MINUTES

Council of Academic Deans  
July 3, 1979

The meeting was called to order at 9:05 a.m. by Dr. James L. Davis. Deans in attendance were Mounce, Gray, Chelf, Nelson, Stroube, Sutton, Cravens, Hardin, Sandefur, and Robinson. Dr. L. D. Brown attended for Dean Russell and Mr. John Burt attended for Dean Hourigan.

The Minutes of the June 26, 1979, meeting were approved as distributed.

The deans had no further comments or questions concerning extended-campus travel regulations.

Dr. Davis initiated a discussion of Dr. Nelson's suggestion that area of concentrations offered within the Business College be called majors and listed in the catalog as a fifth option. A proposal by Dr. Robinson to alter the catalog wording to include this option was distributed. The Nelson-Sandefur motion to add Option V which would state "minimum of 60 hours" and under it "major," carried without dissent.

Dean Sandefur reported on the tentative discussions that have been going on relative to considerations to "transfer" the Jones-Jaggers Lab School to a three-way consortium including Western Kentucky University and the Warren County and Bowling Green systems. This would free some funds by allowing state reimbursement for the students to the systems. This in time would allow development of more service activities for public schools as well as provide better resources for Western Kentucky University's academic programs. There will be an attempt to work it out for this year if possible.

Dr. Nelson suggested that the reference number of each student's program be printed on the class roll and asked that the matter be on the agenda for the next meeting of the Council of Academic Deans.

Dr. Chelf explained the need for teacher education programs at Fort Knox and suggested that the needed additional courses in elementary/secondary education be offered there.

The meeting was adjourned at 10:20 a.m.

Respectfully submitted,

*Faye Robinson*
