What is a Gamma Sig?

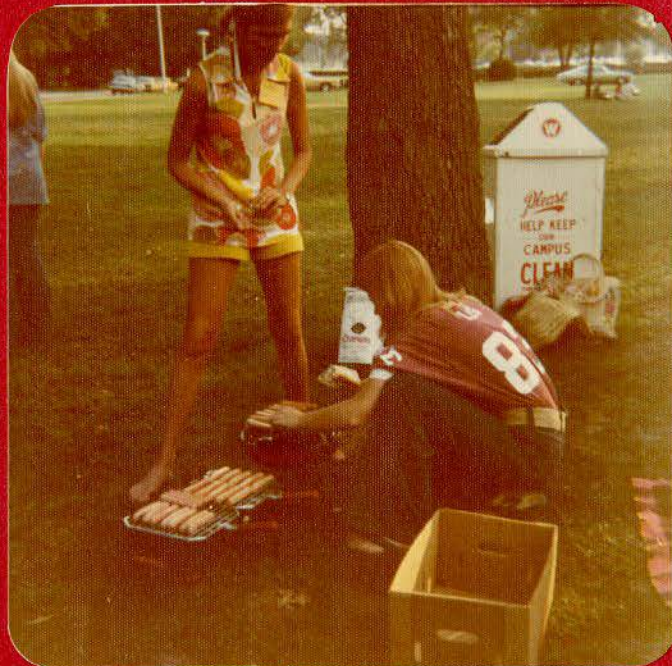

A Gamma Sig is a nursing student, a junior math major and an undecided freshman. She is four-foot eleven, five-foot four, and five-foot ten. She is a blond pixie, a brunette sophisticate, and a sweet red head. She is a finder of new service projects, a planner, a worker.

A Gamma Sig reads to the blind, helps in the Bloodmobile, bakes cookies, and designs posters. She sings at nursing homes, ushers at campus lectures and concerts, and plays with underprivileged children. She pushes projects, co-chairs the March of Dimes drive, attends executive board meetings, and makes favors for the patients at the hospital, but most important of all a Gamma Sig gives herself.

Scattered
 Pictures of the
 Smiles we left behind,

Smiles we gave to one
 another — for the
 way we were

May the road
rise up to meet you,
May the wind be always
at your back,
May the sun shine warm
upon your face,
And the rain fall soft
upon your fields,
And until we meet again,
May God hold you
in the palm of His hand.
