Biographical/Historical Note:

The Asian Studies Program was approved in 1974 and was overseen by the Center for Intercultural Studies.

"The Asian Studies programs facilitate the understanding of the continent and its peoples, including their languages, religions, and cultures. The major and minors provide students with an understanding of the Asian past, as well as with the knowledge to put current issues and problems into broader historical, religious, and cultural contexts." [<http://www.wku.edu/asianstudies/>]
