ON THE HILL

life resumed its busy pace with registration September 14, 1941. Western students returned to campus and to classes. Activities ON THE HILL were varied and exciting. Dorm life provided a time for new companionship and the renewing of old acquaintances. Those calm, quiet hours spent in meditation and worship greatly shaped the thoughts and ideas of the students living ON THE HILL. Social activities provided the change of pace that is so vital in the life of all college students. This year THE HILL exhibited many new signs of progress and evidences of the continual striving for the best possible facilities for Western students and faculty. Sports also were an integral part of the life of the well-rounded Western student, either as a spectator or as a participant.

The following pages have been compiled in an effort to depict the scenes that are representative of life at Western. LIFE ON THE HILL.

RICHARD HOWELL COOP* Editor-in-Chief
ANNA LOUISE LEACH* Assistant Editor
In autumn **THE HILL** welcomes us back to campus and to classes...
Living on **THE HILL**
is filled with fun and excitement...
It isn't home, but dorm life offers warmth and companionship...
Fortunately, our life has its **social** side, too...
HOMECOMING provides a variety of activities...
Many signs of **PROGRESS** may be seen on the Hill...
Then come those quiet times when added emphasis on **RELIGION** takes precedence in our lives...
SPORTS play a large part in giving a well rounded life...
DEDICATION

It is with great admiration and respect that we, the TALSMAN Staff of 1962, dedicate this yearbook to Dean Raymond L. Cravens. Dean Cravens has shown himself to be a capable educator and administrator as well as a personal friend to the student body during his years at Western. Through his dynamic personality Dean Cravens symbolizes the spirit that enables Western to retain the warmth of a small college while offering all the advantages of a larger institution.

We would like for you, Dean Cravens, to consider this yearbook a token of our appreciation for your many contributions to Western.
THE PRESIDENT
Dr. Kelly Thompson

A Message to Western Students:

You have united with a dedicated faculty, loyal alumni, and a host of Western friends in making the 1961-62 school year a successful and productive one.

We commend each of you, especially the graduating seniors, upon your personal achievements and wish to express our sincere appreciation for your contributions in making this a significant chapter in the history of our great College.

Western's progress and development during a challenging and demanding era are tributes to the magnificent contributions our student body continues to make.

You are a part of the exciting and dynamic present which will soon be a part of the hallowed tradition of the past and will serve as a guiding light to an even greater future.

Please be assured of Western's continued interest in your welfare and genuine pride in your accomplishments.

It is our hope that you will preserve forever the Western spirit which is our sustaining force, the vision which we glorify in our minds, and the ideals which we enthrone in our hearts.

Sincerely,
KELLY THOMPSON

The theatre-players of Western and the community receive a full cup from the Western Players, directed by Russell H. Miller, not only through dramatic presentation but also through the variety show troupe called “The Little Show.” Western Players presents four major productions a year and at the end of the season an awards dinner is held to honor outstanding players.

Culture, social activity, and dramatic training have been the three major contributions of The Western Players through the years. Continued contribution toward a wholesome, entertaining college life is its goal for the future.

The theatre has a great part in developing the man. Western Players accepted this challenge.

The oldest of the intercollegiate competitions for women is the A.A.U.W. Contest. It was the first academic competition for women at Western. Established in 1915 by the Bowling Green Branch of the American Association of University Women, annually it honors the outstanding women speaker from the Junior and Senior classes of the college. Miss Susan Moss, Junior from Erlanger, Kentucky, was the winner in 1962.

SPEECH CONTEST WINNERS

The senior speech competition for men is the Ogden Oratorical Contest which is open to men of the Junior and Senior classes each college year. It is sponsored by the Board of Regents of the Ogden Alumni Association. Annually its winner receives a medal and cash award, represents the Ogden group on Ogden day, and represents Western in intercollegiate speaking competitions. Last year’s winner was Ted Urbish, Senior from Frankfort, Kentucky.

The oldest of the oratorical competitions for women is the A.A.U.W. Contest. It was the first academic competition for women at Western. Established in 1915 by the Bowling Green Branch of the American Association of University Women, annually it honors the outstanding women speaker from the Junior and Senior classes of the college. Miss Susan Moss, Junior from Erlanger, Kentucky, was the winner in 1962.

At academic tradition inherited by Western from the Ogden School for Boys, the Robinson Oratorical Contest was once a graduation requirement for boys of the high school division. Sponsored by the Board of Regents of the Ogden Alumni Association, the Robinson Contest each year honors the outstanding speaker of Sophomore and Freshman competition for men. Pat Chamberlain, Sophomore from Bowling Green, Kentucky, was the winner in 1962.

For the past six years the S.N.E.A. Oratorical Contest has been sponsored by the Lea French Jones Chapter of the Student N.E.A. at Western. The competition is open to women of the Sophomore and Freshman classes. A handsome silver trophy cup is awarded to the young lady chosen annually as the outstanding speaker in this competition. Miss Kathy Atkins, Sophomore from Finneyville, Kentucky, was the 1961 winner.
As you leaf through the pages of the TALISMAN now and in the years to come, the members of the 1961-62 staff hope you will have many happy memories of "Life on the Hill."

In the spring of 1961 we were notified that we had been selected from members of the incoming senior class for the honor and responsibility of serving on the TALISMAN staff. Our editor and assistant editor, accompanied by our sponsor and the art editor, then made a trip to Nashville during the summer months to meet with Mr. Norman "Buddy" Shaw of the Shaw Printing Company. Here they made the initial plans for the PRO TALISMAN.

Throughout the year each editor has worked diligently in attempting to make this year's annual the best ever. We sincerely hope that we have portrayed accurately the many exciting events and fond memories of "Life on the Hill."

The College Heights Herald is the official newspaper of Western Kentucky State College. It is published each Wednesday morning. This year the Herald has moved to a weekly publication schedule in order to bring better news coverage to the Hill.

Featuring the news and views of Western and its student body, the College Heights Herald voices the heartbeat of Hill. The student newspaper is eagerly read not only by the present student body, but also by the alumni and other past and future Westerners the world over.

From the latest Hilltopper athletic triumphs to the many extracurricular activities of the students, including the activities of the busy faculty and administration, the Herald focuses its attention on Western in all phases of its campus life.

The Herald staff is headed by the editor-in-chief and the business managers, and is composed of the members of the journalism class taught by Miss Frances Richards of the English Department. Mr. Robert G. Cochar, Director of Public Relations, is the general manager.

A standing member of the Columbia Scholastic Press Association, the College Heights Herald consistently receives high ratings in the Association's annual ratings of American college newspapers.

Staff members see it through to the end.
The highest award offered by the association is the Medalist Award. This award is only given to the college newspapers maintaining the highest standards of good journalism. The Herald has been awarded the highest rating in 1956-57, 58, 60-61, 62-63, and 64-65.

Improvements for the publication are constantly being sought by the Herald. The most modern methods used in newspapers are adopted, both in style and publication. As Western advances in its march for progress, the Herald moves along with the college in endeavoring to achieve and maintain the highest ideals of journalism.

The Western Religious Council is a non-denominational organization whose purpose is to stimulate religious interests and to undertake activities on campus which no denominational group could do working alone. Churches in Bowling Green are represented in the council proportionately to the number of students active in each of the churches. Among the events sponsored by this group are Religious Emphasis Week, Easter Sunrise Service, Y-Quakers, Drum devotions, and Bible Study groups. The council functions under the guidance of a faculty committee appointed by the President. This committee is composed of Dr. Earl A. Moore, chairman; Dr. William M. Jenkins, Jr., Mr. Willard Coddrell, Miss Sibyl Stonecipher, Mr. Claude Rose, and Mr. Ohm Pauli.

Religious Emphasis Week is an annual event of Western Kentucky State College. This week is set aside by the college to focus the students' attention upon their own spiritual needs and the place of religion in American life. A speaker of outstanding ability is chosen for this event. The week's activities are non-denominational and students of all faiths attend the meetings. The theme of Religious Emphasis Week is given interpretation through convocations, seminars, drum devotions, fellowship breakfasts, private conferences, and an evaluation function. The program is sponsored for the college by the Western Religious Council.

The Physics Colloquium was organized to develop an interest in physics among the beginning students of the physical sciences; to provide fellowship for those interested in the various fields of physics; to serve as a connecting link between students of all levels of study in physics; and to provide an opportunity for advanced students in physics to gain experience in public speaking.

The Student Affiliate of the American Chemical Society was established to provide for chemistry majors, science majors, and interested students a series of varied and informative programs in the field of science, with special emphasis on chemistry. The Western chapter is closely associated with the Nashville section of the American Chemical Society and its members attend meetings of the society which are held in Nashville each month. Since during the school year it is the chapter's privilege to host one of these meetings on the Western campus.

The A. M. Stickle History Club of Western Kentucky State College was organized in 1922 and is named for Dr. A. M. Stickle, who served as the head of the History Department here from 1908 to 1956. As the oldest departmental club on the campus, its objectives are to promote a deeper interest in history and to bring about a better understanding of historical problems. Membership in the club is open to all history majors and minors or other students interested in the study of history. New officers are elected each semester.

The function of the Geography Club is to promote an interest in geography as a field of study and institute a greater understanding of the geographical influence upon local, state, national, and international affairs. The membership consists of students who are majoring or minoring in geography and any other persons interested in the field of geography. The regular meetings are characterized by discussions, lectures, color slides, and films pertaining to geography and its many influences on our lives as Americans. The members participate in one or more field activity each year. The public is welcome to participate in any or all of the club's activities.
The Leiper English Club is composed of students interested in all phases of the study of English. The primary aim of the club is to provide an opportunity for its members to get together and to exchange ideas. For the past several years the club has had a series of programs based on Kentucky. The last activity each year is a dinner at which an outside speaker is guest of honor.

Western Writers was founded in 1955 to encourage creative writing among students. To this end, the organization meets monthly to discuss anonymously submitted school work, and edits and publishes the best work submitted to the organization by Western students. Western Writers' magazine is called Voices and is printed twice yearly by the Park City News Company. Many members do not submit work; they simply enjoy discussing or listening to discussions of creative writing. On the other hand, the organization is happy to receive work from non-members.

The Arts and Crafts Club of the Industrial Arts Department is an organization of those persons interested in the industrial arts. The purpose of the club is to (1) develop the spirit of unity, fellowship, and group cooperation; (2) develop knowledge of administration and supervision of professional and social organizations; (3) promote a better comprehension of industrial and technological aspects of the present society.
The Physical Education Club is an organization composed primarily of majors and minors in Physical Education; although any student who is interested in this field may belong to the organization. The purpose of the club is to acquaint the student with methods and practices, and, above all, to build professional pride within the individual student, which is necessary for success in any type of endeavor. The aim of the club is twofold: (1) to stimulate the student to be a part of the activities and functions of the club for the school and (2) to send into the field men and women physical education who are better informed and qualified and meet or surpass the national standards.

The Commerce Club members are students enrolled in commercial education majors and business administration majors. The purpose of the club is to guide and counsel these students in their curriculum and to acquaint them with opportunities, requirements, and personalities in the business field. With the establishment of the new Department of Business, the Commerce Club is operating with the enthusiastic support of all staff members of the department and has many possibilities for advancement. Participation in this organization provides opportunities for leadership, professional growth, and fellowship. All commercial education and business administration majors are advised to become active members of the organization.

The Mathematics Club serves many purposes to the student of mathematics. Although primarily for majors and minors, it serves those in related fields of study as well. Through its monthly programs, many topics are discussed by the guest speakers and by the club members. The meetings give the beginning student as well as the club members a chance to become better acquainted with the many phases of mathematics. It is the purpose of the Club "to encourage the study of mathematics through informal meetings at which it is hoped members will be made more aware of the importance of mathematics."

The major objectives of the L.Y. Lancaster Biology Club are: (1) to familiarize the students with the many phases of biology; (2) to further interest the students in the study of higher biology; and (3) to provide social interchange among biology students. The club is made up of students majoring or minoring in biology, but any person who is interested in this field is welcome to join. Club members and guest speakers present the monthly programs on various phases of biology.
The Western Debate Associates, while being the official representative of Western Kentucky State College in all intercollegiate forensic competition, strives to inform its members of the pressing problems facing our nation. A comprehension of such problems creates better citizens. Membership in the Associates is open to all students of Western on either an extracurricular or an accredited class basis. During the past year, members of the Associates have captured two top speaker awards, four overall-speaker ratings, and a runner-up trophy in debate tournaments.

The Iva Scott Home Economics Club, which is affiliated with the American Home Economics Association, is a professional organization for those majoring in home economics. By bringing in guest speakers on such subjects as community responsibilities, travel in foreign lands, career opportunities in home economics, and developments in modern appliances, by providing various social activities, and by giving the student an opportunity to participate in its programs, the club helps to enrich the college life of the home economics major and better prepare her for her present and future role in the home, community, and the nation.

The Cherry Country Life Club is an organization composed of approximately one hundred members who are interested in agriculture and its related fields. Some of its functions include monthly meetings, parties, charity work, participation in school activities, and the annual banquet honoring the graduating agriculture majors. The club also subscribes to all of the major agricultural magazines, which are placed on the magazine wall presented to Western by the Cherry Country Life Club. This is an example of one of the gifts the club presents each year to the agriculture department.
The Student National Education Association is the branch of the National Education Association and is designed for college students in elementary and secondary education. Membership in this organization provides the benefits of both N.E.A. and K.E.A. periodicals, and it allows members to participate in the many activities of the organization.

Western's S.N.E.A. chapter provides professional growth and association through a planned program of workshops, panel discussions, service work for Western, attendance at K.E.A. and close contact with the profession. It encourages students who have chosen teaching as a career to develop professional growth through higher standards of preparation to understand the ethics of teaching, and to participate in cooperative work on the problems of the profession.

This year Western's S.N.E.A. chapter established a fund from which an annual scholarship will be awarded to a deserving S.N.E.A. member. An initial contribution of five hundred dollars set up the scholarship fund. The interest from this dollars set up the scholarship fund. The interest from this fund,plus contributions and pledges of members and alumni, will be used to further the fund.

The Folklore Club is an organization of students who study, collect and discuss the various aspects of folklore. These students actually sing the songs which they collect. They usually sponsor some sort of dance during the school year, and are often called upon to put on special programs for the college. Organized at Western by Dr. D. K. Williams of the English Department, the club meets once during each month, and usually has either a visiting lecturer or a student program. The only criterion for membership is a bona fide interest in folklore—qualifications which will exclude few, if any.
Alpha Psi Omega is a national honorary dramatics fraternity whose main objective is to stimulate interest in and participation in extracurricular activities. The Alpha Lambda Chapter at Western Kentucky State College is one of the many chapters of this organization.

Sigma Pi Sigma is a member of the Association of College Honor Societies, an affiliated society of The American Institute of Physics and The American Association for the Advancement of Science. Its purpose is to serve as a means of rewarding recognition to students having high scholarship and outstanding achievement in physics, to promote student interest in research and the study of advanced physics, to encourage a professional spirit and fellowship among those who have exhibited marked ability in physics, and to stimulate interest in physics among college students and the general student body.

The Spanish Club is an organization designed to unite the majors and minors of the Spanish class under the sponsorship of the Foreign Language Department Head. The club adopted the goals of the following: [1] to make Spanish a living language for its members; [2] to encourage all efforts and activities in connection with Spanish; and [3] to improve the methods used by students in these efforts and activities. Meetings are held monthly, with some of the activities being the sponsorship of Spanish films, programs on Spanish and Latin American customs and celebrations, and a social event to conclude the year.

Le Cercle Francais is an organization especially designed to meet the needs of students who are majoring or minoring in French, offering them the opportunity of practicing conversations in an informal manner. Miss Margerie Cloquet and Madame Emi Pingon, of France, conduct groups in activities ranging from memorized classroom conversations to the mixing of plays of celebrated French authors. These films include the annual Christmas party, the Thirteenth Night film, and Madame Pingon's birthday party, at which she played the Malade Imaginaire, customarily presented. Always the final words of each film are "Je me suis bien amusé."
The Owensboro-Daviess County Club is one of the newer clubs to be organized at Western. The purpose of the club shall be to promote the spirit of Western while on campus and in the Owensboro-Daviess County area. It is furthermore an opportunity for the students of the area while attending Western to meet together and share social and educational interests. With the continued interest and success of the organization in achieving its goals and objectives, the Owensboro-Daviess County Club will undoubtedly become one of the largest and best county organizations at Western.

The Western Rocket Club has altered its program this year. Last year the club attended the rocket launching at Fort Knox, sponsored by the U.S. Army. Western Rocket Club fired a seven-foot two-stage rocket to an altitude of 25,000 feet or better. However, this rocket was practically void of instruments. This year the club has devoted its time primarily to the theoretical problems incurred in rocketry. No concrete plans are set for actual construction.

The Hardin County Club has grown to be one of the largest on the "Hill." The club serves as a means for the students of Hardin County to maintain social and express ideas and ways that are as a club can improve our relationship between Hardin County and Western.

Members of the Tri-County Club are from Marion, Boyle and Washington Counties from which Western Kentucky draws a large number of students. The club was formed to bring these students closer together in order that they might develop more closely their common interests and backgrounds in an informal fellowship while attending Western. Sponsors for the club are Dr. Paul Hatcher and Dr. William Houigan.
The Muhlenberg County Club was organized for the purpose of extending to Muhlenberg Countians outstanding programs for educational advancement beyond the coverage of their college classes. The club is always endeavoring to foster good fellowship between our home county and our school, to help build a greater Western, and to develop good fellowship among students.

The Ohio County Club was one of the first county clubs to be organized at Western. It has since grown to be one of the largest. Its chief interest has been to give the students attending Western from Ohio County a chance to keep in closer contact with each other and to make new friendships with students from this county. The members of the club are always available to show visitors around the campus and explain to them all of our traditions. Throughout the year the Ohio County Club has been strong in its beliefs and in its desire to make Western a greater college.

The Butler County Club was reorganized in 1960 with the help of our present sponsors Miss Margie Palm and Mr. Osborn Feiner. The club's activities provide an opportunity for Butler County students on campus to continue friendships and make new ones while demonstrating leadership abilities. The club encourages Butler County High School students to attend Western by informing them of the advantages of a college education at Western.

For the past seven summers, Western's drama and theatre program has found expression in the Summer Sessions in the Summer Theatre Project. Adopting the annual designation, the group of students, former students, faculty, and members of the Bowling Green community organized the Western Summer Theatre '61.

The two major productions offered by the '61 group were William Inge's "Bhopal" and John Patrick's "The Curious Savage." Both played successfully to three excellent audiences. In addition to the program of productions, the group enjoyed field trips to Nashville and Louisville for an observation of outstanding theatre events, as well as participating in a program of social events during the busy summer.

FOOTBALL SEASON

Coach Nick Denes and his assistants fulfilled their promise to recruit some players and field a team capable of playing O.V.C. football. This became evident last fall as the Toppers picked to finish last in the O.V.C., lost only two league games. Their league losses were to O.V.C. Champ Tennessee Tech and the other to runner-up Middle Tennessee 7-6. This team also won the mythical state championship by defeating the other three state colleges: Murray, Eastern, and Morehead.

with the help of linebacker Booker, gave up fewer yards on the ground than any other O.V.C. team. The Toppers' fine backfield, with the running of Burt Borne, Bert Blazin, and Jiggers, picked up needed yardage time after time.

So, with linemen such as Murray, Poole, Berrien, Bert, Jim and John Burt, and Westmoreland, to mention a few, returning, plus some very good-looking new prospects, Coach Denes is looking forward to this fall on the gridiron.

The Toppers were probably one of the very few teams that could boast of having three starting quarterbacks in Daily, Strick, and Drugs. The passing, catching, and defensive work of Jim Hughes, an All-O.V.C. player, and Lee Murray, the team's M.V.P., was sensational throughout the season.

The Western front line, smallest in the conference, composed of ends Hughes and Murray, tackles Frazier and Taylor, guards Biggs and Berrien, and center Westmoreland,

BASKETBALL

The 1961-62 Hilltopper basketball season proved once again that Coaches E. A. Diddle and Ted Hombek could produce a championship team. The Topppers, picked to finish third in the C.O.V. in a pre-season poll, came back from a disastrous December in which they lost four of seven games, to win the C.O.V. by a record breaking margin of four games. Western finished with a 11-1 record in Conference play, the lone loss being to Tennessee Tech at Cookeville.

The 1961-62 season also saw Coach Diddle send his force to battle for the 1000th time in a game against New Mexico A&M. The five Western starters, for only the second time in history, all averaged in double figures. Rascov and Todd were selected on the O.V.C. first team while Darrell Carrier was placed on the 2nd team.

Bobby Rascov gained All-American Honorable Mention. Converse Magazine All-American, All-Mid East N.C.A.A., and was a starter in the East-West Shrine Game in Kansas City. Rascov led the Topper's with an average of 25.7 points a game. Sophomore Darrell Carrier was next at 13.7. Junior forwards Bobby Jackson and Jim Dunn averaged 13.3 and 12.9 respectively, Senior pivotmen Harry Todd scored 11.3 points a game and hauled down better than 12 rebounds per game. Doug Smith and Mike

Ridley led the second unit and gave great support to the big five. These boys proved a team unmercifully and forced them to close up the ball many times on floor screens. Larry Castle, Denny Day, and Werner Gaines, all junior rounded out the second unit and showed considerable improvement over last year.

In recognition of a fine job, the Conference basketball coaches named E. A. Diddle, O.V.C., Coach of the Year. Fans are optimistic about the 1962-63 prospects. Starters Jim Dunn, Darrell Carrier and Bobby Jackson return with some capable reserves. With boys from a very fine freshman team moving up to the varsity, Western's 1962-63 edition will be in the thick of the championship chase.

Western's freshman basketball team compiled a surprising 11-4-4 loss record for the 1961-62 basketball season. These Baby Hilltoppers coached by Don King, former Hilltopper star, showed tremendous improvement as the season progressed and were a fine young team when the season ended.

Ray Keaton from Portsmouth, Ohio, led the team in rebounding and scoring with an average of 21.7 points a game. Keaton was followed closely by Ray Rhoer, an outstanding guard, who scored 19.6 points a game. Mickey Brown, a 6'-4" jumping jack from Campbellsville, Kentucky, was third in scoring at a clip of 18.7 a game. The true worth of Ralph Baker is not shown in his average of 14.7 points. Baker was a fine defense player and great on the boards the entire season. Ralph Herring was the team's fifth player and ball handler.

Jeff Abell, vice president, Phillip Herrling, Larry Rightmoyer, Ralph Baker, Ray Keaton, Eddie Hobgood, Glenn Meehan, Mickey Brown, Sherrill Howard, Ray Rhoer, Bill Parsons, Gene Haddix, Don King, coach.

Ralph Baker scores two points against Murray Tech.
The Hilltopper baseball team closed out a 21-game season with a 9-12 overall record. The Western nine had a difficult time getting started early in the season, but finished strong by winning 6 of their last 9 games.

Senior centerfielder Ron Meyer claimed the batting title with a .337 average. Close behind him in the hitting department were utility man Larry Castle with a .349 average and leftfielder Ray Hunt with a .345 mark.

Lefthander Ron Pond, senior pitcher, turned in the best pitching performance of any Hilltopper hurler. Pond claimed a 2.30 record for the season, pitching 341 2/3 innings while posting a 3.15 earned run average.

Coach Ted Hornback's tennis team has done it again. For the second straight season they have compiled an identical eleven-win-and-no-loss record. These netters have also won the O.V.C. championship for the past two years.

The team this year will have to operate without Henry Hamblin, the No. 2 Singles champion and part of the No. 2 Doubles championship team, and No. 3 Singles champ Bill Poligo, who have graduated. With lettermen Troughton, Day and Mayer returning, and newcomers Don McIlhenny, Wadie Auster, and Bill Loizanos, Coach Hornback is hoping for another successful season and the O.V.C. Championship.

CHEERLEADERS

The spirit that has led the Hilltoppers to many victories is guided by six enthusiastic coaches. They have the continuous job of guiding the student body in supporting all sports affairs. Through these girls the true spirit of Western is represented.

Many of the high school cheerleaders from South-Central and Western Kentucky attend the clinic held annually at Western's campus. We all owe a great debt of gratitude to the WESTERN cheerleaders!

The "W" Club is one of the most exclusive organizations at Western. To be eligible for membership one must have earned a varsity letter in one competitive sport while at Western. The Club usually meets once a month and operates under a college-approved constitution and by-laws.

The objectives of the "W" Club may be listed as follows: (1) Promote closer fellowship among the varsity men of the various sports on the Hilltop; (2) provide opportunity for leadership as officers or committee members for various projects; (3) add to the members' knowledge of organization and administration of varsity athletics, since many of the members become coaches.

"W" Club sponsors the Hilltop Relay, an invitational track meet for surrounding high school boys; varsity varsity, a talent show for the students; and periodical student dances. At the close of spring football games, the club sponsors the red-white football game. This is an intra-squad game and gives the coaches and students a chance to see who they have to look forward to following fall.

Occasionally the Club's program is enriched by the appearance of outstanding athletes, coaches, school principals, and other educational personnel. This is an effort of the Club to give its members an insight into what to expect when they finish their schooling at Western.

"W" CLUB
The excitement-filled year of 1962 brings a whirl of events into the lives of College High students. This year, filled with classes, club activities, sports events, and social occasions, although drawing to a close, will long be remembered. The pictures in this section will serve as a reminder of College High's contributions to the development of future citizens.

As editors of the 1962 TALISMAN, we have attempted to
represent LIFE ON THE HILL as completely and as accurately
as possible. We have made a special effort to capture that cer-
tain warmth and friendly spirit that permeated the student body,
the faculty, and the administration of Western.

The printing of the TALISMAN requires the cooperation of
many people. We would like to take this opportunity to express
our thanks to Mr. Gipson, our sponsor, who has worked so dili-
gently for many long hours. We also owe a large measure of
gratitude to our very capable representative from the Benson
Printing Company, "Buddy" Shaw; to Courier Journal photo-
graper Bill Strade, for special pictures; to our photographers, Dar-
rell Watkins, Allen Pardon, and Tommy Hughes; and to all the
people of Western for their patience and understanding during the
printing of our yearbook.

As you look through these pages, both now and in the future,
we hope each picture will help you to recall pleasant memories
of the time you spent ON THE HILL.
