Theta Theta, the local chapter of Kappa Sigma fraternity, was founded at Western on February 5, 1965, becoming the first national fraternity on campus. This year has been an important one in the history of Kappa Sigma fraternity and a transitional period for the Theta Theta chapter. The milestone was reached on December 10, 1969 when the fraternity celebrated its one hundredth anniversary. We celebrated the historical event with a centennial banquet and formal. Theta Theta is now working to acquire a new house near the Western campus. The officers for this year were: Bill Jones, President; Bill Daly, Vice President; Dick Ker, Treasurer; Steve Marquese, Secretary; and Pat Riley, Ritualist.
Lambda Chi Alpha became a part of Western Kentucky University on May 16, 1909. The brothers place great emphasis on civic projects, sports, and scholarship. Not only is the group involved in campus activities, but it is also very talented. For three consecutive years it has won first place in Spring Sing with productions which many consider to be of professional quality. The officers for this year were Jack Flynn, President; Cliff Browning, Vice President; Joe Bar, Treasurer; Nort Northam, Secretary, and Andy Shuping, Pledge Trainer.

LAMBDA CHI ALPHA
LAMBDA CHAPTER
FOUNDED: NOVEMBER 2, 1909
FLOWER: WHITE ROSE
Omegas were founded locally on November 23, 1969. They have been active on campus in this, their first year as a national fraternity at Western. Omegas won the Ugly Alan on Campus Contest and placed first in intramural basketball. The chapter contributed to the Blood Drive for the city of Bowling Green. Each year the fraternity holds a memorial service for Dr. Martin Luther King and sponsors an essay contest in the Bowling Green area during Negro History Week. Omegas are well known on the campus for the drill routines performed by pledges to entertain at the dorms. Fraternity colors are purple and gold. The officers for this year were: Ralph Cooke, President; John Swan, Vice President; William Davis, Secretary; Marshall White, Treasurer; Henry Jackson, Pledge Master.
Founded at Miami University in Oxford, Ohio, the Western Chapter of Phi Delta Theta was installed May 7, 1966. To promote scholarship, the Phi Deltas present a trophy each semester to the senior pledge class having the highest point standing. Civic activities have been one of the main interests of the fraternity as evidenced by their community service day. This year, their projects included cleaning of the downtown square and renovating local playground areas. Phi Delta Theta is also the sponsor of Spring Sing during Greek Week. The fraternity colors are agate and agate. The officers for this year were Jim Hudson, President; Eddie Draughn, Vice President; Tom Duddy, Treasurer; and Barry Easterday, Secretary.

PHI DELTA THETA
KENTUCKY ETA CHAPTER
FOUNDED: DECEMBER 26, 1848
FLOWER: WHITE CARNATION
The Western Kentucky University Chapter of Pi Kappa Alpha was installed February 8, 1966. The national fraternity was founded at the University of Virginia at Charlottesville, Virginia. Again this year, the fraternity sponsored a Christmas party for the children's ward of the hospital. Plans are in the making for a bigger and better Pi Kappa Alpha Greek Goddess Pageant this semester. Last year's reigning Goddess was Ms. Wibbly Anderson. The fraternity colors are old gold and garnet. The officers for this year were Paul Messick, President; Randy Bolton, Vice President; Bruce Gill, Treasurer; Mike McDonald, Assistant Treasurer; and David Monaco, Secretary.
Sigma Alpha Epsilon Fraternity was founded at the University of Alabama in Tuscaloosa, Alabama. The Kentucky Beta Chapter was installed on October 2, 1965. During the past year the SAE's placed first in Alpha Xi Delta College Bowl, Chi Omega November Nonsence, and were the overall winners of Greek Week, 1969. The fraternity sponsors Christmas parties at Potter Orphanage and Parker-Bennett Grade School. They also collect for the Muscular Dystrophy Foundation. SAE's were honored nationally by being nominated for the John O. Mosley Award and by winning an efficiency award from their national organization. The fraternity colors are old gold and royal purple. Officers for this year were: Keith Petrie, President; Charlie Mason, Vice-President; Keith Lawrence, Secretary; Phil Roy, Treasurer; and Jay Hickman, Correspondent.
Sigma Chi fraternity was founded at Western Kentucky University on December 11, 1955. The public motto, "in this sign you will conquer," is based upon our crest. The colors of the fraternity are blue and old gold. Each year the Sigmas sponsor the Sigma Chi Derby in which all the sororities compete in many different activities and events. This spring, they also sponsored an Easter egg hunt for the children of faculty and administration members. The officers for this year were Mike Collins, President; Pat Withrow, Vice President; David Rupp, Treasurer; Richard Baker, Secretary; and Sonny Murphy, Pledge Trainer.
Eta Rho Chapter of Sigma Nu was installed at Western Kentucky University on May 8, 1965. The fraternity, whose colors are gold, white, and black, was founded on January 1, 1869. The chapter participates in two crop projects annually in the Bowling Green area. Being very active in campus politics has been rewarding for the Sigma Nu's. Several of the Brothers won top offices in the campus elections this spring. The officers for this year were Doug Alexander, Commander; David Schwartzschuldt, Vice Commander; Bob Blackford, Treasurer; Till Tupacs, Recorder; and Mike Hill, Representative-at-Large.

SIGMA NU
ETA RHO CHAPTER
FOUNDED: JANUARY 1, 1869
FLOWER: WHITE ROSE
The Brothers of Sigma Phi Epsilon are proud to have built the first house on the campus. They have worked long and hard on this project. The house is located on three acres of land at 172 Parkside Street. It had an initial cost of $60,000 and houses 36 men. An addition now under construction will expand the capacity to 50 men. Although the fraternity deserves much credit, this could not have been accomplished without the financial help of Mr. Brookshire, father of one of the brothers, and the support of the Alumni Board, which is headed by Mr. McDonough. The colors are purple and crimson. The officers for this year were: Chris Wakold, President; Curtis Milton, Vice President; Jim Egan, Corresponding Secretary; Bob Howell, Treasurer; John Wain, Recording Secretary.
Sports
FOOTBALL

The world of football offered a little of almost everything in 1969. To everyone's surprise, Coach Jimmy Feix's highly-touted Hilltoppers started the season in reverse, losing their first game and dropping the next two contests to OVC rivals. Then, the Toppers out-faced and came roaring back to win 6 of the last 7 games, leading the press to dub them "The Comeback Kids of '69." The season's record of 6-4-1 and conference record of 5-2 was good enough to earn the Toppers second place in the OVC but not enough to win them the nod for a hoped-for berth in the Grantland Rice Bowl.

Graduation will take from the Hilltoppers five of their most valuable performers of the 1969 season: Romco Crennel, Johnny Jaggers, Bill Rose, Johnny Vance, and Jim Vorhees. A number of Topper stars won recognition for outstanding play this year. Lawrence Brame, named to the All-Conference Team three years straight and a Little All-American Honorable Mention, was selected as the OVC's "Defensive Player of the Year." Western standout Johnny Vance was named All-Conference Quarterback. Brame and Vance were joined on the All-Conference team by teammate Bill "Jelly" Green whose brilliant running performance was highlighted by a 90-yard touchdown run in the Lonehead game, a feat which equaled a Western record. In all, the 1969 Toppers broke or tied 36 of Western's team and individual records.

Despite the loss of a number of key men, next fall the Hilltoppers will have returning 32 veterans of the 1969 campaign. These men will form the nucleus of a Western team that will be determined to start as well as finish the season on a winning note.
Football can be a dirty game.

Vance doing what he does best.

Blume walks his turn in action.

Collinelly tries his best to block a Moonhead pass.

No you can't... not on my field.

Smith gathers in a Vance pass.

Tennessee Tech blocks to hold down Nottingham.

CHEERLEADERS

Jumps, tumbles, spins and lifts were only part of the new look of this year's Big Red cheerleading squad. The guys and gals used a mixture of acrobatic stunts and contemporary cheers to prod Topper fans into yelling for their favorite team. Before almost every game both in football and basketball seasons, the cheerleaders showed their skills at acrobatic feats. One of their specialties was the Big "W" formation performed after every touchdown. The 13-member group plans to expand their antics next year to promote even more of that famous red towel spirit.

ABOVE: Yell Leaders: Joe Aupester, Red Pratt, Bill Luckett, Bill Combs, Ralph Evans, Allen Burns and Mark Cheatham.

RIGHT: Freshmen Cheerleaders: Back Row: Debbie May and Cindy Clark; Front Row: Brydie Taylor, Mary Ann Martin and Kyle Richardson.
BASKETBALL

After a couple of seasons slightly off the beam, the Western Hilltopper basketball team returned to its old-time form in the 1969-70 season. The Toppers ran roughshod over their OVC rivals, finishing with a perfect 14-0 conference record, a feat that has only been accomplished twice before, both times by Western teams. The only two defeats dealt the Hilltoppers in regular season play were accomplished at the free throw line. The defeats came on the road in early-season encounters at DiQuense and in the championship game of the laybank Classic at the University of Kansas. After the Kansas game, the Toppers ran up a torrid streak of 16 straight victories enroute to a berth in the NCAA tournament, for which they became the first team to qualify, wrapping up the OVC crown with a victory over Morehead before a record-setting crowd of 13,004 in Diddle Arena on February 21.

The Toppers were led this year by team captain Jim McDaniel, who set a Western record with his seasonal scoring average of 28.6 points per game. Also in the advance of the Topper onslaught were deadly-shooting Jim Rose, speedy Jerome Perry and aggressive play-maker Gary Sundmacker, a welcome transfer from Paducah Community College. Standouts Walker Banks, Wayne Fihart and Clarence Glover added their height and strength to the victorious campaign. Valuable back-up punch was provided by Western's unusually strong bench.

Chief among the honors showered on the cages this season was the naming of Coach John Oldham as the OVC's "Coach of the Year" and All-American Jim McDaniel's selection as the conference "Player of the Year." Also named to the All-Conference team were Jerome Perry and Jim Rose. The 1969-70 roundballers set a school record by blasting their opponents for 90.6 points a game as they swept to a season record of 22 victories and three defeats. The Toppers' winning ways attracted enough national attention to earn them a twelfth place rating.

Next year the Hilltoppers are looking forward to another successful season since only three players, Banks, Bright and Hawkins, will graduate, leaving the nucleus of this year's squad virtually intact and ready to dominate the OVC once again.
Bright starts a fast break.

Sandmacker gets help from his teammates.

Full house against Morehead.

McDaniels takes control on the boards.

Like taking candy from a baby.

Gloest-versatile and deadly on defense.

Perry passes to the inside.

Rex Davis turns a dead end.
FRESHMAN BASKETBALL

Learning to play Western-style basketball is always the first chore of the freshman team, and Coach Buck Sydnor's boys learned their lessons well enough this year to end up with a 9-7 record on the season. The high point of the year for the Baby Tops came when they defeated Murray's fresh on the winner's door. Murray's freshmen were picked as the strongest in the conference.

Kay Kleykamp proved to be the team leader by tallying the highest scoring average, 25.2, for the season. He recorded 33 points in the benefit game against the Vanderbilt freshmen to take home game high scoring honors by two.

A bright future appears ahead for the freshman team as a whole, and notably Roger Balridge, Don Waldron and Chuck Witt, who earned starting positions on this year's team.
NCAA PLAY

Even football tactics didn't seem to daunt the Dolphins' power.

After capturing the Ohio Valley Conference title on February 21, the Hilltoppers packed their red suitcases with high hopes and headed for the University of Dayton Arena to face a team that was unknown to many Western fans. But the Dolphins will never be unknown again, at least not in Topper Country.

Starting in a flurry of red towels and screaming fans, John Oldham's five streaked to an early lead that prompted dreams of "Western all the way!"

For a while it looked like a battle of the giants with Jim McDaniels (7'6"), Walter Banks (6'9"), Clarence Glover (6'8"), and Wayne Bright (6'8") challenging Jacksonville's Alton Gillmore (7'2"), Pembroke Runnels (7'0"), and Rod McIntyre (6'10")

Soon Jacksonville started to play serious basketball and by half-time the Dolphins were in the lead 53-47.

The rest is history. Although the Topper alumni came close, Jacksonville won by a score of 109-96.

Even in defeat Western played and fought hard—hard enough to take their 13th title in OVC play. It was a season to remember in many ways.

"...WE'LL BE BACK..."
—Jim McDaniels.
SWIMMING

Western's newest big-time sport is swimming. In their first year representing Western, the
fishers completed the season with a 3-4 overall
record with victories over Bema and Centre.
Under the direction of Coach Bill Powell, who
in 1960 was named the Michigan High School
Swimming Coach of the Year, Western's swim-
ning future looks bright.
Although Western had only 12 men on this
year's squad, more are expected to participate
in the coming years.

CROSS COUNTRY

Western's cross country team finished third in
the Ohio Valley Conference Invitational Tourna-
ment. The meet, which Western hosted, deter-
mined the final league standing.
This year the Toppers were paced by the always
strong Hector Ortiz. He was closely followed by
Darrell Myers. The Western team added to its
honors by taking first place in the Kentucky Feder-
ation Cross Country meet. Coach Burch Oglesby
will have the second spot on his line up to fill
next year since Myers will graduate, but Ortiz, who
finished second in the OVC, will be returning as
the nucleus of the new team.
Western's track team also had its share of success this season. Senior Herb Oplesky picked up four individual conference marks in the season-opening weekend meet, including a 100 yard dash record of 10 seconds. Oplesky also captured the 440 yard dash title in the championship meet and the 440 yard dash championship title. He also anchored the 400 yard run and 440 yard relay teams which finished first and second, respectively.

Oplesky was named the College Track Star of the Year in the final balloting and the Western Sicilian Conference Track Star of the Year. He also leads the nation in the 100 yard dash.

The track team will now focus on the Western Interstate Conference meet on April 26 which will be held in Los Angeles. The track team is working hard to make sure they are in the best shape possible for this meet.
BASEBALL

The cry "play ball" rings from Demes Field for the Western nine. Winners of the western division in the OVC last year with a 10-1 record, the Toppers are playing a 49 game season this year. Ace hurlers Don Durham and Jim Howes are expected to be starting pitchers while Jim Zwester and all-conference shortstop Harry Jones can be counted on to provide the muscle at the plate. OVC star catcher Johnny Vance left the team to join a pro team earlier in the year.

GOLF TEAM

The Hilltopper golf team, headed by six members of last year’s conference winning team, plans to continue its winning ways this year. In the past they have taken the title ten times. Outstanding linksmen for three years, Rick Whittrill, who has also been named OVC individual medalist twice, will again be leading the assault on the greens. Western’s golfers competed in the Florida Intercollegiate Invitational meet in April and in the OVC conference meet in Murfreesboro, Tenn.

TENNIS

Western’s tennis team tried to bounce back this year after losing last year’s OVC tournament in the last match. Coach Ted Hornback welcomed back Terry Hassal and Marty Robinson. These experienced players will be needed to lead the team against such opponents as University of Tennessee, Kentucky and South Carolina. Western is expected to be one of the leaders in the OVC competition at Murfreesboro, Tenn.
Diversity was the word for Western's extracurricular sports program this year. The programs ranged from intramurals to sports clubs competing against other universities. Western's intramural program had over 1,000 participants competing in such sports as flag football, bowling and horse shoes and playing on dorm, independent and Greek teams.

Western was also represented by interested students who formed a soccer team, judo team and gymnastic squads. The soccer team played a hectic schedule with other college teams while the judo team competed with success in matches such as the Indiana AAU Judo Championships.

Coed had a chance to join in sports activities under the Women's Recreation Association programs. More than 500 girls played in events ranging from volleyball to swimming and archery for sorority and dorm teams.

Under the direction of Coach Frank Griffin, Richard "Porky" Nau and Miss Mildred Lowery, the extracurricular sports program will offer even more to Western students next year.
