course required.
Prerequisite(s): NURS 504
Restriction(s): Enrollment is limited to students in Nursing Practice (0011) or Nursing (149)
Recent Term(s) Offered: spring 2017; fall 2017; spring 2018; fall 2018; spring 2019; fall 2019

NURS 511 Advanced Psychiatric Nurse Practitioner III 1 Hour
Emphasis is on exploration, discussion, and analysis of current advanced psychiatric-mental health nurse practitioner topics. Includes current practice trends, medicolegal, ethical, business and other issues related to PMHNP practice.
Prerequisite(s): NURS 525 and NURS 526
Corequisite(s): NURS 527
Restriction(s): Enrollment is limited to students in Psyc Mental Health Nurs prac (0479) or Nursing (149)
Recent Term(s) Offered: summer 2017; summer 2018; summer 2019
NURS 512  Research Applications  2 Hours
Includes interpretation, critique and communication of research findings; examine sources and application process for research funding. Written papers, oral presentations and projects required.
Prerequisite(s): NURS 510
Restriction(s): Enrollment is limited to students in Nursing Practice (0011), Nurse Administrator (Post MSN) (0420), Family Nurse Practitioner (0449), Psych Mental Health Nurs prac (0479), Emergency Nurse Practitioner (0480), Nursing (149) or Nursing Education (Post MSN) (172)
Recent Term(s) Offered: spring 2017; fall 2017; spring 2018; fall 2018; spring 2019; fall 2019

NURS 513  Advanced Pharmacology for Nurse Educators  2 Hours
The advance study of pharmacothersapeutics of select drug groups with implications for patients from across the lifespan. The pharmacokinetics, pharmacogenetics, and pharmacodynamics of drugs are reviewed. Emphasis is on the importance of the nurse educator's role in teaching safe and effective medication management.
Recent Term(s) Offered: spring 2017; spring 2018

NURS 515  Advanced Pharmacology  4 Hours
Pharmacologic applications for primary care practice designed to prepare nurse practitioners for prescribing drugs within their scope of practice. Basic pharmacologic principles and the pharmacologic actions of major drug classes will be discussed in relation to physiologic systems with emphasis on the application of these agents to primary care practice.
Restriction(s): Enrollment is limited to students in Nursing Practice (0011), Nurse Administrator (Post MSN) (0420), Family Nurse Practitioner (0449), Psych Mental Health Nurs prac (0479), Emergency Nurse Practitioner (0480), Nursing (149) or Nursing Education (Post MSN) (172)
Recent Term(s) Offered: spring 2017; fall 2017; spring 2018; fall 2018; spring 2019; fall 2019

NURS 519  Advanced Pathophysiology for Nurse Educators  2 Hours
Normal physiological and pathophysiological mechanisms of disease are used to explain human responses to potential and actual health problems across the lifespan as a foundation for the nurse educator to educate nursing students.
Restriction(s): Enrollment is limited to students in Nursing (149)
Recent Term(s) Offered: fall 2017

NURS 520  Teaching in Schools of Nursing  3 Hours
This course is designed to assist the student to develop skills necessary for teaching nursing. Focus will be on development of the teaching - learning plan, identification of appropriate teaching strategies, development of appropriate evaluation methods, and socialization activities for nursing faculty.
Restriction(s): Enrollment is limited to students in Nursing Practice (0011) or Nursing (149)
Recent Term(s) Offered: None

NURS 521  Statistics in Health Care  3 Hours
Fundamental statistical concepts and techniques addressed include levels of measurement, measurement reliability and validity, and common statistical techniques. The emphasis will be on the application of statistics in health care research to improve clinical outcomes.
Recent Term(s) Offered: spring 2017; summer 2017; summer 2018; summer 2019

NURS 522  Teaching in Schools of Nursing Internship  2 Hours
This course provides the student the opportunity to implement the nurse-faculty role in an academic setting. The student works with an experienced nurse-faculty to gain actual experience teaching nursing and refining techniques related to the teaching-learning process. Students must be in the final semester off the program to enroll in this capstone experience.
Recent Term(s) Offered: spring 2017; fall 2017; spring 2018; fall 2018; spring 2019; fall 2019

NURS 523  Adv Psychiatric Nurse Practitioner I: Diag/Mgmt Psych Disorders in Adults and Elderly  3 Hours
Provides the student with opportunities to integrate and apply psychiatric frameworks, theories, and research findings related to common acute and chronic psychiatric disorders among adults and elderly patients. Emphasis is on the developmental issues of adult and elderly patients, psychotherapeutic modalities, psychopharmacology, psychoeducation, primary prevention, and evaluation of treatment.
Prerequisite(s): NURS 507
Corequisite(s): NURS 524
Restriction(s): Enrollment is limited to students in Psych Mental Health Nurs prac (0479) or Nursing (149)
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

NURS 524  Advanced Psychiatric Nurse Practitioner I: Clinical  2 Hours
During clinical experiences, foundational competencies for advanced psychiatric nursing practice will be addressed and practiced. Students will be conduct comprehensive and systematic psychiatric assessments, diagnose common psychiatric illnesses, implement pharmacologic and psychosocial interventions, and evaluate treatment outcomes for adult and elderly patients with mental health problems and psychiatric disorders. A variety of settings across the healthcare continuum will be utilized. Multidisciplinary and interprofessional collaboration, a function of the Psychiatric Mental Health Nurse Practitioner (PMHNP), is integrated into clinical experiences. Course requires 12 hours per week clinical time.
Prerequisite(s): NURS 507
Corequisite(s): NURS 523
Restriction(s): Enrollment is limited to students in Psych Mental Health Nurs prac (0479) or Nursing (149)
Course Fee: $40
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

NURS 525  Adv Psychiatric Nurse Practitioner II: Diag/Mgmt Psych Disorders in Child, Adolescent, Young Adult  3 Hours
Provides the student with opportunities to integrate and apply psychiatric frameworks, theories, and research findings related to common acute and chronic psychiatric disorders among child, adolescent, and young adult patients. Emphasis is on the developmental issues of child, adolescent, and young adult patients, psychotherapeutic modalities, psychopharmacology, psychoeducation, primary prevention, and evaluation of treatment.
Prerequisite(s): NURS 523 and NURS 524
Corequisite(s): NURS 526
Restriction(s): Enrollment is limited to students in Psych Mental Health Nurs prac (0479) or Nursing (149)
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019
NURS 526  Advanced Psychiatric Nurse Practitioner II: Clinical  2 Hours
During clinical experiences, foundational competencies for advanced psychiatric nursing practice will be addressed and practiced. Students will conduct comprehensive and systematic psychiatric assessments, diagnose common psychiatric illnesses, implement pharmacologic and psychosocial interventions, and evaluate treatment outcomes for child, adolescent, and your adult patients with mental health problems and psychiatric disorders. A variety of settings across the healthcare continuum will be utilized. Multidisciplinary and interprofessional collaboration, a function of the Psychiatric Mental Health Nurse Practitioner (PMHNP), is integrated into clinical experiences. Course requires 12 hours per week clinical time.
Prerequisite(s): NURS 523 and NURS 524
Corequisite(s): NURS 525
Restriction(s): Enrollment is limited to students in Psyc Mental Health Nurs prac (0479) or Nursing (149)
Course Fee: $40
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019

NURS 527  Advanced Psychiatric Nurse Practitioner III: Internship  5 Hours
This is the culminating clinical experience where students demonstrate theories and roles, along with competencies for advanced psychiatric nursing practice. Students will conduct comprehensive and systematic psychiatric assessments, diagnose common acute and chronic psychiatric illnesses, implement pharmacologic and psychosocial interventions, and evaluate treatment outcomes across the lifespan for patients with mental health problems and psychiatric disorders. A variety of settings across the healthcare continuum will be utilized. Multidisciplinary and interprofessional collaboration, a function of the Psychiatric Mental Health Nurse Practitioner (PMHNP), is integrated into clinical experiences. Course requires 20-25 hours per week clinical time.
Prerequisite(s): NURS 525 and NURS 526
Corequisite(s): NURS 511
Restriction(s): Enrollment is limited to students in Psyc Mental Health Nurs prac (0479) or Nursing (149)
Course Fee: $40
Recent Term(s) Offered: summer 2017; summer 2018; summer 2019

NURS 528  Leadership and Management in Nursing Administration  3 Hours
Integrates nursing, business and related theory to provide a framework for examination of issues related to efficient and effective administration and management of resources for patient care delivery. Note: Completion of 3-4 support courses required.
Prerequisite(s): NURS 504 and NURS 506 and NURS 510
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

NURS 530  Nursing Administration Practicum  3 Hours
This course will provide an opportunity to develop advanced nursing administration skills in the management of human resources and analysis of models for the organization of nursing services.
Prerequisite(s): NURS 528
Course Fee: $40
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019

NURS 531  Clinical Teaching in Nursing Education  2 Hours
Essentials of clinical nursing instruction, including management of clinical experiences, clinical teaching strategies, evaluation of students, and legal/ethical problems encountered in clinical instructions.
Restriction(s): Enrollment is limited to students in Nursing (149)
Recent Term(s) Offered: fall 2018; fall 2019

NURS 532  Teaching in Nursing: Roles and Professional Issues  2 Hours
Provides an overview of the role of the nurse educator in academic settings. Includes selected topics relevant to successful transition to an academic role such as legal, ethical, and professional issues.
Restriction(s): Enrollment is limited to students in Nursing (149)
Recent Term(s) Offered: fall 2017; fall 2018

NURS 535  Health Assessment for the Master Entry Professional Nurse  3 Hours
Development of physical assessment skills to determine health status of clients across the life span. Incorporates health promotion, preventative guidelines and patient teaching. Note: Students must be admitted to JUMP for MSN-Master Entry Professional Nursing (MEPN) Concentration.
Restriction(s): Enrollment is limited to students in Nursing (149)
Recent Term(s) Offered: None

NURS 546  Primary Care of the Infant, Child, and Adolescent  3 Hours
Focuses on infant, child, and adolescent health. Emphasis will be on health maintenance, management of common health problems, and health education. The role of the nurse as primary care practitioner in a variety of settings will be examined.
Prerequisite(s): NURS 500 and NURS 503 and NURS 504
Corequisite(s): NURS 547
Restriction(s): Enrollment is limited to students in Nursing Practice (0011) , Family Nurse Practitioner (0449) or Nursing (149)
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019

NURS 547  Primary Care of the Infant, Child and Adolescent Clinical  2 Hours
Focuses on the clinical care of the infant, child, and adolescent health in the primary care setting. Emphasis will be on health maintenance, management of common health problems, and health education.
Prerequisite(s): NURS 500 and NURS 503 and NURS 504
Corequisite(s): NURS 546
Restriction(s): Enrollment is limited to students in Nursing Practice (0011) , Family Nurse Practitioner (0449) or Nursing (149)
Course Fee: $40
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019

NURS 548  Primary Care of the Adult  3 Hours
Focuses on adult health. Emphasis will be on health maintenance, management of common health problems, and health education. The role of the nurse as primary care practitioner in a variety of settings will be examined.
Prerequisite(s): NURS 500 and NURS 503 and NURS 504
Corequisite(s): NURS 549
Restriction(s): Enrollment is limited to students in Nursing Practice (0011) , Family Nurse Practitioner (0449) or Nursing (149)
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

NURS 549  Primary Care of the Adult Clinical  2 Hours
Focuses on clinical care of the adult. Emphasis will be on health maintenance, management of common health problems, and health education. The role of the nurse as primary care practitioner in a variety of settings will be examined.
Prerequisite(s): NURS 500 and NURS 503 and NURS 504
Corequisite(s): NURS 548
Restriction(s): Enrollment is limited to students in Nursing Practice (0011) , Family Nurse Practitioner (0449) or Nursing (149)
Course Fee: $40
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019
NURS 554  Primary Care Internship  5 Hours
This course is a clinical practicum and the student will focus on children, adolescents, adults and the aged. The role of the nurse as a primary health care provider in a variety of settings will be explored. Minimum of twenty-eight hours per week.
Prerequisite(s): NURS 546 and NURS 547 and NURS 548 and NURS 549
Restriction(s): Enrollment is limited to students in Nursing Practice (0011) , Family Nurse Practitioner (0449) or Nursing (149)
Course Fee: $40
Recent Term(s) Offered: spring 2017; fall 2017; spring 2018; fall 2018; spring 2019; fall 2019

NURS 560  Curriculum Development in Nursing Education  2 Hours
Provides the theory and processes to develop, design, and evaluate nursing curricula and programs. The use of curriculum accreditation standards that guide curriculum development and evaluation is studied to direct nursing faculty in curriculum development. Develops the National League for Nursing (NLN) Core Competencies for Nurse Educators 4: Participate in curriculum design and evaluation of program outcomes.
Restriction(s): Enrollment is limited to students in Nursing (149)
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019

NURS 561  Distance Education & Technology in Nursing  2 Hours
Provides an overview of the basics of technology in nursing education including distance learning and web-based course design and simulation. Includes the theoretical underpinnings as well as suggestions for practical application in the nursing education. Includes skills related to web-based course design and evaluation and use of high-fidelity simulators. Develops the National League for Nursing (NLN) Core Competencies for Nurse Educators 1: Facilitate learning: Uses information skillfully to support the teaching-learning process.
Restriction(s): Enrollment is limited to students in Nursing (149)
Recent Term(s) Offered: fall 2017; fall 2018

NURS 563  Teaching in Healthcare Organizations  2 Hours
Develops skills and competencies specific to the role of the nurse educator in staff development for hospitals and other healthcare organizations. Provides opportunity to build competencies for the staff development professional identified by the American Nurses Credentialing Center (ANCC) as preparation for advanced certification in Nursing Professional Development.
Restriction(s): Enrollment is limited to students in Nursing (149)
Recent Term(s) Offered: fall 2017; fall 2018

NURS 564  Teaching in Healthcare Organizations Practicum  1 Hour
This is a practicum experience to facilitate the nurse educator in developing skills and competencies needed for successful implementation of the roles of the hospital or health care organization education specialist. The nurse works with an experienced preceptor to implement planned learning activities for a total of 60 contact hours. Provides opportunity to build competencies for the staff development professional identified by the American Nurses Credentialing Center (ANCC) as preparation for advanced certification in Nursing Professional Development.
Prerequisite(s): NURS 563 or permission of instructor
Recent Term(s) Offered: None

NURS 565  Teaching Strategies in Nursing Education  2 Hours
Builds upon educational theory presented in NURS 504 Advanced Nursing Theory, emphasizing andragogy and issues related to learner diversity. Analyzes teaching strategies and modalities relevant to classroom and clinical teaching in nursing education in structured and unstructured settings.
Restriction(s): Enrollment is limited to students in Nursing (149)
Recent Term(s) Offered: spring 2017; spring 2018

NURS 590  Special Topics in Nursing  1-3 Hours (repeatable max of 6 hrs)
Supervised individual or group study on special topics in nursing.
Prerequisite(s): permission of instructor
Course Fee: $40
Recent Term(s) Offered: fall 2017

NURS 591  Special Topics in Nursing  1-6 Hours (repeatable max of 6 hrs)
Individual or group study on special topics in clinical nursing.
Prerequisite(s): permission of instructor
Recent Term(s) Offered: summer 2017; winter 2018; summer 2018; winter 2019; summer 2019

NURS 599  Thesis Research and Writing  1-6 Hours (repeatable max of 6 hrs)
During this course the student will work under the direction of a faculty advisor to complete a thesis.
Prerequisite(s): NURS 510
Restriction(s): Enrollment is limited to students in Nursing Practice (0011) or Nursing (149)
Recent Term(s) Offered: None

NURS 600  Maintaining Matriculation  1-6 Hours (repeatable max of 6 hrs)
Continued enrollment for thesis completion.
Prerequisite(s): NURS 510 and NURS 599
Recent Term(s) Offered: fall 2017

NURS 601  Orientation to Doctor of Nursing Practice  2 Hours
An immersion experience that introduces the DNP student to program outcomes and policies, DNP roles and responsibilities, and faculty expectations. Laboratory experiences include leadership and self-assessment activities.
Restriction(s): Enrollment is limited to students in Nursing Practice (0011)
Recent Term(s) Offered: summer 2017; summer 2018; summer 2019

NURS 605  Leadership in Nursing Practice  3 Hours
Expands theory related to clinical prevention and population health to improve health outcomes through interdisciplinary collaboration, consultation and management of patient care.
Restriction(s): Enrollment is limited to students in Nursing Practice (0011) or Nursing (149)
Recent Term(s) Offered: spring 2017; summer 2017; spring 2018; summer 2018; spring 2019; summer 2019

NURS 606  Advanced Clinical Practice  1 Hour
Designs, coordinates and evaluates patient care outcomes for a patient population.
Prerequisite(s): NURS 605 or permission of instructor
Recent Term(s) Offered: summer 2017; fall 2017; summer 2018; summer 2019
**NURS 620** Biostatistics for Healthcare Professionals  3 Hours
Application of quantitative analysis approaches to evaluation of epidemiological based data using descriptive and inferential statistical methods. Discussion and application to a Healthcare dataset.
*Recent Term(s) Offered: fall 2017; fall 2018; fall 2019*

**NURS 621** High Acuity Nursing for the Master Entry Professional Nurse  3 Hours
Explores advanced principles of pharmacology, drug prototypes used to treat alterations in health for women, infants, children and high acuity patients, and the nurse's role in administering drugs to patients and incorporates nursing theory. Note: Must be admitted to JUMP for MSN-Master Entry Professional Nursing (MEPN) Concentration.
*Restriction(s):* Enrollment is limited to students in Nursing (149)
*Recent Term(s) Offered: None*

**NURS 624** Pathophysiology for the Master Entry Professional Nurse  3 Hours
Explores basic pathophysiology of selected disease processes that alter the health of individuals across the lifespan. Focuses on nursing assessment and identification of presenting signs and symptoms and manifestations of selected disease processes. Incorporate current and emerging genetic evidence in providing care to individuals, families, and communities. Note: Restricted to students admitted to JUMP for MSN-Master Entry Professional Nursing (MEPN) Concentration.
*Restriction(s):* Enrollment is limited to students in Nursing (149)
*Recent Term(s) Offered: None*

**NURS 629** Pharmacology for the Master Entry Professional Nurse  2 Hours
Explores advanced principles of pharmacology, drug prototypes used to treat alterations in health for women, infants, children and high acuity patients, and the nurse's role in administering drugs to patients. Incorporate current and emerging genetic evidence in providing care to individuals, families, and communities. Note: Admitted to JUMP for MSN-Master Entry Professional Nursing (MEPN) Concentration.
*Restriction(s):* Enrollment is limited to students in Nursing (149)
*Recent Term(s) Offered: None*

**NURS 630** Advanced Epidemiology  3 Hours
Integrates epidemiologic principles for decision-making in Healthcare for improved patient and population outcomes. It is intended for DNP and other Healthcare leaders.
*Prerequisite(s):* (NURS 700 and NURS 620) or permission of instructor
*Recent Term(s) Offered: spring 2017; spring 2018; spring 2019*

**NURS 650** Emergency/Urgent Care I  2 Hours
This course is the first of two didactic courses intended to prepare the NP for beginning practice in the emergency department/urgent care settings. Focus is on recognition and management strategies of health deviations, including acute and chronic exacerbation/maintenance of conditions from the lifespan perspective. The patient population is individuals and families who seek care in emergency/urgent care settings. Care is addressed from an interdisciplinary framework and includes legal/ethical factors.
*Recent Term(s) Offered: None*

**NURS 651** Emergency/Urgent Care Clinical I  2 Hours
This course is the first of two clinical courses intended to prepare the NP for beginning practice in the emergency department/urgent care settings. Focus on the application of skills and competencies related to the didactic and theory taught in NURS 650.
*Prerequisite(s):* NURS 650 (may be taken concurrently) or permission of instructor
*Corequisite(s):* NURS 650
*Recent Term(s) Offered: None*

**NURS 652** Emergency/Urgent Care II  2 Hours
This course is the second of two didactic courses intended to prepare the NP for beginning practice in the emergency department/urgent care setting. Focus on the application of skills and competencies related to the didactic and theory taught in NURS 652.
*Prerequisite(s):* (NURS 650 and NURS 651) or permission of instructor
*Corequisite(s):* NURS 652
*Recent Term(s) Offered: None*

**NURS 653** Emergency/Urgent Care Clinical II  2 Hours
This course is the second of two clinical courses intended to prepare the NP for beginning practice in the emergency department/urgent care setting. Focus on the application of skills and competencies related to the didactic and theory taught in NURS 652.
*Prerequisite(s):* (NURS 650 and NURS 651 and NURS 652) may be taken concurrently
*Restriction(s):* Enrollment is limited to students in Nursing (149)
*Recent Term(s) Offered: None*

**NURS 662** Assessment and Evaluation in Nursing Education  2 Hours
Assessment and evaluation strategies in nursing education are explored with an emphasis on the test plan design based upon the National Council of Licensing Examination (NCLEX), developing, analyzing, and revising classroom tests and competency validation of clinical nursing skills. Components and processes of program evaluation focuses on the nursing program, curriculum, environment, and university outcomes. Develops the National League for Nursing (NLN) Competencies for Nurse Educators, Competency 3: Use assessment and evaluation strategies and Competency 6: Pursue continuous quality improvement in the nurse educator role.
*Recent Term(s) Offered: fall 2017; fall 2018; fall 2019*

**NURS 700** Healthcare Leadership and Organizational Theory  3 Hours
Synthesizes leadership theory and organizational models within the context of the health care industry. Models of human resource management, change management, strategic planning, program development and implementation will be explored with an emphasis on the DNP's role in complex health care organizations.
*Restriction(s):* Enrollment is limited to students in Nursing Practice (0011)
*Recent Term(s) Offered: fall 2017; fall 2018; fall 2019*

**NURS 701** Leadership in Health Policy  3 Hours
Critical analysis of current issues in health policy. Develops nursing leadership role to influence health policy and improve the healthcare delivery system and patient outcomes.
*Restriction(s):* Enrollment is limited to students in Nursing Practice (0011)
*Recent Term(s) Offered: fall 2017; fall 2018; fall 2019*
NURS 712  Evidenced-Based Practice  3 Hours
Provides students with the knowledge and tools to critique, synthesize and differentiate evidence related to health problems of specific populations. Students will explore evidence-based practices that have been used to address health problems in their areas of interest.
Prerequisite(s): (NURS 504 or equivalent) and (NURS 510 or equivalent) and (NURS 620 or equivalent) and NURS 700 or permission of instructor
Recent Term(s) Offered: spring 2017; summer 2017; spring 2018; spring 2019

NURS 714  Economic and Financial Influences in Healthcare Systems  3 Hours
Application and critical appraisal of economic and financial theories in appreciating market dynamics, utilities, incentive structures, and driving and restraining forces in healthcare changes.
Prerequisite(s): NURS 620
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

NURS 740  Technology in Healthcare  3 Hours
Focuses on technology as applied to nursing and healthcare. Theory and experiential learning (computer systems, technology) are necessary for utilizing technology and a clinical component is included.
Prerequisite(s): NURS 700 or permission of instructor
Recent Term(s) Offered: summer 2017; summer 2018; summer 2019

NURS 750  Program Development and Evaluation in Healthcare  3 Hours
Analysis and application of theory related to the evaluation of programs and evidenced-based interventions designed to improve the healthcare of populations in a variety of healthcare settings. Working independently or in a team, the DNP student will assess the quality and cost effectiveness of programs in selected healthcare organizations.
Prerequisite(s): NURS 712
Recent Term(s) Offered: spring 2017; fall 2017; spring 2018; spring 2019

NURS 755  Quality Improvement in Healthcare  3 Hours
Provides theoretical foundations for application of quality improvement tools and methods to improve process/systems, knowledge to lead quality improvement/patient safety initiatives in healthcare systems.
Prerequisite(s): NURS 712 or permission of instructor
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019

NURS 765  Institutional Review Board Process in Nursing  1 Hour
Overview of the institutional review board (IRB) process with development of an IRB for the capstone project.
Prerequisite(s): NURS 750 and NURS 755
Recent Term(s) Offered: summer 2017; fall 2017; summer 2018; summer 2019

NURS 780  Clinical Practicum  3,6 Hours (repeatable max of 6 hrs)
Students will synthesize, integrate, and translate newly acquired knowledge and skills to implement and evaluate a capstone project. Clinical experiences are individually designed within the context of the healthcare system and/or patient population focus of the student’s interest. Student must complete a total of six credit hours.
Prerequisite(s): NURS 750 and NURS 755 and NURS 765
Recent Term(s) Offered: spring 2017; fall 2017; spring 2018; summer 2018; fall 2018; spring 2019; summer 2019; fall 2019

NURS 800  Maintaining Matriculation  1-3 Hours (repeatable max of 3 hrs)
This course is for Doctor of Nursing Practice (DNP) students who have completed 6 hours of NURS 780 and have not completed their project and/or technical report in the DNP program.
Prerequisite(s): NURS 780
Restriction(s): Enrollment is limited to students in Nursing Practice (0011)
Recent Term(s) Offered: spring 2017; summer 2017; fall 2018; fall 2019

Philosophy (PHIL)

PHIL 401G  Readings in Philosophy  3 Hours (repeatable max of 6 hrs)
An intensive study of selected philosophic classics or readings in a selected area of philosophy.
Recent Term(s) Offered: None

PHIL 415G  Advanced Logic  3 Hours
Advanced topics in First Order Logic, through Quantification Theory with Identity, and topics in the Philosophy of Logics. The course will emphasize Computer Assisted Instruction (CAI) and will use the campus VAX network.
Prerequisite(s): permission of instructor
Recent Term(s) Offered: None

PHIL 426G  Philosophy and Old Age  3 Hours
Examination of philosophical themes bearing on old age, such as: meaning, memory, selfhood, autonomy, immortality, euthanasia, filial obligation, intergenerational justice, authority, dignity, virtue/vice, beauty.
Recent Term(s) Offered: None

PHIL 499G  Independent Research in Philosophy  3 Hours (repeatable max of 12 hrs)
Directed study and research in one area of philosophy. The research will culminate in an acceptable thesis.
Recent Term(s) Offered: None

Physics (PHYS)

PHYS 404G  Laboratory Optics  1 Hour
The conclusions and concepts of optics and techniques of experimental optics.
Corequisite(s): PHYS 441G
Recent Term(s) Offered: None

PHYS 409G  Laboratory Exper Physics/Research Tech  1 Hour
Laboratory techniques in experimental research, includes drawing and fabrication of apparatus, technical photography, and statistical treatment of data. Note: 2 years of college physics required.
Recent Term(s) Offered: None
PHYS 410G  Physics for Teachers  3 Hours
A broad study, including laboratory experiences, of the areas of physics relevant to science teaching in grades K-12. For pre-service for in-service teachers who have a minimal physics background. Instruction will be differentiated according to student needs. Applicable toward a major or minor in physics only for those students obtaining teacher certification.
Recent Term(s) Offered: None

PHYS 431G  Radiation Biophysics  4 Hours
The properties of the various forms of radiation and their interactions with, and effects on, living matter. Laboratory offers training in monitoring ionizing radiations and techniques of radioactive isotopes.
Prerequisite(s): PHYS 201 and PHYS 202 or (PHYS 231 and PHYS 232)
Recent Term(s) Offered: None

PHYS 440G  Electromagnetism I  3 Hours
Introduction to the study of classical electromagnetic fields, including electrostatics.
Recent Term(s) Offered: None

PHYS 441G  Optics  3 Hours
Geometrical and physical optics including wave propagation, refraction, dispersion, diffraction, and polarization. Note: One year of college physics and one year of calculus required.
Corequisite(s): PHYS 404G
Recent Term(s) Offered: None

PHYS 445G  Electromagnetism II  3 Hours
Study of classical electrodynamics with emphasis on Maxwell's equations, electromagnetic waves, dispersion and radiation.
Recent Term(s) Offered: None

PHYS 450G  Classical Mechanics II  3 Hours
A continuation of PHYS 350. Includes motion in central potentials, dynamics of systems of particles, rigid body motion.
Recent Term(s) Offered: spring 2017

PHYS 465G  Geophysics  3 Hours
General and exploration geophysics. Topics include the origin of the earth and the solar system, the earth's interior, gravity and isostasy, seismology, upper atmosphere, continents and ocean basins, etc. Note: One year of college physics required.
Prerequisite(s): GEOL 111 or permission of instructor
Equivalent(s): GEOS 565
Recent Term(s) Offered: None

PHYS 475G  Topics/Physics  1-3 Hours (repeatable max of 6 hrs)
Directed study under the supervision of a faculty member.
Recent Term(s) Offered: None

PHYS 480G  Quantum Mechanics  3 Hours
Fundamental principles of quantum mechanics including the hydrogen and helium atoms, the harmonic oscillator, and the Schroedinger wave equation.
Prerequisite(s): PHYS 320 and PHYS 350 and PHYS 450
Recent Term(s) Offered: None

PHYS 501  Classical Dev in Physics  3 Hours
Physics for junior high and high school teachers covers the discovery of physical laws, the origin of forces, motion, energy, momentum, conservation, principles, wave phenomena, and electromagnetics.
Recent Term(s) Offered: None

PHYS 502  Modern Develop/Physics  3 Hours
Physics for junior high and high school teachers. Covers atomic structure, the nucleus, elementary particles, probability and uncertainty, and special relativity. Emphasizes the impact of twentieth century discoveries on the foundations of physical law.
Recent Term(s) Offered: None

PHYS 503  Physics Demonstration  3 Hours
Designed to acquaint the junior high and high school teacher with laboratory equipment and demonstrations for use in secondary education.
Recent Term(s) Offered: None

PHYS 505  Investigations/Physics  3 Hours
Topics of individual interest relating to the teaching of physics.
Recent Term(s) Offered: None

PHYS 506  Overview of Homeland Security  1 Hour
Special requirements: Instructor permission required if not enrolled into graduate program in Homeland Security Sciences. A weekly seminar course available as an in-class group discussion, a real-time webcast, or a downloadable PEG file from the departmental website. Seminar speakers from Department of Homeland Security, businesses, and other recognized national and international experts, will provide an overview of the Homeland Security area. To be taken during the first semester of matriculation.
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

PHYS 510  Methods in Math Physics  3 Hours
No course description is available
Recent Term(s) Offered: None

PHYS 511  Quantitative Modeling for Physics Instruction I: Mechanics  3 Hours
An in-depth study of topics in physics typically taught at the high school level. Emphasizes both the content of physics as well as the process of effectively communicating the content to secondary students. Topics include kinematics, Newton's laws of motion, energy, momentum and other topics in mechanics. Note: One year of math-based physics at the college level required.
Recent Term(s) Offered: summer 2018

PHYS 512  Quantitative Modeling for Physics Instruction II: Electromagnetism  3 Hours
An in-depth study of topics in physics typically taught at the high school level. Emphasizes both the content of physics as well as the process of effectively communicating the content to secondary students. Topics include electric and magnetic fields, and circuits. Note: One year of math-based physics at the college level required.
Recent Term(s) Offered: None

PHYS 516  Classroom Physics Teaching: Theory and Practice  3 Hours
Designed to assist new physics instructors in teaching physics. Includes constructing and using laboratory equipment, implementing research-based curriculum, and assessments in physics. Note: Must be instructor in a physical science course as verified by a letter from the school principal or equivalent.
Prerequisite(s): PHYS 511 or PHYS 512
Recent Term(s) Offered: summer 2018
PHYS 518  Classroom Applications of Physics and Science Education Research  3 Hours (repeatable max of 6 hrs)
Help instructors to make practical connections between discipline-based science education research in physics and other areas with their own classroom teach. Students will read original research, document examples in classroom, and evaluate and modify curricular materials. Note: Must be instructor in a physical science course as verified by a letter from the school principal or equivalent.
Prerequisite(s): PHYS 511 or PHYS 512
Recent Term(s) Offered: None

PHYS 519  Physical Science Education Research Methods  3 Hours
Equips physics and physical science instructors to design and carry out practical educational research projects with the goal of improving instruction. Covers research methodologies in physics and other discipline-based science education research (DBSER), designing and carrying out research projects with the goal of informing classroom instruction.
Prerequisite(s): PHYS 518
Recent Term(s) Offered: None

PHYS 520  Atomic and Molecular  3 Hours
No course description is available
Recent Term(s) Offered: None

PHYS 530  Statistical Physics  3 Hours
No course description is available
Recent Term(s) Offered: None

PHYS 540  Electromagnetic Theory  3 Hours
No course description is available
Recent Term(s) Offered: None

PHYS 550  Classical Mechanics  3 Hours
No course description is available
Recent Term(s) Offered: None

PHYS 560  Introduction to Physics Applications in Homeland Security  3 Hours
A preparatory course in Homeland Security Science for students with limited physics background. An overview of physics applicable to Homeland Security Sciences. Topics include atomic and nuclear physics, optics and analytical techniques.
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

PHYS 565  Optical Detection Methods of Biological and Chemical Agents  3 Hours
Explore the application of optical detection technologies to detect and characterize chemical and biological agents. Optical methods such as laser induced breakdown spectroscopy (LIBS), light detection and ranging (LIDAR), coherent anti-stokes Raman spectroscopy, photoacoustic, and photothermal imaging. Apply theoretical principles to real-world examples.
Prerequisite(s): PHYS 560 or permission of instructor
Recent Term(s) Offered: spring 2018

PHYS 570  Nuclear / Radiological Detection and Remediation  3 Hours
An advanced study of the fundamental principles of nuclear physics and their applications for detection and remediation of nuclear and radiological threats.
Prerequisite(s): PHYS 560
Corequisite(s): PHYS 571
Recent Term(s) Offered: spring 2017; spring 2019

PHYS 571  Nuclear / Radiological Detection and Remediation Laboratory  1 Hour
Students perform laboratory experiments in applications of nuclear physics for detection and remediation of nuclear and radiological threats. Students will gain experience in computerized data acquisition and data analysis using modern techniques and equipment.
Prerequisite(s): PHYS 560
Corequisite(s): PHYS 570
Recent Term(s) Offered: spring 2017; spring 2019

PHYS 580  Quantum Theory  3 Hours
No course description is available
Recent Term(s) Offered: None

PHYS 590  Physical Principles of CBE Detection and Remediation  3 Hours
The course explores physical principles behind chemical agent, biological agent and explosives detection and remediation, and examines current detection techniques and systems deployed.
Prerequisite(s): PHYS 570 or equivalent
Corequisite(s): PHYS 591
Recent Term(s) Offered: fall 2017

PHYS 591  Physics CBE Detection and Remediation Laboratory  1 Hour
Explores physical principles behind chemical agent, biological agent and explosives detection and remediation. Examines current detection techniques and systems deployed.
Prerequisite(s): PHYS 570 or equivalent
Corequisite(s): PHYS 590
Recent Term(s) Offered: fall 2017

PHYS 598  Graduate Seminar  0.5 Hours
No course description is available
Recent Term(s) Offered: spring 2017; summer 2017; fall 2017; spring 2018; summer 2018; fall 2018; spring 2019; fall 2019

PHYS 599  Thesis Research / Writing  1-6 Hours (repeatable max of 6 hrs)
Thesis research/writing.
Prerequisite(s): PHYS 570 or CHEM 572 or BIOL 552
Recent Term(s) Offered: spring 2017; summer 2017; fall 2017; spring 2018; summer 2018; fall 2018; spring 2019

PHYS 600  Maintain Matriculation  1-6 Hours (repeatable max of 6 hrs)
Continued enrollment for thesis completion.
Recent Term(s) Offered: summer 2017; spring 2018; summer 2018

PHYS 660  Theory of Solids  3 Hours
No course description is available
Recent Term(s) Offered: None

PHYS 670  Theoretical Nuclear Physics  3 Hours
No course description is available
Recent Term(s) Offered: None

PHYS 675  Advanced Topics in Physics  1-3 Hours
No course description is available
Recent Term(s) Offered: spring 2017

PHYS 799  Doctoral Research/Physics  1-10 Hours
Research undertaken to complete requirements for the doctoral program. Note: Admission to candidacy in collaborative doctoral program required.
Recent Term(s) Offered: None
Political Science (PS)

PS 500  Workshops in Public Administration  1.5 Hour (repeatable max of 6 hrs)
Emphasizes important and changing topics relevant to people working in the public, not-for-profit and private sectors. The course will make use of practitioners in a variety of settings (local, state, federal) to bring important information to students who can apply what they have learned in their own job settings. Course topics will vary by semester and will include grant writing, strategic planning, lobbying, and others.
Recent Term(s) Offered: None

PS 501  Research Methods in Public Administration  3 Hours
(repeatable max of 6 hrs)
Analysis and description of the logic and procedures necessary for valid political inquiry.
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

PS 510  Problems in National Government  3 Hours
Research, reports, and discussion of selected aspects of national government.
Recent Term(s) Offered: spring 2017; fall 2017; summer 2018

PS 511  Seminar in State and Local US Government  3 Hours
Selected problems of state governments and their sub-units.
Recent Term(s) Offered: spring 2017; summer 2017; fall 2017; spring 2018; summer 2018; fall 2018; spring 2019; summer 2019; fall 2019

PS 512  Kentucky Government and Politics  3 Hours
This course will trace the role and influence of various political and social institutions in the state's political development and their implications for the current political and governmental situation.
Recent Term(s) Offered: None

PS 520  Elements of Public Administration  3 Hours
Introductory survey of governmental administration; emphasizes relationships between political issues and the practice of administration in all areas of the public sector.
Recent Term(s) Offered: winter 2017; spring 2017; fall 2017; winter 2018; fall 2018; winter 2019; fall 2019

PS 524  Administrative Law  3 Hours
A study of the development of and trends in administrative law with emphasis on the problems caused by the exercise of quasi legislative and quasi judicial powers by administrative agencies.
Recent Term(s) Offered: summer 2017

PS 526  Local Government Administration  3 Hours
Provides a foundation and understanding of local government administration for students and future practitioners in public administration.
Recent Term(s) Offered: spring 2019

PS 528  Civic Engagement and E-Governance  3 Hours
Provides a foundation and understanding of civic engagement and e-governance for students and future practitioners in public administration.
Recent Term(s) Offered: fall 2018; fall 2019

PS 530  Public Sector Organizations  3 Hours
Analysis of behavior and problems of public organizations in democratic environments. Links societal values to administrative structure and behavior.
Recent Term(s) Offered: spring 2019

PS 538  Public Service Ethics  3 Hours
Examines the ethical side of public decision making and the values or ends the American political system is designed to promote and protect.
Recent Term(s) Offered: fall 2017; fall 2018

PS 541  Human Resources Management in Public Administration  3 Hours
A systematic survey of public personnel administration in the U.S. Discusses the development of modern personnel systems in the public sector and emphasizes contemporary trends at the state and local level as well as the national level of government.
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019

PS 542  Public & Nonprofit Budgeting  3 Hours
A study of the financial administration process of government with emphasis on local government. Subjects covered range from budgeting to risk management.
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019

PS 543  Politics/Administration/Rural Communities  3 Hours
A study of political and administrative institutions, processes, and issues associated with local governments in rural communities.
Recent Term(s) Offered: spring 2017; summer 2017; fall 2017; spring 2018; summer 2018; fall 2018; spring 2019; summer 2019; fall 2019

PS 549  Special Problems in Public Administration  3 Hours
Seminar approach to contemporary problems in public organizations reflecting political/managerial developments; topics reflect both student and professional needs.
Recent Term(s) Offered: summer 2017; summer 2018; summer 2019

PS 550  Cultural Competencies for Public Administrators  3 Hours
Provides a specific set of skills so that practitioners in public administration can communicate and interact productively with a diverse and changing workforce and citizenry; course will focus specifically on developing an understanding of different cultures and provide needed skills to administer policy and deliver services for the communities practitioners serve.
Recent Term(s) Offered: spring 2018; fall 2019

PS 554  Cross-Sector Collaboration & Conflict  3 Hours
Course explores the importance of intersectoral relationships (between the public, nonprofit, and for-profit sectors) to good public governance.
Recent Term(s) Offered: summer 2019

PS 560  Public Policy Theory  3 Hours
Theoretical approaches to the analysis of public policy, policy-making, and policy implementation and to such topics as health and welfare, poverty, education, and urban affairs.
Recent Term(s) Offered: fall 2018; fall 2019

PS 562  Public Policy Implementation & Evaluation  3 Hours
Seminar examining the various approaches and techniques for evaluating public programs.
Recent Term(s) Offered: spring 2019

PS 564  Nonprofits & Public Policy  3 Hours
Exploration of the connections between nonprofit organizations and public policy; course examines ways nonprofits make policy, are affected by policy, influence policy, and are subject to policy.
Recent Term(s) Offered: None
PSYS 424G  Topics in Developmental Psychology  3 Hours  
Recent Term(s) Offered: None

PS 595  Washington Internship and Seminar  3 Hours  
An individualized internship and/or seminar experience in Washington, D.C. tailored to the student’s area of interest. Placement is determined by the department academic advisor in collaboration with Washington professionals.  
Recent Term(s) Offered: None

PSYS 423G  Psychology of Adult Life and Aging  3 Hours  
Psychological processes in adulthood and aging. Emphasis on contemporary theories, methodological issues, and interactions of psychological, biological, social, and environmental factors in adulthood and aging.  
Recent Term(s) Offered: summer 2017; fall 2017; spring 2018; summer 2018; fall 2019

PSYS 431G  Psychology of Language  3 Hours  
Overview of scientific study of human language abilities, with primary emphasis on individual psychological mechanisms. Note: A research methods course required.  
Prerequisite(s): permission of instructor  
Recent Term(s) Offered: None

PSYS 440G  Abnormal Psychology  3 Hours  
Introduction to abnormal psychology emphasizing forms of abnormal behavior, etiology, developmental factors, interpretations, behavioral manifestations and treatment programs.  
Prerequisite(s): (PSY 100 or PSYS 100) or permission of instructor  
Equivalent(s): PSY 440G  
Recent Term(s) Offered: summer 2017; winter 2018; summer 2018

PSYS 450G  Psychology of Personality  3 Hours  
Overview of the major theoretical approaches to the study of personality, including historical as well as contemporary theorists, avenues of analysis, and concepts.  
Prerequisite(s): PSY 100 or PSYS 100  
Recent Term(s) Offered: None

PSYS 451G  Psychology of Religion  3 Hours  
Study Classical theories and current research in the psychology of religion.  
Prerequisite(s): PSY 100 or PSYS 100  
Recent Term(s) Offered: None

PSYS 453G  Psychology of Women  3 Hours  
Scientific study of the behavior and mental processes of girls and women. Topics include gender differences and similarities, inclusion of females in psychological research, psychological development of girls and women, sexuality, and mental health issues.  
Recent Term(s) Offered: winter 2017; spring 2017; fall 2017; spring 2018; fall 2018

PSYS 463G  Evolutionary Psychology  3 Hours  
A survey of the research methods and core concepts of evolutionary psychology as they apply to human adaptive problems, including problems of survival, sex and mating, parenting and kinship, and aggression.  
Prerequisite(s): permission of instructor  
Recent Term(s) Offered: None

PSYS 465G  Psychopharmacology  3 Hours  
Examination of psychoactive drugs and their effects upon the brain and neural mechanisms responsible for mind and behavior.  
Prerequisite(s): permission of instructor  
Recent Term(s) Offered: fall 2017; fall 2019

PSYS 473G  Training in Business and Industry  3 Hours  
Theories, research and methods of training needs analysis, program design, implementation, and evaluation.  
Prerequisite(s): (PSYS 370 or MGT 311) or permission of instructor  
Recent Term(s) Offered: None

PSYS 510  Advanced Research Methods in Psychology  3 Hours  
Examination of methodological concepts and issues in the conduct of psychological research.  
Restriction(s): Enrollment is limited to students in Psychology (0469)  
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

PSYS 512  Analysis of Variance  3 Hours  
Examines the theory behind and application of between- and within-subjects designs, mixed designs, and other data analytic techniques with an emphasis on analysis of variance.  
Restriction(s): Enrollment is limited to students in Psychology (0469)  
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019

PSYS 513  Correlation and Regression Analysis  3 Hours  
Advanced analysis techniques appropriate to psychological research. Emphasizes regression analysis, partial correlation, moderated multiple regression, and analysis of covariance.  
Restriction(s): Enrollment is limited to students in Psychology (0469)  
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019
PSYS 518  Statistics and Psychometric Theory  3 Hours
Introduction to psychometric theory. Emphasis on statistical techniques and construction of psychological measurement instruments.
Restriction(s): Enrollment is limited to students in Psychology (0469)
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019

PSYS 520  Individual Differences and Human Diversity  3 Hours
Research and theory in aspects of human diversity, including intelligence, motivation, personality, achievement, and aptitudes. Both individual and group differences are addressed, and sources of diversity are explored.
Equivalent(s): PSY 520
Recent Term(s) Offered: None

PSYS 521  Advanced Child Developmental Psychology  3 Hours
Particular emphasis on a critical review of current research in child development.
Recent Term(s) Offered: fall 2017; fall 2019

PSYS 530  Conditioning and Learning  3 Hours
Advanced discussion and critical analysis of theoretical approaches to associative learning with particular emphasis on experimental studies of Pavlovian and instrumental conditioning, motivation, and affect.
Restriction(s): Enrollment is limited to students in Psychology (0469)
Recent Term(s) Offered: spring 2018

PSYS 533  Advanced Topics in Cognition  3 Hours
Advanced overview of human cognition. Covers theory and research on the topics of learning, memory, attention, judgment and decision making, and problem-solving.
Restriction(s): Enrollment is limited to students in Psychology (0469)
Recent Term(s) Offered: fall 2017; fall 2019

PSYS 551  Social Psychology of Organizations  3 Hours
The dynamics of groups and organizations. Current theory and research in psychology of organizations.
Recent Term(s) Offered: None

PSYS 552  Advanced Social Psychology  3 Hours
Behavior of the individual in relation to social contexts. Topics include group dynamics, attitude formation and change, social influence processes, socialization, and language use in communication.
Restriction(s): Enrollment is limited to students in Psychology (0469) or Psychology (092)
Recent Term(s) Offered: spring 2017; spring 2018

PSYS 565  Cognitive Neuroscience  3 Hours
Graduate level introduction to the functional role of brain structure and activity in cognition and behavior.
Recent Term(s) Offered: spring 2017; spring 2019

PSYS 567  Advanced Physiological Psychology  3 Hours
Anatomy of the nervous system, relationships among the components of the nervous system and psychological functioning.
Restriction(s): Enrollment is limited to students in Psychology (0469) or Psychology (092)
Recent Term(s) Offered: fall 2018

PSYS 570  Job Analysis and Compensation  3 Hours
Overview of the I/O discipline with an emphasis on job analysis and compensation.
Recent Term(s) Offered: spring 2017; fall 2018; fall 2019

PSYS 571  Personnel Psychology  3 Hours
Employee selection procedures, with emphasis on criterion and validity issues. Direct involvement in data collection and analysis.
Prerequisite(s): PSYS 570
Recent Term(s) Offered: spring 2017; fall 2018

PSYS 572  Organizational Psychology  3 Hours
Selected topics relevant to work organizations. Emphasizes current theories and research practices.
Prerequisite(s): PSYS 570
Recent Term(s) Offered: spring 2019

PSYS 579  Internship in Industrial-Organizational Psychology  1-3 Hours (repeatable max of 6 hrs)
Internship experience for IO psychology graduate students. Student is required to locate appropriate internship site; site must be approved by faculty prior to registration.
Prerequisite(s): PSYS 570 and PSYS 571 and PSYS 572
Recent Term(s) Offered: summer 2017; fall 2017; winter 2019; spring 2019; summer 2019

PSYS 581  Professional and Ethical Issues in Psychological Sciences  3 Hours
Professional and ethical issues for basic and applied psychological sciences.
Recent Term(s) Offered: spring 2017; fall 2017; spring 2018; spring 2019; fall 2019

PSYS 590  Readings of Research Psychology  1-3 Hours (repeatable max of 9 hrs)
Individual readings or research.
Prerequisite(s): permission of instructor
Equivalent(s): PSY 590
Recent Term(s) Offered: spring 2017; fall 2017; spring 2018; fall 2019

PSYS 595  Practicum in Psychological Sciences  3 Hours
Supervised practical experience in a research setting.
Restriction(s): Enrollment is limited to students in Psychology (0469)
Recent Term(s) Offered: spring 2017; fall 2017; spring 2018; fall 2018; spring 2019; fall 2019

PSYS 597  Trends and Scientific Approaches in Psychological Thinking  1-3 Hours (repeatable max of 3 hrs)
New developments and special topics in contemporary psychological research.
Equivalent(s): PSY 597
Recent Term(s) Offered: None

PSYS 599  Thesis Research/Writing  1-6 Hours (repeatable max of 6 hrs)
Research hours dedicated to the completion of psychology graduate program thesis.
Restriction(s): Enrollment is limited to students in Psychology (0469)
Equivalent(s): PSY 599
Recent Term(s) Offered: spring 2017; summer 2017; fall 2017; spring 2018; fall 2018; spring 2019; summer 2019

PSYS 600  Maintaining Matriculation  1 Hour (repeatable max of 6 hrs)
Maintaining matriculation.
Restriction(s): Enrollment is limited to students in Psychology (0469)
Recent Term(s) Offered: summer 2017; fall 2017; summer 2018; fall 2018; spring 2019
PSYS 640  Psychopathology  3 Hours
Major forms of child and adult psychopathology with emphasis upon recent research, classification systems, the modification of deviant behavior and developmental patterns of learning and motivation variables.
Equivalent(s): PSY 640
Recent Term(s) Offered: fall 2018

PSYS 641  Theories of Psychotherapy  3 Hours
Selected theories and techniques of psychotherapy and counseling. Also covers group therapy, clinical topics, and professional and ethical issues.
Prerequisite(s): permission of instructor
Equivalent(s): PSY 641
Recent Term(s) Offered: spring 2018

PSYS 670  Equal Employment Opportunity, the Law, and Ethical Considerations  3 Hours
Issues relevant to providing equal employment opportunity. EEOC and FEA guidelines regarding selection practices; review of major court decisions and their implications for the conduct of selection; professional and ethical considerations in the practice of I/O psychology.
Prerequisite(s): PSYS 570
Recent Term(s) Offered: spring 2017; fall 2017

PSYS 673  Advanced Training in Business and Industry  3 Hours
Theories, research and methods of training needs analysis, program design, implementation, and evaluation.
Prerequisite(s): PSYS 571 or permission of instructor
Recent Term(s) Offered: fall 2019

PSYS 770  Legal Issues for Organizational Leaders  3 Hours
Restriction(s): Enrollment is limited to students in Educational Leadership (0010)
Recent Term(s) Offered: None

PSYS 771  Human Resources Management and Personnel Decisions for Organizational Leaders  3 Hours
Survey of leadership roles in managing human resources in organizations to achieve both individual and organizational objectives and ensure effective work practices in dynamic work environments. Topics include selection and placement of employees, evaluation of employee performance, compensation and benefits, and effective utilization of human capital.
Restriction(s): Enrollment is limited to students in Educational Leadership (0010)
Recent Term(s) Offered: None

PSYS 773  Employee Training and Development Issues for Organizational Leaders  3 Hours
Review of training needs assessment, issues in the design and development of training programs, evaluation of training programs, methods and delivery systems for training, managing the training function and special issues in training.
Restriction(s): Enrollment is limited to students in Educational Leadership (0010)
Recent Term(s) Offered: None

Psychology (PSY)

PSY 412G  Psychology of Motivation and Emotion  3 Hours
A study of the principal theories of motivation and emotion. Examination of needs, cognition, and social aspects. Includes a critical review of research and application of these theories to human behavior.
Prerequisite(s): PSY 100 or PSYS 100
Recent Term(s) Offered: summer 2017

PSY 421G  Psychology of Early Adolescence  3 Hours
Focuses on theory and research related to cognitive, personality, and social development in early adolescence. Theories are applied to important developmental contexts such as peers, families, and learning environments. Designed for students planning to meet middle grades certification requirements.
Prerequisite(s): PSY 100 or PSYS 100
Recent Term(s) Offered: None

PSY 422G  Adolescent Psychology  3 Hours
Introduction to behavior and development from early adolescence to adulthood, emphasizing a critical review of research and literature.
Prerequisite(s): PSY 100 or PSYS 100
Recent Term(s) Offered: None

PSY 424G  Topics in Developmental Psychology  3 Hours (repeatable max of 6 hrs)
A consideration of special topics to acquaint students with theoretical and research issues of particular interest in developmental psychology.
Equivalent(s): PSY 424G
Recent Term(s) Offered: None

PSY 432G  Psychology of the Gifted and Creative  3 Hours
The course covers identification of gifted children and adults with an emphasis upon the development of educational programs which maximize the development of giftedness. Included will be a critical review of research and literature in the areas of giftedness and creativity.
Prerequisite(s): PSY 100 or PSYS 100
Recent Term(s) Offered: spring 2017; summer 2017; fall 2017; spring 2018; summer 2018; fall 2018; spring 2019; summer 2019; fall 2019

PSY 435G  Moral Development and Education  3 Hours
An in-depth study of and reflection upon psychological theories of morality, moral development, moral functioning, and current models of moral education and professional identity.
Prerequisite(s): (PSY 100 or PSYS 100) or equivalent
Recent Term(s) Offered: None

PSY 436G  Applied Cognitive Psychology  3 Hours
Focus on the application of empirical cognitive findings to real-world memory tasks, reasoning, and problem solving. Topics covered include attentional processes applied to distracted driving, memory formation and retrieval as they relate to eyewitness testimony and recovered memories, and strategies for compensating for our limited short-term memory capacity.
Prerequisite(s): permission of instructor
Recent Term(s) Offered: None

PSY 440G  Abnormal Psychology  3 Hours
Introduction to abnormal psychology emphasizing forms of abnormal behavior, etiology, developmental factors, interpretations, behavioral manifestations and treatment programs.
Equivalent(s): PSY 440G
Recent Term(s) Offered: None
PSY 441G Psychological Aspects of Alcoholism 3 Hours
Intensive study of theories and research regarding alcoholism; emphasis on application of psychological theories to the treatment of alcoholism. Recent Term(s) Offered: None

PSY 442G Beginning Skills in Psychological Interviewing 3 Hours
Paraprofessional skills for conducting structured and unstructured interviews in non-therapy settings. Emphasizes skills development but also covers some theoretical material. Prerequisite(s): (PSY 100 or PSYS 100) and permission of instructor Recent Term(s) Offered: None

PSY 443G Behavior Modification 3 Hours
Introduction to theory and application of behavior modification techniques. Emphasizes the use of behavior modification in education, child rearing, clinics and self modification. Course activities or assignments may require the individual to disclose personal information. Prerequisite(s): (PSY 100 or PSYS 100) and permission of instructor Recent Term(s) Offered: None

PSY 470G Psychology and Law 3 Hours
Psychological knowledge that is pertinent to the legal system. Emphasis on how human characteristics and psychological factors influence attitudes, decisions, and behavior throughout the legal process. Field trips to off-campus locations will be required. Note: Students are responsible for arranging their own transportation. Prerequisite(s): (PSY 100 or PSYS 100) or equivalent Recent Term(s) Offered: None

PSY 499G Senior Seminar in Psychology 3 Hours (repeatable max of 6 hrs)
Seminar in which major concepts and issues in psychology are considered. Directed reading, guest lectures, field trips, and/or oral reports by students are utilized. Recent Term(s) Offered: None

PSY 505 Statistical Software for Behavioral Scientists 3 Hours
Develops proficiency in use of statistical software for mainframe and personal computers. Emphasis on SPSS. Data base management for the PC also addressed. Note: Three hours of undergraduate statistics required. Recent Term(s) Offered: None

PSY 510 Advanced Educational Psychology 3 Hours
Application of psychological and developmental theories to teaching and learning. Examination of cognitive, social, and moral development, learner diversity, learning theories, motivation, effective classroom management, productive instructional practices, and assessment. Recent Term(s) Offered: spring 2017; summer 2017; fall 2017; spring 2018; summer 2018; spring 2019; summer 2019; fall 2019

PSY 511 Psychology of Learning 3 Hours
Theories of learning including conditioning, social learning, reinforcement, problem solving, motivation, and structure of the learning situation. Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

PSY 514 Program Evaluation and Research Methods 3 Hours
Methods and purposes of educational program evaluation. Topics include research methods and designs relevant to program evaluation for school psychologists. Recent Term(s) Offered: fall 2017; fall 2018

PSY 519 Psychological Perspectives on Classroom Behavior 3 Hours
Strategies and techniques designed for coping with problem behaviors in the classroom. Covers both preventative and problem encounter measures. Recent Term(s) Offered: spring 2017; summer 2018; summer 2019

PSY 520 Individual Differences and Human Diversity 3 Hours
Research and theory in aspects of human diversity, including intelligence, motivation, personality, achievement, and aptitudes. Both individual and group differences are addressed, and sources of diversity are explored. Equivalent(s): PSYS 520 Recent Term(s) Offered: summer 2017; summer 2018; summer 2019

PSY 540 Behavior Problems of Childhood and Adolescence 3 Hours
The major forms of psychopathology in children and adolescents, with emphasis upon recent research, classification systems and developmental patterns. Also covers clinical and school treatment of behavior problems encountered in the school setting. Recent Term(s) Offered: summer 2017; spring 2018; spring 2019

PSY 541 Professional Issues and Ethics in Psychology 3 Hours
Ethics codes, professional behaviors, and legal issues in applied psychology Recent Term(s) Offered: winter 2017; winter 2018; spring 2018; winter 2019

PSY 545 Clinical Child Psychology: Theory and Practice 3 Hours
For psychology or mental health profession students desiring to work with mental health problems in children and adolescents. Prerequisite(s): PSY 540 or PSY 640 or permission of instructor Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

PSY 560 Assessment of Individual Intellectual Functioning: Theories and Issues 3 Hours
Review of the theory and development of individually administered cognitive assessments used as basic tools in education and clinical diagnosis. Includes examination of issues in their use and interpretation. Prerequisite(s): permission of instructor Corequisite(s): PSY 562 Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

PSY 561 Advanced Assessment in Educational Settings 3 Hours
Interpretation and integration of assessment information for use in educational settings. Includes tests, behavior ratings scales, ecological analysis, systematic observations, and functional behavioral assessment. Prerequisite(s): PSY 560 and permission of instructor Recent Term(s) Offered: summer 2017; fall 2017; fall 2018; fall 2019

PSY 562 Practicum in Psychological Assessment 1-3 Hours (repeatable max of 6 hrs)
Supervised experience in the administration and interpretation of instruments and practices used in the assessment of intellectual abilities and learning problems in educational or clinical settings. Field experiences in appropriate off-campus settings may be required. Students are responsible for arranging their own transportation to designated or assigned sites. Prerequisite(s): permission of instructor Recent Term(s) Offered: spring 2017; fall 2017; spring 2018; fall 2018; spring 2019; fall 2019
PSY 590 Readings of Research Psychology  1-3 Hours (repeatable max of 9 hrs)
Individual readings or research.
Prerequisite(s): permission of instructor
Equivalent(s): PSYS 590
Recent Term(s) Offered: summer 2017; fall 2017; spring 2018; summer 2018; fall 2018; spring 2019; fall 2019

PSY 591 Internship in College Teaching  3 Hours
Problems and methods of teaching at the college level. Students enrolled in this course will concurrently teach a course in introductory or general psychology.
Recent Term(s) Offered: None

PSY 592 Psychology Internship  3 Hours (repeatable max of 6 hrs)
Applied supervised experiences for clinical and school psychologists. Students must meet minimum hour requirements as specified by the programs. Students are responsible for their own transportation to internship sites.
Prerequisite(s): permission of instructor
Recent Term(s) Offered: spring 2017; fall 2017; spring 2018; fall 2018; spring 2019; fall 2019

PSY 597 Trends and Scientific Approaches in Psychological Thinking  1-3 Hours (repeatable max of 6 hrs)
New developments and special topics in contemporary psychological research.
Equivalent(s): PSYS 597
Recent Term(s) Offered: None

PSY 599 Thesis Research  1-6 Hours (repeatable max of 6 hrs)
Thesis research and writing directed by faculty committee.
Equivalent(s): PSYS 599
Recent Term(s) Offered: spring 2017; summer 2017; fall 2017; spring 2018; fall 2018; spring 2019; fall 2019

PSY 600 Maintain Matriculation  1-6 Hours (repeatable max of 6 hrs)
Continued enrollment for thesis completion.
Recent Term(s) Offered: spring 2017; fall 2017; spring 2018; summer 2018; fall 2018; spring 2019; fall 2019

PSY 617 Reading and Understanding Statistics in Psychology  3 Hours
Examination of critical consumer statistics reported in psychology journals. Coverage ranges from basic descriptive statistics to advanced inferential statistics. The focus of the course is on reading, interpreting, and critiquing results sections of journals.
Recent Term(s) Offered: summer 2018; summer 2019

PSY 625 Seminar in School Psychology  3 Hours (repeatable max of 6 hrs)
Readings and discussion on current issues in the field of school psychology.
Restriction(s): Enrollment is limited to students in School Psychology (147)
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019

PSY 637 Theories of Addiction  3 Hours
This course involves introduction to theoretical, philosophical and historical premises of addictions. Topics include professional ethics, diversity, family roles and relationships, and dual diagnosis. Note: Admission to or completion of approved graduate program in helping profession required.
Prerequisite(s): permission of instructor
Equivalent(s): CNS 637, SWRK 637
Recent Term(s) Offered: None

PSY 640 Psychopathology  3 Hours
Major forms of child and adult psychopathology with emphasis upon recent research, classification systems, the modification of deviant behavior and developmental patterns of learning and motivation variables.
Equivalent(s): PSYS 640
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

PSY 641 Theories of Psychotherapy  3 Hours
Selected theories and techniques of psychotherapy and counseling. Also covers group therapy, clinical topics, and professional and ethical issues.
Prerequisite(s): permission of instructor
Equivalent(s): PSYS 641
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019; fall 2019

PSY 642 Clinical Interviewing and Psychotherapy  3 Hours
Continuation of PSY 641 with emphasis on group, family, and marital psychotherapy.
Prerequisite(s): PSY 641 and permission of instructor
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

PSY 643 Academic Assessment and Intervention  3 Hours
Diagnostic instruments and procedures for assessing educationally-related disabilities. Emphasis on current laws and regulations regarding special education, academic interventions, and Individualized Education Programs. Field experiences in appropriate off-campus settings may be required. Note: Students are responsible for arranging their own transportation to designated or assigned sites.
Prerequisite(s): PSY 560 and permission of instructor
Recent Term(s) Offered: spring 2017; spring 2018; summer 2018; spring 2019

PSY 645 Consultation in Educational and Mental Health Settings: Theory and Practice  3 Hours
Designed to provide theory and practice to mental health professionals. Theories and methods of mental health consultation in depth. Field experiences in appropriate off-campus settings may be required. Note: Students are responsible for arranging their own transportation to designated or assigned sites.
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019

PSY 646 Social Psychology for Applied Practice  3 Hours
Examines the impact of situations, relationships, and attributions on behavioral health and disorder development, diagnosis, and treatment. Explores the application of social psychological theories to the practice of clinical and school psychology.
Prerequisite(s): permission of instructor
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019
PSY 647  Addictions: Assessment, Diagnosis, and Treatment Planning  3 Hours
Selection, administration, and interpretation of assessment methods and techniques used to diagnose addiction disorders, as well as the development of appropriate treatment plans and issues involved in treatment planning.
Prerequisite(s): CNS 637 (may be taken concurrently)
Equivalent(s): SWRK 647, CNS 647
Recent Term(s) Offered: None

PSY 651  Clinical Neuropsychology for Applied Psychologist  3 Hours
Basic neural anatomy and functioning and biological systems will be presented along with the effect those systems have on behavior. Effective applied interventions for people who have neurological problems will be covered.
Restriction(s): Enrollment is limited to students in Applied Psychology (0476), Psychology (092) or School Psychology (147)
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019

PSY 660  Assessment of Personality and Socio-Emotional Functioning  3 Hours
Personality diagnosis using objective and projective techniques with emphasis on current research interpretation, and communication of assessment information.
Prerequisite(s): PSY 560 and permission of instructor
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019; summer 2019

PSY 662  Practicum in Psychology  1-3 Hours (repeatable max of 6 hrs)
Supervised practice in schools, clinics, specialized training centers, hospitals, industry, and research settings. Field experiences in appropriate off-campus settings may be required. Students are responsible for arranging their own transportation to designated or assigned sites.
Prerequisite(s): permission of instructor
Recent Term(s) Offered: spring 2017; fall 2017; spring 2018; fall 2018; spring 2019; summer 2019; fall 2019

PSY 667  Counseling Substance Abusers and Their Families  3 Hours
Counseling issues related to substance abuse diagnosis, treatment and aftercare program.
Equivalent(s): CNS 667, SWRK 667
Recent Term(s) Offered: None

PSY 699  Specialist Project  1-6 Hours (repeatable max of 6 hrs)
Specialist project research and writing directed by faculty committee.
Recent Term(s) Offered: spring 2017; fall 2017; spring 2018; fall 2018; spring 2019; summer 2019; fall 2019

PSY 700  Maintain Matriculation  1-6 Hours (repeatable max of 6 hrs)
Continued enrollment for specialist project completion.
Recent Term(s) Offered: summer 2017; summer 2018

PSY 701  History and Systems of Applied Psychology  3 Hours
Survey of the history of clinical and school psychology with an emphasis on the theories and systems that drove the creation of these professions. Current trends in current clinical and school psychology and their impact on the fields will be examined.
Restriction(s): Enrollment is limited to students in Applied Psychology (0476)
Recent Term(s) Offered: summer 2017; summer 2018

PSY 741  Family Systems in Therapy  3 Hours
Reviews theories of family systems and the implications for therapy and working with families. Applies family systems assessment and therapy techniques to referral concerns.
Restriction(s): Enrollment is limited to students in Applied Psychology (0476)
Recent Term(s) Offered: spring 2018

PSY 751  Clinical Psychopharmacology  3 Hours
Overview of clinical psychopharmacology, including medication side effects and signs, contemporary prescribing practices, and working with medical professionals. Students will learn theoretical and biological bases of psychotropic medications.
Restriction(s): Enrollment is limited to students in Applied Psychology (0476)
Recent Term(s) Offered: fall 2017; spring 2019

PSY 766  Assessment of Autism Spectrum Disorder  3 Hours
Examines methods, instruments, and skills of assessing Autism Spectrum Disorder. Supervised practice with assessment instruments. Note: Students are responsible for their own transportation to assessment sites.
Restriction(s): Enrollment is limited to students in Applied Psychology (0476)
Recent Term(s) Offered: fall 2018

PSY 777  Foundations of Supervision  3 Hours
Examination of theories, ethics and issues in clinical supervision. Field experiences in appropriate off-campus settings may be required. Note: Students are responsible for arranging their own transportation to designated or assigned sites.
Restriction(s): Enrollment is limited to students in Applied Psychology (0476)
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

PSY 785  Doctoral Seminar in School Psychology  3 Hours
Readings and discussion on current issues in the field of psychology relevant to doctoral level school psychologists, such as systems level consultation, supervision, and private practice.
Restriction(s): Enrollment is limited to students in Applied Psychology (0476)
Recent Term(s) Offered: None

PSY 791  Advanced Psychology Practice  1,3 Hour
Advanced field experience (200 TO 600 clinical and supervision hours) for doctoral students. Note: Students are responsible for their own transportation to practicum sites.
Restriction(s): Enrollment is limited to students in Applied Psychology (0476)
Recent Term(s) Offered: spring 2017; fall 2017; spring 2018; summer 2018; fall 2018; spring 2019; fall 2019

PSY 792  Advanced Practicum in School Interventions  1,3 Hour
Supervised practice (200 to 600 clinical and supervision hours) in development of advanced problem-solving strategies and competencies for intervening with children and adolescents. Note: Students are responsible for their own transportation to practicum sites.
Restriction(s): Enrollment is limited to students in Applied Psychology (0476)
Recent Term(s) Offered: fall 2018; spring 2019; fall 2019
PSY 799  Dissertation in Psychology  1,3 Hour (repeatable max of 6 hrs)
Research undertaken to complete requirements for the doctorate in applied psychology.
**Prerequisite(s):** permission of instructor
**Restriction(s):** Enrollment is limited to students in Applied Psychology (0476)
**Recent Term(s) Offered:** spring 2017; summer 2017; spring 2018; spring 2019; summer 2019

PSY 801  The Profession of Clinical Psychology  3 Hours
Survey of the issues and opportunities in the applied practice of psychology. The legal, financial, professional, and ethical issue of applied practice will be addressed.
**Restriction(s):** Enrollment is limited to students in Applied Psychology (0476)
**Recent Term(s) Offered:** spring 2017; spring 2018; fall 2019

PSY 862  Advanced Psychotherapy Interventions  3 Hours (repeatable max of 6 hrs)
Practice in evidence-based, contemporary psychotherapy techniques. Students will learn advanced and emerging techniques to complement existing therapeutic skills.
**Restriction(s):** Enrollment is limited to students in Applied Psychology (0476)
**Recent Term(s) Offered:** fall 2017; spring 2019

PSY 877  Advanced Clinical Supervision  3 Hours
Advanced topics in supervision including specialized settings, challenging supervisees, and technology and supervision. Note: Students are responsible for arranging their own transportation to designated or assigned sites.
**Restriction(s):** Enrollment is limited to students in Applied Psychology (0476)
**Recent Term(s) Offered:** fall 2017; spring 2019

PSY 895  Pre-Doctoral Internship  1-3 Hours (repeatable max of 6 hrs)
Full-time applied psychology internship following the guidelines for the American Psychological Association. Taken at end of doctoral training coursework.
**Prerequisite(s):** permission of instructor
**Restriction(s):** Enrollment is limited to students in Applied Psychology (0476)
**Recent Term(s) Offered:** fall 2017; spring 2018; fall 2018; spring 2019; summer 2019; fall 2019

**Public Health (PH)**

PH 443G  Health Problems of the Aged  3 Hours
Covers ecological factors affecting human health and longevity, current health problems, and research on health and disease as they relate to the aged.
**Recent Term(s) Offered:** None

PH 444G  Death Education  3 Hours
Man’s relationship to death and dying, coming to terms with eventual death, coping with death of loved ones and with fear of death. Includes suicide prevention. Note: Field trips are required. Three hours of social or behavioral science required.
**Recent Term(s) Offered:** None

PH 447G  Human Values/Health Sciences  3 Hours
Analysis of the difficult ethical, legal, and social dilemmas confronting the health care delivery system, patients, medical practitioners, and other health care professionals in contemporary American society. Note: Appropriate background in the social, behavioral, biological, or allied health sciences required.
**Prerequisite(s):** PH 261 and PH 381
**Recent Term(s) Offered:** None

PH 450G  Rural Health and Safety  3 Hours
Students will explore a variety of health and safety issues unique to rural populations. The interdisciplinary team concept will be used throughout the course to foster collaboration that facilitates sharing of the expertise of the students and faculty. One Saturday meeting will be required for a team building activity.
**Recent Term(s) Offered:** None

PH 461G  Comprehensive School Health Program  3 Hours
Examination and application of the components of the comprehensive school health program. Discussion of the role of administrators, teachers, counselors and health service personnel in conducting, coordinating and evaluating the comprehensive school health program. Includes visitation in public schools.
**Prerequisite(s):** PH 381
**Recent Term(s) Offered:** None

PH 465G  Health/Safety/Elementary School  3 Hours
Nature and purpose of school health and safety in the elementary school, including curriculum development, instructional content areas, appraising students’ health, and evaluation.
**Recent Term(s) Offered:** None

PH 467G  Drug Abuse Education  3 Hours
A drug abuse education and prevention course designed to provide current and documented information about abused substances. Includes study of the development, implementation and evaluation of drug prevention programs in the home, school, community and workplace.
**Prerequisite(s):** PH 100 or equivalent
**Recent Term(s) Offered:** fall 2017

PH 468G  Sexuality Education  3 Hours
Emphasis in this course is on planning, implementation and evaluation of school and community sexuality education programs. Health and policy issues which affect sexuality and sexual behavior are addressed along with analysis of contemporary health issues with sexual dimensions.
**Recent Term(s) Offered:** None

PH 501  Research Methods  3 Hours
Methods, materials, techniques, and planning of research studies used and conducted by the profession.
**Recent Term(s) Offered:** None

PH 520  Biostatistics for Public Health  3 Hours
Application of statistical theory and principles in public health and related disciplines. Emphasis is placed on developing and testing hypotheses, utilizing appropriate statistical methodology, and the use of appropriate technology.
**Recent Term(s) Offered:** winter 2017; spring 2017; summer 2017; fall 2017; winter 2018; spring 2018; summer 2018; fall 2018; winter 2019; spring 2019; summer 2019; fall 2019
Recent Term(s) Offered: None

PH 530  Independent Investigations in Community Health  1-6 Hours
(repeatable max of 6 hrs)
Research problems or projects in the area of public health.
Recent Term(s) Offered: winter 2017; spring 2017; summer 2017; spring 2018; summer 2018; fall 2018; spring 2019; fall 2019

PH 546  Graduate Internship  1-6 Hours (repeatable max of 6 hrs)
Supervised, applied field experience with various agencies, organizations, facilities, industries, and businesses with health-related missions or programs. Placement must be approved prior to registering. Off campus travel required.
Prerequisite(s): permission of instructor
Recent Term(s) Offered: spring 2017; summer 2017; fall 2017; spring 2018; summer 2018; fall 2018

PH 548  Community Health Organization  3 Hours
Social, political and economic forces that exacerbate health inequities in different communities; various organizational strategies for effective solution. Review and analysis of community organization and mobilization processes, legislative advocacy, cultural competency, and the role of mass media in conceptualization of public health issues. Transportation requirements for field trips will be provided.
Recent Term(s) Offered: fall 2017; summer 2018; fall 2018; spring 2019; summer 2019; fall 2019

PH 564  Public Health Issues in Women's Health  3 Hours
Examines social, economic, environmental, behavioral and political factors that influence women's health, as viewed from a public health perspective. Management and coordination of policies, procedures, activities and resources designed to promote and protect the health and well being of students and staff. Includes administration of family resource and youth service centers, and coordination of school health education, healthful environment, and health services.
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

PH 567  Admn Compr School Health Program  3 Hours
Management and coordination of policies, procedures, activities and resources designed to promote and protect the health and well being of students and staff. Includes administration of family resource and youth service centers, and coordination of school health education, healthful environment, and health services.
Recent Term(s) Offered: None

PH 568  Public Health Approaches to STD/HIV Prevention  3 Hours
A study of the most common sexually transmitted infections, including infection with the human immunodeficiency virus, and their complications, with special emphasis on prevention and control. Topics include STI/HIV counseling and testing, partner notification, and the development of educational interventions for target populations.
Recent Term(s) Offered: None

PH 572  Practice of Drug Abuse Prevention  3 Hours
Examines the epidemiology of the use and abuse of alcohol, tobacco, and other drugs. In addition, there will be in-depth study of relevant prevention science as applied to school and community settings. The course will be a didactic presentation of material, with substantial engagement activities for students.
Recent Term(s) Offered: None

PH 575  Program Planning in Public Health Practice  3 Hours
Methods of assessing population needs, assets and capacities that affect communities’ health and translating findings into designing a population-based program, project, or intervention.
Prerequisite(s): PH 587
Recent Term(s) Offered: spring 2017; fall 2017; spring 2018; summer 2018; fall 2018; spring 2019; summer 2019; fall 2019

PH 576  Education and Communication Techniques in Public Health Education  3 Hours
Provide concepts and skills in using education and communication techniques in public health promotion programs. Discuss policy advocacy and principles of effectively interacting with community constituents influential in health promotion programs.
Prerequisite(s): PH 587
Recent Term(s) Offered: spring 2017; summer 2017; fall 2017; spring 2018; summer 2018; fall 2018; spring 2019; summer 2019; fall 2019

PH 578  Health Disparities  3 Hours
Introduce and discuss the manner in which minority status, within the United States, results in health inequality. Specific topics to be discussed, in relation to health disparities, are race, sex, gender, disability, and nationality. Through course readings, lectures, and assignments, the student will gain an understanding about how individual and structural factors impact health outcomes within our population.
Recent Term(s) Offered: fall 2017; spring 2018; fall 2018; spring 2019; fall 2019

PH 580  Introduction to Public Health  3 Hours
A comprehensive introduction to public health concepts and practice, examining the philosophy, purpose, history, organization, functions and activities of public health at the national, state and community levels.
Recent Term(s) Offered: fall 2017; spring 2018; fall 2018; spring 2019; fall 2019

PH 581  Applied Methods in Public Health Practice/Field Epidemiology  3 Hours
Application of methods, tools, and techniques utilized by public health practitioners and other related professionals to identify, develop, and assess population-based interventions and outbreak investigations.
Recent Term(s) Offered: fall 2017; spring 2018; fall 2018; spring 2019; fall 2019

PH 582  Epidemiology  3 Hours
Apply epidemiological methods to settings and situations in public health practice. Emphasizes problem solving and interpretation.
Recent Term(s) Offered: spring 2017; summer 2017; fall 2017; winter 2018; spring 2018; summer 2018; fall 2018; winter 2019; spring 2019; summer 2019; fall 2019

PH 583  Public Health Administration  3 Hours
Advanced concepts of organization, administration and management of public health agencies and programs.
Recent Term(s) Offered: spring 2017; summer 2017; fall 2017; spring 2018; summer 2018; fall 2018; spring 2019; summer 2019; fall 2019

PH 584  Principles of Environmental Health  3 Hours
A study of the traditional, emerging and controversial issues associated with environmental health. Biological, chemical and physical threats to human health are included.
Recent Term(s) Offered: spring 2017; summer 2017; fall 2017; spring 2018; summer 2018; fall 2018; spring 2019; summer 2019; fall 2019
PH 585  International Health  3 Hours
Analyzes international health problems, including the development and administration of the World Health Organization. Covers critical health problems of both developed and underdeveloped countries. Emphasizes effective intervention strategies.
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019

PH 586  Violence Prevention  3 Hours
An examination of the nature and extent of family, school and community violence, the psychosocial and biological roots, past efforts to prevent and control violence, and principals of violence prevention.
Recent Term(s) Offered: None

PH 587  Health Behavior  3 Hours
Applications of concepts and theories used in social and behavioral sciences to identify and conceptualize solutions to public health problems.
Recent Term(s) Offered: spring 2017; summer 2017; fall 2017; spring 2018; summer 2018; fall 2018; spring 2019; summer 2019; fall 2019

PH 588  Public Health Capstone  3 Hours
Integrative learning experience that synthesizes core MPH courses into an applied practice experience, within the classroom, addressing a current issue in public health.
Prerequisite(s): permission of instructor
Recent Term(s) Offered: spring 2017; fall 2017; spring 2018

PH 591  Health Program Evaluation  3 Hours
Application of methods and techniques to evaluate public health programs.
Prerequisite(s): PH 587 and (PH 520 or PH 620) or permission of instructor
Recent Term(s) Offered: fall 2017; spring 2018; fall 2018; spring 2019; fall 2019

PH 599  Thesis Research/Writing  3-6 Hours (repeatable max of 6 hrs)
Thesis research and writing directed by faculty committee.
Recent Term(s) Offered: spring 2017; fall 2017; spring 2018; spring 2019; fall 2019

PH 600  Maintain Matriculation  1 Hour (repeatable max of 6 hrs)
Continued enrollment for thesis completion.
Recent Term(s) Offered: spring 2017; summer 2017; spring 2018

PH 620  Advanced Biostatistics  3 Hours
Application of quantitative analysis approaches to evaluation of epidemiological based data using descriptive and inferential statistical methods. Discussion and application to a healthcare dataset.
Prerequisite(s): PH 520 or equivalent
Recent Term(s) Offered: spring 2017; spring 2019

PH 630  Advanced Epidemiology  3 Hours
Application of advanced epidemiologic principles for population-based decision-making.
Prerequisite(s): PH 582
Recent Term(s) Offered: fall 2017; fall 2019

Public Relations (PR)

PR 521  Public Relations in Recreation and Sport  3 Hours
Specialized application of effective communication techniques for building relationships with internal and external constituencies that support marketing from the general practice of public relations.
Equivalent(s): RSA 521
Recent Term(s) Offered: None

PR 543  Strategic Public Relations Writing for Sport  3 Hours
Addresses public relations writing and multimedia distribution requirements for reaching a variety of sport audiences in today’s digital age.
Prerequisite(s): RSA 521
Recent Term(s) Offered: spring 2017; summer 2018; spring 2019

PR 547  Issues in Sport Media Relations  3 Hours
Provides a strategic framework for understanding sport information management and preparation by focusing on the relationship among sport organizations, spokespeople and media.
Prerequisite(s): RSA 521
Recent Term(s) Offered: summer 2017; spring 2018; summer 2019

Recreation (REC)

REC 404G  Recreation Facility Management  3 Hours
A practical orientation to management for a variety of recreation facilities.
Recent Term(s) Offered: None

REC 420G  Commercial Recreation Tourism  3 Hours
Commercial recreation and tourism, including the establishment, supervision, and operation of areas and facilities.
Prerequisite(s): REC 200 and REC 302 and REC 306
Recent Term(s) Offered: None

REC 424G  Camp and Conference Center Administration  3 Hours
Organization and administration of camp and conference center programs and facilities including history, trends, staffing, client needs, finance, marketing, and legal issues.
Recent Term(s) Offered: None

REC 426G  Facility Planning and Design  3 Hours
Facility planning and design process with emphasis on the unique features on many different areas and types of facilities. Field experiences required. Note: Students are responsible for their own transportation to off campus meetings. University transportation provided when possible.
Recent Term(s) Offered: winter 2017; winter 2018; winter 2019

REC 428G  Community Centers and Playgrounds  3 Hours
An intensive investigation of playground and community center operations.
Recent Term(s) Offered: None

REC 430G  Recreation Resource Management  3 Hours
Multi-use natural resource management concepts, issues in resource management and the synthesis of concept and practical knowledge into real and simulated applications of land use and environmental problems related to the leisure service industry. Field trips required. Note: Students are responsible for their own transportation to off campus meetings. University transportation provided when possible.
Recent Term(s) Offered: fall 2019
REC 434G  Environmental Interpretation  3 Hours
Environmental interpretation in leisure and educational settings. Includes interpretive design of exhibits and facilities. Emphasizes the development of presentation and program skills.
Recent Term(s) Offered: spring 2018

REC 435G  Outdoor Expedition Planning  3 Hours
Principles and techniques for planning, designing, implementing and evaluating extended outdoor expedition programs. Overnight field trips required. Note: Students are responsible for their own transportation to off campus meetings. University transportation provided when possible.
Recent Term(s) Offered: spring 2017; spring 2019

REC 437G  Outdoor Leadership Expedition  3 Hours
Outdoor Leadership capstone course involving a backcountry expedition, leadership development, and teaching techniques. Successful students will receive the Wilderness Education Association Outdoor Leader Certification. Overnight, extended field-trips required. Field experiences required. Note: Students are responsible for their own transportation to off campus meetings. University transportation provided when possible.
Prerequisite(s): REC 435G (may be taken concurrently) or permission of instructor
Course Fee: $500
Recent Term(s) Offered: spring 2017; summer 2017

REC 482G  Recreation Workshop  1-3 Hours (repeatable max of 9 hrs)
Workshops are designed to study special areas relating to the recreation profession. Workshops may be experiential in nature or may follow a traditional class format. Field experiences and/or study at regional campus locations are usually required. Note: Students are responsible for their own transportation to off-campus meetings. University transportation provided when possible.
Recent Term(s) Offered: winter 2017; fall 2019

Recreation and Sport Admin (RSA)

RSA 501  Research Methods in Recreation and Sport  3 Hours
Research terminology, design, methods, data analysis, and manuscript preparation in recreation and sport.
Recent Term(s) Offered: spring 2017; fall 2017; spring 2018; fall 2018; spring 2019; fall 2019

RSA 513  Recreation and Sport Administration  3 Hours
Leadership and management of recreation and sport agencies with emphases on strategic planning, policy, human resources, programming, governance, and organizational behavior and culture.
Recent Term(s) Offered: spring 2017; fall 2017; spring 2018; fall 2018; spring 2019; fall 2019

RSA 515  Recreation and Sport Facility Development  3 Hours
Facility development process with emphasis on the unique features of many different types of facilities. Field experiences required. Students are responsible for their own transportation to off campus meetings. University transportation provided when possible.
Recent Term(s) Offered: spring 2017; summer 2017; spring 2018; summer 2018; spring 2019; summer 2019; fall 2019

RSA 517  Legal Issues in Recreation and Sport  3 Hours
Legal systems, legal concepts, and landmark cases influencing the recreation and sport industry.
Recent Term(s) Offered: winter 2017; spring 2017; summer 2017; fall 2017; winter 2018; spring 2018; summer 2018; fall 2018; winter 2019; spring 2019; summer 2019; fall 2019

RSA 519  Fiscal Practices in Recreation and Sport  3 Hours
Financial principles and practices relevant in recreation settings. Topics include economic principles, financial management and organization, income sources, fundraising, pricing, and budgeting.
Recent Term(s) Offered: winter 2017; spring 2017; summer 2017; fall 2017; winter 2018; spring 2018; summer 2018; fall 2018; winter 2019; spring 2019; summer 2019; fall 2019

RSA 521  Public Relations in Recreation and Sport  3 Hours
Specialized application of effective communication techniques for building relationships with internal and external constituencies that support marketing from the general practice of public relations.
Equivalent(s): PR 521
Recent Term(s) Offered: spring 2017; summer 2017; fall 2017; spring 2018; summer 2018; fall 2018; spring 2019; summer 2019; fall 2019

RSA 523  Theoretical Foundations of Recreation and Sport  3 Hours
Philosophy, theory, and ethics of recreation and sport, including current professional trends in the field.
Recent Term(s) Offered: spring 2017; summer 2017; fall 2017; spring 2018; summer 2018; fall 2018; spring 2019; summer 2019; fall 2019

RSA 530  Advanced Studies in Recreation and Sport  3 Hours (repeatable max of 6 hrs)
Specific and detailed analysis of issues in recreation and sport incorporating individualized instruction between student and faculty.
Prerequisite(s): permission of instructor
Recent Term(s) Offered: winter 2017

RSA 532  Environmental Education Resources  3 Hours
Experiential learning with environmental education resources. Emphasis is placed on Kentucky based interpretation of the natural environment. Field experiences required and students are required to provide their own means of transportation to field sites.
Recent Term(s) Offered: None

RSA 534  Facility Management  3 Hours
This course integrates the various management functions of public assembly facilities. Students focus on advanced management principles, practices and methods.
Recent Term(s) Offered: spring 2017; fall 2017; spring 2018; fall 2018; spring 2019; fall 2019

RSA 536  Event Management  3 Hours
This course integrates the various management functions associated with conducting successful events. Students focus on advanced management principles, practices and methods.
Recent Term(s) Offered: spring 2017; fall 2017; fall 2018; spring 2019; fall 2019

RSA 538  Facility and Event Security Management  3 Hours
Emphasis on efficient methods of security management in the recreation and sport (facility and event) industry, with a focus on an interagency approach.
Recent Term(s) Offered: spring 2017; summer 2017; fall 2017; spring 2018; summer 2018; fall 2018; winter 2019; spring 2019; summer 2019; fall 2019
RSA 542  Investigation of Current Interscholastic Athletics Issues  3 Hours
A capstone experience for the concentration in IAA that will involve an in depth investigation of the various issues addressed throughout this program of study. Does not count toward certification of rank change in Kentucky.
Recent Term(s) Offered: spring 2017; fall 2017; spring 2018; fall 2018; spring 2019; fall 2019

RSA 543  Sports Medicine Administration for Interscholastic Athletics  3 Hours
An in-depth study of the many issues administrators and coaches face in supporting and developing an interscholastic sports medicine program within a school or school district. Does not count towards certification or rank change in Kentucky.
Recent Term(s) Offered: spring 2017; summer 2017; spring 2018; summer 2018; spring 2019; summer 2019

RSA 544  Practicum in Interscholastic Sport  3 Hours
Cooperative field experiences in approved interscholastic sport settings where students obtain professional administrative and/or programming experiences with agency and university supervision.
Recent Term(s) Offered: spring 2017; fall 2017; spring 2018; fall 2018; fall 2019

RSA 546  Leadership and Ethics in Sports Health Care  3 Hours
Provides knowledge and skills related to leadership and ethical behavior and decision making in a variety of athletic training employment settings.
Restriction(s): Enrollment is limited to students in Recreation and Sport Admin (095)
Recent Term(s) Offered: None

RSA 554  Student-Athlete Development  3 Hours
Develop an understanding of the historical and contemporary issues faced by student-athletes at colleges and universities. Content includes support services guidelines in the areas of academics, personal issues, and career preparation/planning.
Recent Term(s) Offered: summer 2017; fall 2017; winter 2018; fall 2018; summer 2019; fall 2019

RSA 556  Governance in Intercollegiate Athletics  3 Hours
Provides for a thorough examination of intercollegiate athletics governing bodies (i.e., NCAA, NAIA, NAAC, NJCAA). Emphasis placed upon governing hierarchy, responsibilities of individual institutions, conference affiliations, and membership requirements.
Recent Term(s) Offered: winter 2017; spring 2017; spring 2018; summer 2018; spring 2019

RSA 558  Compliance in Intercollegiate Athletics  3 Hours
Provides an in-depth analysis of NCAA rules and regulations relating to intercollegiate athletics. Topics include ethical conduct, employment issues, amateurism, recruiting, eligibility (academic and general requirements), financial aid, awards and benefits, playing and practice schedules, and enforcement.
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

RSA 560  Issues in Nonprofit Administration  3 Hours
Historical, philosophical, and theoretical examination of the nonprofit sector, voluntary action, and philanthropy. Including the comparative perspectives, scope, and significance of the sector. Critical issues related to nonprofit governance, leadership, and board/committee development.
Recent Term(s) Offered: spring 2017; fall 2017; spring 2018; fall 2018; spring 2019; fall 2019

RSA 565  Nonprofit Grant Writing and Fundraising  3 Hours
Principles, practices, techniques, and ethics of nonprofit grant writing and fundraising. Philanthropy, relationship building, and comprehensive fund development processes. Special emphasis placed on writing grants and developing fundraising strategies.
Recent Term(s) Offered: spring 2017; fall 2017; spring 2018; fall 2018; spring 2019; fall 2019

RSA 570  Fiscal Administration in the Nonprofit Sector  3 Hours
Financial management, accountability, stewardship, planning, and transparency for nonprofit organizations. Financial literacy with emphasis placed on planning and reporting processes requisite for establishing and maintaining federal nonprofit status.
Recent Term(s) Offered: spring 2017; summer 2017; spring 2018; summer 2018; spring 2019; summer 2019

RSA 585  Nonprofit Practicum  3 Hours
Capstone supervised professional experience in approved nonprofit settings where students obtain professional nonprofit experience with agency and faculty supervision.
Recent Term(s) Offered: summer 2017; fall 2017; spring 2018; summer 2018; spring 2019; summer 2019

RSA 590  Practicum in Recreation and Sport  3 Hours (repeatable max of 6 hrs)
Cooperative field experiences in approved recreation and sport settings where students obtain professional administrative and/or programming experience with agency and faculty supervision. This course requires off campus travel. Students are responsible for their own transportation to off campus meetings.
Recent Term(s) Offered: spring 2017; summer 2017; fall 2017; spring 2018; summer 2018; fall 2018; spring 2019; summer 2019; fall 2019

RSA 599  Thesis Research/Writing  1-6 Hours (repeatable max of 6 hrs)
The master's thesis is to be directed by a member of the Graduate Faculty of the Department. (Each semester)
Recent Term(s) Offered: spring 2017

RSA 600  Maintain Matriculation  1-6 Hours (repeatable max of 6 hrs)
Continued enrollment for thesis completion.
Recent Term(s) Offered: None

Religious Studies (RELS)

RELS 401G  Religious Studies Seminar  3 Hours (repeatable max of 12 hrs)
A seminar with rotating topics designed primarily for advanced students in religious studies.
Recent Term(s) Offered: None

RELS 430G  Christianity to 1517  3 Hours
An investigation of the development of Christian thought and institutions from the first century of the Church until the Reformation.
Recent Term(s) Offered: None
RELS 431G Christianity 1517 to the Present  3 Hours
An investigation of the development of Christian thought and institutions from the Reformation to the present.
Recent Term(s) Offered: None

RELS 499G Independent Research Religious Studies  3 Hours
Directed study and research in one area of religious studies.
Recent Term(s) Offered: None

RELS 500 Theory and Method in the Study of Religion  4 Hours
An introduction to key theoretical and methodological approaches to the comparative study of religion - including sociological, psychological, anthropological, textual and other approaches.
Recent Term(s) Offered: fall 2017

RELS 501 Seminar in Religious Studies  3 Hours
Specific issues in one of the areas of concentration.
Recent Term(s) Offered: None

RELS 510 Seminar in Religious Literature  3 Hours (repeatable max of 12 hrs)
Selected literature from one or more major religious traditions.
Recent Term(s) Offered: spring 2017

RELS 520 Seminar in Religious History  3 Hours (repeatable max of 12 hrs)
Significant topics, movements, or events in the development of one major religious traditions.
Recent Term(s) Offered: None

RELS 530 Seminar in Religious Thought  3 Hours (repeatable max of 12 hrs)
Selected topics or thinkers from one or more major religious traditions.
Recent Term(s) Offered: None

RELS 598 Independent Study in Religion  1-3 Hours (repeatable max of 12 hrs)
Directed study and research in selected topics in religious studies.
Recent Term(s) Offered: spring 2017; fall 2017; spring 2018

RELS 599 Thesis Writing  1-3 Hours (repeatable max of 6 hrs)
Directed research and writing toward the completion of a master’s thesis.
Recent Term(s) Offered: spring 2017; spring 2018

RELS 600 Maintaining Matriculation  1 Hour (repeatable max of 3 hrs)
Maintaining Matriculation.
Recent Term(s) Offered: spring 2018; summer 2018; fall 2018; spring 2019

RELS 601 Graduate Seminar in Religious Studies  4 Hours (repeatable max of 12 hrs)
An intensive study of one or more central aspects of religion, focusing on one or more religious traditions. Content areas of the seminar will vary by semester and instructor.
Prerequisite(s): permission of instructor
Recent Term(s) Offered: spring 2017; fall 2017

RELS 602 Thesis and Project Development Seminar  1 Hour
A forum for graduate students in religious studies to facilitate the development of thesis or project proposals.
Recent Term(s) Offered: spring 2017

RELS 603 Thesis and Project Capstone Colloquium  1 Hour
A forum for graduate students in religious studies to facilitate the completion of thesis or projects. Includes a concluding colloquium for the public presentation of work.
Recent Term(s) Offered: spring 2017; spring 2018

RELS 610 Teaching Practicum in Religious Studies  1 Hour (repeatable max of 4 hrs)
A forum for graduate students to learn about curriculum design and pedagogy for courses in Religious Studies and to discuss their current work. Note: Graduate teaching assistant in religious studies required.
Prerequisite(s): permission of instructor
Recent Term(s) Offered: spring 2017; fall 2017; spring 2018

Science/Math Education (SMED)

SMED 501 Designing Instructional Sequences in Secondary Math and Science  3 Hours
Theory and practice of designing and delivering high quality inquiry-based math & science instruction. Students explore and practice the guided inquiry process, create lesson plans, and implement lessons with secondary students. Note: Admission to GSKyTeach program required.
Corequisite(s): SMED 510, SMED 520
Recent Term(s) Offered: None

SMED 510 Advanced Topics in Knowing and Learning in Mathematics and Science  3 Hours
Exploration of essential questions specifically relevant to teaching mathematics and science. Standards for knowing how they are used, how knowing and learning are structured, and how what is known changes and develops. Note: Admission to GSKyTeach program required.
Corequisite(s): SMED 520, SMED 501
Recent Term(s) Offered: None

SMED 520 Management for Positive Learning Environments  3 Hours
Application of learning theories in instructional settings with diverse student populations. Emphasizes proactive, positive classroom management for teaching and learning. Fieldwork required; students are responsible for arranging their own transportation to sites. Note: Admission to GSKyTeach program required.
Corequisite(s): SMED 501, SMED 510
Recent Term(s) Offered: None

SMED 530 Literacy Support for Diverse Learners in Mathematics and Science  3 Hours
Designing literacy instruction for diverse learners in mathematics and science. Note: Successful completion of at least one graduate SMED course required.
Recent Term(s) Offered: None

SMED 560 Developing Professional Learning Communities for Instructional Improvement  3 Hours
Students form secondary professional learning communities with Mentor and Master Teachers and analyze student performance data to improve teaching/learning. Note: Admission to GSKyTeach program required.
Prerequisite(s): permission of instructor
Corequisite(s): SMED 620, SMED 589
Recent Term(s) Offered: None
SMED 589 Science and Mathematics Education Internship Seminar 3 Hours
Connects theory to practice by helping students complete teaching tasks that demonstrate performance related to Kentucky's New Teacher Standards.
Corequisite(s): SMED 590
Recent Term(s) Offered: None

SMED 590 Teaching Internship 8 Hours
Supervised student teaching experience across fall and spring semesters in assigned off-campus site. Students are responsible for their own transportation to off-campus site. Note: Admission to GSKyTeach program, Teacher Education, and student teaching required.
Corequisite(s): SMED 589
Recent Term(s) Offered: None

SMED 620 Collaborative Research to Improve Mathematics and Science Teaching 3 Hours
Development of skills needed to design and develop a data based action research project to be implemented during the semester. Note: Admission to GSKyTeach program required.
Prerequisite(s): permission of instructor
Corequisite(s): SMED 560, SMED 589
Recent Term(s) Offered: None

SMED 630 Action Research Seminar 1 Hour
Students present results of instructional innovation and develop conclusions about practice or process implemented in secondary math or science classroom.
Prerequisite(s): SMED 620
Recent Term(s) Offered: None

Secondary Education (SEC)

SEC 445G Introduction Education Technology 3 Hours
Instruction and laboratory experiences in the basic theory and application of educational technology to the design, production, evaluation, and utilization of various media.
Equivalent(s): LME 445G
Recent Term(s) Offered: None

SEC 528 Seminar in the Teaching of Secretarial Subjects 3 Hours
Materials, methods, techniques, and devices for teaching typewriting, shorthand, and the related skilled subjects. Review and application of research findings to this area.
Recent Term(s) Offered: None

SEC 529 Teaching Bookkeeping 3 Hours
Purposes, materials, methods, and techniques for teaching bookkeeping and basic business. Review and application of research findings to this area.
Recent Term(s) Offered: None

SEC 534 Seminar in Mathematics Education 3 Hours
Covers newer concepts in curriculum and methods of instruction, current research and problems in mathematics education.
Prerequisite(s): permission of instructor
Equivalent(s): MGE 534
Recent Term(s) Offered: winter 2018

SEC 535 Seminar in Music Education 3 Hours
Historical, philosophical and psychological foundations of music education; application of the principles of education to the music program. Emphasis on current trends in education thought and their implications for instruction, supervision, administration, and evaluation in music education.
Recent Term(s) Offered: None

SEC 537 Seminar in Science Education 3 Hours
Includes the history and comparative study of science teaching, curriculum and course content changes, materials available, evaluation, methods in science teaching, professional organizations, and research in science education.
Prerequisite(s): permission of instructor
Recent Term(s) Offered: winter 2017; fall 2017; winter 2018; winter 2019

SEC 538 Seminar in Social Studies Education 3 Hours
Covers newer concepts in curriculum and methods of instruction as well as current research in social studies education.
Prerequisite(s): permission of instructor
Recent Term(s) Offered: fall 2018; fall 2019

SEC 539 Seminar in Agriculture Education 3 Hours
Current problems in the organization, teaching supervision, administration, and evaluation of agricultural education programs. Investigation, papers, and reports.
Recent Term(s) Offered: None

SEC 545 Investigations in Classroom Teaching 1-3 Hours (repeatable max of 3 hrs)
Opportunity for secondary teachers to engage in the concentrated study of specific problems and/or the development of specific skills related to effective classroom instruction.
Recent Term(s) Offered: spring 2017

SEC 546 Seminar in English Language Arts Methods 3 Hours
Develops the skills, procedures, and strategies for teaching English and Language Arts in secondary school. Field experiences in public schools and/or other appropriate settings away from campus are required in this course. Note: Students are responsible for arranging their own transportation to designated or assigned sites.
Prerequisite(s): EDU 520
Recent Term(s) Offered: None

SEC 570 Workshop - Secondary Education 1-3 Hours (repeatable max of 6 hrs)
No course description is available
Recent Term(s) Offered: None

SEC 573 Methods of Teaching Business and Marketing Education 3 Hours
Develops the skills, procedures, and strategies for teaching business and marketing education in the middle and secondary school. Field experiences in public schools and/or other appropriate settings away from campus are required in this course. Note: Students are responsible for arranging their own transportation to designated or assigned sites. Note: Admission to professional education required.
Prerequisite(s): permission of instructor
Restriction(s): Enrollment is limited to students in Secondary Ed: Initial Cert (0495)
Recent Term(s) Offered: fall 2018; fall 2019
Social Responsibility & Sustainable Communities (SRSC)

SRSC 510 Perspectives on Social Justice 3 Hours
A consideration of major perspectives concerning social justice issues.
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

SRSC 515 Utopias, Dystopias, & Intentional Communities 3 Hours
A study of fictional and historical utopias, dystopias, and intentional communities, with particular attention to environmental concerns.
Recent Term(s) Offered: spring 2019

SRSC 520 Community-based Research Methods 3 Hours
The study of methodologies that support community-based research and problem-solving.
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

SRSC 525 Place and the Problem of Healing 3 Hours
A study of place as it relates to environmental and human/animal suffering and healing.
Recent Term(s) Offered: spring 2018

SRSC 530 Social Policy 3 Hours
A study of the convergences and discontinuities between social justice and social policy using critical interdisciplinary theories.
Recent Term(s) Offered: summer 2017; spring 2018; spring 2019

SRSC 540 Community-Building for Sustainability 3 Hours
Research in a topic related to sustainable community-building.
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019

SRSC 570 Special Topics in Social Responsibility & Sustainable Communities 1-6 Hours (repeatable max of 6 hrs)
A detailed study of a specialized topic.
Prerequisite(s): permission of instructor
Restriction(s): Enrollment is limited to students in Socl Resp/Sustain Communities (0448)
Recent Term(s) Offered: summer 2017

SRSC 579 Independent Study in Social Responsibility & Sustainable Communities 1-3 Hours (repeatable max of 6 hrs)
Supervised individual study and/or field-based experience in a topic of particular relevance to the M.A. in Social Responsibility & Sustainable Communities.
Recent Term(s) Offered: None

SRSC 590 Sustainability Symposium 3 Hours
Culminating residency requirement for students seeking the Master's in Social Responsibility & Sustainable Communities. Includes group site evaluations and concluding symposium.
Restriction(s): Enrollment is limited to students in Socl Resp/Sustain Communities (0448)
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019

SRSC 599 Thesis Research/Writing 1-6 Hours (repeatable max of 6 hrs)
For students pursuing the thesis option of the M.A. Social Responsibility & Sustainable Communities. Note: Earned 21 hours in program required.
Restriction(s): Enrollment is limited to students in Socl Resp/Sustain Communities (0448)
Recent Term(s) Offered: None

SRSC 600 Maintaining Matriculation 1 Hour (repeatable max of 6 hrs)
For students needing to maintain matriculation.
Prerequisite(s): permission of instructor
Recent Term(s) Offered: spring 2017; fall 2017

Social Work (SWRK)

SWRK 433G Ethical Issues and Dilemmas in Social Work 3 Hours
An examination of professional ethics and common ethical dilemmas in social work. Models of ethical decision making are applied in case vignettes.
Prerequisite(s): permission of instructor
Recent Term(s) Offered: summer 2017; spring 2019

SWRK 436G Services to Children 3 Hours
A survey of institutional and community services with focus on principles of social services for children and their families.
Recent Term(s) Offered: None

SWRK 501 Cultural Competency in Social Work Practice 3 Hours
Expands culturally competent standards of practice used in making effective assessments and providing interventions across cultures, including rurality. Note: Not appropriate for advanced standing MSW students.
Restriction(s): Enrollment is limited to students in Social Work (157)
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

SWRK 510 Human Behavior in the Social Environment 3 Hours
Examines behavior within the context of families, groups, organizations, communities, and cultures. Topics include developmental stages of the individual within multiple systems with a particular focus on issues of diversity.
Restriction(s): Enrollment is limited to students in Social Work (157)
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

SWRK 520 Generalist Social Work Practice 3 Hours
Presents micro level theories as they apply to individuals and families. Foundation level skills are tied to theory for practice including communication skills, case management skills, and assessment skills. Field experiences in appropriate off-campus settings may be required. Note: Students are responsible for arranging their own transportation to designated or assigned sites.
Corequisite(s): SWRK 560
Restriction(s): Enrollment is limited to students in Social Work (157)
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019
SWRK 522 Group Dynamics in Social Work Practice 3 Hours
An introduction to group work based interventions in social work, including dynamics of group interaction, stages of group development, and group types. Experiential exercises are used to promote understanding of group processes.
Prerequisite(s): SWRK 501 and SWRK 510 and SWRK 520 and SWRK 560
Corequisite(s): SWRK 561
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019

SWRK 523 Rural Community Organization and Development 3 Hours
Teaches knowledge, skills, and values of advanced macro level social work practice with a focus on complex skills in community development, economic development, and organizational change within the rural community.
Prerequisite(s): SWRK 501 and SWRK 510 and SWRK 520
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019

SWRK 530 Foundation of Social Welfare Policy 3 Hours
Foundations to social policy, social welfare, and the American society. Introduction to analytical and critical thinking about social welfare policy and processes.
Restriction(s): Enrollment is limited to students in Social Work (157)
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019

SWRK 540 Foundations of Social Work Research Methods 3 Hours
Basic skills, knowledge, and values of social work research methods. Introduces single subject design and program evaluation.
Restriction(s): Enrollment is limited to students in Social Work (157)
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

SWRK 560 Generalist Field Practicum I 3 Hours
A beginning application of advanced social work principles and practice skills in a human services environment. Field experiences in an appropriate off-campus setting is required. Note: Students are responsible for arranging their own transportation to designated or assigned sites.
Corequisite(s): SWRK 520
Restriction(s): Enrollment is limited to students in Social Work (157)
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

SWRK 561 Generalist Field Practicum II 3 Hours
Continued application of advanced social work principles and practice skills in a human services environment. This is a continuation of SWRK 560. Field experiences in an appropriate off-campus setting are required. Note: Students are responsible for arranging their own transportation to designating or assigned sites.
Corequisite(s): SWRK 520 and SWRK 560
Corequisite(s): SWRK 522
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019

SWRK 572 Family Violence: Social Work Practice 3 Hours
Provides students with the research, practice, and policy knowledge necessary for understanding, assessing, and intervening in various forms of family violence - child, partner, elder and sibling abuse. Additionally, students examine their own values, beliefs, and biases related to working in this area of social work practice in the public child welfare system.
Prerequisite(s): permission of instructor
Recent Term(s) Offered: None

SWRK 573 Assessment and Case Management of Child Sexual Abuse 3 Hours
Prepares students to identify family dynamics associated with childhood sexual abuse, advocacy, crisis assistance and intervention. Students gain knowledge and skills required to interview children, families, and offenders, assess needs, make appropriate referrals, and prepare for the placement of the child. Students will learn the social worker's role in a multi-disciplinary team and increase their preparation for and participation in related judicial proceedings.
Prerequisite(s): permission of instructor
Recent Term(s) Offered: spring 2017; summer 2017; fall 2017; spring 2018; summer 2018; fall 2018; spring 2019; summer 2019; fall 2019

SWRK 574 Enhancing Safety and Permanency for Children 3 Hours
Students develop professional social work practice knowledge and skills in the delivery of services to children and youth in foster and out of home care as well as families (birth, relative, foster, and adoptive) who care for them. Students are prepared to enhance the safety and permanency of children receiving services from the Kentucky Cabinet for Health and Family Services. Students are responsible for their own transportation.
Prerequisite(s): permission of instructor
Recent Term(s) Offered: winter 2017; spring 2017; summer 2017; fall 2017; winter 2018; spring 2018; summer 2018; fall 2018; winter 2019; spring 2019; summer 2019; fall 2019

SWRK 576 Advanced Casework Practice in Child Welfare 3 Hours
Training in advanced levels of casework in a child welfare practice setting. Note: This is one of three administration and supervision courses offered by the Credit for Learning Program along with SWRK 577 and SWRK 578. Permission of the Credit for Learning (CFL) Program required.
Corequisite(s): SWRK 577, SWRK 578
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

SWRK 577 Supervision of Advanced Casework in Child Welfare 3 Hours
Core concepts and competencies in casework supervision in child welfare. Note: This is one of three administration and supervision courses offered by the Credit for Learning Program along with SWRK 576 and SWRK 578. Permission of the Credit for Learning (CFL) Program required.
Corequisite(s): SWRK 576, SWRK 578
Recent Term(s) Offered: fall 2017; winter 2019

SWRK 578 Coaching and Mentoring Child Welfare Practice 3 Hours
Supervision, coaching and mentoring theory, research, practices, and policies in child welfare. Note: This is one of three administration and supervision courses offered by the Credit for Learning Program along with SWRK 576 and SWRK 577. Permission of the Credit for Learning (CFL) Program required.
Corequisite(s): SWRK 576, SWRK 577
Recent Term(s) Offered: fall 2017; spring 2019
SWRK 579 Partnership in Assessing Children and Families 3 Hours
Provides students with a comprehensive introduction to assessment and provision of ongoing services in cases of child maltreatment as well as abuse and neglect of vulnerable adults.
Prerequisite(s): permission of instructor
Recent Term(s) Offered: spring 2017; summer 2017; fall 2017; spring 2018; summer 2018; fall 2018; spring 2019; summer 2019; fall 2019

SWRK 600 Maintaining Matriculation 1 Hour (repeatable max of 2 hrs)
Maintaining matriculation while completing a thesis or comprehensive examination.
Prerequisite(s): SWRK 622
Restriction(s): Enrollment is limited to students in Social Work (157)
Recent Term(s) Offered: None

SWRK 610 Social Work Administration and Supervision 3 Hours
Develop the knowledge, skills and values necessary for advanced practice focusing on the social work roles of administration and supervision. Prerequisite(s): Completion of all required 500 level MSW courses required.
Restriction(s): Enrollment is limited to students in Social Work (157)
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

SWRK 612 Social Work in Diverse Rural Areas 3 Hours
Addresses issues of diversity, including rurality, in multi-level advanced social work practice for Advanced Standing students.
Restriction(s): Enrollment is limited to students in Social Work (157)
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

SWRK 620 Advanced Psycho-Social Approaches for Rural Practice 3 Hours
Focuses on knowledge, skills and values for advanced micro level social work within a rural area. Topics include clinical interventions with individuals, families, and groups, and skills used to diagnose addiction disorders, as well as the development of appropriate treatment plans and issues involved in treatment planning. Note: Completion of all required 500 level MSW courses required.
Corequisite(s): SWRK 660
Restriction(s): Enrollment is limited to students in Social Work (157)
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

SWRK 622 Integrated Social Work Practice with Families 3 Hours
This course builds on the knowledge and skills gained in the generalist social work practice classes. Knowledge and skills related to the social work processes for planned change using engagement, assessment, planning, implementing, evaluating, terminating, and follow up in working with families will be taught. Note: Completion of all required 500 level MSW courses required.
Prerequisite(s): SWRK 610 and SWRK 620 and SWRK 623 and SWRK 660
Corequisite(s): SWRK 661
Restriction(s): Enrollment is limited to students in Social Work (157)
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019

SWRK 623 Social Work Clinical Assessment and Intervention 3 Hours
Focuses on clinical processes of assessment and diagnosis for rural-centered social work practice. Topics include theories within the Bio-Psycho-Social paradigm, frameworks for organizing and formulating diagnostic understanding with diverse populations. Note: Completion of all required 500 level MSW courses required.
Restriction(s): Enrollment is limited to students in Social Work (157)
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

SWRK 630 Rural Social Welfare Policy 3 Hours
Focuses on policy analysis with emphasis on skills in legislative advocacy and decision making related to social policy and services for rural areas. Includes local and state government decision-making. Note: Completion of all required 500 level MSW courses required.
Corequisite(s): SWRK 660
Restriction(s): Enrollment is limited to students in Social Work (157)
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019

SWRK 637 Theories of Addiction 3 Hours
This course involves introduction to theoretical, philosophical and historical premises of addictions. Topics include professional ethics, diversity, family roles and relationships, and dual diagnosis. Note: Admission to or completion of approved graduate program in helping profession required.
Prerequisite(s): permission of instructor
Equivalent(s): CNS 637, PSY 637
Recent Term(s) Offered: None

SWRK 640 Applied Social Work Research 3 Hours
Focuses on skills, knowledge, and values for evaluation of advanced rural social work with emphasis on single subject design and program evaluation. Students conduct a research project on their practice. Note: Completion of all required 500 level MSW courses required.
Corequisite(s): SWRK 661
Restriction(s): Enrollment is limited to students in Social Work (157)
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019

SWRK 647 Addictions: Assessment, Diagnosis and Treatment Planning 3 Hours
Selection, administration, and interpretation of assessment methods and techniques used to diagnose addiction disorders, as well as the development of appropriate treatment plans and issues involved in treatment planning.
Prerequisite(s): CNS 637 (may be taken concurrently)
Equivalent(s): PSY 647, CNS 647
Recent Term(s) Offered: None

SWRK 660 Advanced Generalist Field Practicum I 3 Hours
An advanced application of social work principles and practice skills in a human services environment with a specific population. Field experiences in an appropriate off-campus setting are required. Note: Students are responsible for arranging their own transportation to designated or assigned sites. Completion of all required 500 level MSW courses required.
Corequisite(s): SWRK 620
Restriction(s): Enrollment is limited to students in Social Work (157)
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

SWRK 661 Advanced Generalist Field Practicum II 3 Hours
The capstone course, a continuation of SWRK 660. Application of advanced social work principles and practice skills in a human services environment with a specific population. Field experiences in appropriate off-campus settings are required. Note: Students are responsible for arranging their own transportation to designated or assigned sites. Completion of all required 500 level MSW courses required.
Prerequisite(s): SWRK 620 and SWRK 660
Corequisite(s): SWRK 622
Restriction(s): Enrollment is limited to students in Social Work (157)
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019
SWRK 667  Counseling Substance Abusers and Their Families  3 Hours
Counseling issues related to substance abuse diagnosis, treatment and aftercare program.
Equivalent(s): CNS 667, PSY 667
Recent Term(s) Offered: None

SWRK 671  Social Work and the Law  3 Hours
Introduction to legal issues in social work. Identifies similarities and differences between legal and ethical obligations and dilemmas. Topics include courtroom evidence, procedure and testimony.
Restriction(s): Enrollment is limited to students in Social Work (157)
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019

SWRK 672  Child Sexual Abuse  3 Hours
Dynamics, causes, and effects of child sexual abuse across the life span. Focuses on interventions, skills, and knowledge for working with families and individuals experiencing child sexual abuse. Note: Completion of all required 500 level MSW courses required.
Restriction(s): Enrollment is limited to students in Social Work (157)
Recent Term(s) Offered: winter 2017; winter 2018; winter 2019

SWRK 673  Grief and Loss: Issues and Interventions  3 Hours
Dynamics of grief and loss. Theories/models for interventions that are relevant for advanced direct social work practice in rural settings.
Restriction(s): Enrollment is limited to students in Social Work (157)
Recent Term(s) Offered: summer 2017; summer 2018; summer 2019

SWRK 675  Expressive Therapies in Social Work Practice  3 Hours
This course will focus on the use of expressive therapies in social work practice from a holistic perspective that embraces alternative practices for personal change and growth. Students will obtain knowledge from various theories and models with interventions that are relevant for individual, family and group social work practice which extends what is known as the traditional "talking cure". Note: Completion of all required 500 level MSW courses required.
Restriction(s): Enrollment is limited to students in Social Work (157)
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019

SWRK 676  Social Work with Migrants  3 Hours
Examine terms associated with migrants, the history of immigration in the U.S., cultural competency and migrant populations, theoretical underpinnings, effective interventions, the most vulnerable migrant groups, and the role of social work.
Restriction(s): Enrollment is limited to students in Social Work (157)
Recent Term(s) Offered: None

SWRK 678  Environmental Justice: Theory, Policy, and Practice  3 Hours
Examines the relationship between environmental practice and social inequality, with grounding in relevant theories, policies, practice and evaluation of micro, mezzo, and macro intervention.
Recent Term(s) Offered: summer 2018; summer 2019

SWRK 679  Professional Social Work Writing Seminar  3 Hours
Common social work writing tasks include documentation of client services, psychosocial assessments including diagnostic impressions, court reports often including recommendations for removal of children or jail time, grant proposals, and additional discipline specific writing requirements. This course will help students develop advanced social work writing skills in these areas critical for successful advanced professional practice.
Recent Term(s) Offered: None

SWRK 685  Human Trafficking: Theories, Policies, & Intervention  3 Hours
Students will learn important terminology, typologies of human trafficking, and gain an understanding of the scope of the problem, both domestically and globally. Students will holistically examine the problem of human trafficking from a micro perspective to a macro perspective.
Recent Term(s) Offered: None

SWRK 695  Special Topics in Social Work  3 Hours (repeatable max of 9 hrs)
An in-depth examination of a selected topic in social work. Topics will vary.
Restriction(s): Enrollment is limited to students in Social Work (157)
Recent Term(s) Offered: winter 2017; summer 2017; winter 2018; summer 2018; winter 2019; summer 2019

SWRK 698  Selected Readings in Social Work  3 Hours (repeatable max of 6 hrs)
An independent study with a faculty member focusing on the development of a literature review or thesis topic pertaining to an agreed upon area within rural centered social work practice. Note: Completion of the 1st year of MSW or advanced standing required.
Restriction(s): Enrollment is limited to students in Social Work (157)
Recent Term(s) Offered: spring 2017; fall 2018; fall 2019

SWRK 699  Selected Research in Social Work  3,6 Hours
An independent study with a faculty member focusing on the completion of the research proposal initiated in SWRK 698.
Prerequisite(s): SWRK 698
Recent Term(s) Offered: None

Sociology (SOCL)

SOCL 408G  Survey Applications  3 Hours
Student involvement in the design, conduct, analysis, and dissemination of an actual social survey research project.
Prerequisite(s): (SOCL 300 or equivalent) and (SOCL 302 or equivalent) and permission of instructor
Recent Term(s) Offered: None

SOCL 420G  Political Sociology  3 Hours
Political behavior within a sociological perspective. Includes social cohesion, legitimacy, political socialization, and power structures. Note: Nine hours of sociology required.
Prerequisite(s): permission of instructor
Recent Term(s) Offered: None

SOCL 434G  Organized Crime  3 Hours
The study of both traditional and nontraditional organized crime from a sociological perspective.
Recent Term(s) Offered: None

SOCL 435G  Family Violence  3 Hours
This course is designed to provide the student with a sociological perspective on family violence in the United States. Emphasis is placed on child abuse and wife abuse. Research, theory, laws, treatment and prevention are analyzed. Note: Six hours of sociology required.
Recent Term(s) Offered: summer 2017
SOCL 440G  Medical Sociology  3 Hours
Comprehensive examination of the social organization of the health care industry in the U.S. Focus on origins and development of medicine, social epidemiology, the social construction of illness and illness behavior, the professionalization of medicine and patterns of social interaction between health providers and patients.
Recent Term(s) Offered: None

SOCL 450G  Occupations and Professions  3 Hours
Deals with occupation specialization and the nature of occupational organization. Examines a variety of occupations and professions to determine the place of work in the lives of their members.
Prerequisite(s): SOCL 346 or permission of instructor
Recent Term(s) Offered: None

SOCL 470G  Environmental Sociology  3 Hours
Explores environmental thought within the sciences and the general public, including shifting worldviews, social movements and social structural change associated with sustainability, environmental justice, and the rights of nature. Note: Three hours of sociology required.
Prerequisite(s): ENG 300 or permission of instructor
Recent Term(s) Offered: None

SOCL 489G  Sociology Study Abroad  1-3 Hours (repeatable max of 3 hrs)
Sociological and cultural study in international locations. No more than three hours may be applied toward the M.A. in sociology.
Prerequisite(s): permission of instructor
Recent Term(s) Offered: None

SOCL 500  Seminar Teaching Sociology  2 Hours
Workshop for students who plan to teach sociology.
Recent Term(s) Offered: None

SOCL 501  Practicum in the Teaching of Sociology  1 Hour
Seminar for students who are teaching sociology. Note: 16 graduate hours in sociology required.
Prerequisite(s): SOCL 500
Recent Term(s) Offered: None

SOCL 505  Proseminar in Sociology  1 Hour
Socializes graduate students into the discipline and profession of sociology and acquaints them with department faculty and their interests.
Restriction(s): Enrollment is limited to students in Sociology (105)
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

SOCL 510  Qualitative Methods of Social Research  3 Hours
Covers epistemological and philosophical bases of qualitative inquiry; research design and data analysis in participant observation, in-depth interviewing, hermeneutic content analysis, and discourse analysis; issues in validity, reliability, and ethics of qualitative research.
Restriction(s): Enrollment is limited to students in Sociology (105)
Recent Term(s) Offered: spring 2017; summer 2017; fall 2017; spring 2018; summer 2018; fall 2018; spring 2019; summer 2019; fall 2019

SOCL 512  Sociological Theory  3 Hours
Analysis of current sociological theories, including a survey of recent approaches to the construction and application of systematic theoretical models. Note: Six hours of sociology required.
Prerequisite(s): permission of instructor
Recent Term(s) Offered: fall 2017; fall 2018

SOCL 513  Quantitative Methods of Social Research  3 Hours
Covers concept definition, model building, and research design appropriate to problem and data. Includes a review of representative research studies to acquaint the sociology major with advanced social research methodology, techniques, and procedures. Note: Six hours of sociology required.
Prerequisite(s): permission of instructor
Recent Term(s) Offered: spring 2017; summer 2017; fall 2017; spring 2018; summer 2018; fall 2018; spring 2019; summer 2019; fall 2019

SOCL 514  Advanced Social Statistics  3 Hours
Deals with forms of statistical analysis commonly applied to sociological research data. Includes multiple and partial correlation and regression, one-and two-way analysis of variance, path and nonlinear function analysis, interaction effects, and introduction to factor analysis. Note: Basic undergraduate statistics course required.
Prerequisite(s): permission of instructor
Recent Term(s) Offered: fall 2017; summer 2018; fall 2018; spring 2019; summer 2019; fall 2019

SOCL 515  Advanced Data Analysis  3 Hours
Deals with multivariate forms of statistical analyses commonly applied to quantitative sociological research data. Covers applications and extensions of the general linear model, including dummy variable regression, analysis of variance and covariance, etc.
Prerequisite(s): (SOCL 513 or equivalent) and (SOCL 514 or equivalent)
Recent Term(s) Offered: spring 2017; spring 2019

SOCL 531  Deviant Behavior  3 Hours
Deals with types of deviant behavior with emphasis on criminality, delinquency, drug addiction, and alcoholism. Also covers current sociological theory and research in the field. Note: Six hours of sociology required.
Prerequisite(s): permission of instructor
Recent Term(s) Offered: None

SOCL 535  Family Violence  3 Hours
Examination of family violence within the United States. Emphasis placed on spousal violence and child abuse but also on violence within other intimate relationships.
Recent Term(s) Offered: fall 2018; fall 2019

SOCL 541  Demography  3 Hours
A review of the demographic processes such as mortality, fertility, and migration, with emphasis on measurements, methods, and analytical techniques. Note: Six hours of sociology required.
Prerequisite(s): permission of instructor
Recent Term(s) Offered: fall 2018

SOCL 542  Community  3 Hours
Ecological and social concepts of the community and its structure and function. Note: Six hours of sociology required.
Prerequisite(s): permission of instructor
Recent Term(s) Offered: None

SOCL 545  Rural Poverty  3 Hours
Explores the nature and scope of poverty in contemporary rural America. Current theories of and policy solutions to poverty will be critically examined. Students are responsible for arranging their own transportation for optional field trips.
Recent Term(s) Offered: None
Spanish (SPAN)

SPAN 470G Advanced Oral Spanish 3 Hours
Conversational units, dramatic sketches, original oral topics.
Prerequisite(s): SPAN 370
Course Fee: $7
Recent Term(s) Offered: fall 2019

SPAN 471G Advanced Spanish Composition 3 Hours
Examination of selected literary works; original compositions on selected topics.
Prerequisite(s): SPAN 371
Recent Term(s) Offered: fall 2017; fall 2019

SPAN 476G 20th Century Spain 3 Hours
Chronological study of the culture of Spain through literary masterpieces of the present century. Ideas and characteristics of cultural and literary periods in Spain and approaches to literary texts will be discussed.
Recent Term(s) Offered: None

SPAN 490G Hispanic Cinema 3 Hours
Introduces students to the cinematic work of Latin American, Spanish and US-Hispanic-Latino film artists and develops critical interpretative skills that enhance appreciation of films.
Recent Term(s) Offered: None

SPAN 499G Advanced Studies in Spanish 1-4 Hours (repeatable max of 6 hrs)
Guided independent study in culture, language, or literature. May be used with consent of full-time program faculty members for work accomplished during study abroad. Number of credit hours will be determined in consultation with instructor.
Prerequisite(s): permission of instructor
Recent Term(s) Offered: None

Special Education (SPED)

SPED 419G Assistive Technology in the Special Education Classroom 3 Hours
This class is designed to provide an overview of assistive technology and augmentative/alternative communication devices and their application in the special education classroom. This class will enable participants to develop sound and inclusive technology plans that meet the needs of students with moderate to severe disabilities.
Prerequisite(s): SPED 516
Recent Term(s) Offered: None

SPED 421G Special Education and the Law: Inter/Appl 3 Hours
Focus is on laws and regulations and the education of children and youth with disabilities. Laws and regulations, the developments that led to them, and their implications for schools, students, and parents are discussed, analyzed, and applied to practical situations.
Prerequisite(s): SPED 516
Recent Term(s) Offered: None

SPED 422G Collaboration and Inclusion in School and Community Settings 3 Hours
This course provides an overview of methods which facilitate collaboration across disciplines to support diverse learners in regular classrooms and community settings. Field experiences are required.
Prerequisite(s): SPED 516
Recent Term(s) Offered: None

SPED 431G Language Intervention: Strategies and Materials 3 Hours
Preparation of teachers to work as consultants in a team model; exploration of local, state and regional agencies involved with individuals diagnosed with ASD. Supervised practicum required at designated sites. Note: Masters degree required.
Prerequisite(s): SPED 610
Recent Term(s) Offered: None
SPED 432G Applied Behavior Analysis 3 Hours
Setting realistic classroom performance objectives for individuals with disabilities. Terminology and methodology in managing a learning environment with appropriate record keeping systems. Field experiences in public schools and/or other appropriate settings away from campus are required in this course. Note: Students are responsible for providing their own transportation.
Prerequisite(s): SPED 331 and SPED 333
Recent Term(s) Offered: fall 2018

SPED 460G Special Problems 1-3 Hours
Investigation of a special problem from an area of individual interest.
Prerequisite(s): permission of instructor
Recent Term(s) Offered: None

SPED 480G Special Problems 1 Hour
No course description is available
Recent Term(s) Offered: None

SPED 501 Introduction to Applied Behavior Analysis 3 Hours
This course provides an introduction to the concepts, theories and principles of applied behavior analysis
Recent Term(s) Offered: summer 2018; summer 2019

SPED 502 Positive Behavior Supports 3 Hours
This class will focus on methods and models of positive behavior management in group settings for school-aged learners with behavior problems.
Recent Term(s) Offered: None

SPED 503 Behavior Assessment 3 Hours
This class will focus on how to accurately define, assess and measure behavior and learn how to conduct a function-based assessment.
Recent Term(s) Offered: None

SPED 504 Instruction to Improve Behavior 3 Hours
This course examines how evidence-based instructional practices can be used to improve academics, social skills, functional skills, and behaviors.
Recent Term(s) Offered: None

SPED 505 Ethics Surrounding Behavior Issues 3 Hours
This course examines legislation, regulations, court decisions, and ethical standards that impact practice in schools and other agencies for school-age learners with behavior problems.
Recent Term(s) Offered: None

SPED 515 Education of Exceptional Children 3 Hours
Introductory course for initial certification in Exceptional Education. Induction issues in special education are examined.
Recent Term(s) Offered: summer 2017; summer 2018; spring 2019; summer 2019; fall 2019

SPED 516 The Exceptional Child: Perspectives and Issues 3 Hours
Focus is on the characteristics, priorities, resources and issues of children who are disabled, delayed or gifted and their families. Emphasis is on current results of research and perspectives on today's children, families, schools and communities. Descriptions, issues and techniques for each area of exceptionality including learning disabilities, emotional/behavioral disorders, mentally challenged, autism, giftedness, physically challenged, health concerns, communication disorders, hearing loss, blindness or low vision, and traumatic brain injury will be included.
Recent Term(s) Offered: spring 2017; fall 2017; spring 2018; fall 2018; spring 2019; fall 2019

SPED 517 Transition Services and Programs for Individuals with Disabilities 3 Hours
Transition planning for individuals with disabilities. Interagency collaboration, vocational assessment, and life-skills competencies within the general curriculum are addressed.
Prerequisite(s): SPED 516 and SPED 530 and SPED 531
Recent Term(s) Offered: summer 2017; summer 2018; summer 2019

SPED 518 Seminar: Contemporary Challenges in Special Education 3 Hours
Issues in special education. Classroom experiences to develop awareness and sensitivity to educational needs. Note: Minimum of 12 hours of graduate level coursework in exceptional education required.
Prerequisite(s): permission of instructor
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

SPED 523 Curriculum/Methods in Early Childhood Special Education 3 Hours
Selection/development of curricula materials for planning, implementation, and evaluation of intervention with children P-5 who have disabilities.
Prerequisite(s): IECE 522 and IECE 521 and IECE 523
Recent Term(s) Offered: spring 2018; spring 2019

SPED 530 Advanced Assessment Techniques 3 Hours
Experiences will be provided for students to enhance their knowledge of issues, techniques, and interpretations of various assessment procedures and instruments.
Recent Term(s) Offered: spring 2017; fall 2017; spring 2018; fall 2018; spring 2019

SPED 531 Advanced Prescriptive Teaching 3 Hours
Adapting the learning environment to the learner. The identification and modification of various aspects of specialized learning environments are examined.
Recent Term(s) Offered: spring 2017; fall 2017; spring 2018; fall 2018; spring 2019; fall 2019

SPED 532 Families, Professionals and Exceptionalities 3 Hours
Interpreting programs for individuals with disabilities to maximize family involvement. Emphasizes the attitudes, skills, and knowledge taught in the educational program.
Recent Term(s) Offered: summer 2017; summer 2018; summer 2019

SPED 533 Seminar: Curriculum for Learning and Behavior Disorders 3 Hours
Development, adaptation, and evaluation of curricula, methods, materials, and resources. Implementing and evaluating instructional programs for students with mild disabilities is stressed.
Prerequisite(s): SPED 516 and SPED 530 and SPED 531
Recent Term(s) Offered: winter 2017; summer 2017; summer 2018; summer 2019

SPED 534 Research in Exceptional Child Education 3 Hours
(repeatable max of 6 hrs)
Reading, interpreting and conducting research related to students with disabilities, parents, and teachers. An independent research project is required.
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019
SPED 535  Curriculum for Individuals with Moderate and Severe Disabilities  3 Hours
No course description is available
Recent Term(s) Offered: spring 2017; spring 2018

SPED 590  Advanced Internship in Exceptional Education  3 Hours (repeatable max of 6 hrs)
Clinically supervised instructional practice in an approved setting for development of advanced skills and experience.
Prerequisite(s): Praxis-Spec ED:mod appl (comp) with a score of 158 or Praxis-Spec ED:Profnd app-comp with a score of 158
Course Fee: $50
Recent Term(s) Offered: spring 2017; fall 2017; spring 2018; fall 2018; fall 2019

SPED 595  Advanced Preparation Capstone for Special Education  3 Hours (repeatable max of 6 hrs)
A capstone course in Special Education for advanced candidates seeking an additional teacher certification area. Practice in implementing instructional skills and procedures. Field observation hours required.
Prerequisite(s): Praxis-Spec ED:mod appl (comp) with a score of 158 or Praxis-Spec ED:Profnd app-comp with a score of 158 and permission of instructor
Recent Term(s) Offered: spring 2017; fall 2017; spring 2018; spring 2019; fall 2019

SPED 598  Thesis Research and Writing  3 Hours (repeatable max of 6 hrs)
Thesis research and writing directed by faculty committee.
Recent Term(s) Offered: None

SPED 600  Maintaining Matriculation  3 Hours (repeatable max of 6 hrs)
Continued enrollment for thesis completion.
Recent Term(s) Offered: None

SPED 610  Characteristics of Autism Spectrum Disorders  3 Hours
Comprehensive review of ASD from the perspectives of various disciplines. Theories of causation, developmental aspects, descriptive and diagnostic characteristics, and legal and social issues. Thirty field experience hours required. Note: Masters degree in education or related field required.
Recent Term(s) Offered: fall 2017; fall 2018; spring 2019

SPED 612  Collaboration with Schools and Agencies for Individuals with Autism Spectrum Disorders  3 Hours
Preparation of teachers to work as consultants in a team model; exploration of local, state and regional agencies involved with individuals diagnosed with ASD. Supervised practicum required at designated sites. Note: Masters degree required.
Prerequisite(s): SPED 610
Recent Term(s) Offered: summer 2017; summer 2018; summer 2019

SPED 615  Instructional Strategies and Design for Students with Autism Spectrum Disorders  3 Hours
Development of competencies and philosophies of instructional design specific to teaching students with ASD. Emphasis on research-based instructional strategies, plans and classroom structures. Note: Masters degree required.
Recent Term(s) Offered: spring 2017; fall 2017; fall 2018

SPED 618  Social Skills Instruction & Behavioral Programming for Students with Autism Spectrum Disorders  3 Hours
Development of competencies in assessing, designing, and implementing social skills instruction and behavioral programming for students with Autism Spectrum Disorders. Note: Masters degree required.
Recent Term(s) Offered: fall 2017; fall 2018; summer 2019

SPED 620  Seminar in the Administration of Special Education  3 Hours
Current trends and issues in the administration and supervision of special education programs.
Equivalent(s): EDAD 620
Recent Term(s) Offered: fall 2017

SPED 625  Practicum in the Administration of Special Education  3 Hours
Supervised practice in educational organizations for persons preparing to become a Director of Special Education.
Equivalent(s): EDAD 625
Recent Term(s) Offered: spring 2017; spring 2018

SPED 630  Special Education Law and Finance  3 Hours
Comprehensive study of existing school law codes for special education; budgeting and financial accounting for local, state and federal monies; and, grant writing and reporting.
Recent Term(s) Offered: spring 2017; summer 2017; spring 2018; spring 2019

Speech-Language Pathology (SLP)

SLP 500  Research Methodology in Communication Sciences and Disorders  3 Hours
Interpretation of empirical research designs used in the field of speech-language pathology and audiology. Includes understanding the various statistical analysis used to determine research outcomes and their relevance to clinical practice.
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

SLP 501  Early Intervention in Speech-Language Pathology  3 Hours
Theory and practice in the assessment and intervention of speech and language disorders in the infant/toddler population.
Restriction(s): Enrollment is limited to students in Speech-Language Pathology (0466)
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

SLP 502  Motor Speech Disorders  3 Hours
The etiologies, communication characteristics, appraisal and treatment of motor speech disorders in children and adults.
Recent Term(s) Offered: spring 2017; summer 2017; fall 2017; spring 2018; summer 2018; fall 2018; spring 2019; summer 2019; fall 2019
SLP 503  Advanced Diagnostic Procedures  3 Hours
Teaches in depth assessment, interpretation of results and clinical report writing skills. Focus on identification of pediatric to geriatric persons with communication disabilities in various clinical settings. Addresses assessment in multicultural populations. Elaboration and extension of basic diagnostic skills and techniques.
Recent Term(s) Offered: winter 2018

SLP 504  Child Language Disorders  3 Hours
Theory and practice in the assessment and intervention of language disorders in the preschool and school age populations.
Restriction(s): Enrollment is limited to students in Speech-Language Pathology (0466)
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019

SLP 505  Orofacial Anomalies  3 Hours
Etiology, diagnosis, and management of speech/language dysfunctions associated with cleft palate and other syndromes resulting from neuropathologies.
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

SLP 506  Fluency Disorders  3 Hours
Prevention, assessment and treatment of stuttering and other fluency disorders in children and adults.
Restriction(s): Enrollment is limited to students in Speech-Language Pathology (0466)
Recent Term(s) Offered: spring 2017; summer 2017; fall 2017; spring 2018; fall 2018; spring 2019; fall 2019

SLP 507  Aphasia  3 Hours
Symptomatology, etiology, differential diagnosis, and remediation of adult aphasia
Recent Term(s) Offered: spring 2017; summer 2017; spring 2018; summer 2018; spring 2019; summer 2019

SLP 508  Voice Disorders  3 Hours
Diagnosis and remediation techniques for voice disorders in children and adults. Rehabilitation of the laryngectomee including use of electrolarynx, esophageal speech, and other voice substitutes.
Recent Term(s) Offered: spring 2017; fall 2017; spring 2018; fall 2018; spring 2019; fall 2019

SLP 509  Speech Science  3 Hours
Study and review of current research in acoustics, speech production, and speech perception. Emphasis on physiological, acoustical and biomedical recording, measurement and interpretation of speech signals.
Recent Term(s) Offered: winter 2017; winter 2018; winter 2019

SLP 510  Seminar in Professional Issues  3 Hours
Current local, regional, and national issues that impact service delivery by the speech pathologist and audiologist. Includes ethics and requirements for state and American Speech-Language Hearing Association certification and licensure.
Recent Term(s) Offered: None

SLP 511  Neurology Speech Language  3 Hours
Study of nervous system organization and how it affects speech, language, and swallowing. Areas of speech, language, and cognition that are affected by diseases, trauma, and disorders. Medical testing including CT scan, MRI, functional imaging and application in the profession are discussed.
Recent Term(s) Offered: spring 2017; fall 2017; spring 2018; fall 2018; spring 2019; fall 2019

SLP 512  Speech Sound Disorders  3 Hours
Prevention, evaluation, diagnosis, and management of appropriate intervention strategies for persons presenting with articulation and/or phonological disorders as well as dialectal variations of speech sound production.
Recent Term(s) Offered: spring 2017; summer 2017; fall 2017; spring 2018; summer 2018; fall 2018; spring 2019; summer 2019; fall 2019

SLP 513  Cognitive Linguistic Disorders  3 Hours
Neural based communicative linguistic disorders, with an emphasis on traumatic brain injury, dementia, and other etiologies that cause cognitive linguistic disorders. Identification, assessment, therapeutic strategies and classification of cognitive linguistic disorders.
Recent Term(s) Offered: summer 2017; fall 2017; summer 2018; fall 2018; summer 2019; fall 2019

SLP 514  Dysphagia  3 Hours
Etiology, characteristics, assessment, intervention protocols and treatment techniques for individuals with dysphagia.
Recent Term(s) Offered: spring 2017; fall 2017; spring 2018; fall 2018; spring 2019; fall 2019

SLP 515  Rehabilitation Audiology  3 Hours
Methods and procedures for evaluating hearing loss and the selection and fitting of amplification across the lifespan will be addressed. Intervention techniques and counseling will be discussed.
Recent Term(s) Offered: spring 2017; fall 2017; spring 2018; fall 2018; spring 2019; fall 2019

SLP 517  Normal Language Development  3 Hours
Introduction to development of speech and language across the lifespan with emphasis on comprehensive child development. Topics include development of speech and language, play, cognition, socialization, and emerging literacy.
Prerequisite(s): permission of instructor
Recent Term(s) Offered: fall 2017; fall 2018; summer 2019

SLP 518  Advanced Alternative and Augmentative Communication Modalities  3 Hours
Surveys terminology and service delivery for alternative and augmentative communication; specifies the rationale for high or low tech device selection based on client needs.
Prerequisite(s): permission of instructor
Recent Term(s) Offered: winter 2017; summer 2017; winter 2018; summer 2018; winter 2019; summer 2019

SLP 550  Speech-Language Pathology and Counseling: Strategies for Clinical Practice  3 Hours
Designed to teach clinicians how to help clients and their families in a positive, empathetic manner. Disorder-specific guidance with respect to client/family understanding of the communication impairment will be presented. Students will be given opportunities to apply their knowledge through interpretation of research and evaluation of case studies.
Prerequisite(s): permission of instructor
Recent Term(s) Offered: spring 2017; summer 2017; summer 2018; summer 2019
SLP 557 Speech-Language Pathology and Autism Spectrum Disorders 3 Hours
Development of strategies for speech-language pathologists to assess and treat the social and communication needs of those with autism spectrum disorders.
Prerequisite(s): SLP 501 and SLP 504
Recent Term(s) Offered: spring 2017; summer 2017; spring 2018; summer 2018; spring 2019; summer 2019

SLP 558 Interprofessional Practice Across the Lifespan 3 Hours
Principles of interprofessional collaboration and exploration of roles of family/caregivers and health care and educational professionals; interprofessional communication, decision making and collaborative team problem solving as it relates to a variety of settings across the lifespan.
Prerequisite(s): permission of instructor
Recent Term(s) Offered: None

SLP 560 Medical Speech-Language Pathology 3 Hours
Current issues encountered in the medical environment in preparation for an externship and career in a healthcare setting. Collaborative roles, ethics, documentation, communication, advanced diagnostics (MBS), impact of various medical conditions on communication, cognition, and swallowing.
Prerequisite(s): SLP 514
Recent Term(s) Offered: spring 2017; summer 2017; spring 2018; summer 2018; spring 2019; summer 2019

SLP 567 School Based Speech-Language Pathology 3 Hours
Review, analysis and critique of speech-language pathology service delivery in schools, including credentialing, professional issues, regulations, due process, assessment, and treatment.
Prerequisite(s): SLP 514
Recent Term(s) Offered: fall 2017; fall 2018; spring 2019; fall 2019

SLP 570 Administration and Supervision in Speech Language Pathology 3 Hours
Review of the types of supervision found in speech-language pathology at the pre-professional and professional levels; the administration of speech programs in various settings will be described; ASHA and CAA standards will be targeted.
Restriction(s): Enrollment is limited to students in Speech-Language Pathology (0466)
Recent Term(s) Offered: None

SLP 572 Contemporary Issues in Communication Disorders 3 Hours (repeatable max of 6 hrs)
An in-depth examination of a topic of current interest and relevance to speech-language pathologists.
Prerequisite(s): permission of instructor
Recent Term(s) Offered: winter 2017; summer 2017; winter 2018; spring 2018; summer 2018; winter 2019; summer 2019

SLP 575 The Speech Language Pathologist's Role in Literacy Practice 3 Hours
An examination of how difficulties involving phonological awareness, memory, retrieval, language demands of textbooks, academic talk, and curriculum may stress a student's capabilities at different ages and grade levels and learn how speech-language pathologists can assess and provide intervention.
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019

SLP 579 Seminar in Professional Issues 1 Hour
Current local, regional, and national issues that impact speech-language pathology service delivery. Includes requirements for state licensure and national certification.
Prerequisite(s): permission of instructor
Recent Term(s) Offered: spring 2017; summer 2017; fall 2017; spring 2018; summer 2018; spring 2019; summer 2019

SLP 580 Clinical Observation 1 Hour
Provides graduate speech-language pathology students with opportunities to observe, evaluate, then analyze a variety of professional assessment and intervention sessions. A minimum of 25 hours of treatment or assessment of communication disorders in children or adults is required.
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

SLP 588 Clinical Methods in Speech-Language Pathology 1 Hour
Introduction to clinical policies and procedures in speech-language pathology.
Prerequisite(s): permission of instructor
Restriction(s): Enrollment is limited to students in Speech-Language Pathology (0466)
Recent Term(s) Offered: spring 2017; spring 2018; spring 2019

SLP 589 Special Topics in Communication Disorders 1-3 Hours (repeatable max of 3 hrs)
Independent but guided inquiry of pre-approved topics in the field of Speech Pathology-Audiology. Not substituted for course offered same term.
Recent Term(s) Offered: spring 2017; fall 2017; spring 2018; spring 2019

SLP 590 Clinical Internship 1 Hour (repeatable max of 2 hrs)
Advanced, supervised, clinical practicum that provides varied on-campus experiences with clients presenting communication disorders. Maximum of one hour allowed per semester.
Course Fee: $250
Recent Term(s) Offered: spring 2017; summer 2017; fall 2017; spring 2018; summer 2018; fall 2018; spring 2019; summer 2019; fall 2019

SLP 591 Clinical Externship 2,3 Hours (repeatable max of 6 hrs)
Advanced, supervised clinical experience in a variety of settings external to the campus. Maximum of 3 hours per semester.
Course Fee: $50
Recent Term(s) Offered: spring 2017; summer 2017; fall 2017; spring 2018; summer 2018; fall 2018; spring 2019; summer 2019; fall 2019

SLP 596 International Speech-Language Pathology 3 Hours
Knowledge and understanding of how speech and language services are rendered in other countries will be gained through study abroad.
Prerequisite(s): permission of instructor
Restriction(s): Enrollment is limited to students in Speech-Language Pathology (0466)
Recent Term(s) Offered: summer 2017; summer 2018; summer 2019

SLP 599 Thesis Research and Writing 3 Hours (repeatable max of 6 hrs)
Faculty supervised research project on a topic related to speech-language pathology.
Prerequisite(s): SLP 500 and permission of instructor
Restriction(s): Enrollment is limited to students in Speech-Language Pathology (0466)
Recent Term(s) Offered: spring 2017; fall 2017; spring 2018; fall 2018; spring 2019; fall 2019
SLP 600  Maintaining Matriculation  1-6 Hours (repeatable max of 6 hrs)
Maintaining matriculation while completing thesis or comprehensive examination. Note: Completion of all program requirements except thesis or comprehensive examination.
Restriction(s): Enrollment is limited to students in Speech-Language Pathology (0466)
Recent Term(s) Offered: summer 2017; fall 2017; spring 2018; summer 2018; fall 2018; spring 2019; fall 2019

Statistics (STAT)

STAT 549  Statistical Methods I  3 Hours
Principles of applied statistical research. Elements of data collection and experimental design. Parametric and nonparametric methods for analyzing interval, ordinal and categorical data, including confidence intervals and hypothesis testing, single factor ANOVA, simple and multiple linear regression and correlation. Emphasis will be placed on analyzing real data.
Prerequisite(s): permission of instructor
Recent Term(s) Offered: fall 2018; fall 2019

STAT 550  Statistical Methods II  3 Hours
Continuation of STAT 549. Topics include multiple linear regression, generalized linear model, two-way ANOVA and more general factorial design, block and nested design, mixed and random effect models, analysis of covariance. Emphasis on analyzing real data using statistical software packages, such as SAS, SPSS, or R.
Prerequisite(s): STAT 549 with a minimum grade of B or permission of instructor
Recent Term(s) Offered: spring 2017

Sustainability (SUST)

SUST 512  Foundations of Sustainability  3 Hours
Examination of the social, economic, and environmental principles of sustainability, with a focus on case studies at both local and global levels.
Recent Term(s) Offered: summer 2017; summer 2018; summer 2019

SUST 514  Environmental Justice and Public Spaces  3 Hours
An examination of environmental justice and place, including historical movements and case studies of the uses and misuses of public space and resources.
Recent Term(s) Offered: fall 2017; fall 2018; fall 2019

SUST 517  Sustainable Places  3 Hours
Examines key features and principles of sustainable places, including advantages of, challenges to, and the importance of governance in creating sustainable places (communities, cities, countries).
Recent Term(s) Offered: None

SUST 518  Organizational Change for Sustainability  3 Hours
An examination of approaches to organizational change for comprehensive sustainable performance, including analysis of institutional barriers and examples of successful change strategies.
Recent Term(s) Offered: spring 2017

Teacher Leadership (TCHL)

TCHL 500  Foundations of Teacher Leadership  3 Hours
Survey course covering foundational concepts of leadership, especially as they relate to the role of teacher leaders in P-12 settings. Includes orientation assessments leading to individualized programs for students. Note: Admission to a master’s or 5th year non-degree program that leads to advanced teacher preparation required.
Recent Term(s) Offered: winter 2017; spring 2017; summer 2017; fall 2017; spring 2018; summer 2018; fall 2018; winter 2019; spring 2019; summer 2019; fall 2019

TCHL 520  Principles of Action Research for Teacher Leaders  3 Hours
Principles of action research as it is applied to educational settings.
Prerequisite(s): TCHL 500 (may be taken concurrently)
Restriction(s): Enrollment is limited to students in Special Ed Initial Cert: LBD (0456), Middle Grades Ed: Initial Cert (0458), IECE, Birth-Age 5, Initial Cer (0460) or Secondary Ed: Initial Cert (0495)
Recent Term(s) Offered: spring 2017; fall 2017; summer 2018; spring 2019; fall 2019

TCHL 530  Curriculum Development  3 Hours
Study of curriculum design and evaluative techniques used by P-12 teachers. Covers research-based strategies for implementing integrated, differentiated curriculum. Students must have access to technology resources and/or equipment identified by instructor.
Prerequisite(s): TCHL 500 (may be taken concurrently)
Recent Term(s) Offered: spring 2017; summer 2017; fall 2017; spring 2018; summer 2018; fall 2018; spring 2019; summer 2019; fall 2019

TCHL 540  Classroom Instruction: Instructional Strategies  1 Hour
Examination of research-based best practices for designing and implementing classroom instruction in diverse P-12 classroom settings.
Prerequisite(s): TCHL 500 (may be taken concurrently)
Recent Term(s) Offered: None

TCHL 544  Equitable School and Community Partnerships  1 Hour
Study of school and community partnerships designed to build equitable schools for students and families resulting in increased student achievement.
Prerequisite(s): TCHL 500 (may be taken concurrently)
Recent Term(s) Offered: None

TCHL 545  Classroom Instruction Strategies  3 Hours
Examination of advanced classroom instructional strategies for designing and implementing classroom instruction in diverse P-12 classroom settings resulting in increased student achievement.
Prerequisite(s): TCHL 500 (may be taken concurrently)
Recent Term(s) Offered: winter 2017; spring 2017; summer 2017; fall 2017; winter 2018; spring 2018; summer 2018; fall 2018; winter 2019; summer 2019; fall 2019

TCHL 548  Classroom Instruction: Managing the Learning Environment  1 Hour
Study of classroom management principles and interventions.
Prerequisite(s): TCHL 500 (may be taken concurrently)
Recent Term(s) Offered: None
TCHL 550  Student Assessment I: Fundamentals of Student Assessment  1 Hour
Develops an understanding of validity, reliability, descriptive statistics, and professional aspects of evaluating students to improve student learning.
Prerequisite(s): TCHL 500 (may be taken concurrently)
Recent Term(s) Offered: None

TCHL 554  Student Assessment II: Standardized Testing  1 Hour
Examination of both national norm-referenced and state criterion-referenced tests and utilization of accountability data in planning for school improvement.
Prerequisite(s): TCHL 550 (may be taken concurrently)
Recent Term(s) Offered: None

TCHL 555  School and Classroom Assessment  3 Hours
Development of advanced skills for designing classroom assessments and analyzing school/classroom assessment data.
Prerequisite(s): TCHL 550 (may be taken concurrently)
Recent Term(s) Offered: winter 2017; spring 2017; summer 2017; fall 2017; spring 2018; summer 2018; fall 2018; winter 2019; spring 2019; summer 2019; fall 2019

TCHL 558  Student Assessment III: Classroom Tests and Instruments  2 Hours
Development of advanced skills for designing and creating classroom assessment instruments.
Prerequisite(s): TCHL 550 (may be taken concurrently)
Recent Term(s) Offered: None

TCHL 559  Capstone Project Design for Teacher Leadership  1 Hour
Fundamental principles of designing a teacher leadership project in educational settings. Students will create a prospectus for a capstone teacher leadership project in a school setting. Note: Completion of 18 hours required.
Prerequisite(s): TCHL 500
Recent Term(s) Offered: winter 2017; spring 2017; summer 2017; fall 2017; winter 2018; spring 2018; summer 2018; fall 2018; winter 2019; spring 2019; summer 2019; fall 2019

TCHL 560  Capstone Project for Teacher Leadership  3 Hours
Fundamental principles of teacher leadership in educational settings. Students will conduct a capstone teacher leadership project in a school setting. Note: Course should be taken after completing 21 hours.
Prerequisite(s): TCHL 559 and TCHL 555
Recent Term(s) Offered: spring 2017; summer 2017; fall 2017; spring 2018; summer 2018; fall 2018; spring 2019; summer 2019; fall 2019

Graduate Faculty Index

A
Abell, Cathy H., PhD (Educational Leadership Organizational Development), University of Louisville, 2009, Professor
Alamri, Abeer D., PhD (Healthcare Ethics), Duquesne University, 2016, Assistant Professor
Algeo, Catherine M., PhD (Geography), Louisiana State University AM College, 1998, Professor
Alice, Lawrence A., PhD (Plant Science), University of Maine-Orono, 1997, Associate Professor
Alvarez, Heidi P., DM (Music Performance), Florida State University, 1998, Professor
Aly, Shahnaz, MARCH (Architecture), Texas A&M University, 1999, Associate Professor
Alyousef, Taha H., PhD (Civil Engineering), University of Akron, Main Campus, 2017, Assistant Professor
Anton, Audrey L., PhD (Philosophy), The Ohio State University Main Campus, 2011, Associate Professor
Applin, Janet L., PhD (Special Education), Vanderbilt University, 2005, Associate Professor
Arbuckle, Gregory K., PhD (Technology Management (Quality Systems)), Indiana State University, 2004, Professor
Archer, Lester A., PhD (Educ Leadership/Research), Louisiana State University AM College, 2017, Assistant Professor
Arndt, Saundra C., PhD (Political Science), The Ohio State University Main Campus, 1983, Associate Professor
Arjana, Sophia R., PhD (Religious/Theological Studies), University of Denver, 2011, Assistant Professor
Arnett, Scott W., PhD (Exercise Science), University of Georgia, 2007, Associate Professor
Arnold, Kristina E., MFA (Art, Painting), University of Tennessee, Knoxville, 2003, Professor
Ashley, Noah T., PhD (Zoology), University of Washington, 2004, Associate Professor
Ashrafzadeh, Farhad, PhD (Electrical and Computer Engineering), The University of Calgary, 1997, Associate Professor
Askins, Kenneth B., EdD (Vocational Education), University of Kentucky, 1992, Professor
Atici, Ferhan, PhD (Mathematics and Statistics), University of Nebraska-Lincoln, 1995, Professor
Atici, Mustafa, PhD (Computer Science), University of Nebraska, 1996, Professor
Atkinson, John K., EdD (Adult, Higher, and Community Education, Information Communication Sciences), Ball State University, 2007, Professor
Autin, Melanie A., PhD (Statistics), University of South Carolina - Columbia, 2007, Associate Professor
B
Babb, Dora, PhD (Human Environmental Sciences, Human Development and Family Science), Oklahoma State University Main Campus, 2010, Associate Professor
Bagwell, Vicki S., MA (Communication), Western Kentucky University, 1992, Associate Professor
Baker, John P., EdD (Educational Leadership, Organizational Leadership), Western Kentucky University, 2011, Associate Professor
Banga, Simran, PhD (Biological Sciences), Purdue University Main Campus, 2009, Assistant Professor

Barefoot, Jeffrey A., AUD (Audiology), A T Still University of Health Scien, 2013, Clinical Associate Professor

Barker, James W., PhD (Religion), Vanderbilt University, 2011, Assistant Professor

Barron, Kristine D., MBA (Business Administration), University of Texas at Dallas, 2013, Pedagogical Assistant Professor

Baylis, Leslie L., PhD (Experimental Psychology), University of Oxford, 1990, Associate Professor

Bell, David L., DPT, University of Kentucky, 2012, Assistant Professor

Bell, David J., PhD (English and Comparative Literature), University of Cincinnati Main Campus, 2005, Professor

Bennett, Mary P., DNS (Doctoral Nursing, Medical Nursing), Rush University, 1997, Professor

Bergner, Jason M., PhD (Business Administration), University of Kentucky, 2011, Assistant Professor

Berry, Kenneth W., PhD (English), University of Mississippi, 2000, Professor

Berry, Mark S., DMA (Music Performance, Percussion), University of Michigan-Ann Arbor, 2004, Professor

Bhattacharya, Tilak, PhD (Mathematics), Purdue University Main Campus, 1988, Associate Professor

Bibelhauser, Stacy R., PhD (Business Administration), University of Kentucky, 2004, Associate Professor

Bilyk, Kevin T., PhD, University of Illinois Central Admin, 2011, Assistant Professor

Biolsi, Christopher J., PhD (Economics), University of Houston, 2015, Assistant Professor

Bjorkman, Brent A., MA (Folk Studies), Western Kentucky University, 1998, Clinical Assistant Professor

Bland, Lauren E., PhD (Communication Disorders), University of Cincinnati Main Campus, 1995, Associate Professor

Blankenship, Maire M., DNP, Western Kentucky University, 2014, Assistant Professor

Blankenship, Ray, PhD (Business Administration- Management Information Systems), University of Mississippi, 1994, Professor

Bragg-Underwood, Tonya M., DNP (Nursing Practice, MSN to DNP), Western Kentucky University, 2014, Associate Professor

Branham, Kristi R., PhD (English), University of Kentucky, 2006, Associate Professor

Branstetter, Mary L., DNP (Nursing Practice, Post Master Science in Nursing), University of Kentucky, 2011, Associate Professor

Brausch, Amy M., PhD (Psychology), Northern Illinois University, 2008, Associate Professor

Byl, Jacob P., PhD (Law and Economics), Vanderbilt University, 2015, Assistant Professor

Caboni, Timothy C., PhD, Vanderbilt University, 2001, Professor

Callahan, Richard A., MS (Accounting), University of Kentucky, 1974, Executive-In-Residence

Campbell, Warren, PhD (Civil Engineering), Colorado State University, 1984, Professor

Cappiccie, Amy C., PhD (Social Work), University of Louisville, 2006, Professor

Capps, H. R., EdD, University of Virginia, 1970, Professor

Carini, Michael T., PhD (Astrophysics), Georgia State University, 1990, Professor

Cartwright, Ingrid A., PhD (Art History), University of Maryland College Park, 2007, Associate Professor

Cary, Kevin B., MS (Geoscience), Western Kentucky University, 2001, Instructor II

Chan, Kam C., PhD (Finance), The University of Alabama, 1990, Professor

Chang, Yufen, PhD (Linguistics, Language Education), Indiana University-Bloomington, 2012, Assistant Professor

Chen, Yining, PhD (Business Administration), University of South Carolina - Columbia, 1993, Professor

Chhachhi, Indudeep S., DBA (Business Administration), Southern Illinois University Carbondale, 1990, Professor

Choate, Robert E., MME (Mechanical Engineering), North Carolina State University, 1991, Professor
Choe, Miwon, PhD (Curriculum and Instruction), Indiana University-Bloomington, 2001, Professor

Ciampa, Mark D., PhD (Tech Mgt (Digital Comm Sys)), Indiana State University, 2008, Professor

Cipolla, John M., DMA (Music, Music Performance), University North Carolina Greensboro, 2002, Professor

Civelek, Ismail, PhD (Operations Management and Manufacturing), Carnegie Mellon University, 2010, Associate Professor

Clark, Daniel L., PhD (Mathematics Education), Michigan State University, 2016, Assistant Professor

Cobane, Craig T., PhD (Political Science), University of Cincinnati Main Campus, 2003, Professor

Coder, LeAnne, PhD (Business), University of Kansas Main Campus, 2007, Associate Professor

Cohron, Winifred L., PhD (Educational Leadership Organizational Development), University of Louisville, 2009, Visiting Professor

Cole, William S., MSN (Nursing, Nursing Educator), Western Kentucky University, 2010, Instructor I

Conte, Eric D., PhD (Chemistry), University of Massachusetts, 1993, Professor

Cosby, Dana M., PhD (Educational Leadership and Organizational Development), University of Louisville, 2008, Pedagogical Assistant Professor

Crandall, Kenneth J., PhD (Exercise and Sport Science), University of Utah, 2004, Associate Professor

Dahl, Darwin B., PhD (Chemistry), University of Missouri - Kansas City, 1987, Professor

Daniels, Aquesha D., JD (Law), Florida Coastal School of Law, 2011, Pedagogical Assistant Professor

Davis, Cheryl D., PhD (Biology), Wake Forest University, 1988, Professor

Day, Martha M., EdD (Administration Supervision), Tennessee State University, 1998, Associate Professor

DeGraves, Fred J., PhD (Veterinary Medical Sciences, Animal Science), North Carolina State University, 1991, Associate Professor

Deng, Yongming, PhD (Chemistry), Miami University, 2014, Assistant Professor

Dennis, Roger L., MAE (Agriculture Education, Secondary Education), Western Kentucky University, 1992, Clinical Assistant Professor

Derryberry, Pitt, PhD (Educational Psychology), The University of Alabama, 2001, Professor

Desander, Margaret K., PhD (Ed Policy/Plan/Ldsp), College of William and Mary, 2005, Associate Professor

Desrosiers, Patricia L., PhD (Social Work), University of Louisville, 2009, Associate Professor

Dick, Carl W., PhD (Zoology), Texas Tech University, 2005, Associate Professor

Dietle, Robert L., PhD (History), Yale University, 1991, Associate Professor

Dietrich, Sylvia L., PhD (Education), University of Tennessee, Knoxville, 2000, Professor

DiMeo, David F., PhD (Comparative Literature), Harvard University, 2006, Associate Professor

Ding, Xiuhua, PhD (Epidemiology and Biostatistics), University of Kentucky, 2016, Assistant Professor

Dobrokhotov, Vladimir, PhD (Physics), University of Idaho, 2006, Professor

Doggett, Anthony M., PhD (Education and Human Resource Studies), Colorado State University, 2003, Professor

Doss, Selena S., PhD (History), Vanderbilt University, 2010, Associate Professor

Dressler, Richard A., PhD (Audiology Speech Pathology), University of Memphis, 2001, Associate Professor

Drummond, Holli R., PhD (Sociology), University of Georgia, 2004, Professor

Ducloux, Kanita K., PhD (Mathematics Education), University of Georgia, 2009, Associate Professor

Duffin, Lisa C., PhD (Educational Studies, Educational Psychology), Purdue University Main Campus, 2009, Associate Professor

Dumancic, Marko, PhD (History), University of North Carolina Chapel Hill, 2010, Associate Professor

Dunkum, Molly, PhD (Mathematics), University of Kentucky, 2005, Associate Professor

Durkee, Joshua D., PhD (Geography), University of Georgia, 2002, Associate Professor

Dye, Lacretia T., PhD (Counselor Education), Western Michigan University, 2012, Associate Professor

Eagle, Marc V., PhD (History), Tulane University, 2005, Associate Professor

Eagle, Susan S., PhD (Anthropology), Tulane University, 2005, Instructor

Eaton, Melanie D., MBA (Business Administration), Western Kentucky University, 2003, Instructor I

Egloff, Karin M., PhD (French), University of Illinois at Urbana-Champaign, 1990, Professor

Ellis-Griffith, Gregory E., PhD (Administration/Health Services), University of Alabama at Birmingham, 2010, Associate Professor

Emani, Chandrakanth, PhD (Science), Osmania University, 1997, Associate Professor
Emslie, A. G., PhD (Astronomy), University of Glasgow, 1979, Professor

Endres, Nikolai, PhD (Comparative Literature), University of North Carolina Chapel Hill, 2000, Professor

English, Gary M., PhD (Health PE Recreation), University of New Mexico Main Campus, 1988, Associate Professor

Er, Ali, PhD, Old Dominion University, 2011, Associate Professor

Ernst, Claus D., PhD (Mathematics), Florida State University, 1988, Professor

Esslinger, Francis T., PhD (Kinesiology), University of Arkansas Main Campus, 2011, Assistant Professor

Esslinger, Keri A., PhD (Kinesiology), University of Arkansas Main Campus, 2010, Associate Professor

Evans, Timothy H., PhD (American Studies, Folklore), Indiana University-Bloomington, 1995, Associate Professor

Everson, Kimberlee K., PhD (Educ Inquiry, Measurement, Evaluation), Brigham Young University, 2012, Associate Professor

Fan, Xingang, PhD (Atmospheric Sciences, Synoptic Dynamics), Lanzhou University, 1996, Associate Professor

Farrell, Colin, PhD (Medical Sociology), University of Alabama at Birmingham, 2010, Assistant Professor

Ferrell, Ann K., PhD (English), The Ohio State University Main Campus, 2009, Associate Professor

Fife, Jane L., PhD (English Rhetoric and Composition), University of Louisville, 1992, Professor

Flenor, Mark W., MSN (Nursing, Nursing Educator), Gonzaga University, 2016, Instructor I

Folk, Jessica L., MFA (Screenwriting), Chapman University, 2014, Assistant Professor

Forsythe, Stacey A., EdD (Educational Leadership), Western Kentucky University, 2015, Assistant Professor

Fortune, Nicholas C., PhD, North Carolina State University, 2018, Assistant Professor

Fox, Ashley C., PhD (Educational Leadership and Organizational Development), University of Louisville, 2010, Assistant Professor

Frandsen, Tim W., PhD (Scandinavian Studies, Folklore), University of Wisconsin-Madison, 2013, Assistant Professor

Funge, Simon P., PhD (Social Welfare), University of California-Los Angeles, 2013, Associate Professor

Furgal, Karen E., DPT (Physical Therapy), SUNY at Stony Brook, 2008, Assistant Professor

G

Gabbard, Wesley J., PhD (Social Work), The University of Alabama, 2004, Professor

Galloway, Jeffrey M., PhD (Computer Science), The University of Alabama, 2013, Assistant Professor

Gandy, Stephanie K., EdD (Curriculum and Instruction), Louisiana Tech University, 2002, Professor

Gani, MD R., PhD (Geosciences), University of Texas at Dallas, 2005, Associate Professor

Gani, Nahid, PhD (Geosciences), University of Texas at Dallas, 2006, Associate Professor

Gardner, Marilyn M., PhD (Health Ed Promotion), The University of Alabama, 1999, Associate Professor

Garmon, Cecile W., PhD (Educational Leadership), Vanderbilt University, 1984, Professor

Gary, James E., PhD (Computer Science), University of Kentucky, 1995, Associate Professor

Geldername, Richard F., PhD (Astronomy), University of Virginia, 1994, Professor

Gerstenschlager, Natasha, PhD (Mathematics Science Educ), Middle Tennessee State University, 2015, Assistant Professor

Gibson, Allison, MSSW (Social Work), University of Louisville, 2005, Instructor I

Gibson, Fred W., PhD (Educational Leadership Organizational Development), University of Louisville, 2004, Professor

Gibson, Steven J., PhD (Astronomy, Physics), University of Wisconsin-Madison, 1997, Associate Professor

Gilfillen, Becky A., PhD (Plant and Soil Science), University of Tennessee, Knoxville, 1999, Professor

Gill, Jennifer C., PhD (Animal Science and Poultry Science), North Carolina State University, 2016, Assistant Professor

Gish, Elizabeth J., THD, Harvard University, 2013, Associate Professor

Goff, Brian L., PhD (Economics), George Mason University, 1986, Professor

Goodrich, Gregory B., PhD (Geography), Arizona State University-ALL, 2005, Associate Professor

Gordon, Victoria A., DPA (Public Administration), University of Illinois at Springfield, 2004, Professor

Green, Kimberly J., EdD (Educational Leadership, Postsecondary Leadership), Western Kentucky University, 2015, Assistant Professor

Grieve, Frederick G., PhD (Psychology, Clinical Psychology), University of Memphis, 1996, Professor

Griffiths, Austin G., PhD, University of Kentucky, 2017, Assistant Professor
Gripshover, Margaret M., PhD (Geography), University of Tennessee, Knoxville, 1995, Professor

Gross, Thomas J., PhD (Educational Psychology), Oklahoma State University Main Campus, 2013, Assistant Professor

Groves, Christopher G., PhD (Environmental Science), University of Virginia, 1993, Professor

Grubbs, Scott A., PhD (Biological Sciences, Ecology and Evolution), University of Pittsburgh, 1997, Professor

Gumirakiza, Jean D., PhD (Economics), Utah State University, 2013, Assistant Professor

Gunter, Phillip A., PhD (Animal Sciences), Auburn University, 2018, Assistant Professor

Gupta, Sanju, PhD (Physics – Chemistry), University of Puerto Rico Rio Piedras, 2003, Associate Professor

Haddad, Bashar F., PhD (Tech Mgt (Construction Mgt)), Indiana State University, 2007, Assistant Professor

Hale, Robert, PhD (English), Louisiana State University AM College, 1996, Professor

Hall, Elizabeth D., PhD (English), Middle Tennessee State University, 2014, Professor

Hanley, Jennifer A., PhD (History), University of Kentucky, 2009, Pedagogical Associate Professor

Harkins, Anthony A., PhD (History), University of Wisconsin-Madison, 1999, Professor

Harper, Douglas L., PhD (Physics), Vanderbilt University, 1991, Professor

Harper, Whitney R., PhD (Human Devl and Family Studies), Michigan State University, 2015, Assistant Professor

Harrington, Stasie C., PhD (Spanish), Pennsylvania State University, 2001, Assistant Professor

Harris, Scott H., DMA (Music), University of Oklahoma Norman, 2003, Associate Professor

Hatcher, Courtney A., PhD (Rehabilitation Sciences), University of Kentucky, 2017, Clinical Associate Professor

Hatfield, Robert D., PhD (Business), Indiana University-Bloomington, 1996, Professor

Haynes-Lawrence, Darbi J., PhD (Special Education), Indiana University-Bloomington, 1998, Associate Professor

Herman, Matthew J., DMA (Music Composition), Temple University, 2003, Assistant Professor

Hill, Lawrence J., PhD (Chemistry), University of Arizona, 2014, Assistant Professor

Hines, Lynn A., EdD (Educational Leadership), Western Kentucky University, 2013, Professional-In-Residence

Hoffswell, Joseph M., PhD (Communication), University of Missouri-Columbia, 2017, Assistant Professor

Hondorp, Paul L., DMA (Music Conducting), Michigan State University, 2003, Professor

Hopson, Cheryl R., PhD (English), University of Kentucky, 2008, Assistant Professor

Horigan, Kate G., PhD (English, Interdisciplinary Specialization in Folklore), The Ohio State University Main Campus, 2013, Assistant Professor

Houchens, Gary W., PhD (Educational Leadership Organizational Development), University of Louisville, 2008, Professor

House, Sonya L., EdD (Education Leadership), Western Kentucky University, 2013, Associate Professor

Houston, Cynthia R., PhD (Education (Curriculum and Instruction)), Southern Illinois University, 1996, Professor

Hovet, Theodore R., PhD (English), Duke University, 1995, Professor

Huang, Xiaoxia, PhD (Instructional Systems), Florida State University, 2007, Associate Professor

Hudepohl, Kathryn A., PhD (Anthropology), Tulane University, 2002, Associate Professor

Hughes, Gary K., PhD (Communication), University of Kentucky, 2014, Instructor II

Hughes, Sandra S., PhD (English), University of Georgia, 2003, Professor

Hughey, Aaron W., EdD (Educational Administration), Northern Illinois University, 1988, Professor

Hulan, Nancy F., PhD (Curriculum and Instruction), University of Louisville, 2010, Associate Professor

Hunley, Thomas C., PhD (Creative Writing), Florida State University, 2003, Professor

Hunt, Allen K., PhD (Accounting), Louisiana State University AM College, 2001, Assistant Professor

Hunt-Shepherd, Janice R., MHA (Health Administration), Western Kentucky University, 2005, Associate Professor

Huskey, Stephen H., PhD (Biological Sciences), Florida Institute Technology, 2003, Associate Professor

Huss, Jeanine M., PhD (Environmental Science), Oklahoma State University Main Campus, 2007, Professor

Hutchison, Leisa S., MSED (Special Education, Speech and Communication Disorders), University of Kentucky, 1986, Clinical Associate Professor

Ishii, Kumi, PhD (Communication Studies), Kent State University Kent Campus, 2004, Professor
J
Jacobshagen, Sigrid H., PhD (Biology), Free University of Berlin, 1988, Professor
Janes, Brian M., MS (Management of Technology), Murray State University, 2003, Instructor I
Jenkins, Andrea K., PhD (Counseling), Old Dominion University, 2015, Assistant Professor
Jennings, Audra R., PhD (History), The Ohio State University Main Campus, 2008, Associate Professor
Jerome, Angela M., PhD (Communication Studies), University of Kansas Main Campus, 2002, Professor
Johnson, Jarrett R., PhD (Biology), University of Missouri-Columbia, 2005, Associate Professor
Jones, Angela L., PhD (English), University of Kansas Main Campus, 2001, Associate Professor
Jordan, Guy D., PhD (Art History), University of Maryland College Park, 2007, Associate Professor
Jordan, Tricia A., PhD (Educational Leadership Organizational Development), University of Louisville, 2009, Associate Professor
Jukes, Pamela M., EdD (Instruction and Administration), University of Kentucky, 1997, Professor
K
Kambesis, Patricia N., PhD (Earth and Atmospheric Sciences), Mississippi State University, 2014, Instructor I
Kanan, James W., PhD (Sociology), PA State University Main Campus, 1996, Associate Professor
Kash, Jeffrey P., PhD (Political Science), University of Iowa, 2002, Professor
Keeling, David J., PhD (Geography), University of Oregon, 1992, Professor
Keesey, Susan, PhD (Physical Activity and Education Services), The Ohio State University Main Campus, 2012, Associate Professor
Kelley, Danita M., PhD (Nutritional Science), University of Kentucky, 1994, Professor
Kelly, Elizabeth H., DMA (Voice), University of Cincinnati Main Campus, 2008, Associate Professor
Kennedy, Michael W., DPT (Physical Therapy), University of Kentucky, 2012, Assistant Professor
Kerby, Molly B., PhD (Educational Leadership Organizational Development), University of Louisville, 2007, Associate Professor
Kessler, Walter B., PhD (Mathematics), Vanderbilt University, 1997, Professor
Khenner, Mikhail, PhD (Physico-Mathematical Sciences), Perm State University-Russia, 1999, Associate Professor
Khouryieh, Hanna A., PhD (Food Science), Kansas State University, 2006, Associate Professor
Kiasatpour, Soleiman, PhD (Political Science), University of California-Riverside, 1998, Associate Professor
Kile, Charles O., PhD (Business Administration), Washington University, 1993, Assistant Professor
Kim, Hak Y., PhD (Economics), University of Cincinnati Main Campus, 1982, Professor
Kim, Moon-Soo, PhD (Food Science and Technology), Cornell University, 2007, Associate Professor
King, Rodney A., PhD (Microbiology and Immunology), Virginia Commonwealth University, 1993, Professor
King, Stephen A., PhD (Agricultural Economics), Oklahoma State University Main Campus, 2004, Associate Professor
Kingery, Thomas W., PhD (Agricultural Leadership, Education, Communications), Texas A & M University, 2010, Associate Professor
Kirby, Elizabeth G., EdD (Learning and Instruction), University of San Francisco, 2008, Associate Professor
Knackmuhs, Eric G., PhD (Leisure Behavior), Indiana University-Bloomington, 2017, Assistant Professor
Knoll, Gillian B., PhD, University of Maryland College Park, 2012, Assistant Professor
Knotts, Jema D., PhD (Education, Special Education), Southern Illinois University Carbondale, 1997, Associate Professor
Kondratieff, Eric, PhD (Ancient History), University of Pennsylvania, 2003, Associate Professor
Kong, Jie-Young, PhD (Communication), Arizona State University-ALL, 2012, Associate Professor
Krull, Amy C., PhD (Sociology Anthropology), Purdue University Main Campus, 2000, Associate Professor

L
Langdon, Alison L., PhD (English), University of Oregon, 2004, Professor
Lanphere, Dominic A., PhD (Mathematics), University of Minnesota-Twin Cities, 2000, Professor
Lasley, Scott J., PhD (Political Science), University of Iowa, 2000, Professor
Lebedinsky, Alexander G., PhD (Economics), Georgetown University, 2004, Professor
Lee, Minwoo, PhD (Business Administration), University of Pittsburgh, 1993, Associate Professor
Leggett, Stacy R., EdD (Educational Administration), George Washington University, 2015, Associate Professor
Leguizamon, Juan S., PhD (Economics), West Virginia University, 2011, Assistant Professor
Leguizamon, Susane, PhD (Economics), West Virginia University, 2010, Associate Professor

Lemerise, Elizabeth A., PhD (Psychology), New School for Social Research, 1988, Professor

LeNoir, William D., PhD, Auburn University, 1992, Professor

Li, Qi, PhD (Computer Science), University of Delaware, 2006, Professor

Liang, Feng Helen, PhD (Business Administration), University of California-Berkeley, 2006, Associate Professor

Lickenbrock, Diane M., PhD (Psychology), University of Notre Dame, 2010, Associate Professor

Liddle, Daniel J., PhD (Rhetoric), Purdue University Main Campus, 2018, Assistant Professor

Lienesch, Philip W., PhD (Zoology), University of Oklahoma Norman, 1997, Associate Professor

Lin, Ching-Yi, DM (Violin), Indiana University-Bloomington, 2010, Associate Professor

Lo, Yung L., PhD (Finance), Florida State University, 2007, Associate Professor

Locke, Stephen L., PhD (Economics), University of Kentucky, 2013, Assistant Professor

Lockwood, Adam B., PhD (Educational Psychology), Northern Arizona University, 2015, Assistant Professor

Logan, Deborah A., PhD (English), University of North Carolina Chapel Hill, 1997, Professor

Lopes, Zachary A., DMA (Piano), University of Cincinnati Main Campus, 2013, Associate Professor

Lovell, Donielle M., PhD (Rural Sociology), University of Missouri-Columbia, 2009, Associate Professor

Lyons, Thomas S., PhD (Human Performance), The University of Alabama, 2003, Professor

Macy, Gretchen M., EdD (Kinesiology and Health Promotion), University of Kentucky, 2012, Associate Professor

Maddox, Jeremy B., PhD (Chemistry), University of Houston, 2003, Associate Professor

Madoke, Kelly L., PhD (Psychology), University of Texas at Austin, 1992, Professor

Main, Maria E., DNP (Nursing Practice), University of Kentucky, 2010, Professor

Mallinger, Gayle M., PhD (Social Work), University of Pittsburgh Pittsburgh Camp, 2010, Associate Professor

Mansour, Osama E., PhD (Environmental Design), The University of Calgary, 2015, Assistant Professor

Marchionda, Hope L., PhD (Curriculum and Instruction), Clemson University, 2006, Associate Professor

Margarella, Erin E., PhD (Curriculum and Instruction), University of South Florida, 2016, Assistant Professor

Marquez, David M., MFA (Art), University of Iowa, 2003, Assistant Professor

Martin, Craig A., PhD (Business Administration, Marketing), University of Memphis, 1999, Professor

Mason, Cynthia P., EdD (Instruction and Administration), University of Kentucky, 1996, Professor

Mason, Karen G., PhD (Nutritional Science), University of Kentucky, 2002, Associate Professor

Maxwell, Margaret G., PhD (Curriculum and Instruction), University of North Carolina Chapel Hill, 1991, Professor

May, James D., EdD (Personnel Services, Higher Education), University of Memphis, 1990, Professor

May, Michael T., PhD (Geological Sciences), Indiana University-Bloomington, 1992, Professor

McClain, Lauren N., PhD (Sociology), Bowling Green State University, 2009, Associate Professor

McCreary, Allie E., PhD (Parks, Recreation, and Tourism), North Carolina State University, 2017, Assistant Professor

McDaniel, Kerrie L., PhD (Plant Biology), Southern Illinois University Carbondale, 1997, Pedagogical Associate Professor

McDonald, Michael L., PhD (Practical Arts and Voc-Tech Education, Business Office Education), University of Missouri-Columbia, 1997, Associate Professor

McElroy, Douglas, PhD (Zoology), University of Maine - Orono, 1992, Professor

McGee, Laura G., PhD (Germanics), University of Washington, 1996, Professor

Mcintyre, Kelie M., MSW (Social Work), Western Kentucky University, 2003, Instructor I

Meier, Albert J., PhD (Zoology), University of Georgia, 1995, Professor

Mienaltowski, Andrew S., PhD (Psychology), Georgia Institute of Tech, 2008, Associate Professor

Miller, Leanna, DNP (Nursing Practice), Western Kentucky University, 2016, Instructor I

Mills, Wren A., PhD (Educational Leadership Organizational Development), University of Louisville, 2010, Pedagogical Assistant Professor

Miner, Jeffrey D., PhD (History), Stanford University, 2011, Assistant Professor

Minter, Patricia H., PhD (History), University of Virginia, 1994, Professor

Mittelberg, Julia A., PhD (Curriculum and Instruction), Kansas State University, 2014, Assistant Professor
Mize Smith, Jennifer, PhD (Communication), Purdue University Main Campus, 2006, Professor
Mkanta, William N., PhD (Health Services Research), University of Florida, 2005, Professor
Moore, John A., EdD (Instruction and Administration), University of Kentucky, 1995, Professor
Mountjoy, Natalie J., PhD (Zoology), Southern Illinois University, 2014, Pedagogical Assistant Professor
Mowafi, Yaser A., PhD (Information Systems), University of Maryland Baltimore Co, 2009, Assistant Professor
Munasinghe, Samangi, PhD (Mathematics), Texas A M University, 2006, Associate Professor
Murphy, April L., PhD (Social Work), University of Louisville, 2012, Assistant Professor
Murphy, Roger W., PhD (Political Science), Indiana University-Bloomington, 1996, Associate Professor
Musalia, John M., PhD (Sociology), Indiana University-Bloomington, 2000, Professor
Mutter, Sharon A., PhD (Psychology), George Washington University, 1984, Professor
Myers, Carl L., PhD (Psychology), Iowa State University, 1995, Professor

N
Nee, Matthew J., PhD (Chemistry), University of California-Berkeley, 2005, Associate Professor
Neelly, Kurt R., PhD (Education), University of Kansas Medical Center, 2002, Associate Professor
Neils-Strunjas, Jean, PhD (Communication Sciences), Case Western Reserve University, 1984, Professor
Nguyen, Ngoc B., PhD (Mathematics), Bowling Green State University, 2010, Associate Professor
Nguyen, Thanh L., PhD (Mathematics), Ohio University Main Campus, 2002, Professor
Nichols, Michael A., MFA (Fine Arts, Painting), Fontbonne College, 2000, Professor
Noel, Christina R., PhD (Special Education), Vanderbilt University, 2013, Associate Professor
Norman, Antony D., PhD (Education-Educational Psychology), University of Virginia, 1990, Professor
Norman, James F., PhD (Psychology), Vanderbilt University, 1990, Professor
Norris, Elizabeth S., PhD (Health Sciences), Seton Hall University, 2003, Associate Professor
North, Leslie A., PhD (Geography and Environmental Science and Policy), University of South Florida, 2011, Associate Professor

O
Ochs, Sarah E., PhD (School Psychology), University of Houston, 2017, Assistant Professor
Olmsted, Jane, PhD (English, Feminist Studies), University of Minnesota-Twin Cities, 1996, Professor
Olson, Alexander I., PhD (American Studies), University of Michigan-Ann Arbor, 2013, Associate Professor
Onyekwuluje, Anne B., PhD (Sociology), University of Nebraska-Lincoln, 1995, Professor
Oregon, Evelyn M., PhD (Kinesiology), Michigan State University, 2013, Associate Professor
Orooji, Fatemeh, PhD (Engineering Science, Construction Management), Louisiana State University AM College, 2015, Assistant Professor
Otto, Peggy D., PhD (English Rhetoric Composition), University of Louisville, 2009, Associate Professor
Ozer, Ahmet O., PhD (Applied Mathematics), Iowa State University, 2011, Assistant Professor

P
Paganelli, Andrea, PhD (Instructional Leadership), The University of Alabama, 2010, Associate Professor
Palmquist, Shane M., PhD (Civil and Environmental Engineering), Tufts University, 2003, Associate Professor
Paquin, Anthony R., PhD (Psychology), Texas A M University, 1997, Associate Professor
Payne, Holly J., PhD (Communication), University of Kentucky, 2003, Professor
Payne, Kenneth D., MA (Journalism), Marshall University, 1992, Associate Professor
Payne-Emerson, Heather M., PhD (Nutritional Science), University of Kentucky, 2010, Associate Professor
Peake, Whitney Q., PhD (Agricultural Economics), Purdue University Main Campus, 2008, Associate Professor
Peng, Ke, PhD (East Asian Studies, East Asian Studies), University of Arizona, 2011, Associate Professor
Pertusa, Inmaculada, PhD (Spanish), University of Colorado at Boulder, 1996, Professor
Pesterfield, Lester L., PhD (Chemistry), University of Tennessee, Knoxville, 1991, Professor
Petkus, Yvonne, MFA (Art, Painting), University of Washington, 1996, Professor

Petty, Pamela J., EdD (Education, Elementary Education), University of Tennessee, Knoxville, 2002, Professor

Philips, Thomas K., PhD (Entomology), The Ohio State University Main Campus, 1997, Professor

Poff, Raymond A., PhD (Leisure Behavior), Indiana University-Bloomington, 2001, Professor

Polk, Jason, PhD (Geography and Environmental Science and Policy), University of South Florida, 2009, Associate Professor

Poole, Alexander B., PhD (English), Oklahoma State University Main Campus, 2003, Professor

Pope, Robert W., DMA (Music Performance), University of South Carolina - Columbia, 1992, Professor

Por, Attila, PhD (Mathematics), Eotvos Lorand University-Hungary, 2003, Associate Professor

Potter, Paula W., PhD (Business Administration), University of Kentucky, 1997, Professor

Prather, James R., PhD (Experimental Psychology), University of Louisville, 1997, Instructor I

Price, Merrall, PhD (English), University of Rochester, 1998, Professor

Pruitt, Matthew V., PhD (Sociology), North Carolina State University, 1995, Professor

Quenzer, Rhonda B., MSN (Nursing, Nursing Educator), Western Kentucky University, 2014, Instructor I

Rahim, M. A., PhD (Business Administration), University of Pittsburgh, 1976, Professor

Ramsing, Ronald D., PhD (Parks, Recreation, and Tourism), University of Utah, 2005, Professor

Ray, Sally J., PhD, Wayne State University, 1991, Associate Professor

Reames, Kelly L., PhD (English), University of North Carolina Chapel Hill, 2002, Associate Professor

Redifer, Jenni L., PhD (Educational Psychology), University of Florida, 2012, Associate Professor

Reece, Michelle C., PhD (Public Health), East Tennessee State University, 2014, Assistant Professor

Reed, Eric S., PhD (History), Syracuse University Main Campus, 2001, Professor

Revels, Mark A., PhD (Technology Management, Industrial Training Development), Indiana State University, 2007, Associate Professor

Rezasoltani, Asghar, PhD (Mechanical Engineering), Louisiana State University AM College, 2016, Assistant Professor

Rice, Jeffrey A., PhD (English), University of Florida, 2010, Associate Professor

Rich, Timothy S., PhD (Political Science, East Asian Languages), Indiana University-Bloomington, 2012, Associate Professor

Richmond, Thomas A., PhD (Mathematics), Washington State University, 1986, Professor

Rigby, Lawrence D., PhD (English), University of Missouri-Columbia, 2000, Associate Professor

Rinehart, Claire A., PhD (Botany), University of Georgia, 1984, Professor

Roberts, Julia L., EdD, Oklahoma State University Main Campus, 1970, Professor

Robinson, Mark P, PhD (Mathematics), University of Kentucky, 1991, Professor

Roden-Carrier, Leigh A., EdD (Educational Leadership, P-12 Leadership), Western Kentucky University, 2011, Clinical Associate Professor

Romero, Juan L., PhD (History), University of Texas at Austin, 2008, Associate Professor

Rosa, Andrew J., PhD (Afro-American Studies), University of Massachusetts, 2005, Associate Professor

Ross, Mark T., PhD (Business Administration, Finance), University of Arizona, 1996, Associate Professor

Sanyang, Edrisa, PhD, University of Iowa, 2016, Assistant Professor

Sauerheber, Jill Duba, PhD (Counseling Human Development Services), Kent State University Kent Campus, 2004, Professor

Schafer, Mark A., PhD (Health and Physical Activity, Exercise Physio Clini Res Trac), University of Pitts Pittsburgh Camp, 2007, Associate Professor

Schallert, Gary T., DA (Music, Conducting), University of Northern Colorado, 2001, Professor

Schugart, Richard C., PhD (Applied Mathematics), North Carolina State University, 2005, Associate Professor

Schulte, Bruce A., PhD (Environmental and Forest Biology), SUNY Col Envrnmtl Sci-Forestry, 1993, Professor

Shackelford, Jo L., EdD (Educational Leadership, Postsecondary Leadership), Western Kentucky University, 2012, Associate Professor

Shake, Matthew C., PhD (Educational Psychology), University of Illinois at Urbana-Champaign, 2009, Associate Professor

Shaluta, Cliff P, MA (Speech), Marshall University, 1983, Professor

Sharma, Nilesh C., PhD (Science/Botany), Birhar University-India, 1992, Instructor II
Shoumake, Vickie L., MSN (Nursing, Nurse Educator), Western Kentucky University, 2011, Instructor II
Siewers, Fredrick D., PhD (Geology), University of Illinois at Urbana-Champaign, 1995, Associate Professor
Sikora, Doris A., PhD (Human Ecology), University of Tennessee, Knoxville, 1997, Associate Professor
Simerly, Melloney C., PhD (Business, Accounting), Virginia Commonwealth University, 2015, Assistant Professor
Smith, Douglas C., PhD (Sociology), PA State University Main Campus, 1996, Professor
Smith, Janice C., PhD (Rehabilitation Sciences), University of Kentucky, 2015, Instructor II
Smith, Kandy C., PhD (Education, Teacher Education), University of Tennessee, Knoxville, 2014, Assistant Professor
Smith, Marian R., DNP (Advanced Practice), University of Southern Indiana, 2012, Assistant Professor
Smith, Michael E., PhD (Marine Science), University of Texas at Austin, 2001, Professor
Snyder, Lawrence W., PhD (Religious Studies), University of North Carolina Chapel Hill, 1992, Professor
Soltani, Fatemeh, PhD (Health Leisure Human Perf), Oklahoma State University Main Campus, 2015, Visiting Assistant Professor
Song, Qingfang, PhD (Developmental Psychology), Cornell University, 2016, Assistant Professor
Speer, Donald R., PhD (Music Education), Louisiana State University AM College, 1991, Professor
Spiller, Michael S., PhD (Human Resources Management), The University of Alabama, 1999, Professor
Spraker, John S., PhD (Mathematics), Indiana University-Bloomington, 1987, Professor
Srivastava, Ajay, PhD (Molecular Biology and Genetics), University of Alberta, 2003, Associate Professor
St John, Brian A., DMA (Conducting), Arizona State University-ALL, 2010, Assistant Professor
Starks, Saundra H., EdD (Counseling Personnel Services, Counseling Psychology), University of Louisville, 1999, Professor
Stenger-Ramsey, Tammie L., EdD (Applied Educational Studies), Oklahoma State University Main Campus, 2001, Associate Professor
Sterk, Helen M., PhD (Communication Studies), University of Iowa, 1986, Professor
Stevens, Cheryl L., PhD (Chemistry), University of New Orleans, 1982, Professor
Stevens, Edwin D., PhD, University of California-Davis, 1973, Scholar-In-Residence
Stewart, Melissa A., PhD (Hispanic Italian Studies), Johns Hopkins University, 1992, Professor
Stewart, Thomas A., EdD (Educational Leadership), Western Kentucky University, 2011, Associate Professor
Stickle, Trini G., PhD (English), University of Wisconsin-Madison, 2015, Pedagogical Assistant Professor
Stinnett, Angie A., PhD, University of Arizona, 2014, Assistant Professor
Stinnett, Thomas B., PhD (Educational Leadership and Organizational Development), University of Louisville, 2013, Associate Professor
Stobaugh, Rebecca R., PhD (Educational Administration), University of Louisville, 2003, Associate Professor
Stokes, Michael K., PhD (Biology, Systematics and Ecology), University of Kansas Main Campus, 1994, Professor
Stone, Martin J., PhD (Agronomy), Texas A M University, 1994, Associate Professor
Strow, Brian K., PhD (Economics), Vanderbilt University, 2000, Professor
Strow, Claudia W., PhD (Economics), Vanderbilt University, 2002, Professor
Strunk, William D., PhD (Plant Science), University of Arkansas Main Campus, 2015, Assistant Professor
Sullivan, Dana J., PhD (Social Work), University of Louisville, 2003, Professor
Sung, Joon G., MFA (Computer Graphics), Syracuse University Main Campus, 2001, Professor
Super, Daniel J., EdD (Educational Leadership), Western Kentucky University, 2016, Clinical Assistant Professor
Szerdahelyi, Judith, PhD (English, English), University North Carolina Greensboro, 2002, Associate Professor
Szymanski, Antonia M., PhD (Psychological and Quantitative Foundations), University of Iowa, 2011, Associate Professor

T
Tassell, Janet L., PhD (Curriculum Instruction), Indiana University-Bloomington, 2002, Associate Professor
Taylor, Ritchie D., PhD (Environmental Science), University of North Texas, 2002, Professor
Teeters, Jenni B., PhD, University of Memphis, 2017, Assistant Professor
Thompson, Blair C., PhD (Communication Studies, Educational Psychology), University of Nebraska-Lincoln, 2007, Professor
Thomberry, Timothy S., PhD, Auburn University, 2013, Assistant Professor
Thrasher, Evelyn H., PhD (Management), Auburn University, 2006, Professor
Tinius, Rachel A., PhD (Movement Science), Washington University, 2015, Assistant Professor
Todd, Patricia R., DBA (Business Administration), Cleveland State University, 2006, Professor

Tolusso, Danilo V., PhD (Human Performance), The University of Alabama, 2019, Assistant Professor

Travelsted, Melissa K., DNP (Nursing Practice), Western Kentucky University, 2014, Assistant Professor

Trojan, Carrie, PhD (Criminal Justice), City University of New York, 2009, Associate Professor

Upright, Paula A., PhD (Educational Leadership Organizational Development), University of Louisville, 2009, Associate Professor

Van Dyken, Tamara, PhD (History), University of Notre Dame, 2009, Associate Professor

Vasiliev, Pavel V., PhD (Sociology), University of Nevada-Las Vegas, 2013, Assistant Professor

Vaughan, Shannon K., PhD (Political Science), University of Kentucky, 2004, Associate Professor

Vickous, Brittney R., MS, Western Kentucky University, 2011, Clinical Assistant Professor

Wang, Huanjing, PhD (Computer Science), The University of Alabama, 2005, Professor

Warfel, Erin T., MSW (Social Work), Bryn Mawr College, 2001, Instructor I

Watkins, Cecilia M., PhD (Human Ecology, Community Health), University of Tennessee, Knoxville, 2000, Professor

Watson, Kelly A., MSN (Nursing), Western Kentucky University, 2016, Instructor I

Webb, Cathleen J., PhD (Chemistry), University of Washington, 1989, Professor

Weiler, Brian K., MS (Hearing and Speech Sciences), Vanderbilt University, 2007, Assistant Professor

Wells, Steve C., PhD (Accountancy), University of Mississippi, 1994, Professor

West, Adam R., PhD (Human Development and Family Science), University of Texas at Austin, 2013, Associate Professor

Whitham, Lauren E., DMA, University of Georgia, 2017, Assistant Professor

Wichman, Aaron L., PhD (Psychology), The Ohio State University Main Campus, 2005, Associate Professor

Williams, Brooke B., PhD (Neuroscience), Vanderbilt University, 2010, Assistant Professor

Williams, Kevin M., PhD (Chemistry), Emory University, 2000, Professor

Willian, William T., PhD (Plant Soil Science), University of Tennessee, Knoxville, 1995, Professor

Wilson, Catherine M., PhD (Music), University of Iowa, 2013, Assistant Professor

Wilson, Dennis P., PhD (Economics), University of Kentucky, 1999, Professor

Wilson, Stacy, PhD (Engineering, Electrical Engineering), Tennessee Technological University, 1996, Professor

Wilson, Travis K., MARCH (Architecture), University of Oklahoma Norman, 1998, Associate Professor

Wingerger, Steven R., PhD (Educational Psychology, Sports Psychology), Florida State University, 1998, Professor

Winkler, Elizabeth G., PhD (Linguistics), Indiana University-Bloomington, 1999, Professor

Winters, Dawn M., EdD, Western Kentucky University, 2015, Instructor I

Wolf, Cheryl P., PhD (Mental Health Counseling), University of Florida, 2013, Assistant Professor

Woodward, Matthew J., PhD, University of Memphis, 2017, Visiting Assistant Professor

Woosley, Paul B., PhD (Crop Science), University of Kentucky, 2002, Professor

Wright, Dawn G., PhD (Nursing Science), Vanderbilt University, 2008, Professor

Wulff, Andrew H., PhD (Geosciences), University of Massachusetts, 1999, Associate Professor

Wyatt, Robert E., PhD (Botany), University of Georgia, 1992, Associate Professor

Xia, Zhonghang, PhD (Computer Science), University of Texas at Dallas, 2004, Professor

Xing, Guangming, PhD (Computer Science), University of Georgia, 2001, Professor

Yan, Bangbo, PhD (Chemistry), Nanyang University, 2003, Professor

Yan, Jun, PhD (Geography), SUNY College at Buffalo, 2004, Professor

Yang, Rong, PhD (Computer Science and Engineering), University of Louisville, 2007, Associate Professor

Young, Sonia N., EdD (Educational Leadership), University of the Cumberlands, 2013, Associate Professor

Youngblood, Alison M., PhD (Education, Teaching English to Speakers of Other Languages), University of Central Florida, 2014, Assistant Professor
Program Index

**A**
- Accountancy, Master of Accountancy (0445) (p. 102)
- Addictions Education, Certificate (0492) (p. 30)
- Adult Education, Certificate (0450) (p. 36)
- Adult Education, Master of Arts in Education (047) (p. 36)
- Advanced Behavior Management, Certificate (1736) (p. 48)
- Agriculture, Master of Science (052) (p. 108)
- Applied Economics, Master of Arts (0410) (p. 103)
- Applied Psychology, Doctor of Psychology (0476) (p. 44)

**B**
- Biology, Certificate (0493) (p. 109)
- Biology, Master of Science (056) (p. 110)
- Brewing and Distilling Arts & Sciences, Certificate (0486) (p. 121)
- Business Administration, Master of Business Administration (057) (p. 105)
- Business Core Competencies, Certificate (0487) (p. 106)
- Business Sustainability, Certificate (0474) (p. 107)

**C**
- Career Services, Certificate (0468) (p. 30)
- Certification Only, Counseling (159) (p. 31)
- Certification Only, Education Leadership (131) (p. 37)
- Certification Only, Teacher Education (132) (p. 49)
- Chemistry, Master of Science (059) (p. 111)
- Child and Family Studies, Master of Science (0489) (p. 79)
- College and Career Readiness, Certificate (1737) (p. 32)
- Communicating in Healthcare, Certificate (0475) (p. 126)
- Communicating in Organizations, Certificate (0471) (p. 126)
- Computer Science, Master of Science (117) (p. 123)
- Counseling, Master of Arts in Education (043) (p. 32)
- Creative Writing, Master of Fine Arts (0478) (p. 128)
- Criminology, Master of Arts (0421) (p. 138)

**D**
- Dietetic Practice, Certificate (0451) (p. 80)
- Director of Special Education, Rank I (0426) (p. 52)

**E**
- Economic Data Analytics, Certificate (0491) (p. 104)
- Educational Leadership, Doctor of Education (0010) (p. 39)
- Elementary Education for Teacher Leaders, Master of Arts in Education (0433) (p. 53)
- Elementary Education, Rank I (084) (p. 54)
- Elementary Education, Rank II (0430) (p. 55)
- Elementary Math Specialization P-5, Certificate (0485) (p. 56)
- Emergency Management Disaster Science, Certificate (1794) (p. 121)
- Engineering Technology Management, Master of Science (0447) (p. 123)
- English, Master of Arts (067) (p. 129)
- Environmental and Occupational Health Science, Master of Science (0473) (p. 84)
- Environmental Health and Safety, Certificate (0427) (p. 85)

**F**
- Facility and Event Management, Certificate (0455) (p. 90)
- Family Nurse Practitioner, Post-MSN Certificate (0449) (p. 95)
- Folk Studies, Master of Arts (069) (p. 131)

**G**
- Gender and Women's Studies, Certificate (1712) (p. 130)
- Geoscience, Master of Science (072) (p. 113)
- Gifted Education and Talent Development, Master of Arts in Education (0482) (p. 56)
- Gifted Education and Talent Development, Specialist in Education (0490) (p. 58)
- Global Health Administration, Certificate (1735) (p. 86)

**H**
- Health Administration, Master of Health Administration (153) (p. 86)
- Health Education, Certificate (0494) (p. 87)
- History, Master of Arts (078) (p. 132)
- Homeland Security Sciences, Master of Science (0413) (p. 118)

**I**
- Instructional Design, Certificate (0418) (p. 59)
- Instructional Design, Master of Science (0428) (p. 59)
- Intercollegiate Athletic Administration, Certificate (0481) (p. 91)
- Interdisciplinary Early Childhood Education, Birth to Primary, for Initial Certification, Master of Arts in Teaching (0460) (p. 60)
- Interdisciplinary Early Childhood Education, Birth to Primary, for Teacher Leaders, Master of Arts in Education (0461) (p. 61)
- Interdisciplinary Early Childhood Education, Rank I (156) (p. 62)
- International Student Services, Certificate (0415) (p. 33)

**K**
- Kinesiology, Master of Science (0454) (p. 91)
L

- Lean Sigma, Certificate (0452) (p. 124)
- Libraries, Informatics, and Technology in Education, Master of Science (0497) (p. 63)
- Literacy Education, Master of Arts in Education (044) (p. 64)
- Literacy in Post-Secondary Settings, Certificate (0462) (p. 65)
- Local Government Administration, Certificate (1745) (p. 137)

M

- Mathematics, Master of Arts (049) (p. 114)
- Mathematics, Master of Science (085) (p. 116)
- Measurement, Evaluation, and Research, Post-Master's Certificate (0488) (p. 41)
- Middle Grades Education for Initial Certification, Master of Arts in Teaching (0458) (p. 65)
- Middle Grades Education for Teacher Leaders, Master of Arts in Education (0434) (p. 66)
- Middle Grades Education, Rank I (158) (p. 68)
- Music, Master of Music (0453) (p. 134)

N

- Nonprofit Administration, Certificate (0463) (p. 92)
- Nursing Practice, Doctor of Nursing Practice (0011) (p. 96)
- Nursing, Master of Science in Nursing (149) (p. 97)

O

- Organizational Communication, Master of Arts (0012) (p. 126)
- Organizational Leadership, Certificate (1723) (p. 41)
- Organizational Leadership, Master of Arts (0467) (p. 41)

P

- Physical Therapy, Doctor of Physical Therapy (0013) (p. 82)
- Psychiatric Mental Health Nurse Practitioner, Post-MSN Certificate (0479) (p. 99)
- Psychology, Master of Arts (092) (p. 46)
- Psychology, Master of Science (0469) (p. 119)
- Public Administration, Master of Public Administration (051) (p. 137)
- Public Health, Master of Public Health (152) (p. 87)

R

- Recreation and Sport Administration, Master of Science (095) (p. 92)

S

- School Administration, Rank I (121) (p. 42)
- School Psychology, Specialist in Education (147) (p. 47)
- Scientific Data Analytics, Certificate (0496) (p. 122)
- Secondary Education for Initial Certification, Master of Arts in Teaching (0495) (p. 68)
- Secondary Education for Teacher Leaders, Master of Arts in Education (0435) (p. 70)
- Secondary Education, Rank I (124) (p. 71)
- Secondary Education, Rank II (0432) (p. 71)
- Secondary Education for Teacher Leaders, Learning and Behavior Disorders, Master of Arts in Education (0456) (p. 72)
- Social Responsibility and Sustainable Communities, Master of Arts (0448) (p. 139)
- Social Work, Master of Social Work (157) (p. 88)
- Sociology, Master of Arts (105) (p. 140)
- Speech-Language Pathology, Master of Science (0466) (p. 81)
- Strategic Sport Communications, Certificate (1744) (p. 127)
- Student Affairs in Higher Education, Master of Arts in Education (145) (p. 34)
- Teaching English to Speakers of Other Languages (TESOL), Certificate (0416) (p. 130)

- Workplace Health Promotion, Certificate (1746) (p. 88)
