MAKING THE SPIRIT THE MASTER

THROUGH EXPERIENCES

Whose is the spectral statue that stands at twilight as the guardian of the doors to knowledge? This image belongs to the Western student and to all whose appreciation of learning ranks high in the stream of life's experiences.

The vividly alive college years take precedence as an outgrowth to a better adjusted, more suitable mode of living. Perforating the time that we spend in formal education are numerous situations that involve our adopting and rejecting values, mental stimulation from social interaction with other students, friends, and teachers as well as the gratuity of the half-way state of being sheltered from the adult world, yet free from the stigmas of teenage supervision. Moreover, every part of college existence can be summarized by the word "experience." We, as students, are incorporated as a part of the experiences that inspire, enrich, enlighten, and challenge. Although the passing of time may silhouette one experience above another, it is the consumption of experience that each student has received from college life that is the linkage, which in turn, relates him to his fellows and consciously makes him a part of the Spirit of the Hill. The goal of this institution is and will continue to be to provide experiences which foster the development of a spirit which is respectful of self and of mankind. With the cognizance of unity of experience as an underpinning, we mold ourselves into masters of the situations of which we are part. Thus, as the question arises as to how we will make the spirit the master, we must answer, by experience. For neither the spirit of life nor the master-making process of education can be measured by years alone, but rather by our rich background of experiences.
EXPERIENCES THAT ENRICH

EXPERIENCES THAT CHALLENGE
"Don't be discouraged, registration is only the beginning of your experiences."
What a dismal place
'twould be
if we had only
books to see!
Graduation plus application yields a bright future.
Masculine and feminine jam sessions are filled with fun and also true and false confessions.
RUSH—social growth experiences are mingled with emotional tension, excitement, new faces, and fun.
The dorm decorations, the dance and the game carried the theme, and gave pride to our name—Western, Dreammaker-Recordbreaker.
TRAFFIC PROBLEMS:
Western's wheeler-dealers are driving themselves mad trying to abide by traffic regulations and still meet the 8:00 a.m. bell.
To catch the glint, 
to understand, 
is to educate the man . . . 
and the woman too.

And we toil,  
and we labor to experience academic favor, 
lest we be weary, 
we take a break and seek entertainment 
for entertainment's sake.
The hotdog-hamburger world entices the student to experience the company of his contemporaries, share their interests, exchange campus fadology, and genially broaden himself as an individual, either weightwise or mentally.
A sermon, a carol, we gather as friends, to celebrate Christmas and God’s Gift to men.
FINAL WEEK:
A tired spirit makes a weak master . . . during final week.
A cheer, a lay-up, 
a voluminous roar, 
all eyes turn to see Western score.

DANGER KEEP OUT! 
Western must endure the inconvenience of growing pains.
FEATURES

Memories that recall experiences of the laughter and tears of fun.

ATHLETICS

Experiences that challenged us to demonstrate school spirit.

Editor: Gene Haskett
COACHING STAFF

HEAD COACHES
R. A. Diddle, Athletic Director; Ted Hornback, Director of Physical Education and Tennis; Coach Nick Dew, Head Football Coach; John Oldham, Head Basketball Coach; Gray Ruddick, Assistant Football Coach; Fred Griffin, Assistant Football Coach and Golf Coach; Tom Elder, Track and Cross Country Coach; Wallace Syroka, Freshman Basketball Coach.

GRADUATE ASSISTANT COACHES
Marvin Barning, Football; Joe Bajal, Football; Leslie Johnson, Football; Ralph Underhill, Basketball.

A great deal of success has followed Western’s coaching staff the past few years. The success is the reward of many hours of diligent work and study of opposing teams and of the Hilltoppers. The staff headed by Head Coach Nick Dew is ably assisted by Line Coach Frank Griffin, Backfield Coach Turner Bled, and Quarterback Coach Jimmy Fike.

The coaching of the opposition is a very important duty. The coaching reports are handled by Turner Bled, Coach Bled, along with the other coaches, will study the film reports and study the opposition and then try to guide the Hilltopper forces to victory.

TURNER BLEED
Assistant Coach
JIMMY FITE
Assistant Coach
The Hilltoppers started the season in winning fashion by downing Southeast Missouri and then dropped two hard-fought OVC contests. After suffering the OVC losses, the Toppers returned to the winning trail, winning five games and tying one. Western dropped the season finale to Murray 14-6.

Under the team leadership of co-captains Stan Napper and Ken Waller the Toppers proved to finish second defensively in the OVC.

Western once again had the conference's leading scorer in halfback Jim Burt. Burt replaced defending champ Quarterback Shane Miller.
The graduation loss will be a major obstacle for Coach Nick Dones to hurdle for next season.

Graduating seniors are Jim Burt (All-OVC halfback), Sam Clark, Pat Counts (All-OVC defensive back), Walt Hawkins, Bob Hultman, Shatich Miller, Tom Murrell, Stan Napper (All-OVC end), Dave Peak, and Hugh Sturgeon.

Two others have another year of eligibility remaining but may turn it down. Backfield men John Burt and Joe Campbell may refuse the year of service as did Dale Lindsey (First Team Little All-Americans).

Lindsey, one of the finest line backers in college football, has signed to play professional ball with the Cleveland Browns. Dale was a seventh-round draft choice of the Browns in the NFL and a fifth-round choice of the New York Jets in the AFL.

Jim Burt was also a pro draft choice. He was selected by the Los Angeles Rams and the New York Jets.

Senior Pat Counts has signed to play with the Houston Oilers and Stan Napper has signed to play Canadian football.

faced with the graduation obstacle, Coach Dones and His staff have been "beating the bushes" to come up with top-notch replacements. Coach Dones has signed four Kentucky All-Staters to grant-in-aid. Leading the group is first-team selection Dick Moore, Ournbourne halfback also included is Jerry Humble of Russellville and two Fort Thomas, Highland products, Mike Roth and Dick Vorhees (the state's leading scorer).

These boys, along with the returning lettermen, will help form the nucleus for next year's team. Top lettermen returning are Paul Fullen, Ernie Murray, Joe Said, Jerry Mathews, Milt Fullen, Ken Walker, Ralph Sellier, Bill Taylor, Don Sundberg, Charles Webb, Allan Hogan, Ernie Hall, Bill Smith, Roy Bondurant, Jody Powell, and Harry Reif.
The Hilltoppers this season rewarded Homecoming fans with a 14-0 triumph over conference foe Eastern Kentucky. The Toppers, remembering a 6-5 loss two years ago, were never headed as they punished the Maroons for sixty minutes. The victory enabled Western to have two homecoming victories in their last two outings. Last year they humiliated nonconference foe Evansville 54-6.

The Eastern Maroons came to the Western campus looking for revenge for last year's defeat at Richmond. Western spoiled their Homecoming festivities with a smacking victory and then, in return, this season spoiled their plans of an upset.

Coach NLS Davis and his staff are to be congratulated for two fine seasons. The past two seasons Western rolled to 15 wins—2 losses—and 2 ties, a record that speaks for itself.

The men who carry the team" is a phrase that is applied to student managers and trainers.

Without the many hours of time spent by the managers the football team would not be able to compete. The work is not specialized, a manager is "a jack of all trades," repairman, errand boy, water boy, medical assistant, just a plain helper.

Equipment Manager Kenny Horchell, along with his assistants, Donnie Terrell, and Barry Storm, are responsible for all equipment being ready, all necessary repairs, and for making sure everything is in top-notch shape for the Saturday afternoon battle.

Talented Barry Storm is the "doctor" of the team. Barry must be at the scene at all times (practice and games). When an injury occurs he must answer the call.

Without these managers and trainers the work would fall to the team and coaches.
The 1964-65 edition of Western Kentucky basketball produced a new outlook for the Hilltoppers. The new look was created when E. A. Diddle, Hilltopper coach for forty-two consecutive years, resigned due to health. Coach Diddle's successor is former Hilltopper Al American John Oldham, who now skipper the Hilltoppers down the much-traveled path blazed by the immortal Diddle. Coach Oldham, head coach at Tennessee Tech for ten years, has guided the young, inexperienced Hilltoppers to a successful season of 18 wins and 7 losses.

Assistant coach Gene Rhodes and Walker (Jim) Snyder joined Oldham after successful stints in high school coaching ranks. Coach Rhodes is in charge of all Hilltopper scouting and recruiting assignments. With the ever-increasing demand for better high school players, Coach Rhodes is constantly on the go with a watchful eye for prospective college material.

Coach Snyder, a strict fundamentalist, is in charge of the Hilltopper freshman squad. Snyder, former Daviess County coach, produced former Hilltopper Al American Bobbie Reece.

After a disappointing home opening loss to Belmont College 52-56, the Hilltoppers then took to the road and overwhemed Bowling Green University 90-77. This victory ignited the Hilltoppers to one of their most successful seasons in recent years.

After a loss to Vanderbilt University at Nashville the Hilltoppers returned home to win their next three games. Carrying this momentum, the Hilltoppers traveled to Louisville to compete in the Ohio Valley Conference tournament. The Hilltoppers opened the tourney with a convincing 102-65 triumph over the Middle Tennessee Blue Raiders, then downed the Eastern Maroons to advance to the championship game.

The Hilltoppers were defeated in the finals by the Murray Racers. Even with losing the championship, Western placed center Steve Cunningham and forward Clem Haskins on the All-Tourney Team. The brilliant sophomore star Haskins was named the tourney's most valuable player.

After the Christmas holidays the Hilltoppers opened their bid for the O.V.C. championship in a "Giant Killing" manner by upsetting the Murray Racers 71-70 in an overtime thriller. The Hilltoppers then reared off the conference wars before being halted by the Eastern Maroonos 95-70 at Diddle Arena. The Hilltoppers responded to the loss by burning Marshfield in their next outing.

Coach Oldham and Hilltoppers on the attack.
The Western Kentucky basketball future looks as a bright one. With just two seniors on the squad and one of the best sophomore groups in the history of the school, foretellors of future success say Western will indeed break records.

Co-capitain Ray Rhoener will be the only loss from the starting unit. Captain Ralph Baker will be missing from the second unit.

Returning starters will be Junior center Steve Cunningham and the sophomore brigade of Clem Haslins, Dwight Smith and Pearl Hicks.

Haslins and Smith, the first Negroes to play varsity basketball at Western, are the mainstays of the club.

Clem "The Gens" Haslins, poyesy in motion on the basketball floor, is considered by many to be the best player to don a Hilltopper uniform.

Haslins, a high school All-American at Taylor County, has continued with fine all-around performances here at Western. Clem has set a sophomore scoring record as well as leading the OVC in scoring. Clem also set an OVC individual game high with a 55-point outburst against Middle Tennessee.

The classy Haslins is considered by Coach Oldham as the "man who can do it all, and do it well."

What makes a team win? It cannot be just five individuals on the basketball floor wanting to win; it takes this plus the boys in reserve. This has enabled Western to have a fine season.

Western's reserve strength is led by team Captains Ralph Baker and Baker, a hustling, scrapping ball of fire when he takes to the floor, has saved many games for the Toppers. Baker has filled in for the injured Pearl Hicks and has done a commendable job.

Another fine reserve is 6'5" junior college transfer Jack Butler. Butler, bothered by a knee injury the first of the season, has rounded into a top-notch performer. Butler fills the gap for Steve Cunningham. Butler, along with Baker, gives the Toppers two fine rebounders.

Hamilton Watkins, 6'5" sophomore from Ohio, has helped the Hilltopper front line. Aiding Watkins has been Vinton Pease and Bob Daniels.

Western's reserve guard strength falls into the hands of juniors Charles Shuffield and Kellar Wokes, both of whom have performed well when called upon. Other guard strength comes from sophomore Mike Kitchens.
FRESHMAN BASKETBALL

Under the direction of Coach Buck Snyder and Graduate Assistant Ralph Underhill, the Topper yearlings showed signs of greatness. The team completed a successful season with a record of 11 wins and 6 losses, including an O.V.C. record of 5 wins and 3 losses. Even with six losses the basketball future at Western shows sweeping potential victories ahead.

Leading the young Hilltoppers in scoring was Butch Kaufman, a 6'10" guard from Louisville St. Xavier. Kaufman averaged 17.8 points per game. Trailing Kaufman were Norman Weaver 16.6, Gregory Smith 15.7 and Bob Bartos 14.2.

Greg Smith, younger brother of Dwight smith, led the yearlings in rebounding with an average of 16 boards a game. Norman Weaver contributed tremendously to the front board work.

Rounding out the fresh team were Joe Mac Hill, Mike Fawcett, Jerry Everly, Marshall Mason, David Manbile, Ricky Carver and Jim Burrell.

HILLTOPPERS RECEIVE N.I.T. BID

Coach John Oldham's Western Hilltoppers rounded out their victorious 18-9 season with a bid to the National Invitational Tournament held in New York's Madison Square Garden. The Topper's, the predicted underdogs, downed Fordham University in their first round 57-51. Western, however, lost to a strong Army team in the quarter final play-off. Under the expert first-year guidance of Oldham, the Toppers made their first N.I.T. appearance since.
TRACK

Western's 1964 track team broke eleven school records on route to the Ohio Valley Conference track championship. The track championship was the first in the history of the school.

Hilltopper Coach Tom Ecker was named the Ohio Valley Conference "Coach of the Year" for the second consecutive year. Western's Tom Gerd was named the conference "Track Man of the Year" for setting conference marks in the long jump and the triple jump.

The Hilltopper squad handed the Murray Racers their first loss in five years in dual track competitions. Another impressive victory was scored against Big Ten Conference Champion Minnesota.

Winning and setting conference marks in the O.V.C. meet were Roy Turner, John Sears, Gary Imiel, and John Taya.

CROSS COUNTRY

Western's Cross Country team, in its third season of existence, ran their consecutive win streak to fourteen before falling to the University of Tennessee at Knoxville. The Hilltoppers, under the direction of Coach Tom Ecker, won the school's first Ohio Valley Conference meet.

The Topper "Hilltoppers," led by freshman Pat Deluca, compiled a record of five wins and one loss. Other runners were Peter Sullivan, Tom Graham (team captain), John Sears, Butch Holden, Richard Ziegler, Jack Mahurin, and Mike Oliver. Sullivan was Western's top finisher in the Ohio Valley Conference meet.
TENNIS

"Loadoff" is the word for Western's tennis team. With the number-one and number-three singles and the number-one doubles team graduated, one might consider this a rebuilding year, but not in Coach Hornback's eye.

Replacing Larry Whisler and Bob Smith will be the brother combination of Jackie and Tom Cooper. Jackie Cooper hailed as one of the Lockwood "greats," is slated to hold down the number-one spot. Returning in the number-two spot is O.V.C. champion Jim Malone, hard-hitting sopho-
more from Ohio. Other returning lettermen are Bill Beverly, Larry Peano and Tom Boldinger.

Newcomers to the squad along with the Cooper brothers: will be Tom Shattuck and Ed Eberth as well as assistant coach: Bobbed Moore.

GOLF

Coach Frank Griffin's golf team is still in the process of rebuilding.

Placing third in last year's O.V.C. meet, the Topper golfers are hoping for a strong finish this season.

Gone from last year's squad are Glen Marcell, Kenny Brown, Darrey Morris and Bob Wren. Additions to this year's squad should help the Topper in their climb for suc-
cess. New members are Scott Nall, Steve Black, Bill Bowey, Dick Hildebolt and the brother combination of Craig and
Bruce Clark. The Clark brothers played golf at College High
School and should find the home course to some advantage.
W-CLUB

The W-Club is composed of persons who have earned a varsity letter in one of the competitive sports at Western. The W-Club is active in various functions. Annual activities of the club are the Hilltopper Relay, red-white football game, periodical student dances, and at the close of the school year, the W-Club picnic.

The W-Club is sponsored by Jimmy Fex.

CHEERLEADERS

The Western Cheerleaders, both the varsity and freshman squad, expended an untold amount of energy and time building and maintaining school spirit. This year's varsity cheerleaders, under the sponsorship of Mary F. Butl, Assistant Dean of Women, played hostesses for the annual Y.M.C.A. Cheerleading Clinic held in the E.A. Diddle Arena. Graduating seniors and tri-captains were Dottie Adkins, Louisville, Bonnie McDonald, East Patterson, New Jersey, and Christine Davis, Bowling Green.

Whether these cheers flush the signaling unites of approval to the doved countenance indicative of the momentary points of the game, they stand ready to back the Hilltoppers - win, lose, or draw.
The experience of self-growth through interaction and participation in groups.

THE 1965 TALISMAN

STAFF

That which a short time ago was reality is now only a memory—a memory which was the 1964-65 TALISMAN staff. We hope we have been able to capture in this year's TALISMAN.

After a visit to the Benson Printing Company in Nashville, our editor and assistant editor made the initial plans for the 1965 TALISMAN. As the year progressed, the TALISMAN grew from just blank pages in a dummy to the now completed yearbook which you possess.

We, the staff, sincerely hope that you enjoy this year's TALISMAN as much as we enjoyed planning it for you.

COLLEGE HEIGHTS HERALD

The College Heights Herald, under the direction of faculty member Walter D. Richards, is the weekly campus newspaper published by the college and edited by a staff chosen from the student body. Published each Wednesday morning, the Herald reflects the life and attitudes of the Western community—the students, faculty, administration, and alumni. The College Heights Herald is a standing member of the Columbia Scholastic Press Association and consistently receives high ratings among American college newspapers. The Herald offers the student practical experience in journalism to complement the journalistic theory taught in the classroom. The newspaper consistently strives to maintain the highest ideals of journalism.
WESTERN PLAYERS

Under the direction of Dr. Russell H. Miller, Western Players offer a variety in theatre fans for both college and community.

The Players annually present four major productions including a "classic of the theatre," a modern comedy, and a phantom of melodrama. This season included "Six Characters in Search of an Author," "Antigone," "Bye Bye Birdie," and "The Letter." Mr. R. Leonard Hart was the technical director on these productions.

The Experimental Theatre, coordinated by Dr. Mildred Howard, adds a varied dimension to the Players' program.
SPEECH CONTEST WINNERS

The Board of Regents of the Ogden Alumni Association sponsors the two annual men's oratorical contests, the Robinson Oratorical Contest and the Ogden Oratorical Contest. The Robinson Oratorical Contest honors the outstanding speaker of the freshmen and sophomore men while the Ogden Oratorical Contest is open to men of the junior and senior classes. The winner of the Ogden Oratorical represents Western in intercollegiate speaking competition. The Lee Frances Jones Chapter of the Student N.E.A. sponsors the S.N.E.A. Oratorical Contest, which is open to women of the freshmen and sophomore classes. The American Association for University Women sponsors the oratorical contest for junior and senior women. This began the first recognized academic competition for women at Western.

COMMUNITY CONCERTS
WESTERN MARCHING BAND

The director gives the downbeat, the crowds chime in on "College Majesties," and the band again creates the atmosphere that spurs our Hilltoppers to victory. However, amid the excitement we do not stop to think how many extra hours the band members spend on the practice field to stimulate this school spirit. It takes extra dedication to produce the spark that makes our student body want to stand up and cheer at our football and basketball games. The band's entertainment in freezing weather, its early arrival at the games, and its hours of practice substantiate a TALISMAN tribute to Western's Marching Band.

INTRAMURALS

The intramural program under the direction of the Physical Education Department is an intra-campus activity organization which is open to all students who wish to participate in informal sports activities. The intramural program is directed by faculty members Coach Frank Griffin, Miss Betty Langley, and student assistant John Hopper. The program offers a variety of activities such as baseball, softball, basketball, bowling, tennis, volley ball, and flag football. Teams are organized by dormitories, fraternities, sororities, class, and off-campus groups. These teams compete in games scheduled by the directors and end each season with a tournament selecting a championship team for each sport.

I can't stand to look at that stuff.

"We may not be the top team but we still have fun."

MILITARY SCIENCE

Experiences in Military Science build military leaders.

Editor: Taikioe Oke

ARMY R.O.T.C.

Western Kentucky State College maintains a senior division of the Reserve Officers Training Corps. The program of instruction in military science is sponsored by the Department of the Army with teaching control under the Commanding General of the Second Army. It is believed that the advantages of becoming a member of the ROTC are important to all male students. Training that is received will be of benefit throughout their entire lives, regardless of their field of endeavor. Upon graduation from the college and completion of the advanced courses in ROTC, the cadets are commissioned as Second Lieutenants in one of the branches of the Officers Reserve Corps of the Army.

While the students are in ROTC, they have the opportunity to participate in many of the extracurricular activities, including the National Society of Scabbard and Blade, the National Society of Penning Rifles, and ROTC Rifle Teams. Outstanding cadets are recognized in a special way on Awards Day at the end of each year.

LT. COL. GROVER G. SMITH

ADMINISTRATION

Whether in the foreground 
or in the background,
the faculty and administration
endeavor to channel and
enrich our learning experiences.

Editor: Sharron Halcomb
PRESIDENT
Kelly Thompson

President Thompson takes stock of Western's record-breaking growth and development.

Western's First Lady, Mrs. Thompson.

The President extends a welcoming handshake to old friend and former Hilltopper basketball star Dee Gibson.
Dr. Crayens has served in the capacity of Dean of the College for several years. The Faculty, the Administrative staff, and the student body recognize him as an outstanding member of the Western Administration. He not only performs his administrative duties in an efficient manner, but also shows in many ways his genuine interest in the students of Western Kentucky State College. Throughout the state he is noted for his outstanding contributions to education.

Dean Downing was named Dean of the Business Affairs at Western Kentucky State College in 1964. In previous years he has served as Dean of Admissions and in an instructional capacity. His efficiency and dedication to his work are assets which are difficult to duplicate.

FRESHMEN
The Western Training School is a department of Western Kentucky State College. The primary responsibility of the school is the training of teachers in the areas of student teaching, demonstration teaching, observation and participation, research and development, guidance, remedial reading, innovations in teaching methods, and other related teacher education activities. It has an average enrollment of 450 students in grades one through twelve. Members of the Western Training School faculty hold degrees at the graduate level or above and are also college faculty members. While its philosophy prohibits it to change capriciously, the school carries out the most modern methods used in education. It proudly holds membership in both the Kentucky and Southern Associations of Colleges and Schools. Graduates of Western who have participated in the student teaching program at the Training School now hold responsible positions in teaching and school administration throughout Kentucky and in many other areas of the United States.
