MINUTES

Council of Academic Deans

December 1, 1982

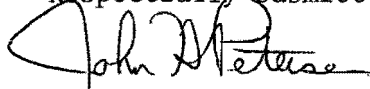

Dr. Davis called the meeting to order at 10:40 a.m. Members present included Drs. Sandefur, Lloyd, Nelson, Hellstrom, Hardin, Robinson, and Petersen. Also present were Drs. Kenneth Brenner, Ron Adams and Robert Hoyt.

Dr. Davis opened the meeting by relating some concerns of President Zacharias regarding improved communication with faculty. Dr. Davis suggested that the deans take steps to insure that information regarding such matters as trends in enrollment, student credit hours and majors and minors, and issues such as the implementation of rank and promotion guidelines is fully communicated through department heads to the faculty.

Dr. Hardin and Dr. Adams led a discussion of the implementation of the Southern Association reaccreditation process as applied to the college deans' offices. Each of the eleven Southern Association standards were reviewed and suggestions made regarding which questions should be addressed by the deans' offices. The general recommendation was that the deans should use their own judgment regarding the type, scope and extent of information to be provided.

The meeting was adjourned at 11:45 a.m.

Respectfully submitted,

John H. Petersen
