

Minutes of the Executive Committee  
of the Board of Regents of Western  
Kentucky State Teachers College.

September 7, 1938.

The Executive Committee of Western Kentucky State Teachers College met in the President's office, September 7, 1938.

Present: Mrs. Drake, President Garrett, and Mr. Borrone.

President Garrett recommended that football should be discontinued at the Training School and a more extensive program of physical education be instituted stating that it seemed especially undesirable that a training school in connection with a teachers' college should emphasize football for a few boys rather than a physical education program for the entire student body. He called attention to the small squad available and the physical hazard involved in interscholastic competition with schools having larger and older squads. On motion of Mrs. Drake, seconded by President Garrett, it was unanimously voted to drop competitive football as a sport in the Training School.

Moved by President Garrett, seconded by Mrs. Drake, the contract be approved with L. M. Bostic for plastering at the Training School not to exceed \$1740 and in the Home Economics Building not to exceed \$1660. The vote was as follows: Mrs. Drake, yes; President Garrett, yes; Mr. Borrone, yes.

It was moved by Mrs. Drake, seconded by President Garrett that the contract be approved with Rex Lancaster for placing a fifteen-year bonded built-up roof on the Industrial Arts Building for the sum of \$786.25. The vote was as follows: Mrs. Drake, yes; President Garrett, yes; Mr. Borrone, yes.

Moved by Mrs. Drake, seconded by President Garrett that L. T. Smith be authorized to employ labor to do such repointing of buildings as he judges to be necessary, the total cost not to exceed \$750. The vote was as follows: Mrs. Drake, yes; President Garrett, yes; Mr. Borrone, yes.

The matter of the failure of the chimes to operate was discussed. President Garrett was directed through further correspondence with the Standard Electrical Time

Company to call their attention to the failure of their equipment.

The meeting was adjourned.
