Bill 97-1-F
Summer Job/Internship Career Fair
October 7, 1997

- PURPOSE:** For the Student Government Association to sponsor, along with Career Services, Minority Student Services, and Phi Beta Lambda, a summer job/internship career fair.
- WHEREAS:** Such career fairs are presently offered at Murray State University, Eastern Kentucky University, University of Kentucky, Berea College, and Asbury College, and
- WHEREAS:** Western Kentucky University students are not receiving the same summer job/internship opportunities as those who attending institutions with such fairs, and
- WHEREAS:** summer jobs/internships offer students experience that aids in future employment, and
- WHEREAS:** Western Kentucky University would better serve the student's career placement needs by holding such an event, and
- WHEREAS:** Western Kentucky University students would be more competitive among other universities and colleges in regard to summer job/internship opportunities.
- THEREFORE:** Be it resolved that we, the members of the Student Government Association, do hereby authorize sponsorship, along with Career Services, Minority Student Services, and Phi Beta Lambda, of a summer job/internship career fair.
- AUTHOR:** Laura Hancock and Jason Cole
