SPRING
2019

Congratulations

Dr. Sharron Halcomb Francis

Epsilon Delta Class of 1965

Dr. Francis (right) won the Howard E. Bailey Distinguished Service Award at the 2019 Greek Week Convocation. She was nominated by the chapter for her outstanding contributions to medical research. This award is the highest honor that Greek alumni at WKU can win. This is the first time an ADPi has won, and the award is not necessarily given each year. The last time the award was presented was three years ago!

THANK YOU

to all who came to our Alumnae Bible Study (2/25) and our Founders' Day and Pi Panel event (4/14).

We love our involved alum!

Special thanks to sisters Kristen Robinette, Mary Katherine Ryle, Catherine Clemons, and Colleen Coomes who served on our alumnae Pi Panel!

A close-up photograph of two hands, one from the left and one from the right, with their index fingers pointing directly at each other. The hands are positioned in the center of the frame. The person on the left is wearing a gold-toned metal bracelet and a silver-toned chain bracelet. The person on the right is wearing a thin silver-toned ring. The background is a soft-focus, warm-toned interior space with architectural details like columns and arches. The text "WE LIVE FOR EACH OTHER" is superimposed in the center in a dark blue, serif, all-caps font.
