Student Government Association

October 22, 1997

Dr. Gary Ransdell
President-Elect
135 Wetherby Administration Building

Dear Dr. Ransdell,

Recently, the Student Government Association passed a resolution that we feel is important to the students of Western Kentucky University and deserves immediate University attention. Attached you will find a copy of the following resolutions:

- 97-2-F "Placing of Crosswalk on Dogwood Drive"

As always, student safety is a very important issue. By currently not having a crosswalk on Dogwood Drive connecting the Parking Structure to the nearby residence halls, we are putting the students at risk of an accident. We hope that you review this carefully and respond as soon as possible.

As the Student Government Secretary, it is my job to direct the resolutions to the President, Vice President of Student Affairs, Dean of Students and Director of Student Activities and Organizations. I have sent a copy of this letter to the administrators listed at the bottom of this page and also copies of the resolutions. I will also be sending a letter and a copy of the passed legislation to the appropriate department head responsible for implementing the resolution. Please respond to this at your earliest convenience as it is important to us, the students, that this takes effect as soon as possible.

If you have any questions or concerns, please feel free to call or stop by anytime. The members of the Student Government Association appreciate your attention to these issues concerning all students.

Sincerely,

Jamie Fite
SGA Secretary, 1997-1998
