1960-61... That Wonderful Year...
THE PATH THAT LEADS TO MEMORIES

Yesterday is today’s memory; tomorrow is today’s dream; and both play an important part in the life of a Western student. Those dreams and memories—insignificant to some but outstanding to most—are essential in bridging the events of 1960-61. Memory lets us recall little experiences that were all too fleeting—the excitement of ball games, the tension of tests, the joy of fellowship and the serenity of worship, the confusion of registration, the warmth of love and the sorrow of parting. While forming these memories, our dreams were in the making; and looking down the path toward the future, we wonder what lies beyond the bend. That remains to be seen, but for now, down the pathway of 1960-61 THAT WONDERFUL YEAR...
WE RETURNED TO SCHOOL ... REGISTRATION BEGAN

September arrives and all roads lead to the Dome on the Hill. Mixed with the task of unpacking and relocating is the joy of seeing old friends and making new acquaintances. But our summer vacation is abruptly ended by the state of mass confusion called REGISTRATION—an experience no student can escape. To alleviate the chaos this year, the I.B.M. system was introduced. These machines are fine, but what do you do when the machine forgets your name?

"What's that? Just fill out these?"

"But I have a class that period!"

"What a relief. The class is still open!"

"A lot of the rooms..."
Then came the classes...and with them...work

"Now is there anyone else's name I haven't called?"
"Excuse me, Sir, isn't this History 1002? What a
catastrophe! This student had been "deposited" on third floor by the stairway crowd and thought
he was on second! Such happenings are typical of
that first day of classes. But once acquainted with
your schedule, trips to the library and laboratory
experiments become routine. Many interesting as-
signments are a part of this class work—field trips,
observations, judging teams, rifle meets, and de-
bate contests. All these blend into a balanced pro-
gram of study."
HOMECOMING . . . THE FIRST BIG EVENT

Part of the joy of friendship is the joy of getting together after having been apart—together recalling old experiences and sharing new ones. Homecoming provides an opportunity to close the gap of distance and time and to revert to college days. For the students it means many hours preparing for floats, parades, decorations, receptions, and dances, and putting forth every effort to make Homecoming something to remember. The big day arrives and with it the realization that all the hours of work were well spent. There is an unspoken thank you in an atmosphere filled with the spirit of Western.
LIFE WAS LIVED TO THE FULLEST...AND ENJOYED

But life on the Hilltop consists of more than classes and work. The calendar is soon dotted with important events that must not be overlooked. A keen competitive atmosphere hovers over the campus, and posters and slogans disguise the doorways and bulletin boards. Such is the environment during the time preceding the all-important date set aside for each class to choose its set of officers. From now on there is never a dull moment. Extracurricular events take us from Dogpatch to Winter Wonder Lane with a stop at the Red Cross Blood Mobile along the way. For the completion of everyone's life time is set aside for devotion—time out from the stir of campus life for renewed inspiration.
TIME OUT FOR SPORTS . . .

At Western the aim is to develop the mind; however, physical training is not neglected. A considerable portion of our campus life is devoted to athletic activities—including “export” and “amateur.” Just as it takes sideline action to complete the setting for a ball game, it takes intramural sports to round out the athletic program and give everyone an opportunity to participate. Of course we all can’t be a member of a team, nor a cheerleader, but we can join the cheering section and give our support. Thus everyone is important in sports.
WE HAIL OUR MISS KENTUCKY

Alice Chumbley represented the Bowling Green Junior Chamber of Commerce in the annual Miss Kentucky Contest held at Lexington, May 22, 1960. Selected Miss Kentucky from twelve other finalists, she was crowned by Miss Ceri Fanchild Brower, Miss Kentucky of 1959.

Alice is now well acquainted with Kentucky. She spent the summer watching from one county fair to another crowning many queens—perhaps a future Miss Kentucky.

Included in the honor of representing her state was a trip to New York for a week of combined business and pleasure. Many hours were spent with photographers, but there was also time for shopping, for a Broadway production, and for a two-day sightseeing tour of the city.

As Kentucky's representative in the Miss America pageant, Alice journeyed on to Atlantic City for the memorable week of September 8-13—five full days with hardly a moment to spare.

Exhausted, but rich in the knowledge of experience, Alice returned to Western and the life of a college student.
TO YOU . . . WE DEDICATE THIS TALISMAN

Having arrived at the stage of experience which has been aptly called the years of discretion, the 1961 TALISMAN Staff has begun to appreciate, more so than formerly, the good teaching and the great personalities which our college has provided for our benefit. Such appreciation prompts this expression of gratitude and emboldens us to assume that we may honor a great teacher by naming you as a representative of the best we have known at Western.

We have selected you because you are more than a great teacher—you are a wise counselor, a lovable person, a paragon of cultural dignity, and a friend to all of your students and co-workers.

We proudly dedicate the 1961 TALISMAN to you, Miss Frances Richardson.
THE PRESIDENT

Greetings to the Students of Western:

The 1960-61 school year has been an outstanding milestone in the life of our great College. Performances, specific reports, and general appreciations all identify the present student body as one of the best in Western’s history.

To the Senior Class, I would like to express genuine appreciation for its leadership and achievements. To the student body as a whole, I would also express the appreciation of the College for the many contributions to an outstanding year.

We urge the seniors, who are soon to be alumni, to direct to the College more and more young men and women capable of maintaining and living true to the Western challenge, “The Spirit Makes the Master.”

To all who will remain as members of the student body, Western urges qualified acceptance of the challenge that second best is not good enough.

Let us protect Western’s integrity in such a manner that we shall always guard the opportunity for the true spirit to be developed and for the real master to be created.

Thank you for a wonderful year.

Sincerely,

KELLY THOMPSON

President

Dr. Kelly Thompson
DR. THOMPSON NAMED "KENTUCKIAN OF THE YEAR"

Within thirty-two years Dr. Kelly Thompson has risen from the role of a student to the position of President of Western Kentucky State College. Because of his unselfish service during this time, the Kentucky Press Association at its midwinter meeting named him "Kentuckian of The Year."

President Thompson was cited for integrity and "service to community, state, and nation" and for "devotion to the ethical standards of journalism." At the closing luncheon of the Kentucky Press Association meetings, Governor Bert Combs praised Dr. Thompson as "one of the best in education"—scholarly as a college president must be, yet young and capable of directing an institution of higher learning.

With pride, Dr. Thompson, the student body of Western wishes to salute you!

ni, Calen Jones, Jerry E. Short, Donald B. Follis, Ray Bodd.

Third Row: Ann Furtney, Barbara Hardgrove, Janet Pendergrass, Janet Pender, Frances Taylor, Carolyn Giler.

Fourth Row: Tracy Solie, Mary Helen Taylor, Barbara Ann Battle, Janice Sue Moore, Anne Mae Pifer, Jamie Compton.

FRESHMEN 2.5 WINNERS
THAT WONDERFUL YEAR

Activities
While perusing through the pages of this yearbook you will find pictures of events which we, the TALISMAN staff, hope will make your college year of 1960-61, "That Wonderful Year."

The faculty selected the staff from the Junior Class of 1959-60 on the basis of scholastic standing. The first meeting was held in the spring of 1960 and plans were initiated for this year TALISMAN.

In June the editor and assistant editor met with Mr. Norman "Buddy" Shaw at Benson Printing Company in Nashville to continue plans for the TALISMAN.

With the beginning of school came many hours of work for the TALISMAN staff. Without the cooperation of each staff member and the dedicated effort of our sponsor, Mr. Millard Gipson, we could never have fulfilled our goal of making this a yearbook that portrays the spirit and dignity of Western.

We hope that you enjoy your TALISMAN and cherish it as a record of "That Wonderful Year" on our campus.

HEIGHTS HERALD

Emerging from the news and views of Western and its student body, the "College Heights Herald" voices the heartbeat of the Hill. The student newspaper is eagerly read not only by the present student body, but also by the alumni and other past and future Westerners the world over.

From the letter writer to the athlete, triumph to the many extracurricular activities of the students, including the activities of the busy faculty and administration, the Herald draws its attention on Western in all phases of its campus life.

The Herald staff is headed by the editor-in-chief and the business manager, and is composed of the members of the journalism classes taught by Miss Frances Richards of the English Department, who serves as faculty sponsor, Mr. Robert G. Cochran, Director of Public Relations, is the general manager.

A standing member of the Columbia Scholastic Press Association, the "College Heights Herald" consistently receives high ratings in the Association's annual ratings of American college newspapers.

The highest award offered by the association is the Medallia Award. This award is only given to the college newspaper maintaining the highest standards of good journalism. The Herald was awarded the highest rating in 1956-57. 55-56-57.

Improvements for the publication are constantly being sought by the Herald. The most modern methods used in newspapers are adapted, both in style and publication. As Western advances in its march for progress, the Herald moves along with the college in endeavoring to achieve and maintain the highest ideals of journalism.
OSDEN ORATORICAL

The Ogden Oratorical Contest is sponsored by the Ogden Foundation and was founded in 1937. The Founders Model, known as the Ogden Model, is given to the winning contestant from the junior or senior men. Robert H. Schreiber, a junior from Louisville, Ky., is the winner.

A.A.U.W.

The A.A.U.W. Oratorical Contest was begun in 1953 by the Bowling Green Branch of the American Association of University Women. This contest is open to all junior and senior women. A shell gold goblet is awarded the winner each year. This year's winner is Anne C. Shaver, a senior from Henderson, Ky.

SPEECH CONTEST WINNERS

ROBINSON ORATORICAL AWARD

This oration contest was first given in 1939 by Ogden College. It is a contest for freshman and sophomore men. The award is given in memory of the late John E. Robinson, a benefactor of the college. Charles Wade, a sophomore from Princeton, Ky., is this year's winner.

SNEA

This speech contest, open to all freshmen and sophomore college women, was first given in 1953 under the sponsorship of the Leo Francis Jones Chapter of the Student National Education Association. Each year a trophy is presented to the winner by the Association. Martha Clayton, a sophomore from Calvert City, Ky., is this year's winner.

GRADUATION EXERCISES

The President greets the Graduates.
The theater thirst of Western's campus is aptly quenched by the Western Players, under the able direction of Mr. Russell H. Miller. The Players opened the fall semester session by presenting, in collaboration with the Music Department, Rodgers and Hammerstein's greatest musical, "Oklahoma!" Following this, to show versatility, the Players presented the classic, "Our Town" by Thornton Wilder.

Other than the plays, the Western Players sports a variety show troupe, the "Little Show," which travels about the area spreading public relations for the college. This same show played to the Chapel Assembly on January 11, where it drew much acclaim.

The primary purpose of the Western Players is to add to the social and scholastic activity of the campus, as well as to develop the talents of its students.

At the end of the school year, those members who have shown themselves outstanding in the dramatic arts are recognized and rewarded at a milestone Academy Awards Dinner.

The Western Players looks back on a year of growth, development and success, which it intends to increase in the following seasons with true love of the theatre as its sepire.

RELIGIOUS EMPHASIS WEEK

The Religious Council is an interdenominational group functioning as a planning committee for the religious activities of the college campus. It is also the purpose of the council to aid the administration in matters pertaining to the religious influence of the college. The council consists of students representing the various denominations. Faculty members also serve on the council.

There are two main events sponsored by the council for the college campus: Religious Emphasis Week and The Easter Sunrise Service. Special speakers are invited to conduct the services for the college. Vespers and dormitory devotions are conducted by the students. It is always the aim of the Religious Council to further enrich the religious experiences of the college personnel.

RELIGIOUS COUNCIL

The Student Advisory Council was formed in 1956 under the direction of President Kelly Thompson. The Council was formed to serve as a “voice” in representing the students’ opinion in various areas of college activity; as well as to aid the President in regard to the study of possible means of constant improvement in college policies.

The Student Advisory Council is composed of the presidents of every departmental club, the four classes and clubs stemming from the departments. Operating within the Council is the Executive Committee which consists of seven members from the Council, three of which are appointed (the Sophomore, Junior, and Senior class presidents), with the remaining four being elected from the Council.

RAGLAND LIBRARY CLUB

The Ragland Library Club is an organization made up of Library Science majors and minors, and other students who are interested in library work. The purpose of the club is to promote and maintain interest in Library work, and to promote fellowship among the members of the Library staff and the Library Science Department. The club was organized in 1931 and was named for Mrs. Florence Ragland, a former librarian at Western.

THE LIBRARY CLUB

The English Club is composed of students interested in all phases of the study of English. The primary aim of the club is to provide an opportunity for its members to get together and to exchange ideas. For the past three years the club has had a series of programs based on Kentucky. The last activity each year is a dinner at which an outside speaker is guest of honor.

A. M. STICKLES HISTORY CLUB

The Stickles History Club was organized in 1922; it is the oldest departmental organization on the campus. Its objectives are to promote a deeper interest in history and to bring about a broader understanding of historical problems. Membership in the club is open to History majors and minors.

GEOGRAPHY CLUB

The purpose of the Geography Club is to promote interest in geography and provide a greater understanding of the geographical influence on local, national, and world affairs. Monthly meetings are held to accomplish this objective. The Geography Club has included in its programs formal and informal discussions, and guest lectures showing color slides and movies of the geography of the United States and foreign lands.

The American Chemical Society Student Affiliates seek to provide for Chemistry and science majors and inter-disciplined students a series of varied and informative programs in the field of science with special emphasis on Chemistry.

The Western Chapter is closely associated with the Nashville section of the American Chemical Society and members attend meetings of the Society which are held in Nashville during the school year. It is the Chapter’s privilege to host one of these meetings on the Western campus.

The Physics Colloquium is an organization which was founded to develop interest in physics among the beginning students of the physical sciences; to provide fellowship for people allied by interest in the various fields of physics; and to extend a spirit of scientific inquiry in the minds of physics students.

The purpose of the Mathematics Club as stated in the constitution adopted by the club members at the September, 1959 meeting is: "To encourage the study of mathematics through informal meetings, at which it is hoped, mathematics majors and minors will be made more aware of the importance of mathematics and of the close relationship between mathematics and other fields of knowledge."

The major objectives of the L.Y. Lancaster Biology Club are: (1) to familiarize students with the many phases of biology; (2) to further interest in the study of higher biology; (3) and to provide social interchange among biology students. The Club is made up of students enrolling or minoring in biology but any person who is interested in this field is welcome. Club members and guest speakers present the monthly programs on various phases of biology.
The Western Debate Associates, while being the official representative of Western Ky. State College in all inter-collegiate debating tournaments, has as its main function, the comprehension on the part of its members of the pressing problems facing the nation. We feel that to understand more of the nation's problems is to become a better citizen. Membership in the Associates is open to all students of Western on either an extra-curricular or an accredited class basis. During the past year members of the Associates have won several superior and excellent ratings at the Southern Speech Convention held in Winston-Salem, North Carolina.

The purposes of the Congress Debating Club are twofold: (1) to train the members in speech, enabling them to speak on their feet any place, any time, about any subject; (2) to train the members in democratic government by closely following the parliamentary procedures as stated in Robert's Rules of Order. The members of this club address one another as "Senator."

The agriculture students, believing in spiritual, mental and physical development, recognize the value of constructive agriculture leadership in the economic, scientific, and social problems. In order to further this recognition, we function as a unit known as the Cherry Country Life Club. Contrary to popular belief of today, we are an organization, striving under the aid of competent leaders, to become professional men of tomorrow rather than the common farmer of yesterday.

The Iva Scott Home Economics Club is a professional organization for those interested in home economics. No single factor contributes more to our nation's welfare than the home. By giving opportunity for the future home makers and those who train them to share practical suggestions on such topics as housing, management, or clothing, the Iva Scott Club contributes to the Home Economics major's campus life.
ARTS AND CRAFTS CLUB

The Arts and Crafts Club of the Industrial Arts Department is an organization of those persons interested in the industrial arts. The purpose of the club is to (1) develop the spirit of unity, fellowship, and group cooperation; (2) develop knowledge of administration and supervision of industrial arts; and (3) promote a better comprehension of industrial and technological aspects of the present society.

PHYSICAL EDUCATION CLUB

The purpose of the Physical Education Club is to guide and counsel the students of Western who are enrolled in the Commercial Education curriculum. Students attend Western for the basic courses, and then attend the Bowling Green College of Commerce for their technical courses. Because of the schedules of the two schools, it is important that students attend those meetings to know the requirements of their curriculum.

COMMERCIAL EDUCATION CLUB

Western Writers was founded in 1955 to encourage creative writing among students. To this end, the organization meets monthly to discuss anonymously submitted student work and edits and publishes the best work submitted to the organization by Western students. Western Writers' magazine is called "Voices" and is printed twice yearly by the Park City News Company. Many members do not submit work; they simply enjoy discussing or listening to discussions of creative writing. On the other hand, the organization is happy to receive work from non-members.
The Ohio County Club was one of the first county clubs to be organized at Western. The purpose of the club is to provide an opportunity for the students of Ohio County attending Western to keep in closer contact. The club also provides its members with the chance to make new friends.

- JOHN L. MINNION, President
- ANNA LOUISE LEACH, Secretary
- DONNA TAYLOR, Reporter

The Hardin County Club has grown to be one of the largest clubs at Western. The club serves as a means for the students of Hardin County to meet socially and express ideas and ways that we as a club can improve our relationships between Hardin County and Western. Through the cooperation and help of all members the Hardin County Club was able to sponsor the bonfire for Homecoming this year.

**HARDIN COUNTY CLUB**

**OFFICERS**
- BILL LOCKEY, President
- NANCY CALLAHAN, Vice President
- JANE MILLER, Secretary
- CHARLES MERRITT, Treasurer

The Muhlenberg County Club was organized for the purpose of extending to Muhlenberg Counties outstanding programs for educational advancement beyond the coverage of their college classes. The club is always endeavoring to foster good relationship between our home county and our school, to help build a greater Western, and to develop good fellowship among students.

The S.N.E.A. is the branch of the National Education Association which is especially designed for college students. Membership in this association extends to college students the benefit of both N.E.A. and K.E.A. periodically and allows members to participate in the many activities of the organization.

Western's S.N.E.A. Chapter provides professional growth and association through a planned program of workshops, panel discussions, service work for Western, attendance at K.E.A., and closer contact with the profession. It encourages students who have chosen teaching as a career to develop professional growth through higher standards of preparation to understand the ethics of teaching, and to participate in cooperative work on the problems of the profession.

The Art Club is an organization made up of students and faculty, has as its objectives: the promotion of art, fellowship, and scholarship. The club provides all members with the opportunity to experience and understand more fully the significance of art. Among its activities are field trips, exhibitions, lectures, and an annual Homecoming Open House. Mr. Loy and Dr. Monroe are the sponsors of the Art Club.

The Folklore Club is an organization of students who study, collect and discuss the various aspects of folklore. These students actually sing the songs which they collect. They usually sponsor some sort of dance during the school year, and are often asked upon to put on special programs for the college. Organized at Western by Dr. D. K. Wilga of the English Department, the club meets once during each month, and usually has either a visiting lecturer or a student program. The only criteria for membership is a bone fide interest in folklore—qualification which will exclude few, if any.
The Young Democratic Club of Western was formed to perpetuate on the College Heights campus the great Democratic tradition of Jefferson, Jackson, Cleveland, Wilson, and Franklin D. Roosevelt. During the academic year 1960-61 the club organized the Kennedy Day Rally in Bowling Green, sponsored student absentee voting, held home-townhouse education rallies, and emerged victorious after the general election of November 8, 1960.

The Young Republican Club meets monthly at the Paul S. Gannell Student Center. The club strives to carry on the work of the Republicans party in this section of the state. Several of the club officers hold a position on the State Executive Committee of the state Young Republican Club of Kentucky. The club has sponsored several activities and takes an active part in all local, state, and national elections.

The purpose of the Mu Lambda Cast of Alpha Psi Omega is to stimulate interest in dramatic activities at Western Kentucky State College, to secure for the college all the privileges and mutual cooperation provided by a large national honorary fraternity, and by electing students to membership serve as a reward for their efforts in participating in the plays staged by the college.

Sigma Pi Sigma is a member of the Association of College Honor Societies, an affiliated society of The American Institute of Physics and The American Association for the Advancement of Science. Its purposes are: to serve as a means of rewarding recognition to students having high scholarship and promise of achievement in physics; to promote student interest in research and the study of advanced physics; to encourage a professional spirit and friendship among those who have displayed marked ability in physics; and to stimulate interest in physics among college students and the general collegiate public.
TRI-COUNTY CLUB

Members of the Tri-County Club are from Marion, Boyle and Washington Counties, from which Eastern Kentucky shows a large number of students. The club was formed to bring these students closer together in order that they might develop more closely their common interests and backgrounds in an informal fellowship while attending Western.

The Butler County Club was reorganized in 1969 with twenty-three members. The Club activities provide an opportunity for Butler County students on campus to continue friendships and make new ones while demonstrating leadership abilities. The Club encourages Butler County High School students to attend Western by informing them of the advantages of a college education at Western.

SPANISH CLUB

In 1959 the Spanish Club was reorganized by the participating members of the Spanish classes under the sponsorship of the Foreign Language Department Head. The Club adopted its purpose, three goals: (1) make Spanish a living language for its members; (2) encourage all efforts and activities in connection with Spanish; (3) improve the methods used in these efforts and activities. Among its activities is the sponsorship of Spanish films based on outstanding works of Spanish writers through the centuries, guest speakers, and the development of cultural insight into the Spanish-speaking countries.

JEFFERSON COUNTY CLUB

The purpose of the Jefferson County Club is to acquaint the students from Jefferson County with one another and to bring them closer together. The business is carried on in its weekly meetings, while the social life is attended to at informal “get-togethers” spaced at various intervals. The Jefferson County Club entered a float in the Homecoming parade this year.

TRI-COUNTY CLUB

Members of the Tri-County Club are from Marion, Boyle and Washington Counties, from which Eastern Kentucky shows a large number of students. The club was formed to bring these students closer together in order that they might develop more closely their common interests and backgrounds in an informal fellowship while attending Western.

The Butler County Club was reorganized in 1969 with twenty-three members. The Club activities provide an opportunity for Butler County students on campus to continue friendships and make new ones while demonstrating leadership abilities. The Club encourages Butler County High School students to attend Western by informing them of the advantages of a college education at Western.

SPANISH CLUB

In 1959 the Spanish Club was reorganized by the participating members of the Spanish classes under the sponsorship of the Foreign Language Department Head. The Club adopted its purpose, three goals: (1) make Spanish a living language for its members; (2) encourage all efforts and activities in connection with Spanish; (3) improve the methods used in these efforts and activities. Among its activities is the sponsorship of Spanish films based on outstanding works of Spanish writers through the centuries, guest speakers, and the development of cultural insight into the Spanish-speaking countries.

JEFFERSON COUNTY CLUB

The purpose of the Jefferson County Club is to acquaint the students from Jefferson County with one another and to bring them closer together. The business is carried on in its weekly meetings, while the social life is attended to at informal “get-togethers” spaced at various intervals. The Jefferson County Club entered a float in the Homecoming parade this year.

JAMES D. RICKARD, Lexington (Kentucky); Bachelor of Arts in History; President of the History Club; Member of the Phi Beta Kappa Society.
THAT WONDERFUL YEAR

Athletics
FOOTBALL

This season's Hilltoppers rambled through nine fast-moving action titles, only two of which were decided in favor of Western. In spite of the six team losses, however, Western can truly boast of nine full games of individual and team effort. Under the leadership of Sophomore quarterback Jim Dally and senior center Ron Downard, Western advanced far enough to the average clips of two touchdowns per game, with Fullwood, McElroy, Nash, Payne, Boone, Best, Pegash, Buxton, and Buckler in the backfield, and Jim Hughes and Meeks Johnson at and existing in on Dally's full pass.

Western's defensive line, backed by senior guard Herb Wasmann, voted best in the CVC, and by the brothers Jack and Gerald Foytner at tackle, demonstrated many defenses of solid strength.

After a modest start with a 28-19 loss to Southeast Missouri despite a 13-7 Toppers halftime lead, Western returned with a rapid surge of strength, tying East Tennessee 13, thus winning two consecutive games over Middle Tennessee 20-13 (Western's first Middle Tennessee victory since 1957) and Austin-Peay 34-6 through the terrific backfield campaigns of Browning, Boone, Dally, Best, and Bux- ton, the solid line-standing of Wasmann, and the placement kicking of Jack Woff, despite first-game injuries to Jack Foytner and Friends Payne. Western thus ended midseason with a penciling 3-1-1 record.

SEASON'S RECORD

FOOTBALL

The weeks and months of pre-season training on the practice field, with the late afternoons of hard work toward an ideal of perfection, are repeated in condensed form in the few grueling, bruising games in which Westlane's Hilltoppers were in public view.

Get him!
Bad of the best!
That's just one thing in my way!
Let's get those guys off his back.

This could get rough!
Who wants him?
Better hurry!
From their first-game victory over Middle Tennessee to their final defeat at the hands of Morehead in the O.V.C. playoffs, Western's Hilltoppers completed a season of surprises. In a snow-filled winter, the Hilltoppers became accustomed to delayed games and postponements, one of which was re-scheduled but never played. The O.V.C. season ended in a three-way tie between Western, Eastern, and Morehead, with Western losing 80-72 to Morehead in the first round of the playoffs.

Will Gibson, Recce, and Todd among the top five in O.V.C. scoring, rebounding, and free-throw accuracy, with newcomer Bobby Jackson proving himself a hurling addition to the team, and with sophomore Jim Dees leading the strong reserve bench, this year's Hilltoppers captured 18 wins in 26 games, proving themselves one of the most versatile teams to represent the Red and White.

BASKETBALL ACTION

OPPOSITE PAGE: Todd gets two points against Taliana in the Sugar Bowl Tournament.

Two points for Dean.
Although the freshman Hilltoppers suffered a twelve-loss, four-win season, these boys have undergone the first stage in their breakthrough into college play. From this squad will come the future Hilltopper heroes. Sparked by David Carrier, the second-half scorer in Western freshmen history with an average of almost 30 points per game, and by Tom McMillan and Bobby Moore, the freshmen team battled through a series of competition-packed games against junior college teams and other freshmen teams, gaining the experience which will be so vital in filling the gap left in the varsity lineup through the loss of graduating seniors "Flat Guy" Charles Osborne, Penny Sandetomenis, and George Warren.

Seated, left to right: freshmen coach Turner Blood, Bobby Waring, Jerry Gibb, Jack Austin, Dave Carrier; Bill Drake, Assistant coach Larry Smith; Standing: Wayne Graves, Phil Lock, John Valk, Bill Davis, Tom McMillan, David Carrier.

FRESHMAN BASKETBALL
Spurred by Winton Boone, Western’s sprint specialist, and by Larry Nutter, Western’s strong man with the discus and shotput, Coach Brad’s Hilltoppers progressed to a 1-6 season by handing a much-vaunted foe victory over Austin-Peay, fulfilling last season’s promise of an improved Western track team and demonstrating Western’s ability to overcome the detractors of limitations in the time, space, and scope of its track program.

Unwinding for an early spring practice session.

TENNIS

[Image of tennis team]

Coach Horbuck’s tennis team produced a fabulous record of eleven straight wins this season, including a surprise victory over the University of Kentucky. With five of the best net experts in the OVC, Western’s racket club completed a perfect season, then took the OVC team championship with Meyer, Pedigo, and Day capturing the No. 1, No. 2 and No. 3 singles championships and Day and Meyer teaming up to capture the No. 1 doubles title.

Under the hard-hitting guidance of Ronnie Myers, Robert Green, Ronnie Pond, Dan Browning, Elzie Ralston, Doug Proffitt, and Dennis Jenkins, Coach Duris' Hilltoppers won eight of sixteen completed games in a rain-soaked season. Shuffling out Musialhead compensated for the eight losses suffered on the diamond, all but one of which were decided by painfully close scores.

BASEBALL

Coach Frank Griffin's golf team completed a competition-packed season, finishing in honor of eight of twelve matches. With the promise of becoming Kentucky's finest collegiate golf team, these boys, led by Gerald Belcher and Joe Jaggers, captured second place in the CVC match at Johnson City, Tennessee, with Belcher taking top individual honors as all-OVC Medallist.

Second in OVC tournament play.

GOLF

203
With membership open to any Hilltopper who has lettered in a varsity sport, Western's "W" Club is an organization of young men with a common background of experience in intercollegiate sports. Under the guidance of Jimmy Felix, sponsor, these representatives of Western's sports force traditionally supervise and manage various entertainment projects and assist in the sale and distribution of refreshments, programs, and game souvenirs.

The club sponsors Varsity Varsityettes, the spring entertainment classic for which talented Western students are recruited and organized into a highly successful show of music, comedy, and gymnastics.

At the height of the track season, neighboring high school track teams participate in the annual Hilltop Relays in Western's stadium. In this invitational tournament, the competing teams provide local sports fans with a fast-moving display of some of the best high school track action of the year.

As a climax to the spring football season, the club then sponsors the Red-White game. For this intra-squad tilt, a committee of club members organizes the Hilltopper squad into two opposing groups for a postseason display of football skill.

Cheerleaders have the continuous job of guiding the student body in its off-the-court assistance to the team. Selected by the Western students, these six coeds represent the active interest which is accorded all Hilltopper sports events. From lecturing and guiding youthful high school cheerleaders from 57 schools in South-Central and Western Kentucky, to heading the half-time chants, Western's cheerleaders spend a great deal of campus time in co-ordinating and furthering school spirit.
THAT WONDERFUL YEAR

TRAINING SCHOOL

This wonderful year of 1961 brings an exciting whirl of events into the lives of College High Students. Each student, from the youngest first grader to the oldest senior, will always remember this year. While the first graders learn to read and the seniors prepare to leave, the year is drawing to a close, but its events will forever live on. This wonderful year is filled with classes, club activities, sports events, and social occasions. The year will be remembered fondly, and the pictures will be treasured as a reminder of these most happy events.

STUDENT ACTIVITIES COMMITTEE

The Student Activities Committee consists of two representatives from each grade, 7-12, and the elected officers of the committee. The purposes of this organization are to develop attitudes of and practice in good citizenship; promote harmonious relations throughout the entire school; improve student-teacher relationships; improve school morale; assist in the management of the school; provide a forum for student expression; provide orderly direction of school activities; charter school clubs and other organizations; and promote the general welfare of the school.

AND FINALLY...

The members of the Senior Class and all of the students at Western wish to express their appreciation to Western's Board of Regents.

Control of the College is delegated by law to the Regents, who are appointed directly by the Governor of the Commonwealth. Without the counsel and foresight necessary to determine the progress, the administration of the College could not move forward. As students in a dynamic and forward-moving Western, we say: "Thank you!"
