Dr. Gary Ransdell
President
135 Wetherby Administration Building

Dear Dr. Ransdell,

Recently, the Student Government Association passed several resolutions that we feel are important to the students of Western Kentucky University and deserves immediate University attention. Attached you will find a copy of the following resolutions:

- 98-5-S "Placing of Ergonomic Keyboards in computer labs and classrooms"
- 98-6-S "Placing additional lighting on Snell Hall to light sidewalk"
- 98-9-S "Suspending Afternoon Classes Before Spring Break"
- 98-11-S "Evaluation of Teachers"
- 98-12-S "Elimination of Cap and Gown Fee"
- 98-14-S "Regent Scholarship money to accommodate tax benefits"
- 98-15-S "24 Hour Residence Hall Visitation Policy"
- 98-18-S "Lights on sidewalk between DUC and Preston"
- 98-19-S "Professors to be trained to advise students"

As always, these issues are not to be taken lightly. The Student Government Association has worked hard in preparing these for the benefit of the students. Please review these carefully.

As the Student Government Secretary it is my job to direct the resolutions to the President, Vice President of Student Affairs, Dean of Student Life and Director of Student Activities and Organizations. I will also be sending a letter and a copy of the passed legislation to the appropriate administrator and department head responsible for implementing the resolution. Please respond to this at your earliest convenience as it is important to us, the students, that these take effect as soon as possible.

If you have any questions or concerns, please feel free to call or stop by anytime. The members of the Student Government Association appreciate your attention to these issues concerning all students.

Sincerely,

Jamie Fite
SGA Secretary, 1997-1998
